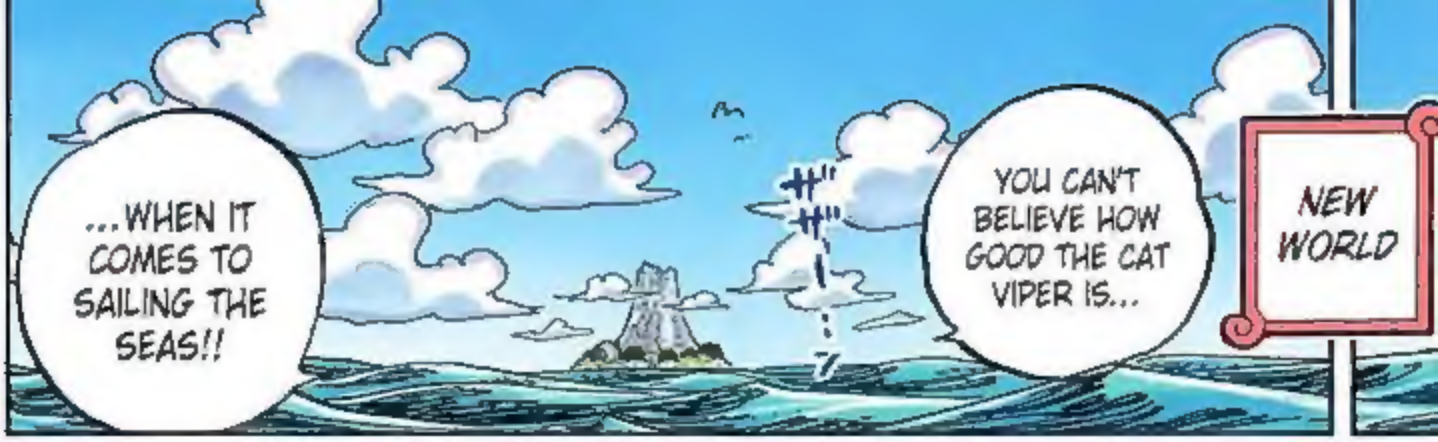
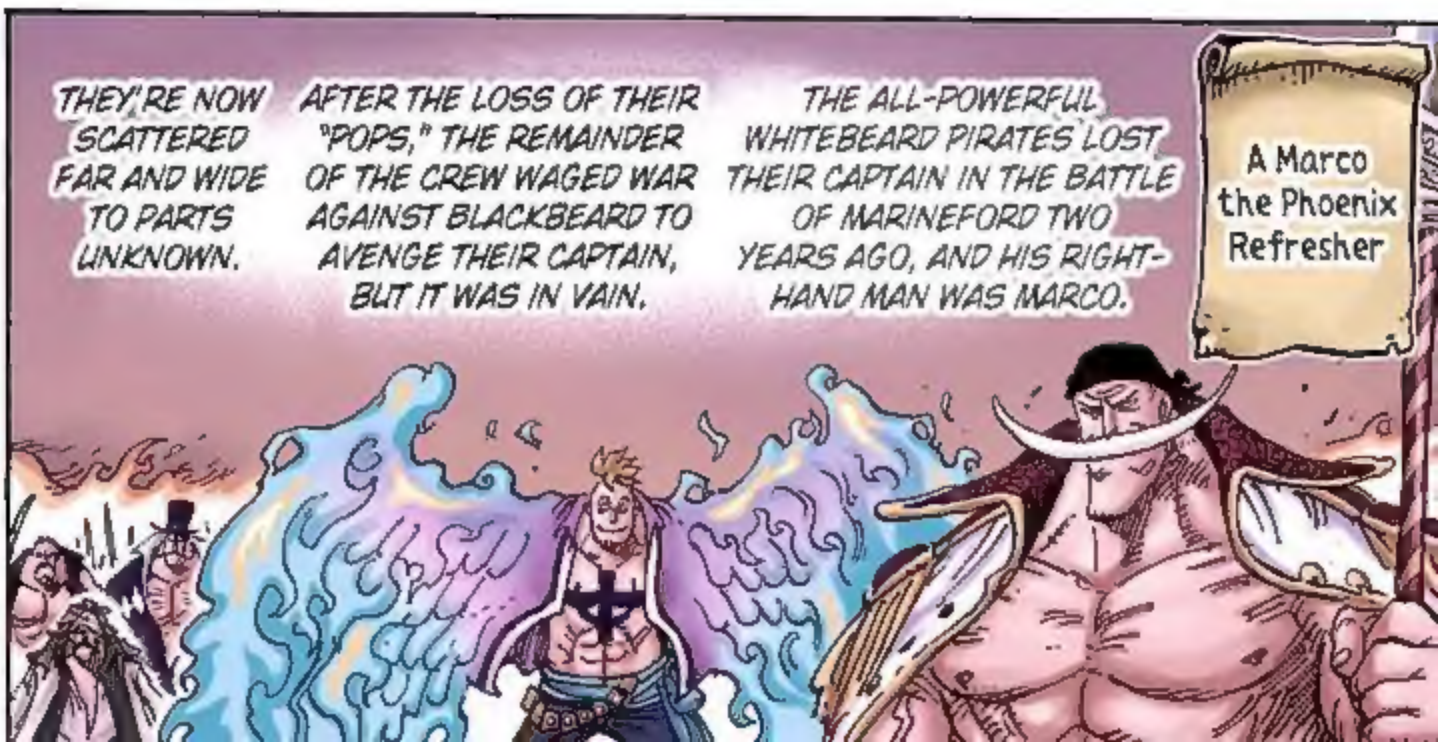
Chapter 909:
SEPPUKU

THE SAGA OF THE SELF-PROCLAIMED STRAW HAT FLEET, VOL. 39, ORLUMBUS: "4:00 P.M.: FIRST PIRATING CAMPAIGN! LAUNCH ATTACK!!"



...WHEN IT COMES TO SAILING THE SEAS!!
YOU CAN'T BELIEVE HOW GOOD THE CAT VIPER IS...
NEW WORLD

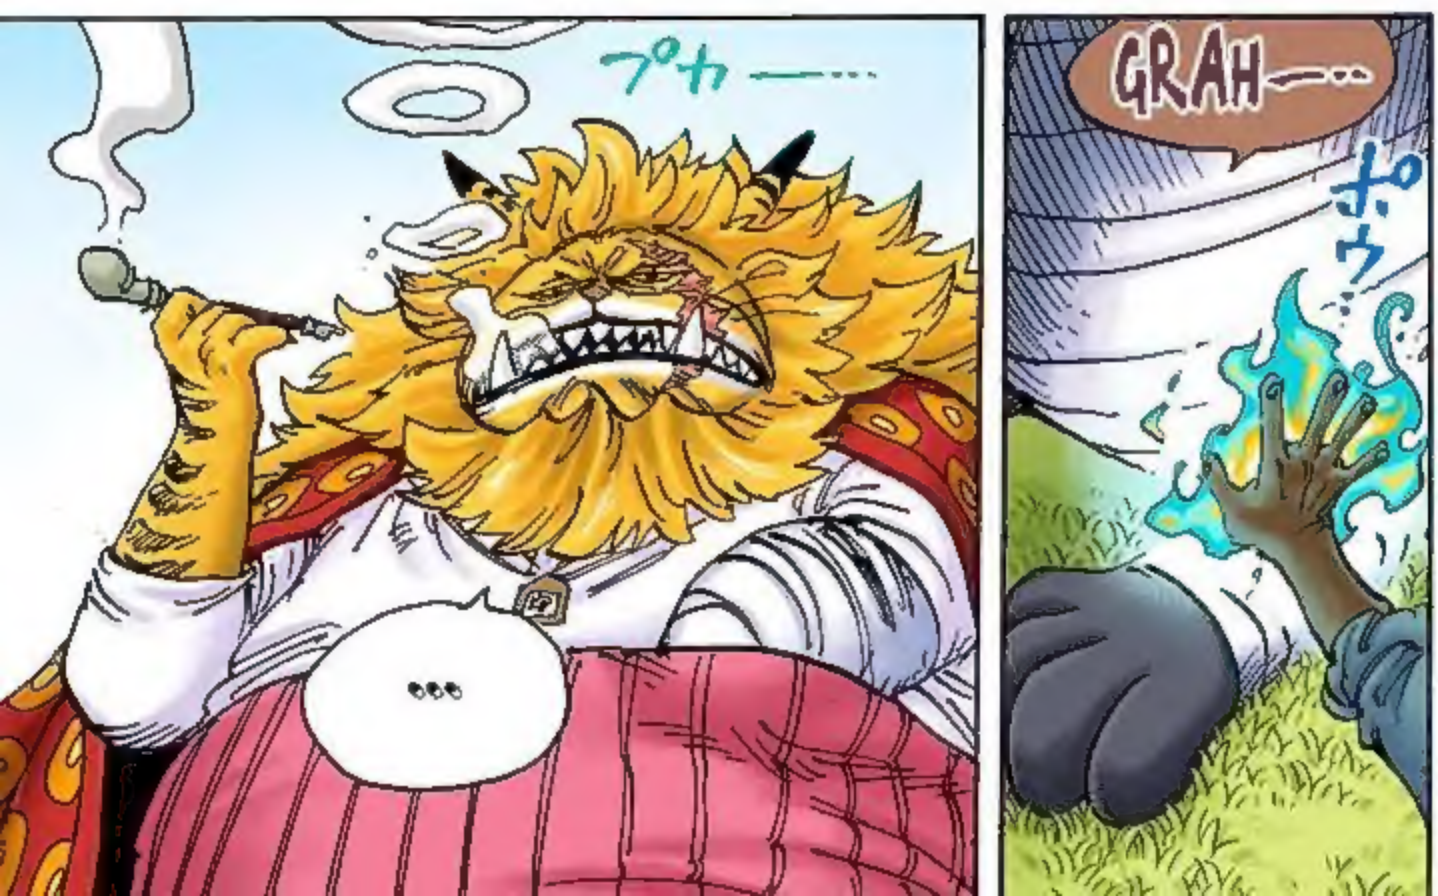
HE WANTED YOUGARA TO WAIT HERE BECAUSE YOU LOOK TOO SCARY.
UNTIL HE COMES BACK WITH MARCO THE PHOENIX!
SO... HOW LONG ARE WE SUPPOSED TO WAIT AT THESE RUINS?
OF COURSE! HE WAS GOOD ENOUGH TO RIDE ON THE PIRATE KING'S SHIP!!
IS MARCO REALLY THE KIND OF GUY MY FACE IS GONNA SCARE OFF?!
I'M TALKING ABOUT THE VILLAGE, FOOL! DON'T GO OVER THERE!
MINKS
GUARDIANS



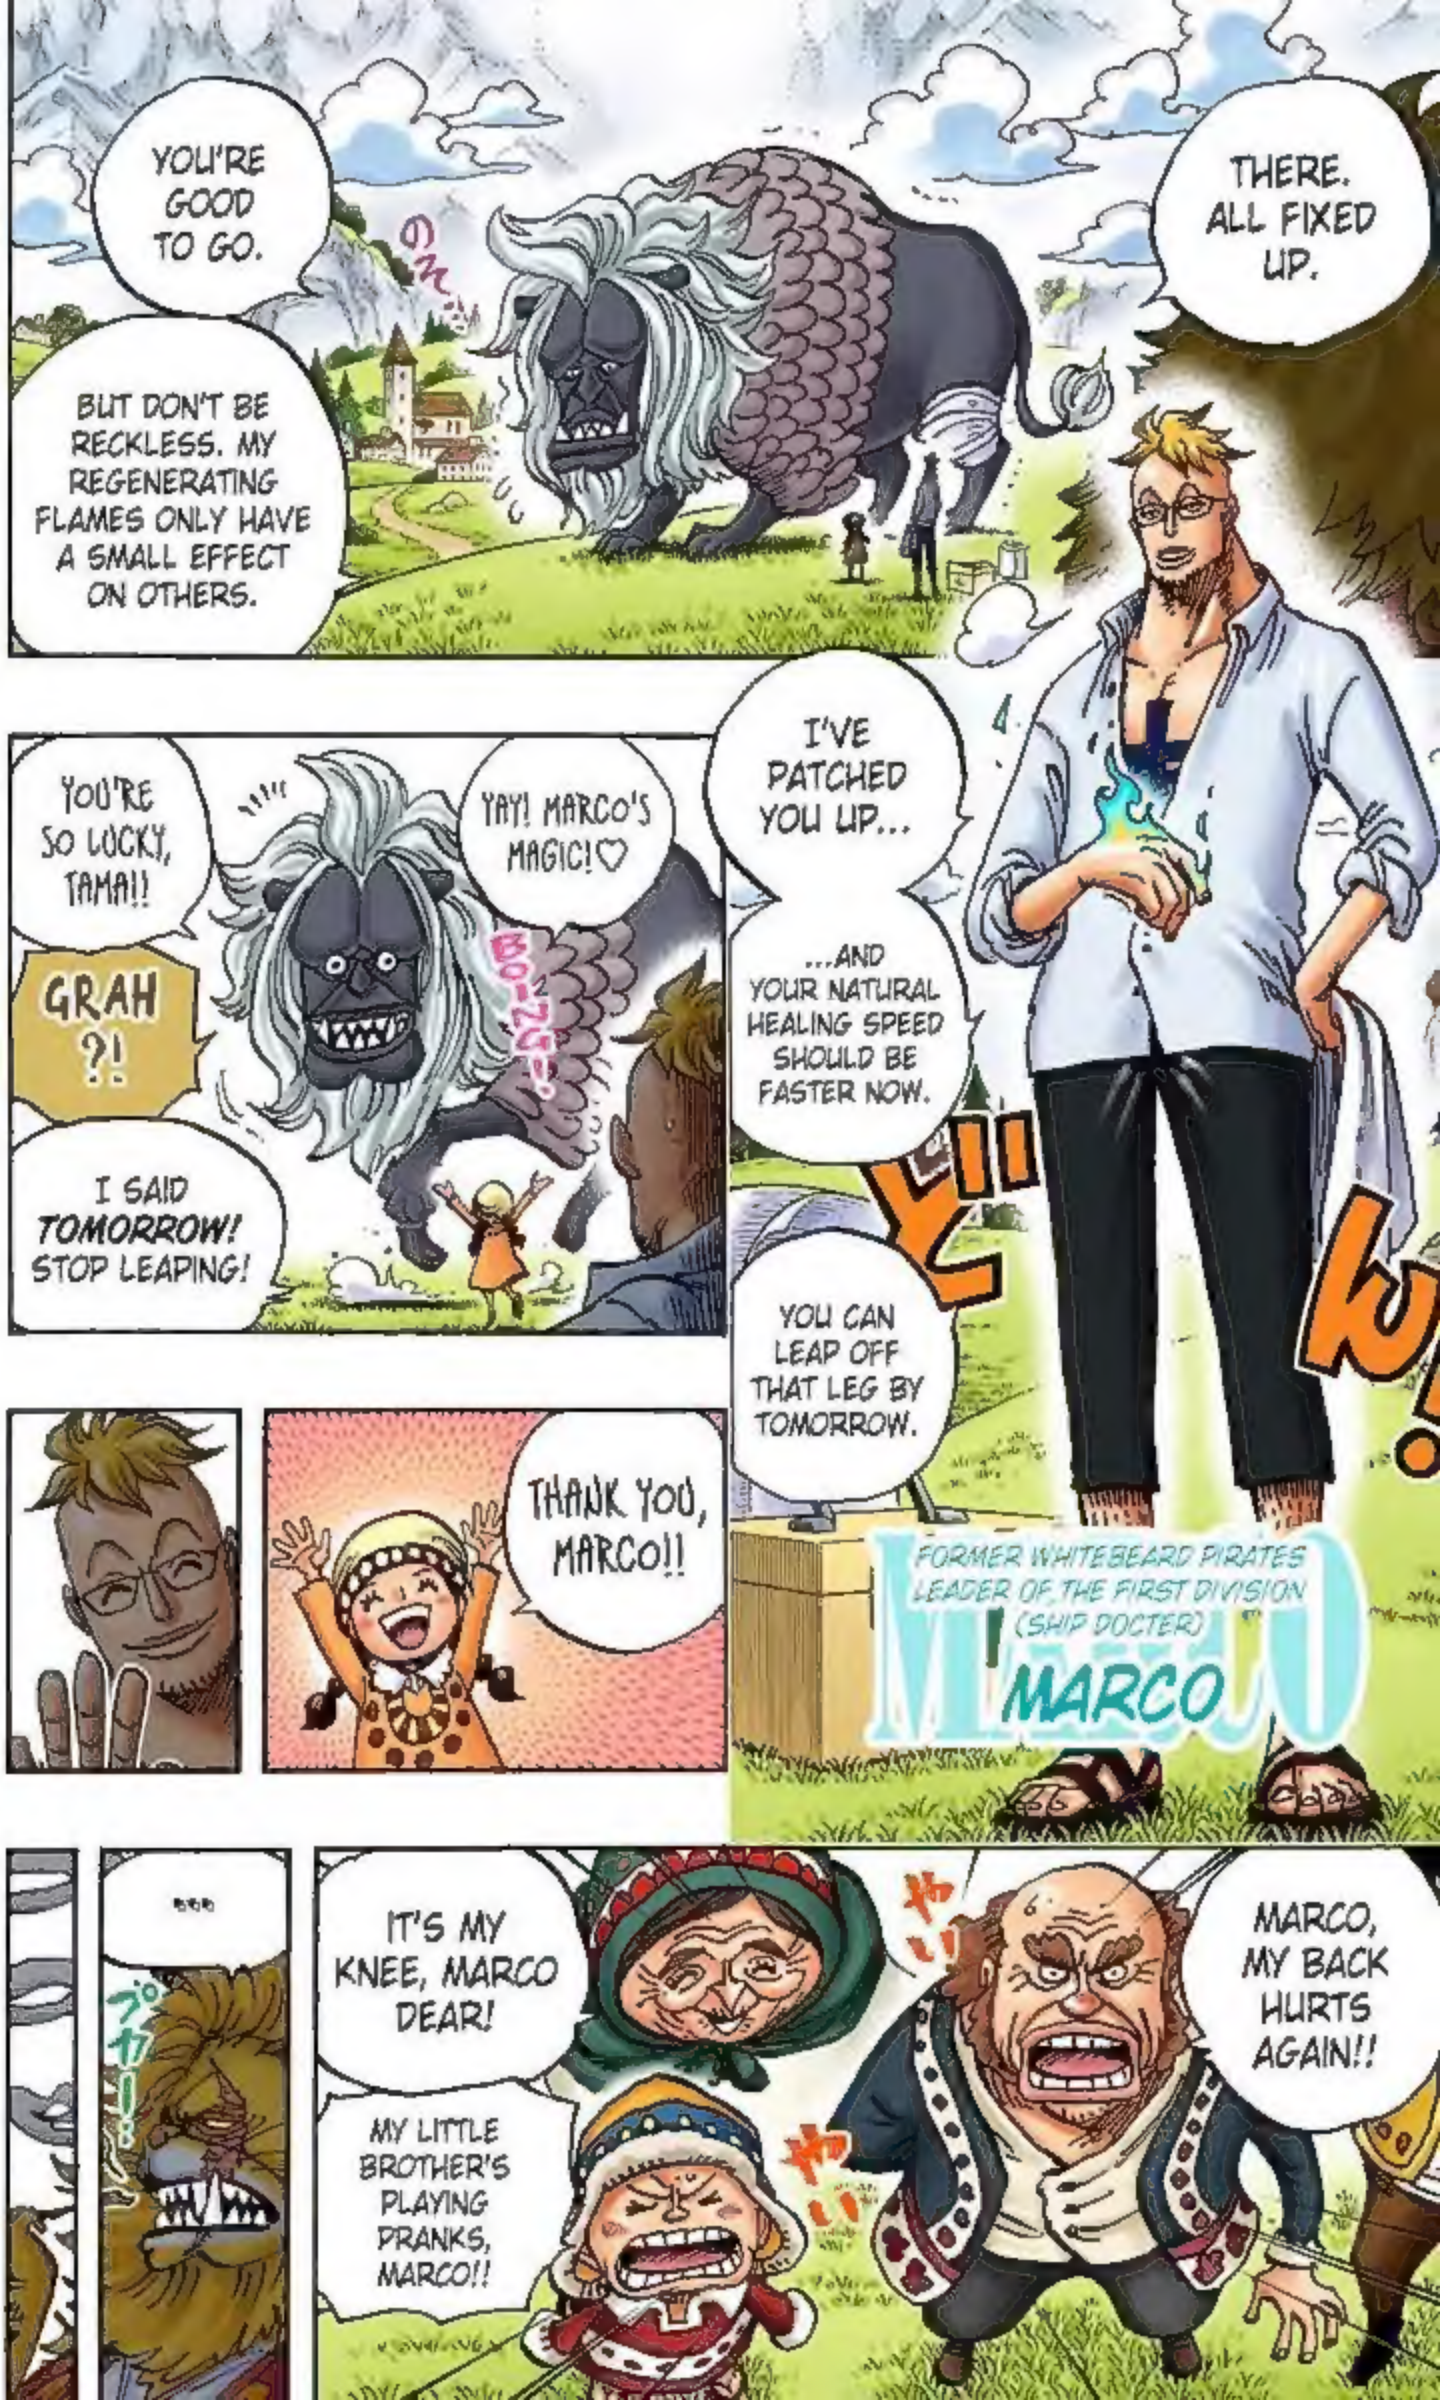
THEY'RE NOW SCATTERED FAR AND WIDE TO PARTS UNKNOWN.
AFTER THE LOSS OF THEIR "POPS," THE REMAINDER OF THE CREW WAGED WAR AGAINST BLACKBEARD TO AVENGE THEIR CAPTAIN, BUT IT WAS IN VAIN.
THE ALL-POWERFUL WHITEBEARD PIRATES LOST THEIR CAPTAIN IN THE BATTLE OF MARINEFORD TWO YEARS AGO, AND HIS RIGHT-HAND MAN WAS MARCO.
A Marco the Phoenix Refresher

GOOD POINT. BUT THE BOSS LOOKS SCARIER THAN WE DO!!
IF HE GETS MAD.
IT'S NOT A PLACE FOR A GROUP OF BIG, SCARY WARRIORS TO MARCH THROUGH.
...THERE'S A PEACEFUL LITTLE VILLAGE...
APPARENTLY, ON THE OTHER SIDE OF THE CAVE BEHIND THOSE FALLS...

BUT HIS SMILE IS CUTE.
ゴゴゴゴゴ..
VERY TRUE.♡

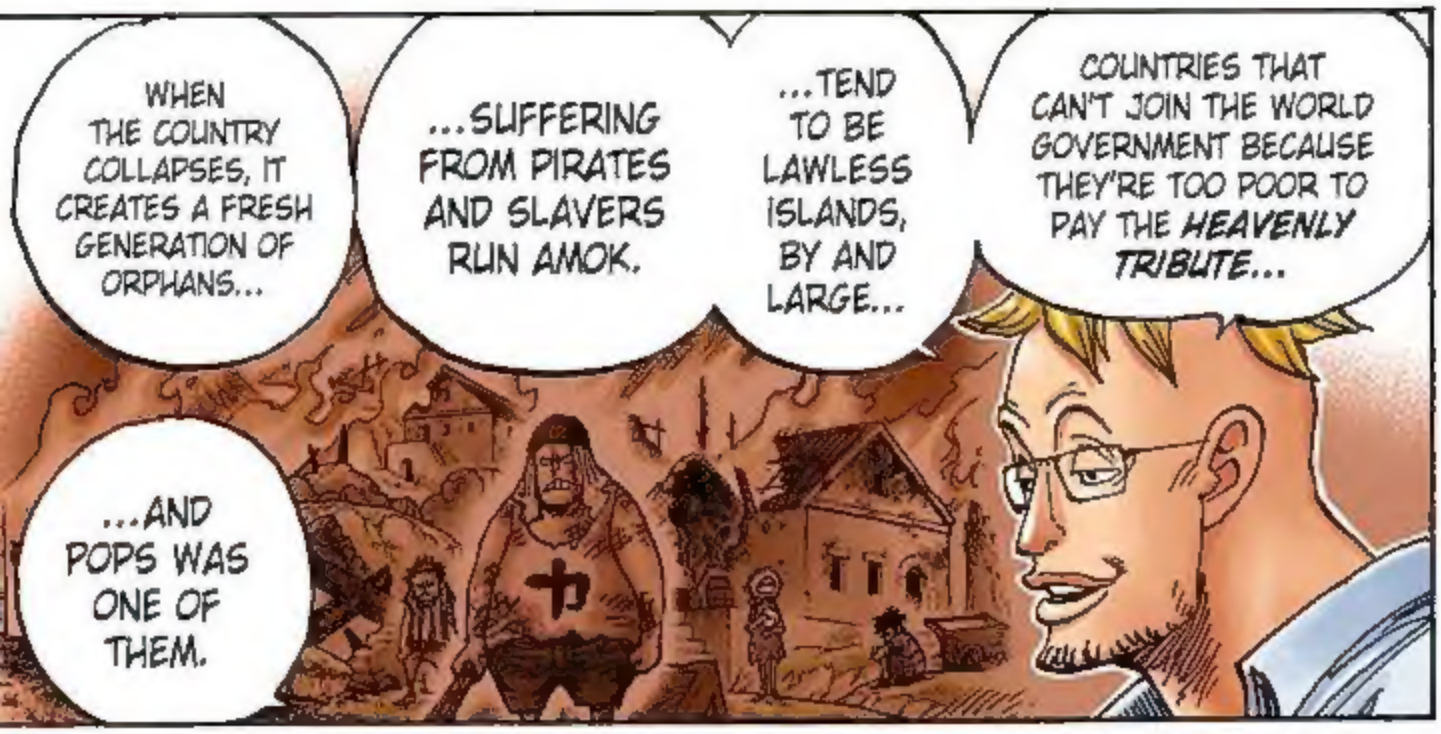


プカ——…
GRAH——…
ポウ



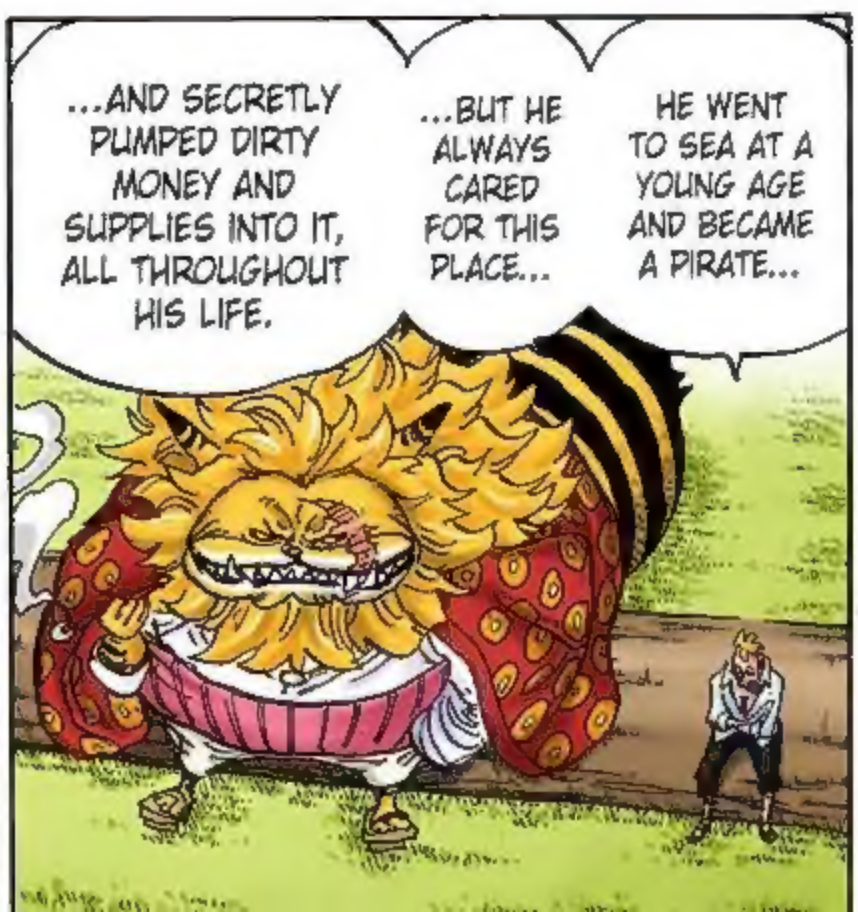
YOU'RE GOOD TO GO.
BUT DON'T BE RECKLESS. MY REGENERATING FLAMES ONLY HAVE A SMALL EFFECT ON OTHERS.
THERE. ALL FIXED UP.
I'VE PATCHED YOU UP...
...AND YOUR NATURAL HEALING SPEED SHOULD BE FASTER NOW.
YOU CAN LEAP OFF THAT LEG BY TOMORROW.
FORMER WHITEBEARD PIRATES LEADER OF THE FIRST DIVISION (SHIP DOCTER)
MARCO
YOU'RE SO LUCKY, TAMA!!
YAY! MARCO'S MAGIC!♡
BOINGG!
GRAH ?!
I SAID TOMORROW! STOP LEAPING!
THANK YOU, MARCO!!
...
プカー
IT'S MY KNEE, MARCO DEAR!
MY LITTLE BROTHER'S PLAYING PRANKS, MARCO!!
MARCO, MY BACK HURTS AGAIN!!

OLD POPS WHITEBEARD DID? WHADDAYA MEAN?
POPS BUILT THIS VILLAGE...

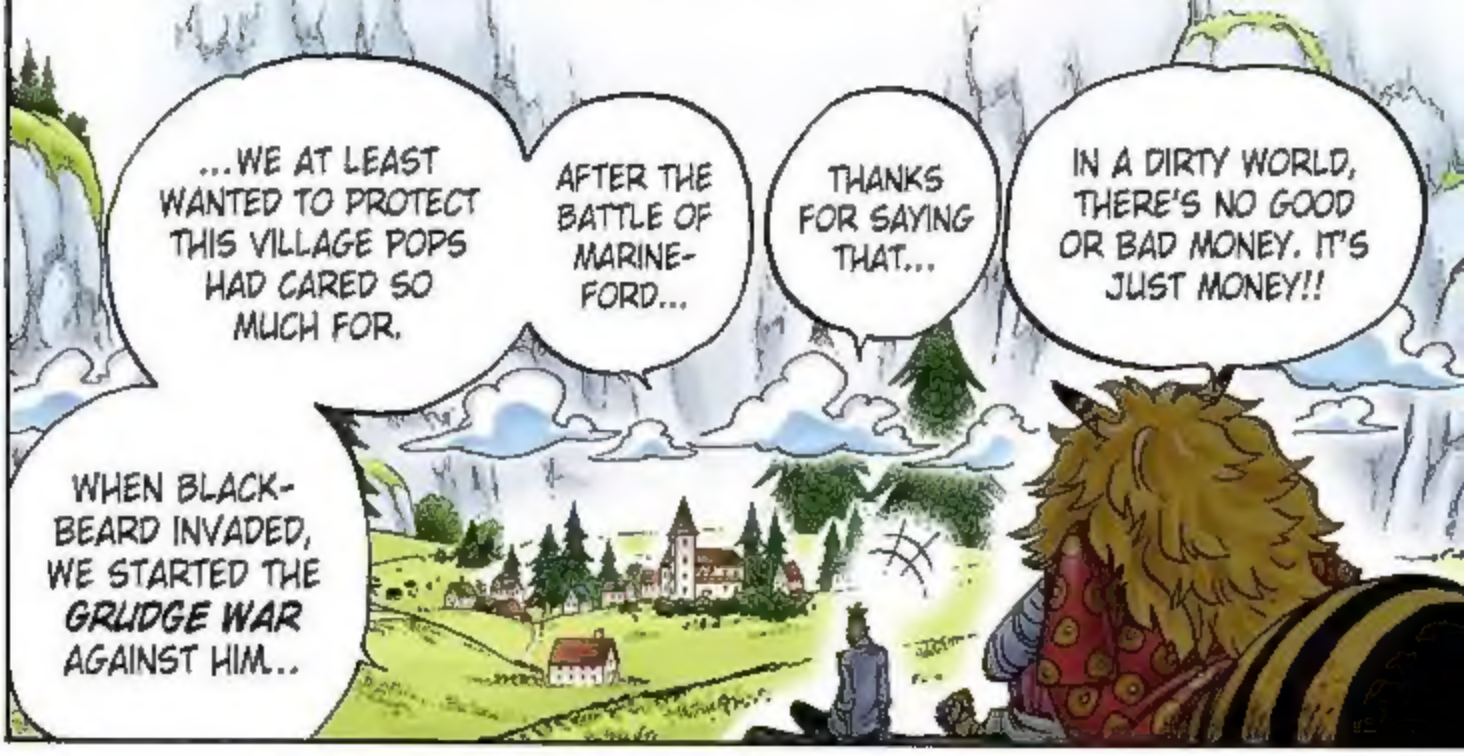


WHEN THE COUNTRY COLLAPSES, IT CREATES A FRESH GENERATION OF ORPHANS...
...SUFFERING FROM PIRATES AND SLAVERS RUN AMOK.
...TEND TO BE LAWLESS ISLANDS, BY AND LARGE...
COUNTRIES THAT CAN'T JOIN THE WORLD GOVERNMENT BECAUSE THEY'RE TOO POOR TO PAY THE HEAVENLY TRIBUTE...
...AND POPS WAS ONE OF THEM.

...BUT THIS ISLAND...
HE NEVER HAD A FAMILY, AND HIS OLD FRIENDS ARE GONE...
...WILL ALWAYS BE HIS HOME.



...AND SECRETLY PUMPED DIRTY MONEY AND SUPPLIES INTO IT, ALL THROUGHOUT HIS LIFE.
...BUT HE ALWAYS CARED FOR THIS PLACE...
HE WENT TO SEA AT A YOUNG AGE AND BECAME A PIRATE...



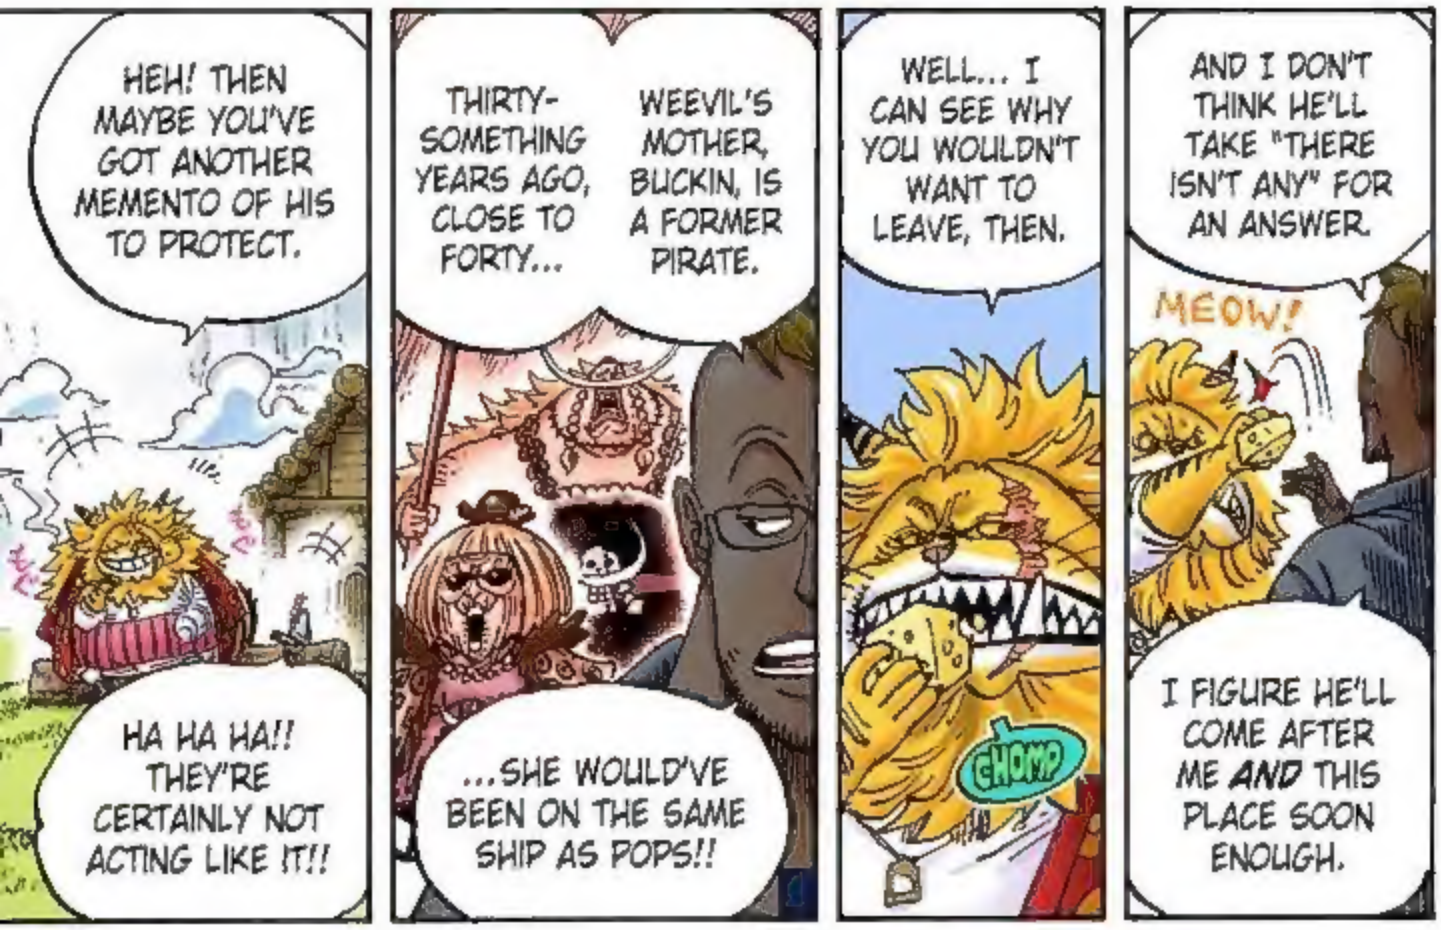
...WE AT LEAST WANTED TO PROTECT THIS VILLAGE POPS HAD CARED SO MUCH FOR.
AFTER THE BATTLE OF MARINE-FORD...
THANKS FOR SAYING THAT...
IN A DIRTY WORLD, THERE'S NO GOOD OR BAD MONEY. IT'S JUST MONEY!!
WHEN BLACK-BEARD INVADED, WE STARTED THE GRUDGE WAR AGAINST HIM..

SO THIS IS KINDA LIKE A FINAL MEMENTO OF YER POPS, HUH...?
I THINK I SEE WHATCHA MEAN...
YEAH... RED-HAIR PUT HIS GRAVE NOT TOO FAR FROM HERE...

OH, HOW I WANTED TO MAKE THAT INGRATE PAY!!
...WE COULDN'T OVERCOME TEACH ANYMORE. HE TOOK EVERYTHING.
BUT WITH POPS'S POWER AT HIS COM-MAND...

BUT WE WERE OKAY WITH IT... BECAUSE WE KNEW...
...HE WAS PUTTING HIS ENTIRE SHARE OF THE TREASURE INTO THIS PLACE! HEH HEH...
RUB..
POPS WAS... KIND OF A CHEAPSKATE, YA KNOW?
HE ALWAYS WANTED OTHER PEOPLE'S DRINKS. HE NEVER PAID THE WHOLE TAB AT A RESTAURANT!!

OH, YEAH. IS THAT TRUE?
I CAN'T COMMENT ON HIS HISTORY WITH WOMEN, BUT THIS GUY SEEMS TO WANT AN INHERITANCE!
CLICK
BY THE WAY, THERE'S THAT WARLORD NAMED WEEVIL GOING AROUND...
...CALLING HIMSELF POPS'S SON AND ATTACKING ANYONE RELATED TO THE NAME OF WHITEBEARD.



HEH! THEN MAYBE YOU'VE GOT ANOTHER MEMENTO OF HIS TO PROTECT.
HA HA HA!! THEY'RE CERTAINLY NOT ACTING LIKE IT!!
THIRTY-SOMETHING YEARS AGO, CLOSE TO FORTY...
WEEVIL'S MOTHER, BUCKIN, IS A FORMER PIRATE.
...SHE WOULD'VE BEEN ON THE SAME SHIP AS POPS!!
WELL... I CAN SEE WHY YOU WOULDN'T WANT TO LEAVE, THEN.
CHOMP
AND I DON'T THINK HE'LL TAKE "THERE ISN'T ANY" FOR AN ANSWER.
MEOW!
I FIGURE HE'LL COME AFTER ME AND THIS PLACE SOON ENOUGH.

YOU SAID HE'S GOING TO WANO?
YEP.
OF COURSE. I'M ALL EARS.
IF YOU'RE GOING TO MEET WITH STRAW HAT LUFFY AFTER THIS...
...I'VE GOT A MESSAGE TO SEND ALONG, CAT VIPER...

LAND OF WANO
ワノ国
ベベベ
ベベベ

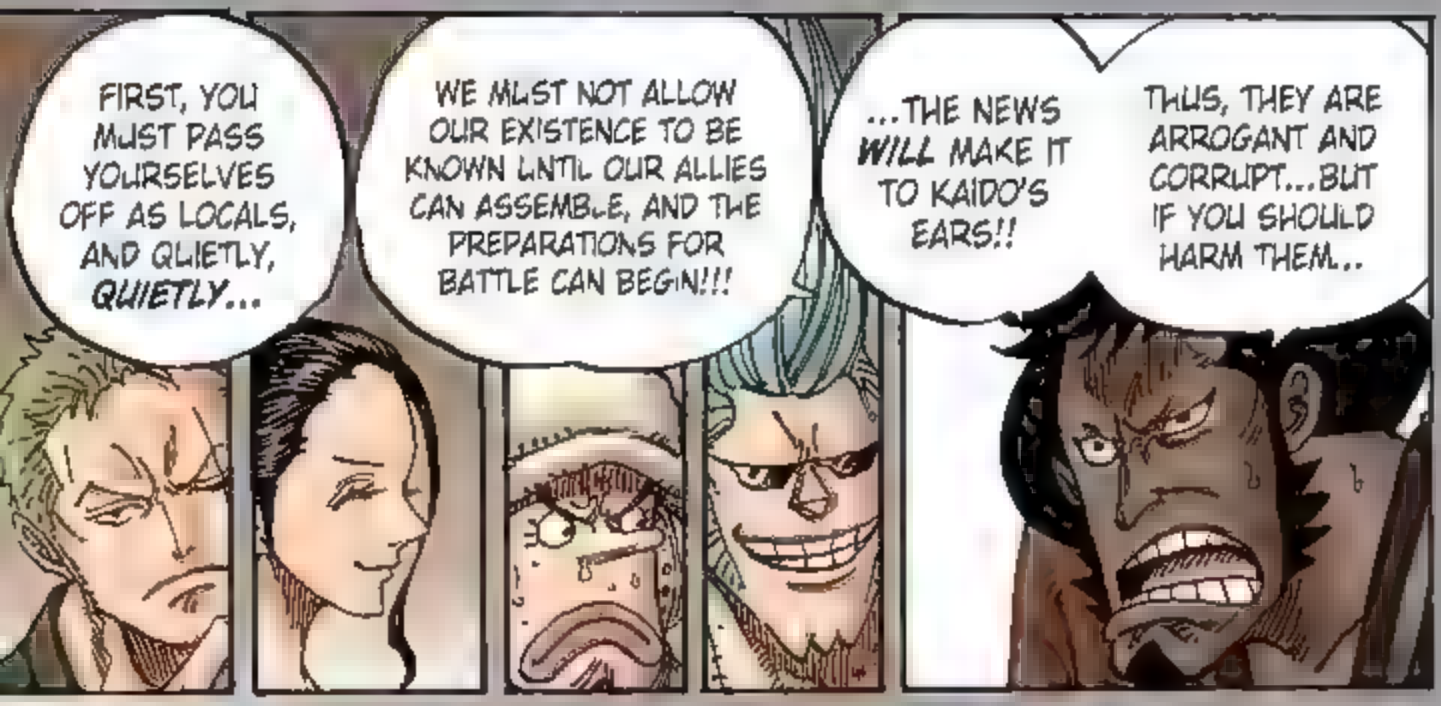
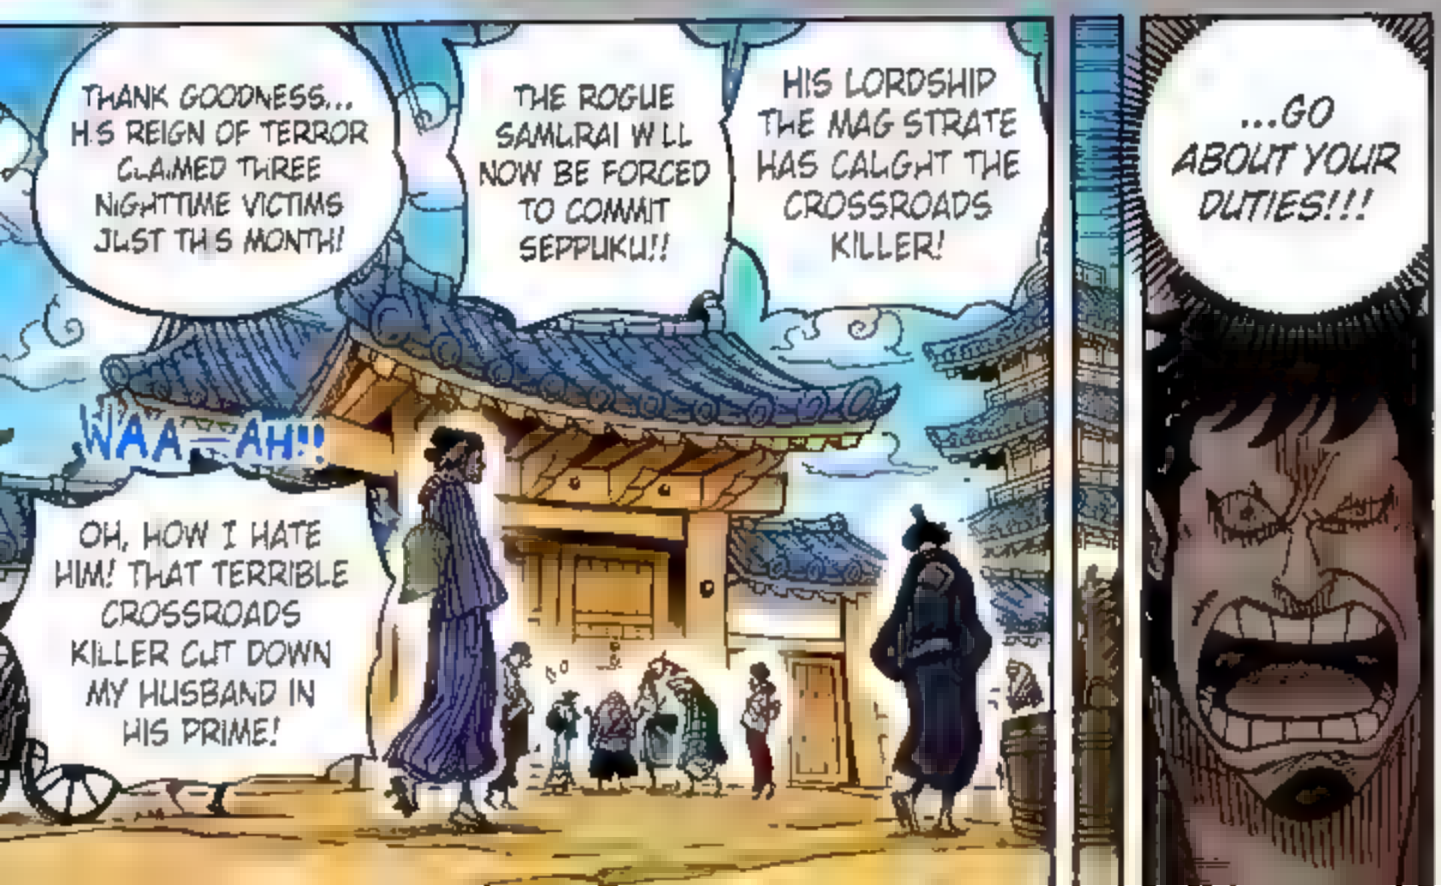
YOU'VE MADE A WISE PURCHASE, MY FRIENDS!! GATHER 'ROUND!!
SAY, I'LL BUY SOME OF YOUR TOAD OIL!!
I'LL TAKE TWO!!

VERY GOOD!!
THAT'S IT!!
...THERE'S NO WAY YOU'LL RECEIVE A SUMMONS FROM THE SHOGUN'S CHAMBER.
...IN THE SHORT AMOUNT OF TIME YOU WANT!! WOO!!
HUFF, HUFF...
AT THE RATE YOU'RE GOING...
LOWER YOUR HIPS MORE!! YOUR ARM IS TOO LOW!!
ARE YOU DREAMING, GIRL?! I WANT TO SEE MORE EFFORT!!
GEISHA OROBI
YES, MA'AM.

THE SHOGUN OF WANO IS NAMED KUROZUMI OROCHI!!
AND THE OFFICIALS WHO DO HIS BUSINESS ALL HAVE TIES TO KAIDO!!
LISTEN CLOSELY !!



FIRST, YOU MUST PASS YOURSELVES OFF AS LOCALS, AND QUIETLY, QUIETLY...
WE MUST NOT ALLOW OUR EXISTENCE TO BE KNOWN UNTIL OUR ALLIES CAN ASSEMBLE, AND THE PREPARATIONS FOR BATTLE CAN BEGIN!!!
...THE NEWS WILL MAKE IT TO KAIDO'S EARS!!
THUS, THEY ARE ARROGANT AND CORRUPT...BUT IF YOU SHOULD HARM THEM..



THANK GOODNESS... HIS REIGN OF TERROR CLAIMED THREE NIGHTTIME VICTIMS JUST THIS MONTH!
THE ROGUE SAMURAI WILL NOW BE FORCED TO COMMIT SEPPUKU!!
HIS LORDSHIP THE MAGISTRATE HAS CAUGHT THE CROSSROADS KILLER!
...GO ABOUT YOUR DUTIES!!!
WAAAAH!!
OH, HOW I HATE HIM! THAT TERRIBLE CROSSROADS KILLER CUT DOWN MY HUSBAND IN HIS PRIME!

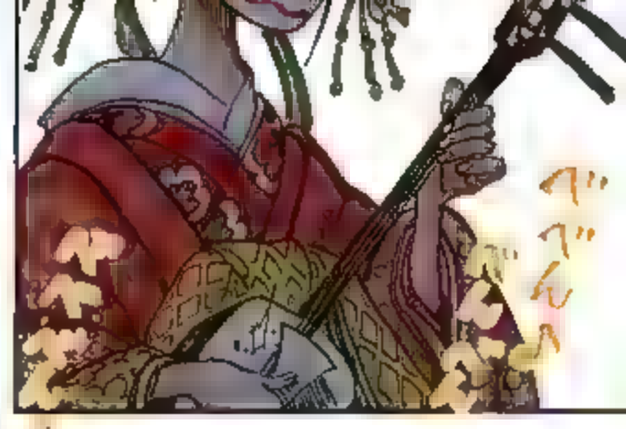
...BUT IT SEEMS WE'VE CAUGHT A GRAVE ROBBER AS WELL!!
NOT ONLY WILL THIS RESTORE PEACE...
...
THE POPULACE HAS BEEN TERR.F ED OF YOUR CARNAGE, CROSSROADS KILLER.
ばっ
ひっ!!
TWENTY-THREE YEARS AGO...
...
...WE LOST THE REMAINS OF THE LEGENDARY SWORDSMAN RYUMA...
...IN THE MIDST OF A PIRATE UPHEAVAL...
RONIN ZORO-JURO
シュ!!
ひっ!!
...AND HIS BLADE, SHUSUI!!!

IN MY HANDS I HOLD THE GREAT SHUSUI!!
GLINT.
HA HA...
ONE WONDERS HOW PRISTINE ITS BITE IS.
...YOU DO NOT LOOK SO OLD.
BUT, CROSSROADS KILLER.
DID YOU EXTRACT THIS FROM THE THIEF?
...AND MAKE AMENDS WITH YOUR DEATH!!
IF YOU HAVE ANY SAMURAI PRIDE AT ALL, ADMIT YOUR CRIME...
SWISH.
MY ROLE IS TO LOP OFF YOUR HEAD WHEN YOU'RE DONE, SO YOU DON'T SUFFER!!
IT'S NOT FOR FIGHTING. YOU DON'T NEED ONE.
YOU DO KNOW HOW SEPPUKU WORKS, DON'T YOU?!
THIS KNIFE'S GOT NO HILT... UH, VERILY.
A SEPPUKU BLADE IS SHORT AND HAS NO HILT ON PURPOSE.
THIS DEATH GIVES YOU FAR MORE DIGNITY THAN YOU DESERVE!! REJOICE IN YOUR SEPPUKU!!
WE HAVE WITNESSES!! WE HAVE EVIDENCE!!
...
HMPH! JUST DON'T WAIL AND BLUBBER..
TING...
THE SAMURAI'S TRUE WORTH IS IN HIS END!!
...SO LONG!!
WELL... IN THAT CASE...
FWIP
FWIP

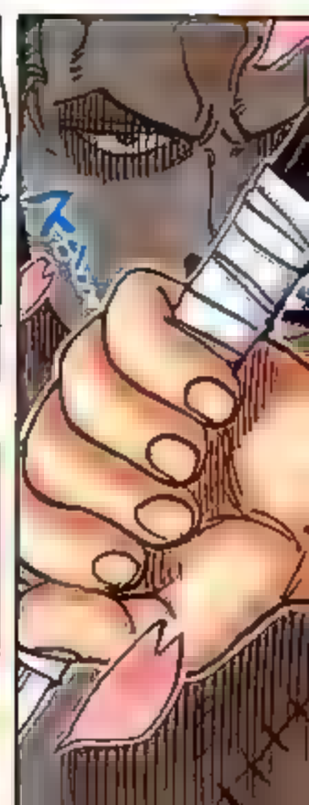
WHAAAT?!!

WITH THE SEPPUKU BLADE?!!

I'M SORRY, KIN'EMON!!



I CAN SMELL BLOOD...AND IT SAYS *YOU'RE* THE KILLER.



SBS Question Corner

(I♡OP, Ishikawa)

Q: Hello, Mr. Oda! I have a question. Charlotte Montd'or and Charlotte Opera's Devil Fruit titles were never actually unveiled in the story, were they? Can you tell us what they are?

--Boil

A: Okay. Montd'or is the Bookkeeper because he has the Book-Book Fruit. He can turn living things into living samples, use books to fly in the air, and pull people into the stories within books. It's a rich enough variety of powers that he could be the villain of his own story arc. Opera has the Cream-Cream Fruit. He's a very tricky enemy who controls the cream his body creates, and utilizes "sweetness" as a novel attack concept.

Q: Question for the SBS! What are the hobbies of Smoker, Tashigi, and Lady Hina?

--Itsuma

A: Interesting question.

Pottery
Casinos

Reading books about swords
Paper-cutting art

Horseback riding
Clubbing

Q: I love Crocodile, Mihawk and Doflamingo. Are they going to be bachelors forever, without having descendants? What would their children look like?

--Purple Panda

A: I wonder if any of them have been married. I don't know if they have kids or not, but here's how I imagine that going, for your entertainment. See you in next volume's SBS!

EIICHIRO ODA

"Build a komainu decoration at the shrine!!" said the order to all areas of Japan, back in the Edo Period. But the local stone carvers just thought, "What's a komainu?" They had never seen one before. There were no internet image searches, no fax machines. So those stone carvers did what they could: they used their imagination to create what they imagined a traditional komainu to look like. The result is known as **Hajime-Komainu**, or the "first komainu"! They look real funky!! Try doing an image search for them!

Let Volume 91 begin!!!

-Eiichiro Oda, 2018

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Story ・あらすじ・

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: The New World!!

Luffy and crew head into Big Mom's stronghold and successfully take back Sanji, who was being forced into a political marriage with Big Mom's daughter. They then join forces with Boge in a plot to assassinate Big Mom that ultimately fails, putting them on the run from an angry Big Mom who didn't get to eat her wedding cake. Thanks to Pedro's sacrifice and the help of Jinbe's crew, they escape Whole Cake Island and head for Wano, where the rest of the group waits.

Meanwhile, the Reverie begins at The Holy Land Mary Geoise. This is a council where various familiar faces and monarchs meet, where the plots of the Marines, Revolutionaries, and World Government intertwine in world-changing ways. At the same time, the advance party under Kinemon's instructions is busy with a crucial mission

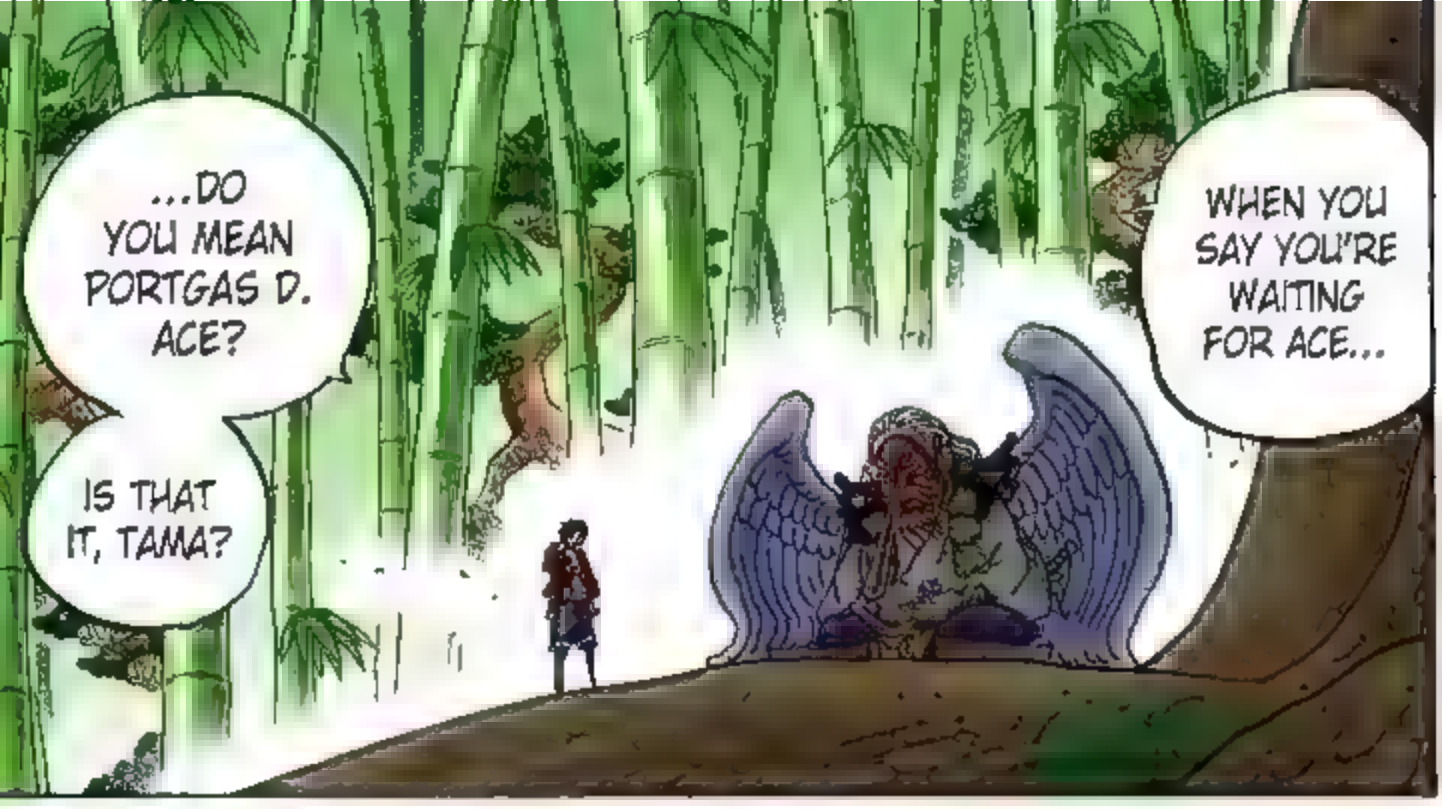
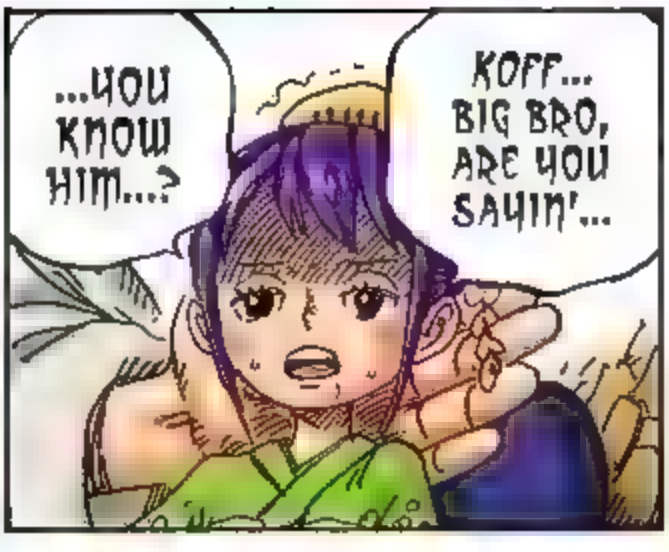
Chapter 912: AMIGASA VILLAGE

vol 91
ONE PIECE



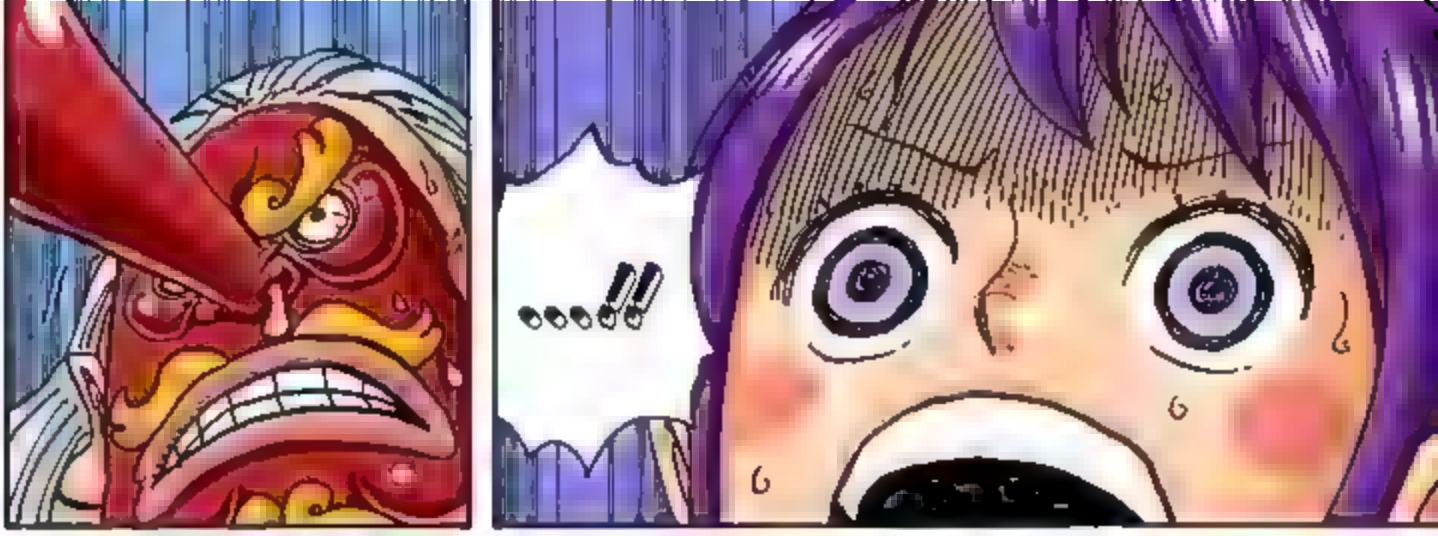
...DO YOU MEAN PORTGAS D. ACE?
IS THAT IT, TAMA?
WHEN YOU SAY YOU'RE WAITING FOR ACE...

YEAH.



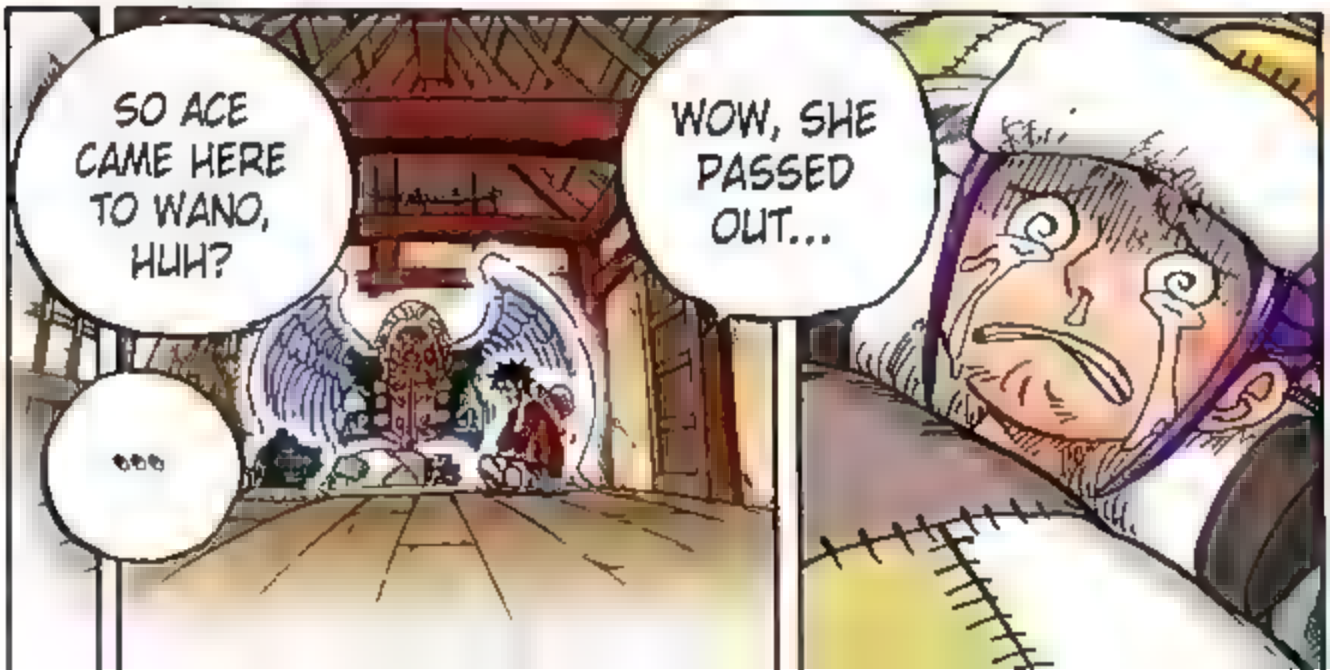
...YOU KNOW HIM...?
KOFF... BIG BRO, ARE YOU SAYIN'...

?!!
ACE IS DEAD.



...!!

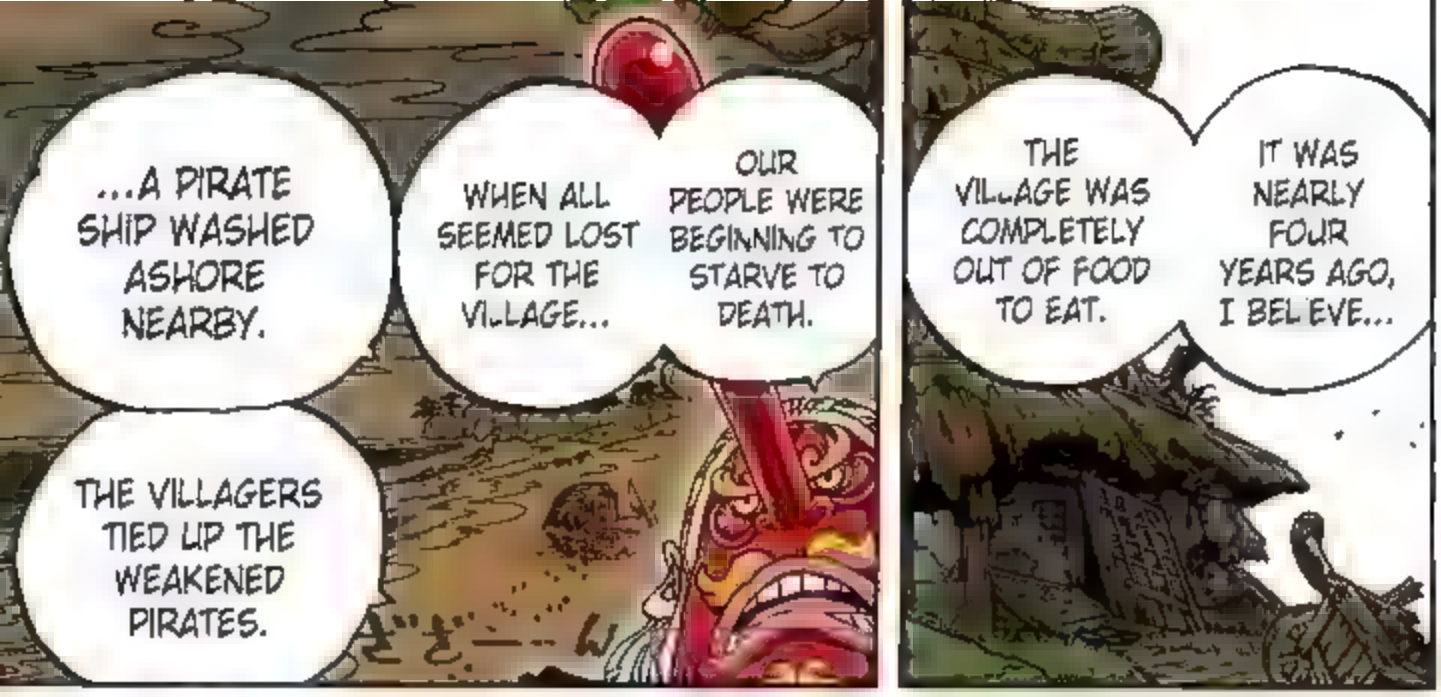
AAAAAA...
あああああ
YOU'RE A LIAR, BIG BRO!!!
IT CAN'T BE TRUE!!!
あああああ...



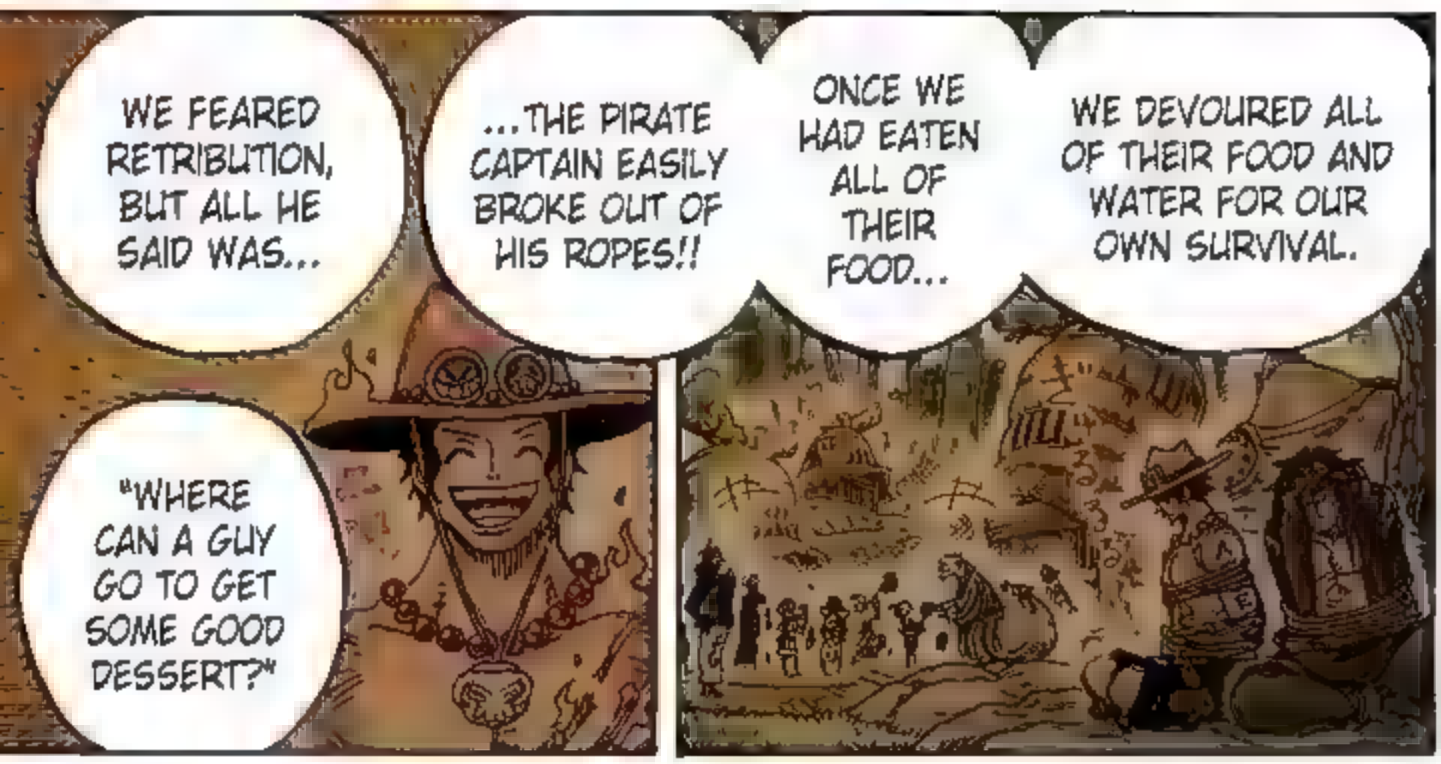
SO ACE CAME HERE TO WANO, HUH?
...
WOW, SHE PASSED OUT...

YEAH, BUT ACE ISN'T GOING TO SHOW UP, NO MATTER HOW LONG SHE WAITS.
WHY WOULD YOU SAY SUCH A THING TO HER, EVEN IF IT IS THE TRUTH?!
ARE YOU AN OGRE?!
THERE IS BETTER TIMING! A BETTER WAY TO BREAK THE NEWS!!
I'M LUFFY, THE GUY WHO'S GONNA BE THE PIRATE KING!! AND WHO ARE YOU?!
HAVE YOU NO CONCEPT OF SENSITIVITY?! WHO ARE YOU?!
A PIRATE?! I DON'T LIKE THEM AS A GENERAL RULE!!
KATANA BLACKSMITH
TENGUYAMA HITETSU
(CUTE GIRL KOKESHI DOLL COLLECTOR)
I AM A BLACK-SMITH, AND I TOO HAVE BEEN AWAITING SOMEONE FOR A VERY LONG TIME.
I AM HITETSU.

OVER A YEAR AGO, KAIDO'S FORCES ADDED A NEW HEADLINER...
...BY THE NAME OF X. DRAKE, WHO ATTACKED THE VILLAGE.
THE FIVE SAMURAI WHO PROTECTED OUR TERRITORY...
...WERE WIPED OUT, AND OUR BUILDINGS WERE DESTROYED.
THERE ARE ONLY TWO OF US NOW, BUT THIS WAS ONCE AMIGASA, THE VILLAGE OF WOVEN HATS.
ドドド



...A PIRATE SHIP WASHED ASHORE NEARBY.
WHEN ALL SEEMED LOST FOR THE VILLAGE...
OUR PEOPLE WERE BEGINNING TO STARVE TO DEATH.
THE VILLAGERS TIED UP THE WEAKENED PIRATES.
THE VILLAGE WAS COMPLETELY OUT OF FOOD TO EAT.
IT WAS NEARLY FOUR YEARS AGO, I BELIEVE...

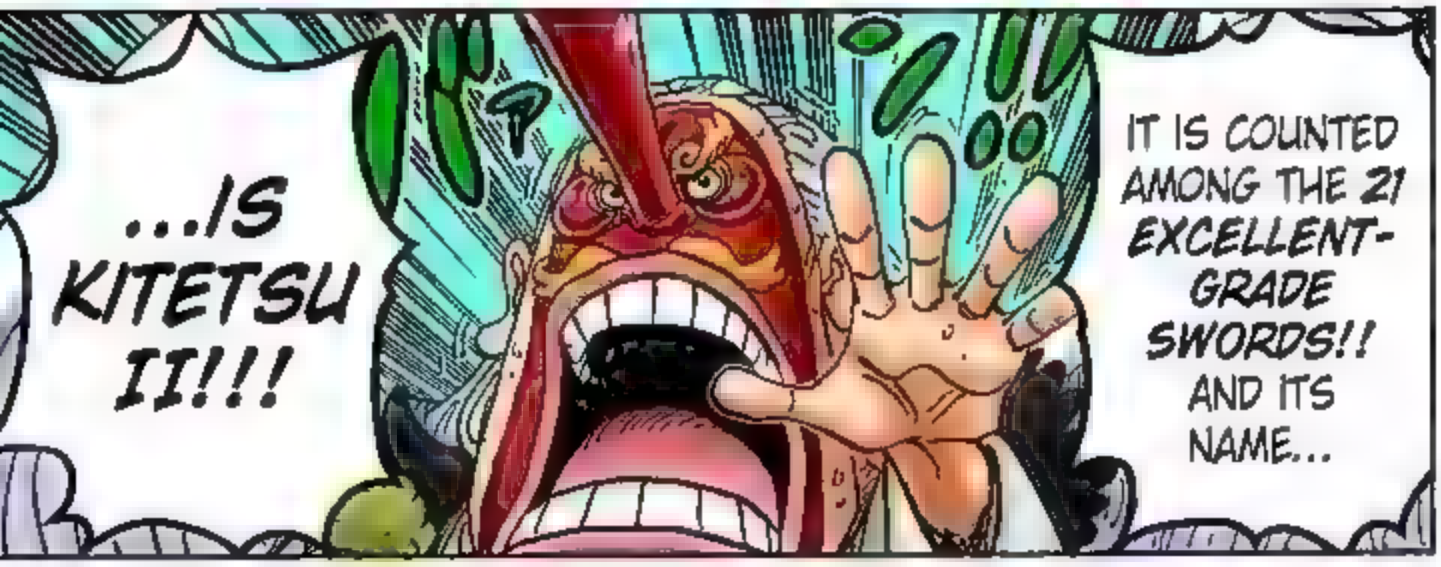


WE FEARED RETRIBUTION, BUT ALL HE SAID WAS...
"WHERE CAN A GUY GO TO GET SOME GOOD DESSERT?"
...THE PIRATE CAPTAIN EASILY BROKE OUT OF HIS ROPES!!
ONCE WE HAD EATEN ALL OF THEIR FOOD...
WE DEVOURED ALL OF THEIR FOOD AND WATER FOR OUR OWN SURVIVAL.

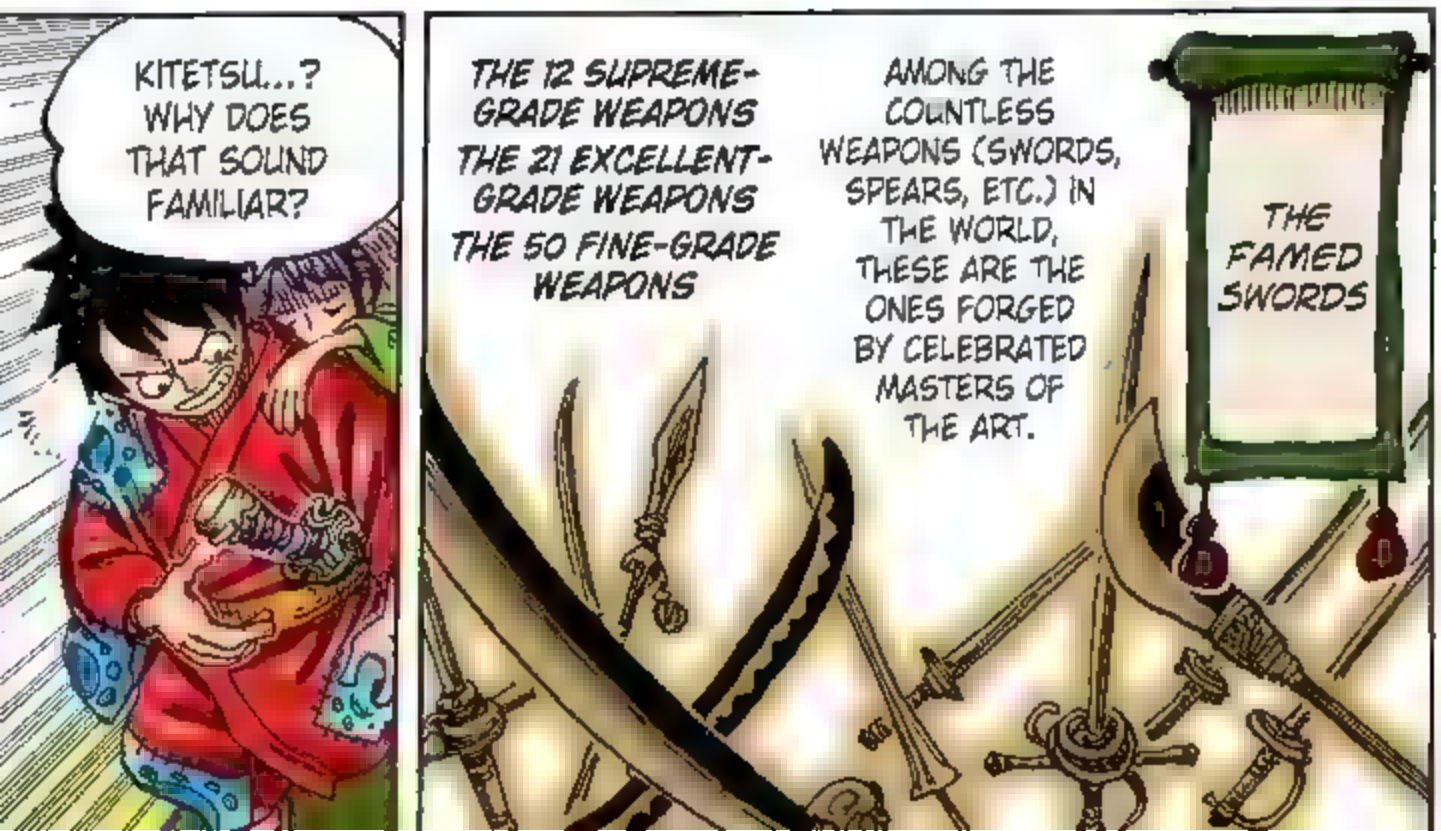
OHHH...
I SEE!
OTAMA WAS PARTICULARLY FOND OF THEM.
ACE'S GROUP STAYED WITH US FOR SEVERAL WEEKS.
WE WERE STUNNED. AFTER ALL OF THAT, OUR LIVES HAD BEEN SAVED BY THESE SHIPWRECKED PIRATES...

I NEED TO PAY BACK THE FAVOR FOR THE FOOD SHE COOKED!!
I'LL TAKE TAMA TO GET HELP!!
IS THERE A DOCTOR NEARBY?
ALSO, FOOD AND WATER!!
WHAT FOOL WOULD WEAR SUCH THINGS ON A NORMAL OCCASION?! NO, YOUR STRANGE CLOTHES WILL STICK OUT.
I CANNOT VISIT THE TOWN FOR REASONS OF MY OWN, SO I MUST ASK YOU TO DO IT! YOU'LL HAVE TO BORROW THE MONEY FOR IT SOMEHOW!!
Y'KNOW, I LIKE THE ARMOR AND HELMETS TOO!
OOOH! A KIMONO!
TUG!!
...THEN THE FOOD AND CARE WILL BE FREE! THEY'LL HELP YOU OUT!
WELL, IF I RUN INTO MY CREW FIRST...

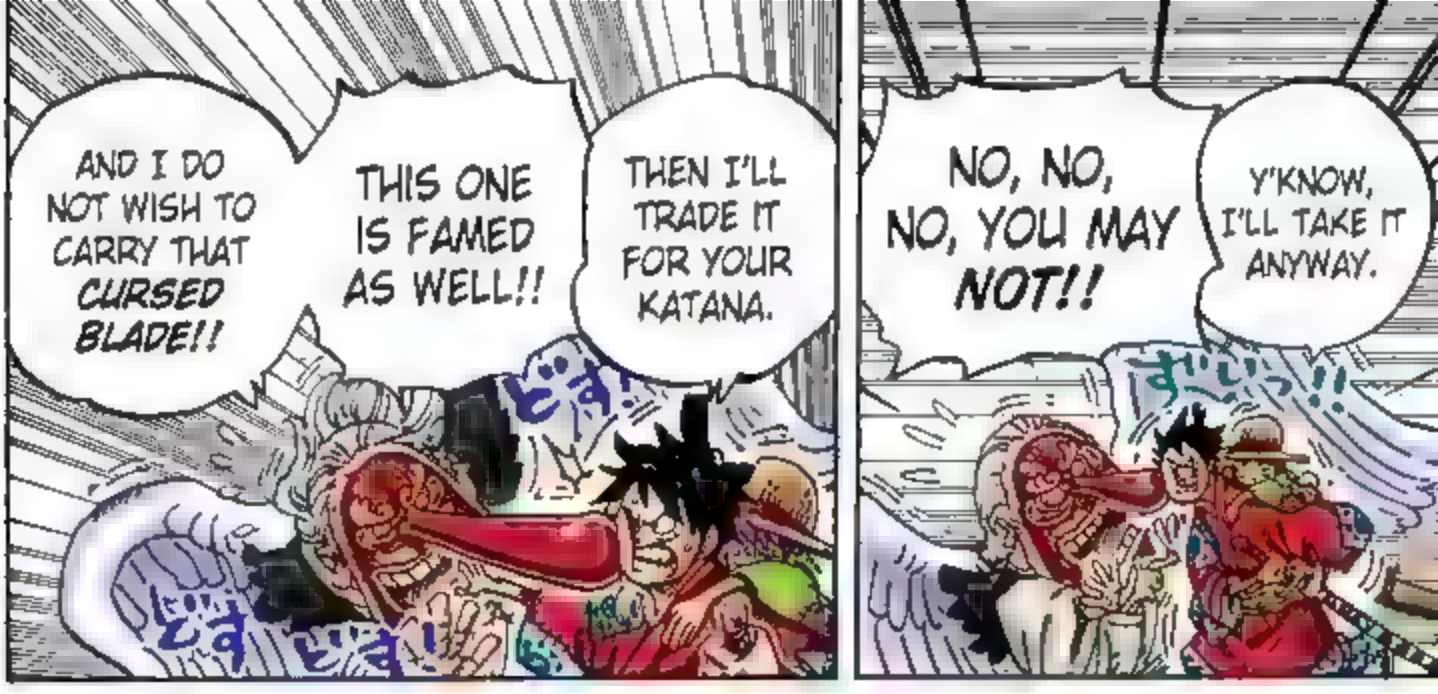
THAT WAS FORGED BY MY FORE-FATHER, KOTETSU! IT IS ONE OF THE MOST FAMOUS WEAPONS IN ALL THE WORLD!!
IT IS DIS-RESPECTFUL TO EVEN TOUCH THAT BLADE WITHOUT REVERENCE!!
NO! WAIT, YOU FOOL!! NOT THAT ONE!!
?
TUG!!
HANG ON, TAMA! I'M TAKING YOU TO A DOCTOR!
I'M GONNA BORROW THIS SWORD TOO. NOW I LOOK LIKE A SAMURAI!
TUG!
I'M HEADING OUT!!
OKAY.



...IS KITETSU II!!!
IT IS COUNTED AMONG THE 21 EXCELLENT-GRADE SWORDS!! AND ITS NAME...

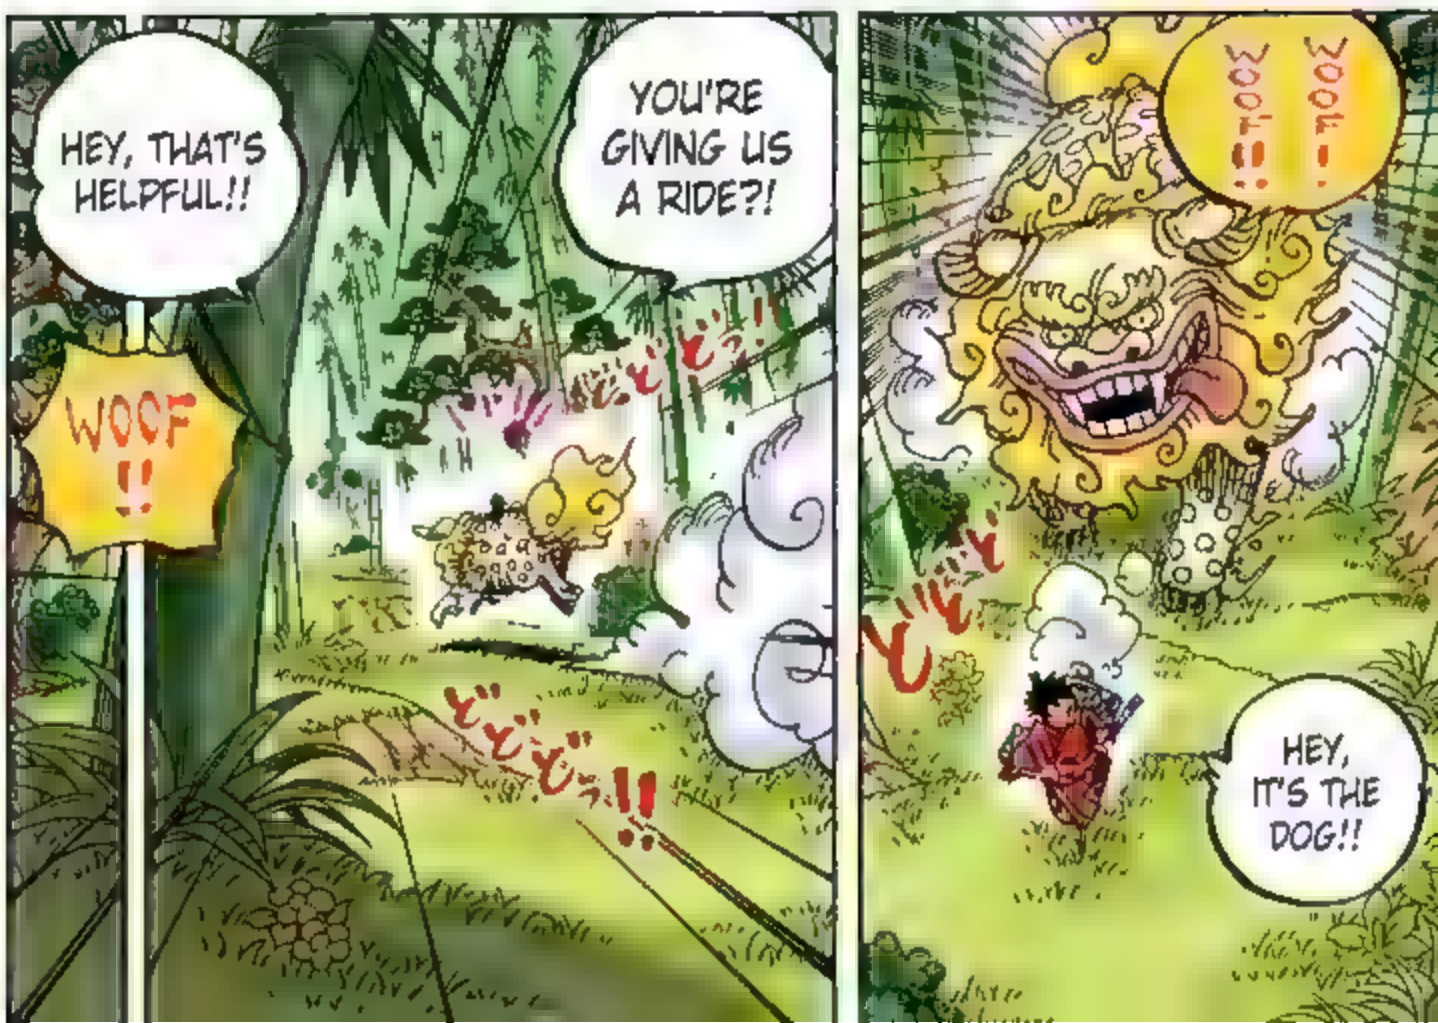


KITETSU...? WHY DOES THAT SOUND FAMILIAR?
THE 12 SUPREME-GRADE WEAPONS
THE 21 EXCELLENT-GRADE WEAPONS
THE 50 FINE-GRADE WEAPONS
AMONG THE COUNTLESS WEAPONS (SWORDS, SPEARS, ETC.) IN THE WORLD, THESE ARE THE ONES FORGED BY CELEBRATED MASTERS OF THE ART.
THE FAMED SWORDS

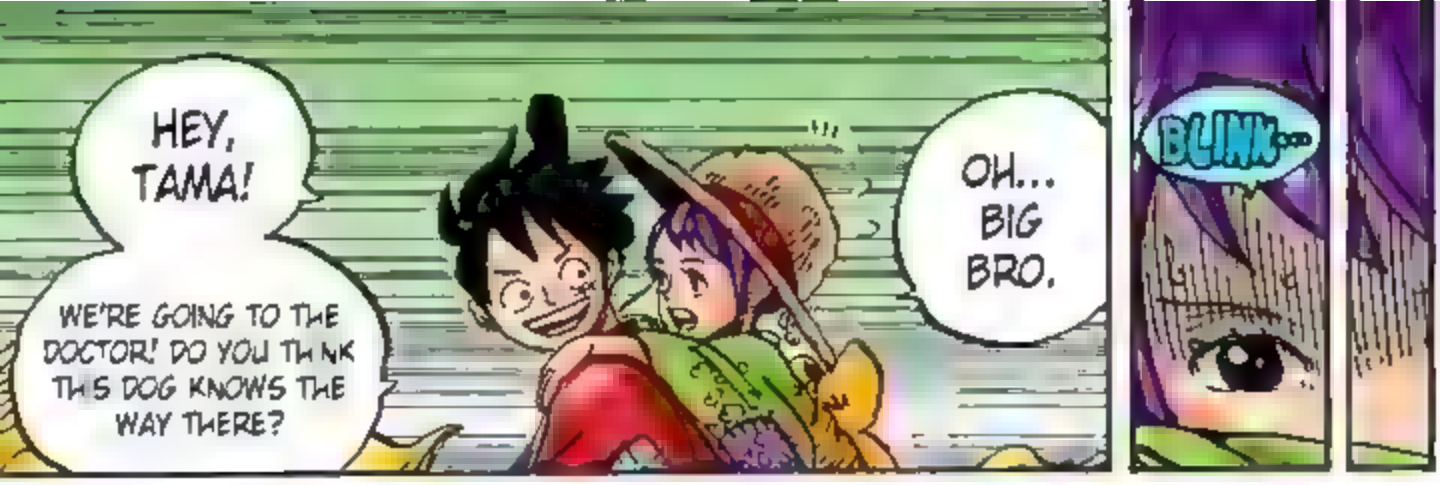


AND I DO NOT WISH TO CARRY THAT CURSED BLADE!!
THIS ONE IS FAMED AS WELL!!
THEN I'LL TRADE IT FOR YOUR KATANA.
NO, NO, NO, YOU MAY NOT!!
Y'KNOW, I'LL TAKE IT ANYWAY.

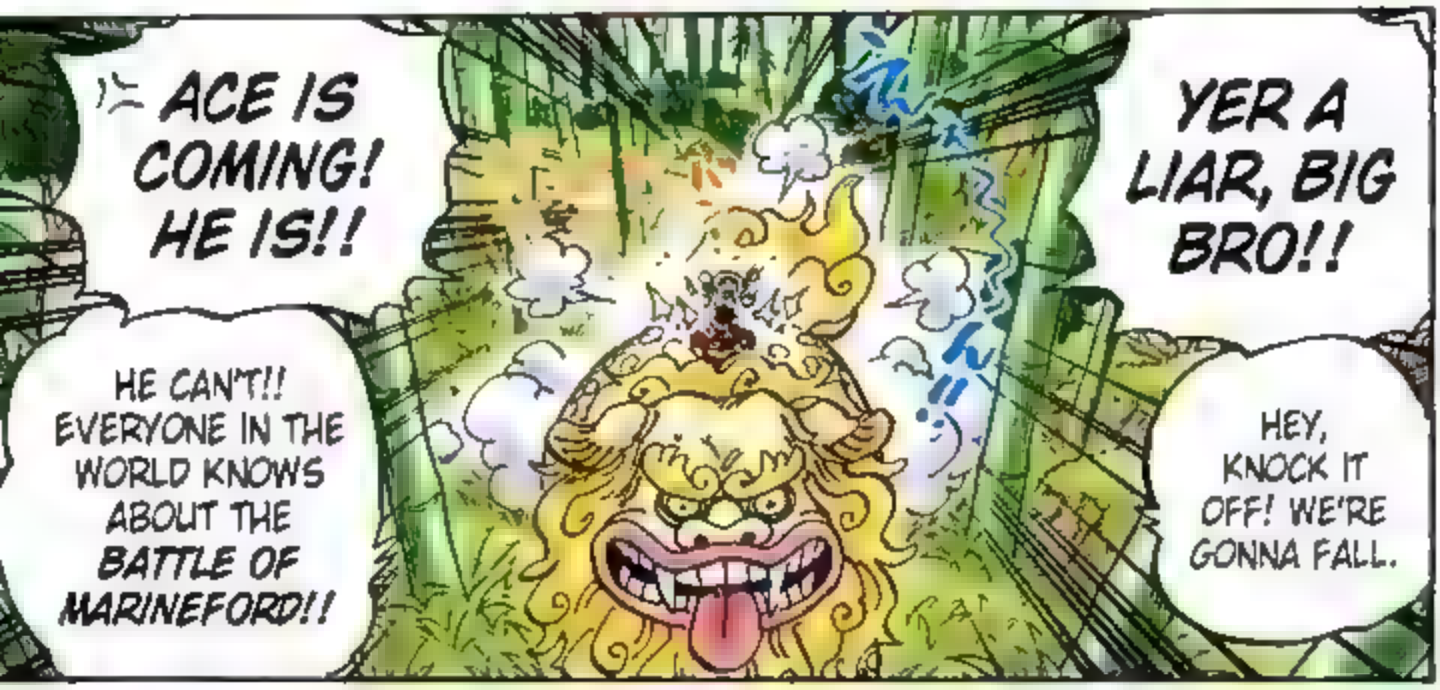
YOU MUST BRING IT BACK!!!
SURE THING!!
YOU WILL BE PUT UNDER ITS CURSE!!
WHY AREN'T YOU RESPONDING?!!
IF ANYTHING HAPPENS TO OTAMA, YOU WILL PAY!!!



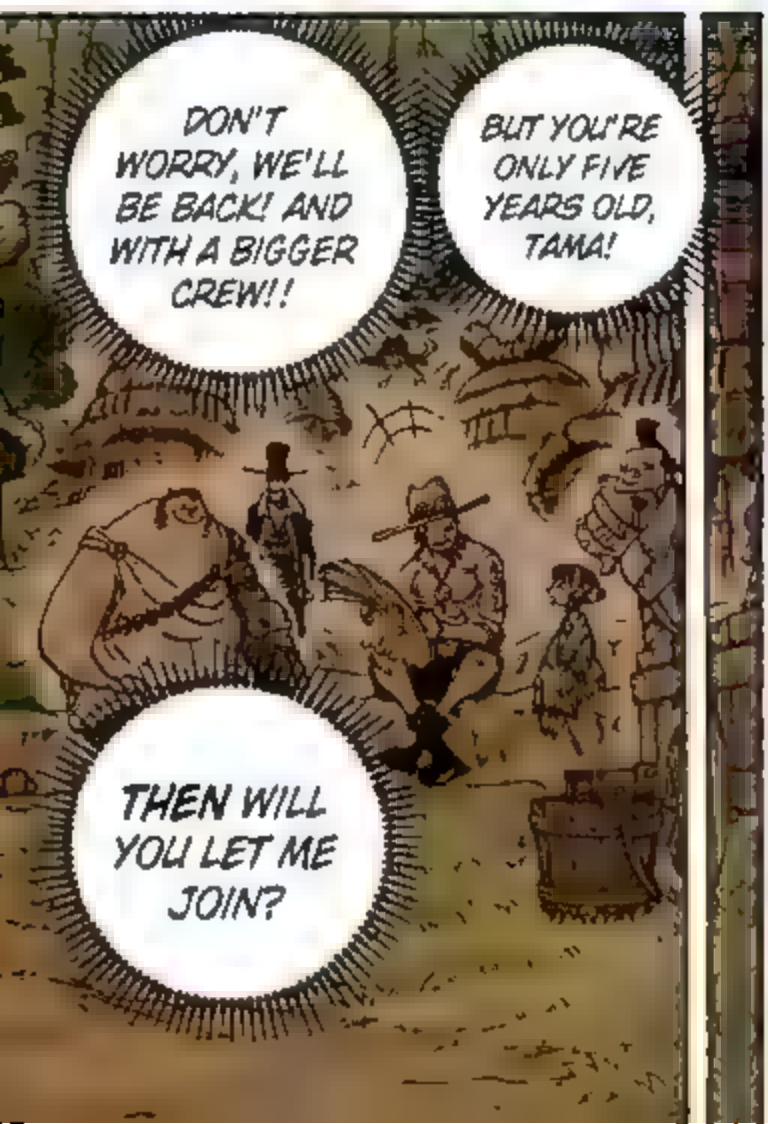
HEY, THAT'S HELPFUL!!
YOU'RE GIVING US A RIDE?!
WOOF !!
WOOF!!
WOOF!!
HEY, IT'S THE DOG!!



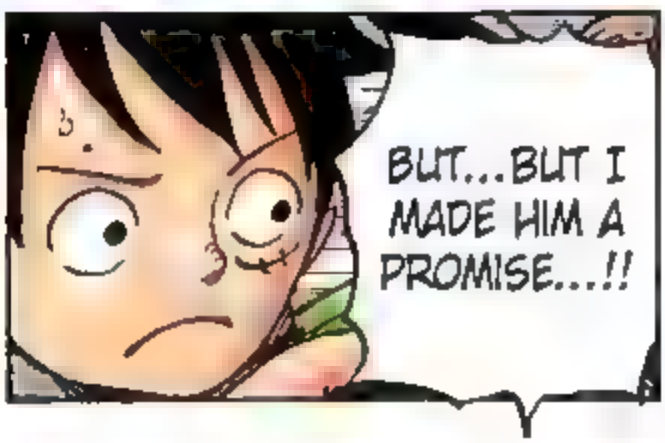
HEY, TAMA!
WE'RE GOING TO THE DOCTOR! DO YOU THINK THIS DOG KNOWS THE WAY THERE?
OH... BIG BRO.
BLINK...



ACE IS COMING! HE IS!!
HE CAN'T!! EVERYONE IN THE WORLD KNOWS ABOUT THE BATTLE OF MARINEFORD!!
YER A LIAR, BIG BRO!!
HEY, KNOCK IT OFF! WE'RE GONNA FALL.

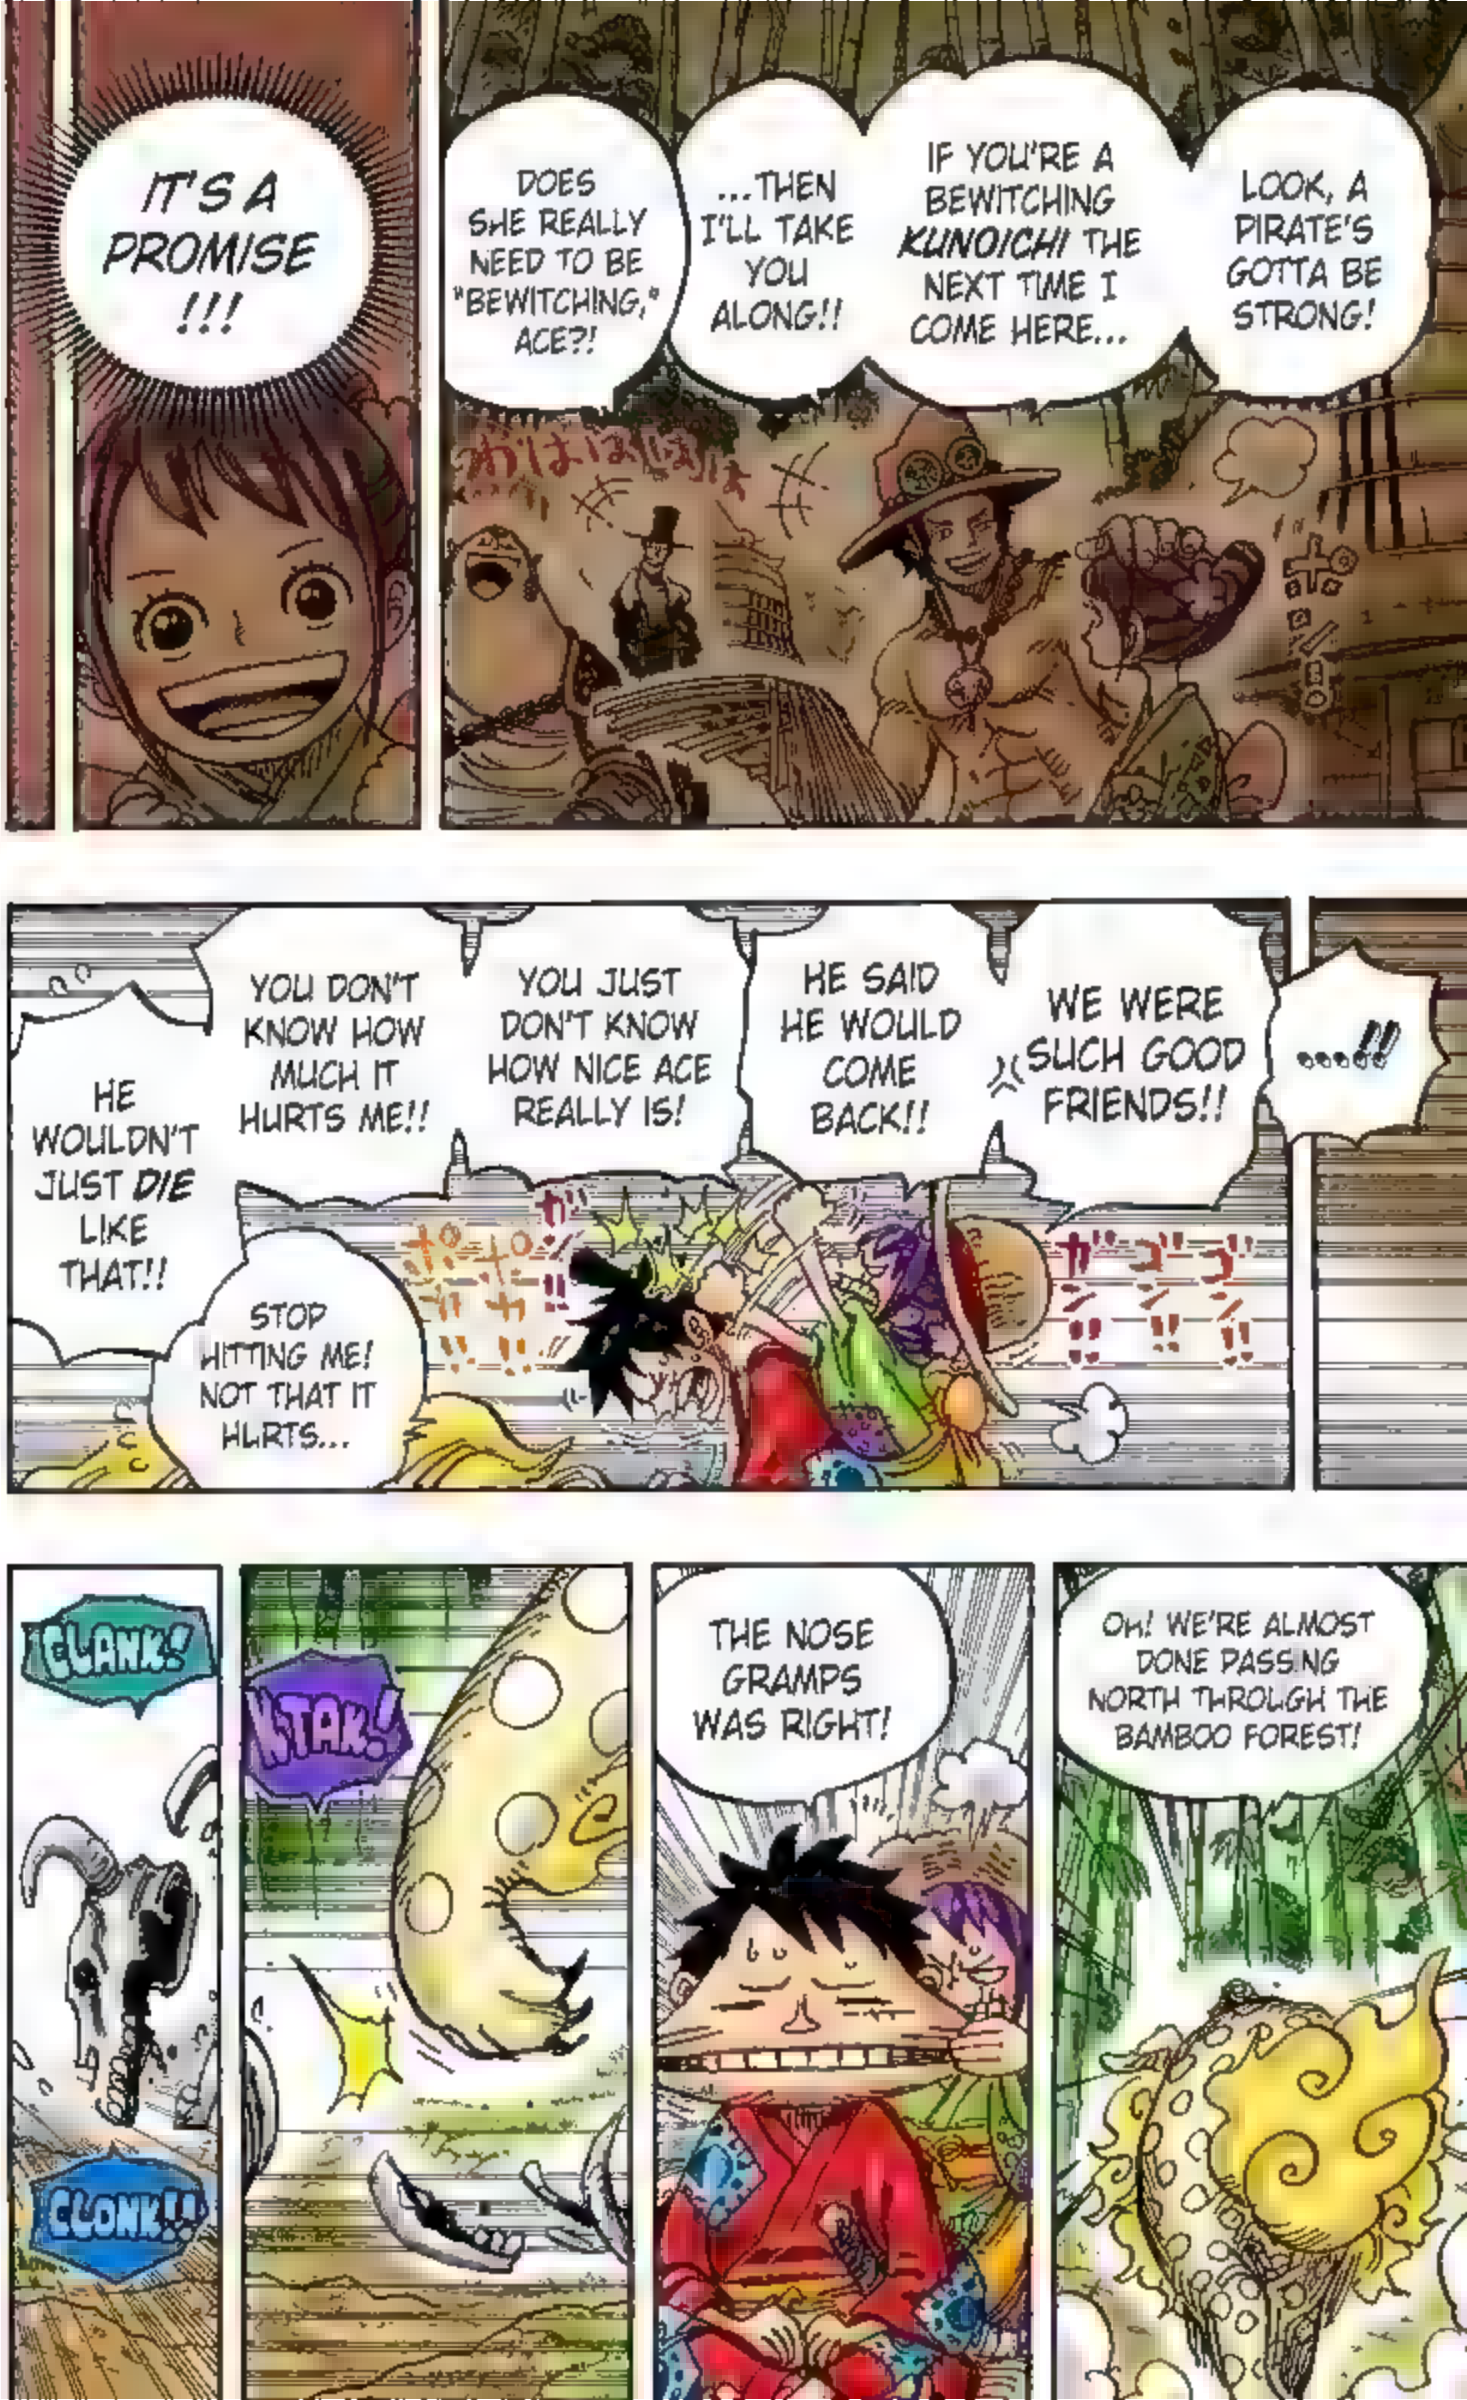


DON'T WORRY, WE'LL BE BACK! AND WITH A BIGGER CREW!!
BUT YOU'RE ONLY FIVE YEARS OLD, TAMA!
THEN WILL YOU LET ME JOIN?

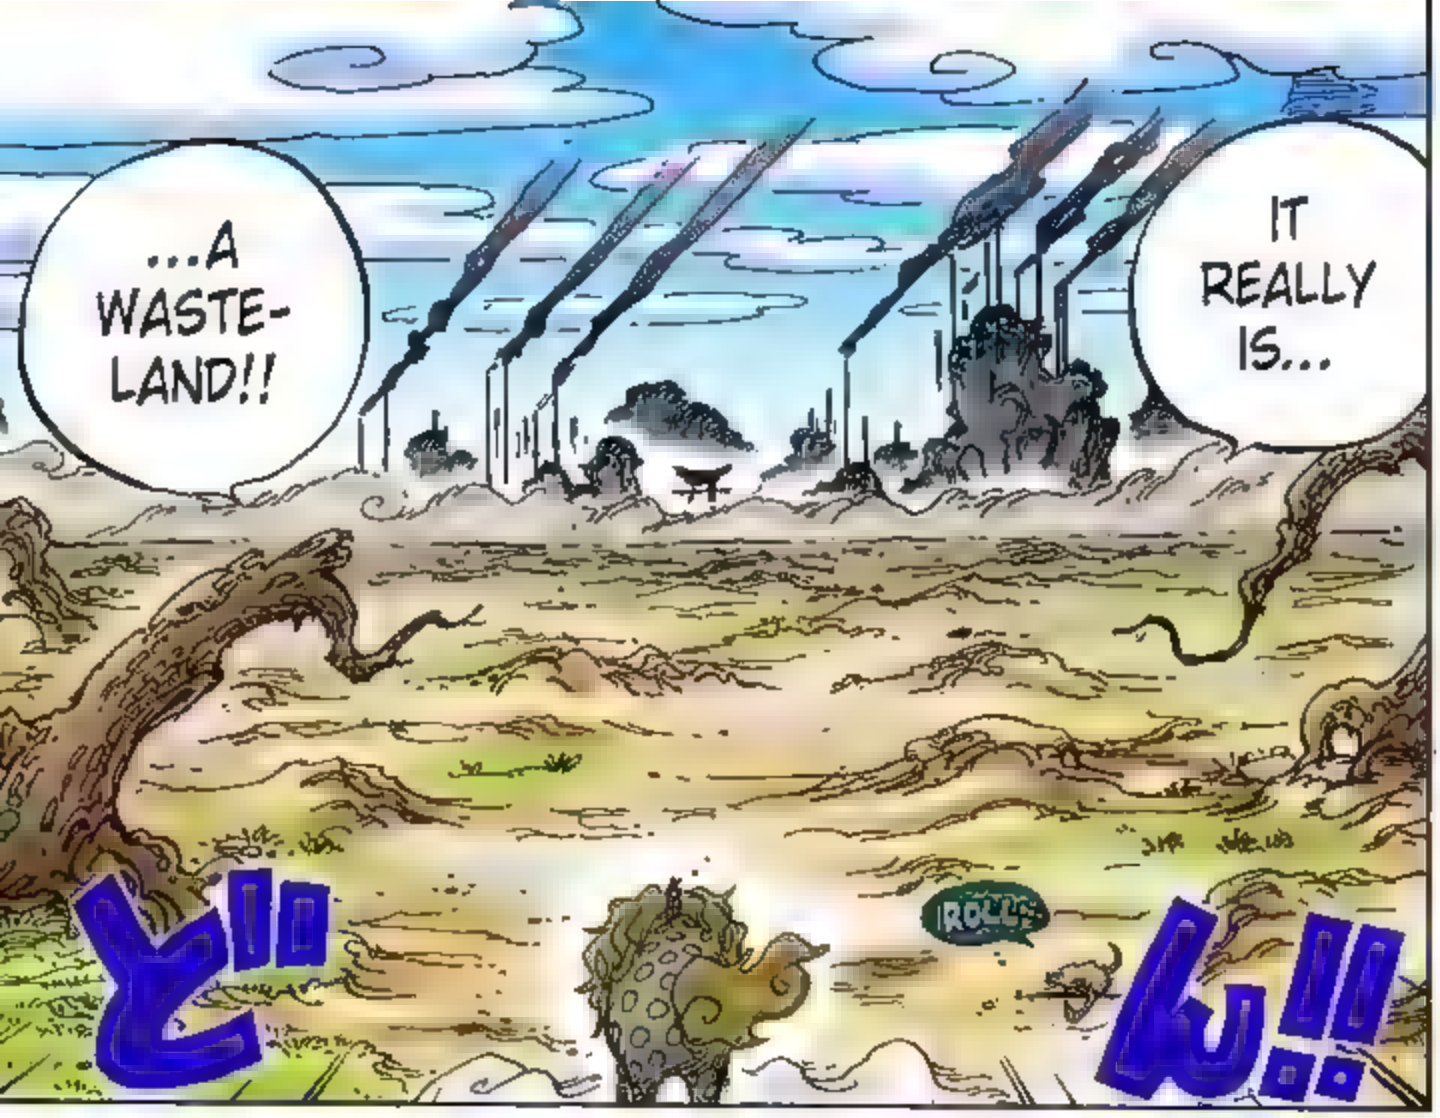


BUT...BUT I MADE HIM A PROMISE...!!

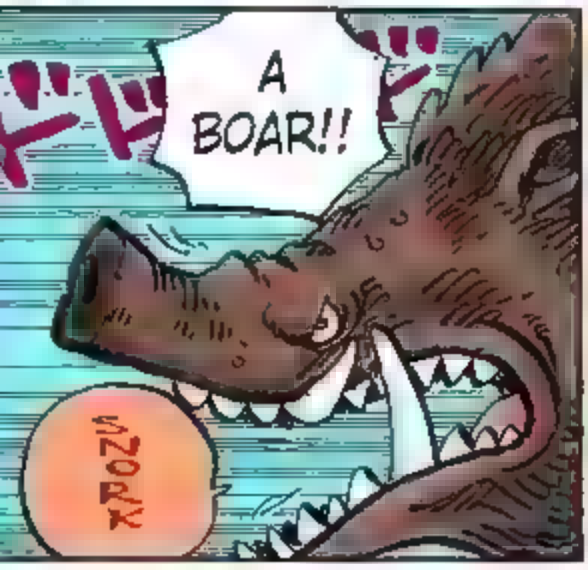
ACE! TAKE ME TO SEA WITH YA!!
...!!



IT'S A PROMISE !!!
DOES SHE REALLY NEED TO BE "BEWITCHING," ACE?!
...THEN I'LL TAKE YOU ALONG!!
IF YOU'RE A BEWITCHING KUNOICHI THE NEXT TIME I COME HERE...
LOOK, A PIRATE'S GOTTA BE STRONG!
HE WOULDN'T JUST DIE LIKE THAT!!
YOU DON'T KNOW HOW MUCH IT HURTS ME!!
YOU JUST DON'T KNOW HOW NICE ACE REALLY IS!
HE SAID HE WOULD COME BACK!!
WE WERE SUCH GOOD FRIENDS!!
...!!
STOP HITTING ME! NOT THAT IT HURTS...
CLANK!
CLONK!!
TAK!
THE NOSE GRAMPS WAS RIGHT!
OH! WE'RE ALMOST DONE PASSING NORTH THROUGH THE BAMBOO FOREST!



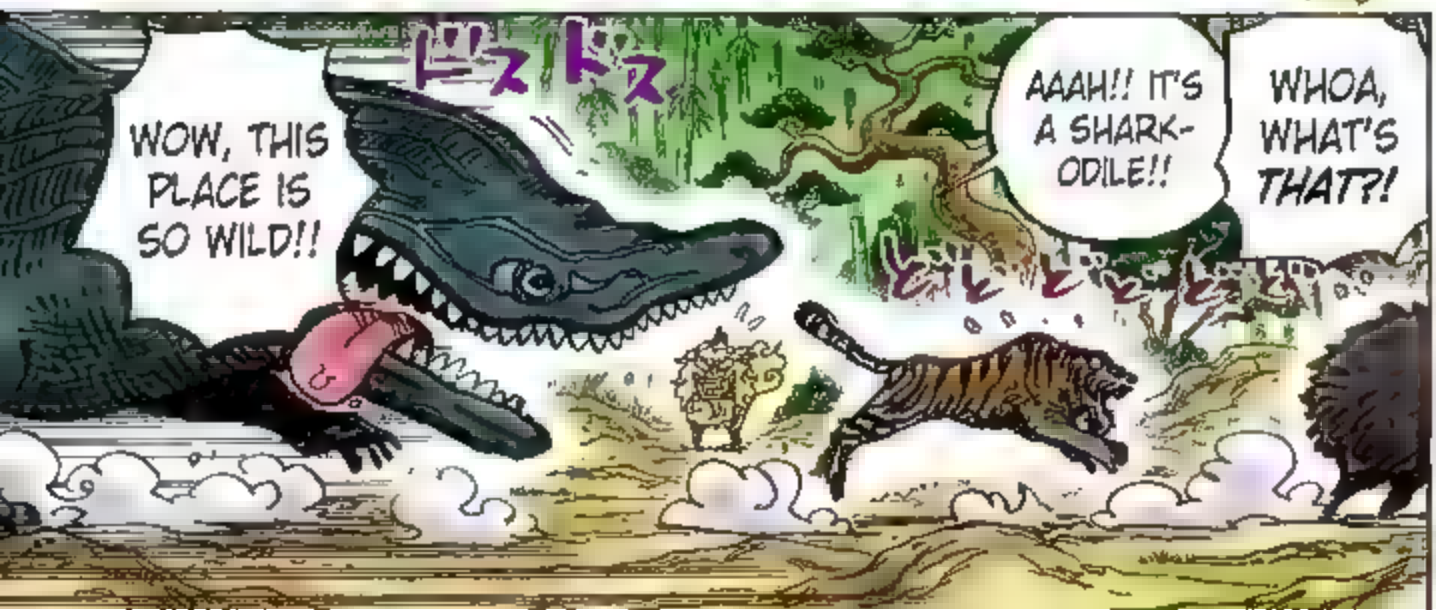
...A WASTE-LAND!!
IT REALLY IS...
ROLL
ドロロ
ドロ!!



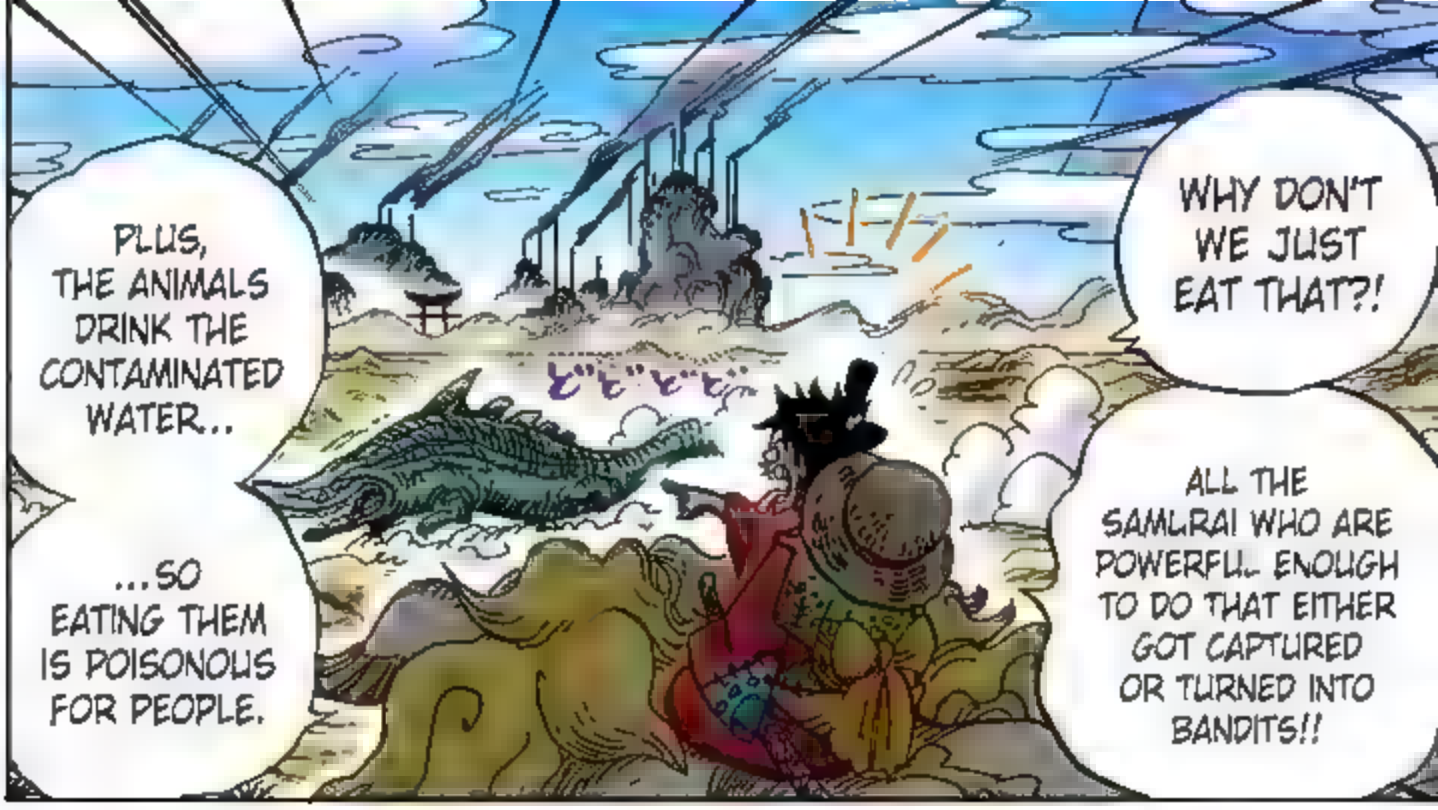
A BOAR!!
ドド
ノズズ

A TIGER!!

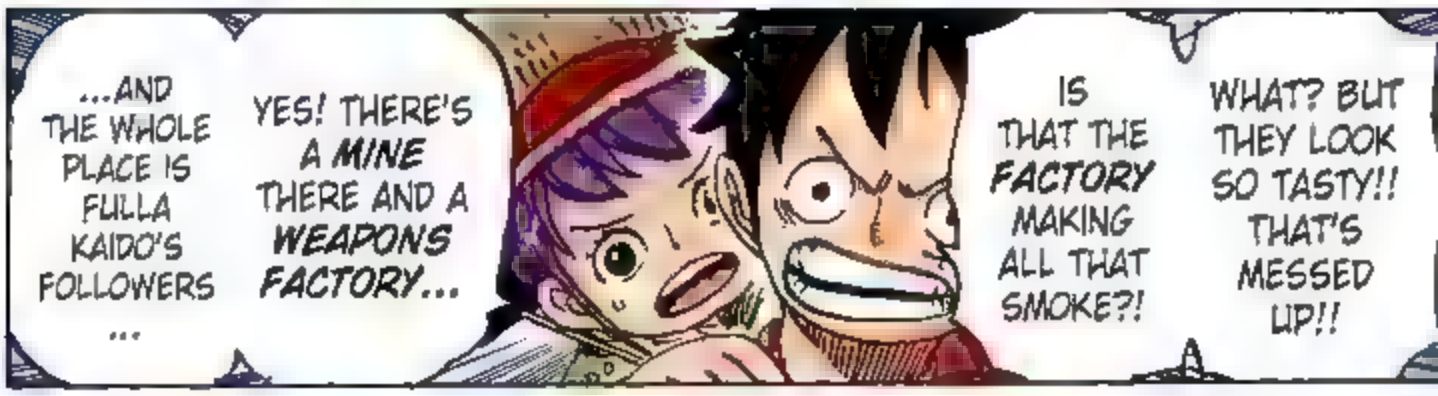
ドドド
GROWRRR
!!



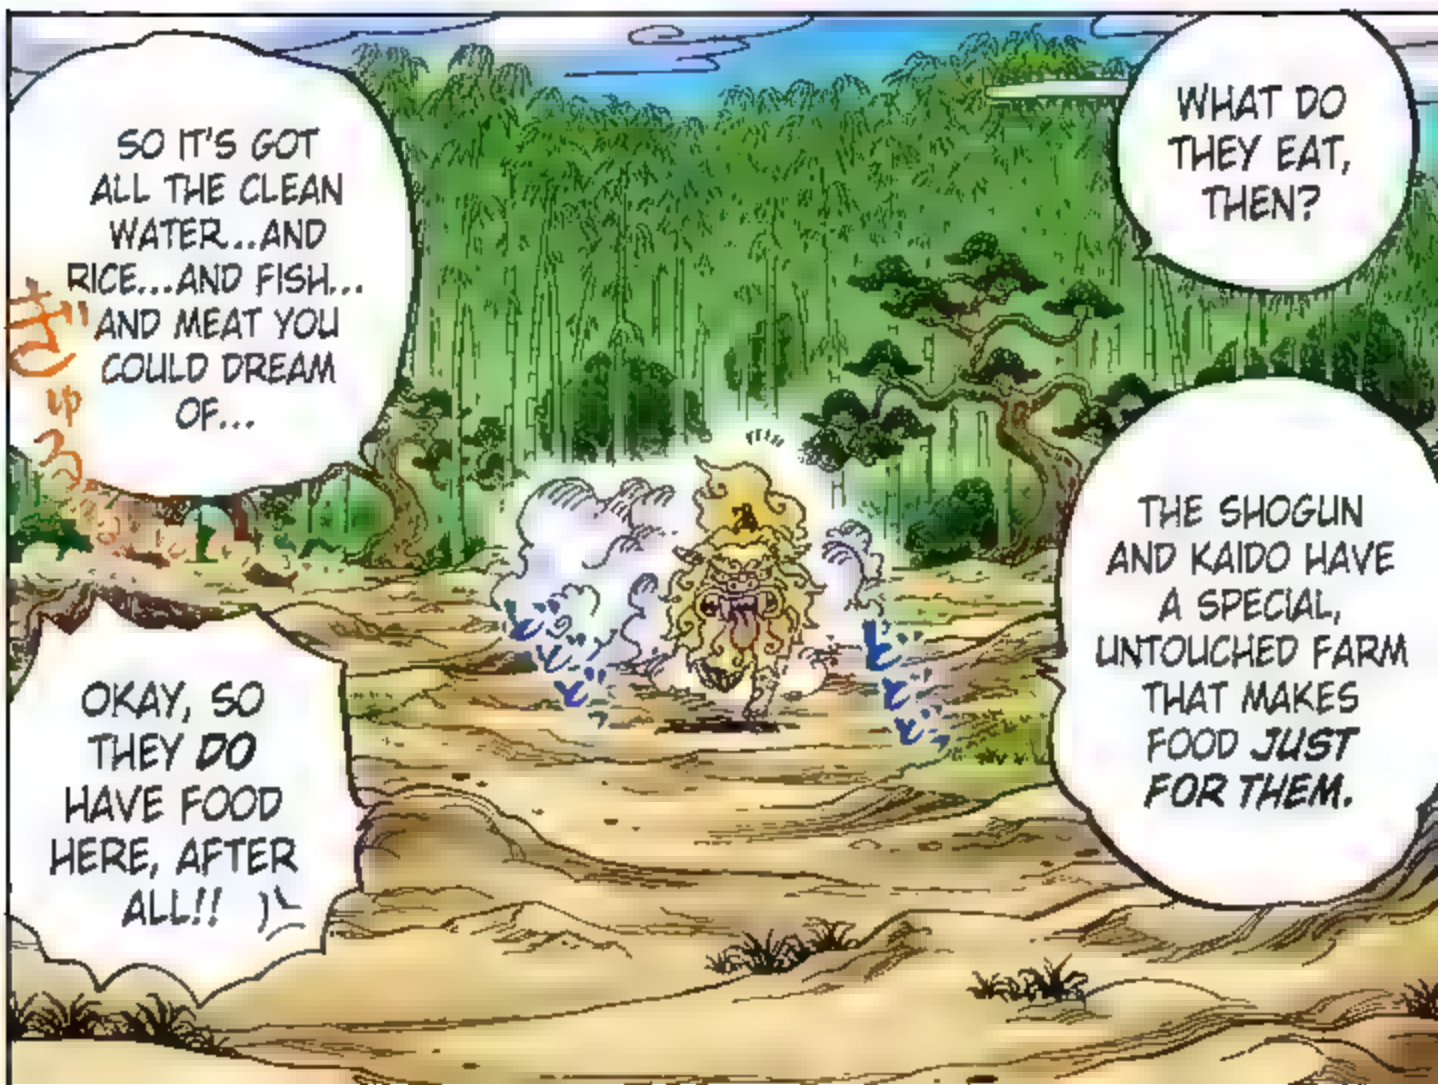
WOW, THIS PLACE IS SO WILD!!
ドスドス
AAAH!! IT'S A SHARK-ODILE!!
WHOA, WHAT'S THAT?!
ドドドドドドドド



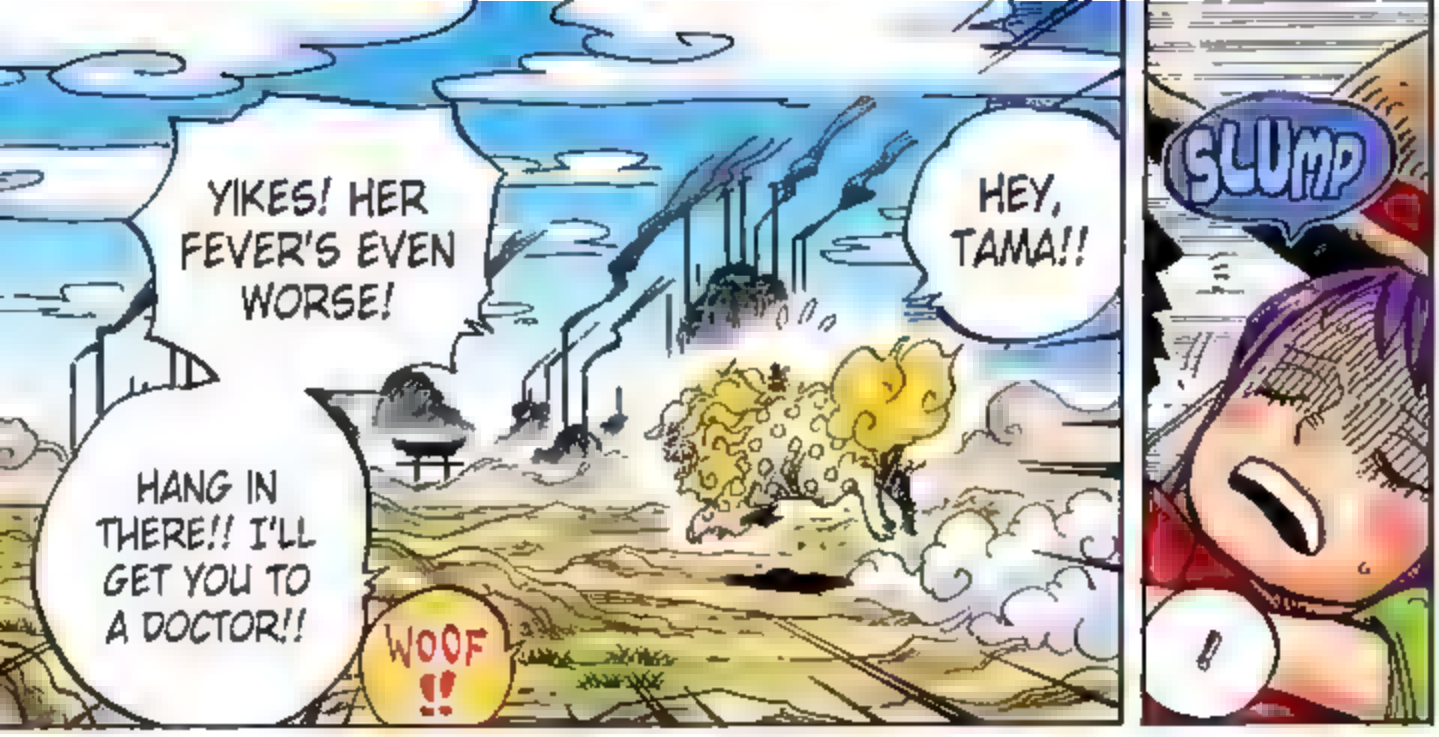
PLUS, THE ANIMALS DRINK THE CONTAMINATED WATER...
...SO EATING THEM IS POISONOUS FOR PEOPLE.
WHY DON'T WE JUST EAT THAT?!
ALL THE SAMURAI WHO ARE POWERFUL ENOUGH TO DO THAT EITHER GOT CAPTURED OR TURNED INTO BANDITS!!



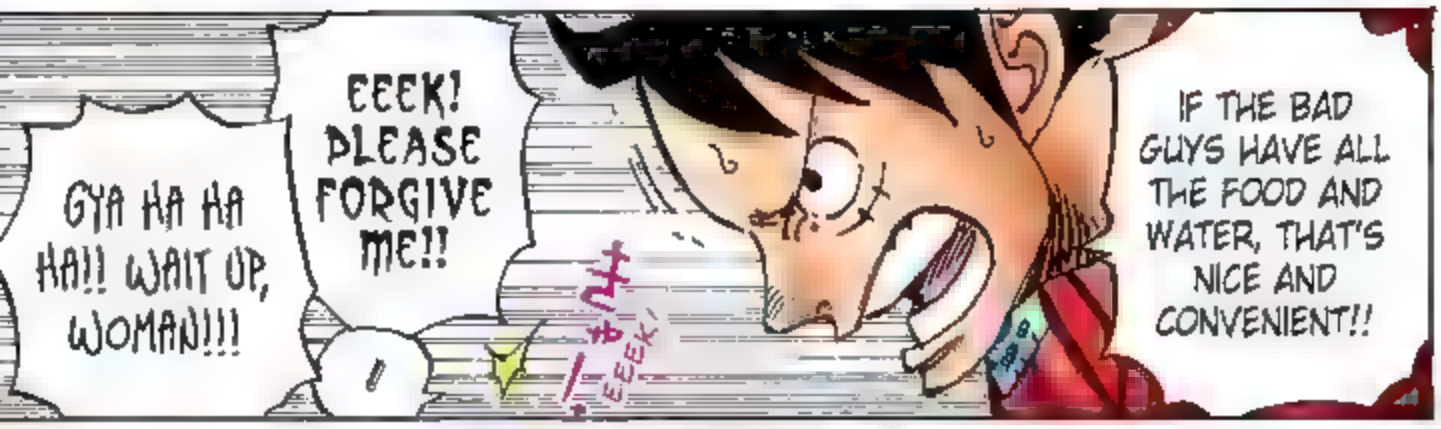
...AND THE WHOLE PLACE IS FULLA KAIDO'S FOLLOWERS ...
YES! THERE'S A MINE THERE AND A WEAPONS FACTORY...
IS THAT THE FACTORY MAKING ALL THAT SMOKE?!
WHAT? BUT THEY LOOK SO TASTY!! THAT'S MESSED UP!!



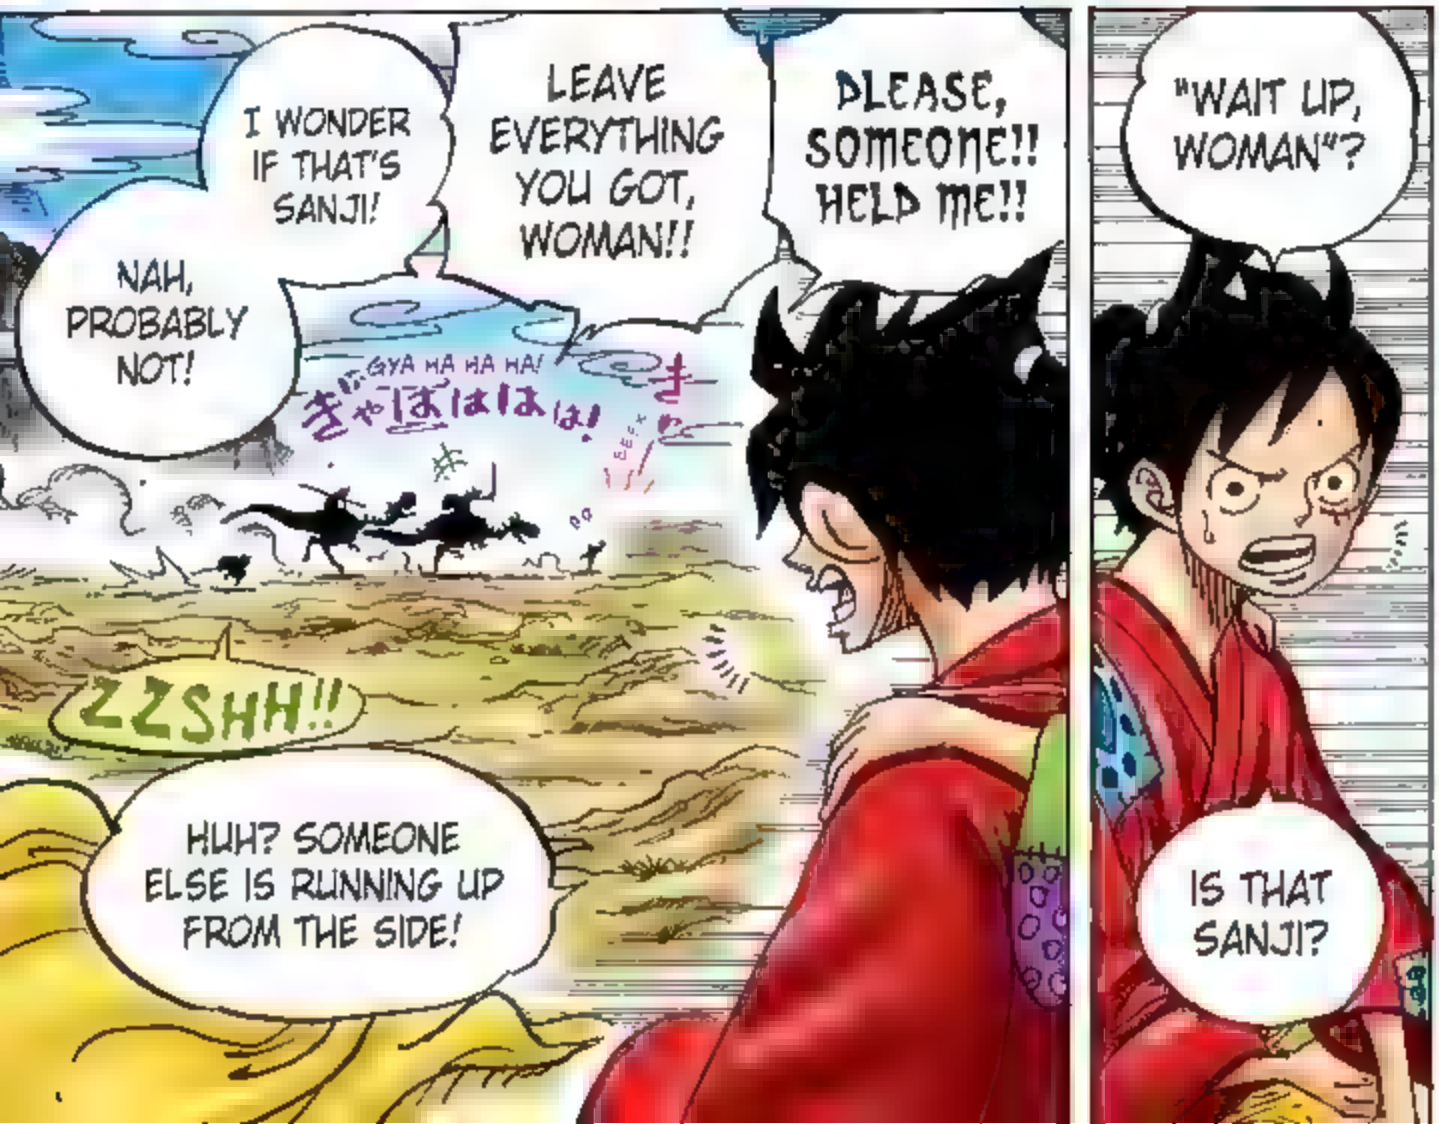
SO IT'S GOT ALL THE CLEAN WATER...AND RICE...AND FISH... AND MEAT YOU COULD DREAM OF...
WHAT DO THEY EAT, THEN?
THE SHOGUN AND KAIDO HAVE A SPECIAL, UNTOUCHED FARM THAT MAKES FOOD JUST FOR THEM.
OKAY, SO THEY DO HAVE FOOD HERE, AFTER ALL!!



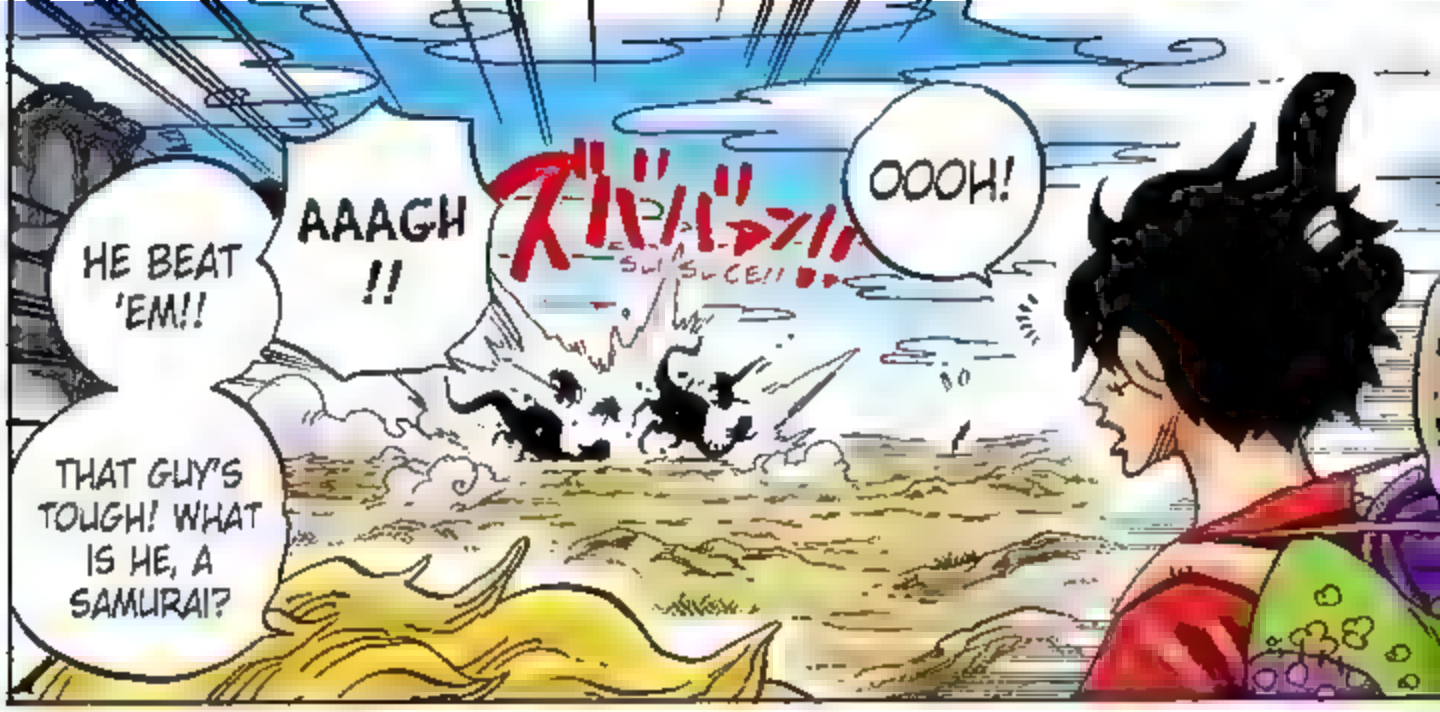
YIKES! HER FEVER'S EVEN WORSE!
HEY, TAMA!!
HANG IN THERE!! I'LL GET YOU TO A DOCTOR!!
WOOF !!
SLUMP



GYA HA HA HA!! WAIT UP, WOMAN!!!
EEEK! PLEASE FORGIVE ME!!
IF THE BAD GUYS HAVE ALL THE FOOD AND WATER, THAT'S NICE AND CONVENIENT!!



I WONDER IF THAT'S SANJI!
NAH, PROBABLY NOT!
LEAVE EVERYTHING YOU GOT, WOMAN!!
PLEASE, SOMEONE!! HELP ME!!
GYA HA HA HA!
ZZSHH!!
HUH? SOMEONE ELSE IS RUNNING UP FROM THE SIDE!
"WAIT UP, WOMAN"?
IS THAT SANJI?



HE BEAT 'EM!!
AAAGH !!

SLASH!!
OOOH!
THAT GUY'S TOUGH! WHAT IS HE, A SAMURAI?

...I WANTED THEIR BOOZE. UH...VERILY.
BUT I MUST THANK YOU!
I'LL TAKE BOOZE!
I...DON'T HAVE ANY.
HMMMM?

HEY, DOG! STOP!
ざっ!!
WOOF!

SOME STUFF'S HAPPENED! I'M JUST TAKING HER TO A DOCTOR.
ANYWAYS, HOP ON, ZORO!!
HEY, THAT KID'S WIPED OUT!!
YOU SHOULDN'T BE STANDING AROUND EATING, MAN!!
SO THE MEAT AND FISH JUST LIKE THIS ONE ARE POISONED TOO!
NO, YOU BETTER BE CAREFUL. THE WATER AROUND HERE IS POISON.
ばばばばばばばばばば
OH. NO WONDER MY STOMACH HURTS.
I WAS JUST ON MY WAY TO KURI BEACH. YOU ARE THE CULPRIT I'M AFTER, I PRESUME?
STRAW HAT...!!
YEAH... THAT GUY'S WORKING FOR KAIDO!!
HEY! ISN'T THAT--?!
IS THAT THE NATIONALLY WANTED RONIN, ZOROJURO, AND HIS COMPANIONS?
!
!!

BUT THAT DOES NOT MATTER NOW.
THE LIKELIHOOD YOU DID IT IS 98 PERCENT!!
I'VE LOST TWO OF MY MEN, AND ONE BABOON.
ベッ!!
...OR SCRAMBLE AND RUN IN FEAR.
YOUR CHOICE IN WANO IS CLEAR. JOIN THE MIGHTY...
OKAY! THEN OUR CHOICE IS CLEAR...
CHK...!
THIS IS WHAT KIN'EMON SAID, LUFFY!
"DON'T CAUSE A FUSS"!!
WE'LL APOLOGIZE TO HIM LATER!!
ドゴッ!!

SBS Question Corner

(Kidamtin, Tokyo)

Q: Flowchart for this volume's SBS

1. SBS starts before Odacchi can initiate it (Like always (ha ha))
2. Question comes → Odacchi snaps
3. Question comes → Odacchi acts dumb

} This is where Odacchi's brilliance at picking letters comes in!

4. SBS ends (Makes super funny snarky comment)

--Start the SBS

A: Whoa, whoa, whoa! It's not always that predictable! In fact, it's starting off differently this time. Finally, at last, I'm going to be the one to announce that...
The SBS already started!! They started it with their pen name!!

Q: Please let me start the SBS, and I'll give you the millet dumplings between my legs.

--Match & Takeshi

A: **Shut up, you sicko!!!**

Q: In chapter 825, you drew Chopper delightedly eating the cotton candy rain that fell from the sky. If porno mags fell from the sky, what would you do, Odacchi? Here.

--Shanimuni

A: **Yay!! Chomp! ♡ Munch, munch... Oh!! Dang it!! I can't read them if I eat them first!!! Aaaaa..**

Q: When guys like Luffy and Usopp see robots, their eyes sparkle and shine. So given how he's so cool and mature, how would Law react to one?

--Mikanibami

A: Like this. ➡
I mean, just imagine it for yourself. If a robot walked in front of you, you'd look like this too!!

Q: Why is Karoo staring down Leo so hard?! Is it because he's a pirate??

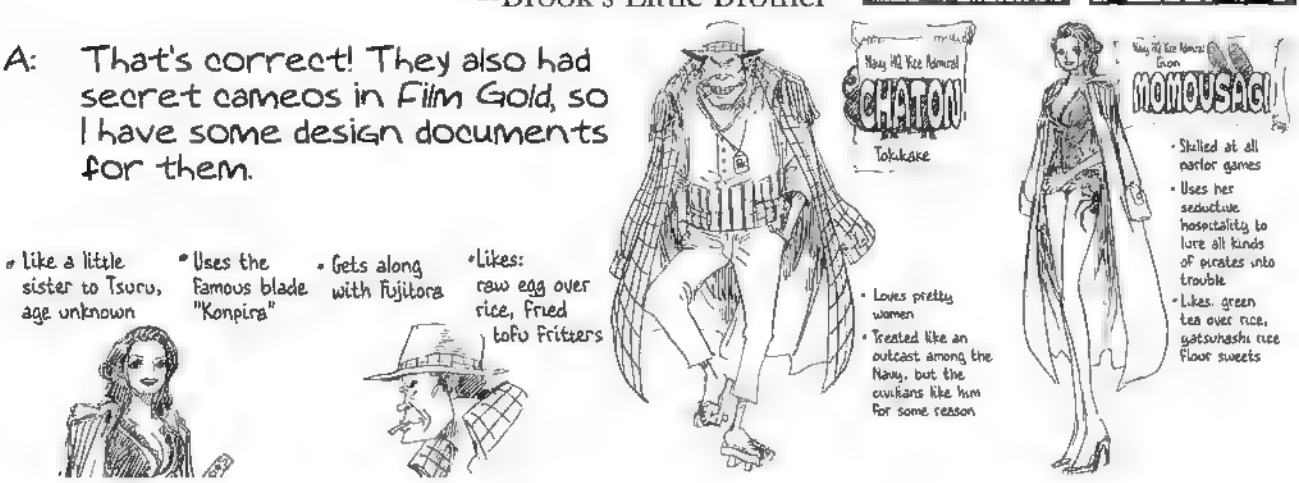
--Ryota Ehara

A: You're referring to the scene at the Reverie (chapter 906). This is clearly just jealousy, if you ask me. Vivi's talking about how cute Leo is, after all.

Q: I hope this letter finds you well. I presume the woman referring to Vice Admiral Garp as "Garpie" in chapter 907 is the Momousagi you introduced in the SBS section of volume 74, correct? And is the fellow calling Momousagi "Ma'am" the Chaton who appeared in the SBS of volume 75?

--Brook's Little Brother

A: That's correct! They also had secret cameos in *Film Gold*, so I have some design documents for them.



Q: Odacchi!! I noticed that in chapter 907, Lady Hina is on a first-name basis with Vice Admiral Garp. But isn't she a rear admiral?! Why would she be so informal with a very senior officer who also outranks her?

--Itsuba

A: She sure is, isn't she? But this doesn't seem to be something Hina does equally to all high-ranking people. Remember, Garp's the kind of guy who gets along with everyone regardless of station, and he seems to enjoy Hina's penchant for brusqueness, so I suppose they interact as equals.

FORGIVE ME FOR NOT INTRODUCING MYSELF EARLIER.

I DON'T WANT YOUR MONEY, SILLY. EAT UP. THE SWEET BEAN PORRIDGE WILL MAKE YOU FEEL BETTER!

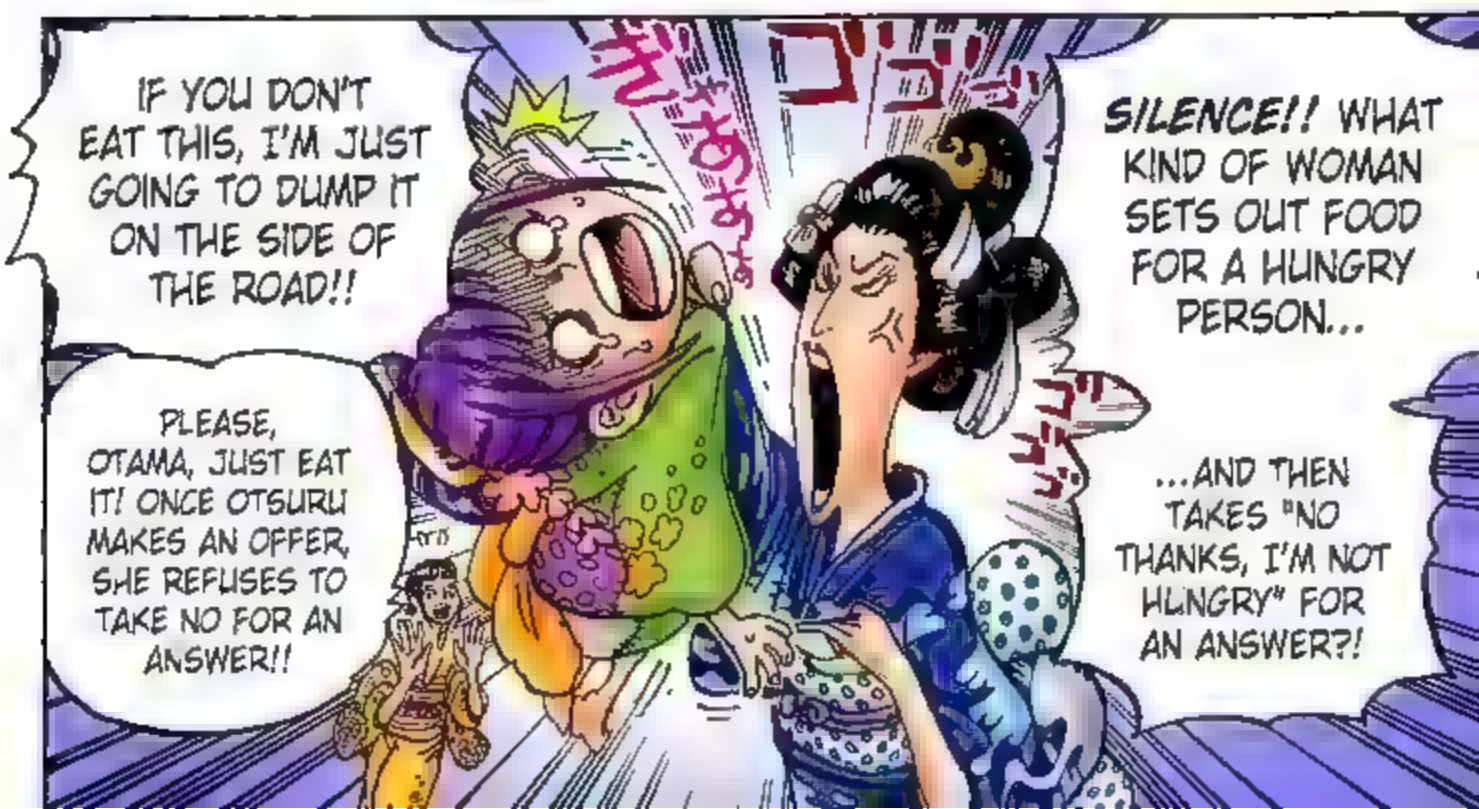
I...I CAN'T! I KNOW THAT YOU AND OKIKU...



IF YOU DON'T EAT THIS, I'M JUST GOING TO DUMP IT ON THE SIDE OF THE ROAD!!
PLEASE, OTAMA, JUST EAT IT! ONCE OTSURU MAKES AN OFFER, SHE REFUSES TO TAKE NO FOR AN ANSWER!!
SILENCE!! WHAT KIND OF WOMAN SETS OUT FOOD FOR A HUNGRY PERSON...

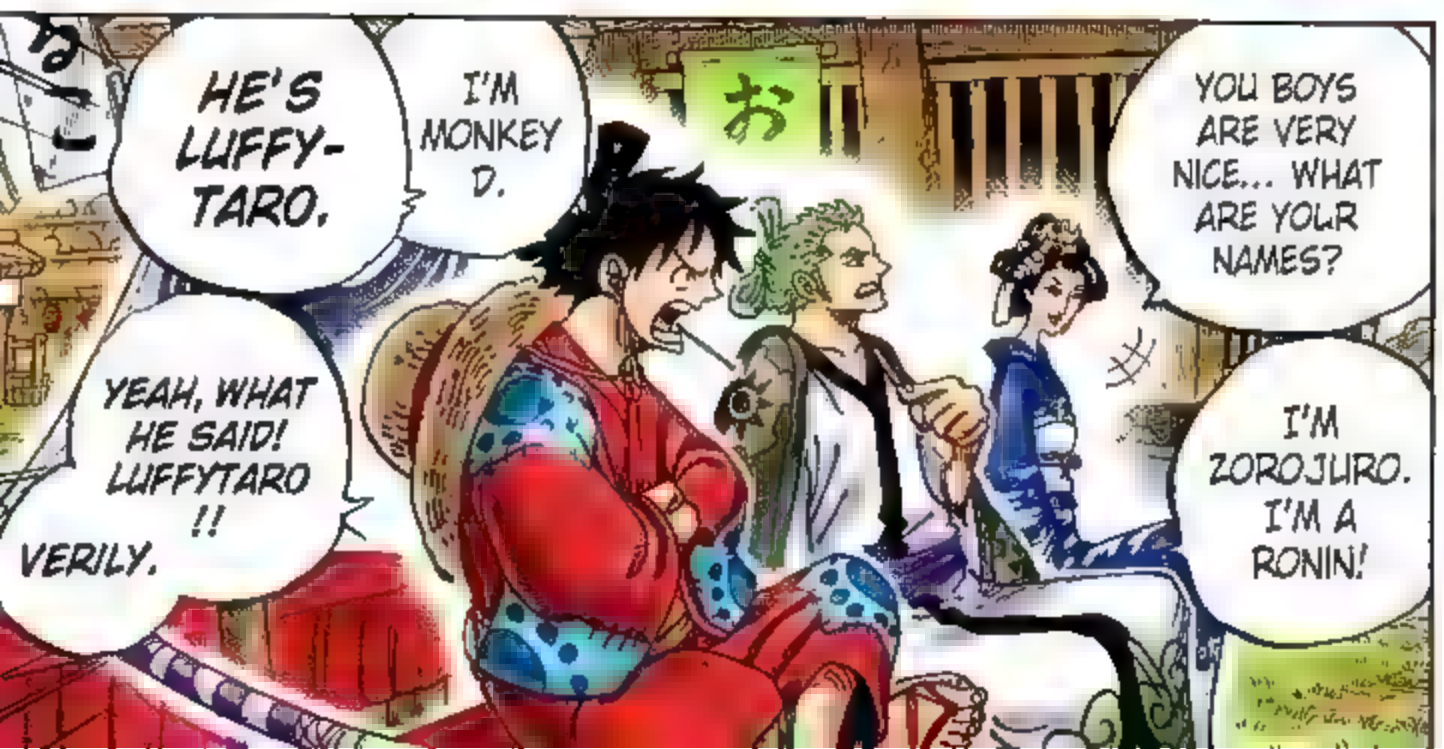
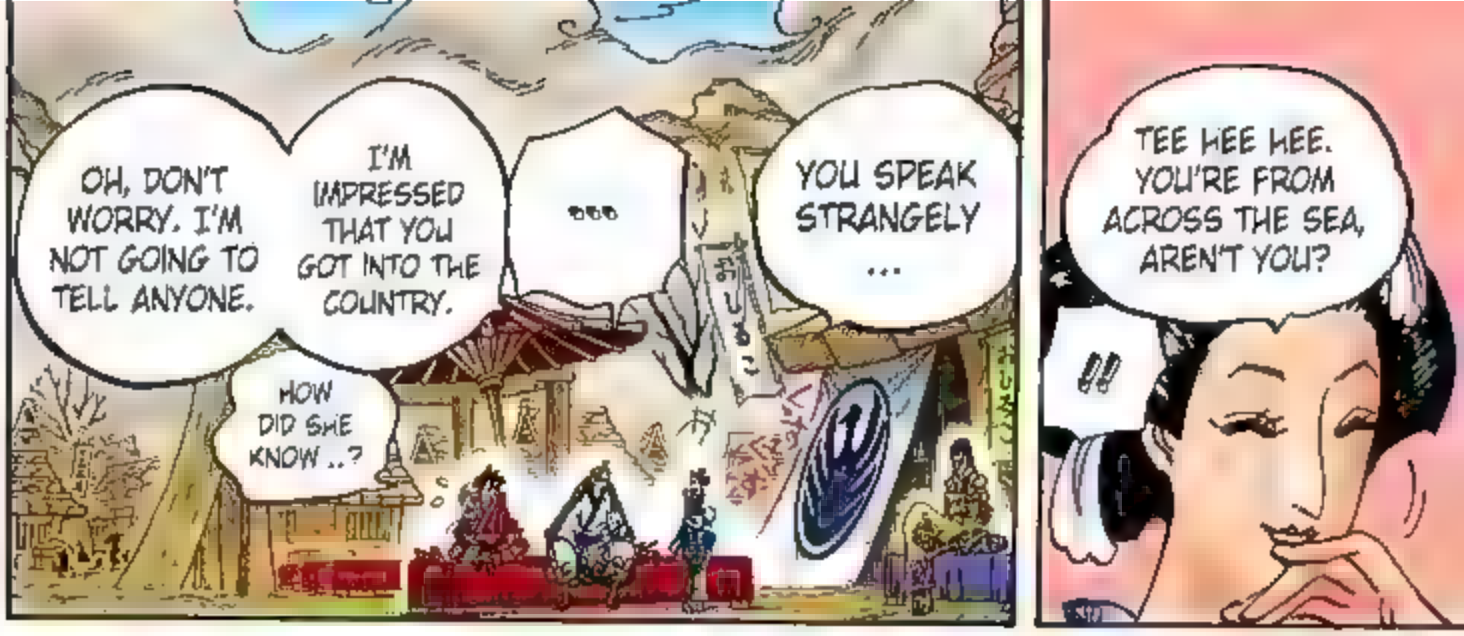
THERE ARE CHILDREN JUST LIKE HER..
...
...
すや～

BUT BETWEEN THE SEA AND MOUNTAINS AND FORESTS, YOU SHOULD BE ABLE TO GET ALL THE FOOD YOU NEED!!
IF ONLY WE DON'T RUIN THEM OUR-SELVES...
YES...

AT LEAST WHEN YOU'RE GROWN-UP, YOU CAN HANDLE EATING POISON!
POOR LITTLE KIDS LIKE HER UNABLE TO EAT A DECENT MEAL?!
UM.. NO, YOU CAN'T.



HE'S LUFFY-TARO.
I'M MONKEY D.
YOU BOYS ARE VERY NICE... WHAT ARE YOUR NAMES?
YEAH, WHAT HE SAID! LUFFYTARO !!
VERILY.
I'M ZOROJURO. I'M A RONIN!



OH, DON'T WORRY. I'M NOT GOING TO TELL ANYONE.
I'M IMPRESSED THAT YOU GOT INTO THE COUNTRY.
...
YOU SPEAK STRANGELY ...
HOW DID SHE KNOW ..?
TEE HEE HEE. YOU'RE FROM ACROSS THE SEA, AREN'T YOU?
!!

IT'S QUITE LITERAL. EVERYONE IN OKOBORE TOWN HOPES TO LIVE OFF THE SCRAPS...
...FROM THE NEARBY TOWN OF GOVERNMENT OFFICALS.
YOU SAID THIS IS THE "TOWN OF LEFTOVER SCRAPS." WHAT'S WITH THE NAME?

OKIKU'S ONLY BEEN AT MY PLACE FOR A MONTH TOO.
I'M NEW TO THIS TOWN, AS IT HAPPENS.

...BY THE NAME OF ODEN CASTLE.
AT THE PEAK THERE ONCE STOOD A BUILDING...
DO YOU SEE THAT MOUNTAIN WITHOUT THE SMOKESTACKS?
THAT WAS 20 YEARS AGO, HOW-EVER...

TAMA SAID THERE WAS A PLACE SOMEWHERE THAT HAD FOOD WITHOUT POISON.

...BY A FAMILY CALLED THE KOZUKI CLAN...
UNTIL 20 YEARS AGO, THE LAND OF WANO HAD LONG BEEN RULED...
ODEN? I KNOW I'VE HEARD THAT NAME...
ODEN CASTLE ...?!
BUT WHERE ...?

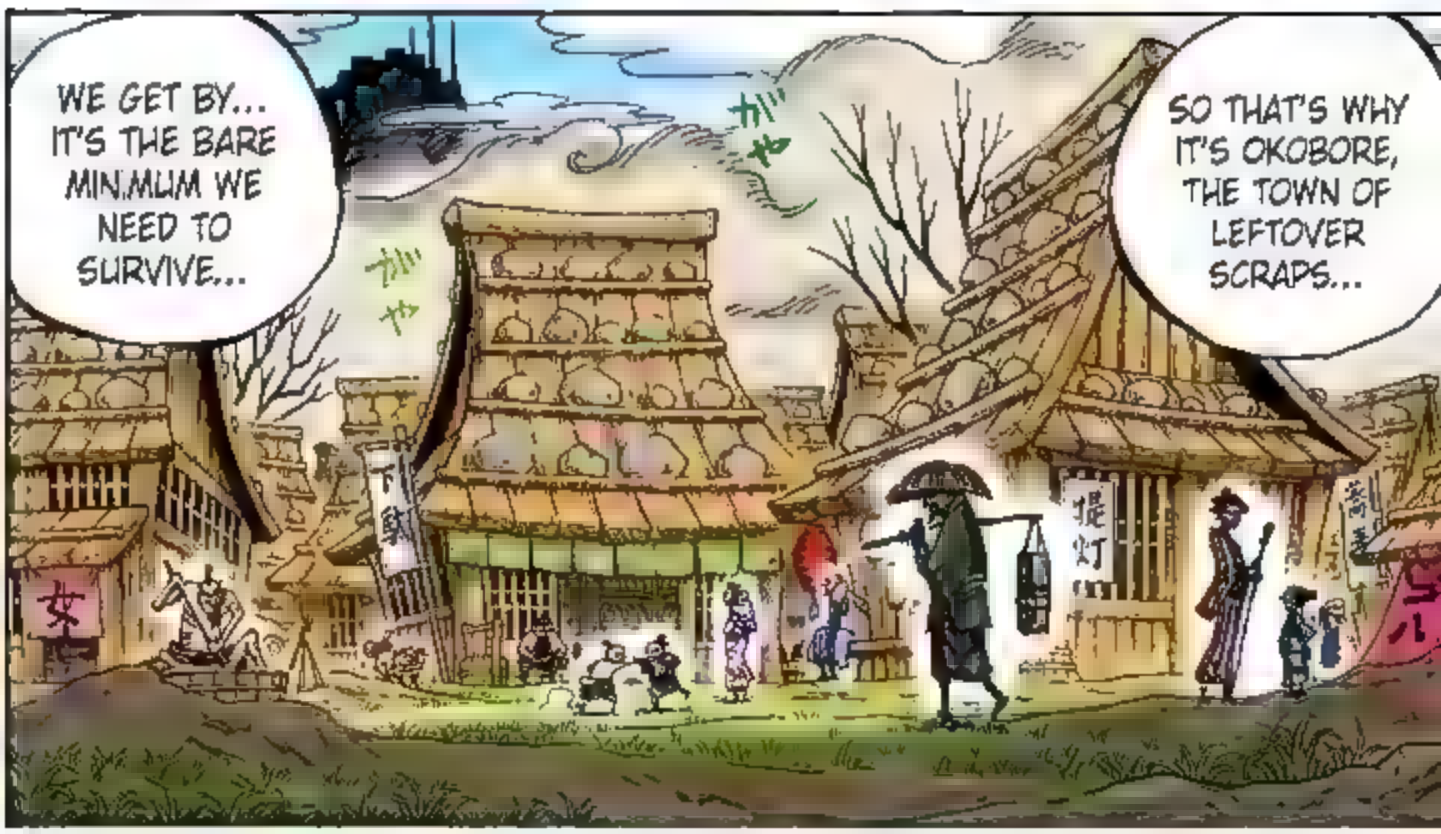
LET ME TELL YOU, HE DID NOT CREATE PARADISE FARM JUST SO THAT OROCHI AND HIS MINIONS...
...THAT THE LATE LORD ODEN CREATED TO FEED THE PEOPLE OF KURI GOOD, HEALTHY FOOD.
THERE'S A LARGE FARM AT THE FOOT OF THAT MOUNTAIN...
...COULD HOLD THIS COUNTRY'S FOOD UNDER THEIR THUMB...
...
あま酒

AND IT ALL BELONGS TO SHOGUN OROCHI...

...AND CLEAN WATER AND CLOTHES...
IT IS... SAFE, TASTY CROPS AND INGREDIENTS ...

IS THAT WHERE ALL THE NONPOISONED FOOD IS?!

...AND THE ROTTING FOOD THAT THEY SELL TO US.
WE LIVE OFF OF THE SCRAPS THEY NO LONGER NEED...
BEYOND THE GIANT TORI GATE IS THE TOWN WHERE THE OFFICIALS DWELL.



WE GET BY... IT'S THE BARE MINIMUM WE NEED TO SURVIVE...
SO THAT'S WHY IT'S OKOBORE, THE TOWN OF LEFTOVER SCRAPS...

Q: I rubbed my tummy to make a genie like Daifuku come out, and all that emerged was an extra-big fart.

--**Tooooooooot**

A: Cool.

Q: I'm curious about Galette's power, and how she immobilized Nami. There sure are a lot of people in the Charlotte Family who have powers.

--Oda Mania

A: Galette is a Butterwoman with the power of the Butter-Butter Fruit. She can control butter. So the answer is butter. You're right that there's a whole lot of Devil Fruit powers here, but it would bog everything down to stop and explain them all, so my idea is, if it's not central to the story, just breeze through and take it all in stride! The SBS segment and bonus materials are for the people who really want to know everything!

Q: It seems like the officers who work for the Four Emperors also have very high bounties. Do they get boosts in their bounty value just for being the subordinate of a particular pirate?

--Rice Love

A: Oh yes, they absolutely do. I mean, after what happened in Dressrosa, the Straw Hats and other gladiators got 50 million Berry increases as a general rule, and the captains often get a bigger increase than the individual members. So you see, it's actually quite difficult to measure a person's strength by the amount placed on their head.

Q: Hello, Oda Sensei! Please tell us the hobbies and most and least favorite foods of the four Revolutionary Army captains!

--Tattsu

A: Here you go.

Hobby: Volunteering
Likes: Sausages
Hates: Chicken dishes

Hobby: Board games
Likes: Hamburg steak
Hates: Cookies

Hobby: Vegetable garden
Likes: Almonds
Hates: Mayonnaise

Hobby: Karaoke, underground walks
Likes: Bagna cauda
Hates: Fish

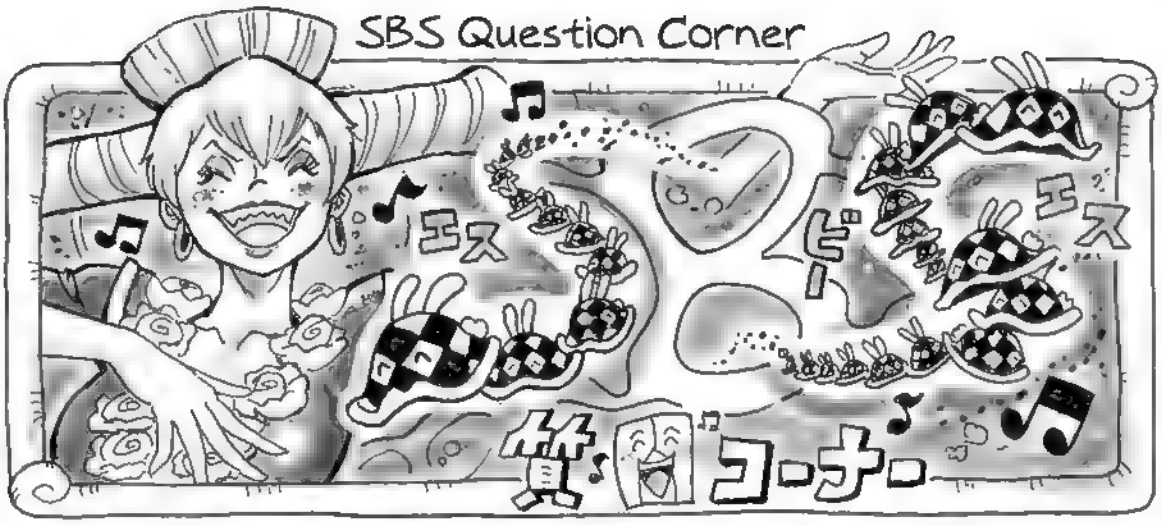
SBS Question Corner



(Hippo Iron, Saitama)

Q: Oda Sensei, the biggest question in the world right now (just getting that out there) is…

What kind of chin does Ivankov have?

I am so, so, so curious about this.

--Chiba Peanuts

A: I see. So you're curious three whole times? Well, the answer is that it's a "fried squid." So Iva's got a "deep fried squid chin"!! (Just making this up off the top of my head.)

Q: At the Tokyo One Piece Tower exhibit, the theme songs "4 ever don!!!!!" and "PHANTOM ~Promises~" by the band GReeeeN are contained on an album titled *Ure-D*.

Wait, *Ure-"D"?!* Does this mean that GReeeeN has inherited the will of D?

I think it does, right?

Right?

--Toppi Fleet Captain Ohta

A: You're referring to the theme songs from the special show at Tokyo Tower. And there's a "D" in it!! I actually asked Hide from GReeeeN about this myself, and he said the D in Ure-D... **is the will of D!!** Woo, woo, clap-clap-clap. Well, he likes to play along with stuff, so he might have just been saying that to tease me. It's a great album, so check it out if you're able! And if you get the chance, go check out the show at Tokyo One Piece Tower. It runs every single day! Also, I supervised "Phantom." It's really cool.

Q: I think Brulee is really wonderful, and I'm so smitten with her that I'd like to start a relationship. Do any of the Charlotte Family members marry for love…?

--Sakuragi

A: I get it. **You like the little sister thing!! Just elope with her!!**

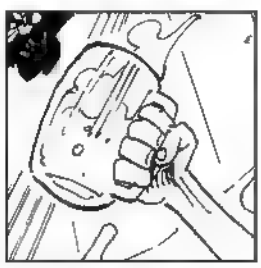
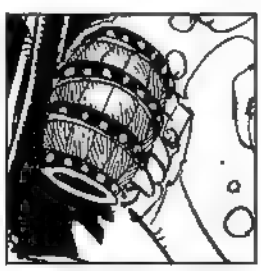
(Chinju Toy, Nagano)



Q: At the start of the series, when the characters drank beer, it was in proper beer mugs, but at some point, they all turned into mini barrels! When did they change? Why did you change them? Tell us! ✿

--Kutsu Koko



A: Ooh, very sharp. Don't the barrels just look more piratey, though?! Okay, that's just an excuse... Under Japanese law, you can't drink alcohol until you're 20 years old, so it's better when you can't actually tell what the characters are drinking, ha-ha. But I do think they look cooler than glass mugs!!

Q: I would like to see Zolo's future at 40 and 60 years old, including his alternate future.

--Captain Nobuo

A: This could be how he turns out, assuming he lives this long.

SBS Question Corner

Q: Hello, Oda Sensei! Luffy's catchphrase is, "I'm going to become the King of the Pirates!" but in the original Japanese it's put in a distinctly different order, like, "The King of the Pirates is what I'll be!" Is there some reason for reversing the normal way of writing this?

--Hyoniki

A: My goodness! This question? After 90 volumes?! I guess you got really curious. As a matter of fact, about 20 years ago, when the TV anime series was starting, the producer Mr. Shimizu from Toei Animation, whom I call "The Father of One Piece," asked me the same thing. The fact that I was so particular about this phrasing was a sign to Mr. Shimizu, and convinced him that One Piece was going to be a success!! And the reason for my particular obsession is...!! To be continued (not). I just think it's a powerful statement, grammatically. If I was the kind of person who wrote it the standard way, I don't think I would've been able to depict Luffy the way he is! So the answer is: it was just on a whim!

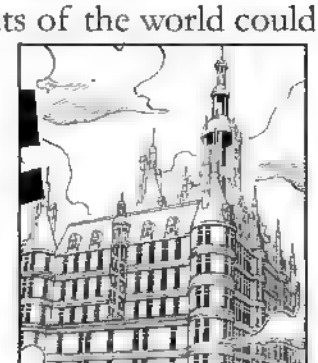
Q: *Heso!* Here's my question. That pirate waiting for Zeff's cooking on the *Baratie* in chapter 902 looks a lot like Crescent Moon Gary from the "Romance Dawn" one-shot, doesn't he?

--Takataka

A: Very well spotted, very well sleuthed. That's right, this is a pirate who appears in the One Piece prototype one-shot, a fellow named Crescent Moon Gary. Brilliant work!

Q: I have a serious question for you, Odacchi. Does the fact that it's called "Pangaea" Castle in Marijoa mean that all of the continents of the world could fit together like a puzzle? Making them all…one piece? Pangaea Castle is located in the center of the world, so I think it makes sense.

--Shokunin from Somewhere



A: The continent of Pangaea is the name of when all the continents of the world formed a single landmass eons ago. So why did I choose that name in particular...?! I'm not saying. LOL!

SBS Question Corner

(Igarashi, Oita)

Q: I have a question, Oda Sensei. Since the sixth grade, I've been fascinated with Finger Pistol, the ability to pierce a person with a mere finger. I've been training all this time so that I can have the power to pierce any friend who tries to mess with me, but for the moment, the only thing I can get them to say is, "Your fingernails are really long." How many more years of training do I need in order to pull off the ideal Finger Pistol?

--Itokoz

A: I think it's best if you don't poke holes in your friends.

Q: What is Morley's power? Also, in chapter 538, Ivankov said there was a prisoner with digging Devil Fruit powers who created New Kama Land. Does Morley have anything to do with that? Since giants are so long-lived, is it possible that Morley created it ages ago?

--Sasami

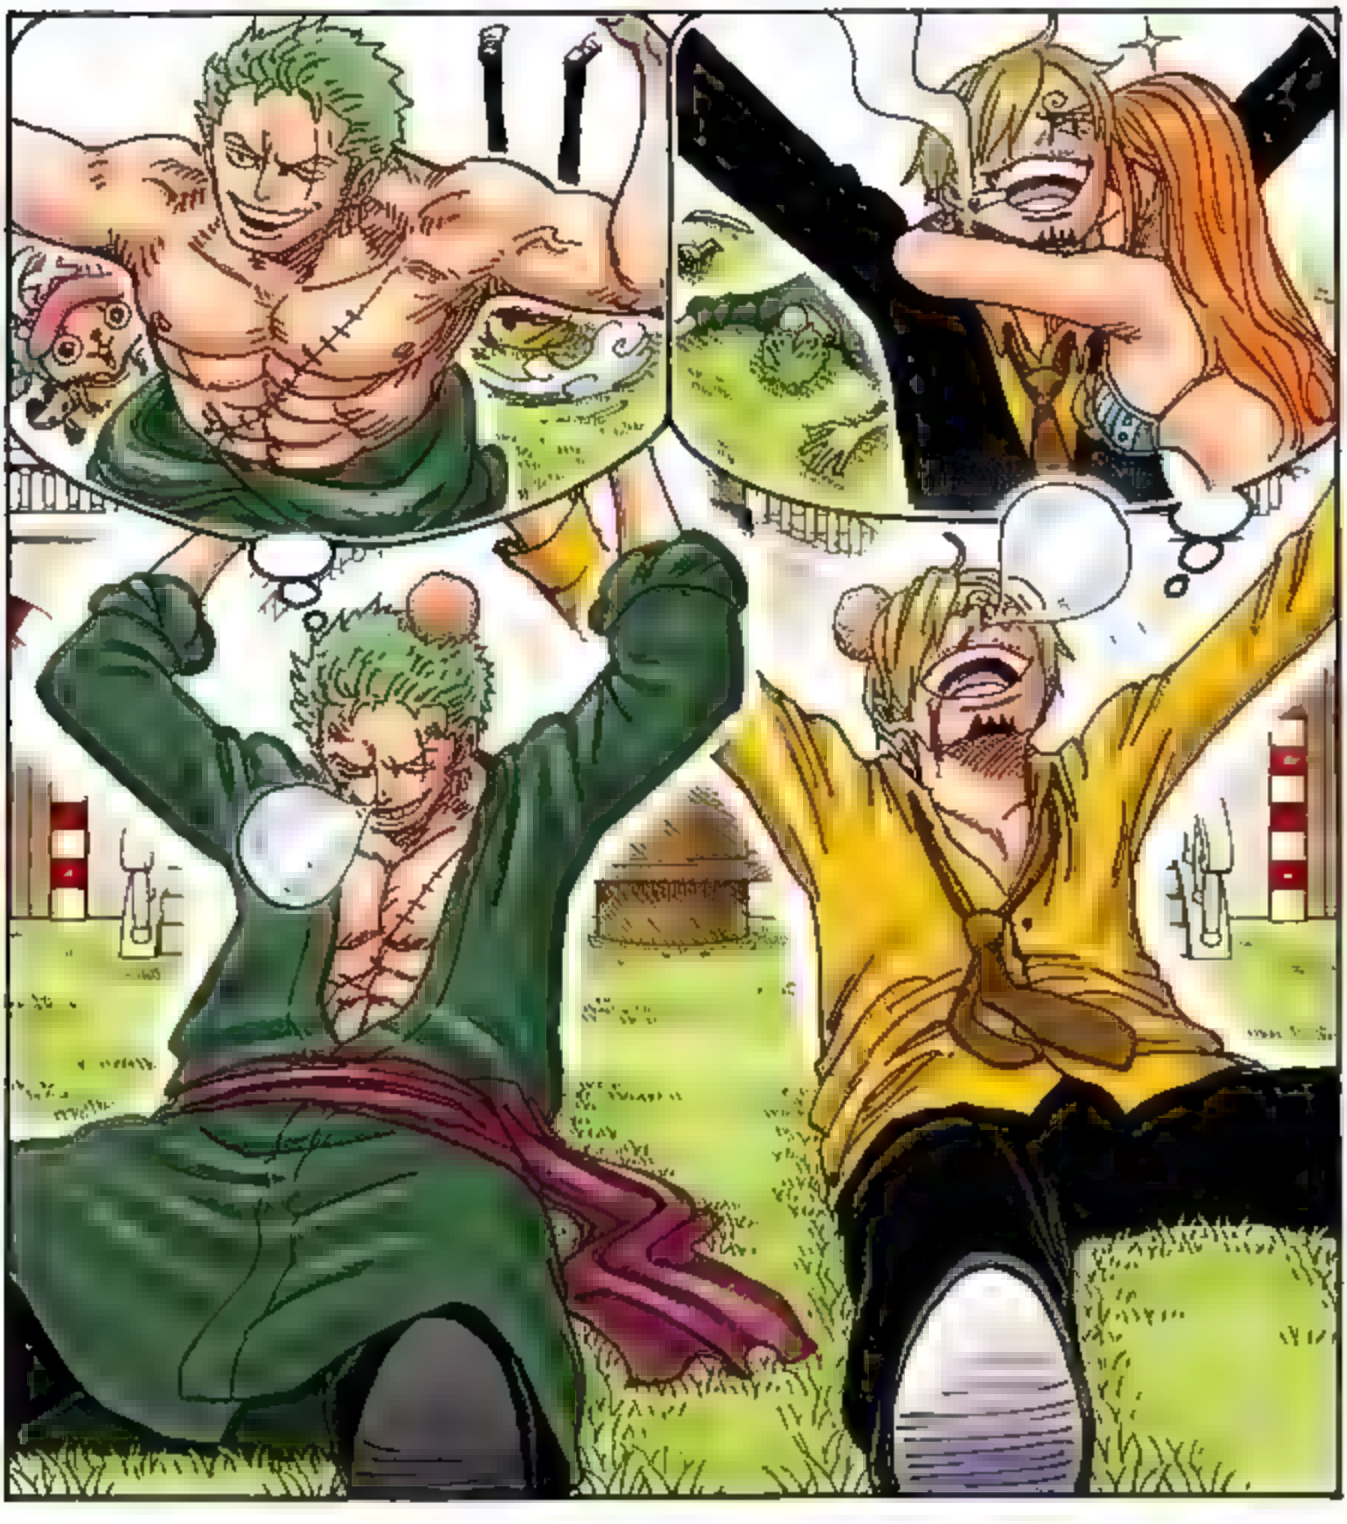
A: Yep, you got it. Morley's power is the Push-Push Fruit. It's the ability to push things aside without breaking them, so you can bury things or create caves underground. He (or she) is now 160, and was captured over 100 years ago when he was a violent pirate, and that's when he created that space within Impel Down. He used his power to escape without anyone realizing it, but in fact, it was only recently that he got dragged into a certain incident and wound up joining the Revolutionaries. He got along with Ivankov swimmingly, but then Iva went to Impel Down. It was Ivankov who built New Kama Land in Morley's cave, but as a matter of fact, Iva doesn't know that Morley was the one with the digging powers.

Q: Mr. Oda!! I heard that you won't be able to buy adult magazines at the convenience store anymore! Does this mean I won't be able to buy *One Piece* there?

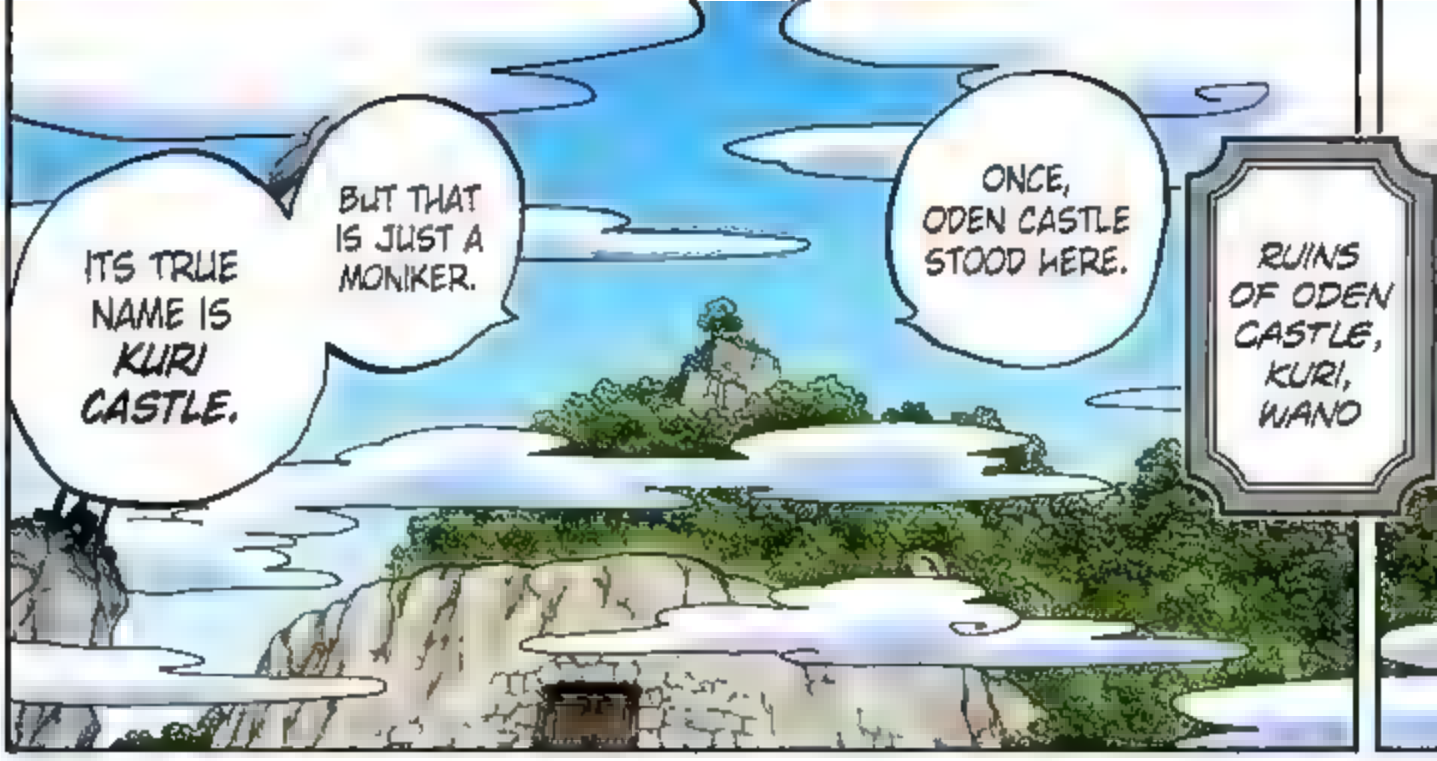
--Captain Nobuo

A: Hey, listen up! Remember this!! *One Piece* is...
A shonen manga for boys!!! ミ And now the SBS is ending!! Until next volume!!

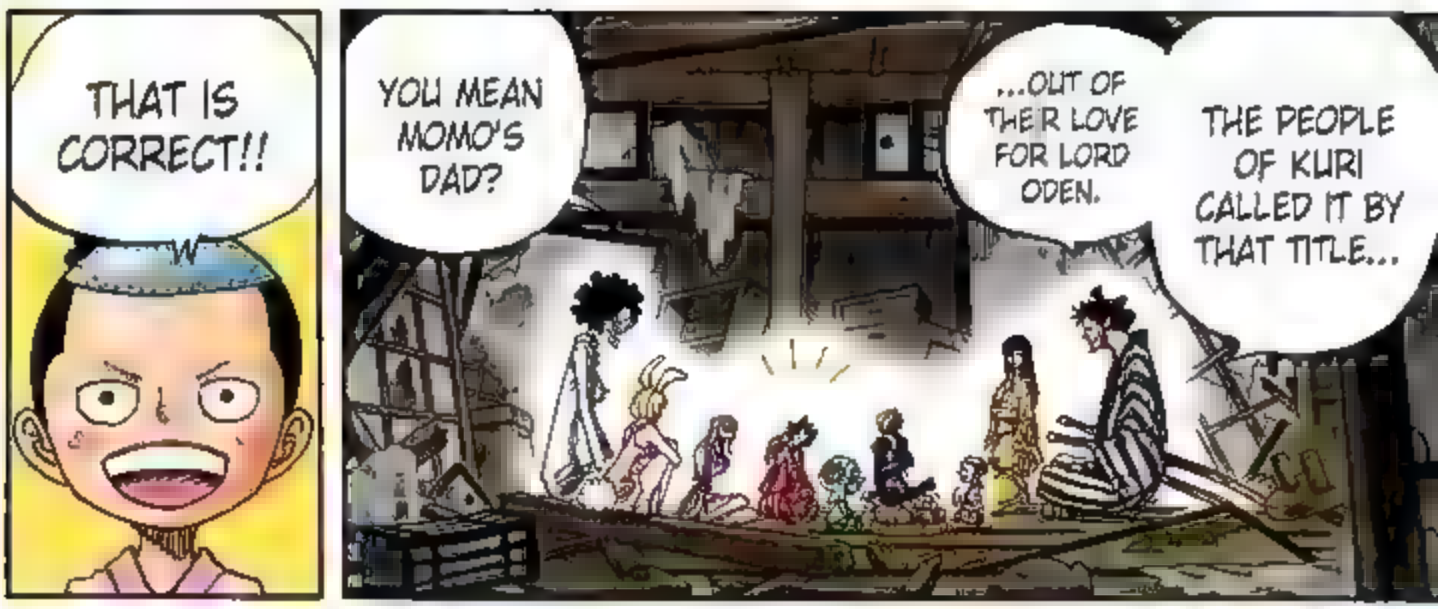
Chapter 920:
FOR LOVE OF ODEN



REQUEST: "ZORO AND SANJI FIGHT EVEN IN THEIR DREAMS" BY GOEMON FROM NARA

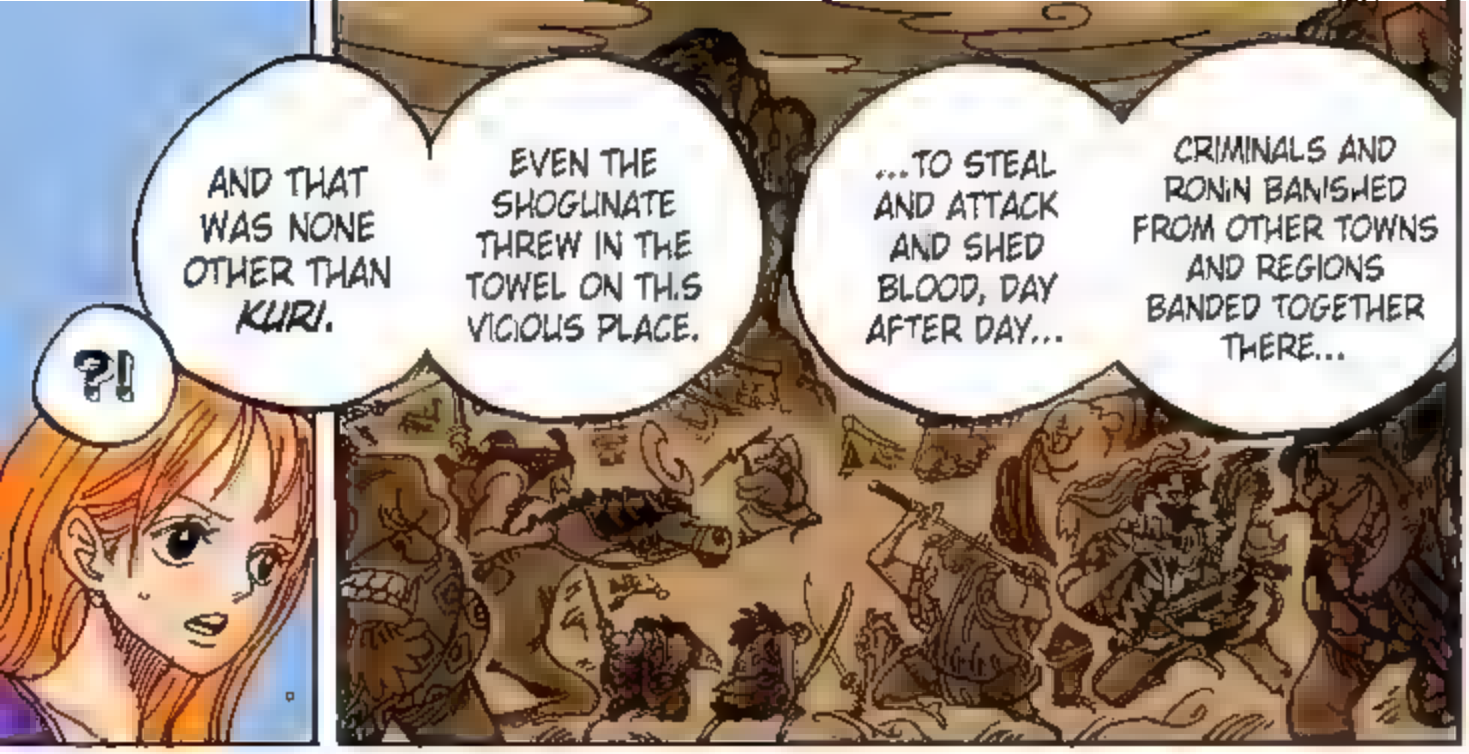


ITS TRUE NAME IS KURI CASTLE.
BUT THAT IS JUST A MONIKER.
ONCE, ODEN CASTLE STOOD HERE.
RUINS OF ODEN CASTLE, KURI, WANO

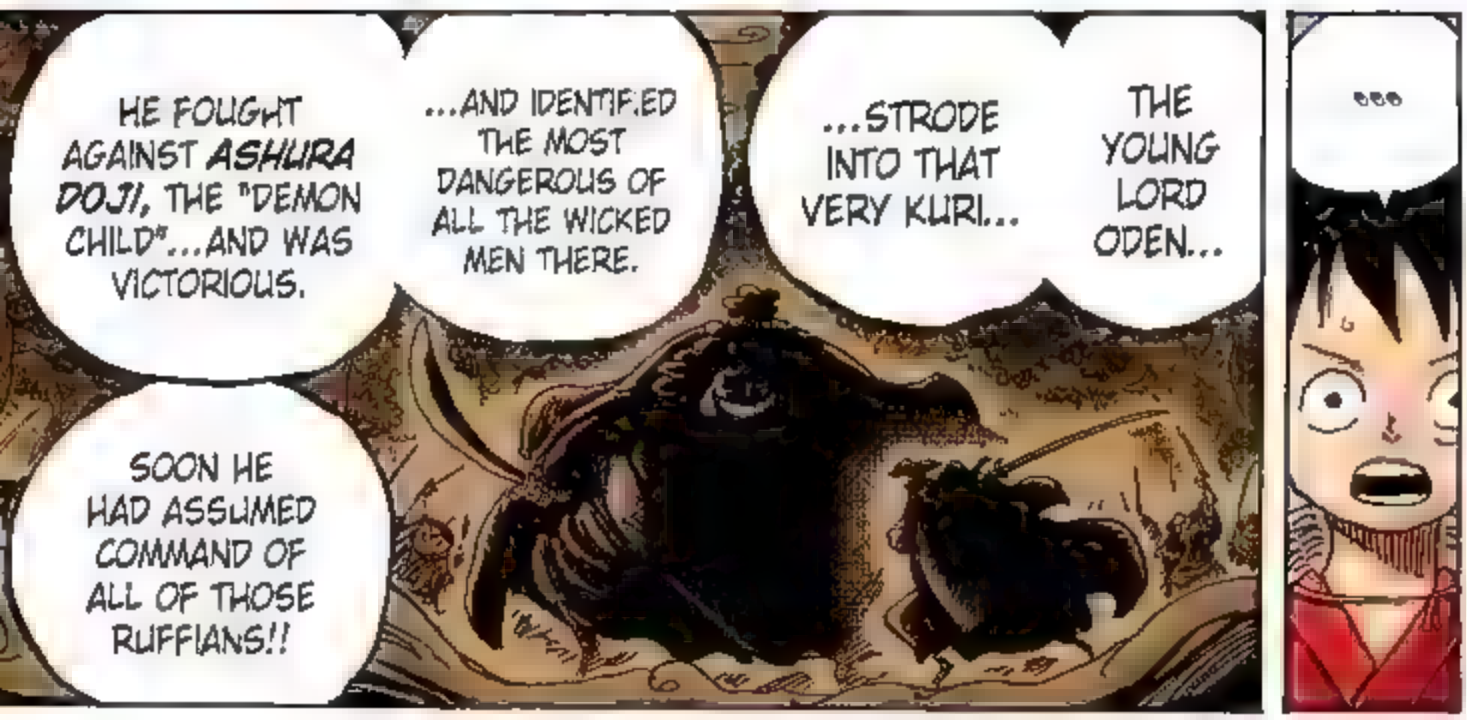


THAT IS CORRECT!!
YOU MEAN MOMO'S DAD?
...OUT OF THEIR LOVE FOR LORD ODEN.
THE PEOPLE OF KURI CALLED IT BY THAT TITLE...

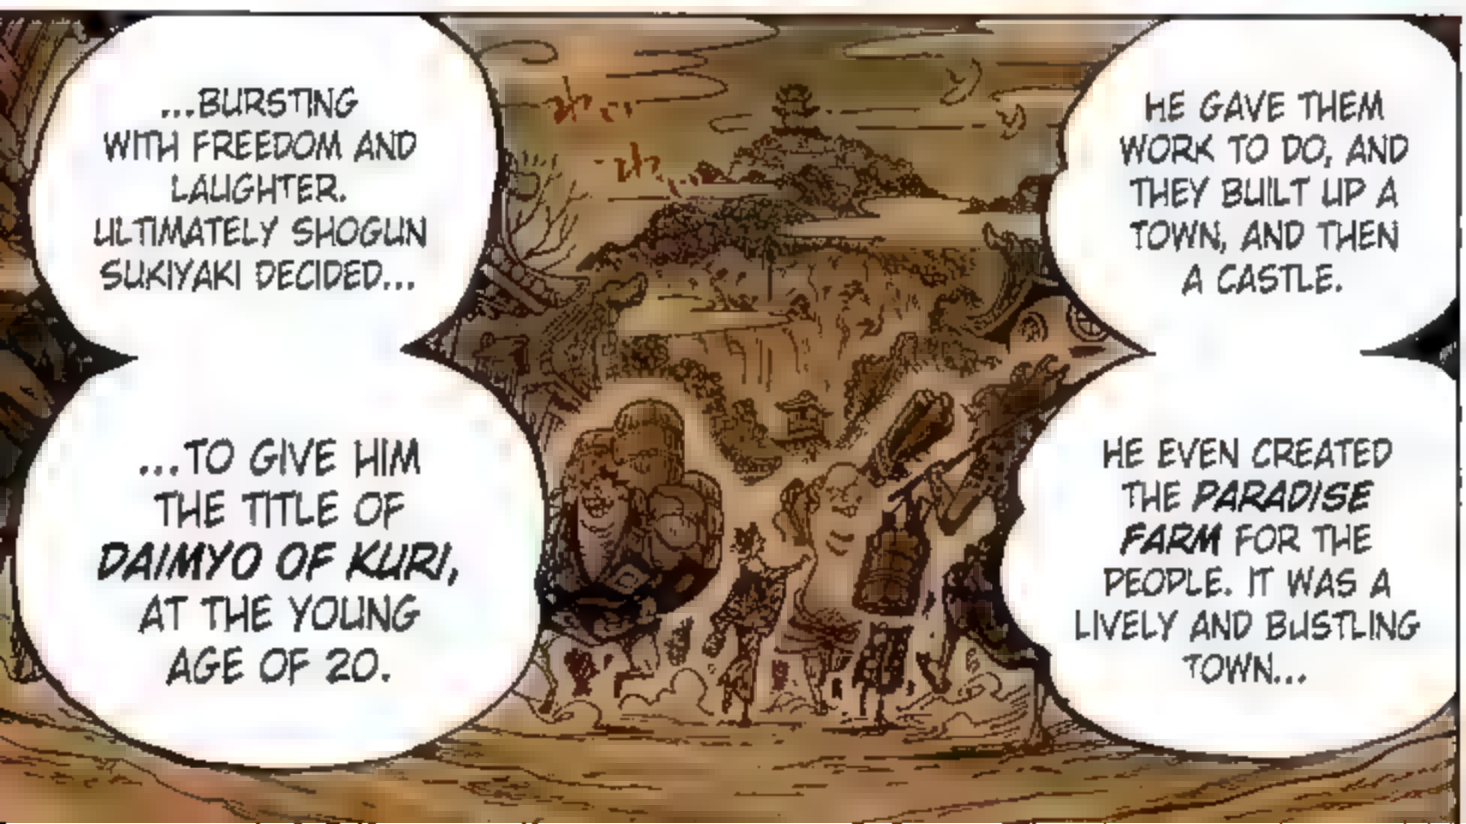
...HIS WILLFUL WAYS AND REPEATED ACTS OF VIOLENCE EARNED HIM BANISHMENT FROM THE FLOWER CAPITAL.
OUR LORD ODEN WAS A RATHER BOISTEROUS FELLOW, AS A MATTER OF FACT...
WHA--?
MEANWHILE, AT THAT TIME THERE WAS A PLACE IN WANO KNOWN FOR BEING A LAWLESS AREA...
...AND DESPITE BEING THE SON OF KOZUKI SUKIYAKI, THE SHOGUN OF WANO AT THE TIME...



?!
AND THAT WAS NONE OTHER THAN KURI.
EVEN THE SHOGUNATE THREW IN THE TOWEL ON TH.S VICIOUS PLACE.
...TO STEAL AND ATTACK AND SHED BLOOD, DAY AFTER DAY...
CRIMINALS AND RONIN BANISHED FROM OTHER TOWNS AND REGIONS BANDED TOGETHER THERE...



HE FOUGHT AGAINST ASHURA DOJI, THE "DEMON CHILD"...AND WAS VICTORIOUS.
...AND IDENTIFIED THE MOST DANGEROUS OF ALL THE WICKED MEN THERE.
...STRODE INTO THAT VERY KURI...
THE YOUNG LORD ODEN...
...
SOON HE HAD ASSUMED COMMAND OF ALL OF THOSE RUFFIANS!!



...BURSTING WITH FREEDOM AND LAUGHTER. ULTIMATELY SHOGUN SUKIYAKI DECIDED...
HE GAVE THEM WORK TO DO, AND THEY BUILT UP A TOWN, AND THEN A CASTLE.
...TO GIVE HIM THE TITLE OF DAIMYO OF KURI, AT THE YOUNG AGE OF 20.
HE EVEN CREATED THE PARADISE FARM FOR THE PEOPLE. IT WAS A LIVELY AND BUSTLING TOWN...

LORD ODEN LOVED TO SAY...
"IT'S TOO CRAMPED!"
THEY DUG OUT A RIVER, BUILT A DOCK...
...AND CONNECTED TO OTHER TOWNS AND PEOPLE.
WHERE DID THEY GET OFF TO...?
SHEESH! THOSE PEOPLE...
TING
CAN'T BELIEVE THAT KOMA.NU ACTUALLY GOT LOST WITH ME R.DING ON IT...
GUESS I'LL TAKE ANOTHER RIDE!
HEY, A DOCK!
ベッド!!

A SHORE IN KURI, WANO
FOR LORD ODEN...
...THE REALM OF WANO WAS JUST A BIT TOO SMALL...
AHH, BUT HOW FONDLY I REMEMBER THIS OLD SHORE!
WHEN WE FIRST WASHED UP HERE...
...THEY FEARED US, CALLING US TALKING DOG AND TALKING CAT...
BUT LORD ODEN WAS DIFFERENT!!
KING OF THE DAY, MOKOMO DUKEDOM
DUKE DOGSTORM
ヘッ!!
SHAME ON ALL OF YOU!!
YOUR FEAR OF THE ALIEN EXPOSES YOUR OWN IGNORANCE!!
HE WAS OUR SAVIOR ...!!
HE WAS A TRUE HERO!! HE WAS OUR MASTER!!!

...WHAT HAPPENED TO ODEN?!

AND THEN...

BUT...BUT THAT'S JUST *AWFUL!!*

...!!!

...

THE SAMURAI OF WANO...

光月おでん

AND WHILE LORD ODEN'S STUNNING DEATH...

...MIGHT BE 20 YEARS IN THE PAST...

THAT'S MESSED UP!! WHAT A DIRTY THING TO DO, OROCHI!!!

WHAT?! NO WAY!!

LORD ODEN, BELOVED BY ALL...

...WAS TAKEN TO THE FLOWER CAPITAL AS A CRIMINAL, TRIED AND EXECUTED.

...WHO ENTRANCED WHITE-BEARD...

...AND EVEN CHARMED ROGER!!

...WHEN I CLOSE MY EYES!!!

...STILL APPEARS FRESH AND VIVID...

WHAT A GREAT, GREAT MAN...

THE END OF THE HEROIC WARRIOR KNOWN AS KOZUKI ODEN...

WATAAME

...IT WAS MERE MONTHS AGO.

...TO ALL OF US...

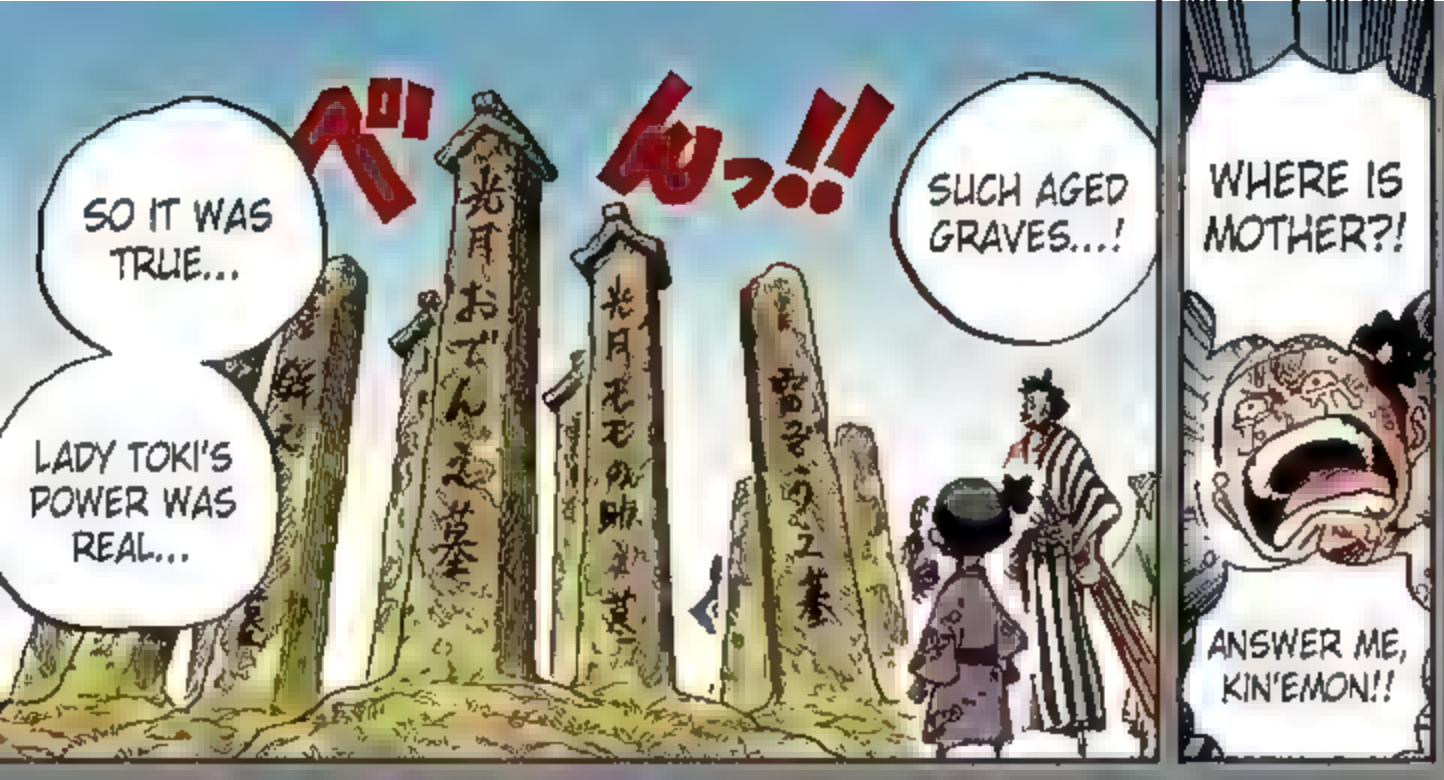
OUR ONLY CHOICE WAS A DESPERATE ESCAPE.
WE LEFT THE EXECUTION AREA AND HEADED STRAIGHT HERE, FOR ODEN CASTLE.
INDEED. AT THAT POINT WE HAD NO ALLIES...
IT'S A WONDER THE REST OF YOU SURVIVED IN THAT SITUATION.

AT THAT POINT, WE KNEW THAT NO MATTER WHICH OF US FELL, SOMEONE HAD TO REACH THIS CASTLE.
FOR IN HIS QUEST TO UNDO THE KOZUKI CLAN, OROCHI'S NEXT TARGET WOULD BE YOUNG LORD MOMONOSUKE IN THE CASTLE!!
?!
ALONG THE WAY, DOGSTORM AND CAT VIPER BEGAN TO SQUABBLE...
WHEN OROCHI'S MEN CAUGHT THEM, WE GAVE UP THEIR LIVES FOR LOST!!

THE CASTLE WAS ALREADY BURNING.
HOW-EVER...
...KAIDO'S FORCES HAD BEATEN US TO THE PUNCH.

...AND THEIR MOTHER, LADY KOZUKI TOKI.
LADY TOKI!!
LADY HIYORI !!
LORD MOMONO-SUKE!!
...HIS YOUNGER SISTER, LADY HIYORI...
IN THE CASTLE WERE LORD MOMONO-SUKE...
ゴオオ
...BUT IT CAN LEAP INTO THE FUTURE!!
I HAVE USED THIS STRANGE TIME-TIME ABILITY TO TRAVEL FURTHER AND FURTHER INTO THE FUTURE.
MANKIND CANNOT RETURN TO THE PAST...
IT WAS DIFFICULT FOR ME TO BELIEVE, BUT RUMOR HAD IT...
...THAT LADY TOKI HAD NOT BEEN BORN IN OUR ERA, BUT LONG, LONG AGO.
WE WOULDN'T DARE STOP YOU...
YES. AND SO I WILL STAY HERE.
TO LORD ODEN, YOU MEAN...
UNTIL AT LAST I ARRIVED HERE... AT MY FINAL DESTINATION.
ゴオオ

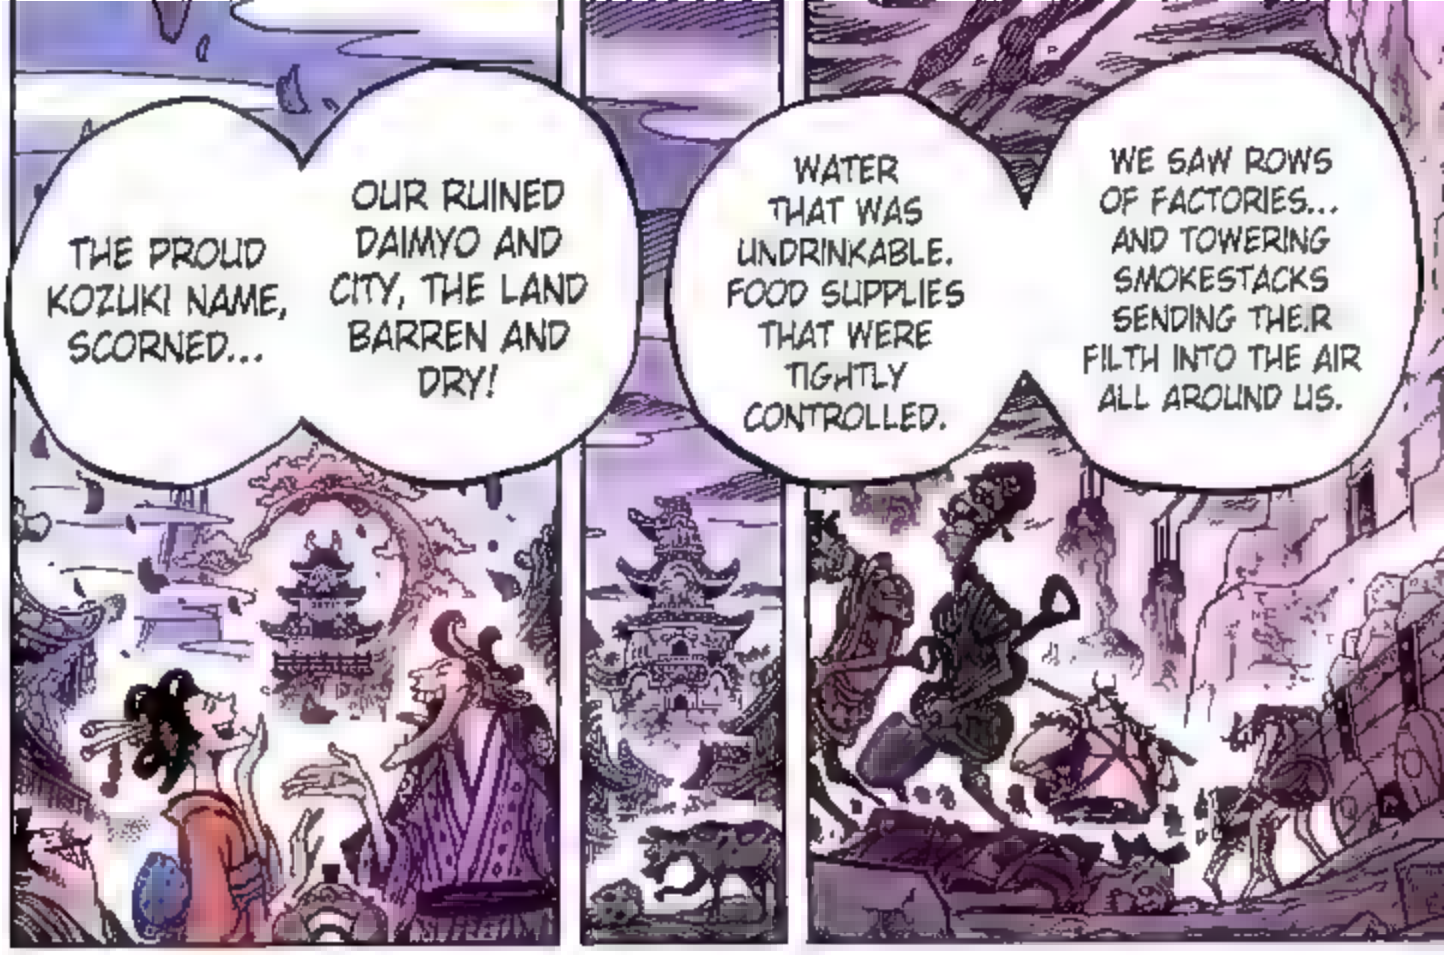
SO THAT THIS COUNTRY COULD BE OPENED AT LAST!!
...AND STRIKE DOWN OROCHI AND KAIDO!!
...WE WOULD FIND A WAY TO FINISH LORD ODEN'S WISH...
BUT IF WE TRULY LEAPT INTO THE FUTURE...
FWOOM
...IN YOUR HANDS.
THUD!
I LEAVE MOMONO-SUKE...
WHOOO
WHERE IS THE CASTLE? THE FIRE? LADY TOKI?!
IS THIS A DREAM?! WHERE ARE WE?!
WH...WHAT IS...?
LADY HIYORI ?!



SO IT WAS TRUE...
LADY TOKI'S POWER WAS REAL...
ベ"ル ム"っ!!
SUCH AGED GRAVES...!
WHERE IS MOTHER?!
ANSWER ME, KIN'EMON!!

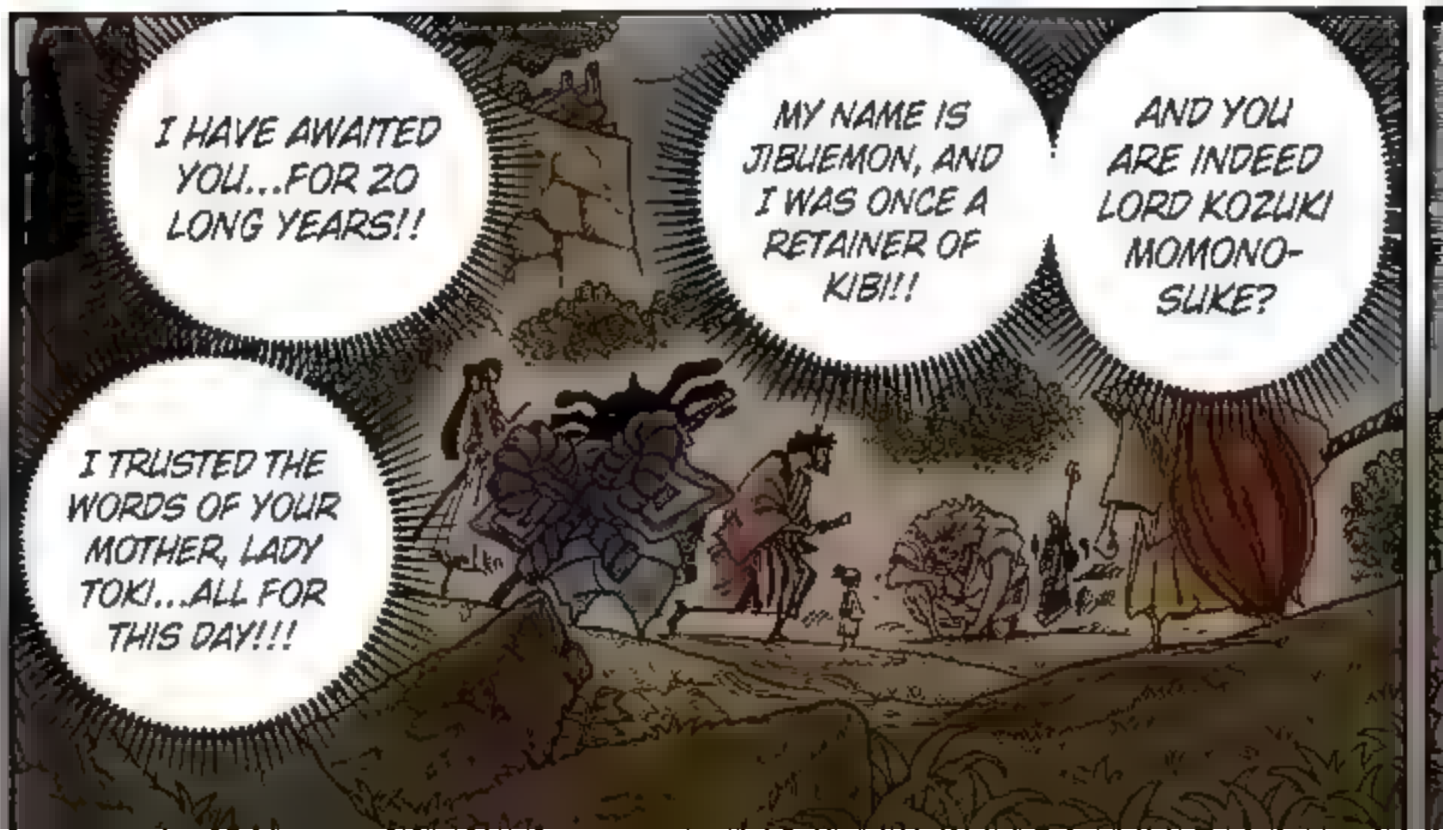
...20 YEARS INTO THE FUTURE!!!
ベベベム"っ!!
THIS IS WANO...

WE DECIDED TO WALK ABOUT THE LAND TO LEARN OF ITS NATURE.
IT WAS A WORLD THAT WAS TRULY UNKNOWN TO US...

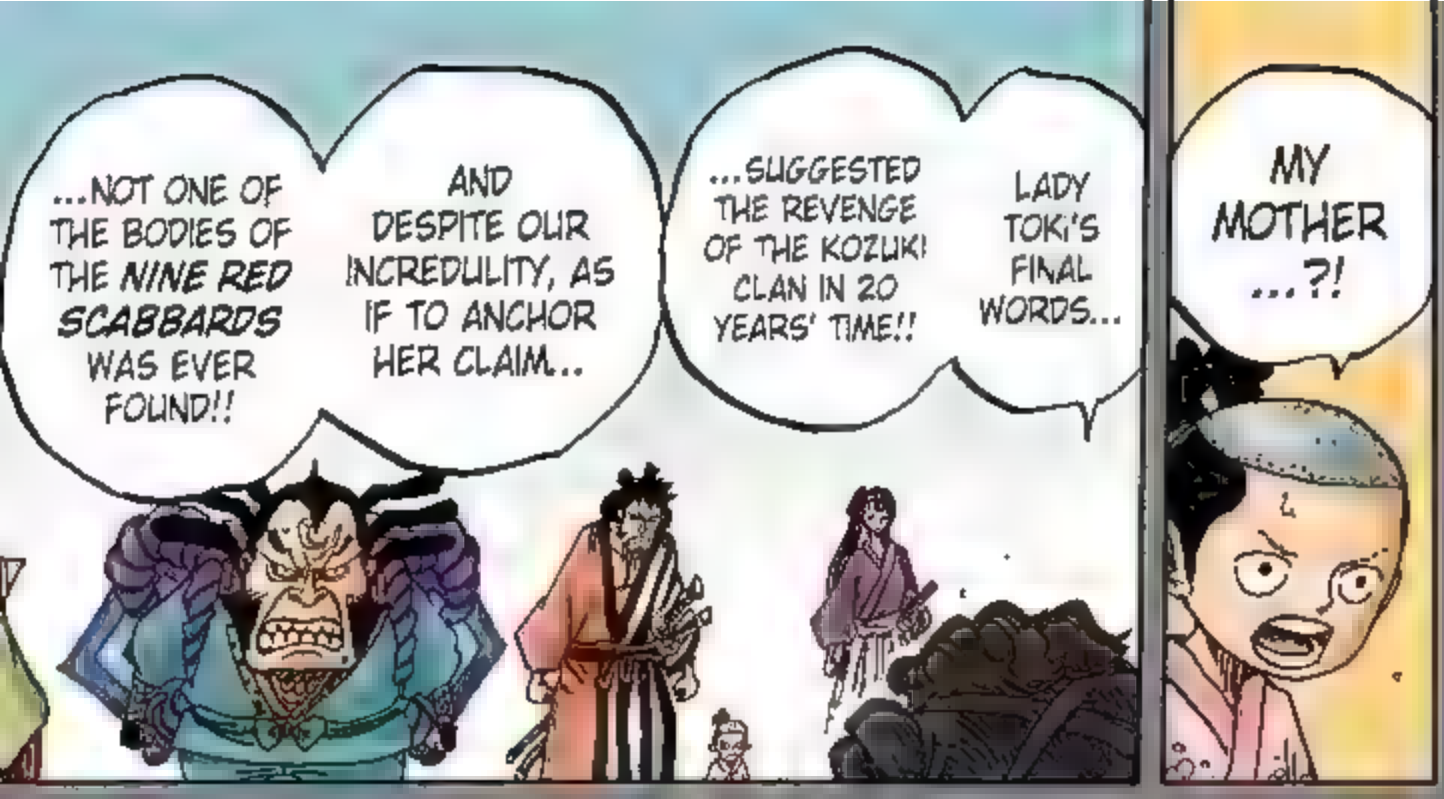


THE PROUD KOZUKI NAME, SCORNED...
OUR RUINED DAIMYO AND CITY, THE LAND BARREN AND DRY!
WATER THAT WAS UNDRINKABLE. FOOD SUPPLIES THAT WERE TIGHTLY CONTROLLED.
WE SAW ROWS OF FACTORIES... AND TOWERING SMOKESTACKS SENDING THEIR FILTH INTO THE AIR ALL AROUND US.

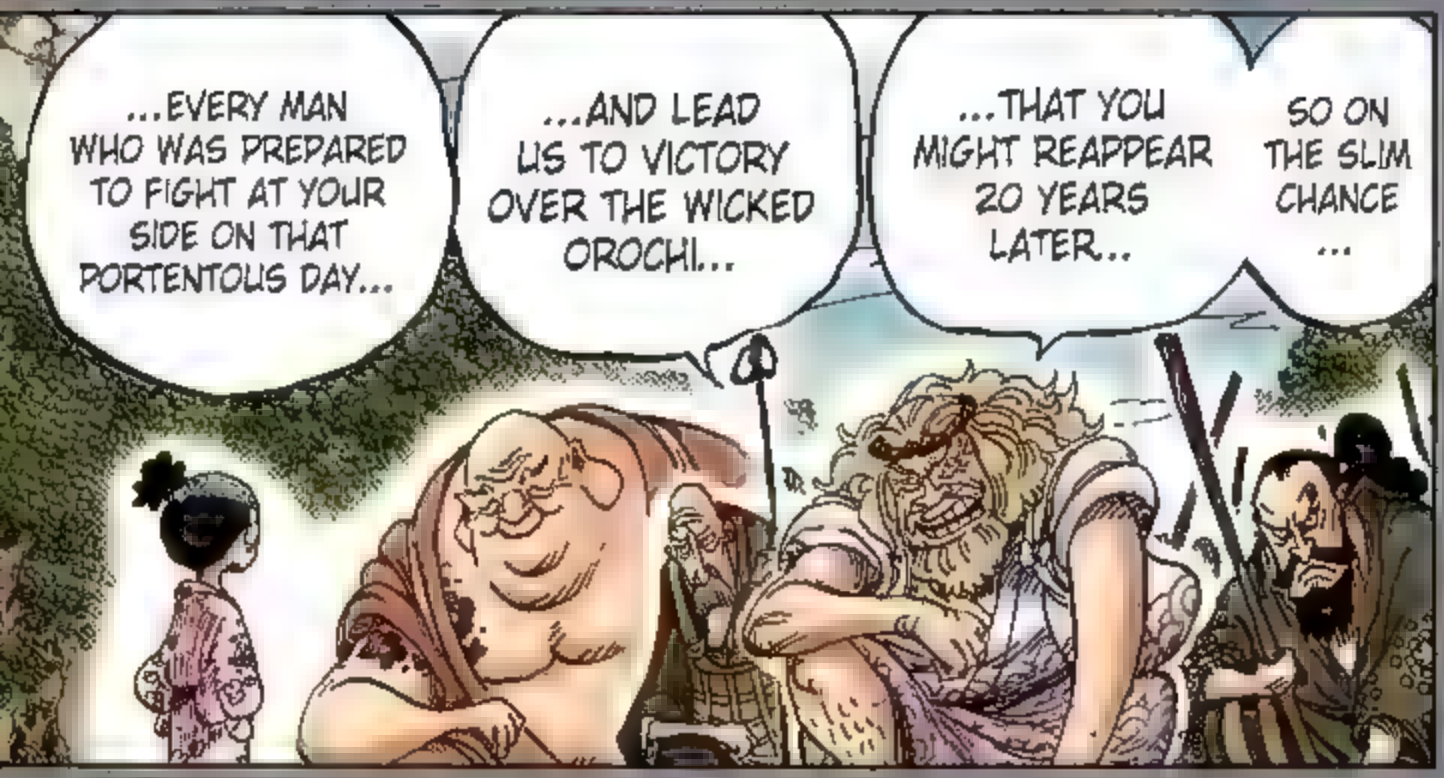
BUT WE WERE WRONG.
IT SEEMED WE COULD NOT FIND ANY WHO WOULD FIGHT ON OUR SIDE.
THIS IS NOT THE LAND OF WANO THAT WE KNEW.



I HAVE AWAITED YOU...FOR 20 LONG YEARS!!
MY NAME IS JIBUEMON, AND I WAS ONCE A RETAINER OF KIBI!!
AND YOU ARE INDEED LORD KOZUKI MOMONOSUKE?
I TRUSTED THE WORDS OF YOUR MOTHER, LADY TOKI...ALL FOR THIS DAY!!!

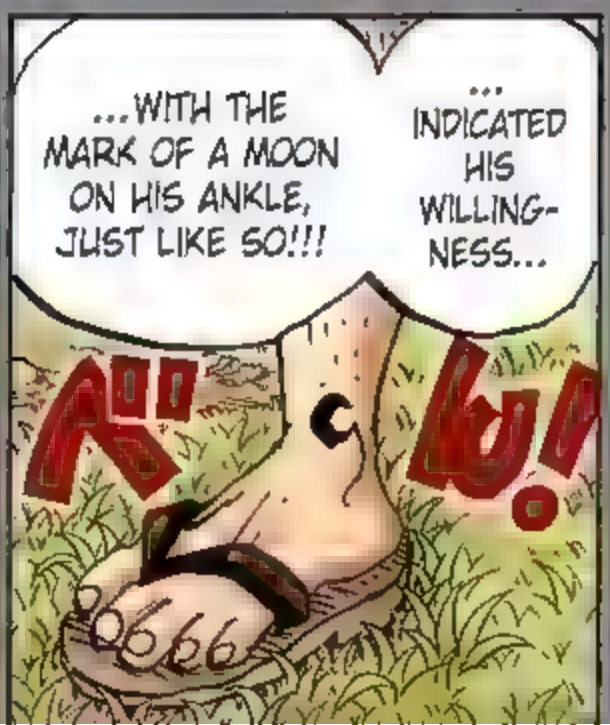


...NOT ONE OF THE BODIES OF THE NINE RED SCABBARDS WAS EVER FOUND!!
AND DESPITE OUR INCREDULITY, AS IF TO ANCHOR HER CLAIM..
...SUGGESTED THE REVENGE OF THE KOZUKI CLAN IN 20 YEARS' TIME!!
LADY TOKI'S FINAL WORDS...
MY MOTHER ...?!



...EVERY MAN WHO WAS PREPARED TO FIGHT AT YOUR SIDE ON THAT PORTENTOUS DAY...
...AND LEAD US TO VICTORY OVER THE WICKED OROCHI...
...THAT YOU MIGHT REAPPEAR 20 YEARS LATER..
SO ON THE SLIM CHANCE ...

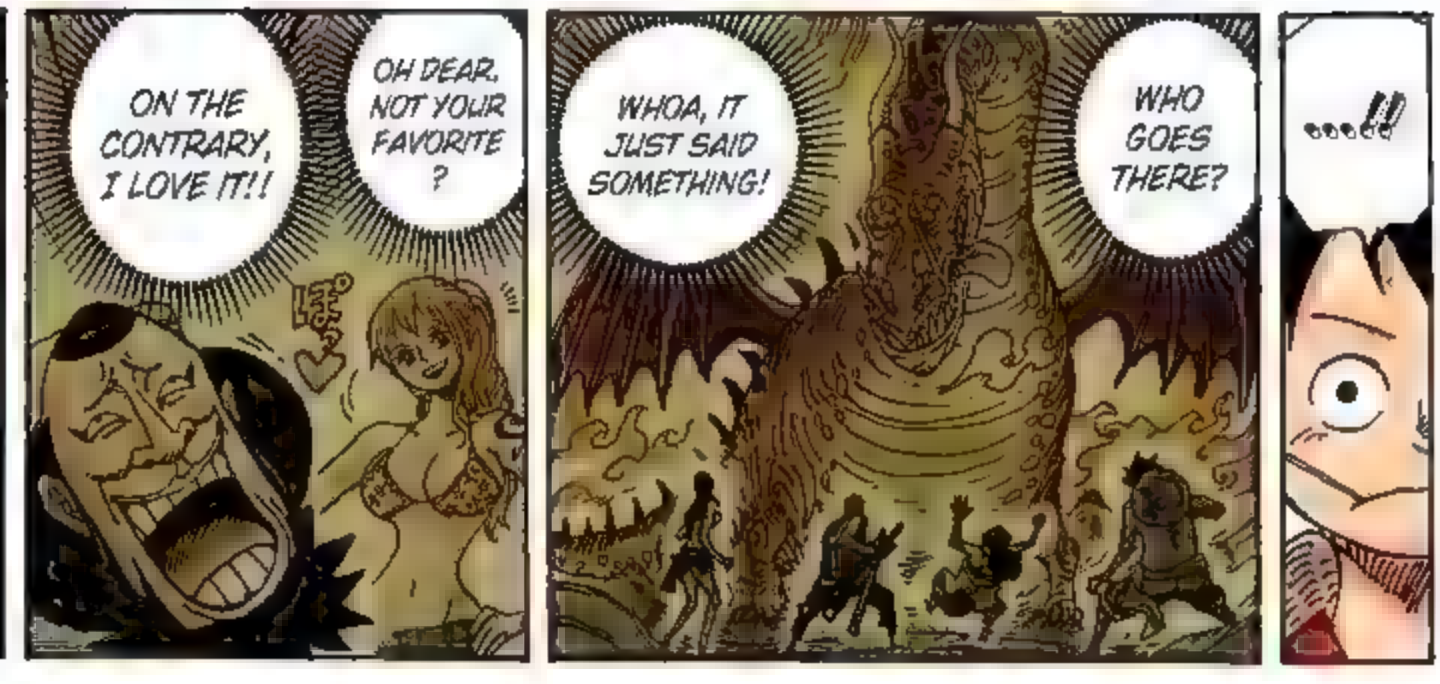
WE WILL NEED TO ROUSE THESE FORCES WITHOUT ALERTING ANYONE!
YOU MEAN... AFTER 20 YEARS, WE STILL HAVE ALLIES?!
WE'LL DO EVERY-THING WE CAN!!



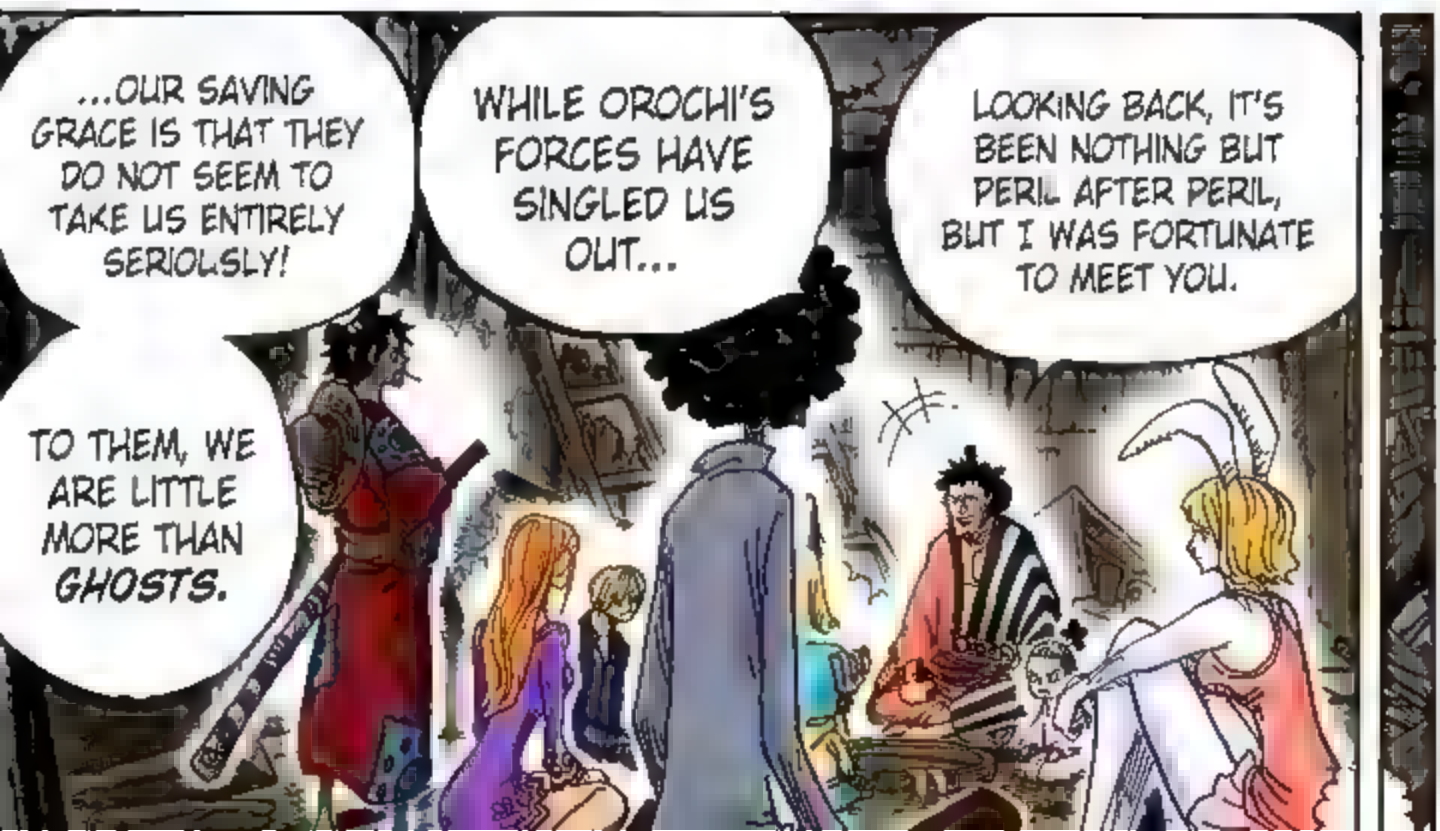
...WITH THE MARK OF A MOON ON HIS ANKLE, JUST LIKE SO!!!
... INDICATED HIS WILLING-NESS...
KO
KO!

...AND WERE CHASED ACROSS THE WATERS.
EVEN LEAVING THIS COUNTRY IS A CRIME. WE WERE SPOTTED AS WE EMBARKED...
...
...AND THE OTHER FOUR OF US, AS YOU KNOW, TRAVELED TO RECRUIT LIKE-MINDED FELLOWS TO OUR CAUSE.
I ENTRUSTED THE INVESTIGATION OF THE ENEMY SIDE TO KIKU...
RAIZO WAS SWEPT AWAY!!
LET US MEET ON ZOU!!
WE TRIED TO HEAD FOR ZOU, BUT WITHOUT THE SAILING SKILL NEEDED...
...WE SOON CRASHED AND WRECKED OUR SHIP.
...AND IN CHASING AFTER HIM, I WAS SEPARATED FROM KANJURO!!
GO! DO NOT BOTHER WITH ME!!
EVENTUALLY, WE WASHED UP ALIVE ON DRESSROSA. BECAUSE OF HIS CONNECTIONS TO KAIDO...
...DOFLAMINGO HAD US PURSUED THERE! LORD MOMONOSUKE GOT ONTO A STRANGE BOAT BY MISTAKE...

...THAT I MET ALL OF YOU!!!
EVEN ON *PUNK HAZARD*, WHERE WE ARRIVED NEXT, CAESAR WAS ANOTHER HENCHMAN OF OUR FOE!!
AND IT WAS WHEN SIR LAW, WHO IS NOW ON OUR SIDE, CUT ME INTO PIECES AND LEFT ME IN MY MOST DESPERATE STATE...



ON THE CONTRARY, I LOVE IT!!
OH DEAR. NOT YOUR FAVORITE ?
WHOA, IT JUST SAID SOMETHING!
WHO GOES THERE?
...!!



...OUR SAVING GRACE IS THAT THEY DO NOT SEEM TO TAKE US ENTIRELY SERIOUSLY!
WHILE OROCHI'S FORCES HAVE SINGLED US OUT...
LOOKING BACK, IT'S BEEN NOTHING BUT PERIL AFTER PERIL, BUT I WAS FORTUNATE TO MEET YOU.
TO THEM, WE ARE LITTLE MORE THAN *GHOSTS.*

IT IS OF THE GREATEST IMPORTANCE THAT OUR PLAN NOT BE EXPOSED!!
ばーーーん!
OKAY, GOT IT!
YOU DID NOT EVEN TELL THIS ONE. YOUR OWN COMRADE.
ER, I SAID I WAS SORRY...
HEY! STOP FLIRTING!!
WE HAVE REENTERED THE NATION, AND STILL THEY DO NOT REALIZE IT.
THEREFORE, THEY HAVE NOT EVEN BOTHERED TO WARN THE POPULACE WITH WANTED POSTERS.

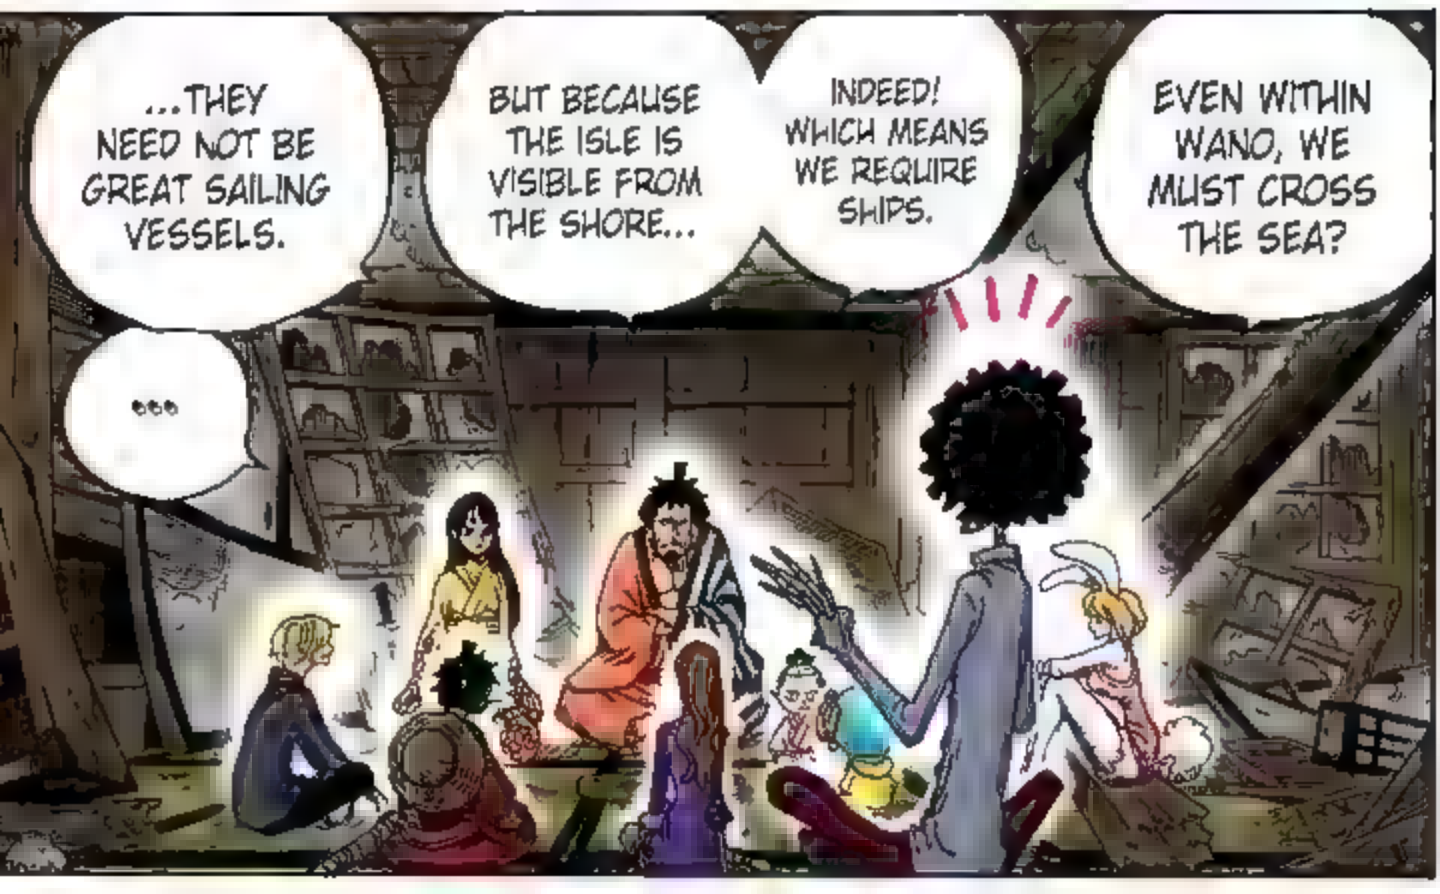
...AND THE VARIOUS SAMURAI WE ARE ROUSING WHO HAVE THE WILL TO FIGHT BACK!!
...THE MINK POWERS OF DOGSTORM'S MUSKETEERS AND CAT VIPER'S GUARDIANS...
ON OUR SIDE WILL BE SIR LUFFY AND HIS STRAW HAT CREW, SIR LAW AND HIS HEART PIRATES...
HOWEVER, WE DO NOT WISH FOR WAR.
OUR IDEAL NUMBER IS 5,000 STRONG!!

WE WILL TRAVEL TO KAIDO'S BASE OF ONIGASHIMA, ISLAND OF OGRES...
THE TIME IS TWO WEEKS HENCE, ON THE NIGHT OF THE FIRE FESTIVAL!!
WE MUST GATHER INFORMATION IN ABSOLUTE SECRECY AND ASSEMBLE A CALCULATED PLAN TO BEHEAD THE ENEMY LEADERSHIP!!
...AND CARRY OUT A RAID!!!
ガバ
ひょっ!!

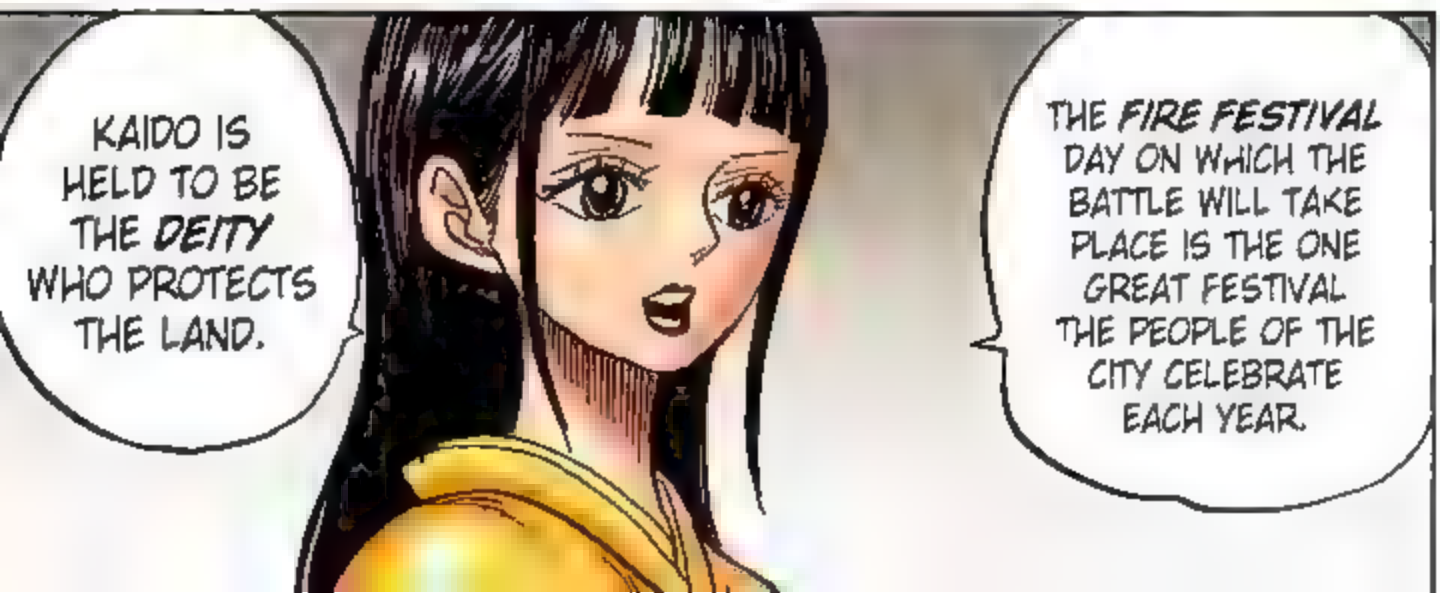
Chapter 921: SHUTENMARU

vol.91

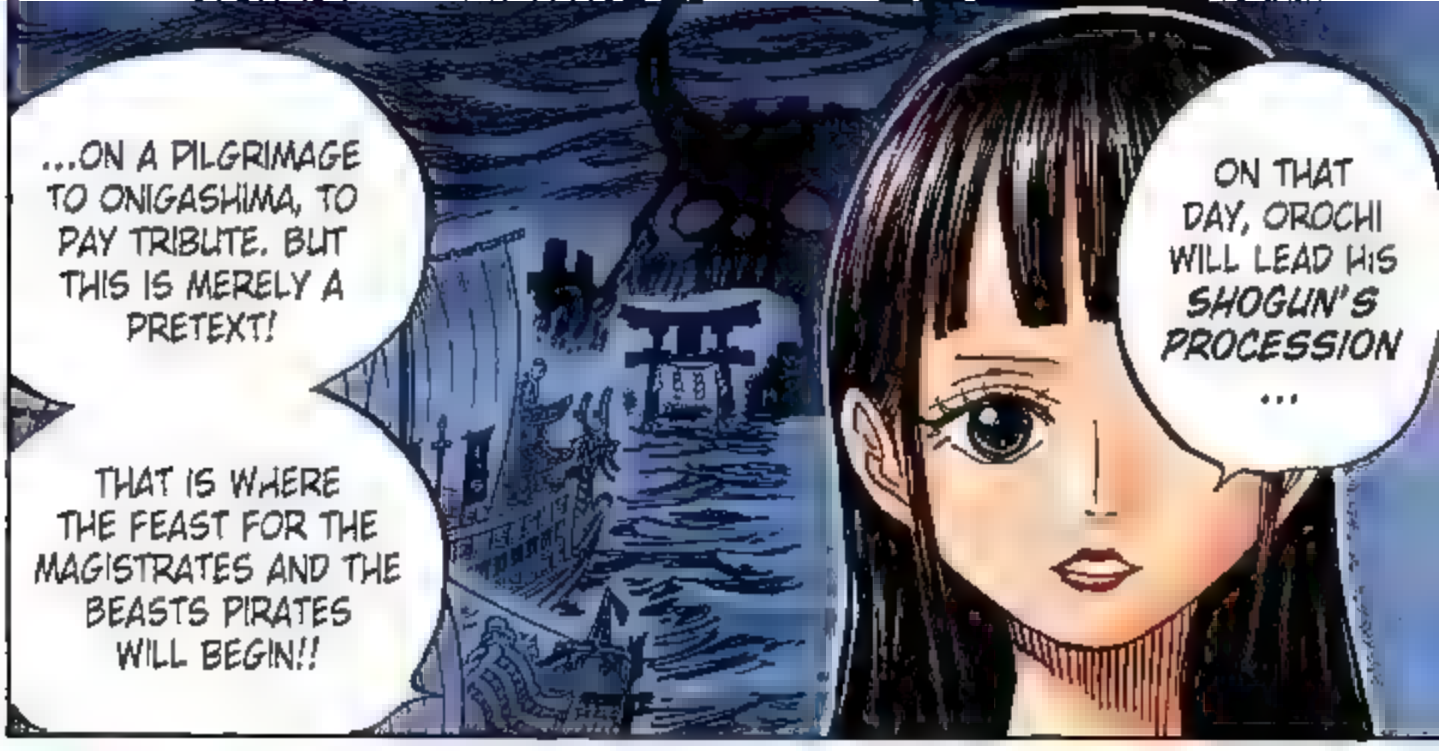
IT'S THE BASE OF OPERATIONS FOR KAIDO AND HIS BEASTS PIRATES.
THE PLACE OF THE FATEFUL BATTLE IS AN ISLAND KNOWN AS ONIGASHIMA.
AN ISLAND!



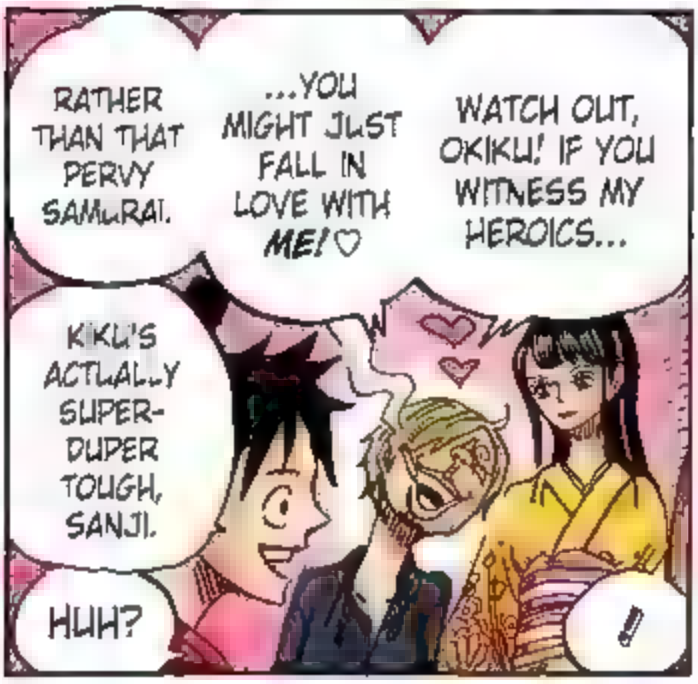
...THEY NEED NOT BE GREAT SAILING VESSELS.
BUT BECAUSE THE ISLE IS VISIBLE FROM THE SHORE...
INDEED! WHICH MEANS WE REQUIRE SHIPS.
EVEN WITHIN WANO, WE MUST CROSS THE SEA?
...



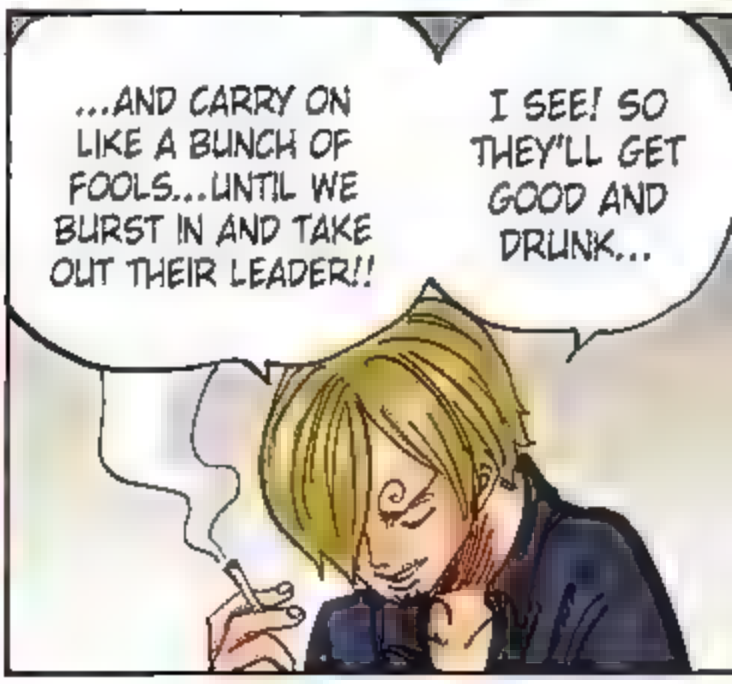
KAIDO IS HELD TO BE THE DEITY WHO PROTECTS THE LAND.
THE FIRE FESTIVAL DAY ON WHICH THE BATTLE WILL TAKE PLACE IS THE ONE GREAT FESTIVAL THE PEOPLE OF THE CITY CELEBRATE EACH YEAR.



...ON A PILGRIMAGE TO ONIGASHIMA, TO PAY TRIBUTE. BUT THIS IS MERELY A PRETEXT!
THAT IS WHERE THE FEAST FOR THE MAGISTRATES AND THE BEASTS PIRATES WILL BEGIN!!
ON THAT DAY, OROCHI WILL LEAD HIS SHOGUN'S PROCESSION ...



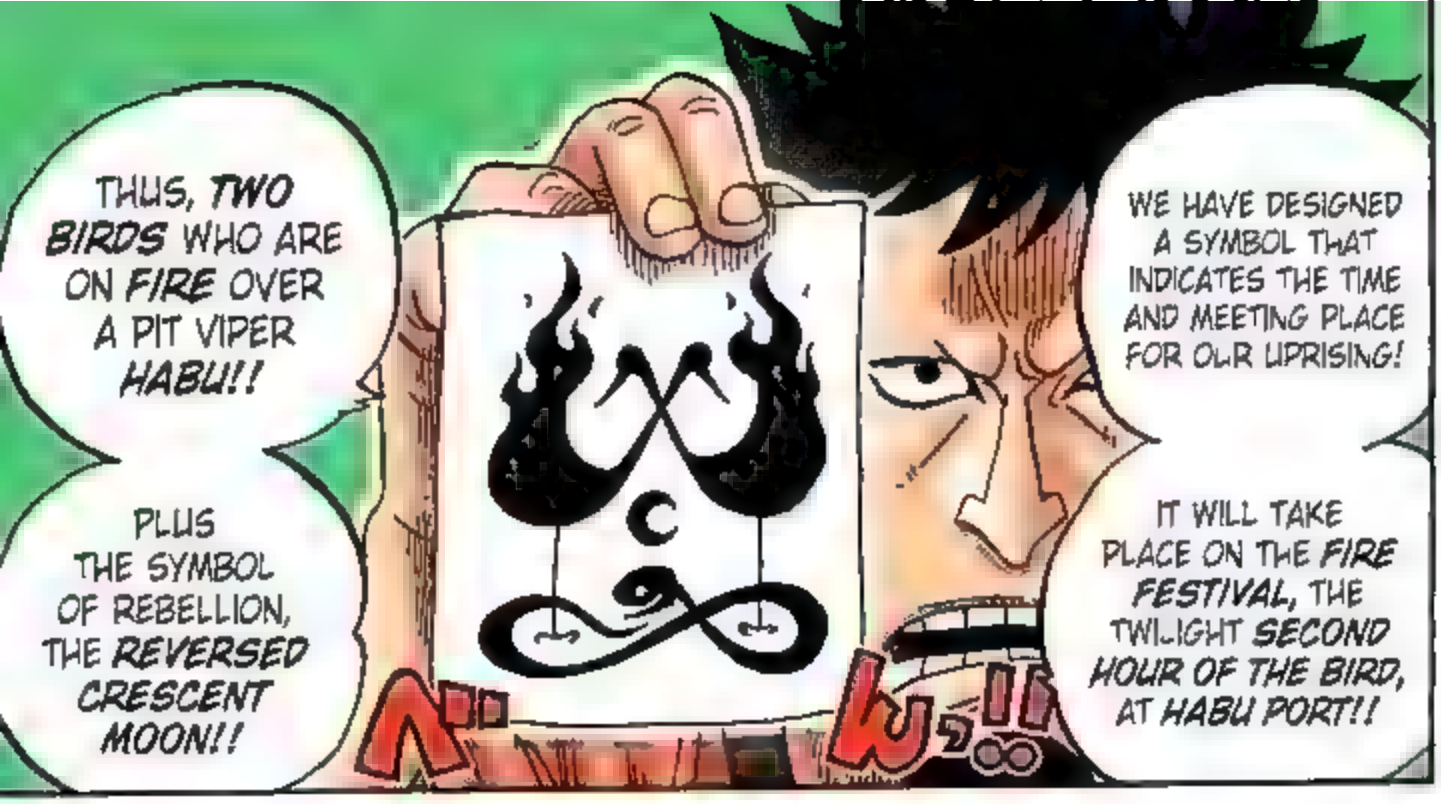
RATHER THAN THAT PERVY SAMURAI.
...YOU MIGHT JUST FALL IN LOVE WITH ME!♡
WATCH OUT, OKIKU! IF YOU WITNESS MY HEROICS...
KIKU'S ACTUALLY SUPER-DUPER TOUGH, SANJI.
HUH?
!



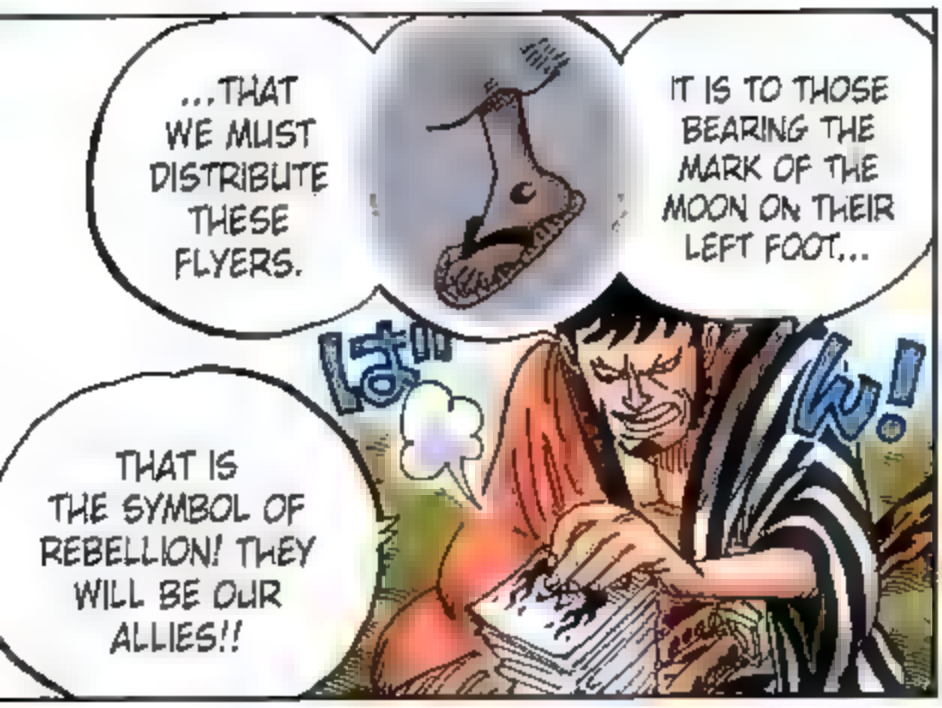
...AND CARRY ON LIKE A BUNCH OF FOOLS...UNTIL WE BURST IN AND TAKE OUT THEIR LEADER!!
I SEE! SO THEY'LL GET GOOD AND DRUNK...

I SEE... WELL, IT IS GOOD TO KNOW SHE IS FINE. BUT...I CANNOT SEE HER YET...
YES♡ SHE DIDN'T RECOGNIZE THIS ONE
YOU SAW HER?!
YOU CAN'T HAVE ALL THE LADIES-- YOU'RE MARRIED!! IT'S NOT FAIR!!
SHUT UP.

KIKU IS NOTHING BUT A COMRADE OF MINE...
I AM A HAPPILY MARRIED MAN!
NOW, NOW, SIR SANJI! DO NOT BE MISTAKEN!
OTSURU IS DOING WELL, BY THE WAY.



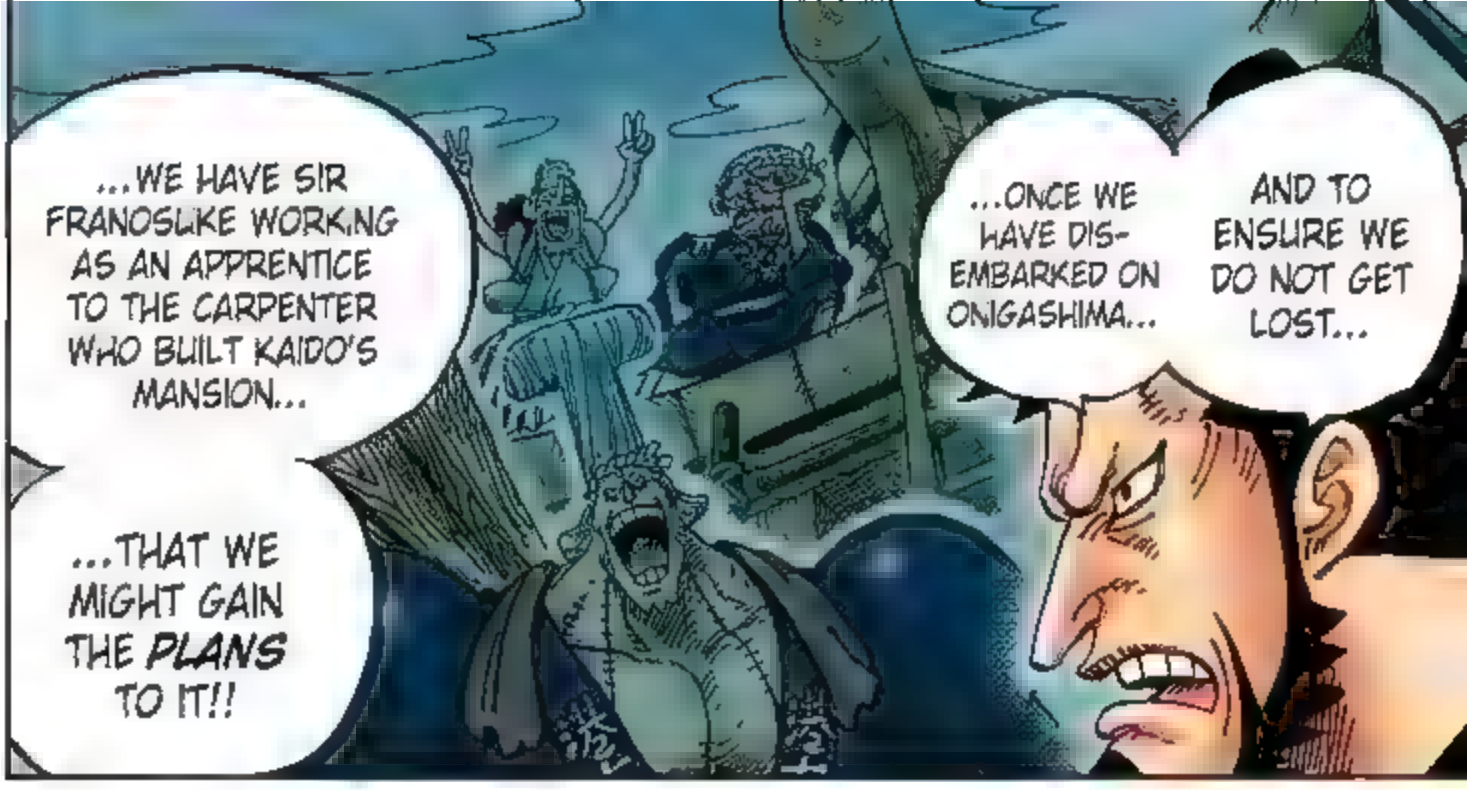
THUS, TWO BIRDS WHO ARE ON FIRE OVER A PIT VIPER HABU!!
PLUS THE SYMBOL OF REBELLION, THE REVERSED CRESCENT MOON!!
WE HAVE DESIGNED A SYMBOL THAT INDICATES THE TIME AND MEETING PLACE FOR OUR UPRISING!
IT WILL TAKE PLACE ON THE FIRE FESTIVAL, THE TWILIGHT SECOND HOUR OF THE BIRD, AT HABU PORT!!



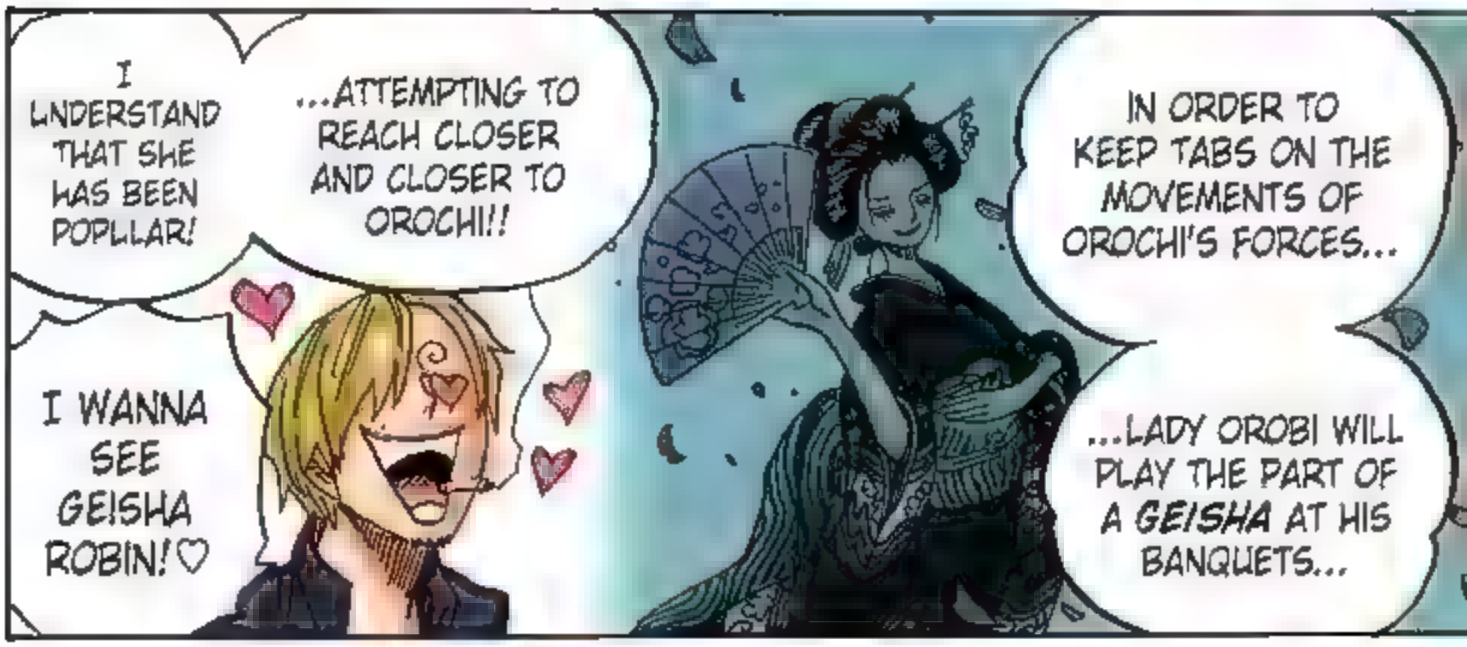
...THAT WE MUST DISTRIBUTE THESE FLYERS.
IT IS TO THOSE BEARING THE MARK OF THE MOON ON THEIR LEFT FOOT...
THAT IS THE SYMBOL OF REBELLION! THEY WILL BE OUR ALLIES!!

DO NOT WORRY. THE PEOPLE OF WANO WILL UNDERSTAND IT.
MM?
...WOULD REFER TO THE PERIOD FROM 5:30 TO 6:00 ON YOUR FOREIGN CLOCKS, BY THE WAY.
THE SECOND HOUR OF THE BIRD...

SIR ZOROJURO AND SIR USOHACHI ARE ENGAGED IN THIS MISSION IN THE CAPITAL.
...TO MAXIMIZE OUR REACH!!
...BUT OUR COMRADES ARE SPREAD ABOUT THE LAND...
I DO NOT KNOW WHERE THEY MIGHT BE FOUND THROUGHOUT WANO...
OH, I BET ZORO'S NOT HELPING WITH THAT AT ALL.



...WE HAVE SIR FRANOSUKE WORKING AS AN APPRENTICE TO THE CARPENTER WHO BUILT KAIDO'S MANSION...
...THAT WE MIGHT GAIN THE *PLANS* TO IT!!
...ONCE WE HAVE DIS-EMBARKED ON ONIGASHIMA...
AND TO ENSURE WE DO NOT GET LOST...



I UNDERSTAND THAT SHE HAS BEEN POPULAR!
...ATTEMPTING TO REACH CLOSER AND CLOSER TO OROCHI!!
I WANNA SEE GEISHA ROBIN!♡
IN ORDER TO KEEP TABS ON THE MOVEMENTS OF OROCHI'S FORCES...
...LADY OROBI WILL PLAY THE PART OF A *GEISHA* AT HIS BANQUETS...

SIR SANJI'S COOKING WILL ATTRACT ATTENTION AND HELP US IN OUR QUEST TO FIND OTHERS!
ドキ

KUNOICHI NAMI!♡

LADY NAMI'S WEATHER CONTROL IS PRACTICALLY NINJUTSU! SHE WILL BE A *KUNOICHI!*

EIICHIRO ODA

"Forty-eight browns and 100 grays!!"
This is a figurative saying that indicates there are a multitude of shades of brown and gray in Japan. In the old days, the common people were instructed not to wear flashy colors, and so they developed a wealth of plain colors to use instead. I bet they wish they could have worn all kinds of rainbow hues though. Well, the Wano Arc is going to be wild and flashy! Can't wait to see this animated too!!
Let volume 92 beginneth!!!

-Eiichiro Oda, 2019

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

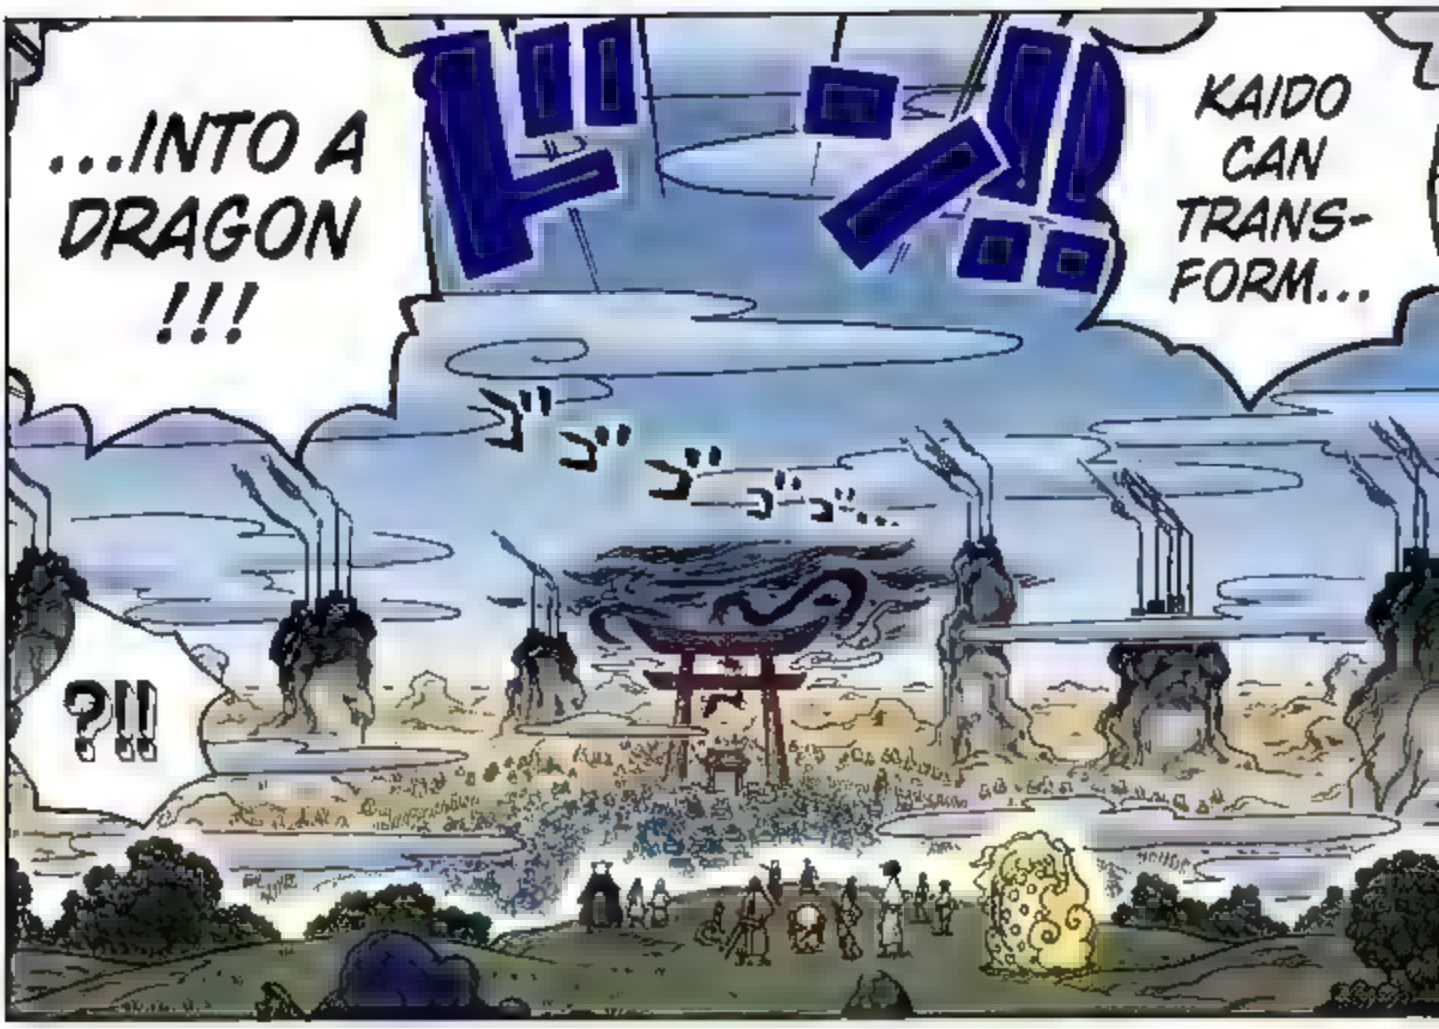
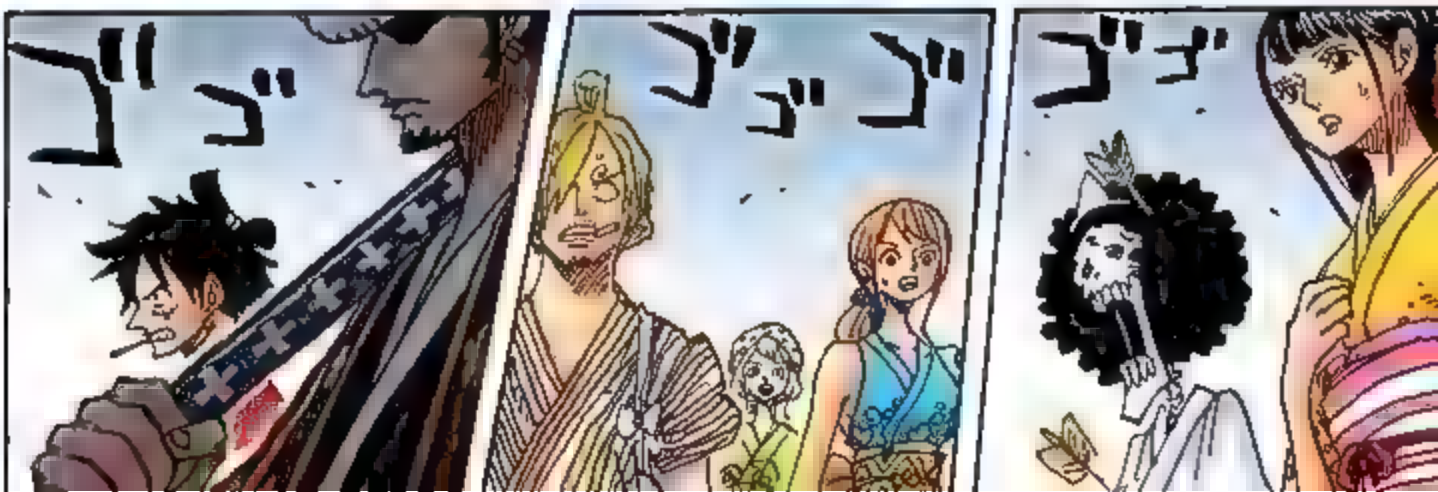
Chapter 922:
SUPREME COMMANDER KAIDO OF THE BEASTS PIRATES

REQUEST: "KOALA TEACHING KUNG-FU DUGONGS THE WAYS OF FISH-MAN KARATE" BY MEHH FROM SAKU

YES. THAT CREATURE THERE IS KAIDO...
IS THAT REALLY ...?!
WHAT IS THAT THING?!!
SO KAIDO'S A DRAGON?!
...!!

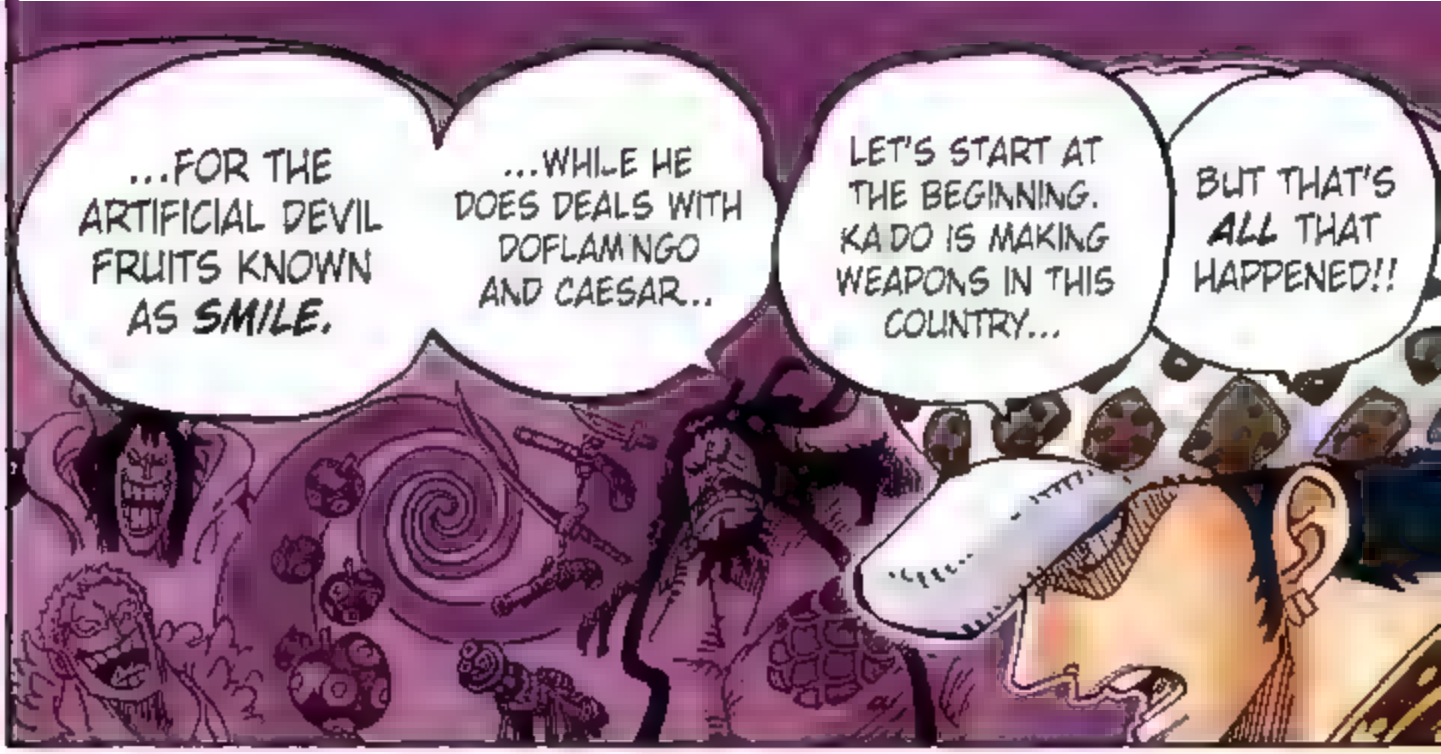


...INTO A DRAGON !!!
KAIDO CAN TRANS-FORM...
?!!

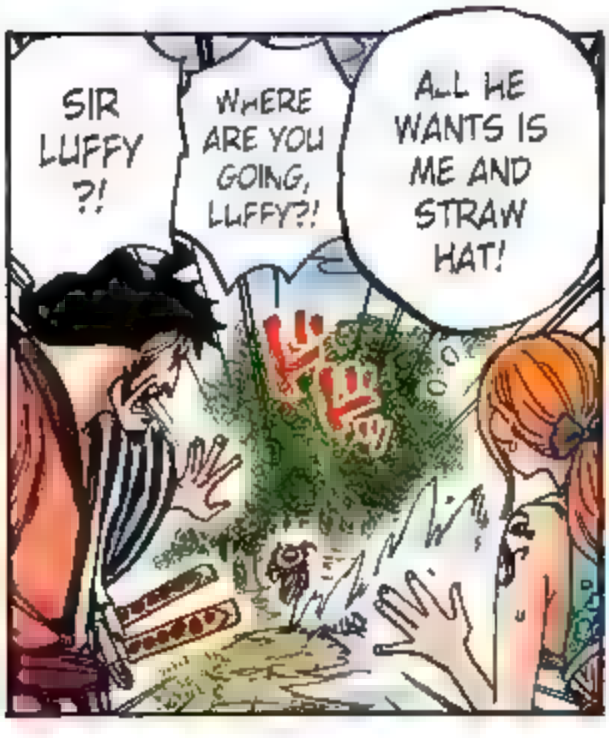


ゴゴ
ゴゴゴ
ゴゴ

THAT... LITTLE DRAGON?!
WHAT?! LORD MOMONOSUKE ?!
LORD MOMONO-SUKE!!
OHHH ...!
THAT LOOKS LIKE IT'S OVER OKOBORE TOWN!!
OF ALL THINGS, TO TAKE THE FORM OF A HATEFUL DRAGON!!
BUT YES, HE HAS FALLEN INTO THIS DREADFUL STATE!!
I SHALL EXPLAIN IT LATER!!
IF THERE'S ANYONE WHO DOESN'T HAVE THE RIGHT TO CRITICIZE ME, IT'S THE STRAW HAT PIRATES!!!
!!!
WHATEVER IT IS, WE'RE SORRY.
OH... IT MUST BE LUFFY'S FAULT.
AS A MATTER OF FACT, STRAW HAT, ZORO AND I ALL BLEW OUR COVER THERE...
OH! SORRY, KIN'EMON.
YOU WHAT ?!!
WHAT KIND OF SHODDY OPERATION ARE YOU RUNNING, LAW?!
WHY WOULD KAIDO APPEAR IN KURI WITHOUT WARNING?!

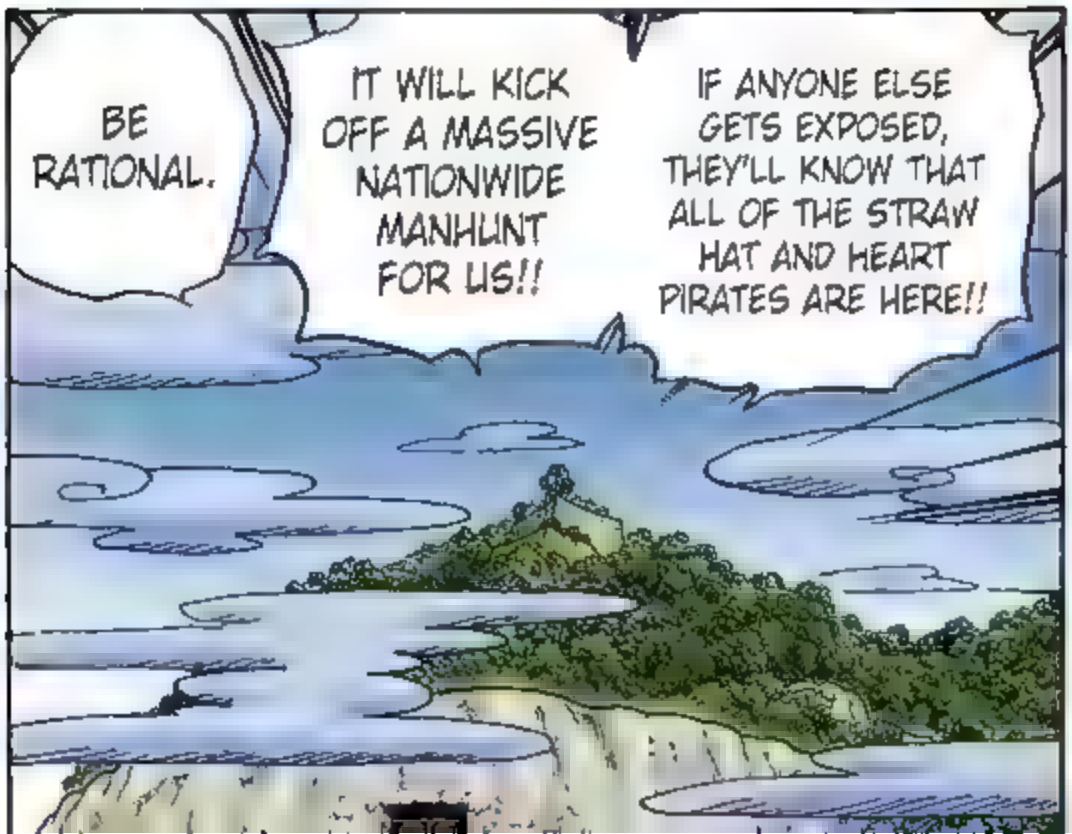


...FOR THE ARTIFICIAL DEVIL FRUITS KNOWN AS SMILE.
...WHILE HE DOES DEALS WITH DOFLAMINGO AND CAESAR..
LET'S START AT THE BEGINNING. KAIDO IS MAKING WEAPONS IN THIS COUNTRY...
BUT THAT'S ALL THAT HAPPENED!!



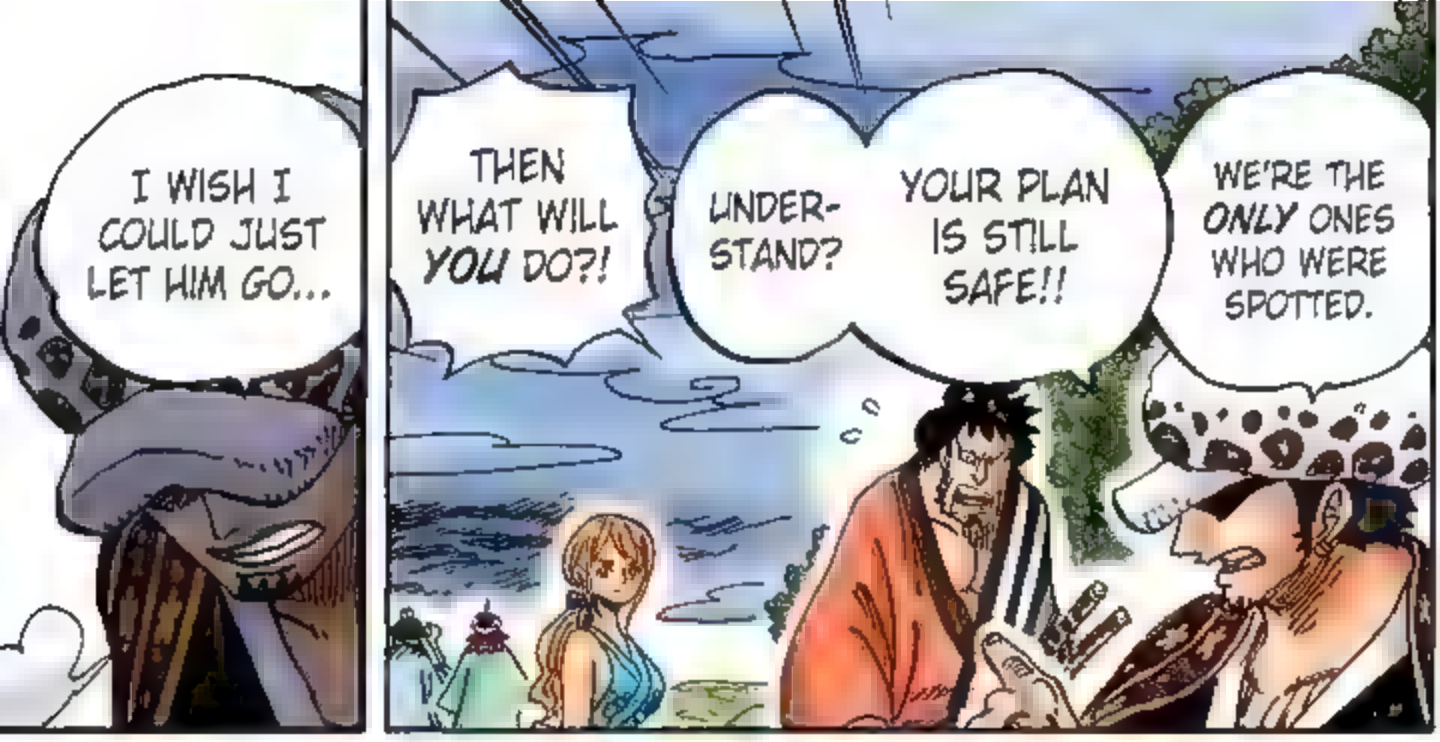
SIR LUFFY ?!
WHERE ARE YOU GOING, LUFFY?!
ALL HE WANTS IS ME AND STRAW HAT!

...AND SENT HIS TRADING PARTNER DOFLAMINGO TO PRISON.
WE DESTROYED THE FACTORIES THAT DID THE HEAVY LIFTING ON PUNK HAZARD AND DRESSROSA...
IN OTHER WORDS, WE'RE THE ONES WHO PICKED A FIGHT WITH HIM.



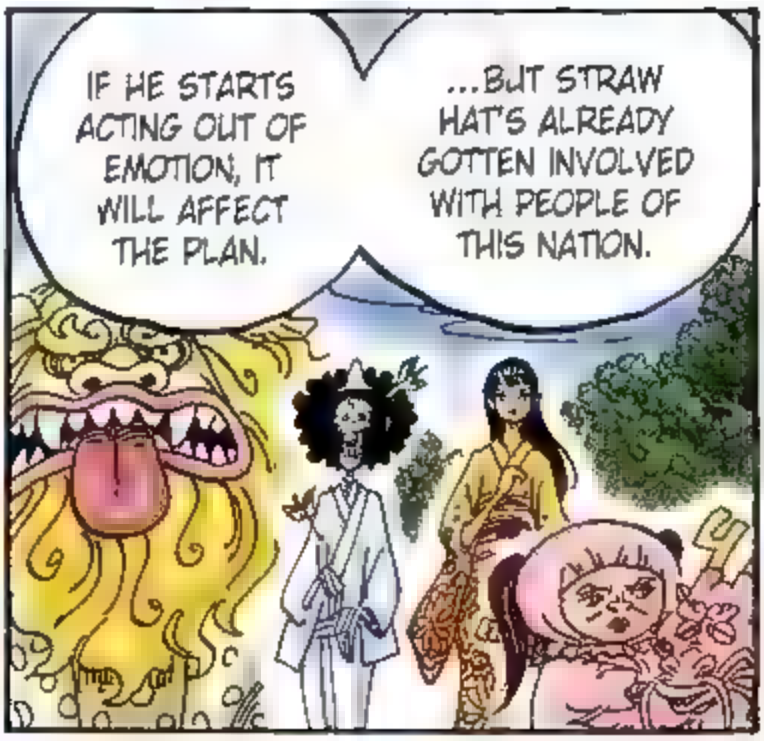
BE RATIONAL.
IT WILL KICK OFF A MASSIVE NATIONWIDE MANHUNT FOR US!!
IF ANYONE ELSE GETS EXPOSED, THEY'LL KNOW THAT ALL OF THE STRAW HAT AND HEART PIRATES ARE HERE!!

DON'T CHASE HIM!! I'LL GO!!!
?!



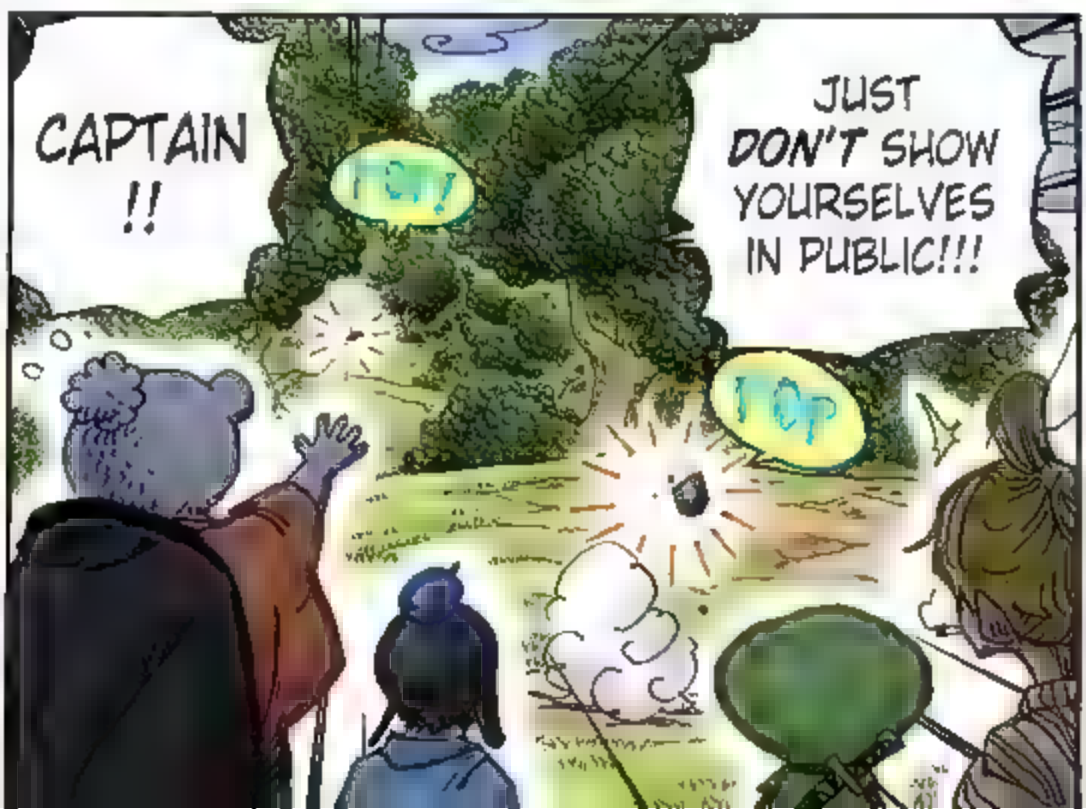
I WISH I COULD JUST LET HIM GO...
THEN WHAT WILL YOU DO?!
UNDER-STAND?
YOUR PLAN IS STILL SAFE!!
WE'RE THE ONLY ONES WHO WERE SPOTTED.

THERE'S NO POINT TO THE ALLIANCE IF WE DON'T HAVE EVERYONE IN THE SAME PLACE WHEN THE BIG BATTLE HAPPENS.
SO I'LL FIGURE OUT A WAY TO HANDLE THIS.



IF HE STARTS ACTING OUT OF EMOTION, IT WILL AFFECT THE PLAN.
...BUT STRAW HAT'S ALREADY GOTTEN INVOLVED WITH PEOPLE OF THIS NATION.

APART FOR MERE HOURS, AND WHAT DOES HE GO OFF AND DO?!
GEEZ, LUFFY!



CAPTAIN !!
JUST DON'T SHOW YOURSELVES IN PUBLIC!!!

OTSURU, YOU SHOULD CLEAR OUTTA HERE!!

I KNOW...

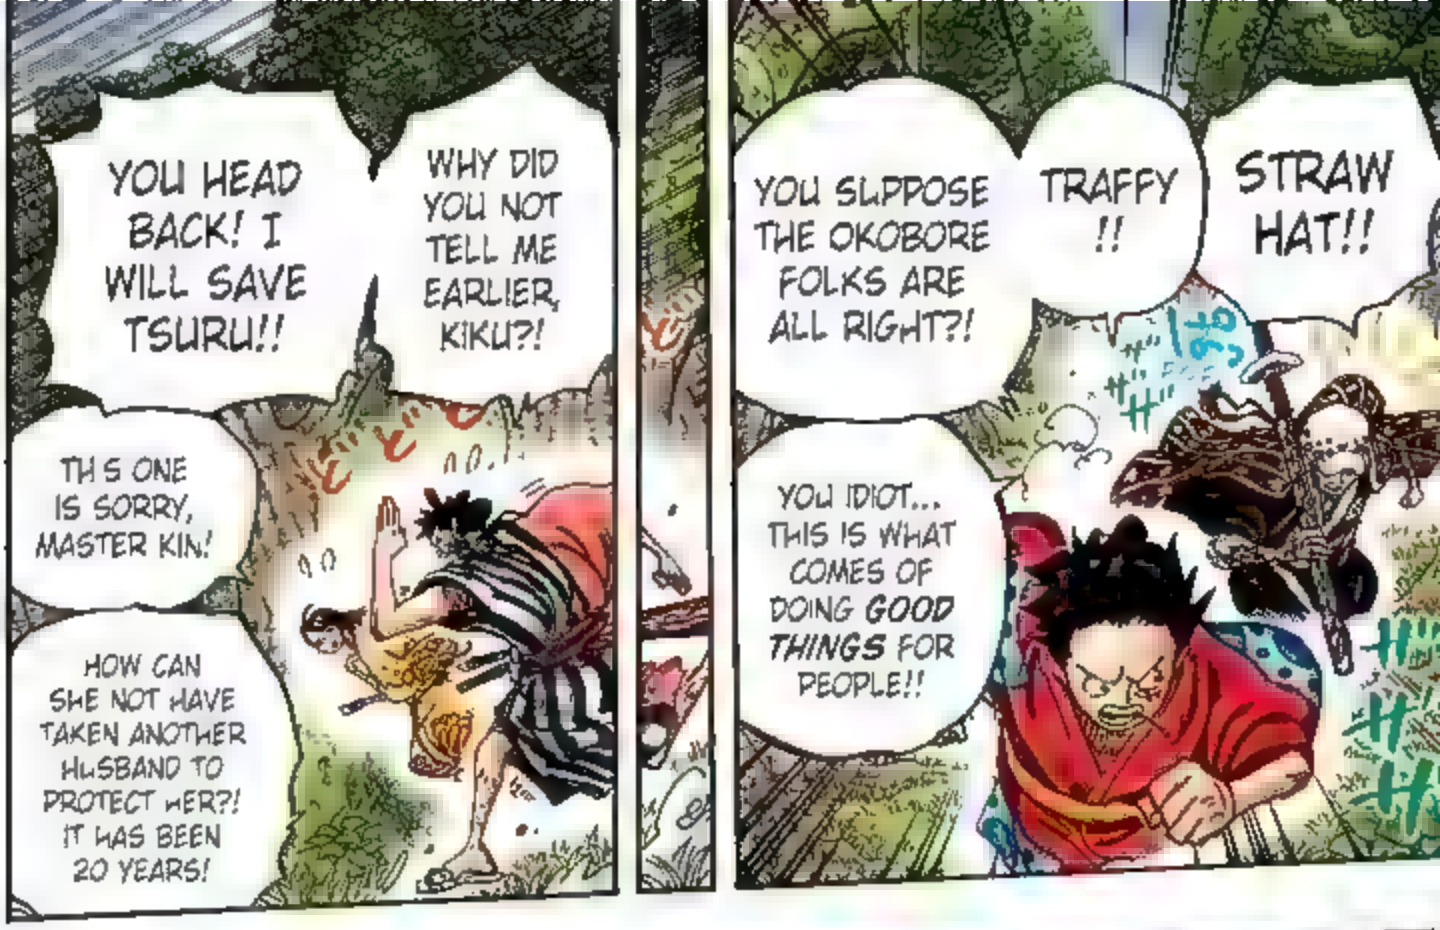
IT'S STILL SO FAR OFF!!
...HE COULD OBLITERATE ALL OF KURI!!
BUT THE FACTORIES RUN ON THE LABOR OF THE CITIZENS OF OKOBORE!!
IT'S ONE THING TO MAKE AN EXAMPLE OF THEM... BUT IF HE THRASHES ABOUT IN A DRUNKEN STUPOR...



YOU HEAD BACK! I WILL SAVE TSURU!!
WHY DID YOU NOT TELL ME EARLIER, KIKU?!
TH S ONE IS SORRY, MASTER KIN!
HOW CAN SHE NOT HAVE TAKEN ANOTHER HUSBAND TO PROTECT HER?! IT HAS BEEN 20 YEARS!
YOU SUPPOSE THE OKOBORE FOLKS ARE ALL RIGHT?!

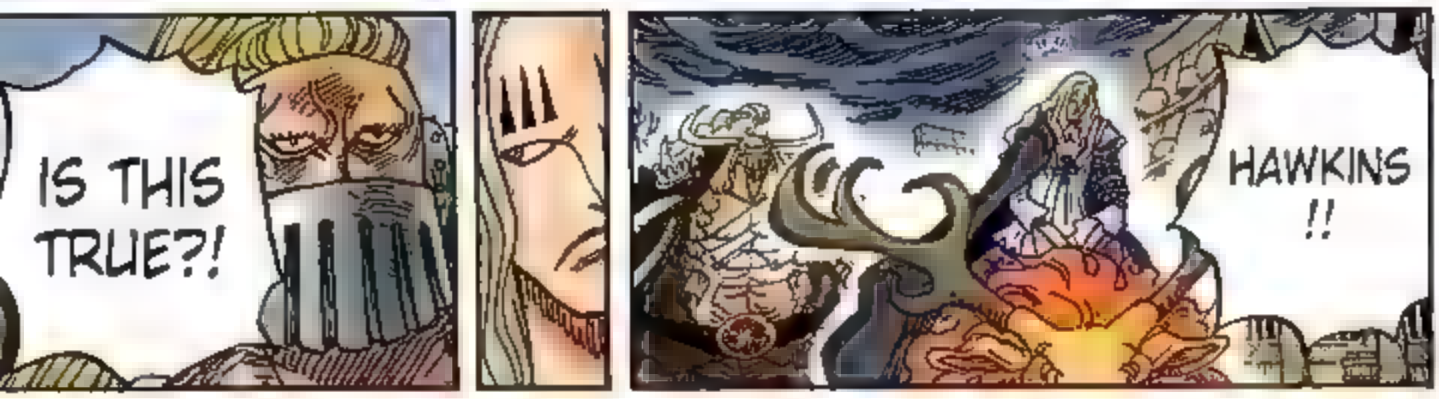
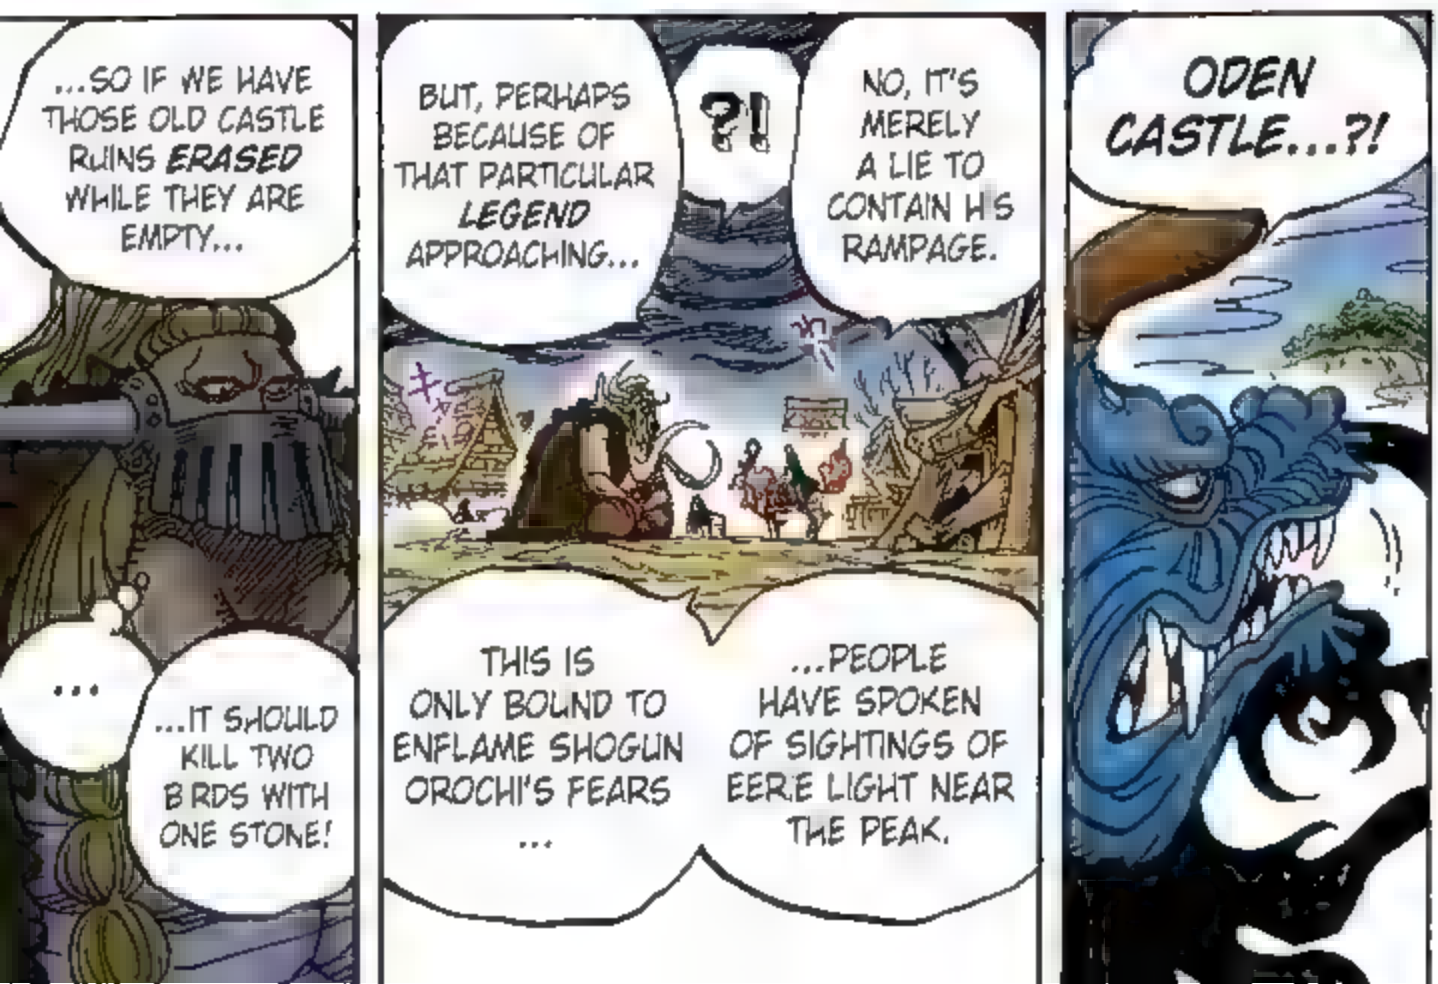
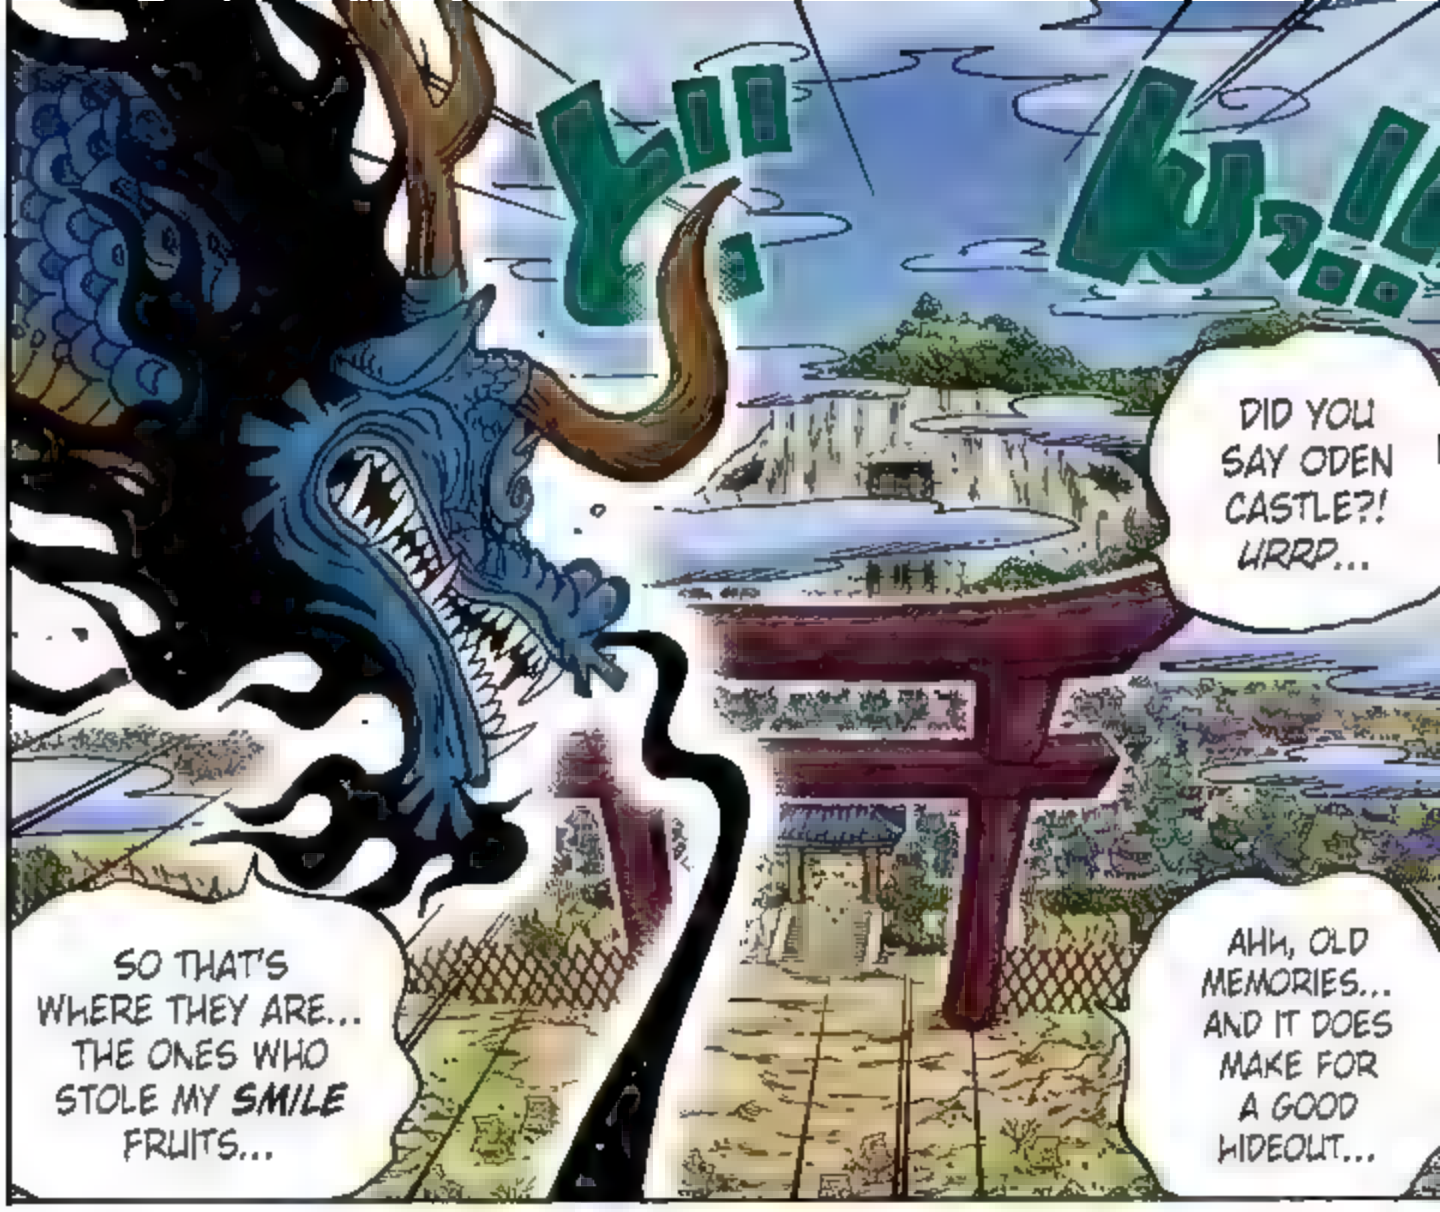
THEY ARE IN HIDING AT THE RUINS...



IS THIS TRUE?!
HAWKINS !!



...SO IF WE HAVE THOSE OLD CASTLE RUINS ERASED WHILE THEY ARE EMPTY...
...
...IT SHOULD KILL TWO BIRDS WITH ONE STONE!
BUT, PERHAPS BECAUSE OF THAT PARTICULAR LEGEND APPROACHING...
?!
NO, IT'S MERELY A LIE TO CONTAIN HIS RAMPAGE.
THIS IS ONLY BOUND TO ENFLAME SHOGUN OROCHI'S FEARS ...
...PEOPLE HAVE SPOKEN OF SIGHTINGS OF EERIE LIGHT NEAR THE PEAK.
ODEN CASTLE...?!



DID YOU SAY ODEN CASTLE?! URRP...

SBS Question Corner

(420 Land, Hong Kong)

A: Ooh, the radio show's starting!

Q: "...with a listener request from a young man by the name of Eiichiro Oda! And the name of the song is Start the SBS...Ssz...szt...zzktzkz... Beeeeep!!"

--Michi Nakahara

A: They started my segment over the radio!!!

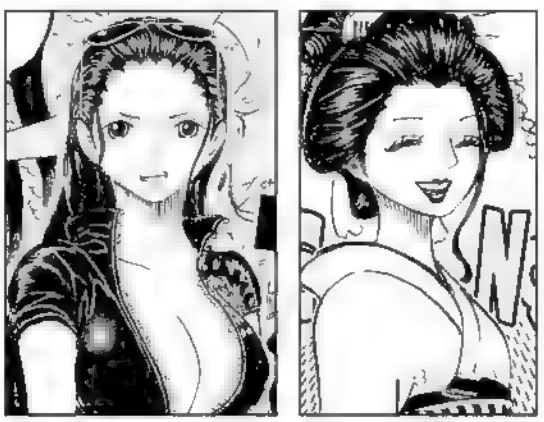
Q: My question is, why do you use all those "beng" and "be-beng" sound effects in Wano?

--Be-be-beng

A: It's different, right? Before I would only write "doom" or "BOOM" or "da-doom." In my mind, it's the sound of a stringed instrument called the Biwa. But in the art, the character is playing a shamisen, which is a Bit lighter-sounding I'm hoping that in the anime, they'll find a way to Blend the sounds a Bit. I'm looking at you, Toei!!

Q: Normally, the women you draw have rather large breasts, but when the women of Wano are in kimonos, it's not noticeable at all, right? Are you saying Japanese women don't need to have a large chest??

--Chi-chan



A: As a matter of fact, I didn't know much about the kimono in the past, and drew a woman wearing one with the chest accentuated, like I usually do, and I got a letter from a reader who was a professional when it comes to kimonos. They taught me that the Beauty of the kimono's form is in smoothing out the curves to form a graceful silhouette, even for people with large chests. Of course, people are free to wear them how they like, But since I learned how to appreciate the ideal Beauty of the kimono, I've Been drawing them without accentuating the chest! Trust me, she's still got it underneath!!

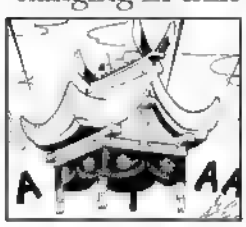
SBS Question Corner

(Nonko, Saitama)

Q: Question for you, Sir Odacchi!! The buildings in Wano are rounded and warped and very full of character, but I must ask… Is that little roof over the sumo ring just… hanging in thin air?!?



--Buchonosuke

A: That's right. It's floating. Er, it's flying. It's a kite. When you see sumo events held indoors, they hang this tsuriyane roof over the ring from the ceiling above, but since the sumo in Bakura Town is outside, they fly it instead. It looks heavy, but it's actually very light. The part about it being a kite is kind of complicated, so just think of it as a kind of balloon!

Q: Odacchi!! I noticed something. In chapter 916, volume 91, when Luffy beats Yokozuna Urashima, one of the banners there reads "Mougan Ono-zeki." (Fierce Rock Axe Sumo). Or should that be "Axe-Hand Morgan," like the character from chapter 4?! Is it possible that former Captain Morgan will appear in Wano?! Am I right about that?!

--Takashi

A: Wow, nice job! Yeah, that probably refers to Morgan. "Probably?!" you ask? That's because my assistant staff draws the backgrounds, so that would be a case of my staff challenging the readers. Since this is Wano, an analogue for old-time Japan, there needs to be Japanese writing on the signs and such in the background, and it would be too much for me to give directions on every single little thing, so I tell them that if they need ideas for background text, to hide words and Easter eggs relating to One Piece in the background. There are others in that panel for Jango, Hyozo, and Marineford. I bet there's more in other panels too!!

A: Well everyone, I've got another announcement. At the New Year's party for *Weekly Shonen Jump*, it was revealed that I have another Usopp Gallery fan-art comrade! As of March 2019, the *Jump* series known as *neO;lation*, drawn by Mizuki Yoda, told me, "Oh, I was in the Usopp Gallery section." I was like, "Really?!"

← Here it is! From Yodacchi of Tokyo in volume 65.

And this is the series! ➡
Another professional has graduated from the section! At this point, the Usopp Gallery Pirates are like a rite of passage to going pro! Well, isn't that just grand?!

It's a manga about a genius hacker kid. Check it out! And good luck!

Q: In the Zou arc, Momonosuke claimed to have met Roger, so I started wondering if he was somehow an adult who'd been turned back into a child, and was abusing his perceived age to snuggle with Nami and Robin. Since it's been revealed that he's an actual eight-year-old who traveled through time, does that mean he's just a pervy little kid?

--Takumiso

A: Think about when you were eight years old. Yeah, you were a perv. All boys are pervs!!

Q: I have a healthy question for you! I think I've finally figured out why all the men want to be Nami's followers. It's because she has two big millet dumplings, right?

--Sanadacchi

A: Get lost, Sanada.

Q: Is the boss carpenter who appears in Wano in chapter 909 the same "Minatomo" the carpenter who was mentioned way back in the SBS segment of volume 7?

--Yacchi

A: That's right!! You're talking about Minatomo the carpenter, who was first introduced when the door to the bar in Windmill Village was fixed again after being broken, and everybody wondered, "Who fixed it?!" And now he's in the closed nation of Wano in the New World! Isn't that weird?! That's because they're not the same person! But their family name is the same, and they are related. It would seem that decades ago, a ship from Wano reached the distant stretches of the East Blue. And among the descendants of the people on that ship is a very familiar character to all of you... But I might cover this in the manga, so I won't say any more. It's not part of the main plot, just a little side story.

--Hiromichi "Captain" Kick (age 57)

A: I got a question from a 57-year-old! That's right! There's an old movie called *Kogarashi Monjiro* originally based on a novel, and the character always has a toothpick in his mouth! Sometimes he even spits it like a blowing dart. He's really cool. But don't try that at home, it's dangerous! Oh, and speaking of period-piece references, "Napping Kyoshiro" is also from a novel series called "Sleeping Kyoshiro."

(Michi Nakahara, Tottori)

Q: Odacchi, I have a request! If any of your readers write to say, "Please draw Nami and Robin in the future," do **not not not not not** oblige them! Please!!!

--420 Land

A: Uh... This is a bit, right? You want me to do it? Well...

There, I've drawn Nami! I'll do Robin later if someone asks for her.

Q: Question for Oda Sensei!! I noticed that Sanji's beard lost one of its little prongs when the Wano arc started. Was that an intentional act to distance himself from Judge?

--Yubara

-Eiichiro Oda, 2019

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

After two years of hard training, the Straw Hat pirates are back together first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!!

Luffy and crew defeat Doflamingo, then get through a scuffle with Big Mom, an Emperor of the Sea, on their way to Wano for the purpose of taking down Kaido. The lead party of Robin, Usopp and Franky have been undertaking clandestine work to prepare for the coming battle. Then Kaido shows up in the form of a great dragon and attacks the crew. A furious Luffy attacks him but loses and gets sent to an excavation labor camp. The rest of the group focuses on recruiting allies for the big battle and freeing Luffy from prison. Meanwhile, Robin gets invited to Orochi's palace with Komurasaki the Oiran. She engages in some intelligence gathering until she's spotted by Orochi's followers and trouble ensues!!

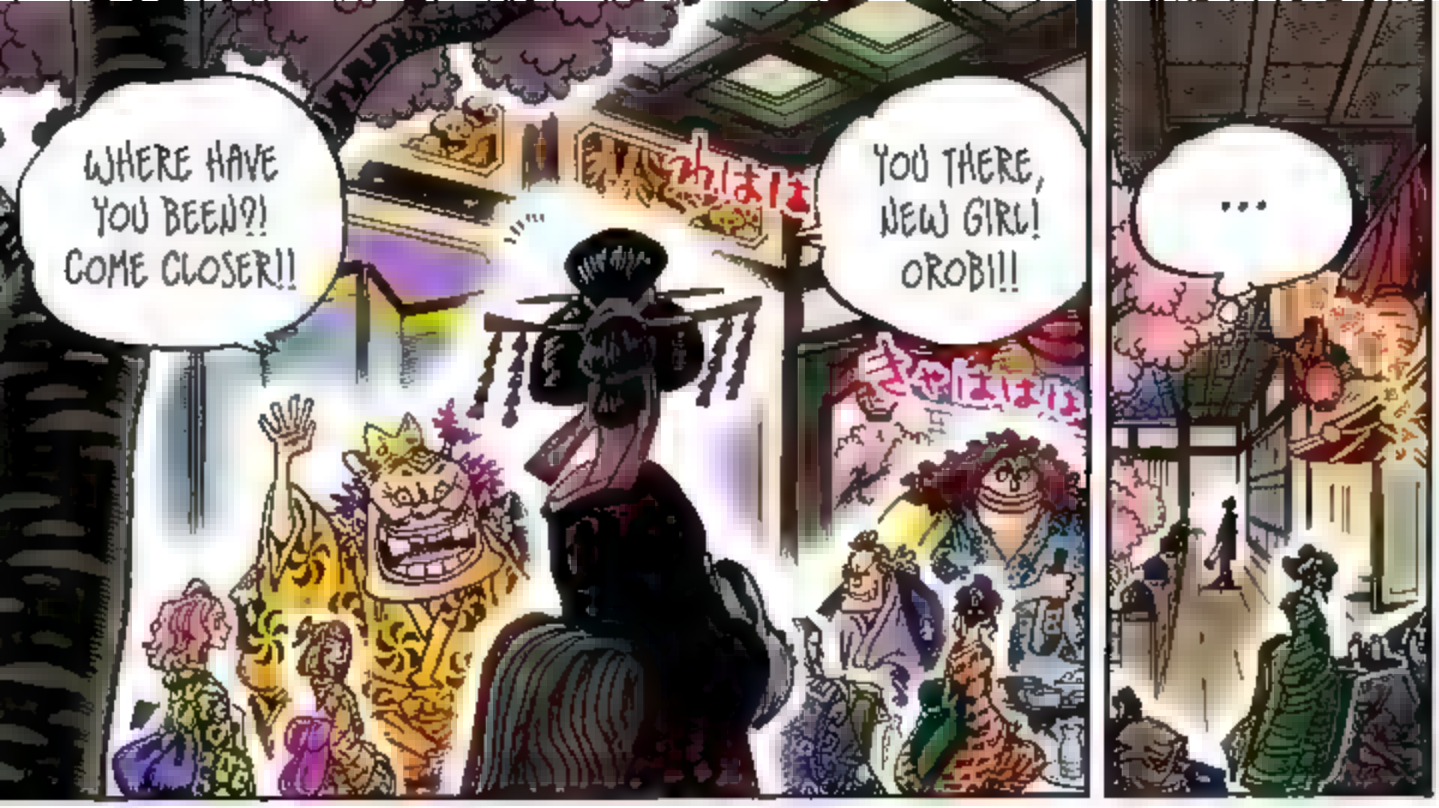
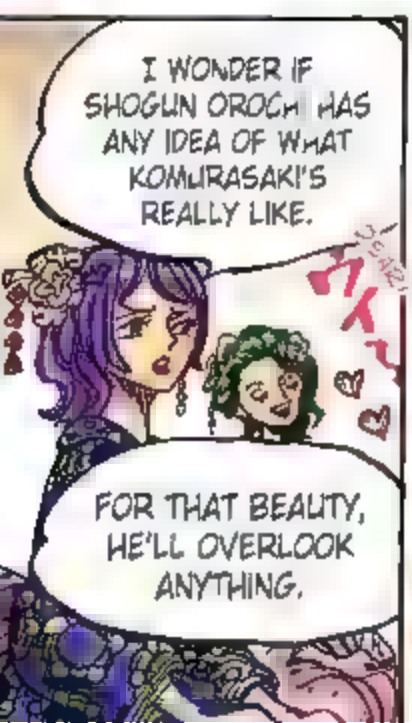
AND JUST WHEN I FINALLY GOT A JOB THAT ISN'T GATHERING FOOD FOR ONCE!!



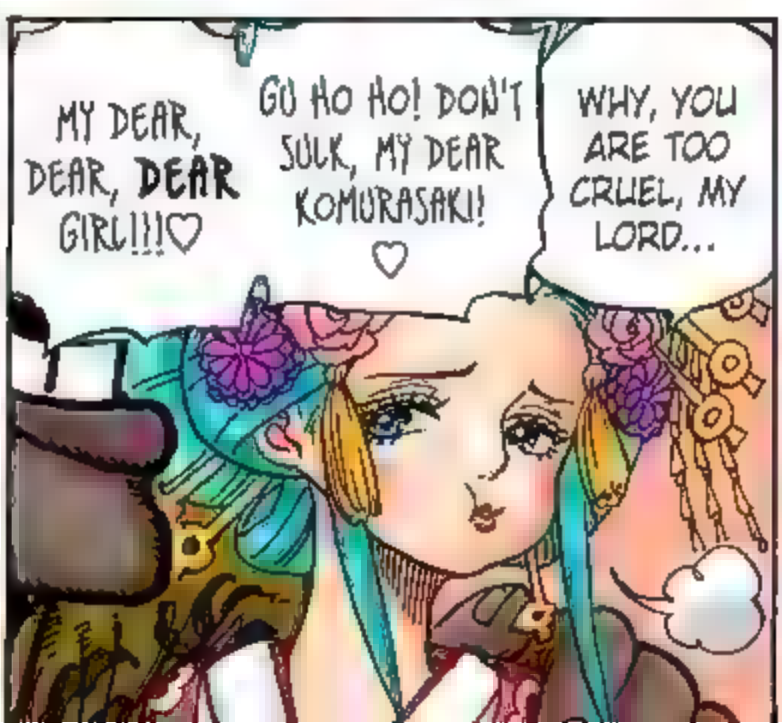
WHERE HAVE YOU BEEN?! COME CLOSER!!
YOU THERE, NEW GIRL! OROBI!!
...

GUHOHOHO! ARE YOU, TOO, AFTER THE LOFTY SEAT OF BEING MY OFFICIAL WIFE?
WELL, AREN'T YOU SWEET?! I LIKE THIS VERY MUCH!!
I HAVE SO MANY THINGS I WISH TO SPEAK WITH YOU ABOUT.
FORGIVE ME FOR NOT BEING HERE SOONER, MY LORD...♡
GUHWA HA HA HA!!

"THE BEST PLACE FOR A LEAF TO HIDE IS IN THE FOREST." THERE'S NO ESCAPING NOW.
I STILL HAVE WORK TO DO!!



I WONDER IF SHOGUN OROCHI HAS ANY IDEA OF WHAT KOMURASAKI'S REALLY LIKE.
FOR THAT BEAUTY, HE'LL OVERLOOK ANYTHING.



MY DEAR, DEAR, DEAR GIRL!!!♡
GU HO HO! DON'T SULK, MY DEAR KOMURASAKI! ♡
WHY, YOU ARE TOO CRUEL, MY LORD...

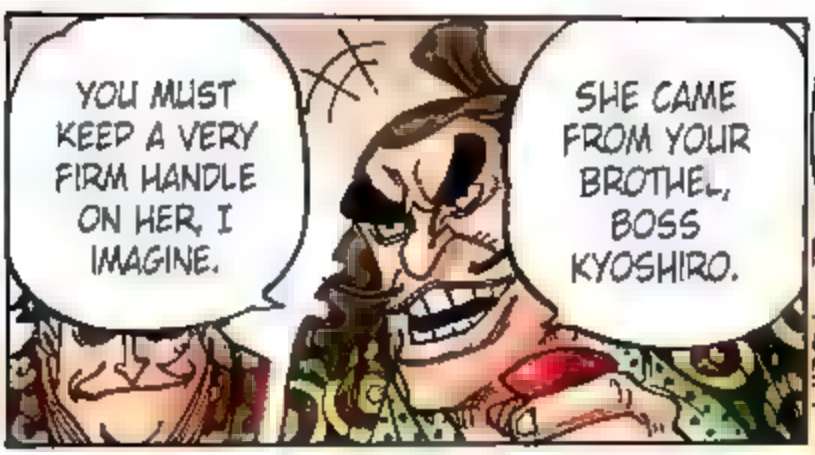
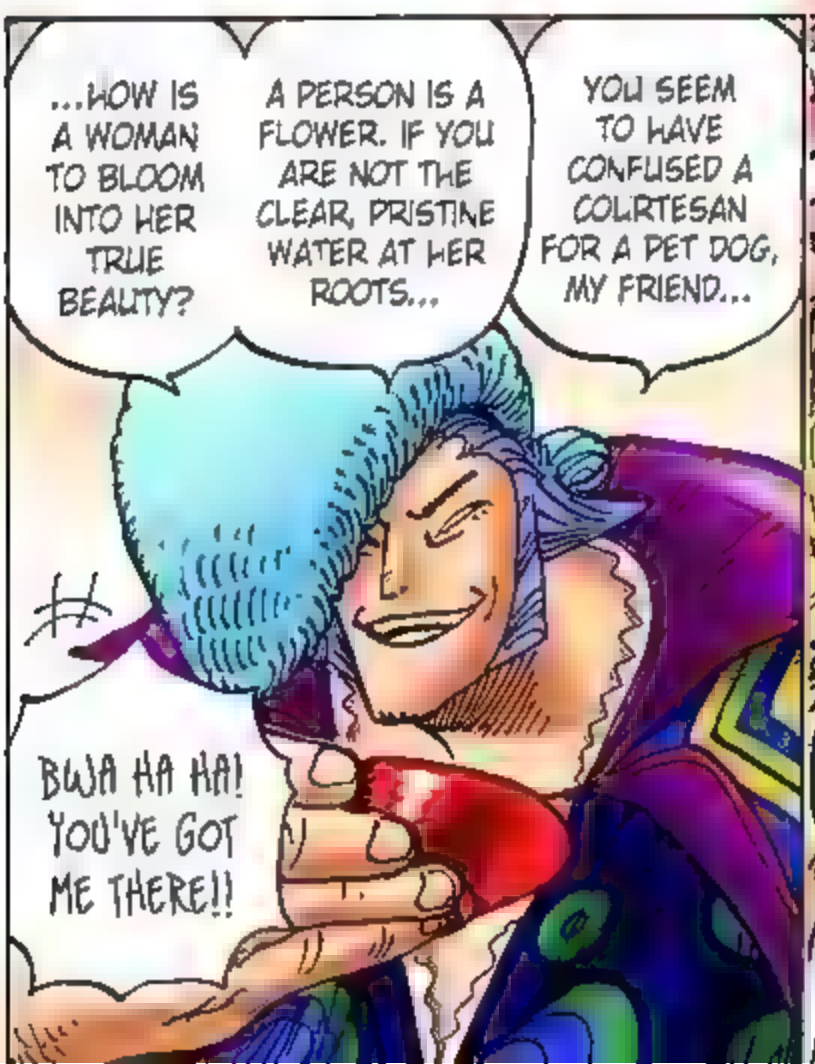
ZWIP
HMM? IS SOMETHING THE MATTER, OROBI?
!
SWISH...

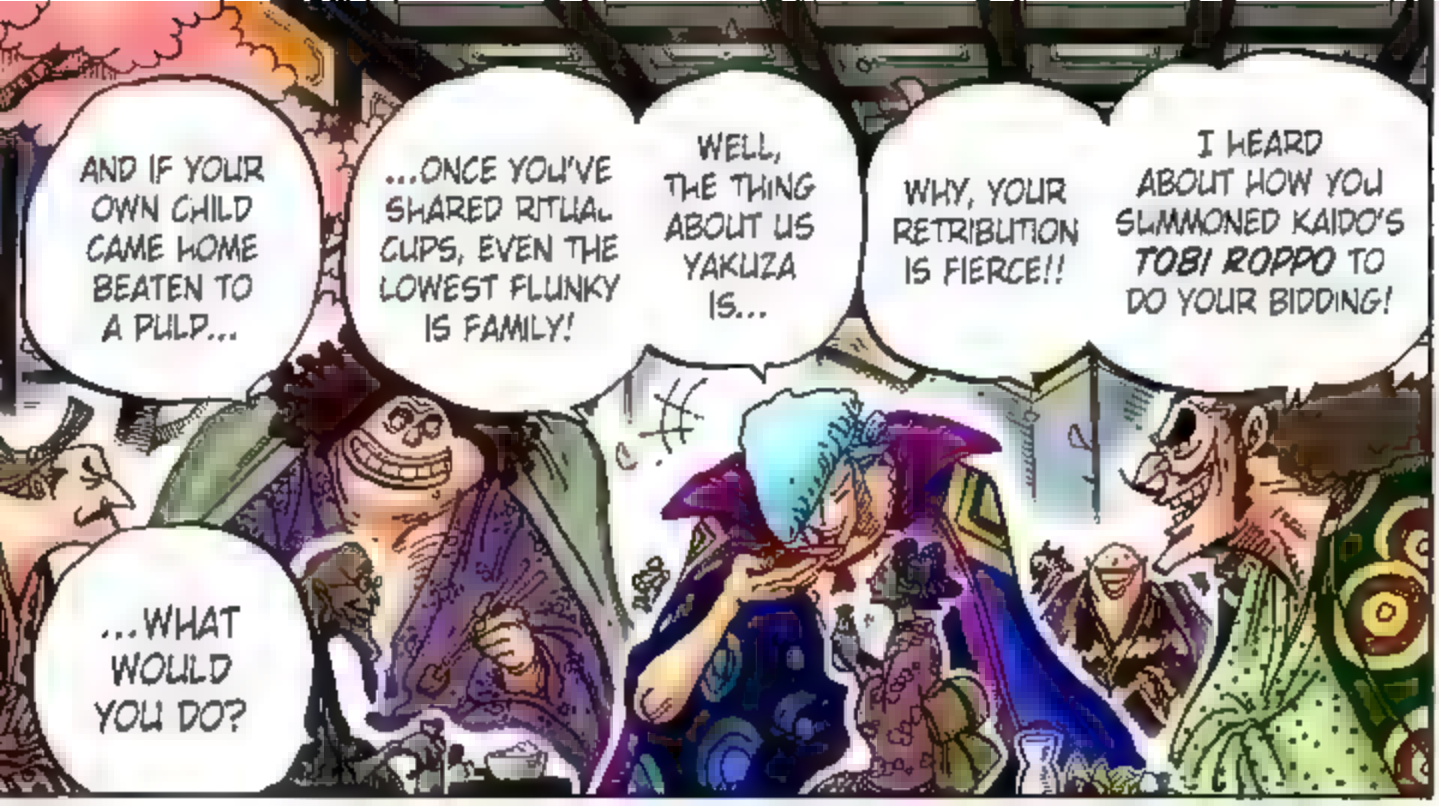


YOU MUST KEEP A VERY FIRM HANDLE ON HER, I IMAGINE.
SHE CAME FROM YOUR BROTHEL, BOSS KYOSHIRO.

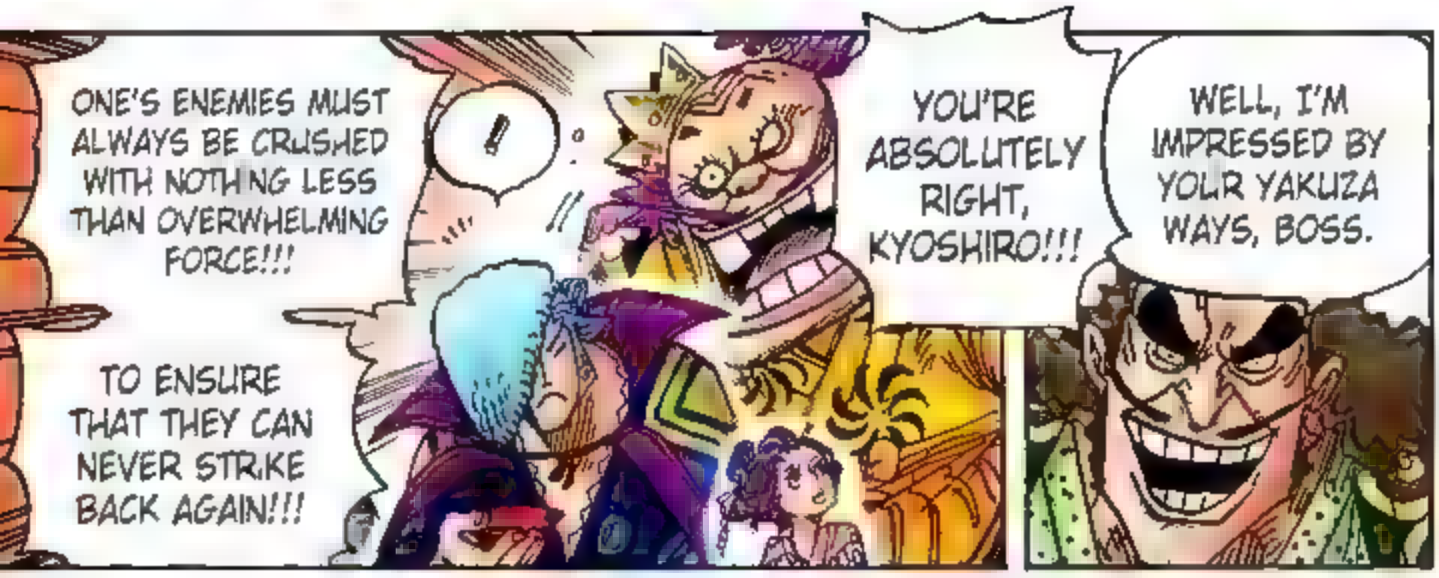


...HOW IS A WOMAN TO BLOOM INTO HER TRUE BEAUTY?
A PERSON IS A FLOWER. IF YOU ARE NOT THE CLEAR, PRISTINE WATER AT HER ROOTS...
YOU SEEM TO HAVE CONFUSED A COURTESAN FOR A PET DOG, MY FRIEND...
BWA HA HA! YOU'VE GOT ME THERE!!

...THAT LADY KOMURA-SAKI!♡
AH, WHAT A BEAUTY SHE IS...
GA HA HA! DON'T WORRY, SHE'S NOT INTERESTED IN YOU!!
I WILL NOT HIDE MY JEALOUSY, BUT I ALSO ADMIT THAT HER SECRET NATURE HAS ME TERRIFIED.



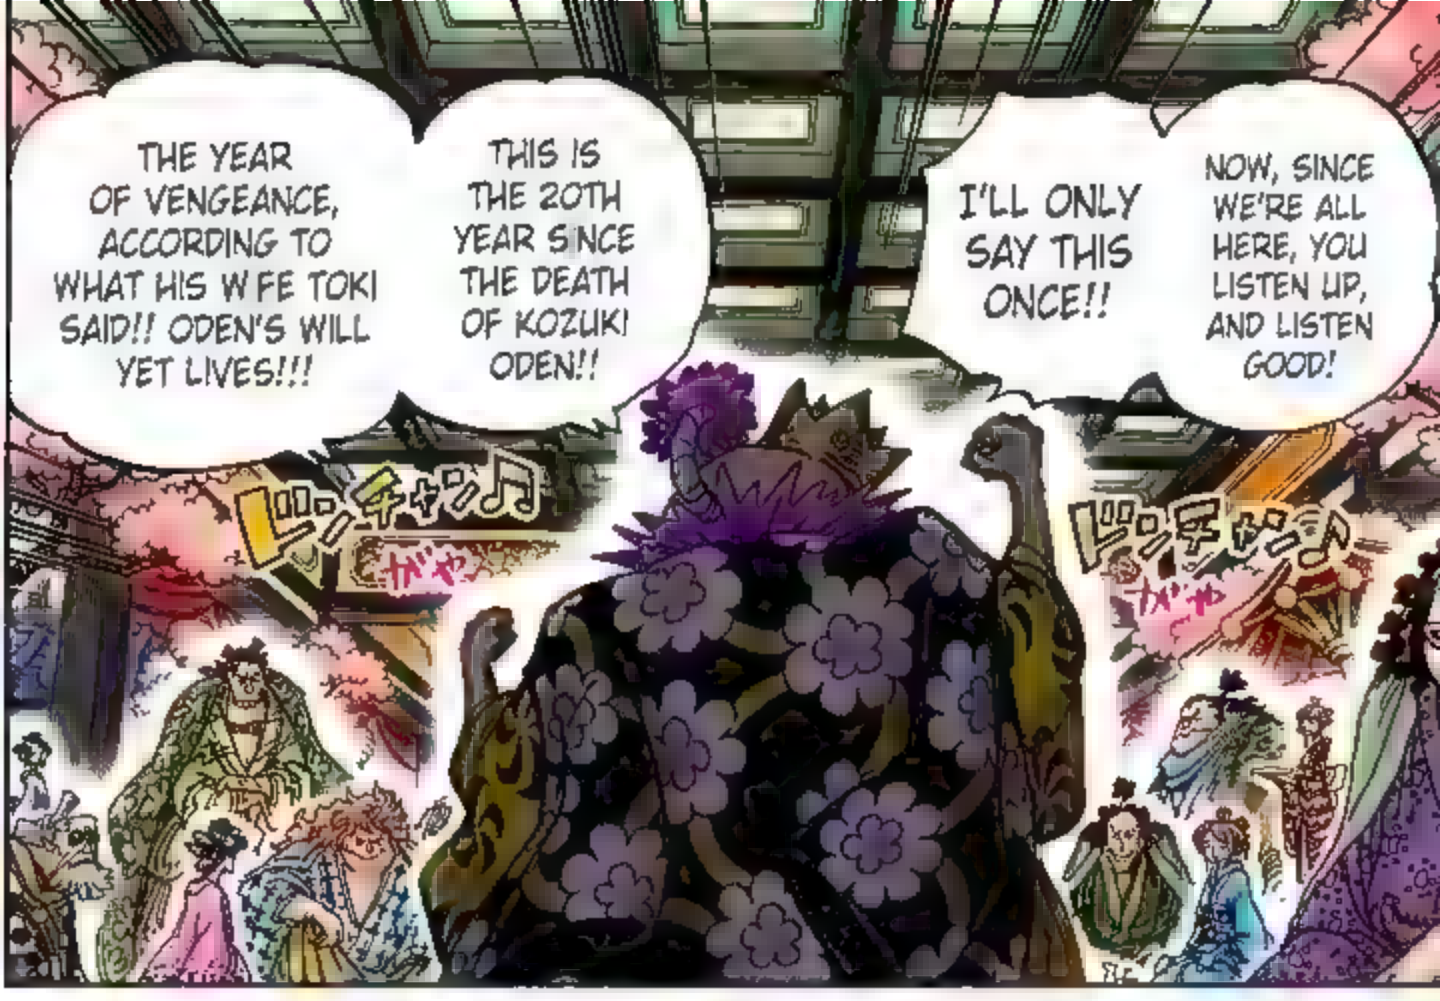
AND IF YOUR OWN CHILD CAME HOME BEATEN TO A PULP...
...WHAT WOULD YOU DO?
...ONCE YOU'VE SHARED RITUAL CUPS, EVEN THE LOWEST FLUNKY IS FAMILY!
WELL, THE THING ABOUT US YAKUZA IS...
WHY, YOUR RETRIBUTION IS FIERCE!!
I HEARD ABOUT HOW YOU SUMMONED KAIDO'S TOBI ROPPO TO DO YOUR BIDDING!



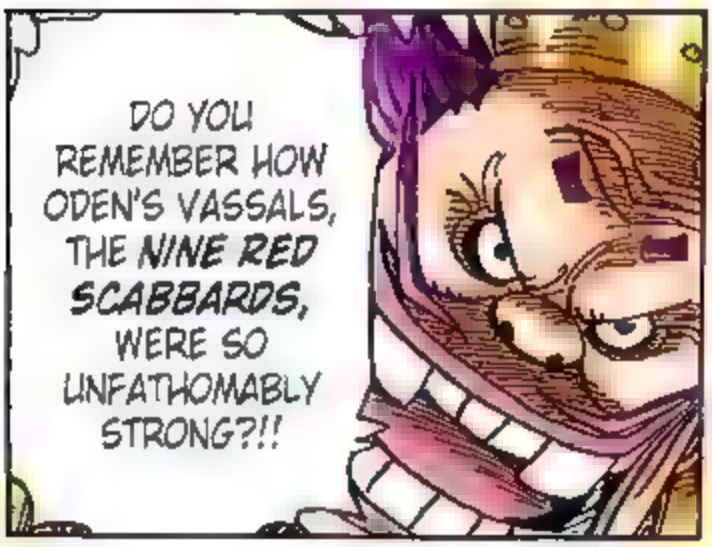
ONE'S ENEMIES MUST ALWAYS BE CRUSHED WITH NOTHING LESS THAN OVERWHELMING FORCE!!!
TO ENSURE THAT THEY CAN NEVER STRIKE BACK AGAIN!!!
!
YOU'RE ABSOLUTELY RIGHT, KYOSHIRO!!!
WELL, I'M IMPRESSED BY YOUR YAKUZA WAYS, BOSS.

NO ONE IN THE CAPITAL WOULD DARE ATTACK THE KYOSHIRO FAMILY.
THEY MIGHT BE LOWLY FLUNKIES, BUT THIS IS NO TRIFLING MATTER..
IT MEANS THAT WE HAVE OUTSIDERS IN OUR FAIR CITY!!

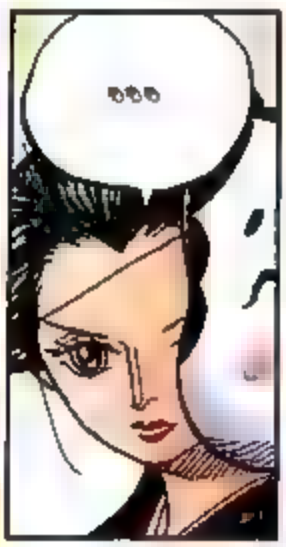
!
EVEN IF THEY MIGHT BE... GHOSTS!!!



THE YEAR OF VENGEANCE, ACCORDING TO WHAT HIS WIFE TOKI SAID!! ODEN'S WILL YET LIVES!!!
THIS IS THE 20TH YEAR SINCE THE DEATH OF KOZUKI ODEN!!
I'LL ONLY SAY THIS ONCE!!
NOW, SINCE WE'RE ALL HERE, YOU LISTEN UP, AND LISTEN GOOD!

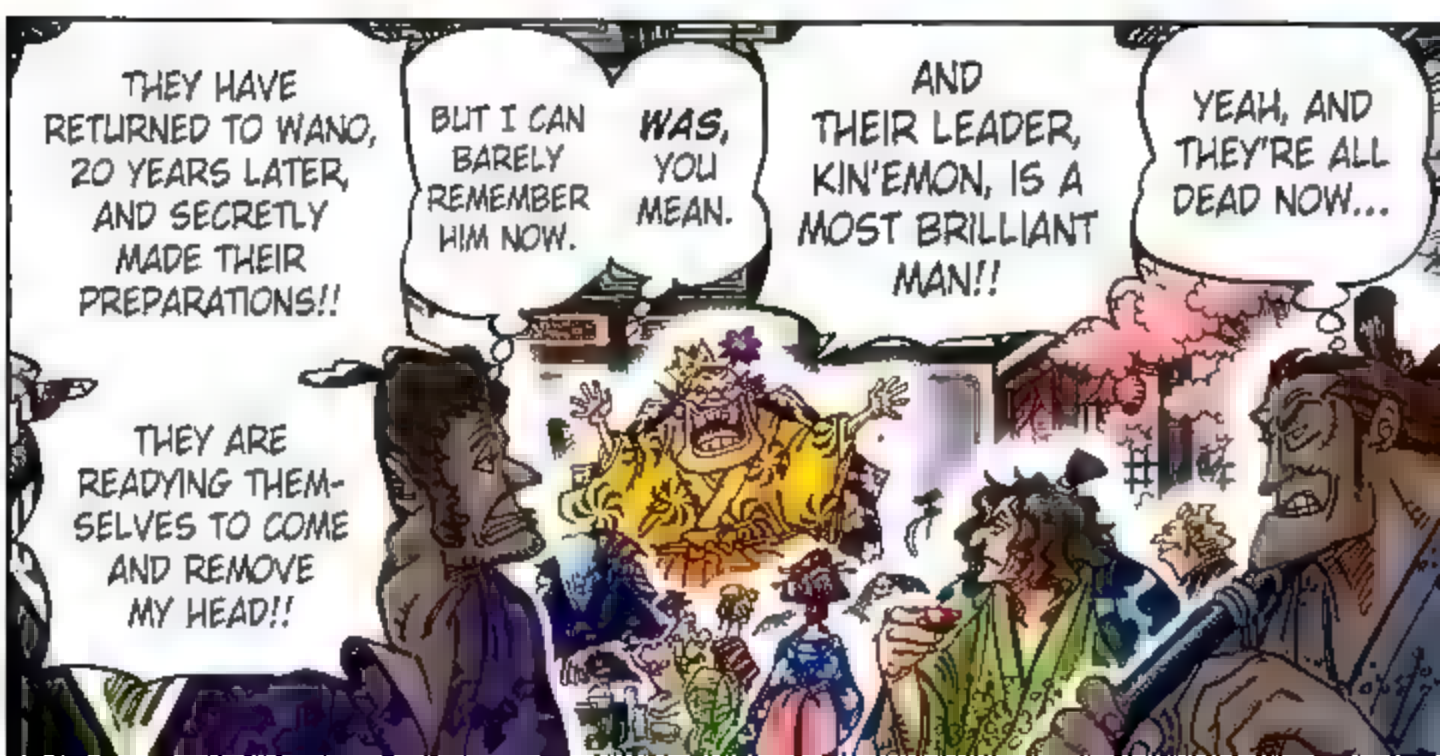


DO YOU REMEMBER HOW ODEN'S VASSALS, THE NINE RED SCABBARDS, WERE SO UNFATHOMABLY STRONG?!!

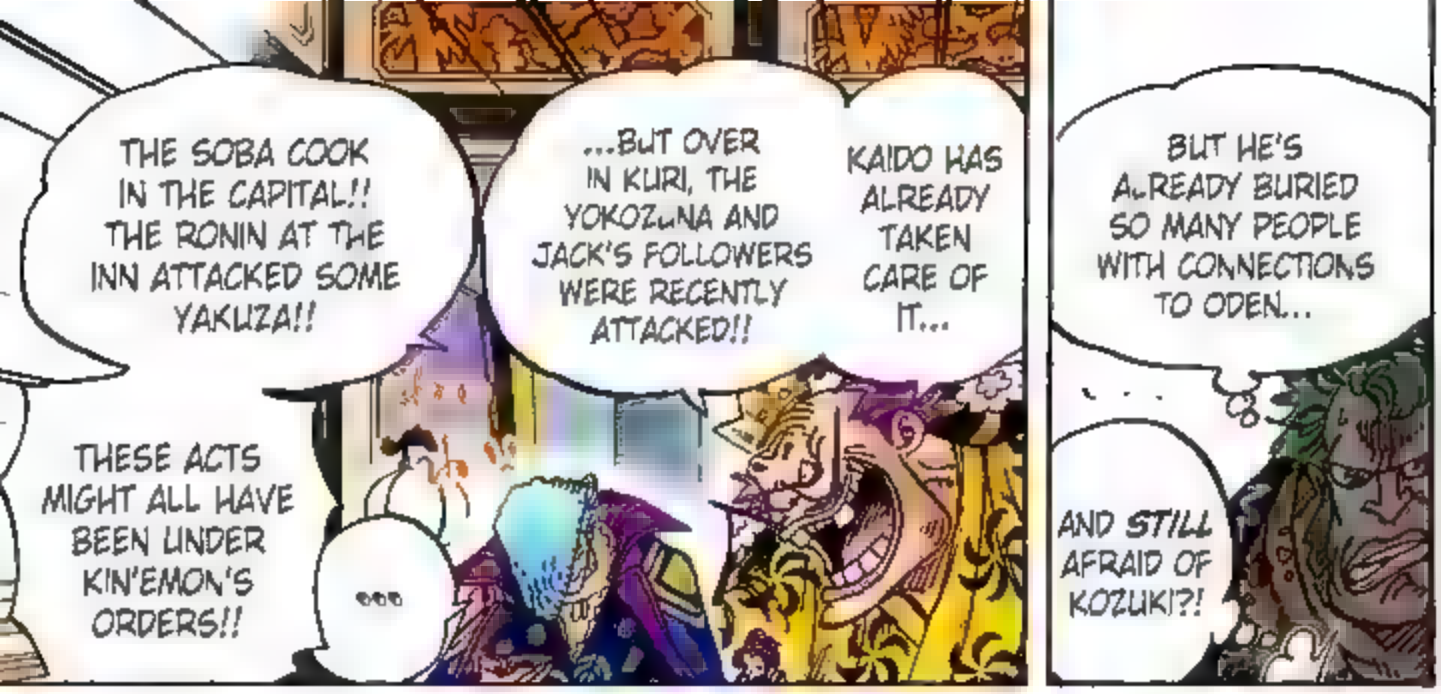


...

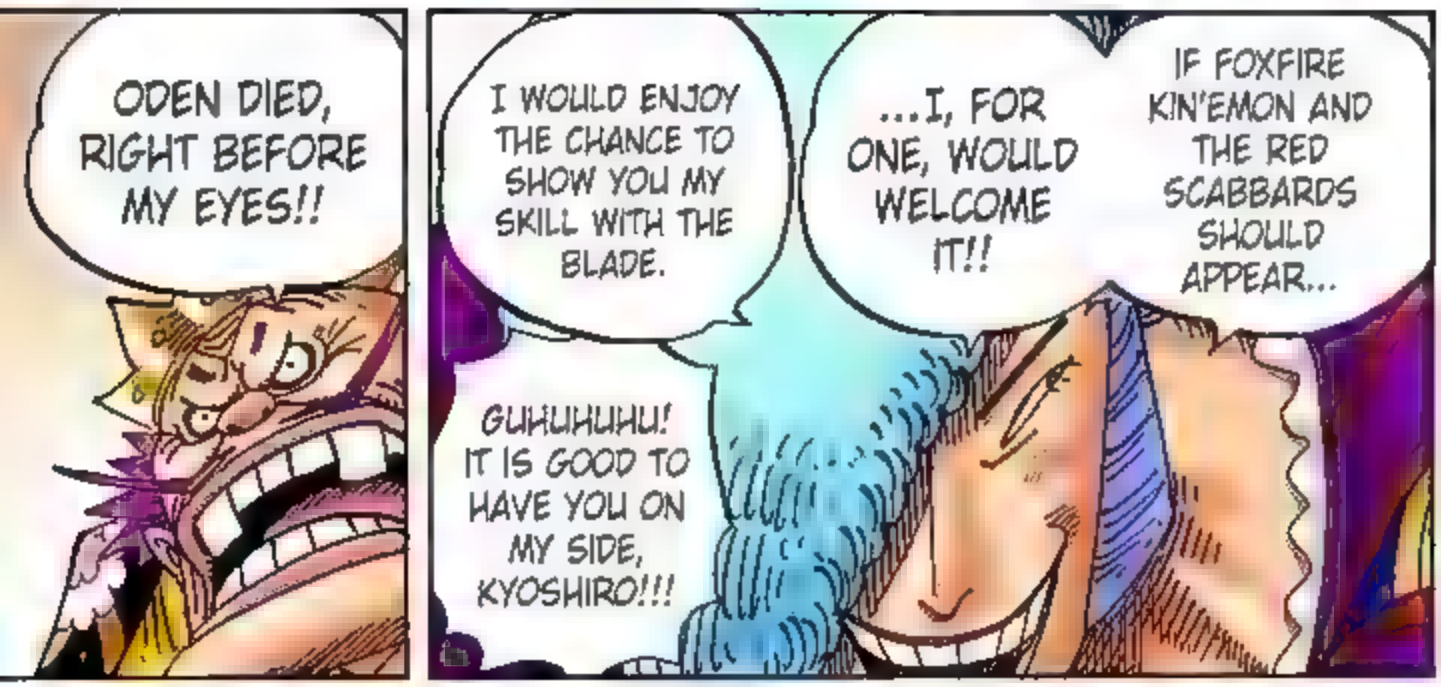
HERE HE GOES AGAIN...



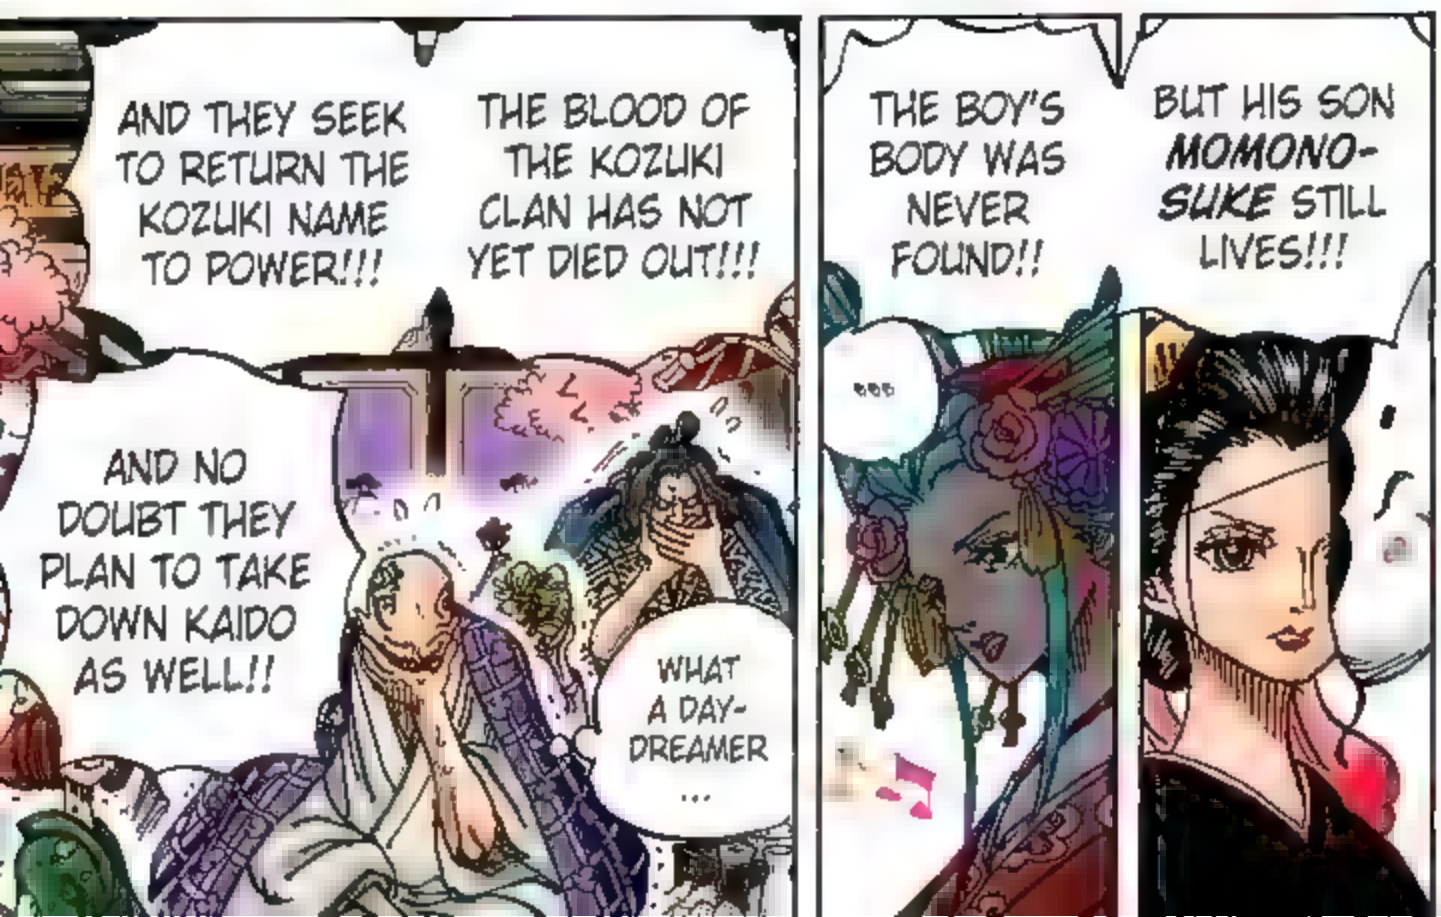
THEY HAVE RETURNED TO WANO, 20 YEARS LATER, AND SECRETLY MADE THEIR PREPARATIONS!!
BUT I CAN BARELY REMEMBER HIM NOW.
WAS, YOU MEAN.
AND THEIR LEADER, KIN'EMON, IS A MOST BRILLIANT MAN!!
YEAH, AND THEY'RE ALL DEAD NOW...
THEY ARE READYING THEMSELVES TO COME AND REMOVE MY HEAD!!



THE SOBA COOK IN THE CAPITAL!! THE RONIN AT THE INN ATTACKED SOME YAKUZA!!
...BUT OVER IN KURI, THE YOKOZUNA AND JACK'S FOLLOWERS WERE RECENTLY ATTACKED!!
KAIDO HAS ALREADY TAKEN CARE OF IT...
THESE ACTS MIGHT ALL HAVE BEEN UNDER KIN'EMON'S ORDERS!!
...
BUT HE'S ALREADY BURIED SO MANY PEOPLE WITH CONNECTIONS TO ODEN...
AND STILL AFRAID OF KOZUKI?!



ODEN DIED, RIGHT BEFORE MY EYES!!
I WOULD ENJOY THE CHANCE TO SHOW YOU MY SKILL WITH THE BLADE.
...I, FOR ONE, WOULD WELCOME IT!!
IF FOXFIRE KIN'EMON AND THE RED SCABBARDS SHOULD APPEAR...
GUHUHUHU! IT IS GOOD TO HAVE YOU ON MY SIDE, KYOSHIRO!!!



AND THEY SEEK TO RETURN THE KOZUKI NAME TO POWER!!!
THE BLOOD OF THE KOZUKI CLAN HAS NOT YET DIED OUT!!!
AND NO DOUBT THEY PLAN TO TAKE DOWN KAIDO AS WELL!!
WHAT A DAY-DREAMER ...
THE BOY'S BODY WAS NEVER FOUND!!
BUT HIS SON MOMONOSUKE STILL LIVES!!!
...

OROCHI SEEMS TO TAKE THE LEGEND AT FACE VALUE. HE BELIEVES IT.
BUT HIS FOLLOWERS DON'T TAKE IT SERIOUSLY... OF COURSE THEY DON'T.
AND HE HAS KAIDO AS AN ALLY!! WHO COULD EVER DEFEAT THAT MONSTER?!
NO!! I WANT TO LAUGH, BUT I DON'T WANT TO DIE!!
PFFFT!! HOW COWARDLY CAN HE BE?!

A: Look!!

Q: Oda Sensei! You've drawn Hawkins in Wano with a very cool-looking animal. What is it? Is it local to Wano?

--Shian ✠

A: You know how we saw Komachiyo, the komainu (lion dog)? That's a koma deer. There are other species like koma birds and komadanes with special fur like flames, all unique to Wano. There are a bunch of species, but it's hard to fit them all in.

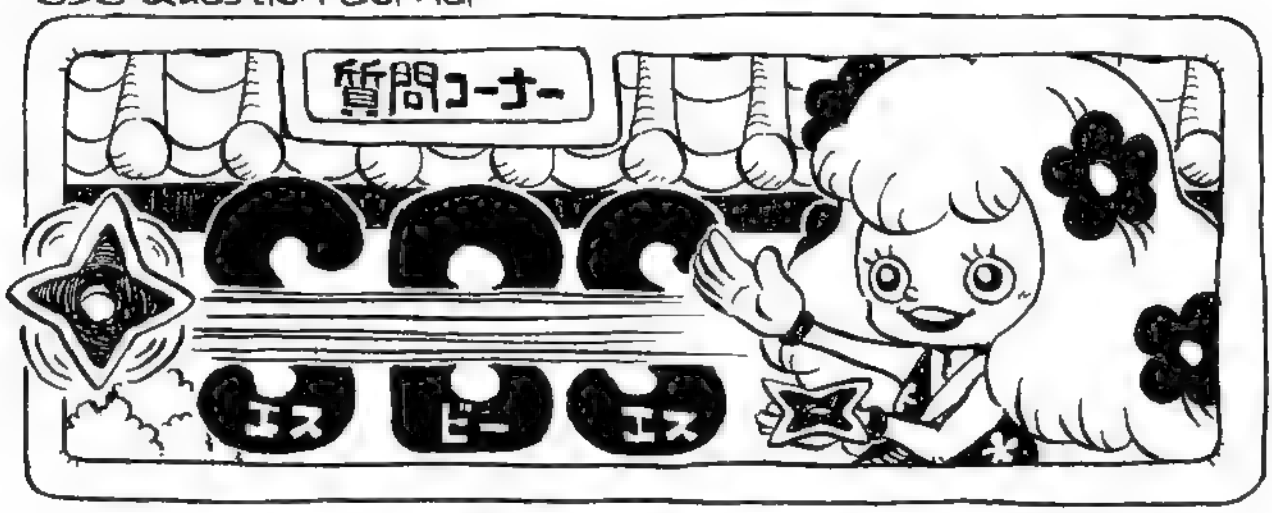
SBS Question Corner



(1♡OP, Ishikawa)

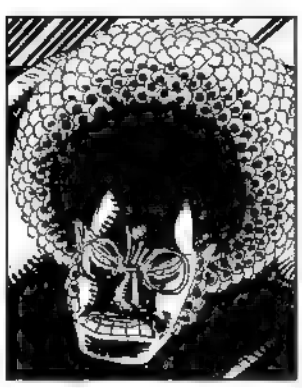
Q: In chapter 885, on page 112 of volume 88, Sanji talks about his ultimate cream, Simsim Whip. What does "Simsim" mean?

--OP Girl

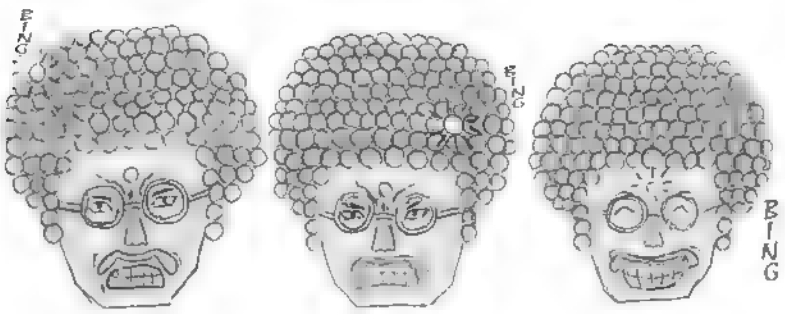
A: Simsim means "sesame" in Arabic. In some places, sesame was believed to have a mystical, magical power contained within it. Have you ever heard the story of Ali Baba and the 40 Thieves, when he opens the door by saying, "Open, sesame"? In Arabic, that phrase is "IftahYaSimsim!" So Sanji was putting that flavor and power into his whipped cream. And while Sanji wouldn't have known it, whipped cream is also a major part of Big Mom's favorite dish, semla. There's no doubt that the power of the Simsim Whip called forth Big Mom's memories and had a huge effect on the Gourmet Battle.

Q: Nice to meet you, Oda Sensei. The other day I had a dream about former Fleet Admiral Sengoku, in his giant form where he looks like the great Buddha statue of Kamakura. The individual *rahotsu* on his head were lighting up one at a time, cycling around his head like a roulette wheel, and if it stopped on the *byakugo,* you won the jackpot. I wonder if winning the jackpot would get you a bag of Navy brand rice crackers.

--Miss Intercalorie Day



A: That's the cutest dream I've ever heard of!!



I want to play that as a mobile game.

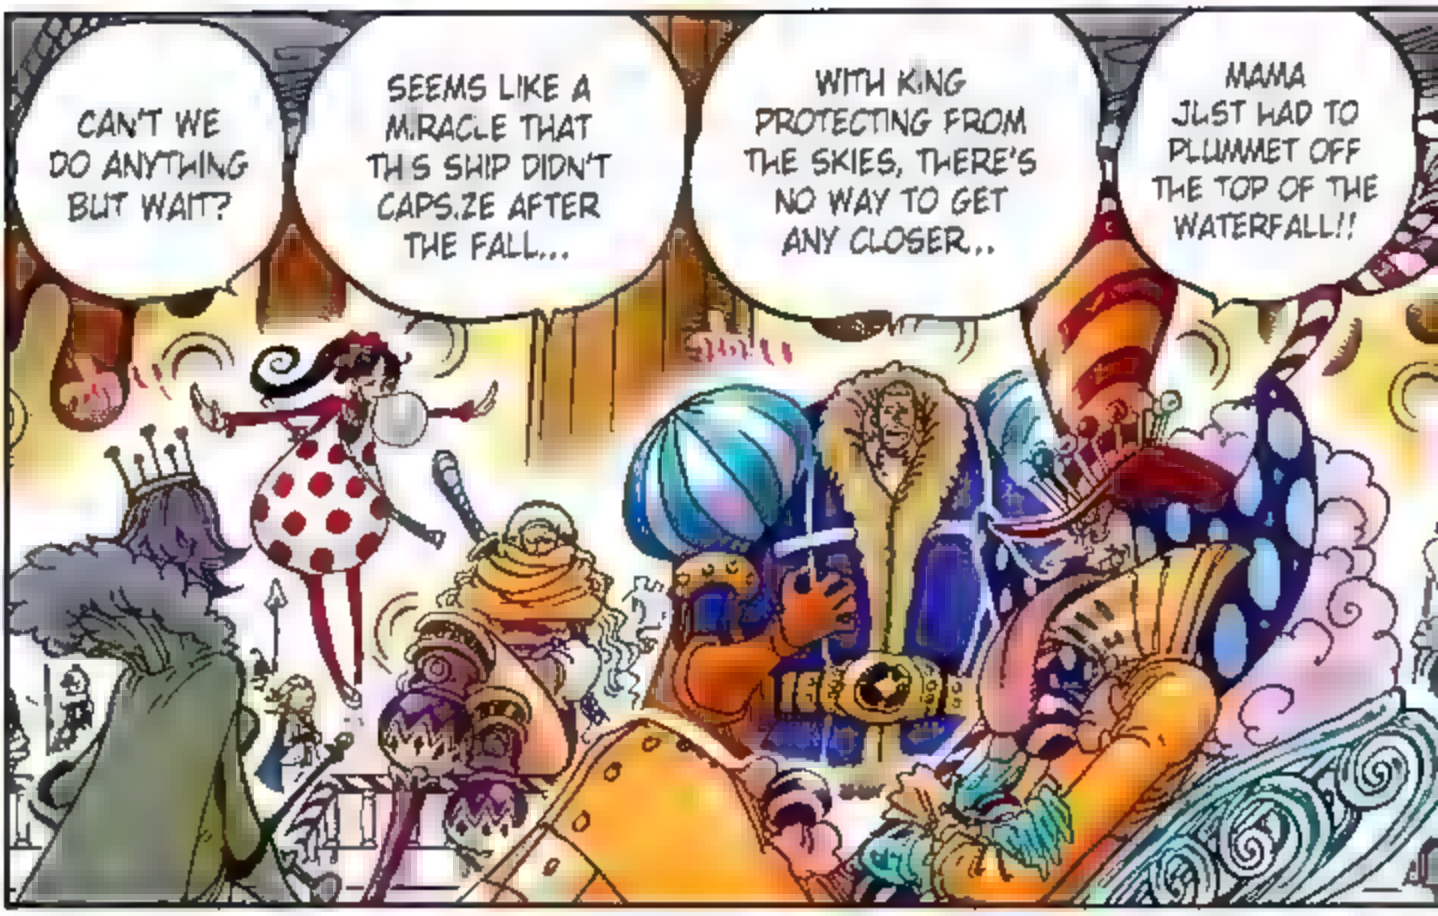
THE SEAS AROUND WANO...



CAN'T WE DO ANYTHING BUT WAIT?

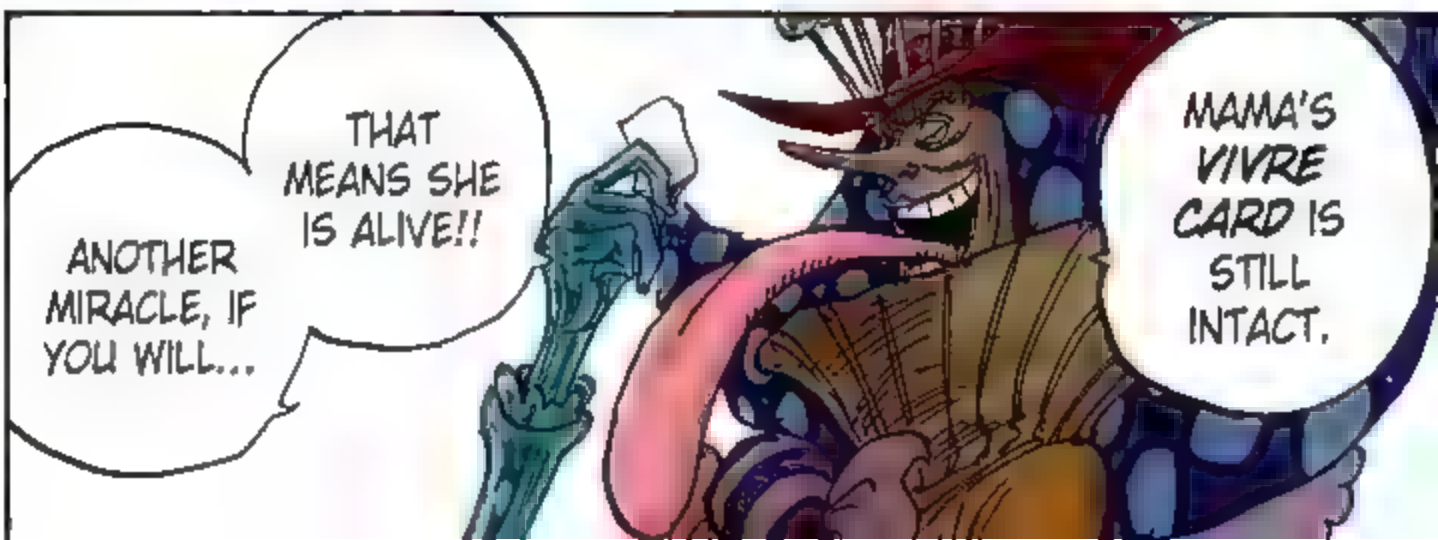
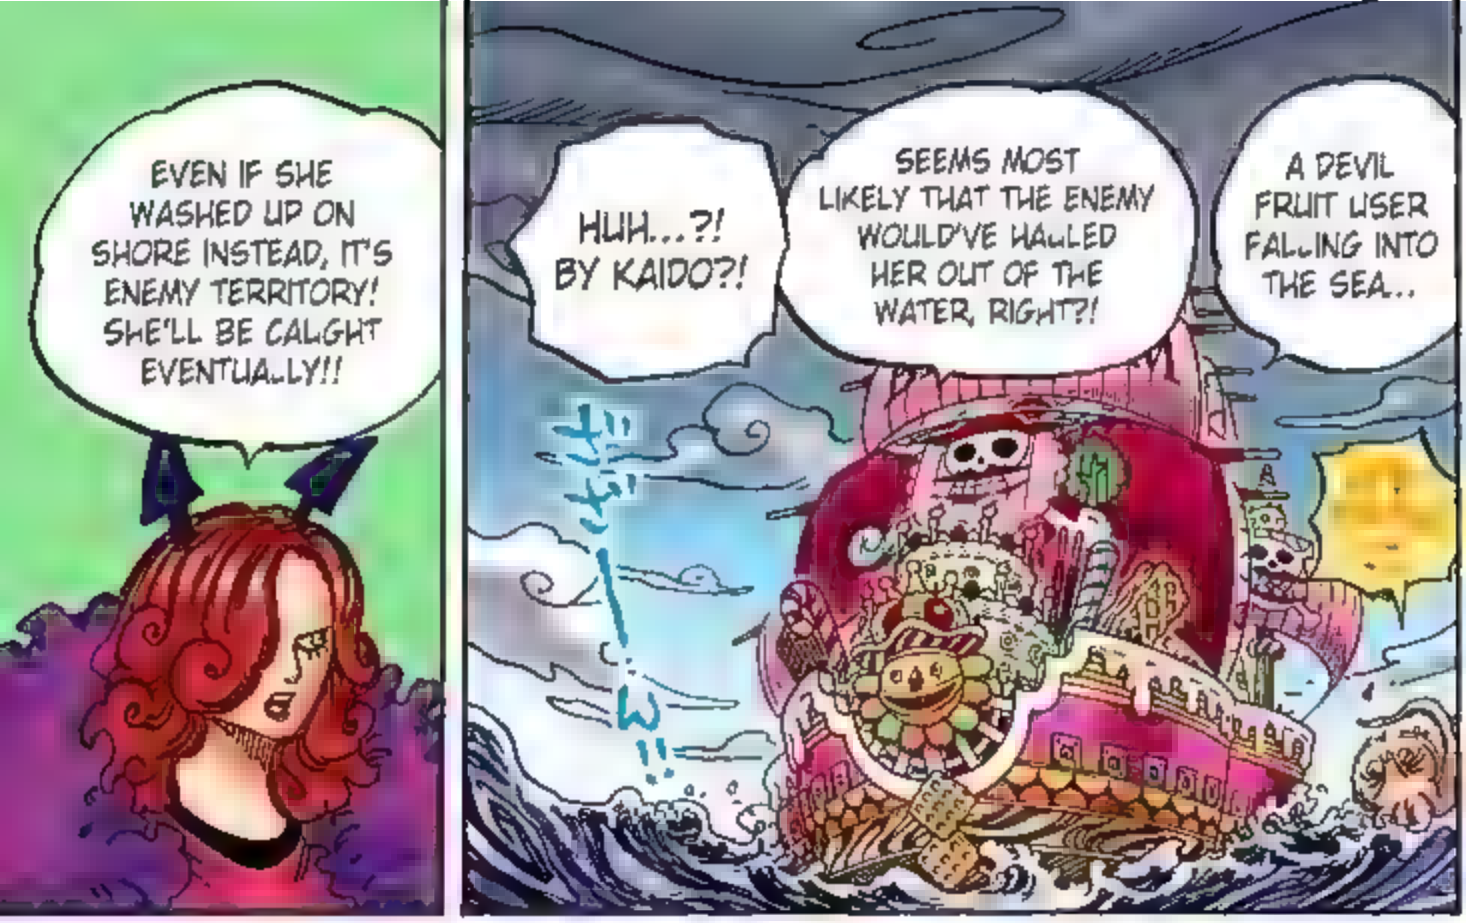
WITH KING PROTECTING FROM THE SKIES, THERE'S NO WAY TO GET ANY CLOSER..
MAMA JUST HAD TO PLUMMET OFF THE TOP OF THE WATERFALL!!



ANOTHER MIRACLE, IF YOU WILL...
THAT MEANS SHE IS ALIVE!!
MAMA'S VIVRE CARD IS STILL INTACT.



EVEN IF SHE WASHED UP ON SHORE INSTEAD, IT'S ENEMY TERRITORY! SHE'LL BE CALGHT EVENTUALLY!!
HUH...?! BY KAIDO?!
SEEMS MOST LIKELY THAT THE ENEMY WOULD'VE HAULED HER OUT OF THE WATER, RIGHT?!

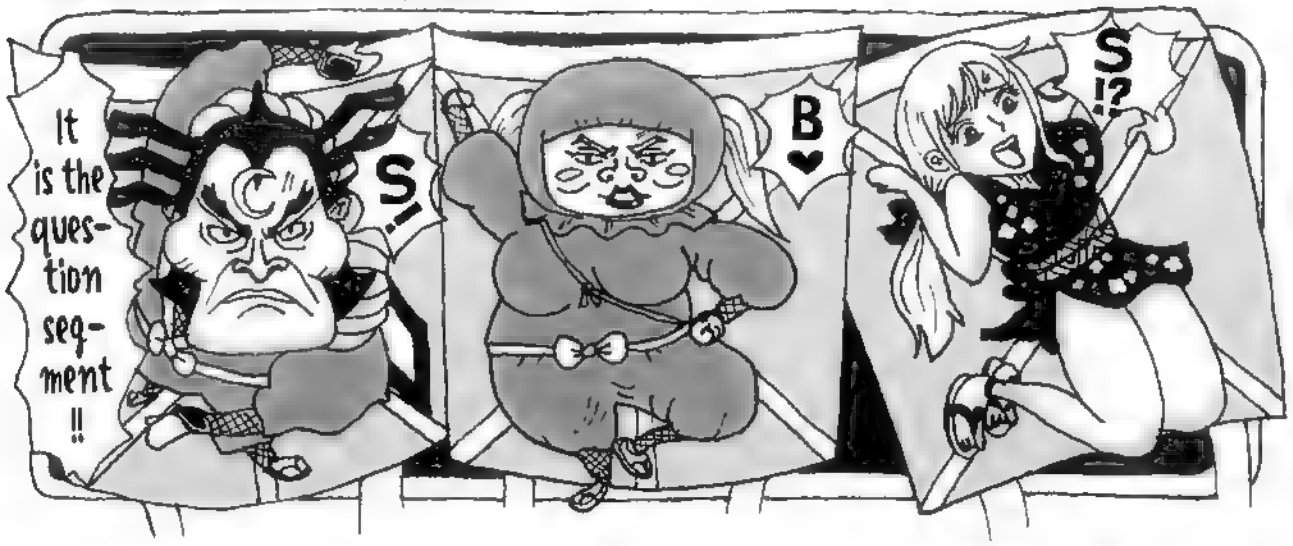
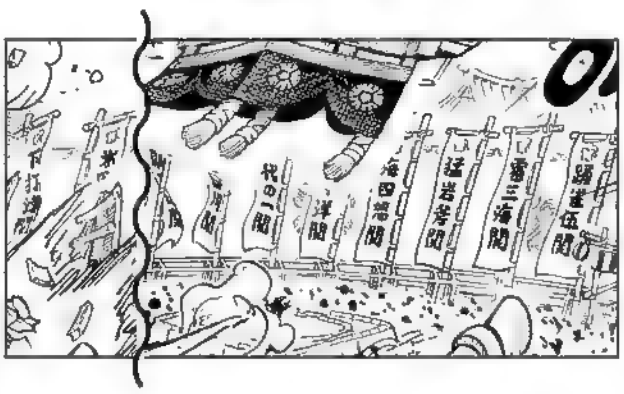
SBS Question Corner



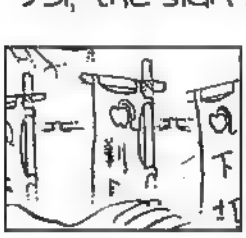
(Buchonosuke, Tochigi)

Q: In the SBS of the previous volume, you mentioned other hidden kanji banners for Jango, Hyozo, Kaido, and so on. I spotted a "Gedatsu" banner too. There's a sign for "Pagaya" in chapter 931, and more for Kuroobi and Gaimon in chapter 934.

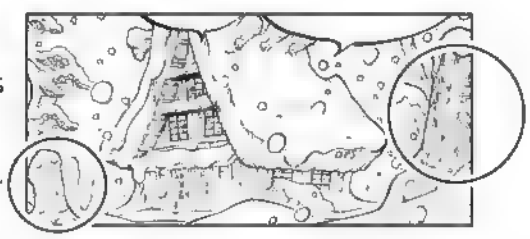
--Odamania



A: I asked my staff, since they're the ones who drew these details in. They confirmed that the sumo names on the banners include Dancing Jango-zeki (Zeki is a sumo title), Hyozo Ocean-zeki, Morgan Axe-zeki, Marineford-zeki, Gedatsu-zeki, Iceberg-zeki and Wiper-zeki. In chapter 917 there's a Hamburg-zeki, and in chapter 931, the sign says "Restaurant Pagaya."



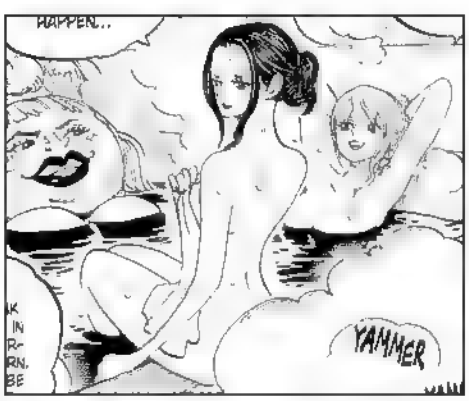
In chapter 934, graves reading Kuroobi and Gaimon.



That's what they told me. You're all crazy, readers and assistants alike!! LOL

Q: Mixed bathing… Oda Sensei, mixed bathing… How can I get to…mixed bathing...the bathhouse in…mixed bathing…the Flower Capital?

--Hayato-no-yasu



A: Disgusting! Your vulgar desire is exuding from your every word!! This is high culture, I'll have you know! There are still natural hot springs where mixed bathing is practiced in Japan today. But back in the Edo period, it was totally the norm. And since the land of Wano is modeled after that period, I had no choice but to draw a bathhouse scene... I promise, it was against my will. Totally out of my hands. They made me do it!
Oh, excuse me, can you pass the tissue? I need to stop this nosebleed.

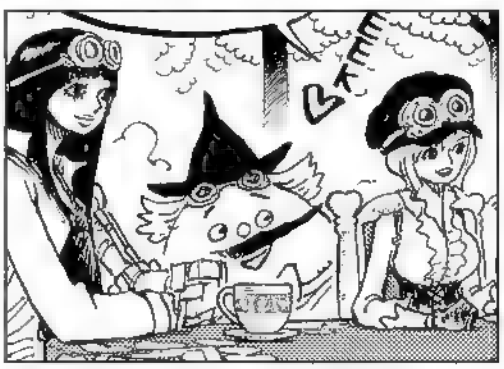
SBS Question Corner

(Andrea the Blackhearted, Spain)

Q: Hello. In chapter 905 of volume 90, what's the name of the woman with the black hair and the mechanical-looking arm to the left of Koala when she's talking to Betty?



--Emerald Usa

A: Ah. Well, the Revolutionary Army has five captains for the four seas and the Grand Line. Each captain has an aide who acts as their second-in-command, the way that Grand Line Revolutionary Captain Ivankov has Inazuma as a deputy. So she is Eastern Forces Captain Belo Betty's aide, Vice Captain Ahiru. Does she have a big role to play in the future? I don't know.

Q: Why are the clouds of Wano, I mean, why are your farts different from the usual farts?!

--King of the Cora Lovers ☆

A: Are you saying what I think you're saying? Have you been under the assumption that all the things you see floating in the sky are my farts?

They're clouds!! Clouds float in the sky!! 人

And yes, they look different in Wano! Since it's Wano, I've been trying to make everything look more like the classic *ukiyo-e* art style, and that's why they're different from the usual farts. Poot!

Q: How does Kaido fly when he's in dragon form?

--The Crane From Back Then

A: I've heard that Asian-style dragons fly by grabbing clouds. So Kaido is creating clouds and walking across them to move in the air.

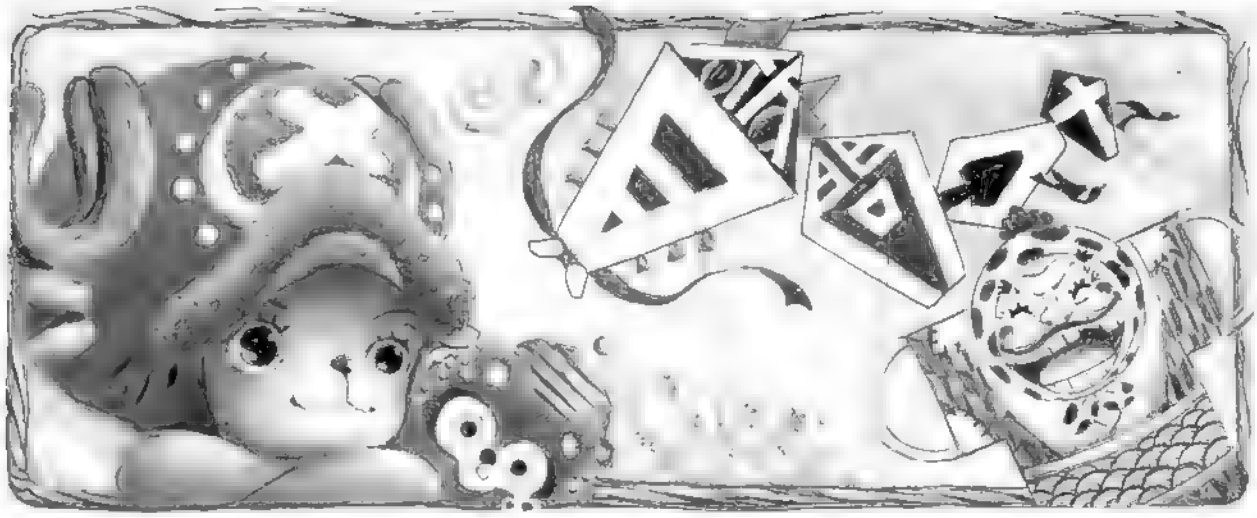
SBS Question Corner



(Takahisa Fujimoto, Nara)

Q: I noticed that in Otama's house, there's a tanuki (raccoon dog) that looks like the famous folklore character BunbukuChagama, the shape-shifting tanuki that turns into a teakettle. I don't think she tamed that with her Devil Fruit powers. I'm guessing there's a sweet and touching story behind it. Am I right?

--RyotaEhara

A: You noticed him, huh? As a matter of fact, that's a teakettle that ate the Dog-Dog Fruit, Model Tanuki. It was Hitetsu's prized teakettle, and well taken care of, so when it gained its powers, it stuck around with Hitetsu and Otama. Since it's alive, it can't be put over a fire. It's just a pet that can't boil water anymore.
However, there's one thing I wanted people to notice and point out, and nobody sent in any letters about it, so I guess I have to announce it here!! Look closely at little Bunbuku there...
He's sitting on his own balls!! (LMAO)
And nobody noticed!! I was cracking up to myself when I drew it!!

Q: What's the name of Whitebeard's enormous naginata weapon? Is that one of the Supreme-Grade Weapons?

--Mizumoto

A: It's called Murakumogiri, which means "Cloud Cutter." It's a Supreme-Grade!

Q: Will Nami's Happiness Punch still set you back about 100,000 berries? Or as her assets have matured, has the price undergone inflation as well?

--Sanadacchi

A: But of course. This one wasn't by Nami's choice, though. When was the previous time, Alabasta? Let's assume that it'll be a good 300,000 this time.

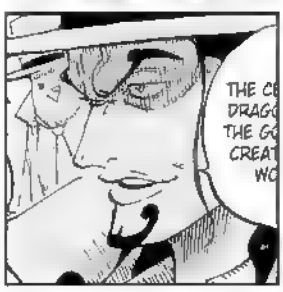
SBS Question Corner

(Sasaaki, Okinawa)

Q: I was watching *One Piece Film Gold,* and in the scene where they come face to face, Sakazuki says to Lucci, "Well, well, look who thinks he's Mr. Pervert." What exactly did he mean by that?

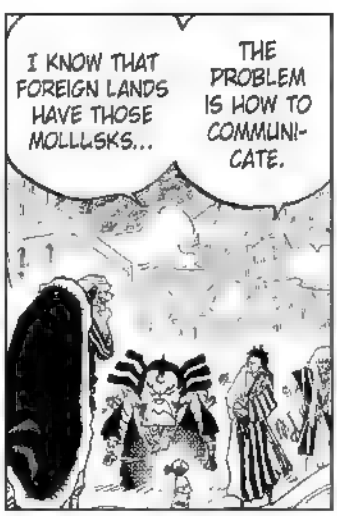
--Domu Kon



A: Well, people grow more perverted every day, and even Rob Lucci is no exception to that rule. I believe this was the scene where Lucci is printing out some perverted pictures, and Sakazuki asks if he can have one...
It was "Perfect"!!!
He said "Mr. Perfect"!!!

Q: A question for Odacchi. On Zou, Kin'emon seemed unfamiliar with the concept of the Transponder Snail, but now that we're in the Wano arc, there are cylindrical Transponder Snail lookalikes!! Does that mean Wano developed a new means of communication within the last 20 years?

--Toppi Fleet Commander Ohta



A: That's right. As Usopp explains in chapter 934, these are river snails that send mental signals. They became common in the 20 years since Kin'emon's group vanished, and now they're a common tool used around Wano. They also have Light-Scroll Snails that are similar to Visual Transponder Snails. The one weakness is that their signal strength is a bit weaker than a Transponder Snail's...

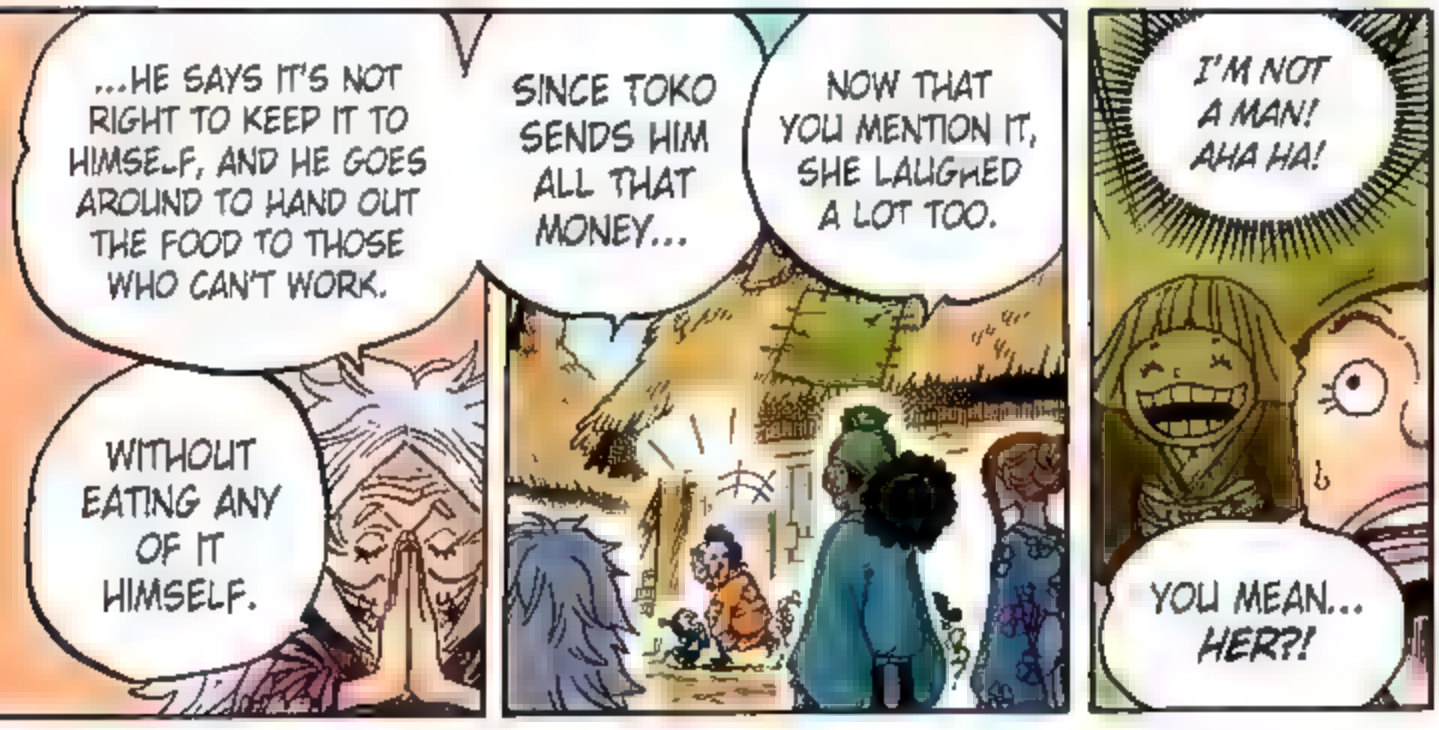
MOST OF HER EARNINGS, SHE SENDS BACK TO YASU.
TOKO...?
HE'S GOING AROUND HANDING OUT SHARES OF FOOD.
TONOYASU'S A REALLY GENEROUS GUY.



...HE SAYS IT'S NOT RIGHT TO KEEP IT TO HIMSELF, AND HE GOES AROUND TO HAND OUT THE FOOD TO THOSE WHO CAN'T WORK.
WITHOUT EATING ANY OF IT HIMSELF.
SINCE TOKO SENDS HIM ALL THAT MONEY...
NOW THAT YOU MENTION IT, SHE LAUGHED A LOT TOO.
I'M NOT A MAN! AHA HA!
YOU MEAN... HER?!

AHA HA HA HA HA HA
HE'S OUR SAINT.
HIS FACE AND STATURE MAY LOOK FOOLISH...

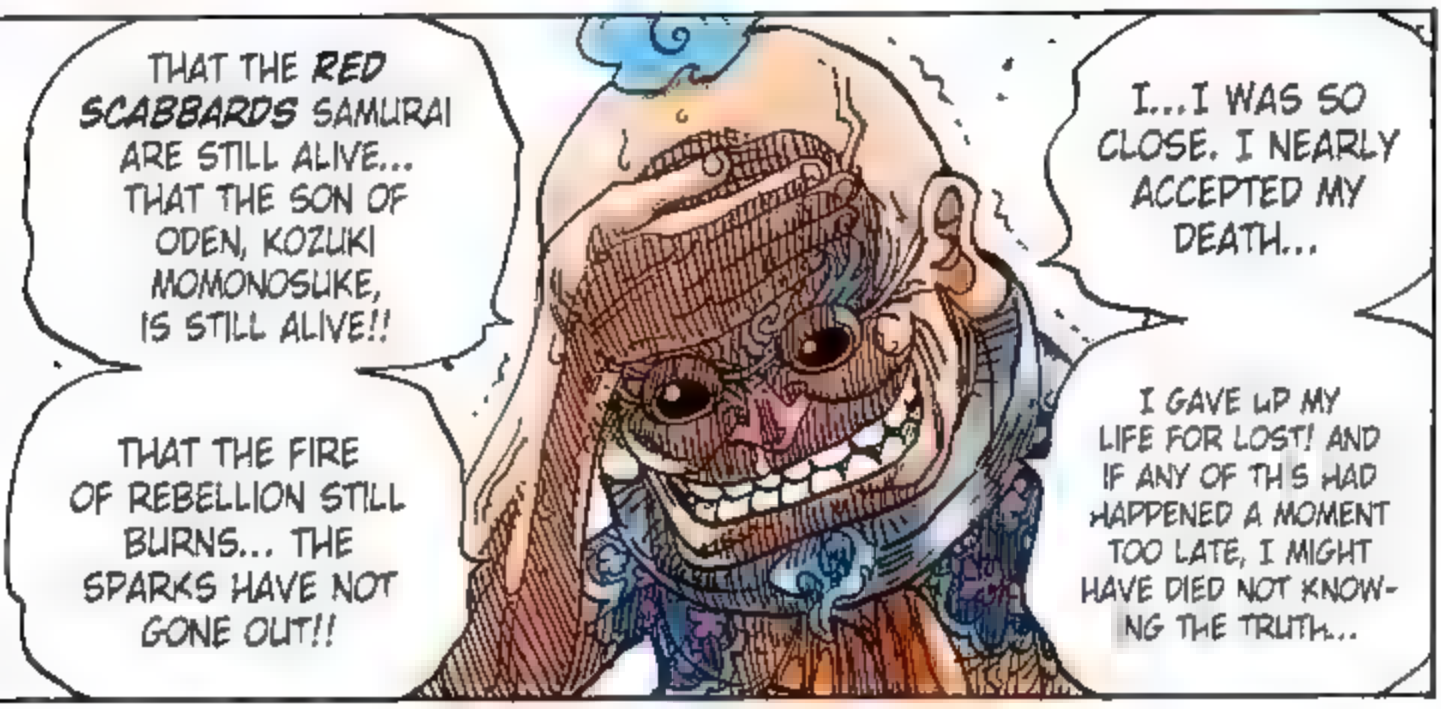
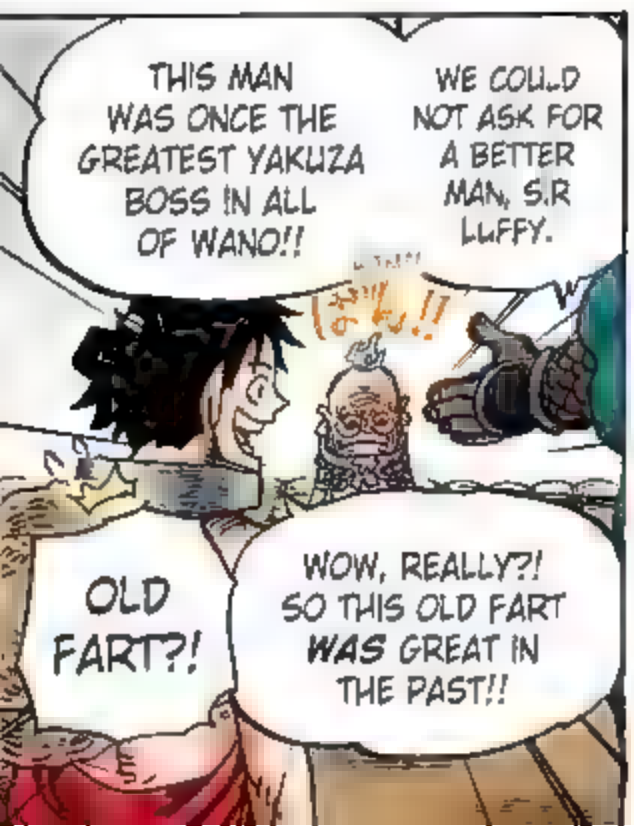
IS THIS A TRAP OR SOMETHING? THAT WAS TOO EASY! NOW I'M WORRIED...



THAT THE RED SCABBARDS SAMURAI ARE STILL ALIVE... THAT THE SON OF ODEN, KOZUKI MOMONOSUKE, IS STILL ALIVE!!
THAT THE FIRE OF REBELLION STILL BURNS... THE SPARKS HAVE NOT GONE OUT!!
I...I WAS SO CLOSE. I NEARLY ACCEPTED MY DEATH...
I GAVE UP MY LIFE FOR LOST! AND IF ANY OF THIS HAD HAPPENED A MOMENT TOO LATE, I MIGHT HAVE DIED NOT KNOWING THE TRUTH...



THIS MAN WAS ONCE THE GREATEST YAKUZA BOSS IN ALL OF WANO!!
WE COULD NOT ASK FOR A BETTER MAN, SIR LUFFY.
OLD FART?!
WOW, REALLY?! SO THIS OLD FART WAS GREAT IN THE PAST!!

THERE MUST BE SOMETHING I CAN DO!! PLEASE LET ME GIVE YOU MY ASSISTANCE!!
RAIZO, STRAW HAT FELLOW... I KNOW THAT I AM OLD, BUT THERE IS LIFE IN ME YET!!
BENG!

...THERE ARE FOUR OTHER EXCAVATION SITES...
HERE IN THIS MINING CAMP...
...JUST AS LARGE AS THIS ONE!!

YOU MENTIONED THAT YOU HAVE BEEN GATHERING COMRADES WITHIN THE FLOWER CAPITAL.
BUT SURELY IT IS FATE THAT HAS BROUGHT YOU HERE, TO UDON!!

...OF REBELLION AGAINST OROCHI!!!
NEARLY ALL OF THE PRISONERS HERE ARE GUILTY...
!!

BUT NOT ALL OF THEM WERE IMPRISONED FOR PETTY THEFT AND ASSAULT.
THERE ARE TENS OF THOUSANDS OF PRISONERS LIKE US IN UDON!!
...

THE YAKUZA LEADERS WHO ONCE SUPPORTED WANO FROM THE SHADOWS ARE ALL HELD AT THIS PRISON.
THE RAGE OF THE COUNTRY IS GATHERED THICK AND HEAVY HERE!!
IF I SEND OUT THE WORD, THEY WOULD ALL GLADLY FIGHT FOR THE SAKE OF KOZUKI!!

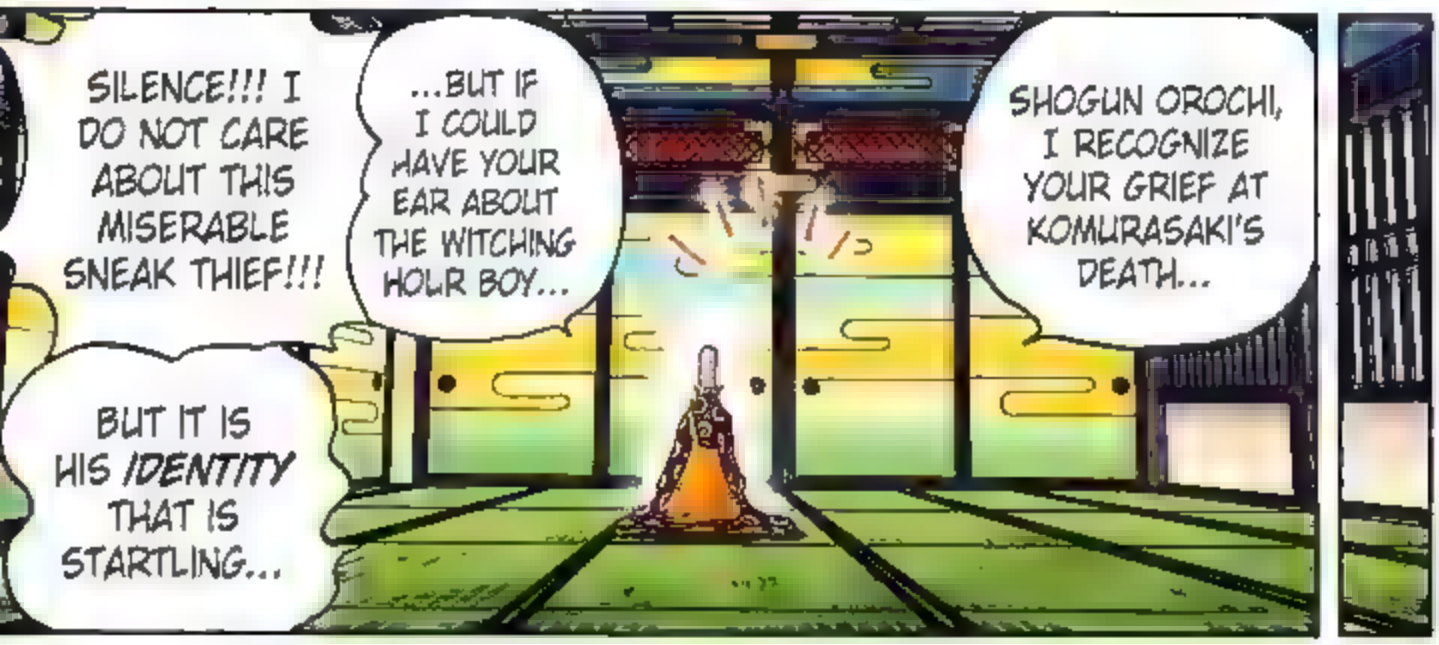
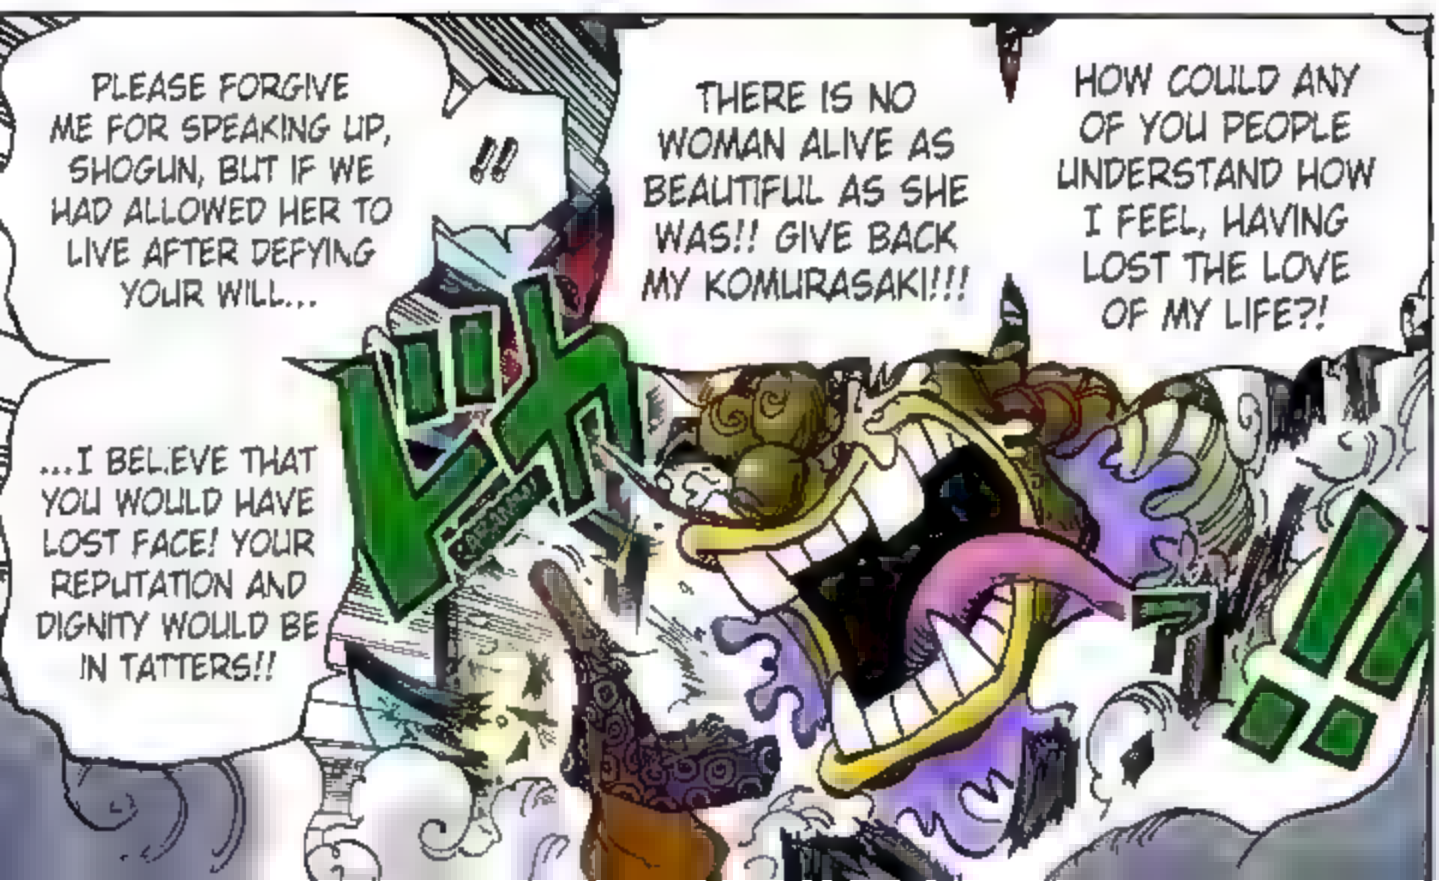
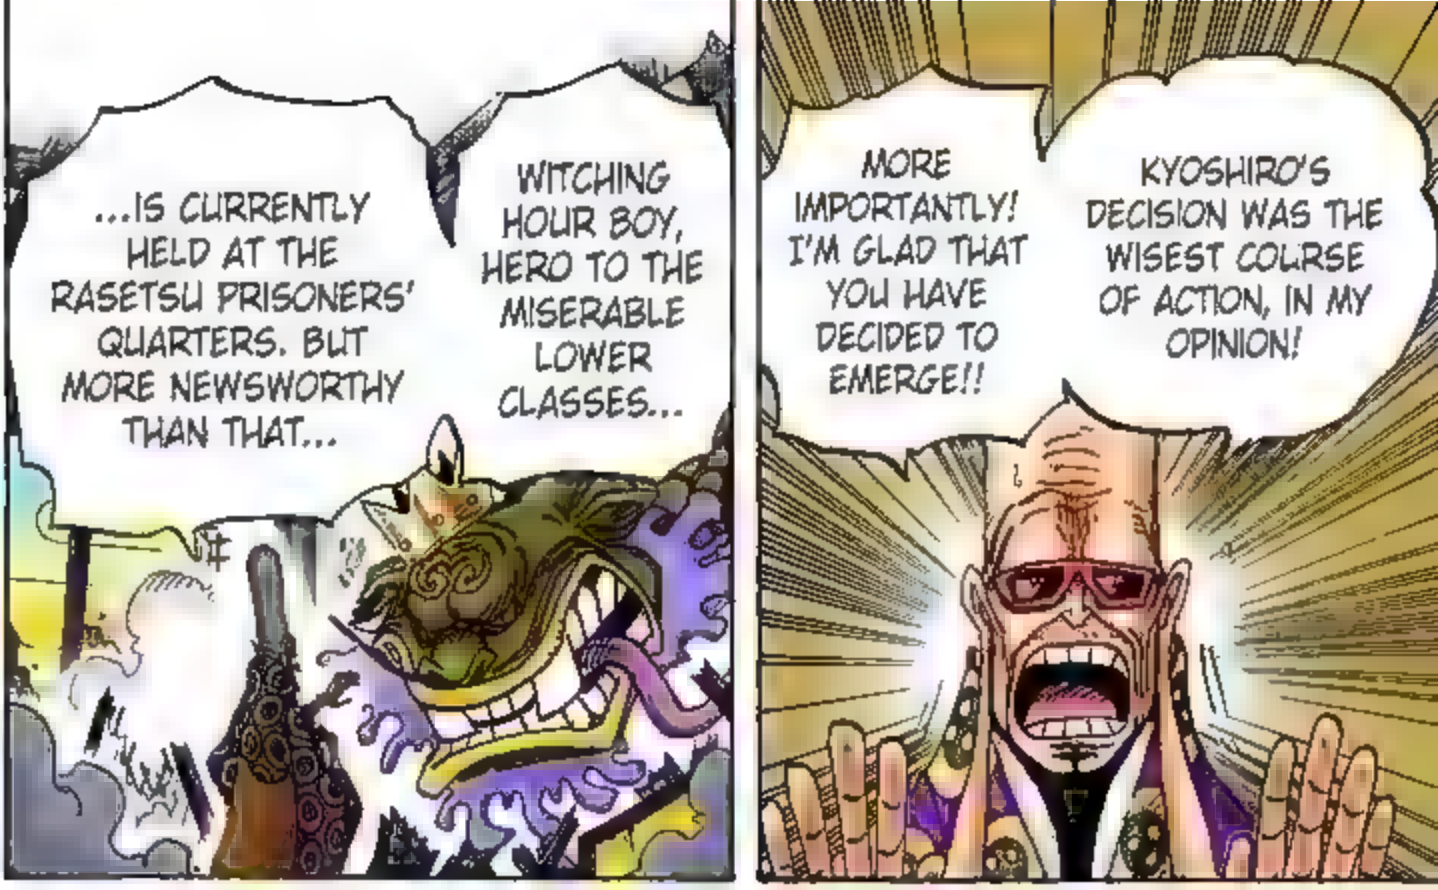
THERE'S BEEN AN ACCIDENT! AND AN INCIDENT!!
A WILDFIRE IN KURI!!
AND THEY'VE CAUGHT HIM! CAUGHT HIM AT LAST!!
THE WITCHING HOUR BOY HAS BEEN APPREHENDED!!



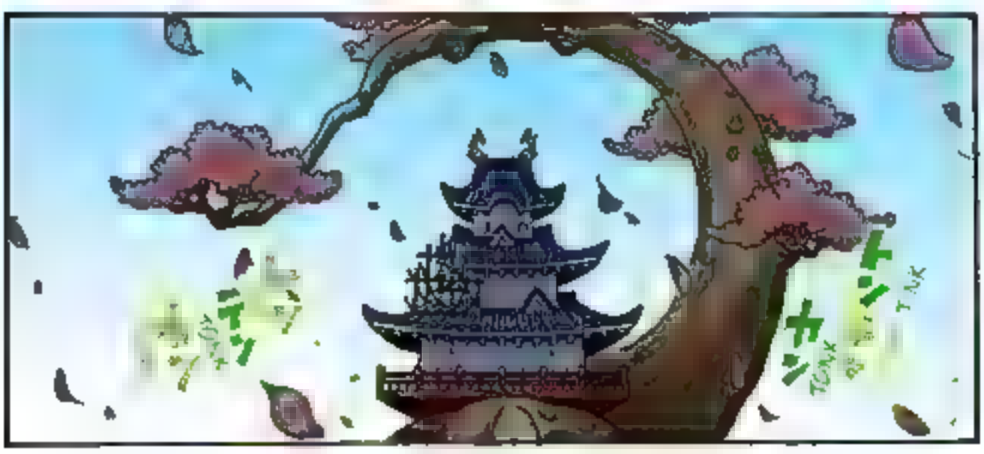
SHOGUN OROCHI, I RECOGNIZE YOUR GRIEF AT KOMURASAKI'S DEATH...
...BUT IF I COULD HAVE YOUR EAR ABOUT THE WITCHING HOUR BOY...
SILENCE!!! I DO NOT CARE ABOUT THIS MISERABLE SNEAK THIEF!!!
BUT IT IS HIS IDENTITY THAT IS STARTLING...



HOW COULD ANY OF YOU PEOPLE UNDERSTAND HOW I FEEL, HAVING LOST THE LOVE OF MY LIFE?!
THERE IS NO WOMAN ALIVE AS BEAUTIFUL AS SHE WAS!! GIVE BACK MY KOMURASAKI!!!
!!
PLEASE FORGIVE ME FOR SPEAKING UP, SHOGUN, BUT IF WE HAD ALLOWED HER TO LIVE AFTER DEFYING YOUR WILL...
...I BELIEVE THAT YOU WOULD HAVE LOST FACE! YOUR REPUTATION AND DIGNITY WOULD BE IN TATTERS!!

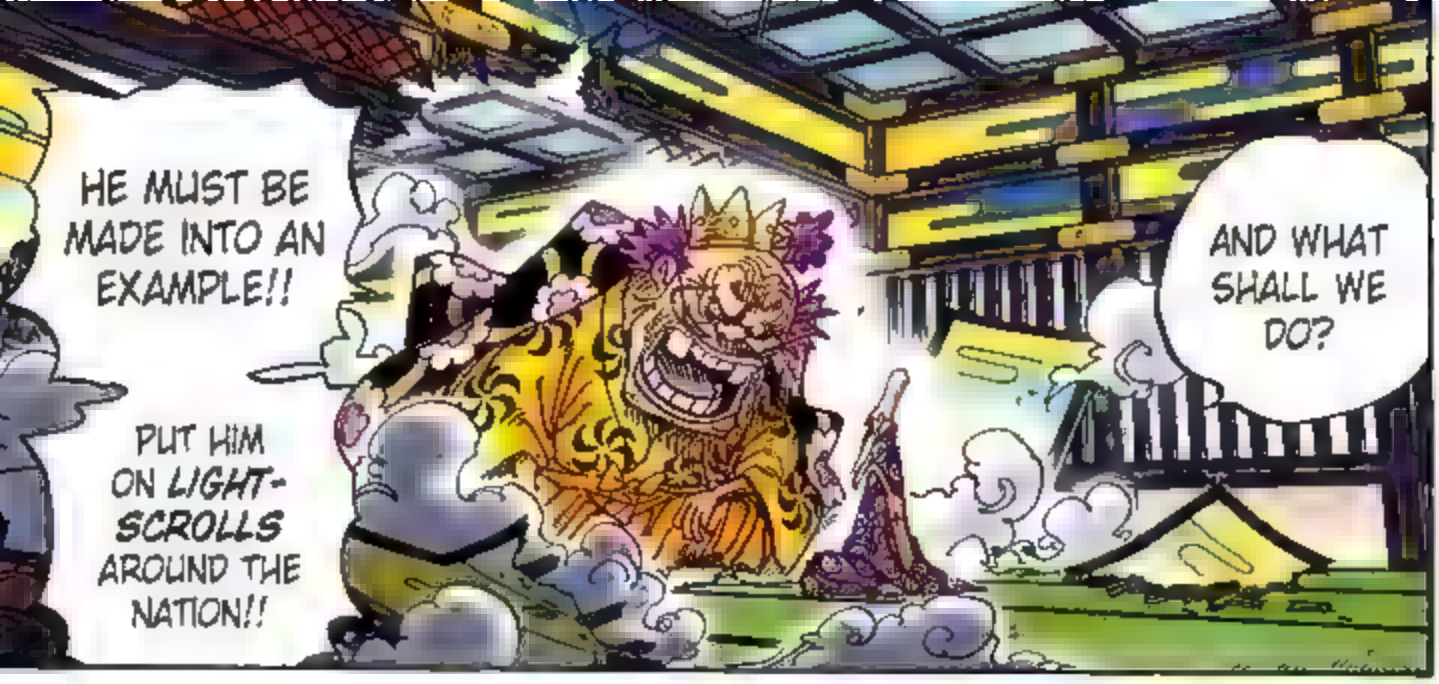


...IS CURRENTLY HELD AT THE RASETSU PRISONERS' QUARTERS. BUT MORE NEWSWORTHY THAN THAT...
WITCHING HOUR BOY, HERO TO THE MISERABLE LOWER CLASSES...
MORE IMPORTANTLY! I'M GLAD THAT YOU HAVE DECIDED TO EMERGE!!
KYOSHIRO'S DECISION WAS THE WISEST COURSE OF ACTION, IN MY OPINION!

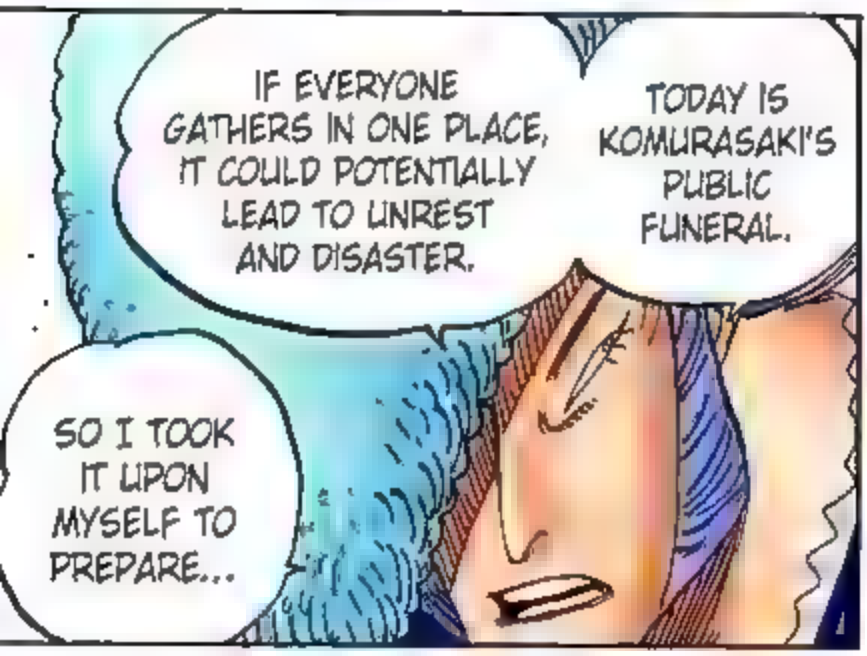


...IS HIS IDENTITY...

BUT... HOW IS HE ALIVE?!!
...!!
...!!!



HE MUST BE MADE INTO AN EXAMPLE!!
PUT HIM ON *LIGHT-SCROLLS* AROUND THE NATION!!
AND WHAT SHALL WE DO?



IF EVERYONE GATHERS IN ONE PLACE, IT COULD POTENTIALLY LEAD TO UNREST AND DISASTER.
TODAY IS KOMURASAKI'S PUBLIC FUNERAL.
SO I TOOK IT UPON MYSELF TO PREPARE...

GRRR!! KYOSHIRO !!
I'VE ALREADY HAD THE LIGHT-SCROLLS SET UP, MY LORD.

THE TWO *BIGGEST STARS* OF THE CITY DYING TOGETHER! WHAT AN IRONIC TWIST OF FATE!!
WE'LL HAVE IT BE A RITUAL FUNERAL!!

I WAS BANISHED FROM THE CASTLE. WHO KNOWS IF I'M EVEN CONSIDERED FAMILY ANYMORE?
HOW LONG ARE YOU GOING TO LOLLYGAG AROUND HERE, ODEN?! THIS IS NO TIME FOR IDLE ADMIRATION!
YOU ARE THE SON OF THE SHOGUN, REMEMBER!!

LORD SUKIYAKI ONLY CUT YOU OFF AS AN ACT OF TOUGH LOVE!!
WHY DON'T YOU TAKE THE HINT AND MEND YOUR WAYS?!
YOU ARE THE MAN WHO BEARS THE KOZUKI CLAN ON HIS SHOULDERS!!

HE ALSO ADMITTED TO BEING A FIGURE OF ILL REPUTE WITHIN THE CAPITAL...

Story ・あらすじ・

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!!

Luffy and crew disembark on Wano for the purpose of defeating Kaido, one of the Four Emperors. They begin to recruit allies for a raid in two weeks' time, but Kaido's sudden appearance leads to Luffy's defeat. Luffy is sent to the excavation labor camp while the rest of the crew is spotted by Kaido's underlings and have to go on the run!

As the group works to collect info, free Luffy and gather more allies, Kaido's side learns about the raid plan. A former daimyo with the Kozuki Clan, Yasuie realizes the danger and gives up his life to pretend to take responsibility, sending the plan back to square one. Kin'emon and company mourn his death, but there are still many problems to be solved before the raid.

...BUT IN EXCHANGE, THE HORRIBLE FRUIT CONFERS THE FEROCIOUS POWER OF A WILD ANIMAL.
WHEN ONE EATS THE FRUIT, IT INVITES THE SEA'S HATRED, LEAVING YOU UNABLE TO SWIM...
BUT EVERYTHING THAT SOUNDS TOO GOOD TO BE TRUE CONTAINS HIDDEN RISKS...
...IN AN ATTEMPT TO CREATE THE MIGHTIEST PIRATE CREW IN EXISTENCE!!!
...TO GIVE HIS OWN FOLLOWERS MONSTROUS STRENGTH...
BY DOING THIS, KAIDO WAS ABLE...
RAAAAHHH!!

...ONLY ONE OF THEM WILL ACTUALLY GAIN ITS POWER.
THE OTHER NINE LOSE OUT AND RECEIVE ONLY THE DOWNSIDES.
SUCCESS RATE OF THIS ARTIFICIAL STRENGTHENING EFFECT IS ONLY TEN PERCENT.
IF 10 PEOPLE EAT THE FRUIT...

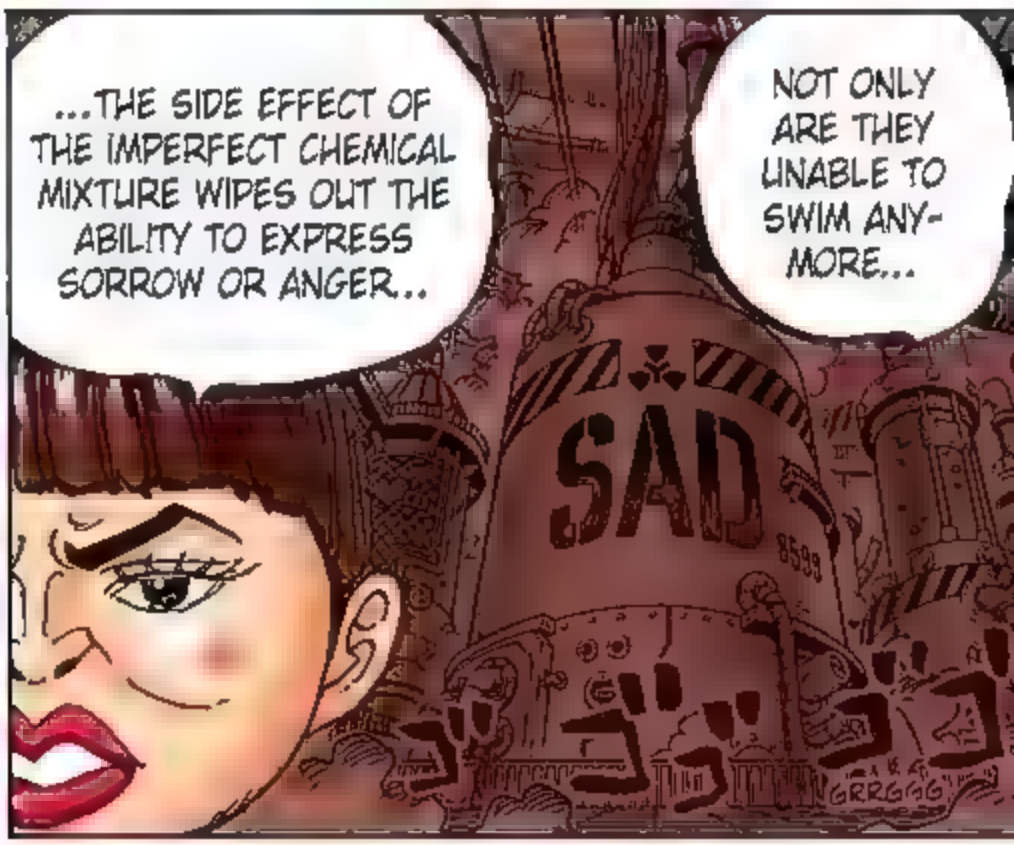
WHAT ?!



...THE SIDE EFFECT OF THE IMPERFECT CHEMICAL MIXTURE WIPES OUT THE ABILITY TO EXPRESS SORROW OR ANGER...
NOT ONLY ARE THEY UNABLE TO SWIM ANY-MORE...

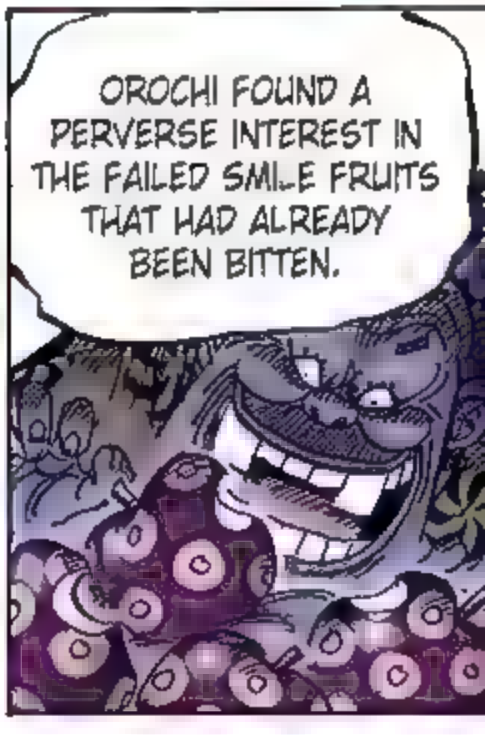
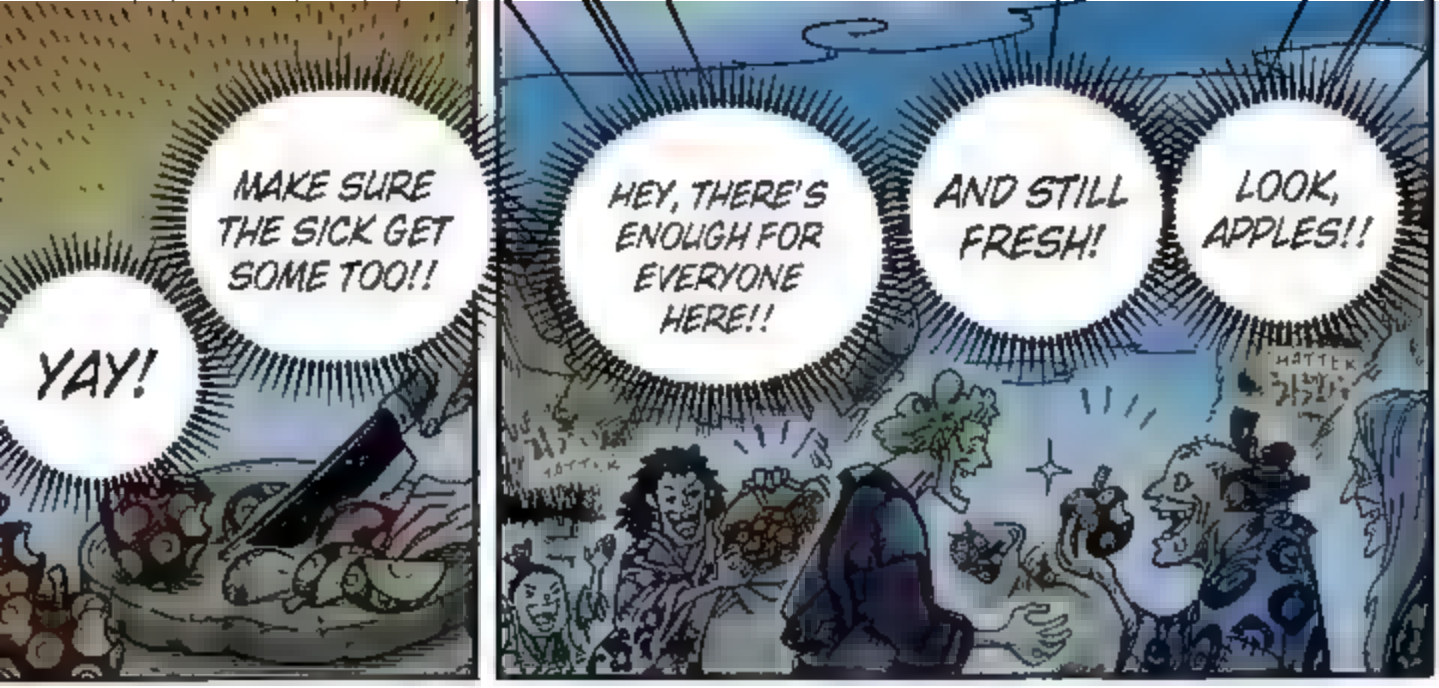
THE FRUITS STILL CONTAINED THE NEGATIVE SIDE EFFECTS...
!!
YOU DON'T MEAN...
わはははは
WA HA HA HA



OROCHI FOUND A PERVERSE INTEREST IN THE FAILED SMILE FRUITS THAT HAD ALREADY BEEN BITTEN.

SO HE HAD SOME OF THOSE FAILED SMILE FRUITS SLIPPED IN AMONG THE LEFTOVERS THAT TRICKLED OUT OF THE CAPITAL.
?!!

...FOR THE LEFTOVER TOWN OUTSIDE THE FLOWER CAPITAL, WITH ALL OF ITS WEEPING AND DEATH.
OROCHI HELD A PARTICULAR CONTEMPT...



YAY!
MAKE SURE THE SICK GET SOME TOO!!
HEY, THERE'S ENOUGH FOR EVERYONE HERE!!
AND STILL FRESH!
LOOK, APPLES!!

AFTER THE FIRST FEW TIMES, ANYONE WOULD FIGURE OUT...
...JUST WHAT KIND OF FRUITS THEY WERE...
THESE SURE ARE GOOD APPLES!!

...WHERE EVERY LAST PERSON IS BRIGHT AND CHEERFUL...
IT MIGHT LOOK HAPPY AT A GLANCE, BUT IT'S A TRAGIC PLACE WHERE CHILDREN CAN'T EVEN MOURN THEIR PARENTS' DEATHS...
AND THAT'S HOW EBISU TOWN CAME TO BE A PLACE...

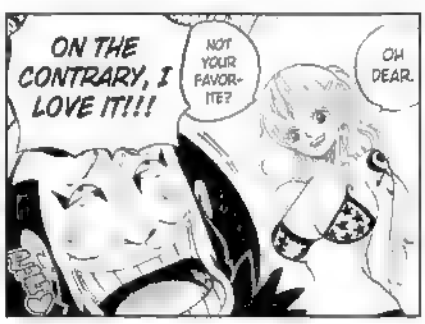
Q: I'm starting the SBS!
--Normal Is Best

A: Whoa!! It's so normal!! You can't get more normal!!
I wasn't expecting this.



Q: Odacchi! You're not supposed to tie breast bands around your head as a disguise!
--Takataka

A: Huh? Oh, come now! Wa ha ha ha! You joker, you! Wa ha ha ha ha!! Wa ha ha ha ha ha...huh? I hear police sirens...

Q: I have a very important announcement, Oda Sensei. On page 23 of volume 87, isn't Sanji kicking Big Mom? What happened to the Sanji who wouldn't kick a woman?!
--Momotaro Hunter

A: Actually, I got several letters pointing this out. You're wrong! In that scene, Big Mom is throwing a punch at Reiju, and Luffy and Sanji are trying to block it. But how can you stop a punch from Big Mom just by standing there? You can't! So he had to kick just to neutralize the force of her fist! That's a defensive act, and not kicking a woman! Sanji's ironclad oath hasn't been broken!!

Q: I just have one thing to say to Sanji.
"If it's a mixed bath already, you don't need to use your stealth function!!"
--Toshiy

A: Well, Sanji? Did you hear that?

Sanji: Toshiy, don't you know that it's not acceptable to ogle a naked woman, just because the bath happens to be mixed-use?! But if I go invisible, I can ogle all I...

A: Stop right there, Sanji!!
Peeping at women is a crime, young boys!! C'mon, it's SBS time!

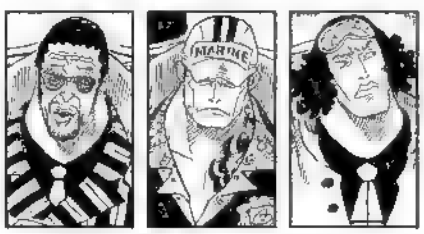
Q: We all know that the naming pattern of the Navy admirals is a color plus an animal in Japanese. I'm imagining that there must be some kind of deliberating body within the Navy that determines the admiral names. Could the man in charge of this body actually be the legendary Vice Admiral Namingheim? I mean, it has to be, right…?!



--Iroha

A: Y...yes!! How did you know about him? There are other Navy members who have nicknames like that, not just the admirals, but they're all named by him!! ➡

Q: Chapter 943… I'm stunned!!! (Beng!!)
Is that Izo?! The 16th division commander of the Whitebeard Pirates was formerly one of the Akazaya Nine? Whoa… Was Kozuki Oden the former 16th division commander?!

--420 Land

A: Whoa... That's a very small detail you've picked up on. That's the flashback scene where a young Kin'emon and cohorts get captured. There certainly are nine of them present, but what should be Okiku looks a bit...different? Izo, by the way, is one of the Whitebeard division captains who showed up in the Paramount War. He wears traditional Japanese clothing and does resemble that character. Also, there's that note in volume 82, chapter 820, that a number of Wano people were on Whitebeard's ship too. All of this will be made clearer in time, so just sit back and read. You'll figure it out!

(Naoki Sagawa, Ibaraki)

Q: Is it just a coincidence that Kin'emon's wife is named Otsuru, and there's also the Otsuru in the Navy?

--Ruru

A: Yeah, they're the same, aren't they? But here's the thing. Does everyone remember a shojo manga by the title of *Nana*? As a matter of fact, the two main characters are both named Nana! It's redundant! But the series is super popular and famous!! So, like...it's okay, right? And if they should meet one day, they're going to say... "Guess what, Tsuru? My name's Tsuru too."

Q: Show us Usopp at age 40 and 60!!

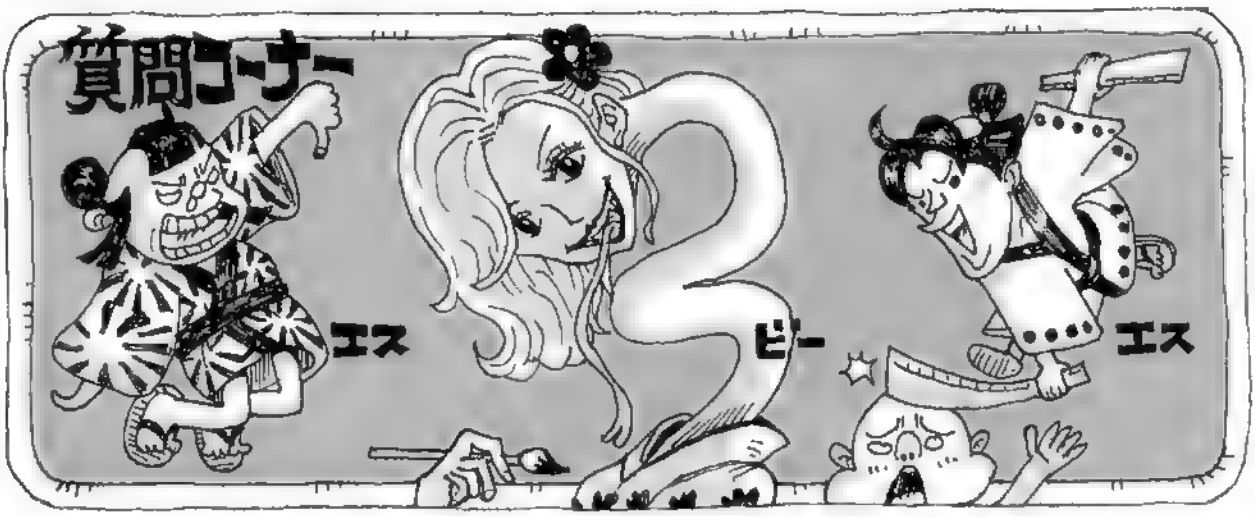
SBS Question Corner



(Buchonosuke, Tochigi)

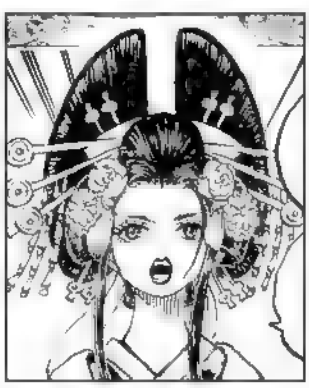
Q: Oda Sensei, I want to be a person who helps others, so I'd like to work as a bathhouse assistant. But since I only have two arms, I can only help the women.

--Sanadacchi

A: There you are, Sanada the pervert!! You can't work here. The only future I can envision is you getting arrested!! Unfortunately, to explain the full history of bathhouse assistants, known as "Sansuke," would take too much time, so if you're curious, look them up yourself. The short story is that it's a fact that in the Edo period, there were male employees at mixed-use bathhouses who helped to wash the customers' bodies. But they would never hire a pervo like Sanada! So don't even think about it!!

Q: I just saw Sanada, and he said he wanted to see more scenes at the mixed bath.

--Match and Takeshi



A: Sanada, you jerk!!

Q: Sanada just said he wants Komurasaki to step on him.

--Match and Takeshi

A: Sanada!! Stop ruining the sanctity of the SBS!!

Q: The tree on Shutenmaru's head is from a rakugo routine called Atamayama, right? So where does the tree grow out of your body, Oda Sensei?

--Kinbo

A: That's right! There's a story in rakugo called Atamayama, meaning "head mountain." It's a strange and surreal story where a little cherry blossom tree grows out of a man's head, and then everyone goes up onto his head to watch the blossoms fall. Now, you asked where the tree grows out of my own body? Obviously, my crotch!! Come and watch the flowers bloom!! Huh? I hear police sirens...

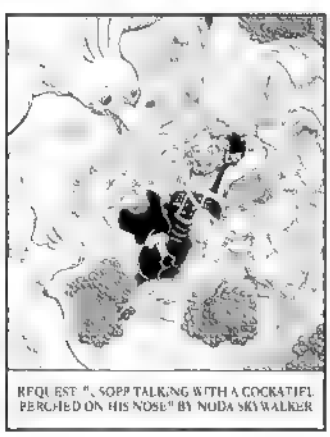
Q: Mr. Oda! I have a question!! The skirt on the girl who collapsed against Belo Betty on page 67 of volume 90 sure looks a lot like the skirt of the milk maid Moda's skirt from when she appears in the "Ace's Great Search for Blackbeard" cover story, starting in chapter 278! Is that Moda?!

--Kyarin

A: Yes, that's correct. Good catch. At the time, Lulucia was still a peaceful kingdom, but King Seki has been a terrible ruler, and the people are miserable now. Hopefully the courage the Revolutionaries brought to them will help Moda keep going.

Q: I have a question about the reader request chapter covers. In volume 56, it said, "covers with an animal and one Straw Hat member at a time," but now you're taking requests that don't have animals or Straw Hats in them, right? What are the actual requirements to get your idea picked?



A: Well, I've never actually put out an official set of rules for them or anything, if I'm remembering correctly. Thank you all for your many reader requests. The basic format is just "Animal plus Character doing ____," and I like having a lot of them involve the Straw Hats. At first I thought, I want to get as many people's requests in as possible, so I only drew one for each individual. But some people are so good at making requests that tickle my fancy, and I got tired of worrying, "I can't draw this person's request for a second time, even though I really like this prompt," so I decided that I'll just draw the ones I like, no matter what. If you can capture my interest through the animal choice and character choice, I will happily draw your request. Drawing is my hobby, after all. If I want to draw it, I'll even use it for a two-page color spread. So put animals in those too. After 22 years of this, I've drawn just about everything, so the newer and fresher the request, the more fun it is for me.

SBS Question Corner

(Takahisa Fujiwara, Nara)

Q: I really want to see an anthropomorphized version of Griffon, the sword Shanks uses. I bet it looks really awesome as a person.

--Red-Haired Straw Hat

A: You wanna see Shanks's Griffon? I'm really good at drawing human versions of them! Don't worry, pal, I got you!!

Q: In chapter 931, "Soba Mask," Usopp and Franky are complaining about Sanji's wonderful character name, clamoring for a chance to give him a name of their own making. Now I'm wondering what that name would be. In fact, why don't you just tell us what all of the Straw Hats would name him?

--S. Masae

A: Okay. Let's ask them!

"Black! Mask! Crest!"

"Idiot"

"Cape"

"Lightning Skyzer"

"Unfortunate Mask"

"Go Go Sanji!"

"Black Rolling Destroyer"

"Jealou-C Women's Bath-man"

Which one would you go by?

Q: When Reiju sucks the poison out of Luffy, she says "Thanks for the treat♡" and licks her lips at the same time. I thought that was cute, so I've been trying to mimic it, but the best I can do sounds more like "Hanks ho peep" or "Fank bo beep." How do you say that?

--Karinto

A: Well, the truth is, you're supposed to interpret that as "Thanks for the treat♡" and then she licks her lips. But if your hard work has already gotten you to the point of "Fank bo beep," then you're almost there! You can nearly do it already! "Thanks for the treat♡"!!

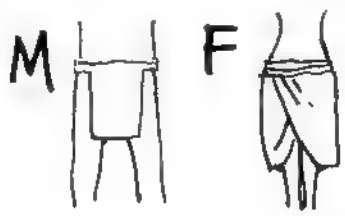
Q: In Wano, everyone wears kimonos. Does that mean they wear *fundoshi* loincloths underneath?

--Briefs

A: Of course!! All the men wear fundoshi! The women wear a kind of underskirt called a *yumoji*. That's the style in Wano.



Q: Do you still look at every single postcard and piece of fan mail you get, Oda Sensei?

--Suemitsu

A: I read them all! Of course I do! In fact, I've never discarded a single piece, in 22 years (laughs). It's way too much to keep at home, so I rent out a place to keep the letters I've already read and have them sent there. It's at "bust through the floor" levels of weight! Thank you, everyone!! You've sent all your honest feelings, so of course I can't throw them away.

Q: Odacchi! I just realized something! Hyogoro has flaming style hair, just like the komainu and koma deer, and so on… So he must be a "koma human"!!!

--420 Land

A: Oh! So that's the answer...! In that case, he's a koma human.

Q: Is the light Imu will erase from history…me?

A: I wouldn't worry about that. Live your life as you see fit. And that goes for all of you!! Have a great life! The SBS is over now!! See you next volume!!!

Story ・あらすじ・

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!!

Luffy and crew disembark on Wano for the purpose of defeating Kaido, one of the Four Emperors. They begin to recruit allies for a raid in two weeks' time, but Kaido's sudden appearance leads to Luffy's defeat. Luffy is sent to the excavation labor camp while the rest of the crew is spotted by Kaido's underlings and have to go on the run!

Kaido's side learns about the raid plan, but thanks to Yasuie's sacrifice, the plans are successfully changed. Kin'emon and his fellow samurai must rebuild the plan without time to mourn their fallen friend. Meanwhile, Luffy succeeds in taking over the excavation camp, adding Hyogoro and the other yakuza to his side before the big battle. By that point, Big Mom has recovered her memories and started to fight with Kaido.

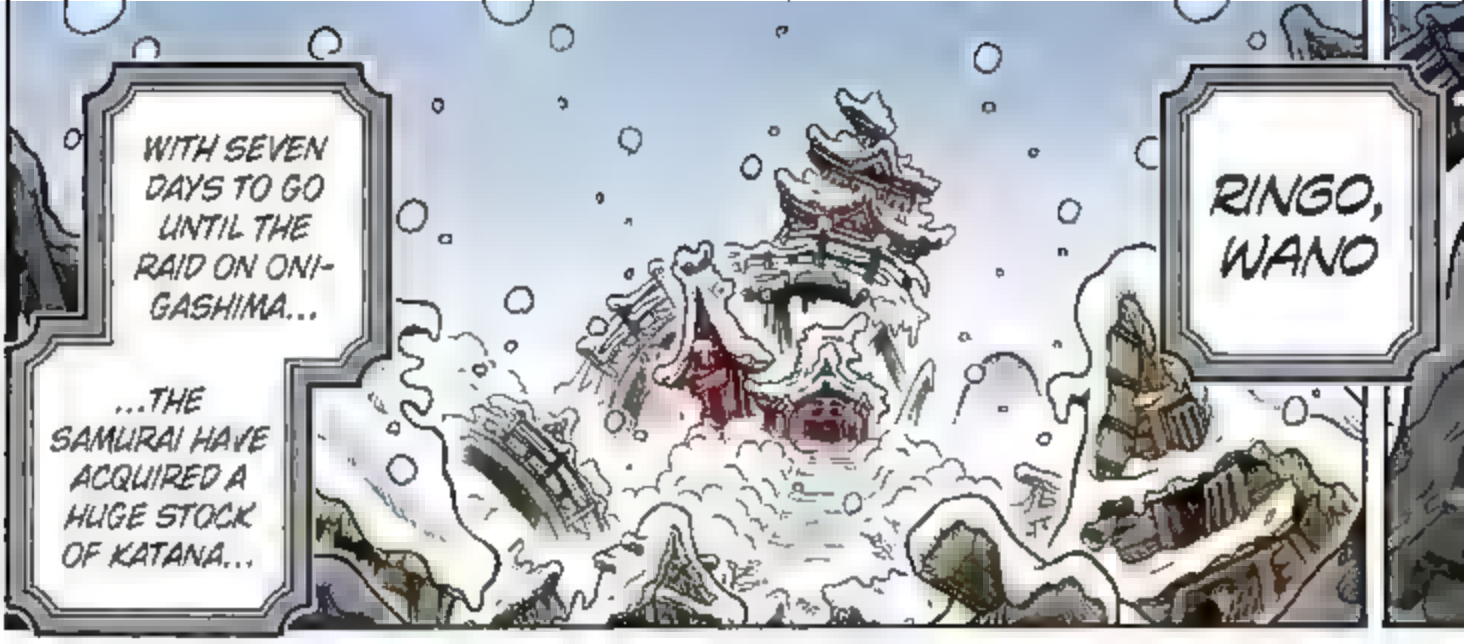
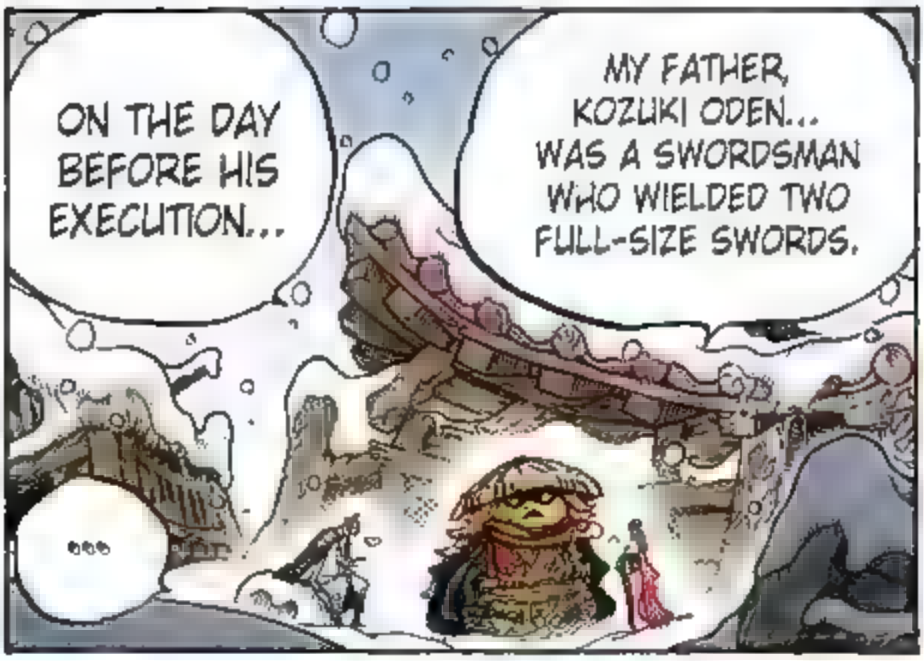
Chapter 954:
LIKE A DRAGON GIVEN WINGS

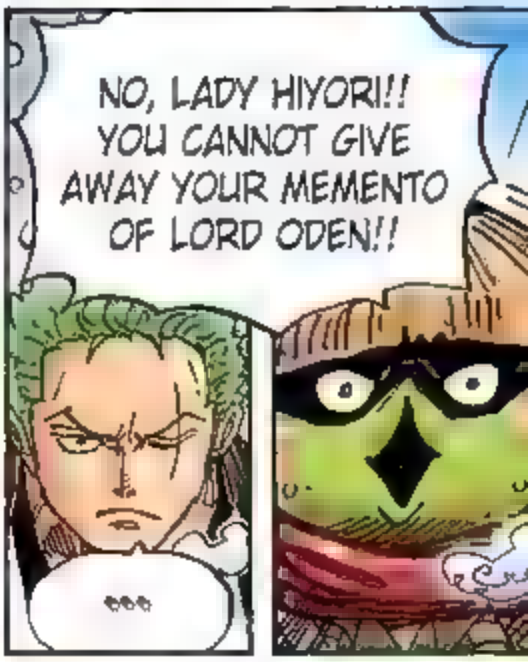
GANG BEGE'S OH MY FAMILY
VOL. 5: "CAN'T GET PAST THE RED LINE WITH ALL THE HUBBUB AT THE REVERIE!!"



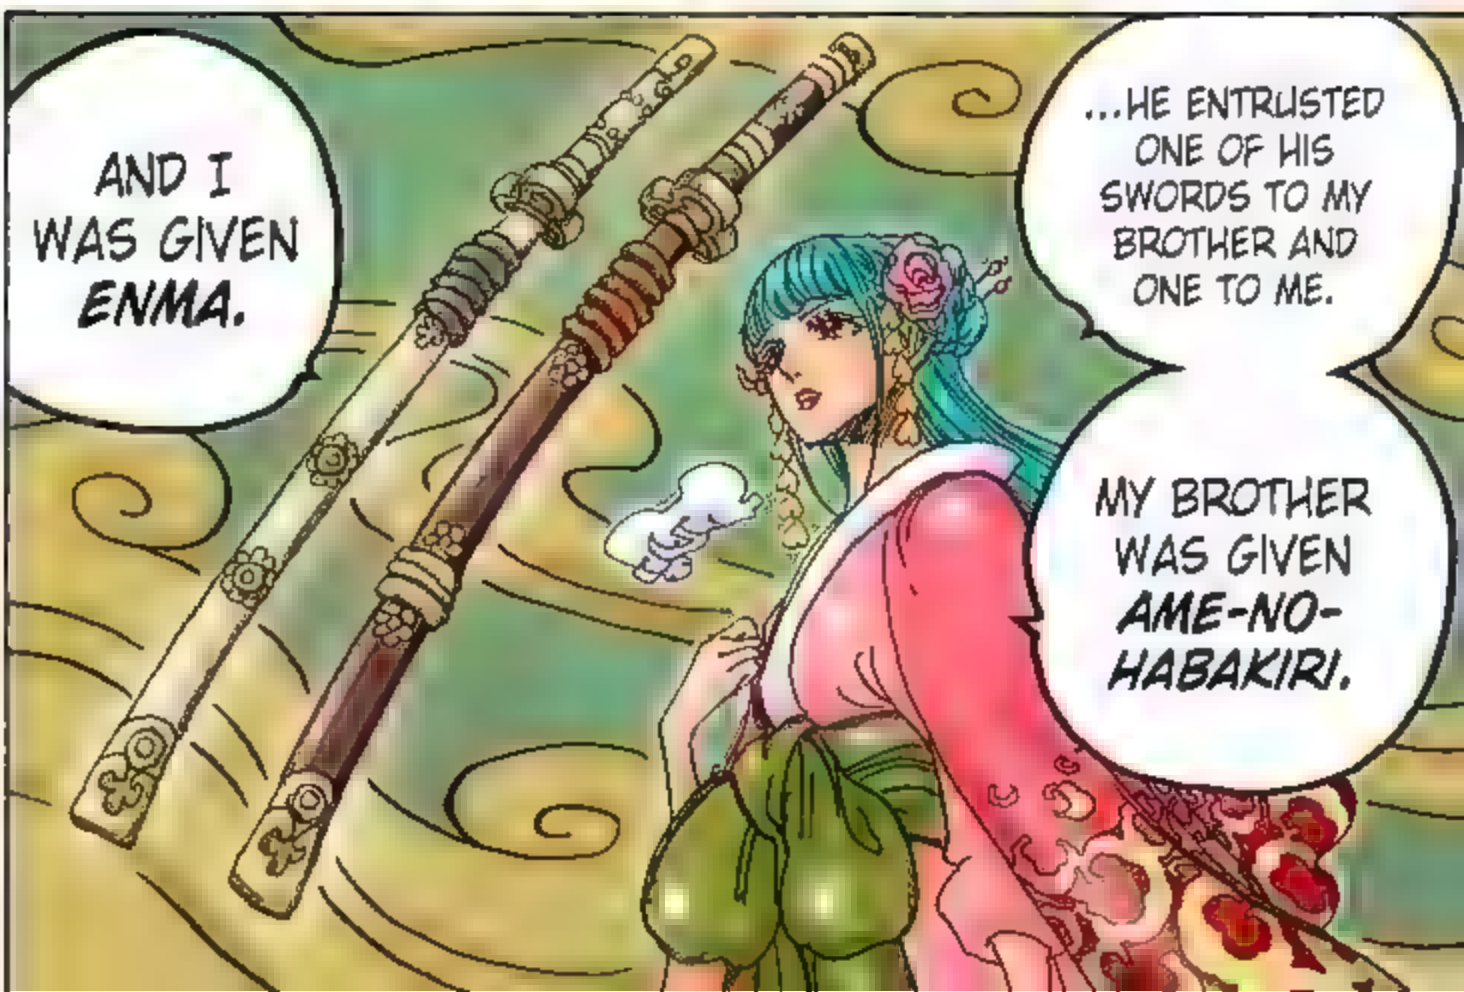
WITH SEVEN DAYS TO GO UNTIL THE RAID ON ONI-GASHIMA...
...THE SAMURAI HAVE ACQUIRED A HUGE STOCK OF KATANA...
RINGO, WANO



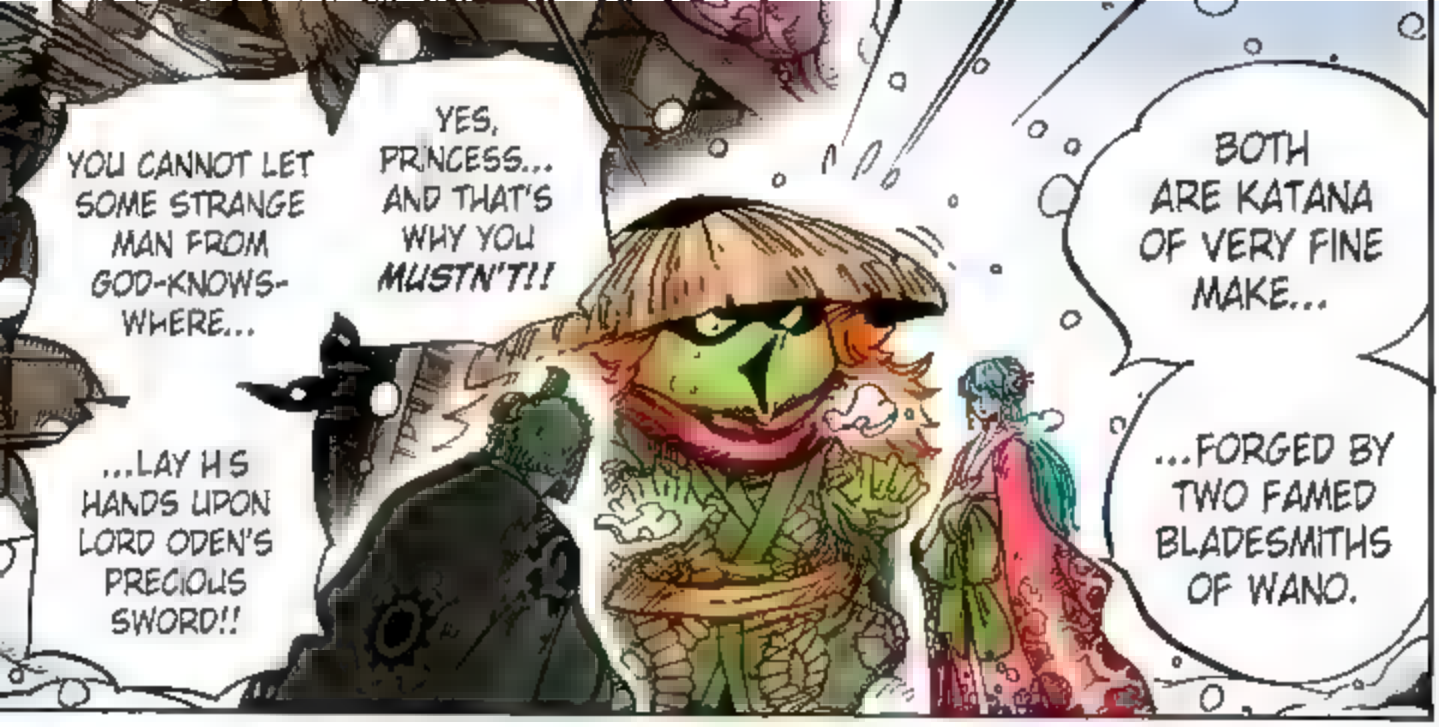
ON THE DAY BEFORE HIS EXECUTION...
MY FATHER, KOZUKI ODEN... WAS A SWORDSMAN WHO WIELDED TWO FULL-SIZE SWORDS.
...



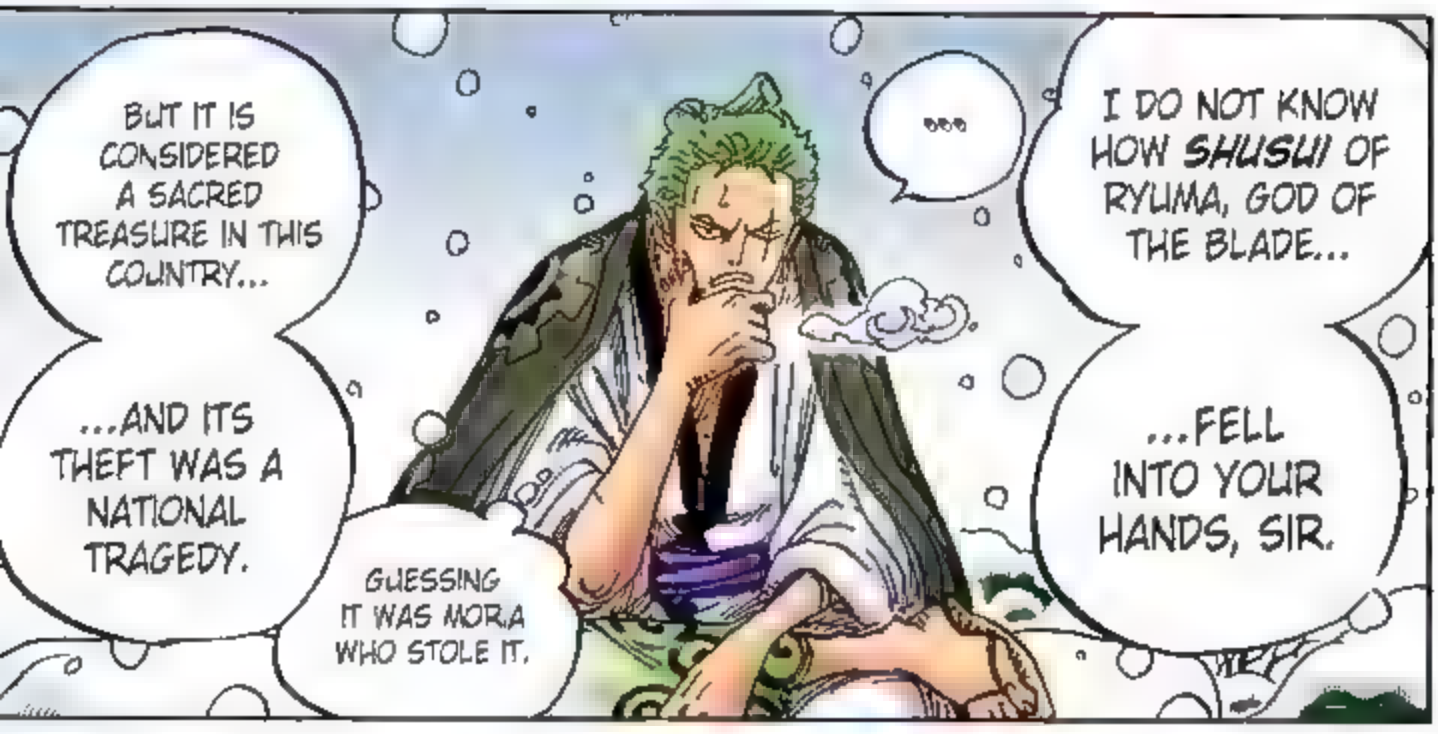
NO, LADY HIYORI!! YOU CANNOT GIVE AWAY YOUR MEMENTO OF LORD ODEN!!
...



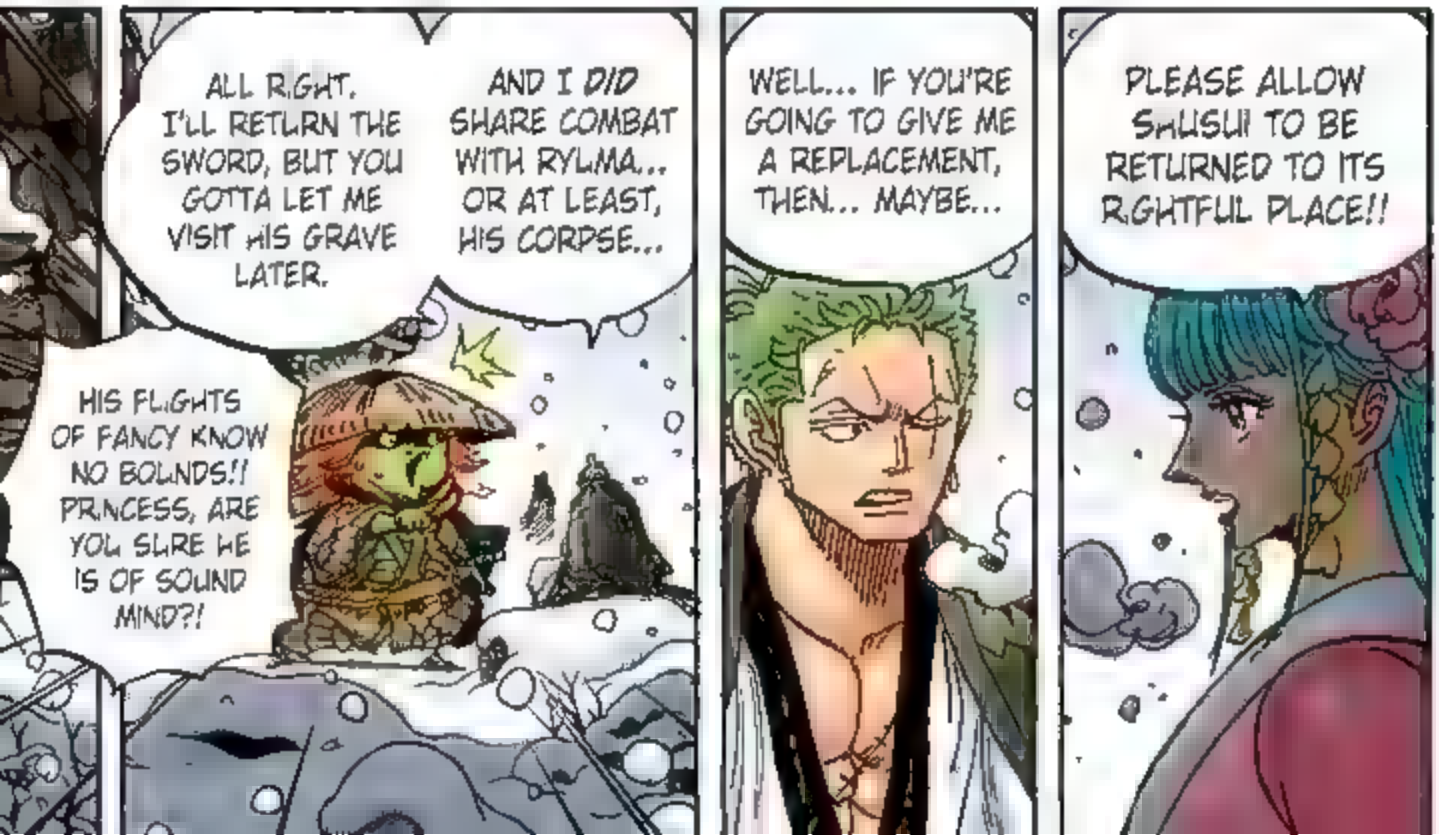
AND I WAS GIVEN ENMA.
...HE ENTRUSTED ONE OF HIS SWORDS TO MY BROTHER AND ONE TO ME.
MY BROTHER WAS GIVEN AME-NO-HABAKIRI.



YOU CANNOT LET SOME STRANGE MAN FROM GOD-KNOWS-WHERE...
...LAY HIS HANDS UPON LORD ODEN'S PRECIOUS SWORD!!
YES, PRINCESS... AND THAT'S WHY YOU MUSTN'T!!
BOTH ARE KATANA OF VERY FINE MAKE...
...FORGED BY TWO FAMED BLADESMITHS OF WANO.



BUT IT IS CONSIDERED A SACRED TREASURE IN THIS COUNTRY...
...AND ITS THEFT WAS A NATIONAL TRAGEDY.
GUESSING IT WAS MORIA WHO STOLE IT.
...
I DO NOT KNOW HOW SHUSUI OF RYUMA, GOD OF THE BLADE...
...FELL INTO YOUR HANDS, SIR.



ALL RIGHT. I'LL RETURN THE SWORD, BUT YOU GOTTA LET ME VISIT HIS GRAVE LATER.
AND I DID SHARE COMBAT WITH RYUMA... OR AT LEAST, HIS CORPSE...
HIS FLIGHTS OF FANCY KNOW NO BOUNDS!! PRINCESS, ARE YOU SURE HE IS OF SOUND MIND?!
WELL... IF YOU'RE GOING TO GIVE ME A REPLACEMENT, THEN... MAYBE...
PLEASE ALLOW SHUSUI TO BE RETURNED TO ITS RIGHTFUL PLACE!!

HE IS ALWAYS IN SEARCH OF MIGHTY SOLDIERS!!

"I W.LL GLADLY TAKE YOU, IF YOU AGREE TO JOIN ME."

WHAT CAN WE DO...?

...!!

YAMMER

YAMMER

THE SAMURAI IN RASETSU HAVE STILL NOT BEEN RELEASED.

FLOWER CAPITAL

MY CHANCES OF VICTORY IN THAT SITUATION WERE ***ZERO PERCENT.***

IT IS HOW HE WILL BUILD HIS ALMIGHTY ARMY.

I DID NOT HAVE ANY OTHER CHOICE...

CHANCE OF SUCCESSFUL ESCAPE, ZERO PERCENT. CHANCE OF SURVIVAL UPON SURRENDER, 40 PERCENT.

KAIDO WILL NOT KILL MEN OF SUCH STRONG DISPOSITION.

HE WILL ATTEMPT TO BREAK THEIR SPIRIT SO THAT THEY OBEY HIM.

THEY STOOD UP TO HIM AND FOUGHT UNTIL THEY COULD FIGHT NO LONGER...

BUT KID AND KILLER WERE DIFFERENT.

THE ONE BETWEEN YOU, KID AND APOO?

WHAT HAPPENED TO YOUR ALLIANCE?

ZOOM!!!

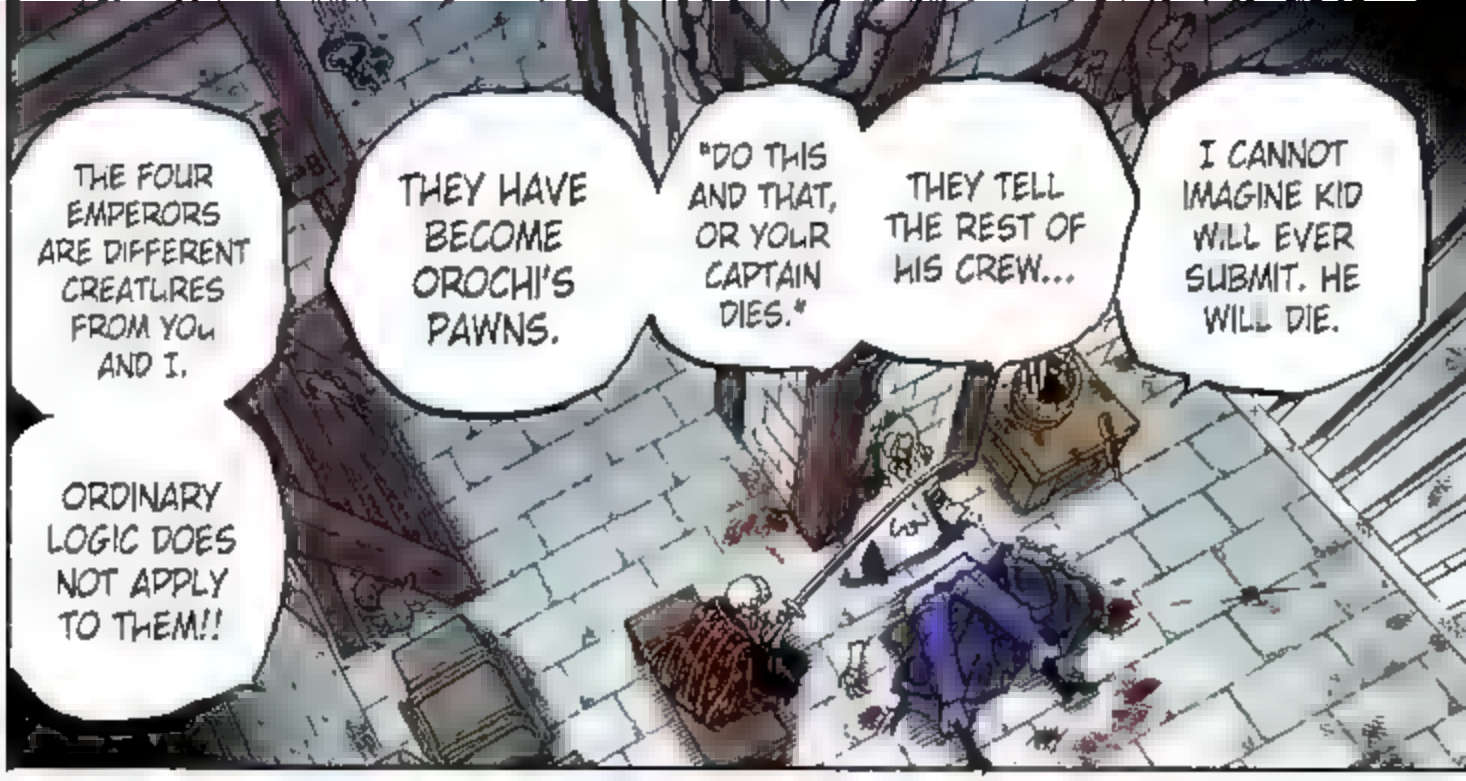
...

THAT MONSTER KAIDO SAID TO US...

...

SCRATCHMEN APOO WAS IN KAIDO'S EMPLOY ALL ALONG...

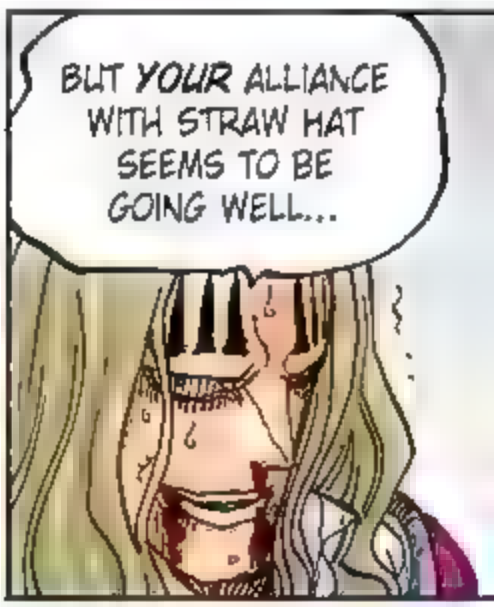
WE WERE TRICKED. BETRAYED ...



THE FOUR EMPERORS ARE DIFFERENT CREATURES FROM YOU AND I.
ORDINARY LOGIC DOES NOT APPLY TO THEM!!
THEY HAVE BECOME OROCHI'S PAWNS.
"DO THIS AND THAT, OR YOUR CAPTAIN DIES."
THEY TELL THE REST OF HIS CREW...
I CANNOT IMAGINE KID WILL EVER SUBMIT. HE WILL DIE.

SUKSU!!
I'M THE ONE ASKING QUESTIONS.
!!

...HAS YOUR OPINION CHANGED AT ALL?
NOW THAT YOU'VE COME HAPPILY INTO WANO...



BUT YOUR ALLIANCE WITH STRAW HAT SEEMS TO BE GOING WELL...

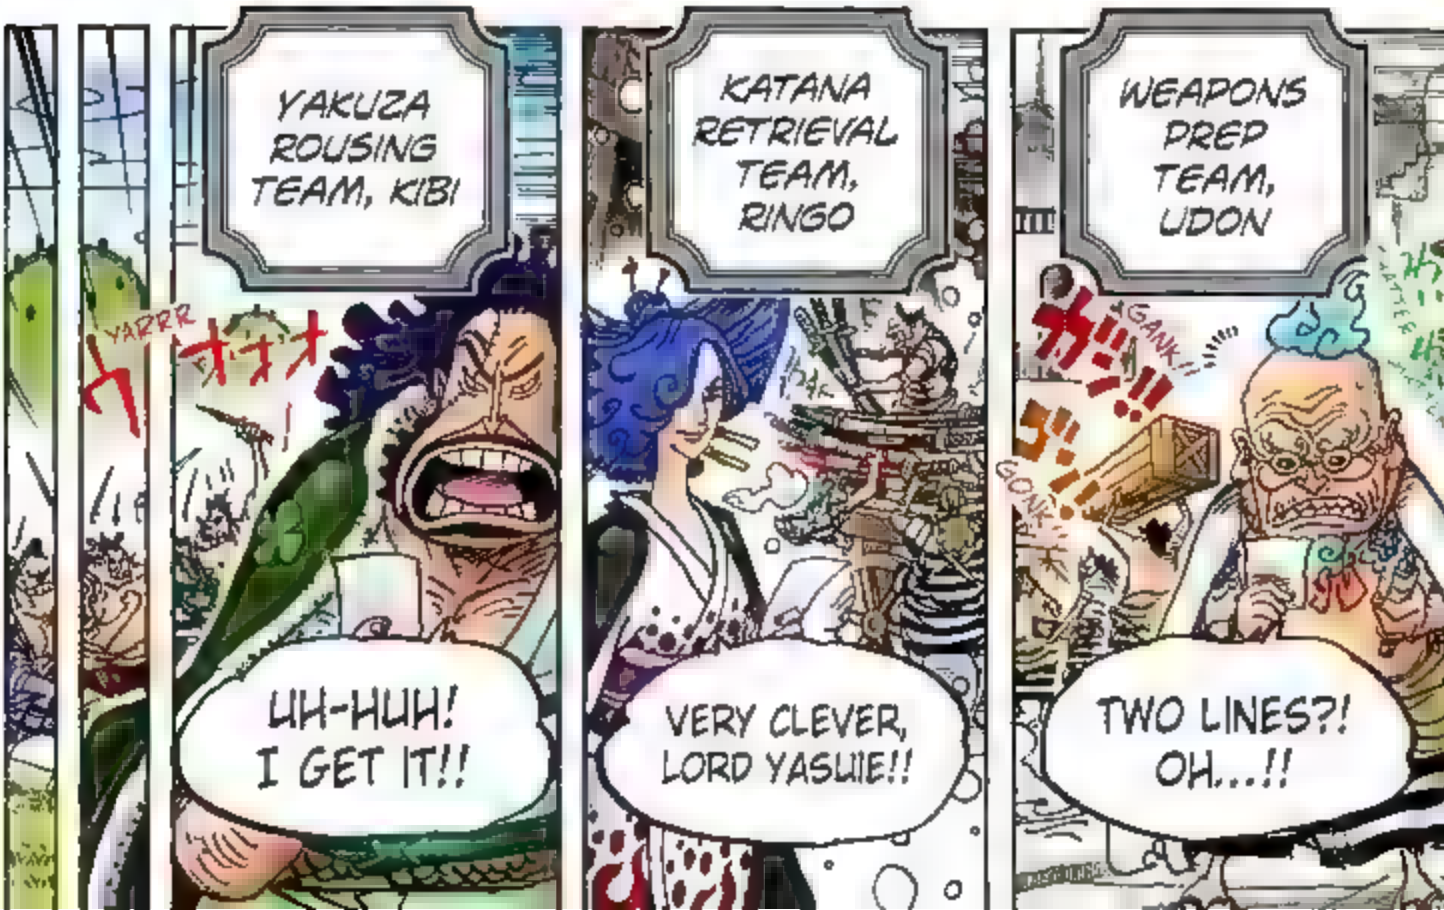
...THEN CONSIDER ME A WILLING PARTICIPANT...
IF LETTING ME WALK IS PART OF YOUR PLOT...
SIX DAYS UNTIL THE RAID ON ONIGA-SHIMA.
BANG!!
バン!!

CLANK...
CREAK...

...YOUR UTTER DEFEAT!!!
I WANT YOU TO RECALL...
EXCAVATION LABOR CAMP, UDON
GANK!!
GONK!!
RECALL HOW ALL OF YOUR STRENGTH AMOUNTED TO NOTHING!!
HUFF !!
GONK!!
THAT IS KAIDO'S SKIN!!
HE'S POUNDING THAT STEEL LIKE IT'S GELATIN...
HUFF !!
WE DON'T HAVE TIME!! THE ENEMY IS A MONSTER!!
BUT YOU CAN DO THIS!!!
FIVE DAYS UNTIL THE RAID.
YAAAA!!!
DOOM!!

KIN'EMON SPEAKING.
AMIGASA VILLAGE, KURI
THERE HAS BEEN AN ALTERATION TO THE RIDDLE IMAGE YOU HOLD.
LORD YASUIE'S MESSAGE IS TO ADD TWO LINES TO THE STOMACH OF THE VIPER!!

GOOD.
SHIP REPAIR TEAM, ITACHI PORT, KURI
TELL HIM WE'RE GONNA GET THESE SHIPS BACK IN SUPER-SHAPE!!
YOU TALKIN' TO KIN'EMON ?!
WE GOT THIS, MAN!!
RAAAAA
TWO LINES... GOT IT!! I UNDERSTAND NOW!!



YAKUZA ROUSING TEAM, KIBI
KATANA RETRIEVAL TEAM, RINGO
WEAPONS PREP TEAM, UDON
YARRR
GANK
GONK
UH-HUH! I GET IT!!
VERY CLEVER, LORD YASUIE!!
TWO LINES?! OH...!!

...UNLESS YOU KNOW THE NAMES OF WANO'S PORTS.

THIS WOULD NOT MAKE SENSE...

SO WHAT DOES IT MEAN THAT THE VIPER HAS TWO EXTRA L NES? L.KE... "WIPER"?

SCIER

I'M IMPRESSED. ALL THE WANO PEOPLE FIGURED IT OUT RIGHT AWAY.

EACH PORT OF WANO HAS A NAME THAT SUGGESTS A DIFFERENT ANIMAL.

BUT TWO LEGS HAVE BEEN ADDED ON IT.

THE DRAWING OF A PIT VIPER, OR ***HABU,*** INDICATES A DESTINATION OF HABU PORT.

BY ATTACHING LEGS TO THE VIPER, IT BECOMES A LIZARD, OR ***TOKAGE!***

NEKO PORT

KAERU PORT

Flower Capita

ITACHI PORT

TOKAGE PORT

HABU PORT

MOGURA PORT

...LORD YASUIE WAS ABLE TO ENSURE OUR RAID CONTINUES, ALL IN ONE CLEAN STROKE.

...TO KEEP THE DETAILS AWAY FROM OUR CUNNING FOES...

BY CLEVERLY ALTERING THE MEETING PLACE OF THE PLAN...

AND THERE IS A TOKAGE PORT IN UDON.

MARCH

MARCH

WE MIGHT ACTUALLY REACH OUR GOAL OF 5,000 MEN.

IT'S COMING TOGETHER WELL.

YES, IT'S SPLENDID!!

LET'S QUIT WASTIN' TIME!!

...THE STRATEGY MEETING!!

YES, LET US BEGIN...

"...OF ALL OF WANO!!"

"YOU MUST BE THE GUARDIAN DEITIES..."

YEARS AGO, LORD YASUIE LEFT US WITH AN IMPORTANT MESSAGE...

IT WOULD BRING SHAME UPON ME TO FAIL TO MAKE IT COUNT!!

WE REQUIRED THE HELP OF OUR SAVIOR TO HIS DYING MOMENT!

...WAS AN INCREDIBLE MAN...

THIS YASUIE...

...BUT WE HAVE SEVEN VASSALS OF KOZUKI GATHERED!!

THERE IS STILL NO WORD ON DENJIRO, ALAS...

...WE ARE ACCUMULATING MANPOWER AT AN IDEAL RATE!

...BUT WITH YOUR HELP...

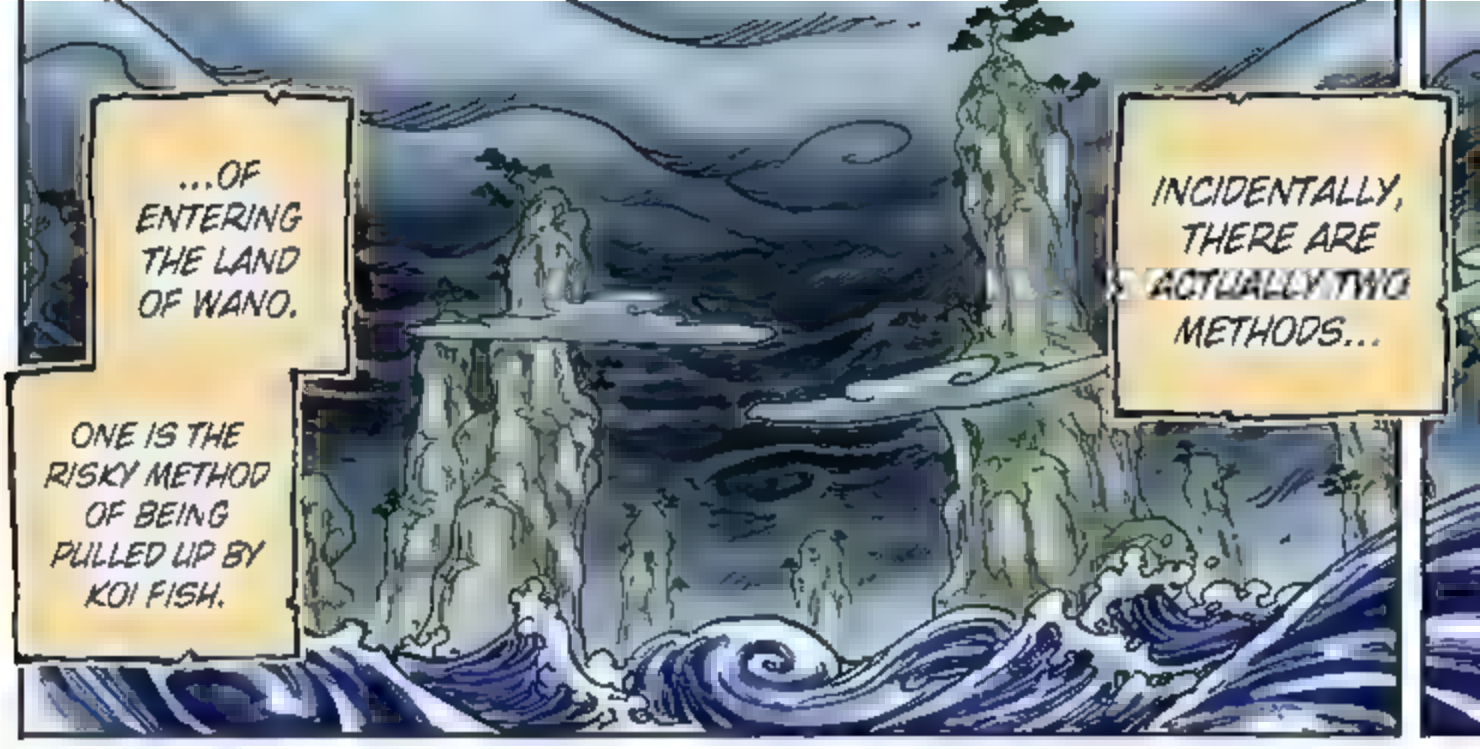
THERE ARE STILL PROBLEMS TO BE CONQUERED...

ドドドド!!

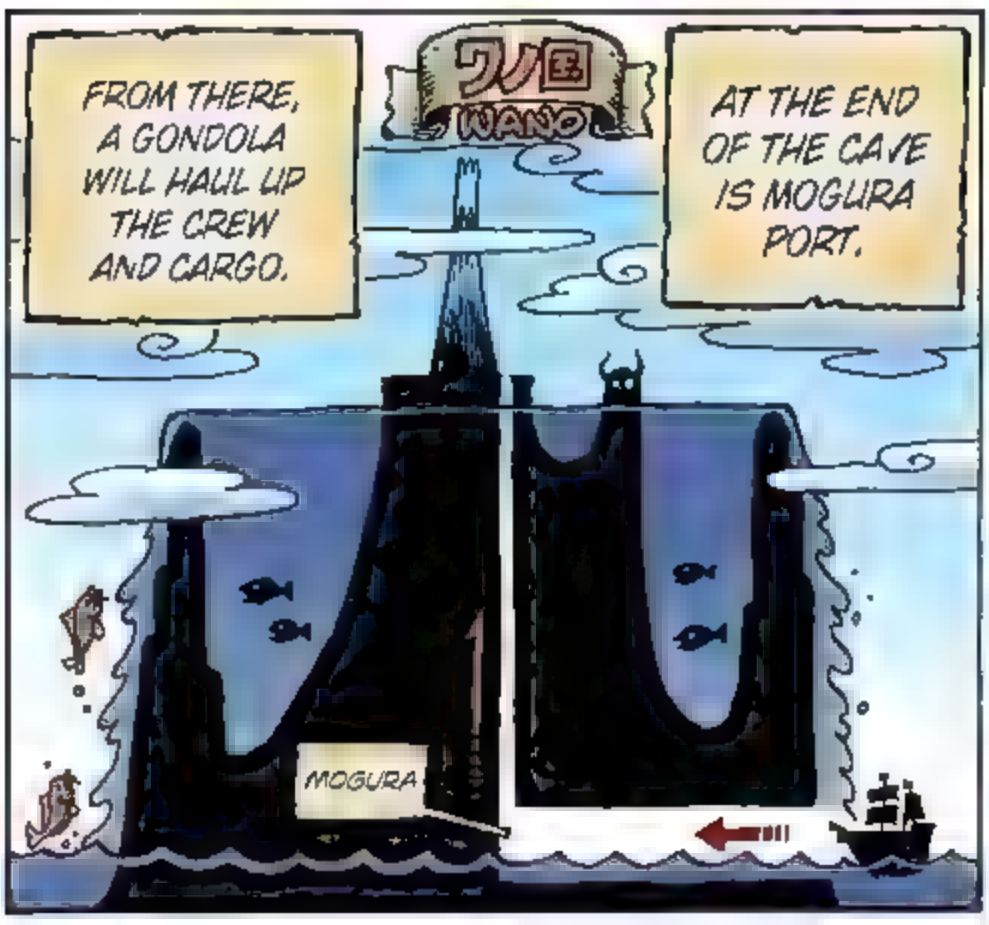
ZOOM!!

ベベベベベベ!!!

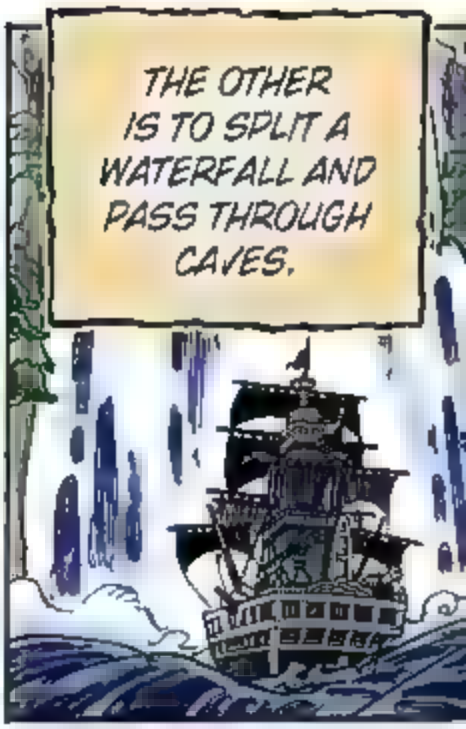
BE-BENG!!



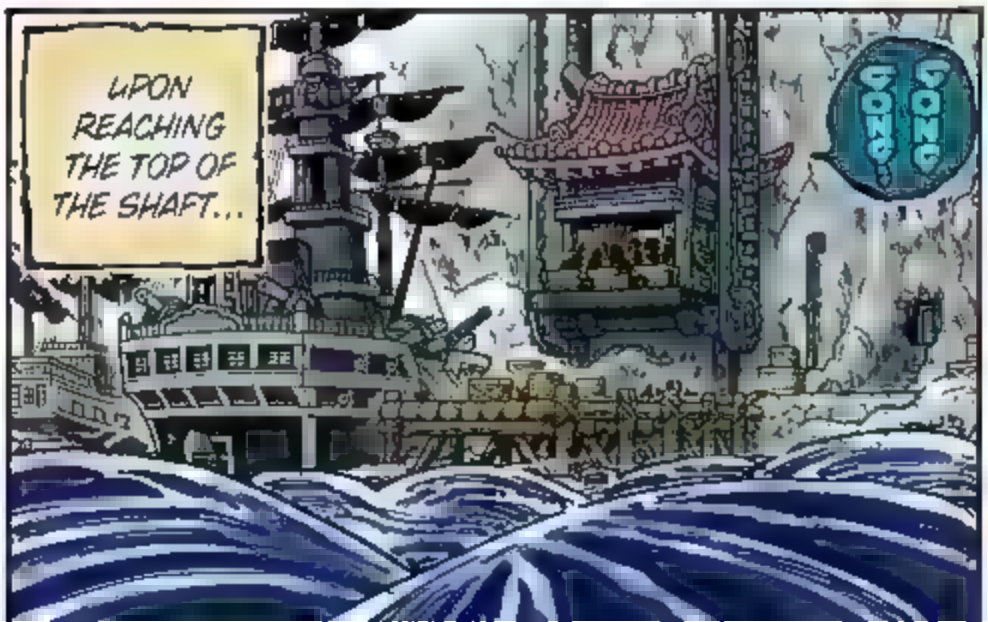
...OF ENTERING THE LAND OF WANO.
ONE IS THE RISKY METHOD OF BEING PULLED UP BY KOI FISH.
INCIDENTALLY, THERE ARE ACTUALLY TWO METHODS...



FROM THERE, A GONDOLA WILL HAUL UP THE CREW AND CARGO.
ワノ国 WANO
AT THE END OF THE CAVE IS MOGURA PORT.
MOGURA

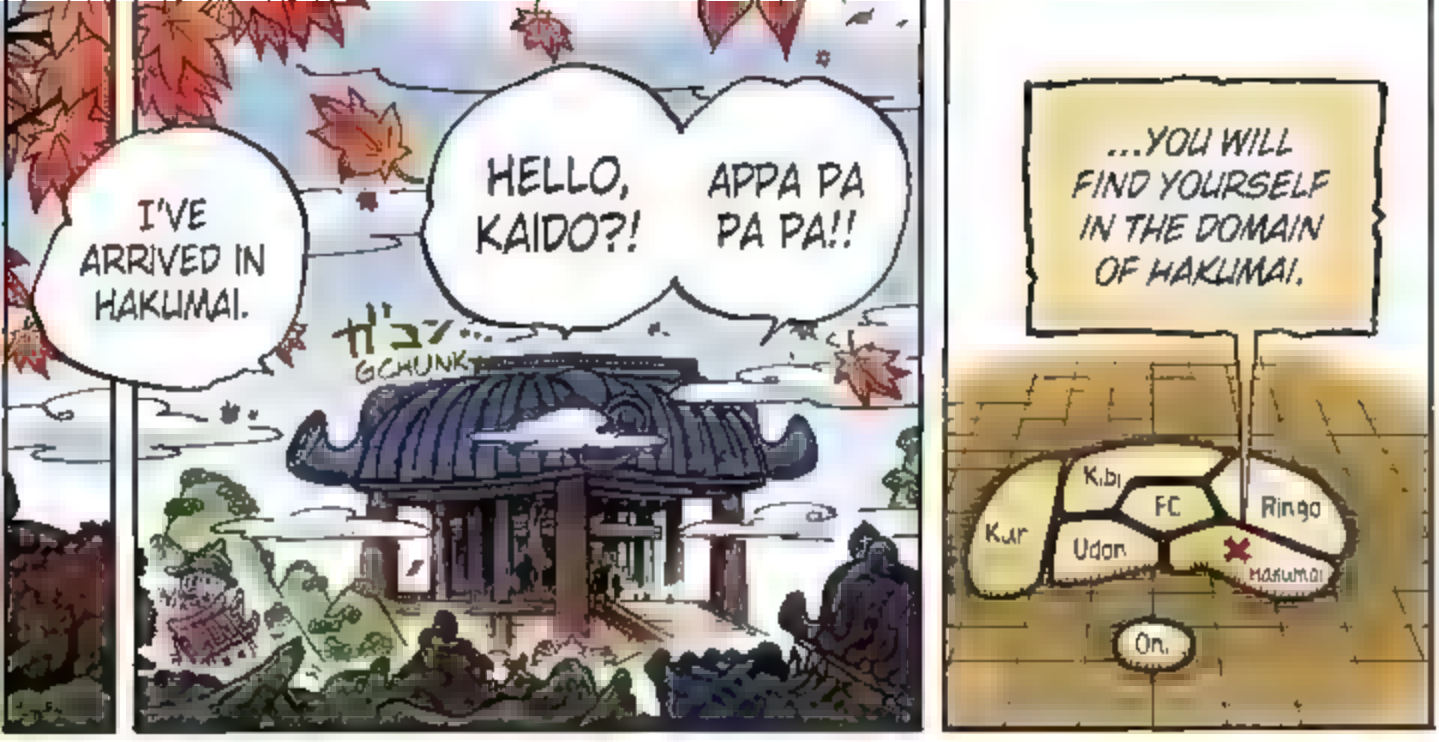


THE OTHER IS TO SPLIT A WATERFALL AND PASS THROUGH CAVES.



UPON REACHING THE TOP OF THE SHAFT...
GONG
GONG
GONG

FSSSHH.
NATURALLY, THERE IS NO SAFE PASSAGE WITHOUT THE PERMISSION OF KAIDO AND OROCHI.



I'VE ARRIVED IN HAKUMAI.
HELLO, KAIDO?!
APPA PA PA PA!!
ガコン…
GCHUNK
...YOU WILL FIND YOURSELF IN THE DOMAIN OF HAKUMAI.

APPA PA PA! OF COURSE WE HAVE!!
IT'S THE ANNUAL GOLDEN FESTIVAL!!
EVEN YOU'VE COME BACK BEFORE THE PARTY?!
WHAT'S THIS?

THAT'S...THE NUMBERS FROM ONI-GASHIMA...
C'MON, LET'S GET OUTTA HERE!!
WE DON'T WANNA GET GOBBLED UP!!
ズシィン!!
ZDOOM!!
SOUNDS GREAT! LET'S DO IT UP!!
IT'S GOING TO BE A VERY LIVELY ONE THIS YEAR.
?
ズシィン!
ZDOOM!
I'M NOT GONNA GET LEFT OUT OF THE FUN!!

WHAT IS IT?

HEY! LISTEN UP.

HOW DID THEY GO FROM A DEATH MATCH TO BEING FRIENDS...?

THAT'S RIGHT! WE'RE CE-LEBRAT-ING!!

THE FIRE FESTIVAL'S GOING TO BE THE GREATEST PARTY EVER!!

I HATE THOSE GUYS!! THEY'RE SUCH MESSY DRUNKS!

THEY'RE COMING TO THE PARTY TOO?!

WHAT ?!

IT WOULD SEEM THE *NUMBERS* HAVE RETURNED...

...ARE GOING TO BE FORMING A PIRATE ALLIANCE!!!

...AND THE BIG MOM PIRATES...

THE BEASTS PIRATES...

?!!

DOOM!!

...*THEN* WE CAN FINISH OUR FIGHT TO THE DEATH!!!

AND ONCE WE'VE WORKED TOGETHER TO TAKE OVER THE WORLD...

HAAAAAA

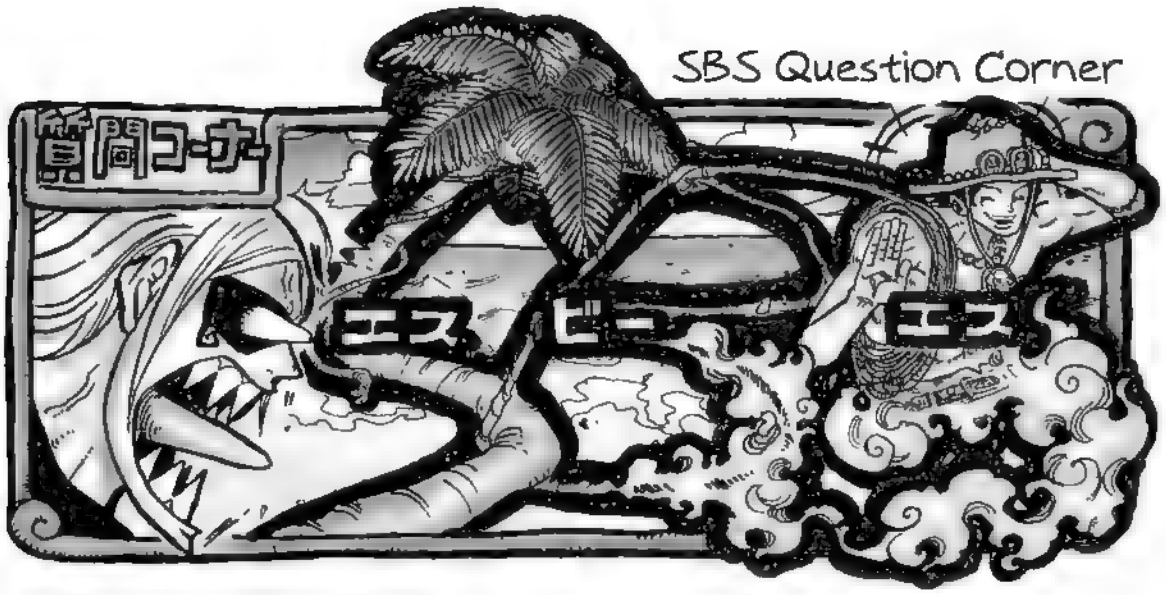
SBS Question Corner



(Hamane, Tokyo)

Q: Whoa! A UFO! (*While Odacchi is distracted*)
Ready, set… Start the SBS!!

--Tomo and Isshi

A: Huh?! Where?! I wanna see a UFO! I've never seen one!! I'll take my bike to check it out!! Which way did it go?! Oh! I see something shining! And spinning! No, that's just an idol fan waving glowsticks...
Wait a second, the SBS started without me!!

Q: Question for Odacchi! Does the teacher with the elongated neck have Devil Fruit powers? Or is she part of a special race?

--Masajuro the Ronin

A: Ah yes, that would be Miss Sarahebi. She's a very popular teacher with the children, but of course, she's a henchman of Orochi and Kaido, and is filling the kids' heads with anti-Kozuki lies. Her neck is a snake's neck because of a Smile fruit.

Q: Hello, Oda Sensei. I would like to know the flower and animal that you associate with each member of the Worst Generation.

--Takusai

A: Okay. I don't know much about flowers, so I'm not looking up their special flower meanings or anything!

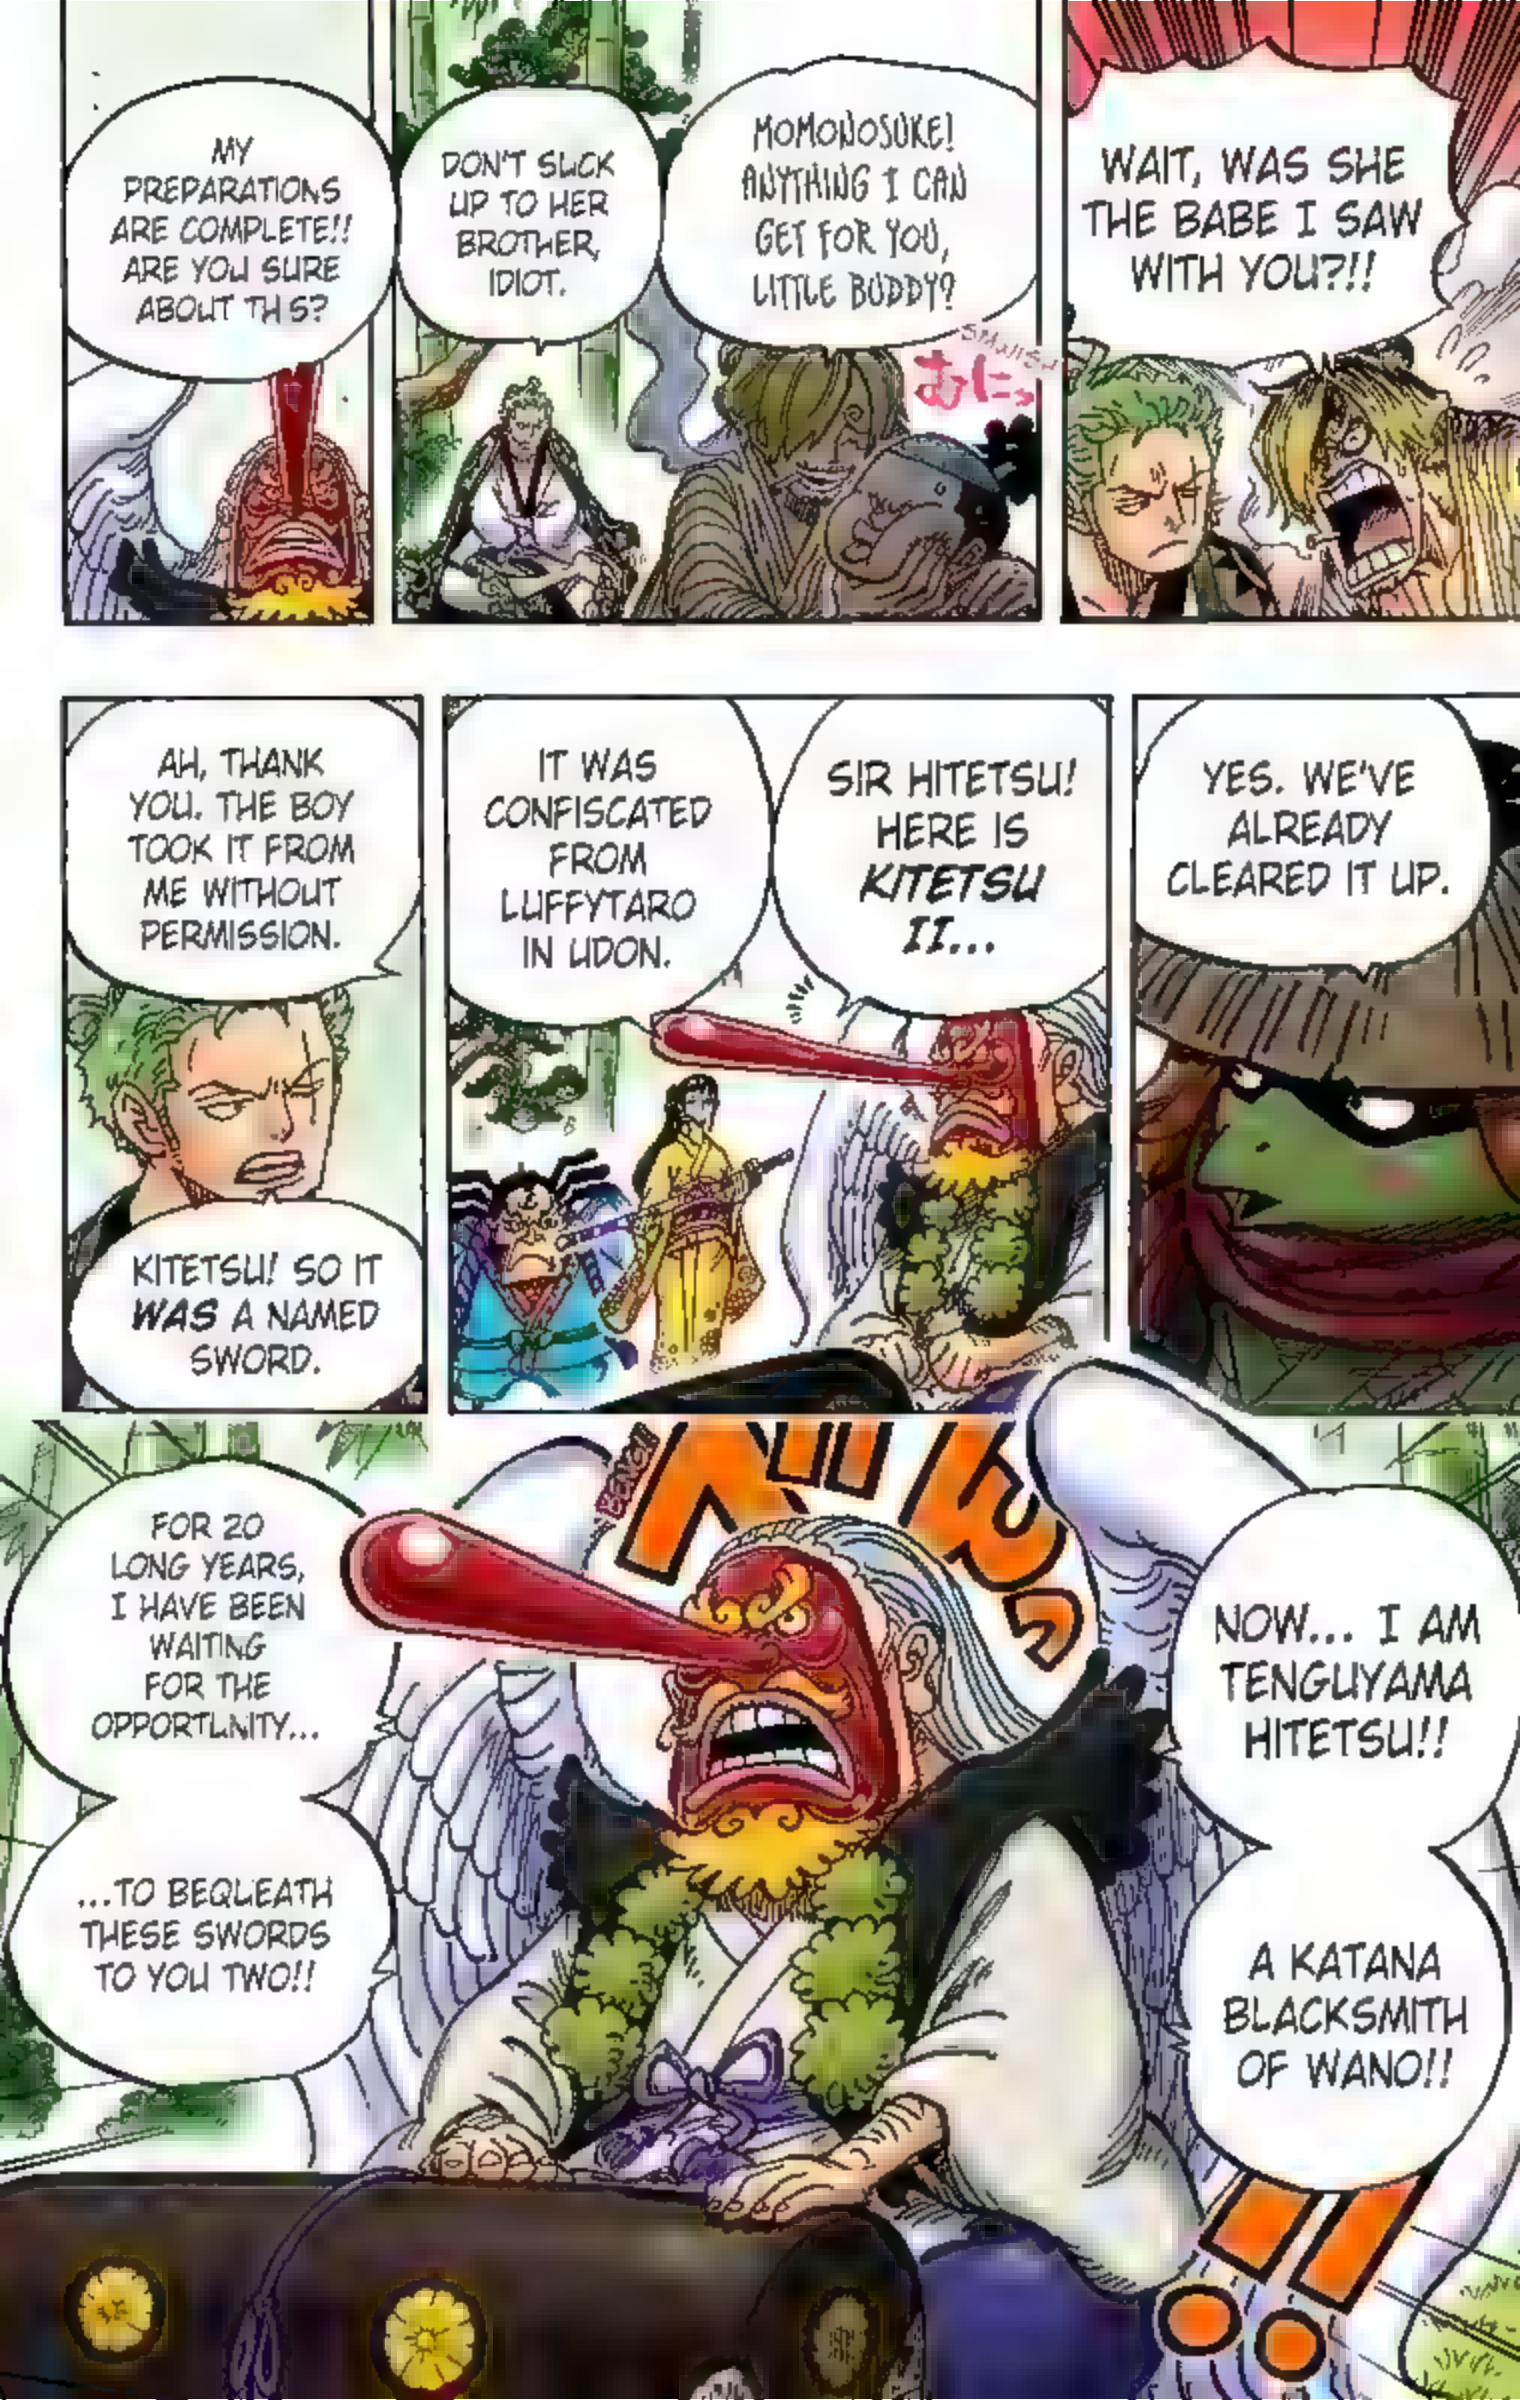
SHE'S 18 YEARS OLDER THAN YOU NOW.
YOU GOTTA GET YOUR MIND OUT OF THE PAST.
LISTEN, MOMO...
HIYORI IS ROUGH-AND-TUMBLE, BUT AT HER CORE SHE IS SOFT AND QUICK TO TEARS...
YOU RESCUED HER, ZOROJURO? I AM IN YOUR DEBT.
WHAT?! A FLYING KICK FROM SOMEONE 18 YEARS OLDER?! THAT SOUNDS DANGEROUS.
OH!!



MY PREPARATIONS ARE COMPLETE!! ARE YOU SURE ABOUT THIS?
DON'T SUCK UP TO HER BROTHER, IDIOT.

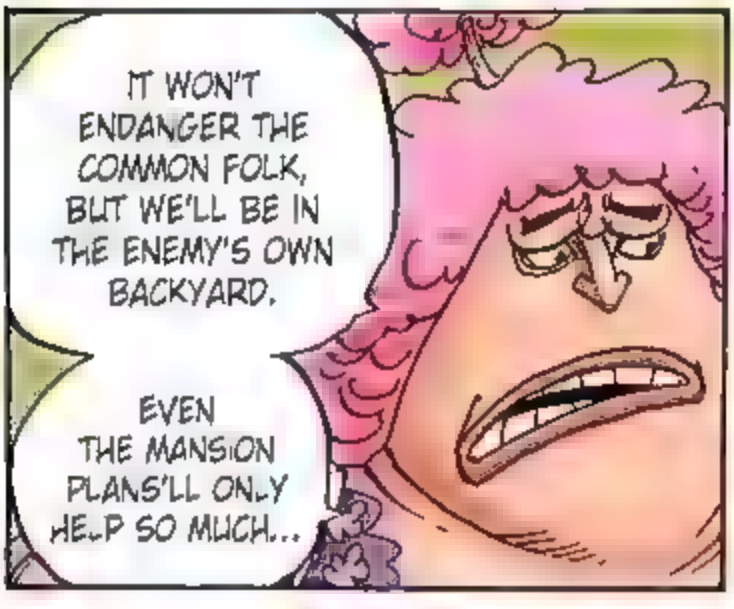
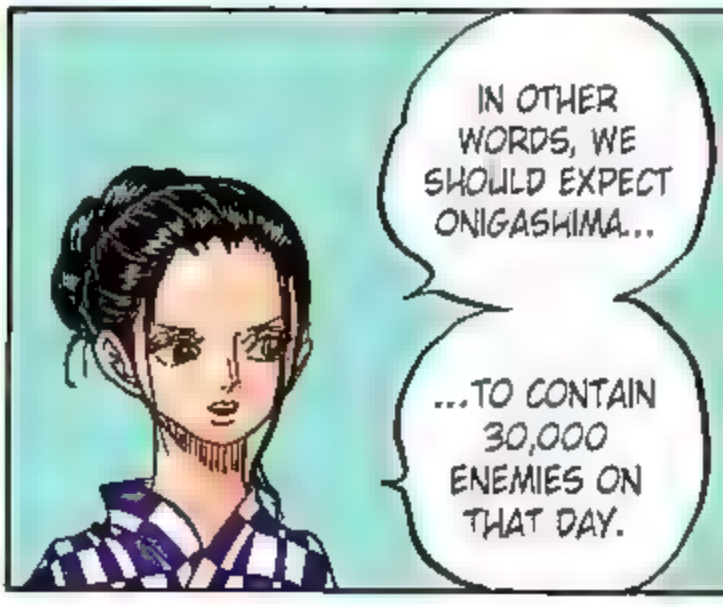
ACCORDING TO THE INTEL I HEARD...
AMIGASA VILLAGE, KURI
THREE DAYS UNTIL THE RAID.



IT WON'T ENDANGER THE COMMON FOLK, BUT WE'LL BE IN THE ENEMY'S OWN BACKYARD.
EVEN THE MANSION PLANS'LL ONLY HELP SO MUCH...



IN OTHER WORDS, WE SHOULD EXPECT ONIGASHIMA...

(1 ♡ OP, Ishikawa)

Q: Hello, Oda Sensei. I have a question to ask you. Zolo bites his sword. Doesn't that hurt his teeth? My favorite character is Zolo.

--Shunya N.

A: Ahh, Zolo's biggest fan, Shunya! That's a very kind concern. Yeah, I bet Zolo's teeth probably hurt. But he bites on the sword through the pain anyway! He does this because he made a promise with his old best friend when he was a kid. They promised that one of them would become the strongest in the world, and the sword he bites now is a memento of that friend after she died. Now Zolo uses three swords because he turns his friend's sorrow into strength! So he bites his sword even if his teeth hurt! He'll do it until he becomes the best in the world!! Thanks for your letter! Send them in whenever you want!

Q: You know how, in the bathhouse of chapter 935, someone is using the art of water escape to hide in the bath? As a matter of fact, that was me!

--Sanadacchi

A: That was you?!
I was having a nice wholesome, heartwarming SBS with Shunya and you've ruined it all!!

Q: I've noticed that there are times when right after a really emotional or touching moment at the end of a chapter, there won't be something really tasteless like an SBS segment when you turn the page. Is that an intentional decision, or just a coincidence?

--Hoshito

A: Yes! Sometimes I use a placeholder instead. I do pay close attention to that stuff! I mean, the last thing you want to see after a nice heartfelt moment is Sanada!

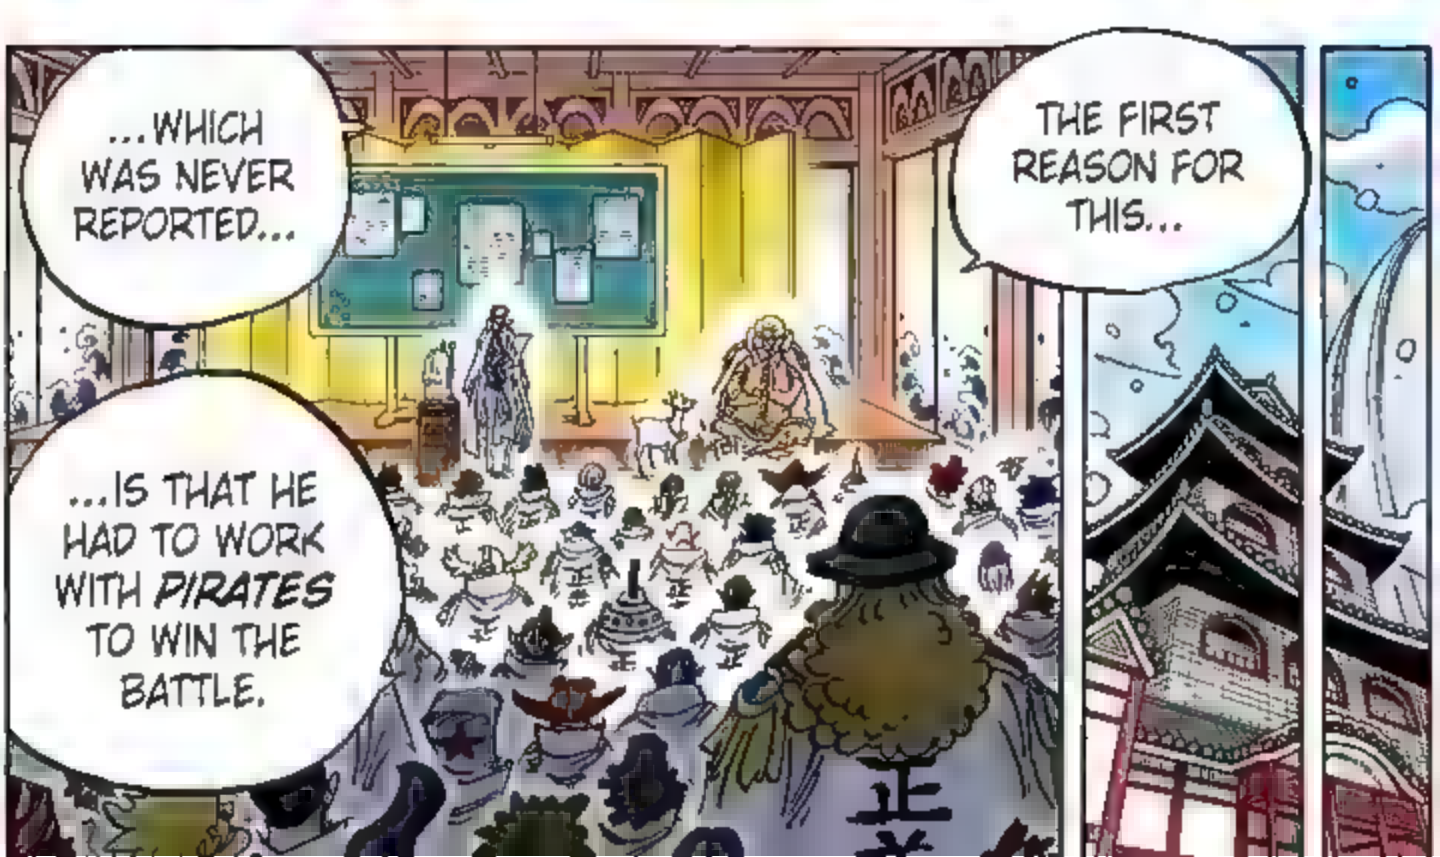
BIG MOM AND KAIDO?!
IT'S JUST ONE THING AFTER ANOTHER...
...I'LL TELL YOU A BIT OF IT...
FOR THE SAKE OF THE HISTORICAL RECORD...
...



...WHICH WAS NEVER REPORTED...
...IS THAT HE HAD TO WORK WITH PIRATES TO WIN THE BATTLE.
THE FIRST REASON FOR THIS...

...IS THAT HE PROTECTED CELESTIAL DRAGONS IN DOING SO.

THE OTHER REASON...

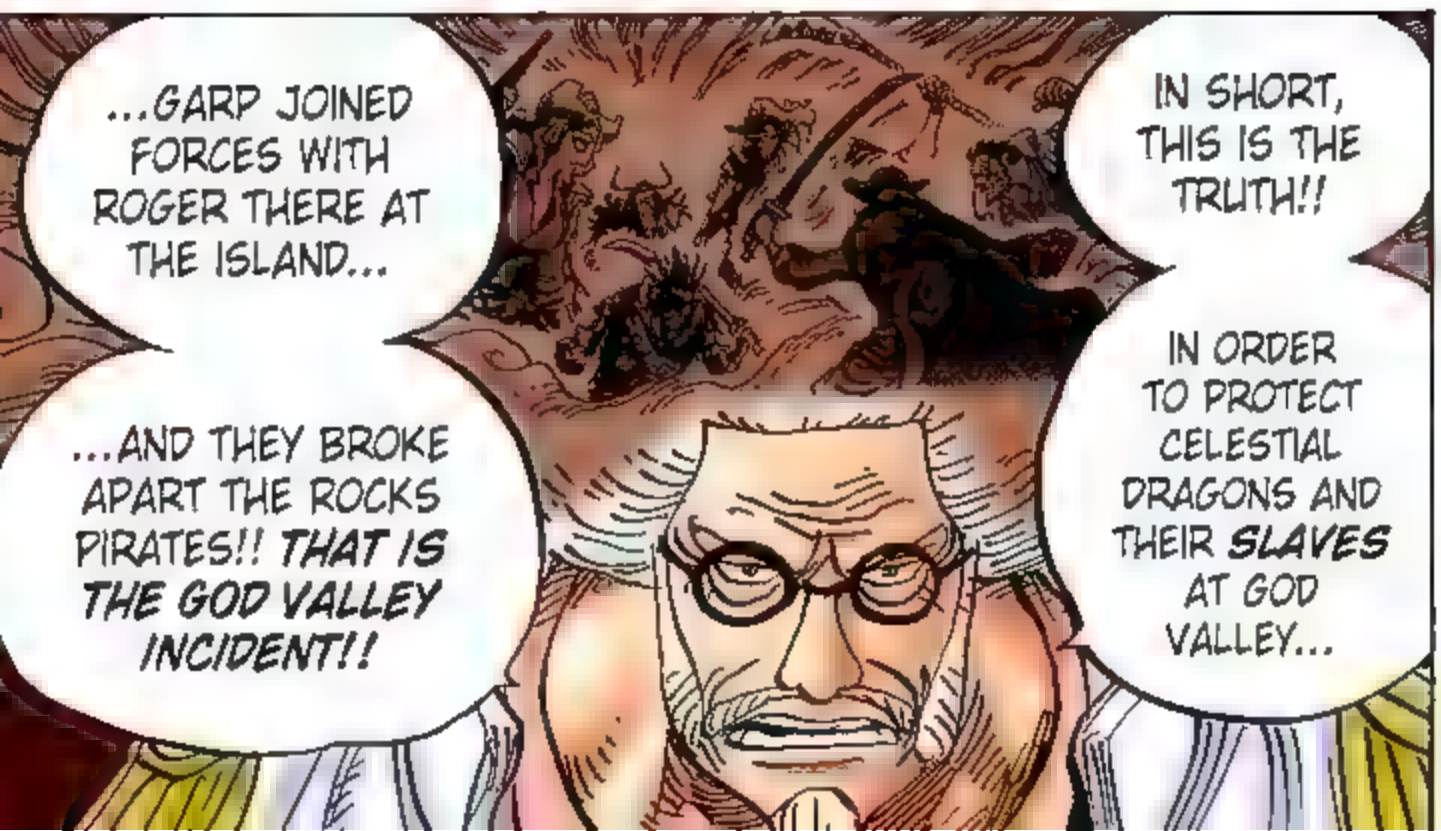
...IS BECAUSE IT WOULD PLACE HIM DIRECTLY BENEATH THE CELESTIAL DRAGONS' COMMAND.
THE REASON GARP HAS ALWAYS REFUSED TO TAKE AN ADMIRAL'S POSITION...
HIS PERSONAL MORAL COMPASS SPARES NO ROOM FOR SUCH A DUTY.
IT'S ONLY HIS ACCOMPLISHMENTS AND STATURE THAT KEEP H.M FROM BEING ***ELIMINATED*** FOR THIS INSUBORDINATION.
SHOULDN'T IT BE A MARINE'S DUTY TO PROTECT CELESTIAL DRAGONS?!



...GARP JOINED FORCES WITH ROGER THERE AT THE ISLAND...
...AND THEY BROKE APART THE ROCKS PIRATES!! ***THAT IS THE GOD VALLEY INCIDENT!!***
IN SHORT, THIS IS THE TRUTH!!
IN ORDER TO PROTECT CELESTIAL DRAGONS AND THEIR ***SLAVES*** AT GOD VALLEY...

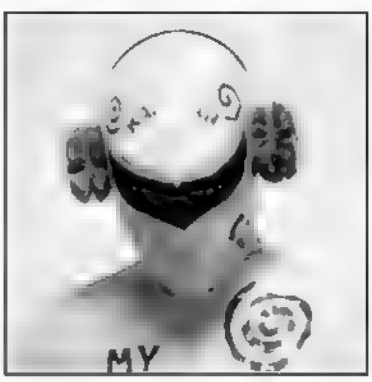
(420 Land, Hong Kong)

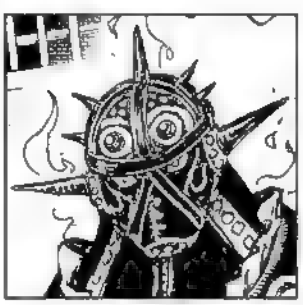
Q: Oda Sensei, I have been recognized by Guinness World Book for having the world's largest collection of One Piece merchandise, at **5,656** items!! Yippeeee!!! Buying merch for 18 years straight without taking a break wasn't a mistake after all.

--Sanadacchi

A: What?! Guinness World Book?! Congra...!! What?! "Sanada"?!!



Why do I feel like I shouldn't be congratulating you...?! Is this a joke?! Or is this serious?! [Looking it up online] Well, it looks like it's true.
And how come I didn't know you're a Youtuber, Sanada?!
Listen up, people, you don't need to watch this pervert's Youtubes!
But I guess I have to admit that you really do love *One Piece*...despite being a pervert. And it's a real accomplishment to be the greatest in the world! So I'll be the better man and offer my sincere sentiments.
Despite being a pervert, congratulations! And despite being a pervert, thank you!



Q: You mentioned three races that can't be found in Totto Land. Is that giants, whatever King is…and me?

--Cora-Loving King

A: No.

Q: Tell us the name of the toad riding on Usopp's head, and how it got there.

--Match & Takeshi

A: His name is Toad Boingnosuke. He was caught in a snake's sights when Usopp happened along, at which point he jumped atop Usopp's head. Usopp saw the snake, freaked out and ran away. Boingnosuke realized that he was safe atop of Usopp, so he's been there ever since.

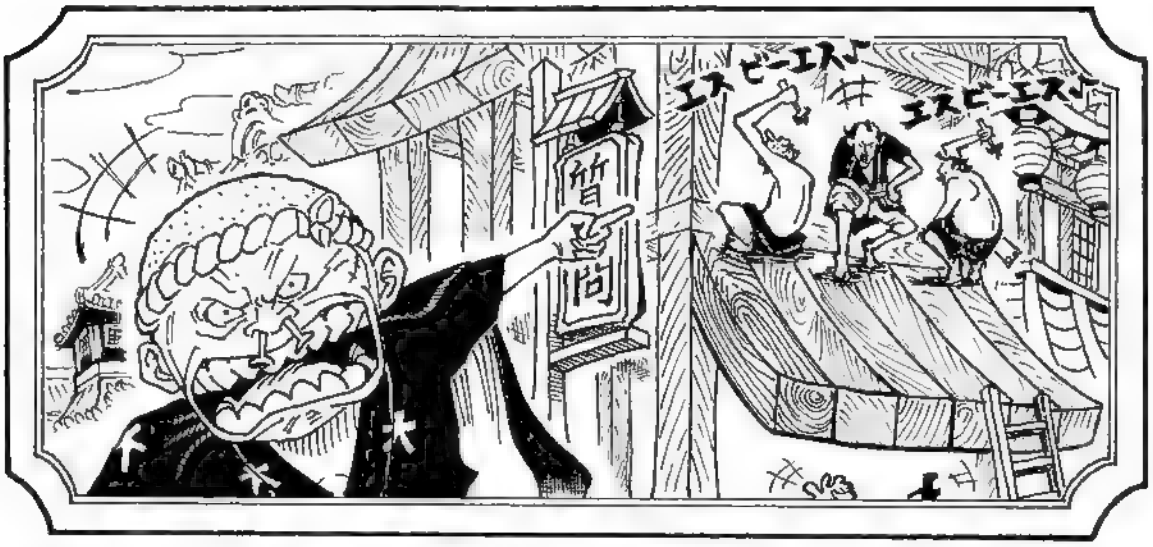
SBS Question Corner



(Yuya, Gifu)

Q: I think that Captain Belo Betty of the Revolutionary Army's Eastern Forces is awesome and cool and beautiful! Is she based on Marianne, the figure from Delacroix's *Liberty Leading the People?*

--Yuito

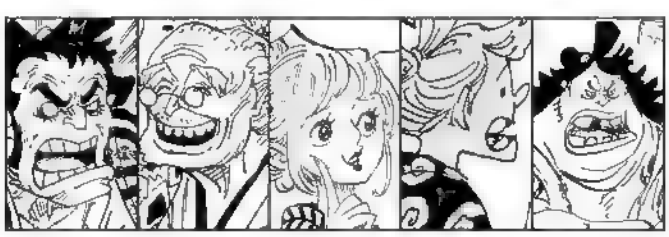
A: That's right. The painting where she's leading them like a tour bus guide! That was the image I was going for with Betty! She's very popular.

Q: This is a question for Odacchi!! How is it that transponder snails look like their owners? Sometimes they look like the person on the other end of the call, and sometimes they talk to people while looking like their owner! They are very mysterious creatures!

--Omame

A: First of all, transponder snails have the ability to mimic the appearance of others. So they can disguise themselves with the features and looks of people who are close to them. When they're talking to someone else, they can pick up the expressions of the people they're talking to, but which one they choose, if any at all, is entirely up to the individual snail's mood. They're living things, not machines, so there are no hard rules on how they work.

Q: Hello, Odacchi! I noticed something about the people Franky tracks down while searching for the mansion plans in chapter 929. Kumagoro, Kobei, Kisegawa, Tokijiro, Rakuda… These are all names from famous *rakugo* stories! The line about Orochi having "tuna for sashimi" is also from a rakugo routine. You really do love your rakugo!



--The Eel Flatterer

A: That's right! I'm a huge fan of the traditional form of comic storytelling known as rakugo. I've been stuffing this story arc full of little references! You don't need to know any of them, I'm just including them as Easter eggs for those in the know to recognize and enjoy!

BY AGE SIX, HE WAS REGULARLY VISITING THE BROTHELS AND SPENDING THE PALACE'S MONEY...
SHOGUN OF WANO
KOZUKI SUKIYAKI
(ODEN'S FATHER)
TO QUICKLY SUM UP HIS LIFE THUS FAR..
BEFORE THE AGE OF ONE, HE THREW HIS WET NURSE TO THE GROUND...
AT AGE TWO, HE WAS QUICK ENOUGH TO CATCH TWO HARES AT ONCE...
...FORBIDDEN FROM ENTERING THE GAMBLING DEN!!
...AND BY NINE, HE WAS ON THE YAKUZA BLACKLIST...
AT THE AGE OF EIGHT, IN A DRUNKEN RAGE, HE ENGAGED IN A BRAWL WITH OTHER GAMBLERS...

HE WAS ARRESTED FOR ASSAULT...AND THIS WAS AT JUST TEN YEARS OF AGE!!
...AND WAGED WAR ON THE YAKUZA!!
IN REVENGE, HE SET FIRE TO THE DEN...
IN FACT, HE ROSE TO THE RANK OF CHIEF STONEMASON!!

FOR REHABILITATION AS A PRISONER, HE WAS SENT TO THE QUARRY...
THAT'S THE KOZUKI BLOOD IN HIM!!

THE RESULTING FLOOD DAMAGES LED TO ANOTHER WARRANT FOR HIS ARREST!!
...HE CURVED THE RIVER ITSELF TO RUN THROUGH THE CAPITAL.

...
BUT LORD ODEN ATTEMPTED TO RIDE THAT RIVER DIRECTLY OUT OF THE COUNTRY! AT WHICH HE ALSO FAILED.
FROM THERE, HE LEFT PRISON AND REFORMED HIS WAYS.
WHEN LORD ODEN WAS 14, THE CAPITAL WAS IN A TERRIBLE DROUGHT!

IT'S LIKE SOMETHING A SPIRIT OR GOBLIN WOULD DO...
...TO TAKE BACK TO HIS OWN PERSONAL HAREM!
HE WOULD ABDUCT WOMEN FROM THE CAPITAL LATE AT NIGHT...

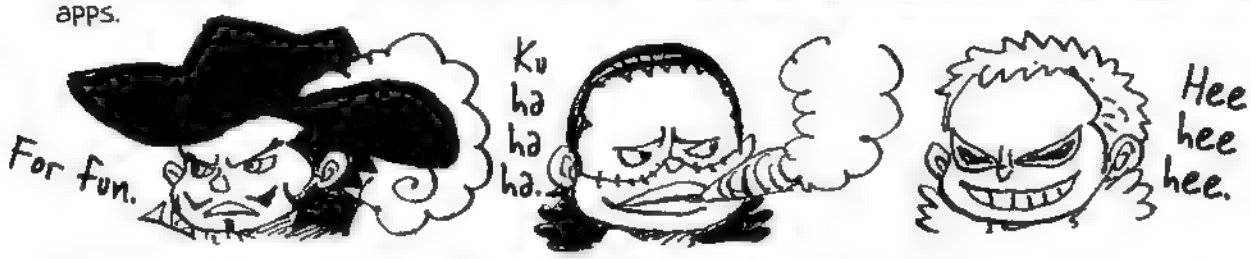
Q: Have you ever used one of those apps that makes your face look younger? I don't care about your face, I just want to see what my favorite characters (Mihawk, Crocodile, Doflamingo) would look like if they used those apps.

--Purple Panda

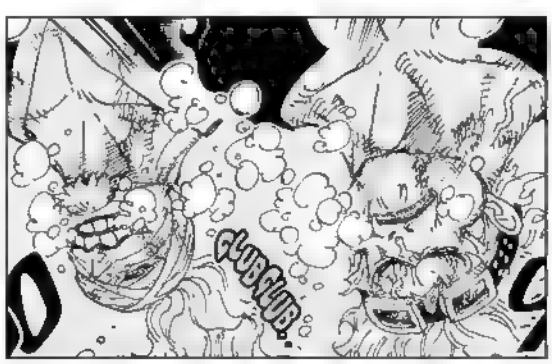
A: What do you mean, you don't care about my face? C'mon, don't be shy now... Anyway, I love those newfangled apps.



Hmm. Who would want these kids?

Q: Odacchi! Why don't Kid and Killer just use the butt-breathing technique to survive?

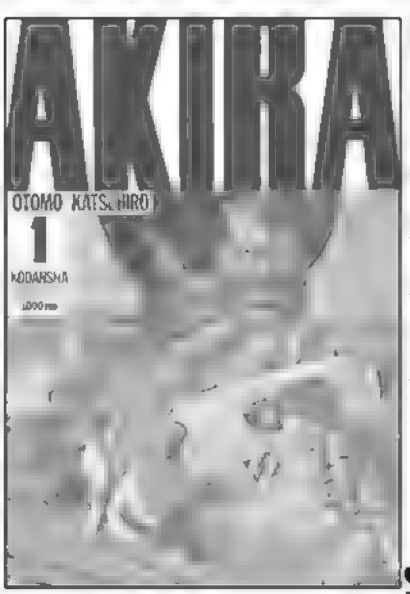
--420 Land



A: Good point! Then they wouldn't drown!! Hey... you know that the Kid Pirates have a lot of fans, right?! Watch your back!!

Q: Hi there, Odacchi! I've been wondering something. I've noticed that when you write characters talking tough and slurring their vowels in Japanese, you use katakana symbols instead of the usual hiragana. Is this just something you do for the fun of it?

--Kanamaru



©MASH·ROOM/KODANSHA

A: Oh, this one's easy! See, there's this manga called *Akira*. It's a world-famous classic and has a legendary animated film version. The author used katakana that way too, and it left a BIG impression on me when I read it in middle school. It looks a BIT more striking that way, and it's way cool, if you ask me!!

Q: Am I the only one who thinks Doflamingo kind of looks like Spider-Man?

--Ebi

A: Interesting. But if you ask me, that character only got popular in Japan recently. No, the shape of his eyes is more likely based on something that was very popular when I was in kindergarten, and which I drew all the time: a show called *Kamen Rider Super-1*. Man, I loved how those eyes look!!

© Ishinomori Pro - Toei

Q: In the flashback of chapter 943 in volume 94, the people of the leftover town eat the Smile fruits and say "These sure are good apples!" Does that mean they actually taste good, unlike real Devil Fruits?

--Miketora

A: They say the real ones taste terrible. So it would seem that Smile fruits just taste like a normal fruit. I suppose you could say that this fact is what led to the tragedy of Ebisu Town.

Q: I want to pull on Nami's kimono sash.

--Captain Nobuo

A: Oh, I get it! That trope from all the old-timey samurai movies, where the lecherous lord unravels the lady's sash and spins her around until it all comes loose! Honestly, I really wanted to do that, but I just couldn't work it into the story. I'm so sorry for that!! I've got more to learn about being a mangaka who makes people's dreams come true!!
Oh!! Er...I mean...that wasn't me! That's what Sanada said!! Not me!!!
That's all for the SBS! See you next volume!!

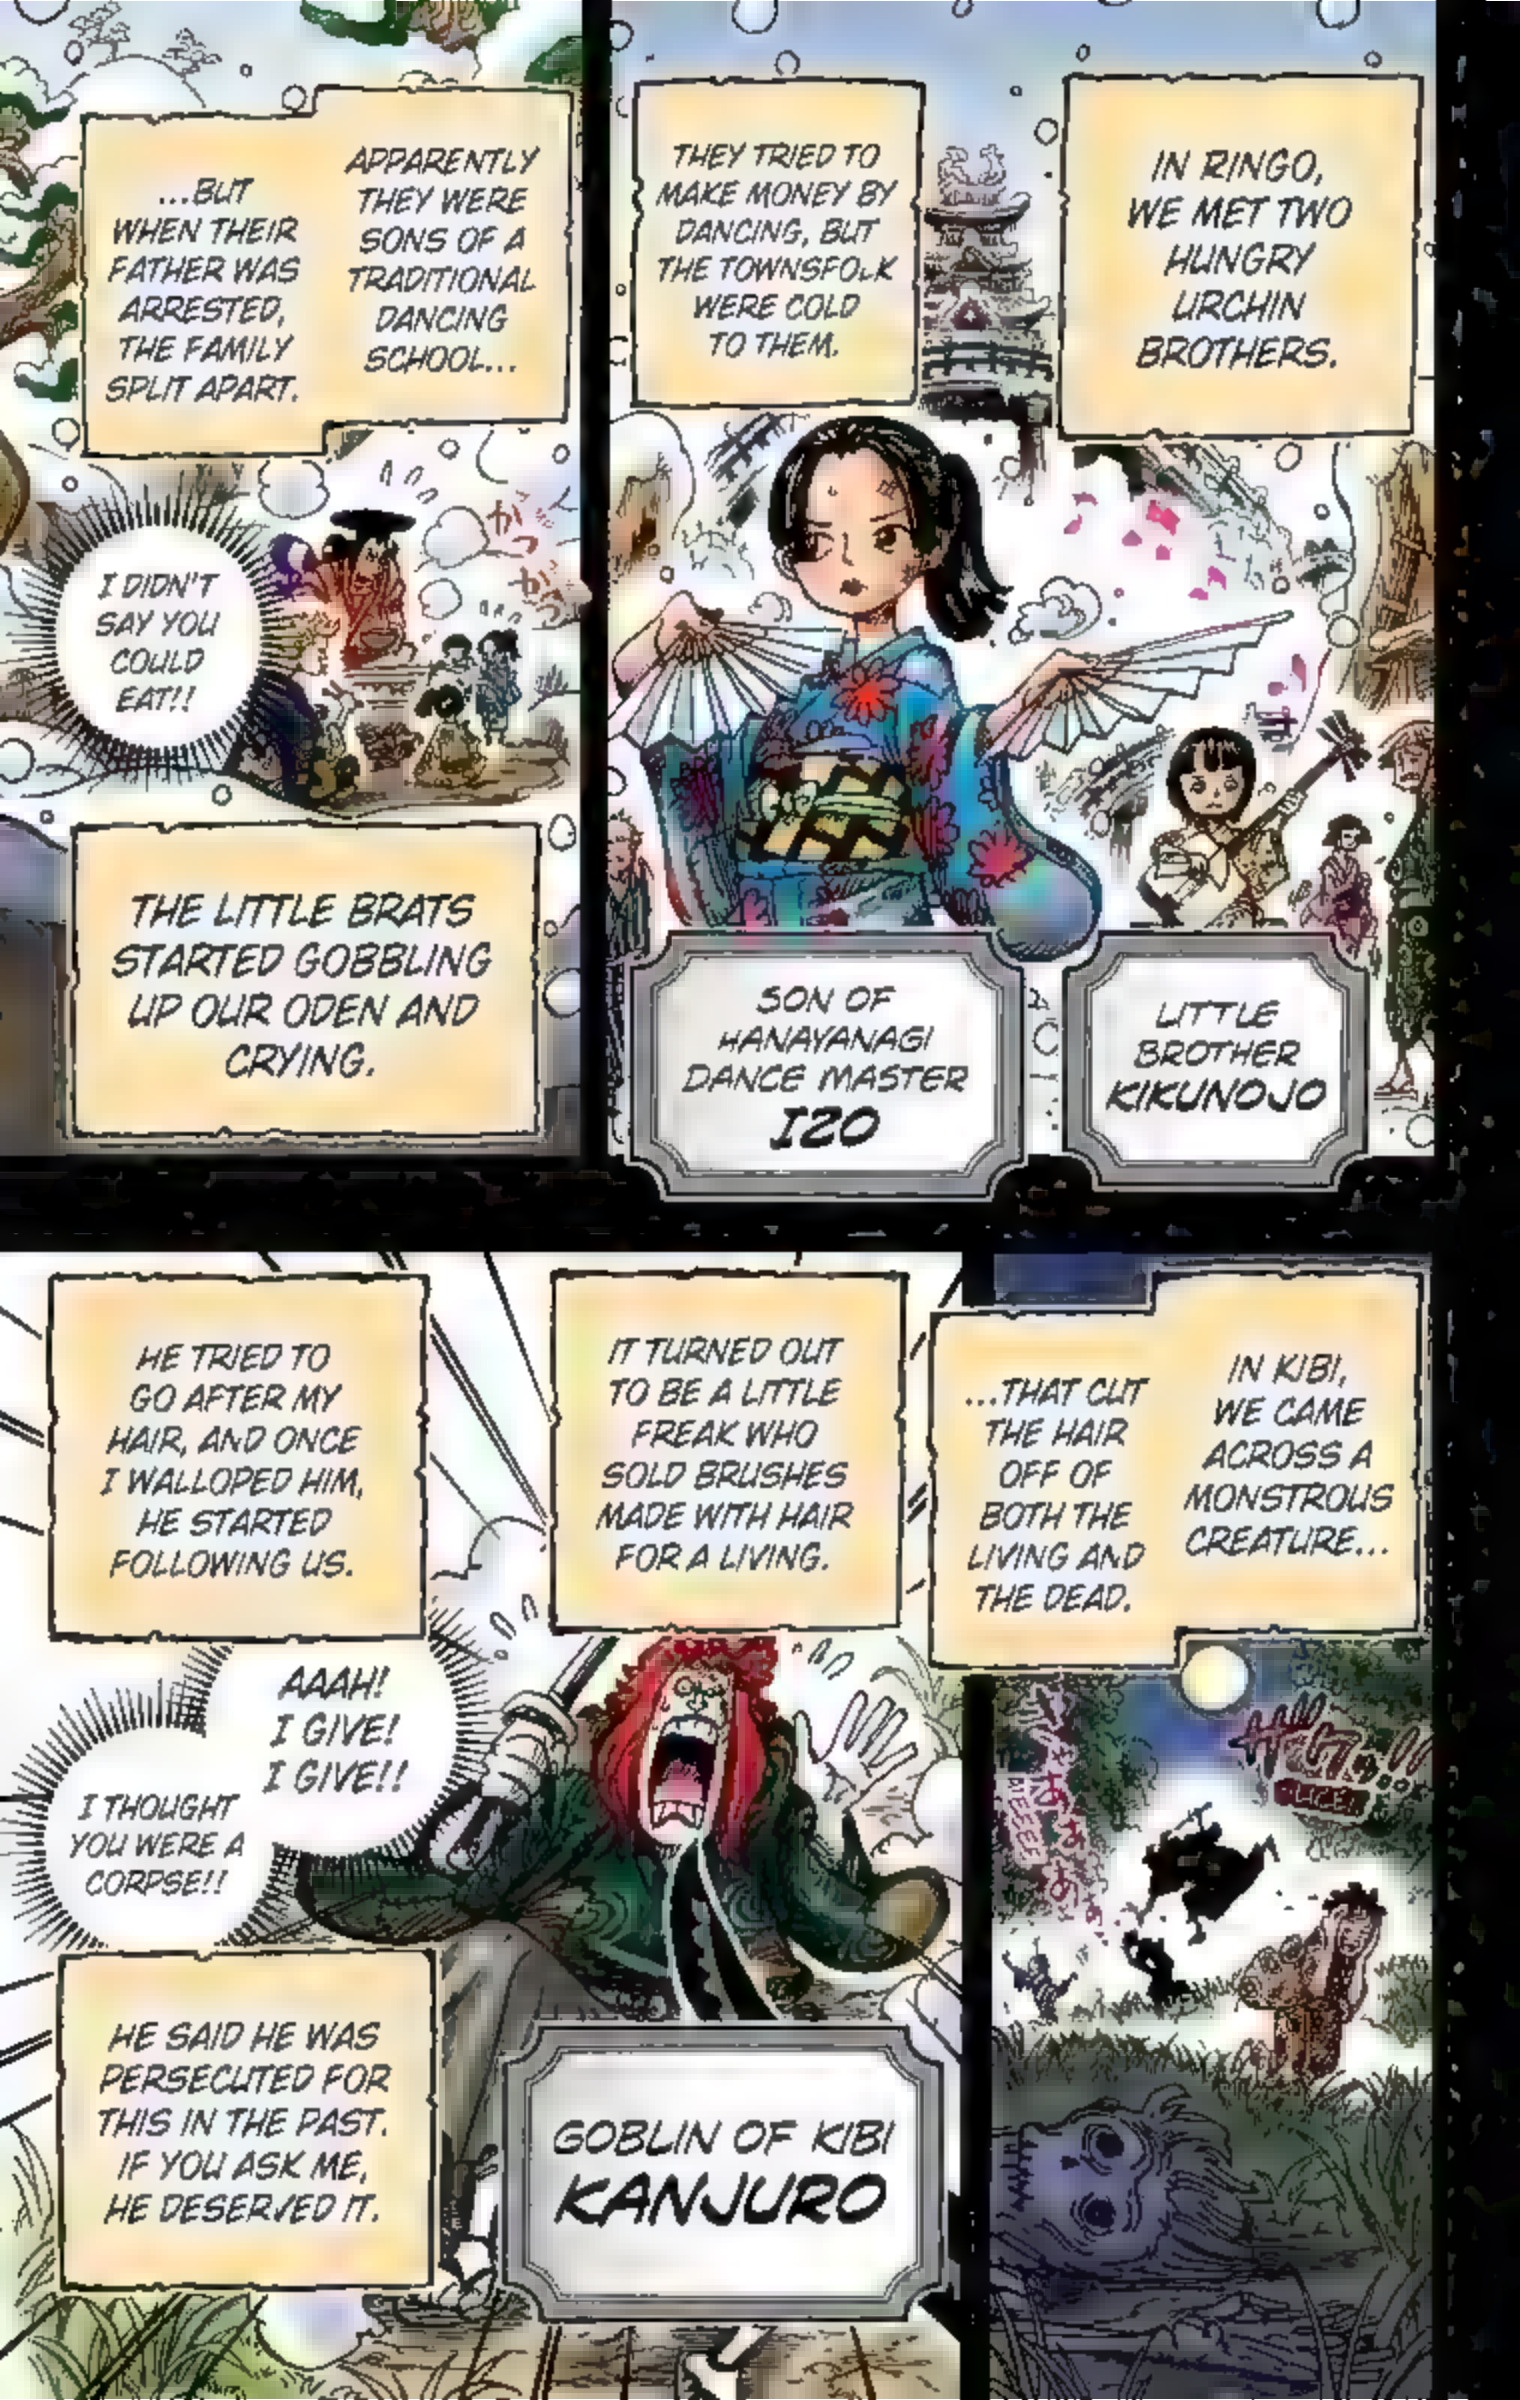
Chapter 962:
DAIMYO AND VASSALS

GANG BEGE'S OH MY FAMILY
VOL. 12: "FOUND THE MARINES CHASING A DRUNKEN VACUUM KISSAHOLIC"

HAKUMAI, WANO
WHAT, ODEN?!
YOU'RE LEAVING ?!
THERE'LL BE LESS RUCKUS, BUT THINGS W..L GET SO BORING!!
I UNDERSTAND THERE'S A MONSTER LIVING IN KURI.
AN OGRE BY THE NAME OF ASHURA DOJI!!
KURI IS THE CANCER OF WANO... EVEN LORD SUKIYAKI CANNOT CONTROL IT.
IF A CRIMINAL ESCAPES TO KURI, THE AUTHORITIES ARE POWERLESS TO GET H.M BACK.
BUT IF HE DOES NOT HAVE THE STRENGTH TO SURVIVE IN KURI, ONLY DEATH AWAITS HIM.
IT IS SO LAWLESS IT MIGHT AS WELL BE ANOTHER COUNTRY...
SOUNDS FUN!
PERHAPS I'LL TAKE A LITTLE TOUR AROUND WANO!!!
BENG!

NO... CONSIDER THIS A NATURAL DISASTER.
WE OUGHT TO BILL HIM FOR THE REPAIRS!!
BENG!
HOW DOES ONE TURN A LIVING SPACE INTO THIS STATE?!!
JUST LOOK AT THIS, SIR! THIS IS THE ROOM HE WAS STAYING IN!!
YOU ARE TOO SOFT ON ODEN, LORD YASUIE!!
I SAW... WELL, I SAW LORD ODEN...
...SLIPPING THE MONEY INTO HIS SLEEVE!!
UM... IT PAINS ME TO SAY THIS, MY LORD...
...BUT I DID WITNESS THE ACT.
YES. I PUT IT RIGHT HERE IN THE SAFE.
THE MONEY'S GONE?!
...
Y-YES, MY LORD. I APOLOGIZE...
I WAS TOO AFRAID TO STOP HIM..
YOU'RE SURE OF THIS, OROCHI?
ACK !!
I KNEW IT WAS HIM!! SO THIS IS HOW HE REPAYS US?! IT'S UNFORGIVABLE!!
BUT ODEN WOULD CARRY IT RIGHT OUT IN BROAD DAYLIGHT.

...AND HEADED FOR KURI, CAUSING TROUBLE ALL OVER WANO AS THEY TRAVELED.
KOZUKI ODEN'S PARTY THEN LEFT HAKUMAI...
HOW LONG ARE YOU GONNA KEEP FOLLOWING ME?!
HE DOES NOT LIKE THAT!!!
WE REALLY LOVE YOU, MAN!!
FOR AS FAR AS YOU'LL GO!!
APPARENTLY, VOYAGERS OVERSEAS WRITE IN THEM EVERY DAY WHILE ON THEIR SHIPS.
I'M KEEPING A JOURNAL.
WELL, WHAT ARE YOU DOING?!
WHAT FOLLOWS IS A SERIES OF EXCERPTS FROM ODEN'S TRAVEL NOTES...
WE'RE YOUR SERVANTS! WE'RE GUARDING YOU!!
WHAT ARE YOU DOING?!
GET UNDER THE ROOF, YOU IDIOTS!



...BUT WHEN THEIR FATHER WAS ARRESTED, THE FAMILY SPLIT APART.
APPARENTLY THEY WERE SONS OF A TRADITIONAL DANCING SCHOOL...
I DIDN'T SAY YOU COULD EAT!!
THE LITTLE BRATS STARTED GOBBLING UP OUR ODEN AND CRYING.
THEY TRIED TO MAKE MONEY BY DANCING, BUT THE TOWNSFOLK WERE COLD TO THEM.
IN RINGO, WE MET TWO HUNGRY URCHIN BROTHERS.
SON OF HANAYANAGI DANCE MASTER IZO
LITTLE BROTHER KIKUNOJO
HE TRIED TO GO AFTER MY HAIR, AND ONCE I WALLOPED HIM, HE STARTED FOLLOWING US.
IT TURNED OUT TO BE A LITTLE FREAK WHO SOLD BRUSHES MADE WITH HAIR FOR A LIVING.
...THAT CUT THE HAIR OFF OF BOTH THE LIVING AND THE DEAD.
IN KIBI, WE CAME ACROSS A MONSTROUS CREATURE...
AAAH! I GIVE! I GIVE!!
I THOUGHT YOU WERE A CORPSE!!
HE SAID HE WAS PERSECUTED FOR THIS IN THE PAST. IF YOU ASK ME, HE DESERVED IT.
GOBLIN OF KIBI KANJURO

...WHO QUIT THE KOZUKI CLAN'S ONIWABANSHU AFTER A KUNOICHI TURNED HIM DOWN.
BUT IT TURNED OUT TO BE ONLY THE GENIUS NINJA RAIZO...
I'M AT MY WITS' END, LORD ODEN!!
I CANNOT LIVE IN THE SHADOWS!!
FORMER KOZUKI ONIWABANSHU RAIZO
...WHO KIDNAPPED WOMEN AND BEAT MEN HALF TO DEATH.
IN THE DEEP FORESTS OF UDON, RUMOR SPOKE OF AN INFAMOUS BANDIT...
WHY ARE YOU FOLLOWING ME?
RUSTLE
HE'S GOT THE SHOGUN'S BLOODLINE... I WANNA KILL HIM!
CAPTURE HIM AND BRING HIM TO ME!!
KOZUKI ODEN'S IN KURI?
IN THE LAWLESS LAND OF KURI...
END
YES, SIR!!
IF I HATE ANYONE... IT'S THE HIGH AND MIGHTY!!
STRONGEST MONSTER IN KURI ASHURA DOJI

WAIT, RAIZO! SOUTH IS THE DIRECTION OF KURI!
HUH ?!
WASN'T THAT YESTERDAY?
HE WENT SOUTH TO... FERTILIZE NATURE.
WHERE DID ODEN GO?
YOU KNOW HOW HE IS. HE VANISHES FOR A DAY OR TWO ON A WHIM.
THE GATE'S BEEN BUSTED OPEN!!!
GRRRR...
KURI
LOOK !!
BAM
...AND I LET HIM GO INTO BATTLE WITHOUT ME!!!
OH NO!! I SWORE TO GIVE MY LIFE FOR THAT MAN'S CAUSE...
ZSHH
IT FELT LIKE I'D STEPPED INTO ANOTHER WORLD.
ARE YOU KOZUKI ODEN?
BENG!
HEH HEH HEH...
WHEN I BROKE THROUGH THE GATE...
AND ALL OF ITS HOSTILITY WAS FOCUSED ON ME!!
I'VE BEEN DISOWNED. I HAVE NO NAME TO GIVE.
...I WAS MET WITH THE STENCH OF DEATH, BLOOD AND VIOLENCE.

WHAT A CRAMPED LIFE!! THIS IS NO PLACE FOR PEOPLE TO LIVE!!
YOU TELL YOUR BOSS...
...A SAMURAI IS HERE.
THOSE ARE THE RULES OF THIS PLACE.
YOU'RE ALLOWED IN, BUT ANY WHO TRY TO LEAVE ARE KILLED.
RAAAAAA
...MY LEAST FAVORITE RULE!!!
"DON'T LEAVE"? THAT HAPPENS TO BE...
ODEN!! WE'VE COME TO BACK YOU UP!!!
THEY EVEN FOLLOWED ME HERE?
HE'S UP THERE!!
ZOOM
I SEE A BATTLE CLOUD ON THE MOUNTAIN!!
HURRY! FIND ODEN!!
DSH DSH DSH DSH

THE FIGHT TOOK AN ENTIRE DAY!!!
I'VE BEEN UP ALL NIGHT.

I'VE DECIDED THAT THESE WORTHLESS HOOLIGANS...
THEN LEND ME YOUR WISDOM AND STRENGTH.
...NEED ME AS THEIR KING!!!
KO!!
BEING!
HEY! YOU!!
DO YOU STILL LOVE ME?
JUST KILL ME ALREADY!! I CAN SEE THE FUTURE AHEAD.
I GOT NOTHIN' TO LIVE FOR.

...INTO A PLACE WORTHY OF BEING CALLED HOME.
...HE TURNED THAT HELLISH WASTE-LAND...
...AND WITH HIS CONSIDERABLE STRENGTH...
ODEN ROUNDED UP THE LAWLESS RUFFIANS OF KURI...
HUFF!
STOMP STOMP
HUFF!
...IN KURI?!
HE DID THAT...
ONLY HE COULD DO THIS.
...AND GAVE HIS SON THE TITLE OF "DAIMYO OF KURI."
...RETRACTED HIS DISOWNMENT OF ODEN...
IN RECOGNI-TION OF THIS REMARKABLE FEAT, SHOGUN KOZUKI SUKIYAKI...

...THE DAIMYO OF KURI!!!

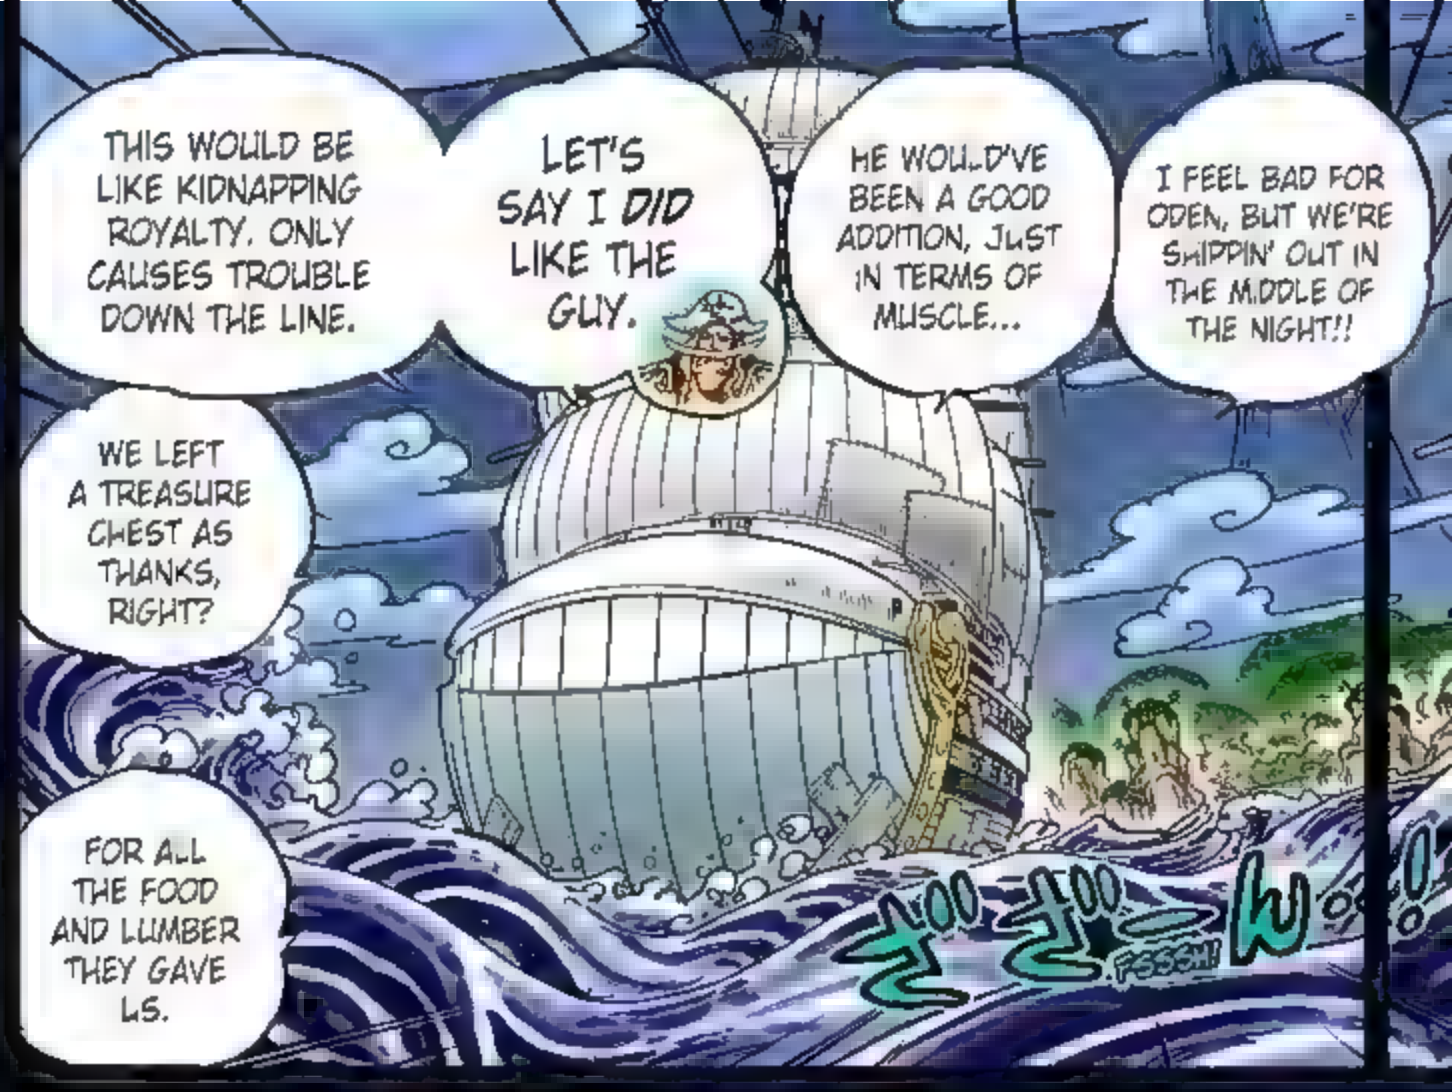
Chapter 964:
ODEN'S ADVENTURE

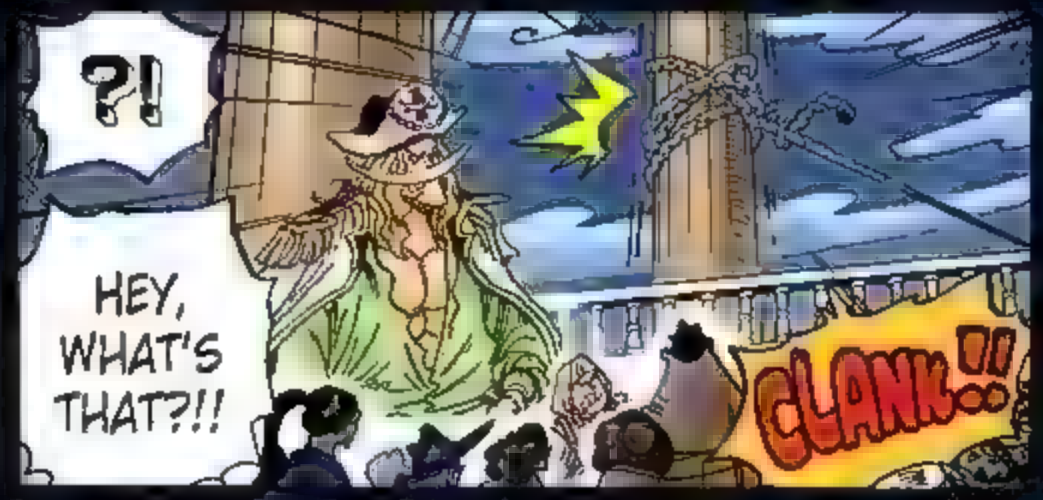
GANG BEGE'S OH MY FAMILY
VOL. 14: "WE'RE GONNA SHOOT YOU
WITH KISS-KISS COOTIES TOO!!"

OF COURSE YOU CAN'T!!!
BENG!
I WANT TO GO OUT TO SEA...
...AND HAVE AN ADVEN-TURE!!
YOU JUST TRIED TO KILL OUR CAPTAIN, DIDN'T YOU?!!
WHAT ?!!
TAKE ME WITH YOU!!
I TRIED! DOZENS OF TIMES! IT DIDN'T WORK!!
I'VE ABSOLUTELY NO SKILL FOR SAILING!!
HAD PLENTY OF BAD EXPERIENCES WITH MY LAST CREW.
AND I KNOW WHAT HAPPENS WHEN YOU GET PEOPLE LIKE THAT TOGETHER IN A GROUP.
YOU WANT TO SAIL, GET YOUR OWN SHIP!!
DUK!!
YOU'RE NOT THE TYPE OF PERSON WHO SERVES SOME-ONE ELSE.

THE LAWS OF THE NATION DO NOT APPLY TO ME!! I JUST WANT ADVENTURE!!
HEY, YOU ALL STAY OUT OF THIS!!
I WANT TO SEE THE WORLD!!
GOOD TO HEAR! I SEE EYE TO EYE WITH THE REST OF YOU-- I'M NOT TAKING ODEN ANYWHERE!!
LISTEN, WHITEBEARD!! THERE IS A STRICT LAW IN THE LAND OF WANO AGAINST LEAVING THE COUNTRY!!
DAP!
がっ!!
THE WORLD'S A HUGE PLACE!!!
YOU DIDN'T KNOW THAT?
YOU COULD START COUNTING ISLANDS AND NOT FINISH UNTIL YOU'RE PAST TEN OR 20 MILLION.
?!!
WHAT ?!
FIVE ISLANDS IN THE WORLD?! HA HA HA! THAT'S NONSENSE!
I AM THE DAIMYO!!
CAN'T A MAN GO TO THE PRIVY BY HIMSELF?!
GO AHEAD, SIR..
WHERE ARE YOU GOING, LORD ODEN?
TWO WEEKS LATER...
GONG!
NOBODY CAN COUNT THE NUMBER OF ISLANDS OUT THERE!!!



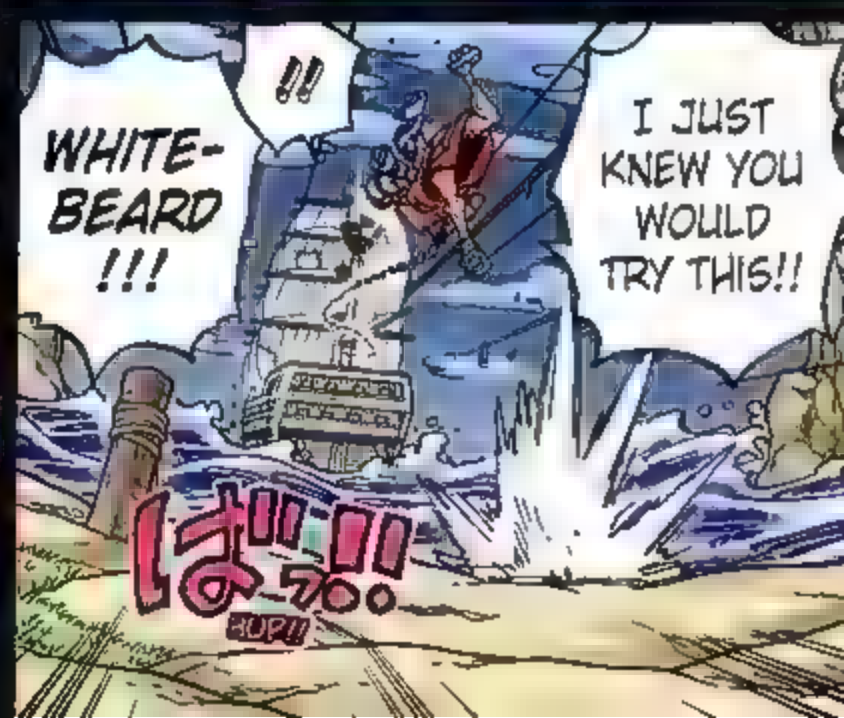
THIS WOULD BE LIKE KIDNAPPING ROYALTY. ONLY CAUSES TROUBLE DOWN THE LINE.
LET'S SAY I DID LIKE THE GUY.
HE WOULD'VE BEEN A GOOD ADDITION, JUST IN TERMS OF MUSCLE...
I FEEL BAD FOR ODEN, BUT WE'RE SHIPPIN' OUT IN THE MIDDLE OF THE NIGHT!!
WE LEFT A TREASURE CHEST AS THANKS, RIGHT?
FOR ALL THE FOOD AND LUMBER THEY GAVE US.
FSSSH!!



?!
HEY, WHAT'S THAT?!!
CLANK!!

SWOOP WOOP
WOOP! WOOP!!

YOU'RE NOT GOING ANYWHERE !!!
AND I KNEW YOU WOULD TRY THIS, LORD ODEN!!



!!
WHITE-BEARD !!!
I JUST KNEW YOU WOULD TRY THIS!!
HOP!!

!!!
ODEN !!!
LET'S TRAVEL TOGETHER!!! SHOW ME THE WORLD!!!
ドゴッ!!
ZOOM!
LEAVING THE COUNTRY IS MY DREAM!!
COME BACK, MY LORD!! YOU ARE THE SHOGUN IN WAITING!!
SHOO-PAPAPAPA
AAAH!!
HERE COME THE FALLS!!
あああああ AAAA
HOLD ON TIGHT!! WORRY ABOUT YOURSELF!!
HUH?
WAIT, MARCO!!
PULL UP THE ONE WHO GRABBED ON TO HIM... BUT ONLY THAT ONE!!

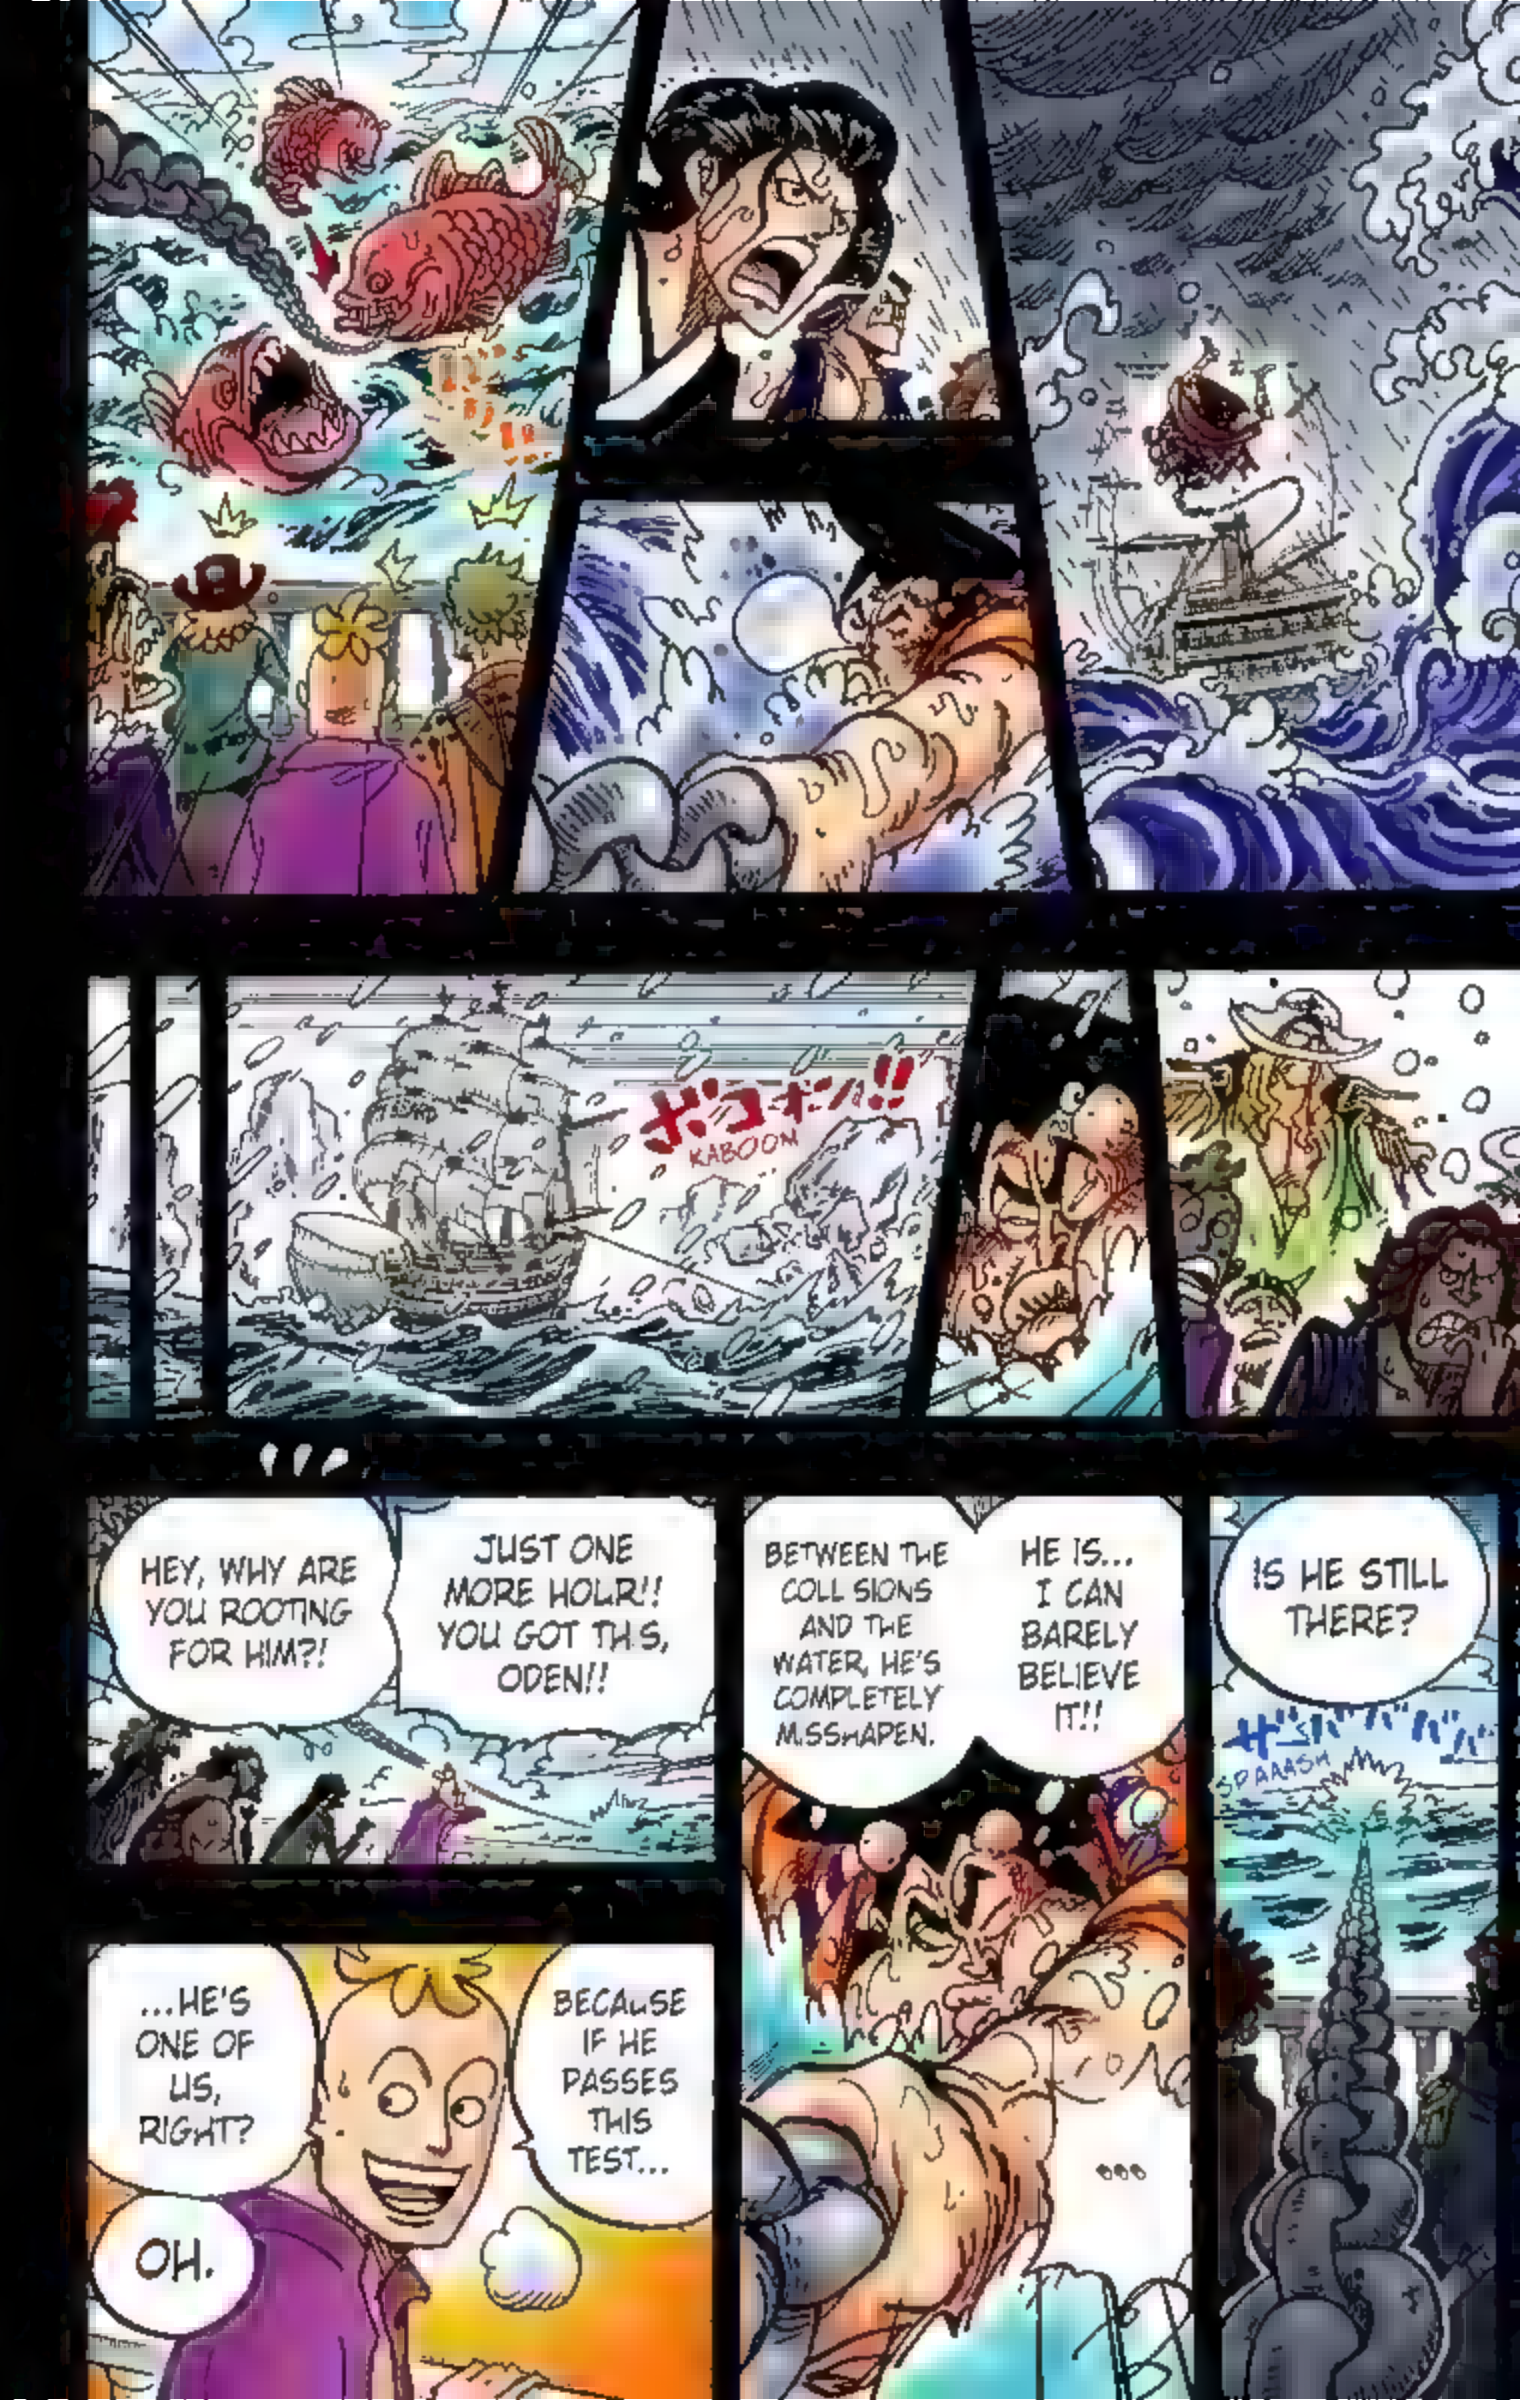
THE FUTURE OF WANO RESTS UPON HIS SHOULDERS !!!
...
DOOM!!
HE'S GOING TO DROWN!!
WHITE-BEARD!! PULL UP LORD ODEN NOW!!
IF YOU WANT TO STOP H.M, TALK HIM DOWN.
IT WOULD BE EXPOSING MY FAMILY TO RISK.
I CAN'T JUST LET A DANGEROUS MAN LIKE HIM STEP ON BOARD.
YOU HAVE THREE DAYS!!
?!
AND HE STILL MADE IT OUT TO SEA.
YOU SAW HOW MANY TIMES I REFUSED HIM, BOY.
SO WE'RE GOING TO PLAY BY MY RULES.
...
BWUH !!
YOU SAID IT... I HEARD YOU!!!
I DON'T BREAK MY WORD.
GRIN!
THAT'S RIGHT.
...I'LL LET YOU COME UP ON BOARD THE SHIP!!
LISTEN UP, ODEN!! IF YOU CAN CLING TO THAT CHAIN FOR THREE WHOLE DAYS...
!!
GLOBBA GA-BURGLE-BLUB!!



ボコボン!!
KABOOM
HEY, WHY ARE YOU ROOTING FOR HIM?!
JUST ONE MORE HOUR!! YOU GOT THIS, ODEN!!
BETWEEN THE COLLISIONS AND THE WATER, HE'S COMPLETELY MISSHAPEN.
HE IS... I CAN BARELY BELIEVE IT!!
IS HE STILL THERE?
ザバーバーバー
SPAAASH
...HE'S ONE OF US, RIGHT?
BECAUSE IF HE PASSES THIS TEST...
OH.

ODENNN !!!
YOU'VE GOT IT!!
LET'S GO, ODEN!!!
YOU'RE ALMOST THERE!!
COME ON, ODEN!!
YOU CAN DO IT, ODEN!!
GLUB !
BLURP!
YOU CAN DO IT!!
C'MON !!
...I WILL SEE THAT YOU PAY, WHITEBEARD!!!
FOR PUTTING MY MASTER THROUGH THIS TORMENT...
C'MON, ODEN!!!
COME OVER HERE!! WE DON'T WANNA HURT YA...
NO, I SUPPOSE YOU DON'T!!!
WE'RE GOING TO TAKE YOU ON OUR SHIP TO WANO, LIKE YOU WANTED!!
WHY ARE YOU RUNNING AWAY, WOMAN?! GYA HA HA HA!!
ON ANOTHER ISLAND...
RAHHH!!

BECAUSE THAT'S A SLAVER'S SHIP!!
WILL MY PRICE DROP IF I'M DAMAGED IN ANY WAY?!
YOU'RE CLEARLY WICKED MEN BY THE LOOKS OF YOU! WHO WOULD GET TRICKED BY THE LIKES OF YOU?!
BENG!!
I WOULD! STUPID, STUPID ME!!!
AMATSUKI TOKI
SPLASH!!
HUH?
AAAAAH!!!
NOT QUITE. I DO HAVE A MEANS OF ESCAPE!!

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Story ・あらすじ・

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!!

Luffy and crew disembark on Wano for the purpose of defeating Kaido, one of the Four Emperors. They begin to recruit allies for a raid in two weeks' time. But Kaido's side finds out, and the plan is in peril. With great effort, the alliance rebounds and gathers members to await the day of the raid. Meanwhile, Big Mom arrives in Wano and forms a pirate alliance with Kaido! What effect will this devastating news have on Luffy's group...?

Kin'emon's samurai head to the gathering site on the day of the battle, but Orochi's scheming causes the rest of the group to not show up. But the samurai still wish to avenge their lord, Oden. What will happen when they throw themselves into battle regardless?! Then the story travels 41 years into the past.

Chapter 965:
THE KUROZUMI CLAN'S PLOT

GANG BEGE'S OH MY FAMILY, VOL. 15: "ENOUGH RUCKUS. YOU'RE GONNA GET US SPOTTED TOO"

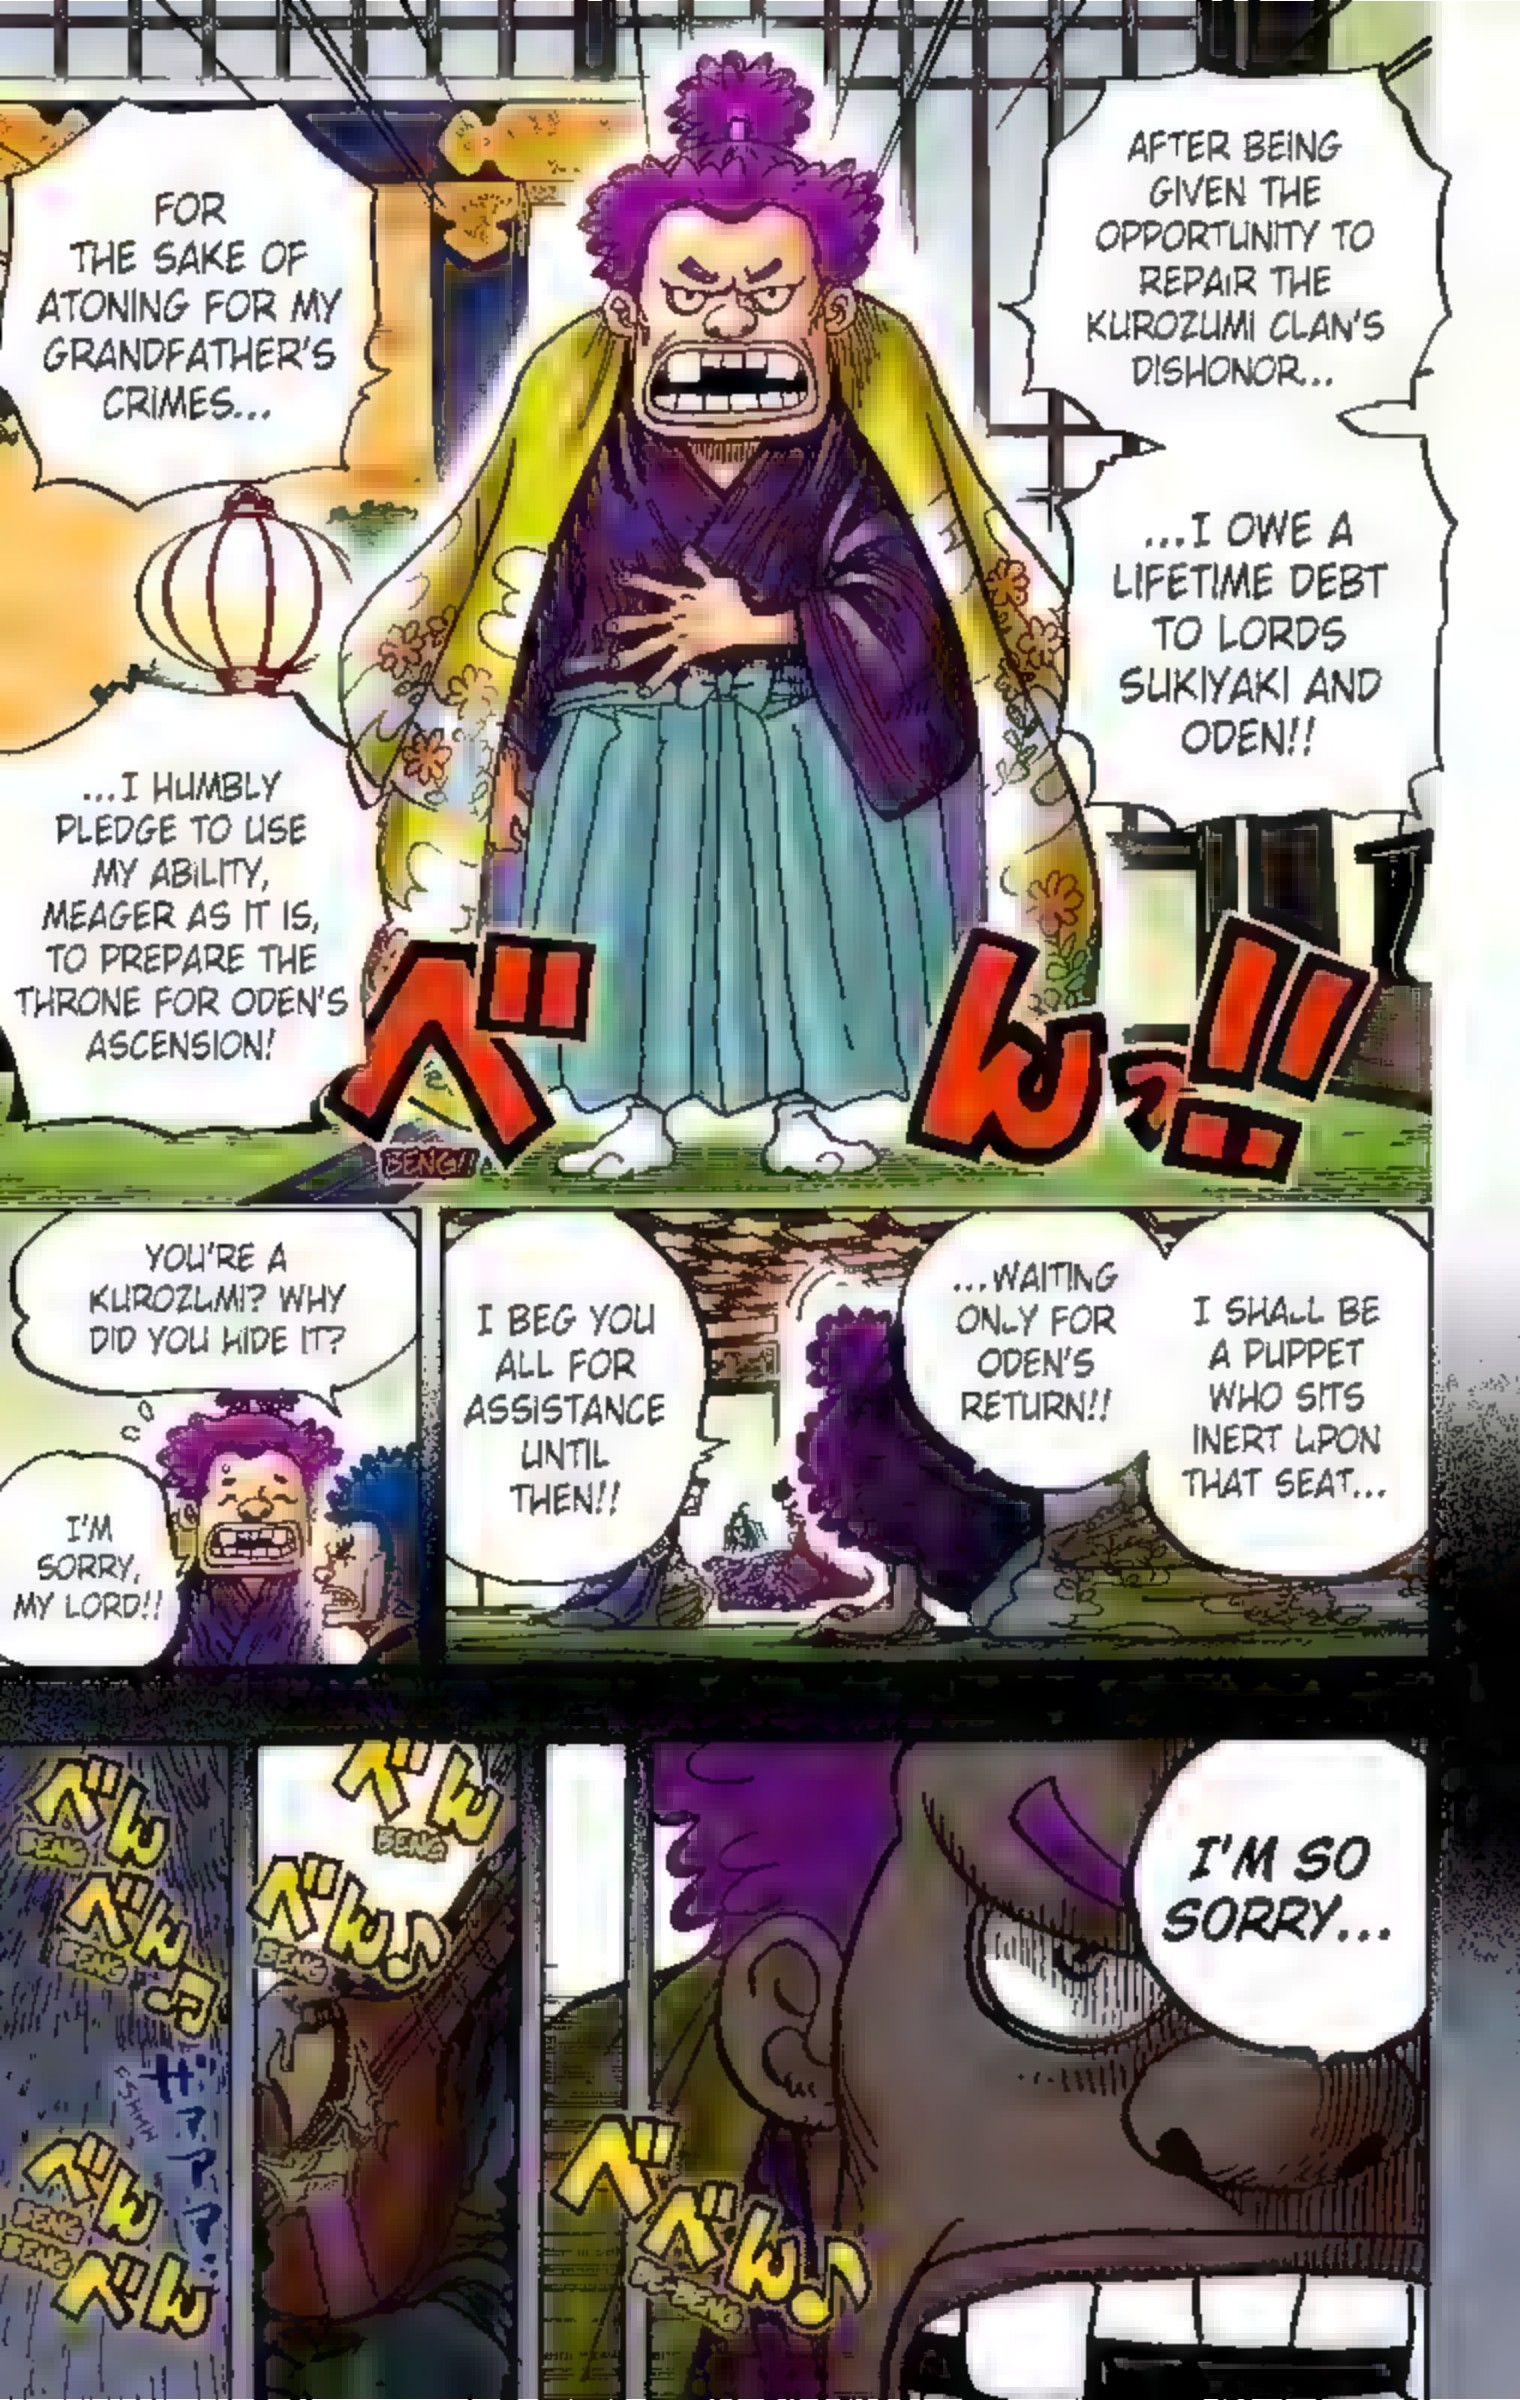
AND FROM WHAT THEY SAY, THE WORLD ITSELF IS AS ROUND AS A DUMPLING!!
WHAT A MYSTERIOUS THING!!
WHITE BEARD
THE WORLD IS MADE UP OF FOUR MAJOR SEAS, AND ONE VERY LONG, NARROW SEA.
SO THERE'S NOWHERE ELSE FOR ME TO GO EXCEPT FOR WANO.
I DO NOT KNOW. ONLY THAT WANO WAS MY PARENTS' HOMELAND.
...
WHERE WERE YOU BORN, TOKI?
COMPARED TO THE REST OF THE WORLD, WANO IS SO TINY.
SOUTH BLUE
EAST BLUE
WEST BLUE
HMM? WHY DO YOU SAY THAT?
...
HEE-HEE!♡ WHY, INDEED?♡
IT'S FINE! JUST BEING AROUND YOU MAKES ME FEEL LIKE I'VE ALREADY REACHED MY DESTINATION.
YOU WERE UNLUCKY.
I DOUBT THAT THIS SHIP WILL BE GOING TO WANO FOR SOME TIME.

KEEP YOUR NOSE OUT OF THIS!!
HEY, WHERE'S LORD ODE--
ぽっ
THEY'RE AN ENTIRE ORGANIZATION. IF WE FIGHT, MORE OF THEM WILL JUST KEEP COMING!!
WHY NOT FIGHT THEM?!
THAT'S WHITE-BEARD'S SHIP!!!
IT'S THE MAR NES!! LET'S GET OUTTA HERE!!!
WHITEBEARD HAS HIS OWN NATURAL ENEMY.
ドォン!! BOOM!!
ドドン!! BA-BOOM!!
YOUR COUNTRY IS STILL FREE FOR NOW!!
?!
YOU CAN USE THIS VOYAGE TO DECIDE FOR YOURSELF.
THEY MUST BE FULL OF MIGHTY MEN!!
THERE IS AN ORGANIZATION THAT CONTROLS THE WORLD, YOU SAY?!

HIS NAME MUST TELL THE WORLD THAT HE IS INVINCIBLE! MY SON, YOUR NAME IS...
WAAH! AGUA!
THE BABY IS BORN!!
TWENTY-EIGHT YEARS AGO, THE SECOND YEAR OF ODEN'S TRAVELS...
STOP TRYING TO NAME HIM AFTER ODEN INGREDIENTS!
CHICKEN MEAT-BALL!
FISH CAKE!
KOMBU!
EGG!
BE-BENG!!
ベベンッ!!
...MOMONOSUKE!!!
KOZUKI...
EVEN THESE NEWSPAPER THINGIES DON'T HAVE A SINGLE WORD ABOUT WANO IN 'EM.
THERE'S NO WAY FOR INFORMATION TO LEAK OUT OF THE COUNTRY. JUST LIKE ON ZOU.
I HOPE KIN AND THE GANG ARE WELL.
NOT YET, IZO! I HAVEN'T FOUND MY ANSWER!!
YOU OUGHT TO THINK OF RETURNING TO WANO, FOR THE SAKE OF LADY TOKI AND LORD MOMONOSUKE...
YOU HAVE A WANTED POSTER, LORD ODEN. YOU ARE A CRIMINAL IN THE LANDS ABROAD.
ばっ! FLIP!
WE'LL BE FINE!

I'M PUTTING YOU IN CHARGE OF THE SECOND DIVISION!!
DO IT!!!
I'M, ER, NOT REALLY ALL THAT--
IT'S A GREAT IDEA!!
I WANNA BE LEADER!!
ME TOO!!
WE'VE GOT MORE PEOPLE NOW. WHAT DO YOU THINK ABOUT SPLITTING UP INTO FIVE DIVISIONS?
YOU'RE MAKING DIVISIONS?
ANOTHER ORPHAN, IT SEEMS...
TEACH !!
FINE. GET ON!!
PLEASE, SIR!! I GOT NOWHERE ELSE TO GO!!
WHAT'S YOUR NAME?
...JUST AS WE FOUND OURSELVES THERE ORIGINALLY.
SOMETIMES MORE PEOPLE SHOWED UP ON THE SHIP...
WE'RE NOT FISHERS. WE'RE PIRATES!
...I STILL HAVE MORE TO SEE!!
I SIMPLY DON'T KNOW HOW TO END AN ADVENTURE ONCE IT'S BEGUN!
WAIT, LEADER !!
WE HAVE TO SCOUT FIRST!
DID YOU SEE THAT?! SOMETHING JUST FLEW OVER THERE!!
NO MATTER HOW FAR WE SAIL ACROSS THE SEA...

...A GRAVE SITUATION HAS THE DAIMYOS OF THE COUNTRY GATHERING IN THE FLOWER CAPITAL.
LORD SUKIYAKI !!!
ドン!!
MEAN-WHILE, IN WANO...
SHOGUN SUKIYAKI IS IN CRITICAL CONDITION!!
...IF ANYTHING SHOULD HAPPEN TO ME...
BUT WITH ODEN'S ABSENCE...
OF COURSE, LORD SUKIYAKI!!
...TO BE ODEN...
I WANT THE NEXT SHOGUN...
...I WILL NEED A PROXY TO RULE UNTIL HE RETURNS.
OROCHI?! WHAT IS HE DOING HERE...?
...
KUROZUMI OROCHI.
?!
SO I CHOOSE THE MAN UPON WHOM ODEN DOTED LIKE A YOUNGER BROTHER...
ODEN TREATED HIM "LIKE A BROTHER"...?!



FOR THE SAKE OF ATONING FOR MY GRANDFATHER'S CRIMES...
...I HUMBLY PLEDGE TO USE MY ABILITY, MEAGER AS IT IS, TO PREPARE THE THRONE FOR ODEN'S ASCENSION!
AFTER BEING GIVEN THE OPPORTUNITY TO REPAIR THE KUROZUMI CLAN'S DISHONOR...
...I OWE A LIFETIME DEBT TO LORDS SUKIYAKI AND ODEN!!
ベシ
BENG!!
ベシ!!!

Q: Hi, this is my first time writing to the SBS!
By the way, Odacchi, I saw a dirty mag full of gorgeous women over there.
(Odacchi runs off)
And now, start the SBS!!

--Yuyucchi

A: Hey, wait a second!! You can't just write "Odacchi runs off" like I'd actually do that!! I'm offended!! Huff, huff...weez... And there wasn't any magazine back there either!!

Q: Heso! Here's a question! Luffy gives people all kinds of nicknames, but why doesn't he call the rest of the crew by them?

--Takataka

A: Good question! The thing about Luffy is that he's not interested in learning people's names as a general rule, so he gives them nicknames of his own based only on the impression he gets from them. But when you're on his crew, he will remember. Basically, if he knows your name he'll call you by it. It's as simple as that.

Q: I have a question. I heard that the initial "D" stands for *debeso* (outie bellybutton). Is this true?

--Count Dino

A: Yes! It's true!

Q: Oda Sensei! Did you know that February 22 is National Oden Day? I was thinking, why don't we make that Kozuki Oden's birthday?!

--Rubber-Flame Fruit

A: Okay, listen up...
If you want to just do your own thing and make up a character's birthday like that... Go ahead!!

IT WAS A CLASH OF TWO GREAT PIRATES OF THE TIME...

THEIR PITCHED BATTLE LASTED...

...FOR THREE DAYS AND NIGHTS!!

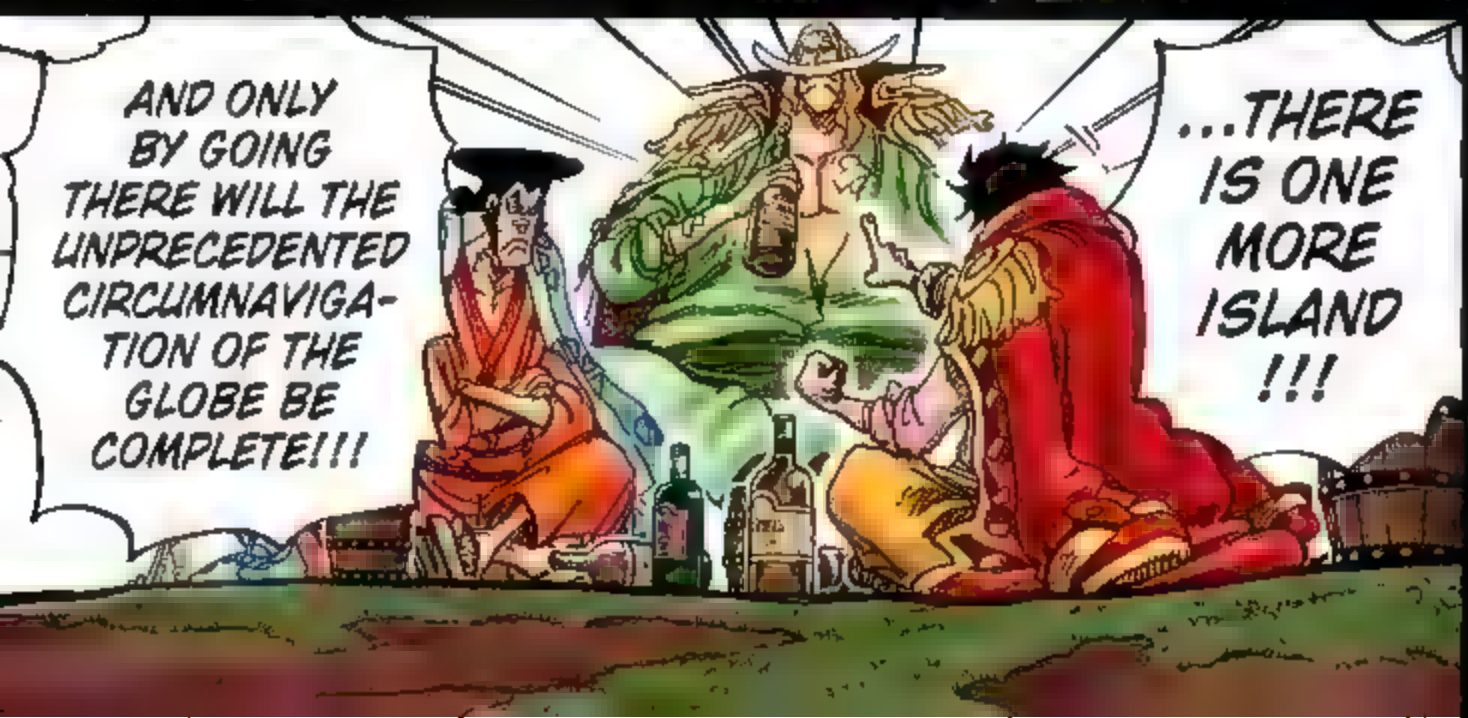
SO YOU CAN READ THIS?!
THIS IS THE SECRET CIPHER OF THE KOZUKI CLAN OF WANO, PASSED DOWN STRICTLY FROM GENERATION TO GENERATION!

BUT WHEN WE DISEMBARKED, GIDDY AT WHAT WE MIGHT FIND...WE REALIZED THAT IT WAS NOT THE FINAL ISLAND!!
A PLACE CALLED THE LODESTAR ISLAND!!
IT ALL STARTED 13 YEARS AGO!! WHEN WE LANDED AT THE DESTINATION OF THE FINAL LOG POSE, WHERE NO ONE HAD EVER REACHED BEFORE...
THE NEEDLES OF THE LOG POSE WENT HAYWIRE, REFUSING TO POINT OUT A NEW DESTINATION! BUT...
RED LINE



AND ONLY BY GOING THERE WILL THE UNPRECEDENTED CIRCUMNAVIGATION OF THE GLOBE BE COMPLETE!!!

IT'S FOUR RED STONES CARVED WITH THESE LETTERS THAT POINT THE WAY TO THE ISLAND!!
THE ONLY PROBLEM IS...
IF WE CAN GET THERE, WE'LL BE THE GREATEST PIRATE CREW IN THE WORLD, IN BOTH NAME AND FACT!!!
IN THE WORLD...
THE STORIES SAY THAT A VAST TREASURE AWAITS ON THE FINAL ISLAND, AND THE GOVERNMENT SAYS "DON'T GO THERE"!
THAT ONLY MAKES THE STORIES ABOUT TREASURE MORE BELIEVABLE!!
HUH ?!
THAT'S RIGHT!! AND THEN I'LL...

I FROZE STIFF.

ARE YOU SERIOUS, ROGER?! WHAT ARE YOU, A LITTLE BOY?!!

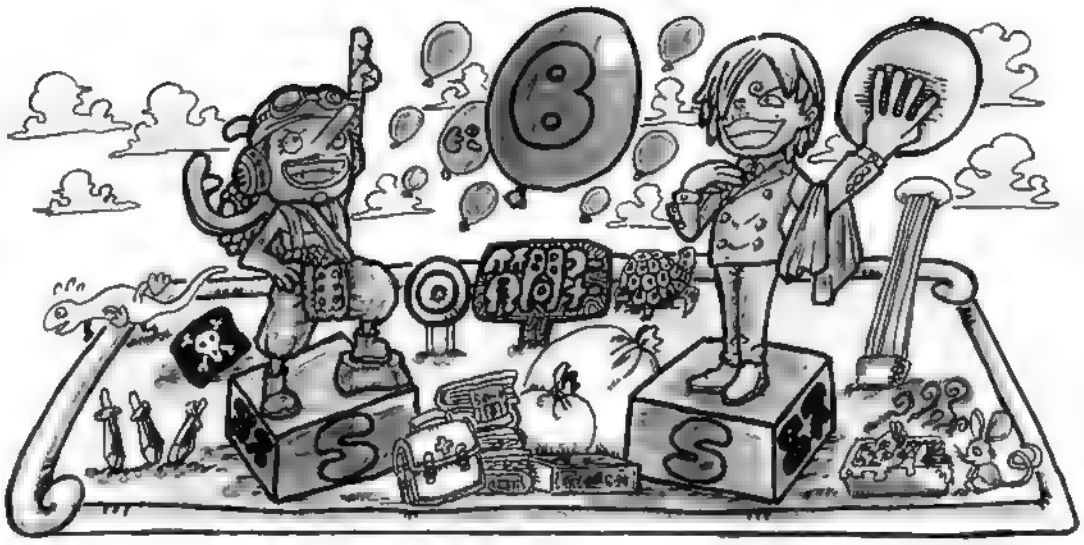
SBS Question Corner



(420 Land, Hong Kong)

Q: So Nami likes all fruits, but especially tangerines. Does that mean she likes all other orange-like citrus fruits just as much as tangerines? I don't know, maybe she has a special attachment to tangerines… Please explain!

--Emerald Usa

A: Hmm! Well, Nami's favorite fruit is tied closely to her upbringing. You see, this is actually revealed in the Arlong arc, from about the second half of volume 7 through the first half of volume 10. Nami grew up in a tangerine grove, and she has many memories of them associated with her late mother. That's why she loves them more than any other fruit. Thanks for your letter!

Q: Sanadacchi!! Give me all of your Nami figures.

--Captain Nobuo

©Eiichiro Oda / Shueisha - Fuji TV - Toei Animation

A: Hey, hey, whoa!! Who do you think you're talking to?! Don't do that, especially if it's something dirty! I was just talking about some nice, heartfelt stuff! I'm not putting any of Sanada's gross stuff in this segment this time.

Q: Please give me the towel Onami used in the bathhouse!

--Sanadacchi

A: Nooo!! Get lost, Sanada!! Officer, he's over here!!

Q: This might be a weird question, but as the sole feminine member of the Nine Red Scabbards, does Okiku bathe separately from the others?

--Crybaby Kyoshiro

A: Not at all. She goes in with the group. She's known them since she was a little kid, after all.

TO OUR CHAGRIN, YOUR FATHER, SHOGUN SUKIYAKI RECOMMENDED NONE OTHER THAN OROCHI TO...
THE REAL PROBLEM IS THE SHOGUN'S SUCCESSOR!!
ON TOP OF THAT, OROCHI WAS THE DESCENDANT OF THE KUROZUMI CLAN THAT CAUSED THAT TERRIBLE INCIDENT IN THE PAST.
AND HE NEVER ONCE RETURNED A SINGLE COIN OF IT.
OROCHI WAS LIKE A BROTHER TO ME NOW?! ALL I DID WAS LEND HIM MONEY OUT OF CONSIDERATION TO YASU!!

THE PROBLEM IS, OROCHI HAS THE SUPPORT OF A PIRATE BY THE NAME OF KAIDO...

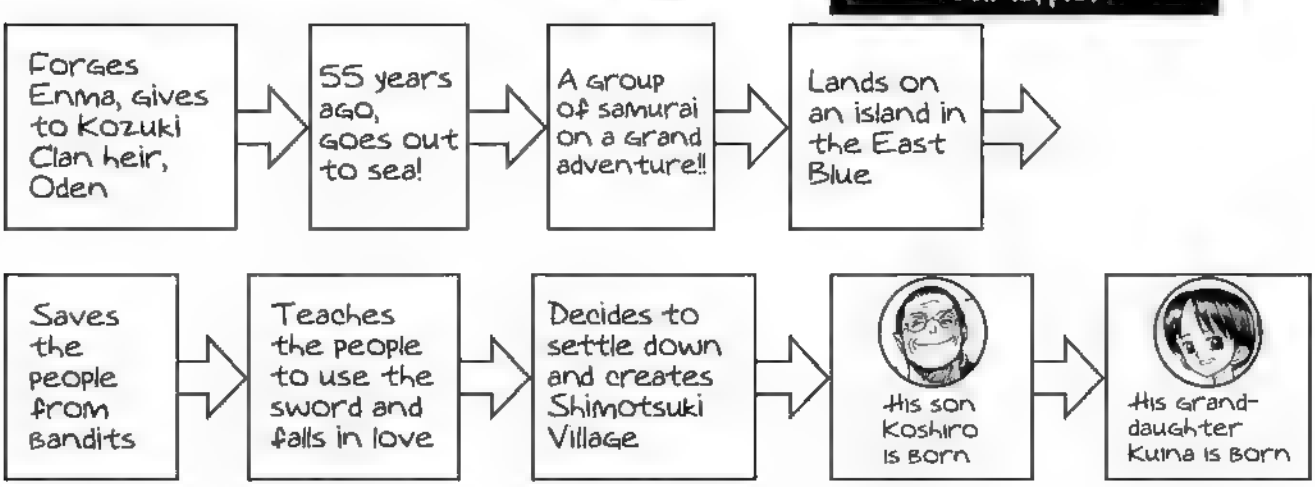
Q: Odacchi!! Here's a question!! We have Shimotsuki Yasuie, Shimotsuki Ryuma, Shimotsuki Kozaburo, Shimotsuki Onimaru--all of these people with the name of Shimotsuki. Is there a connection to the Shimotsuki village that Zoro grew up in, and his teacher, Koshiro? Zoro said he learned about the word "sunacchi" from the old guy in his village. Plus you said in the SBS of volume 92 that they came to the East Blue from Wano!

--Yuu

A: Okay. I think you can envision how this all fits together based on a close reading of the manga, but just to make it clear, allow me to explain! Here's the life of Shimotsuki Kozaburo, the blacksmith and swordsman.



So as you can see here, the "old guy in the village" Zoro knew was none other than old Shimotsuki Kozaburo, who originally sailed out of Wano. Huh? Wait, what does that mean for Zoro's bloodline...?
That's all for the story of Shimotsuki Kozaburo, the founder of Shimotsuki Village, for today!! Be-beng!!

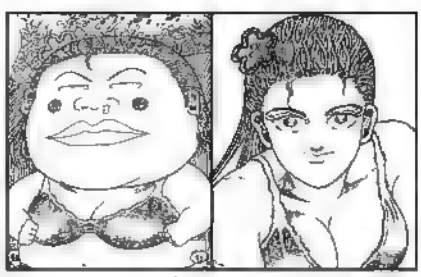
Q: Odacchi!! Is Shinobu modeled after Jane?!
--World Economic Part-Timer



©Masaya Tokuhiro / Shueisha

A: Oh! You think so?! Yeah, I kinda figured it out along the way, myself. Initially I was thinking about how the comedian and actress Naomi Watanabe has such an incredible and vibrant presence, so I based Shinobu on her, but eventually I started thinking, *You know, she reminds me of someone...* Then I figured out that it was none other than the legendary character Jane from my manga mentor Masaya Tokuhiro's classic series, *King of the Jungle Tar-chan*. Plus, Jane was beautiful when she was younger too, so it's really impossible to deny!

A: You're talking about one of the Roger Pirates. I had lots of questions about Roger's crew, so I'll just put up my rough design sketches of the main members of the group. It'll continue later on page 154, so check them out!! Don't worry, you don't need to know their names!!

Chapter 971: SENTENCED TO BOIL

SO WHAT WAS HE GOOD FOR ANYWAY?

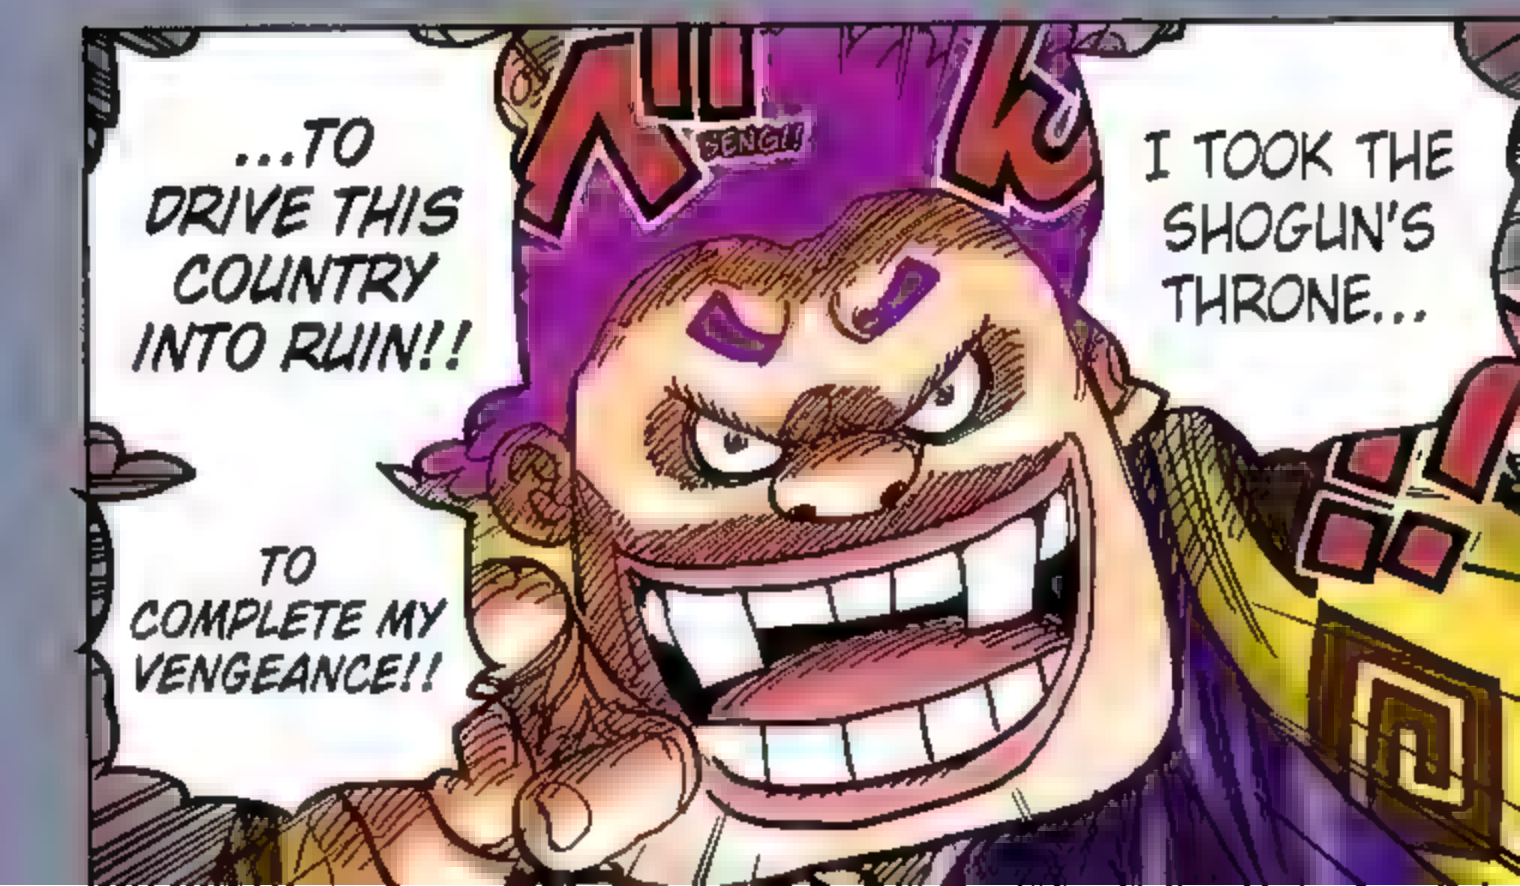
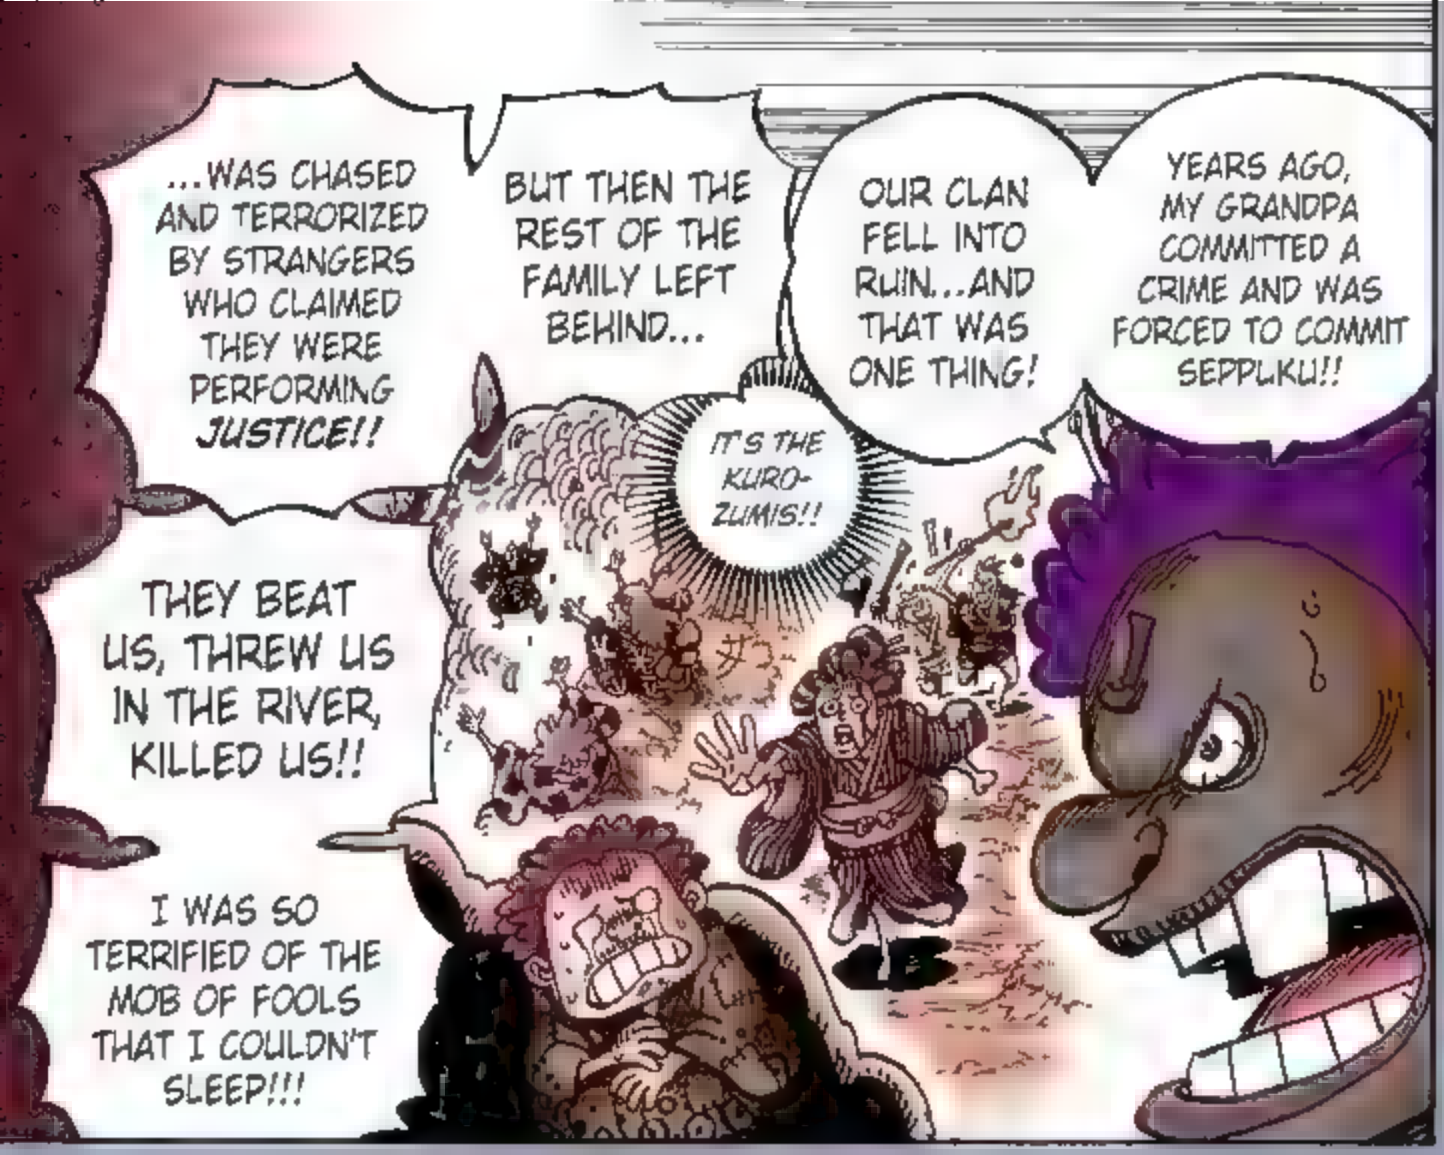
THAT'S SHINOBU, CAPTAIN!

WHO DO YOU THINK HAS BEEN ENSURING THAT YOU ALL LIVE IN PEACE?!!
IF YOU LOSE LORD ODEN NOW, YOU'LL ALL COME TO UNDER-STAND!
YOU'LL KNOW JUST HOW MUCH MISERY HE KEPT AT BAY!!!

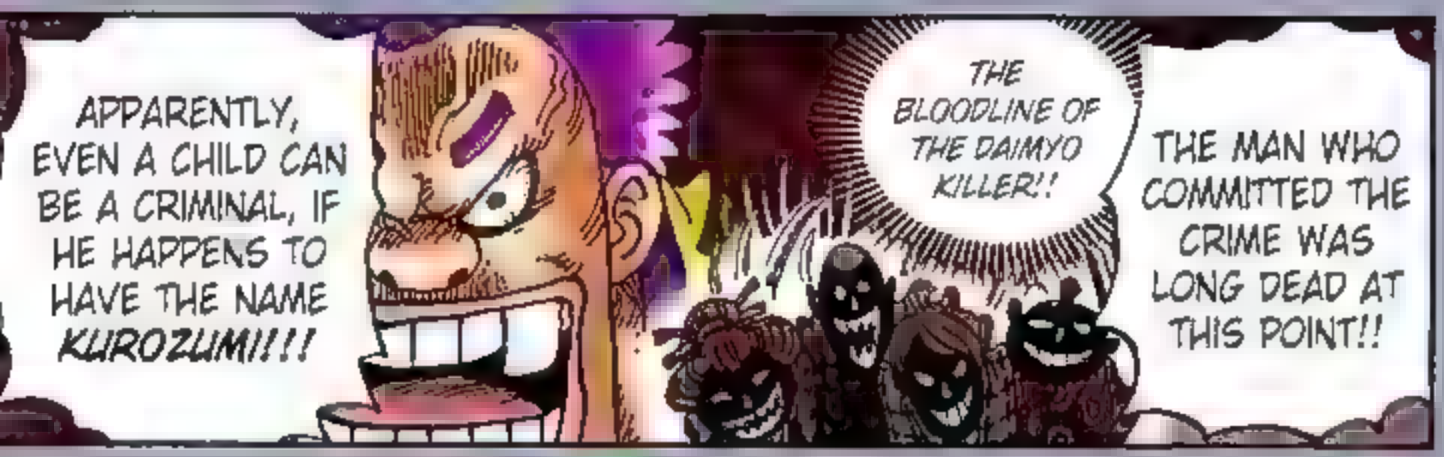
OROCHI IS NO SHOGUN, OR EVEN A DICTATOR!!
OROCHI DOESN'T *WANT* TO RULE OVER A POPULACE!!
IF YOU ASK ME...
...EVERY SINGLE PERSON IN THIS LAND IS GUILTY OF PERSECUTING THE KUROZUMI CLAN!!
I DON'T CARE IF EVERY LAST ONE OF THEM DIES!!



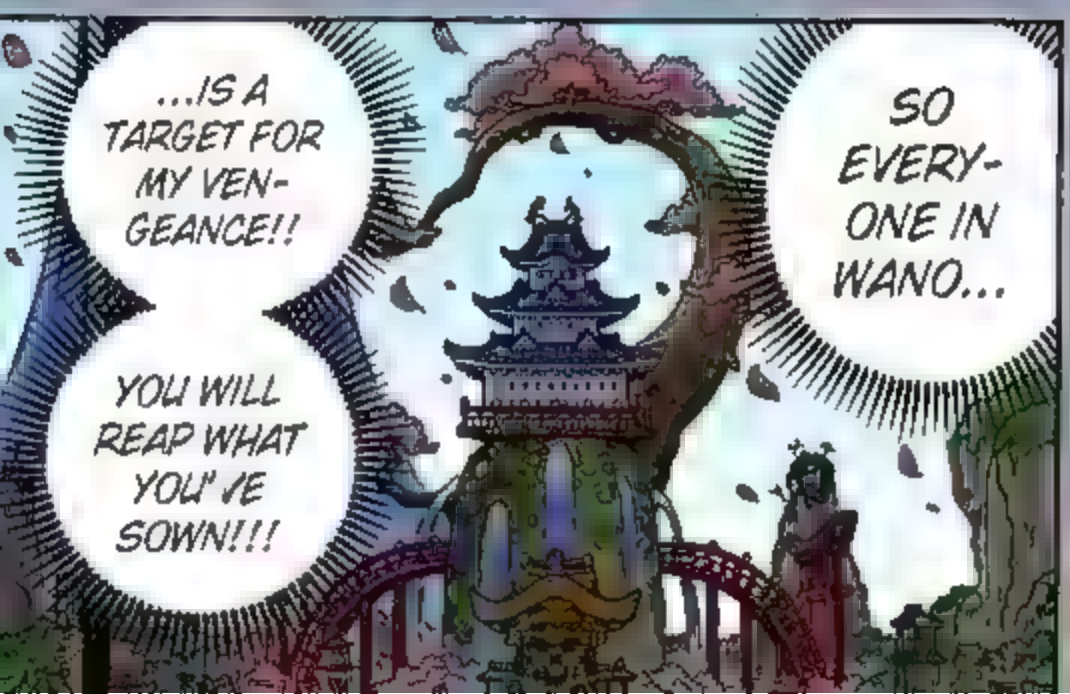
I TOOK THE SHOGUN'S THRONE...
SENGU!!
...TO DRIVE THIS COUNTRY INTO RUIN!!
TO COMPLETE MY VENGEANCE!!



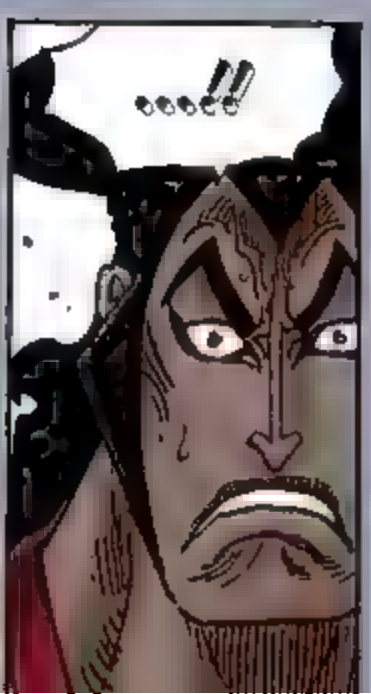
YEARS AGO, MY GRANDPA COMMITTED A CRIME AND WAS FORCED TO COMMIT SEPPUKU!!
OUR CLAN FELL INTO RUIN...AND THAT WAS ONE THING!
IT'S THE KURO-ZUMIS!!
BUT THEN THE REST OF THE FAMILY LEFT BEHIND...
...WAS CHASED AND TERRORIZED BY STRANGERS WHO CLAIMED THEY WERE PERFORMING JUSTICE!!
THEY BEAT US, THREW US IN THE RIVER, KILLED US!!
I WAS SO TERRIFIED OF THE MOB OF FOOLS THAT I COULDN'T SLEEP!!!



THE MAN WHO COMMITTED THE CRIME WAS LONG DEAD AT THIS POINT!!
THE BLOODLINE OF THE DAIMYO KILLER!!
APPARENTLY, EVEN A CHILD CAN BE A CRIMINAL, IF HE HAPPENS TO HAVE THE NAME KUROZUMI!!!



...IS A TARGET FOR MY VEN-GEANCE!!
SO EVERY-ONE IN WANO...
YOU WILL REAP WHAT YOU'VE SOWN!!!



...!!

...A TRIBUTE FOR KAIDO!! A GREAT STOCK OF WEAPONS...
...AND MANY HUNDREDS OF KIDNAPPED PEOPLE!!
?!
BENG!
THEN, FROM A ROOM IN THE BACK, HE PRODUCED...
LORD ODEN WAS FURIOUS!! BUT...
ONCE HANDED OVER, THEIR LIVES WOULD BE FINISHED, THEIR FATES SEALED.
THEY'LL BE SOLD, TORTURED OR KILLED.
THE ENEMY WAS AN AGENT OF VENGEANCE WITH NO INTEREST IN THE GOOD OF THE COUNTRY.
...
IT WAS CLEAR THAT MORE WOULD BE LOST THAN JUST THE QUESTION OF VICTORY OR DEFEAT.
...YOU WILL LOSE FAR MORE THAN YOU BARGAINED FOR.
YOU WANT TO STOP THE KIDNAPPING? BUT IF YOU GO TO WAR AGAINST US...
...THEN OROCHI MADE A SUGGES-TION.

...BUT HE WOULD SAVE 100 LIVES WITH EACH DANCE!!
...THEN HE WOULD LOSE ALL OF HIS STANDING...
!!
IF HE MADE A PUBLIC DANCE IN THE BUFF AT THE SAME TIME EVERY WEEK AS AN APOLOGY TO THE KUROZUMI CLAN...
SO LORD ODEN CHOSE TO ACCEPT OROCHI'S OFFER!!
SO HE TRAVELED FROM REGION TO REGION EVERY WEEK, MAKING CERTAIN THAT NOTHING HAD CHANGED...
...
?
HE TRUSTED THEIR PROMISE THAT FIVE YEARS LATER..
. THEY WOULD AGREE TO SAIL AWAY FROM THIS COUNTRY WHEN THEY WERE DONE BUILDING THEIR SHIPS!!
...LORD ODEN HAS BEEN PROTECTING THIS LAND!!!

Q: Oda Sensei!! I think Boss Kyoshiro looks really cool!! I love his design!! I want a figure and everything!! The fact that this character exists has brought great joy to my life. I'd love to know his height and his favorite food!!

--Majo

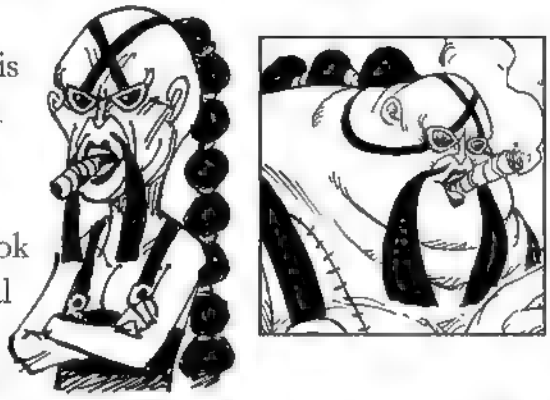
A: Kyoshiro! He's awesome, right? I was very proud of this character design!! I've gotten a lot of questions about the Nine Red Scabbards as a whole, so I'll give you the height and favorite food for all of them together, and I'll throw in Shinobu and Izo just for good measure.

There. As you can see, they basically all love various ingredients found in an oden hot pot.

Q: Hi, Oda Sensei! In volume 93, Queen sang his catchphrase, "If I get any thinner, I'll steal all your hearts, so I choose the way I am, I stay **FUNKY!!**"♫

So I'm wondering, what would he actually look like if he were skinny? Would he, in fact, steal our hearts?

--Morimori Man

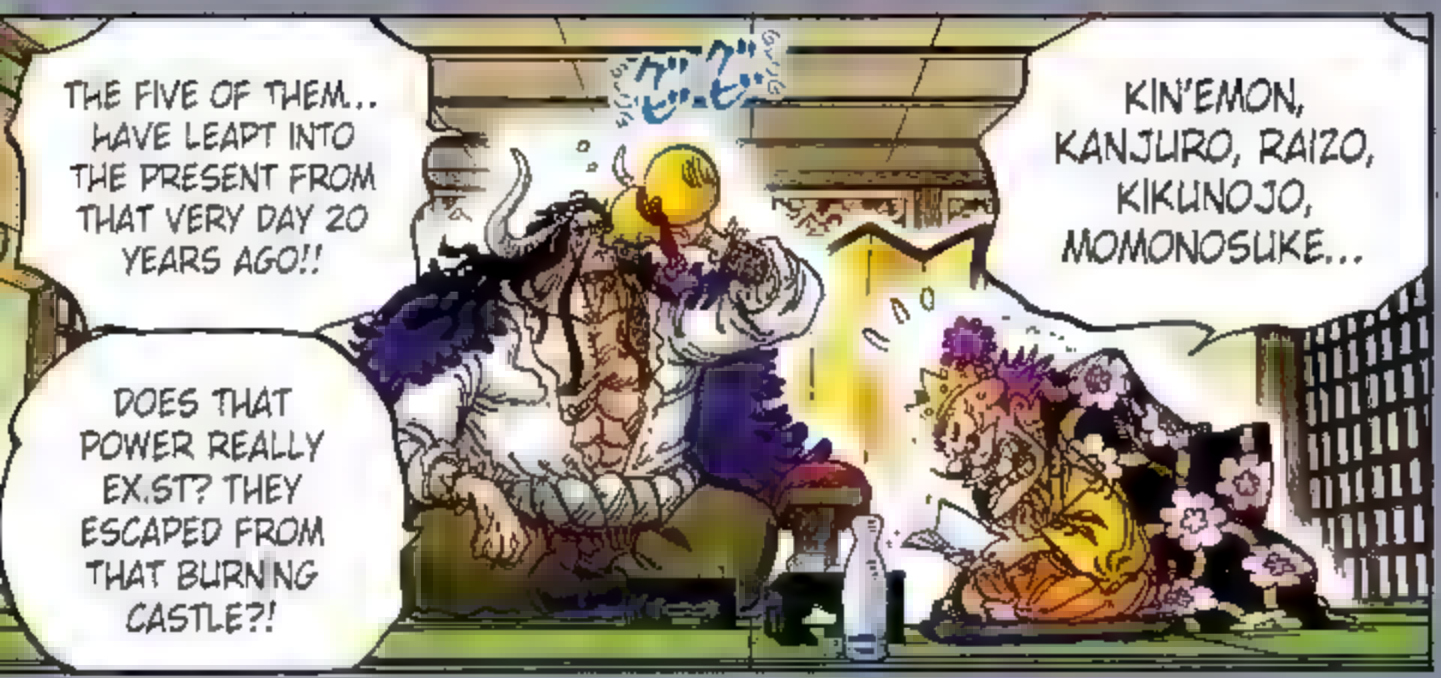


A: Here. Some people are just more charming when they're chubby! That's all for this SBS! See you next volume!!

Chapter 974:
ONWARD TO ONIGASHIMA!!

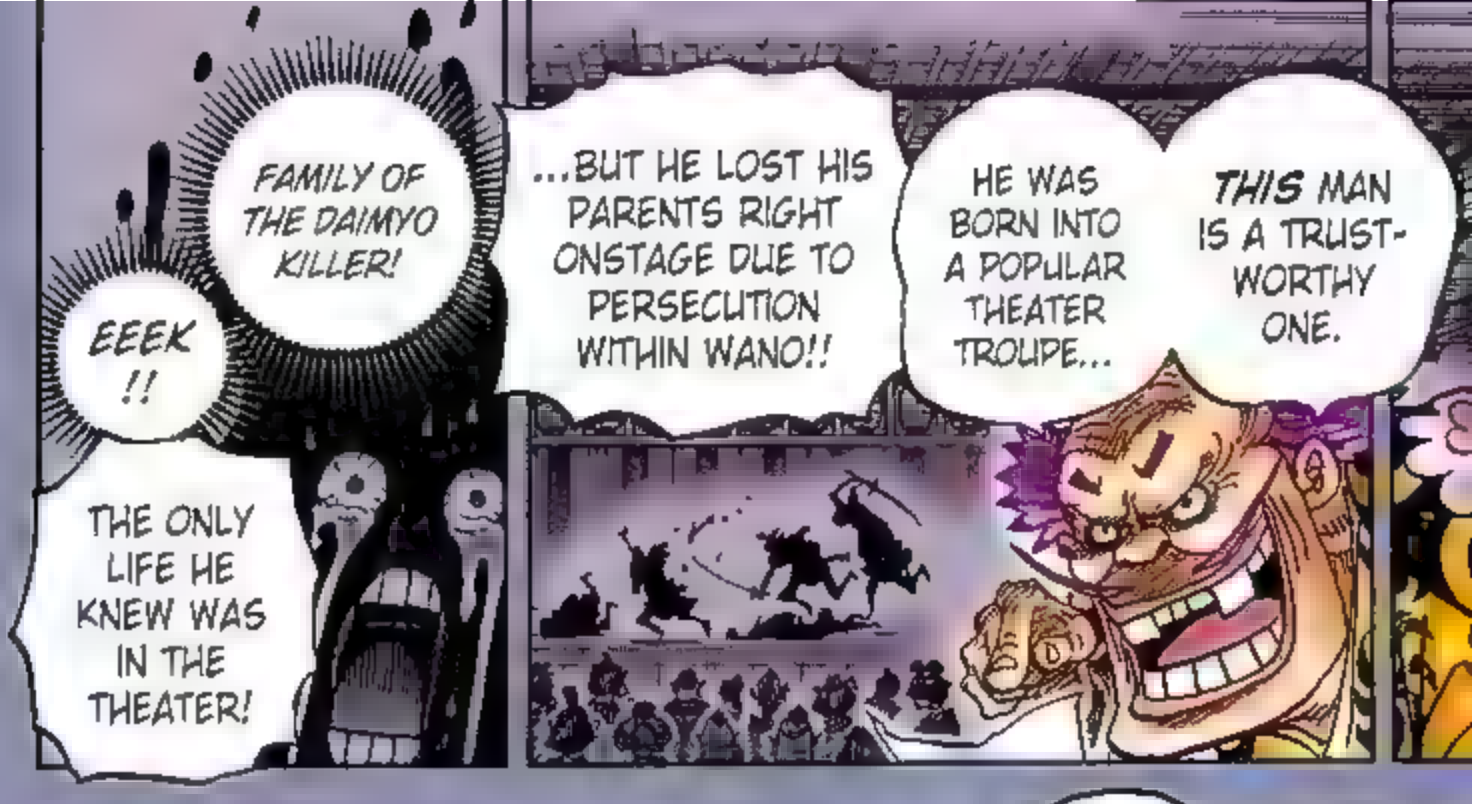
I WILL GO DISTRIBUTE IT IN EBISU TOWN.
WELL... THE MONEY CHECKS OUT.
YOU'RE PUTTING YOURSELF IN DANGER AGAIN.
I HAVE MORE COINS FOR YOU, WITCHING HOUR...
THANK YOU.
I'M SURE THAT MUST BE...DIFFICULT FOR YOU...
AND HE HAS NO IDEA THAT YOU ARE LORD ODEN'S DAUGHTER..
OROCHI IS COMPLETELY SMITTEN WITH YOU.
PLEASE REMEMBER TO WEAR YOUR BLOOD BAGS UNDER THE KIMONO, MY LADY.
WE'RE ALMOST TO 20 YEARS!!
I'LL BE FINE. WE'RE ALMOST THERE...
IF THE TIME COMES, WE WILL SEPARATE KOMURASAKI FROM OROCHI THROUGH "DEATH" IN ORDER TO KEEP YOU SAFE.

A FEW MONTHS AGO...
THEY'VE COME FOR ME!! THE GHOSTS OF THE PAST!!
THEY'VE REALLY COME!!
TOKI'S POWERS WERE REAL AFTER ALL!!

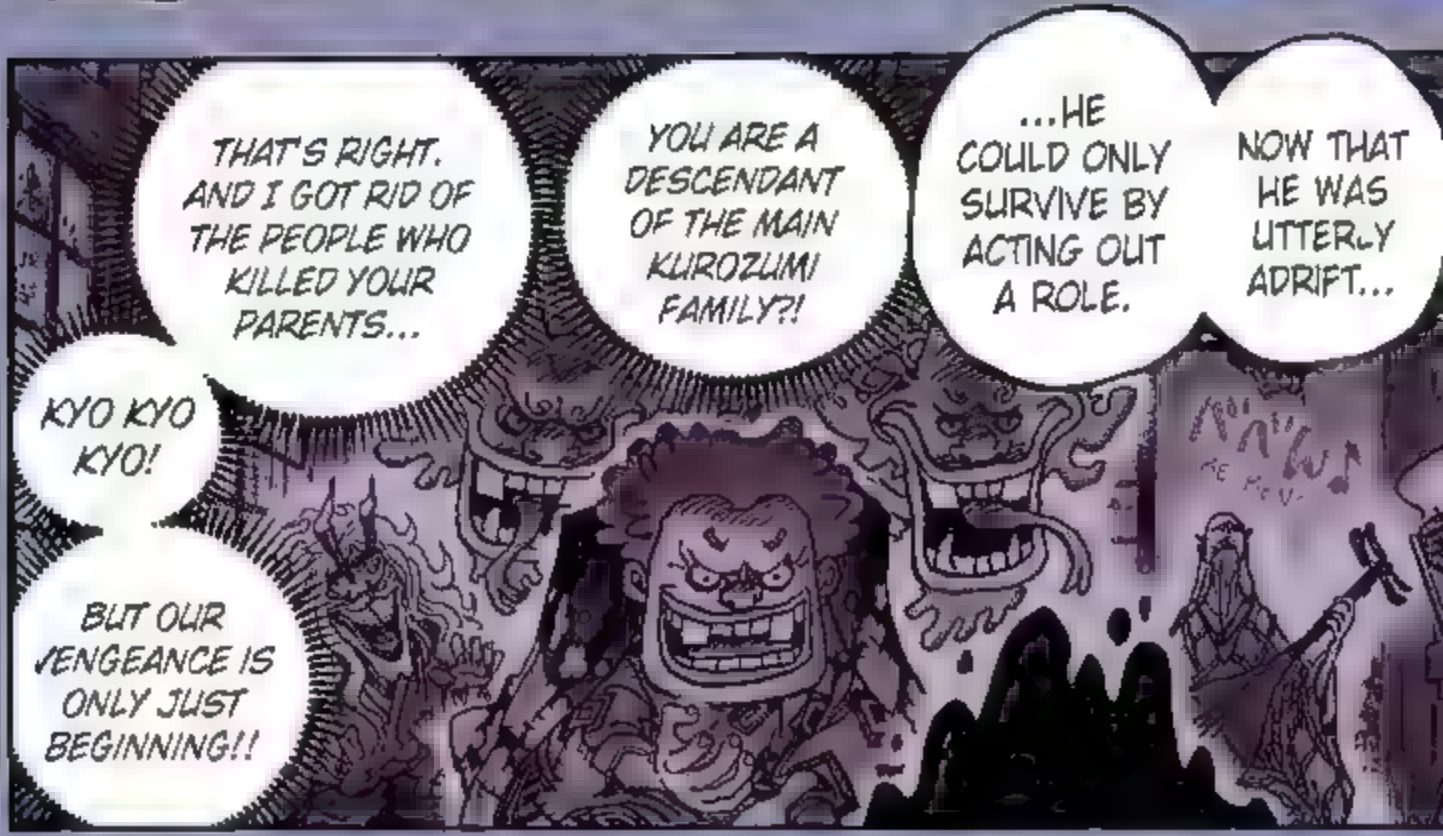


KIN'EMON, KANJURO, RAIZO, KIKUNOJO, MOMONOSUKE...
THE FIVE OF THEM... HAVE LEAPT INTO THE PRESENT FROM THAT VERY DAY 20 YEARS AGO!!
DOES THAT POWER REALLY EXIST? THEY ESCAPED FROM THAT BURNING CASTLE?!

WELL, DON'T KILL THEM. IF THEY'RE STILL ALIVE...
...I'VE GOT QUESTIONS FOR THE KOZUKI SURVIVORS AFTER THE LAST 20 YEARS...
KEEP WATCHING THE SHORES!! I'M CERTAIN YOU'LL SPOT PEOPLE LEAVING THE COUNTRY!!
YES, SIR!!
YOU SURE SOMEONE ISN'T JUST GETTING A RISE OUT OF YOU BECAUSE YOU'RE TERRIFIED?
I'M SURE OF IT!! LOOK AT THIS LETTER!!

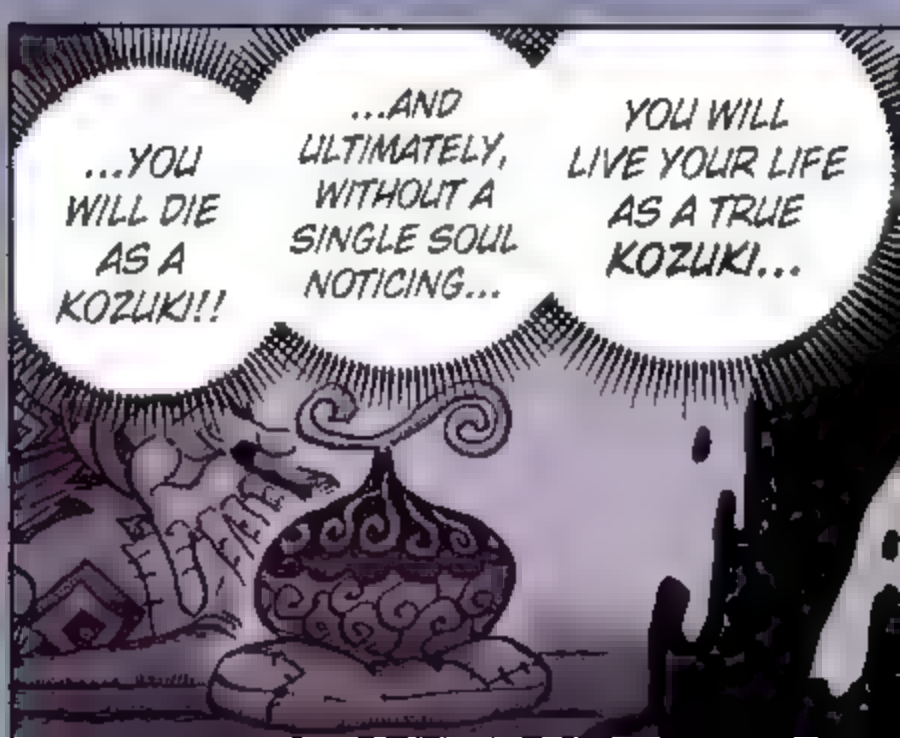


FAMILY OF THE DAIMYO KILLER!
EEEK !!
THE ONLY LIFE HE KNEW WAS IN THE THEATER!
...BUT HE LOST HIS PARENTS RIGHT ONSTAGE DUE TO PERSECUTION WITHIN WANO!!
HE WAS BORN INTO A POPULAR THEATER TROUPE...
THIS MAN IS A TRUST-WORTHY ONE.

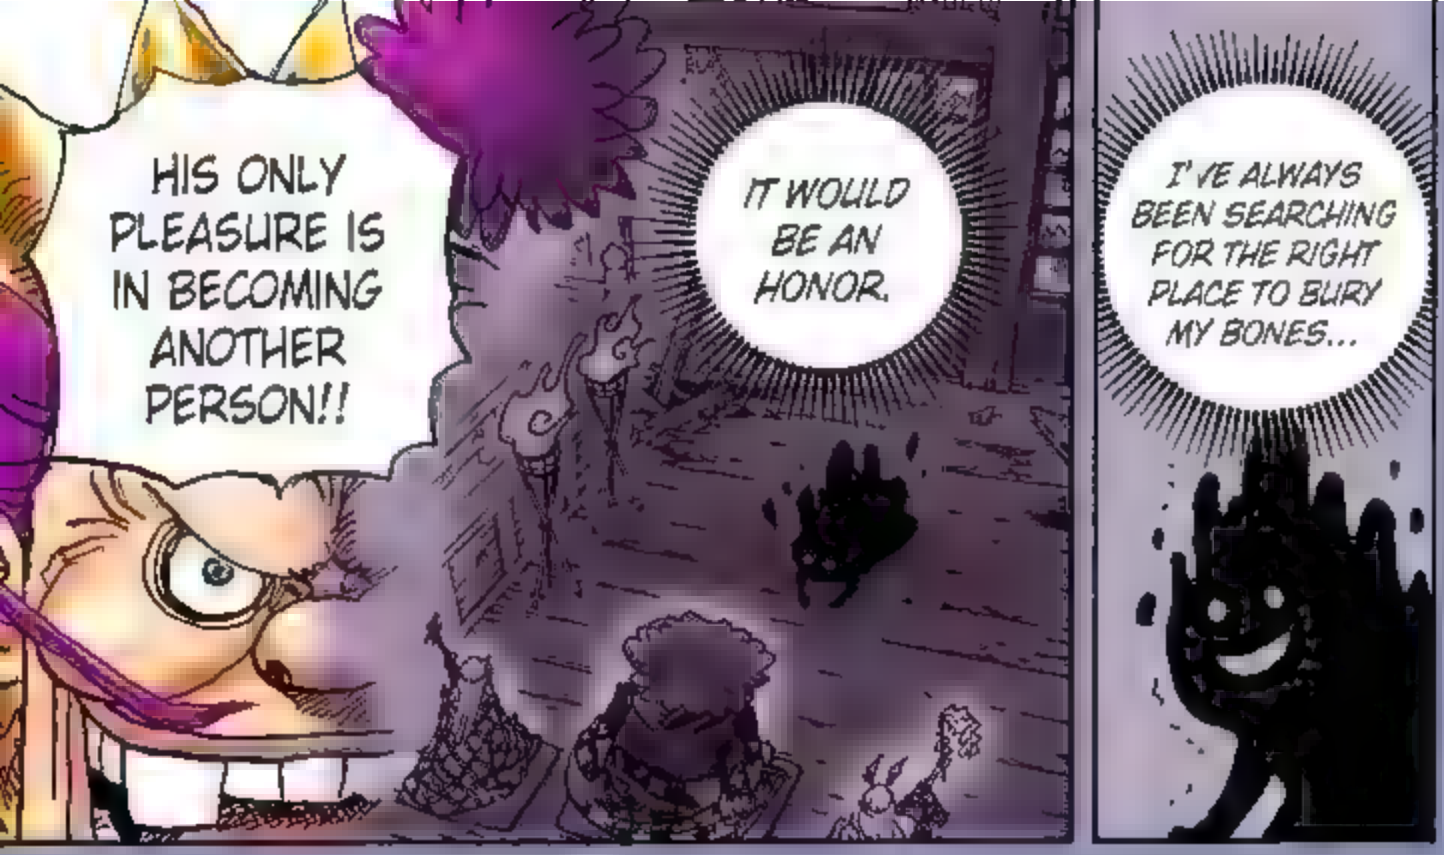


THAT'S RIGHT. AND I GOT RID OF THE PEOPLE WHO KILLED YOUR PARENTS...
KYO KYO KYO!
BUT OUR VENGEANCE IS ONLY JUST BEGINNING!!
YOU ARE A DESCENDANT OF THE MAIN KUROZUMI FAMILY?!
...HE COULD ONLY SURVIVE BY ACTING OUT A ROLE.
NOW THAT HE WAS UTTERLY ADRIFT...

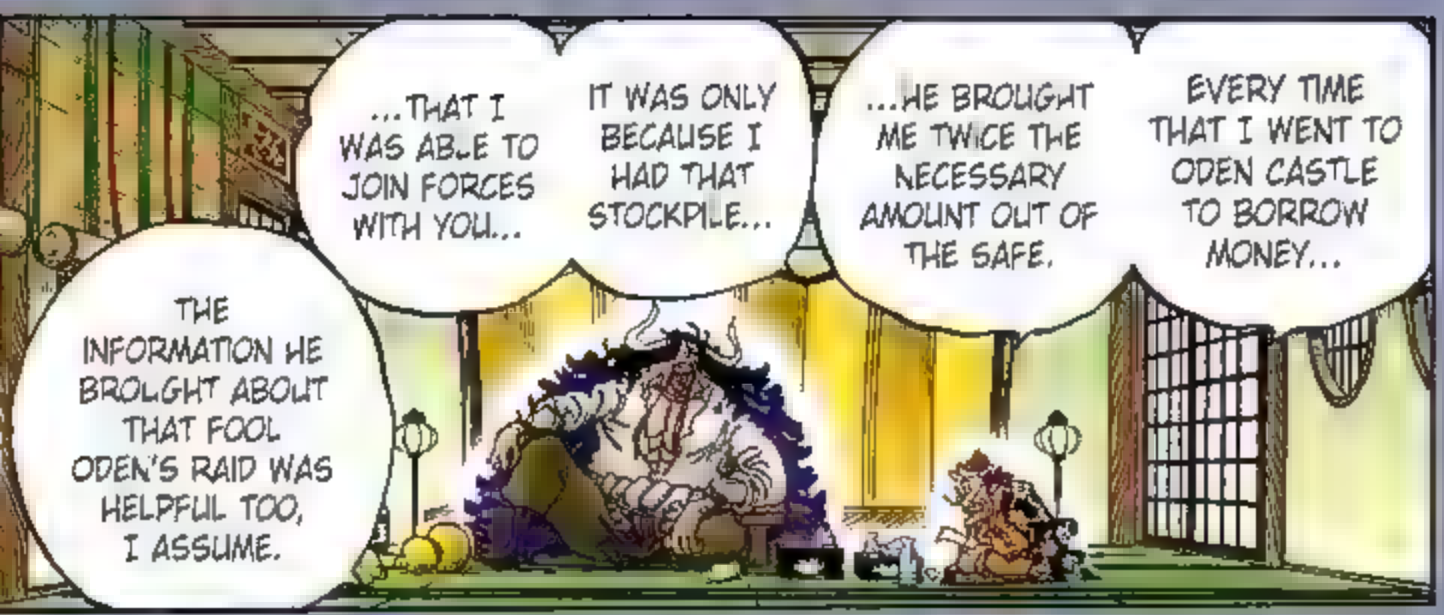
THAT IS THE GRAND ROLE THAT I GIVE YOU FOR THIS STAGE!! CAN YOU PLAY IT FOR ME?!



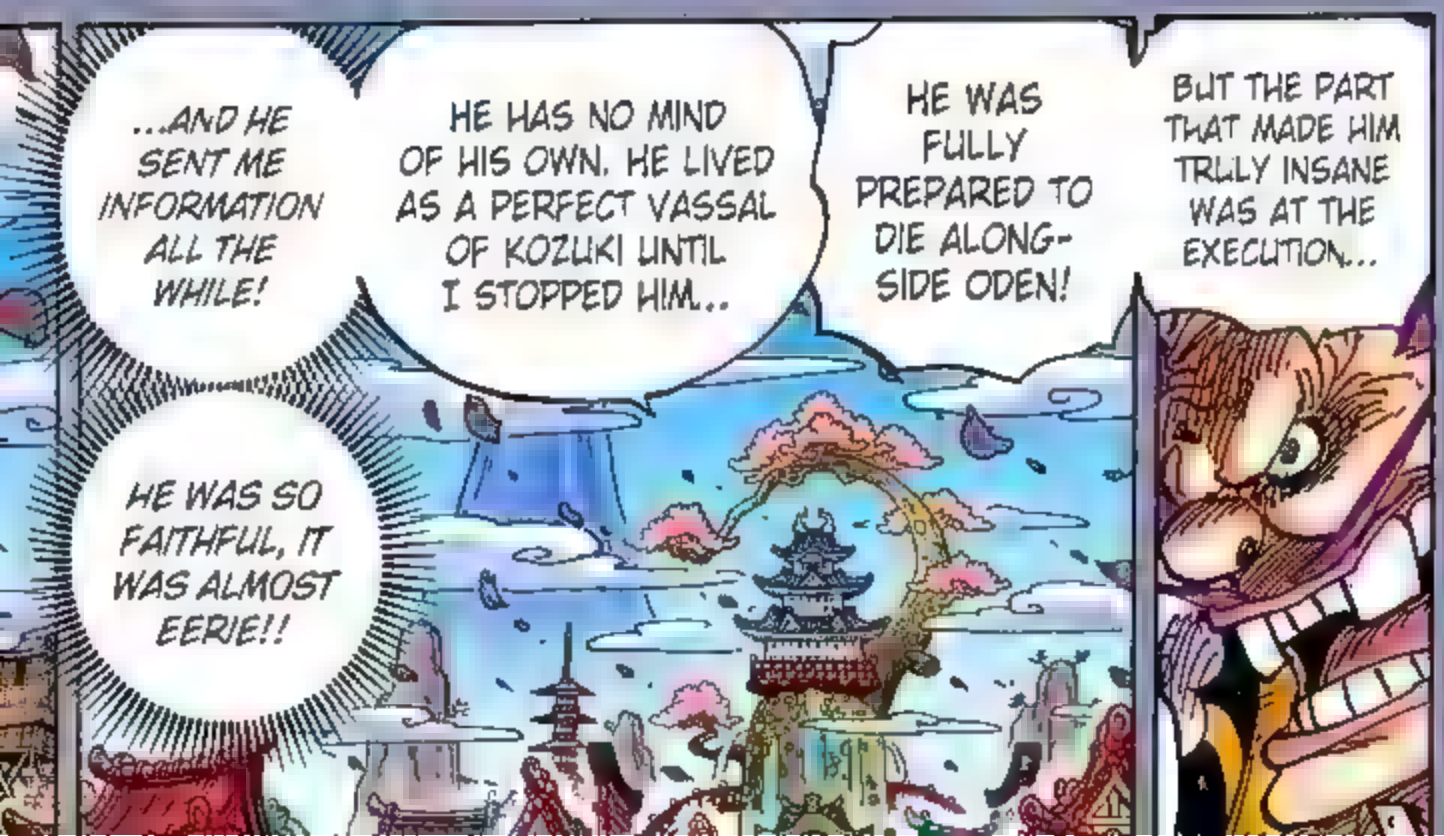
...YOU WILL DIE AS A KOZUKI!!
...AND ULTIMATELY, WITHOUT A SINGLE SOUL NOTICING...
YOU WILL LIVE YOUR LIFE AS A TRUE KOZUKI...



HIS ONLY PLEASURE IS IN BECOMING ANOTHER PERSON!!
IT WOULD BE AN HONOR.
I'VE ALWAYS BEEN SEARCHING FOR THE RIGHT PLACE TO BURY MY BONES...



THE INFORMATION HE BROUGHT ABOUT THAT FOOL ODEN'S RAID WAS HELPFUL TOO, I ASSUME.
...THAT I WAS ABLE TO JOIN FORCES WITH YOU...
IT WAS ONLY BECAUSE I HAD THAT STOCKPILE...
...HE BROUGHT ME TWICE THE NECESSARY AMOUNT OUT OF THE SAFE.
EVERY TIME THAT I WENT TO ODEN CASTLE TO BORROW MONEY...



...AND HE SENT ME INFORMATION ALL THE WHILE!
HE HAS NO MIND OF HIS OWN. HE LIVED AS A PERFECT VASSAL OF KOZUKI UNTIL I STOPPED HIM...
HE WAS FULLY PREPARED TO DIE ALONG-SIDE ODEN!
BUT THE PART THAT MADE HIM TRULY INSANE WAS AT THE EXECUTION...
HE WAS SO FAITHFUL, IT WAS ALMOST EERIE!!

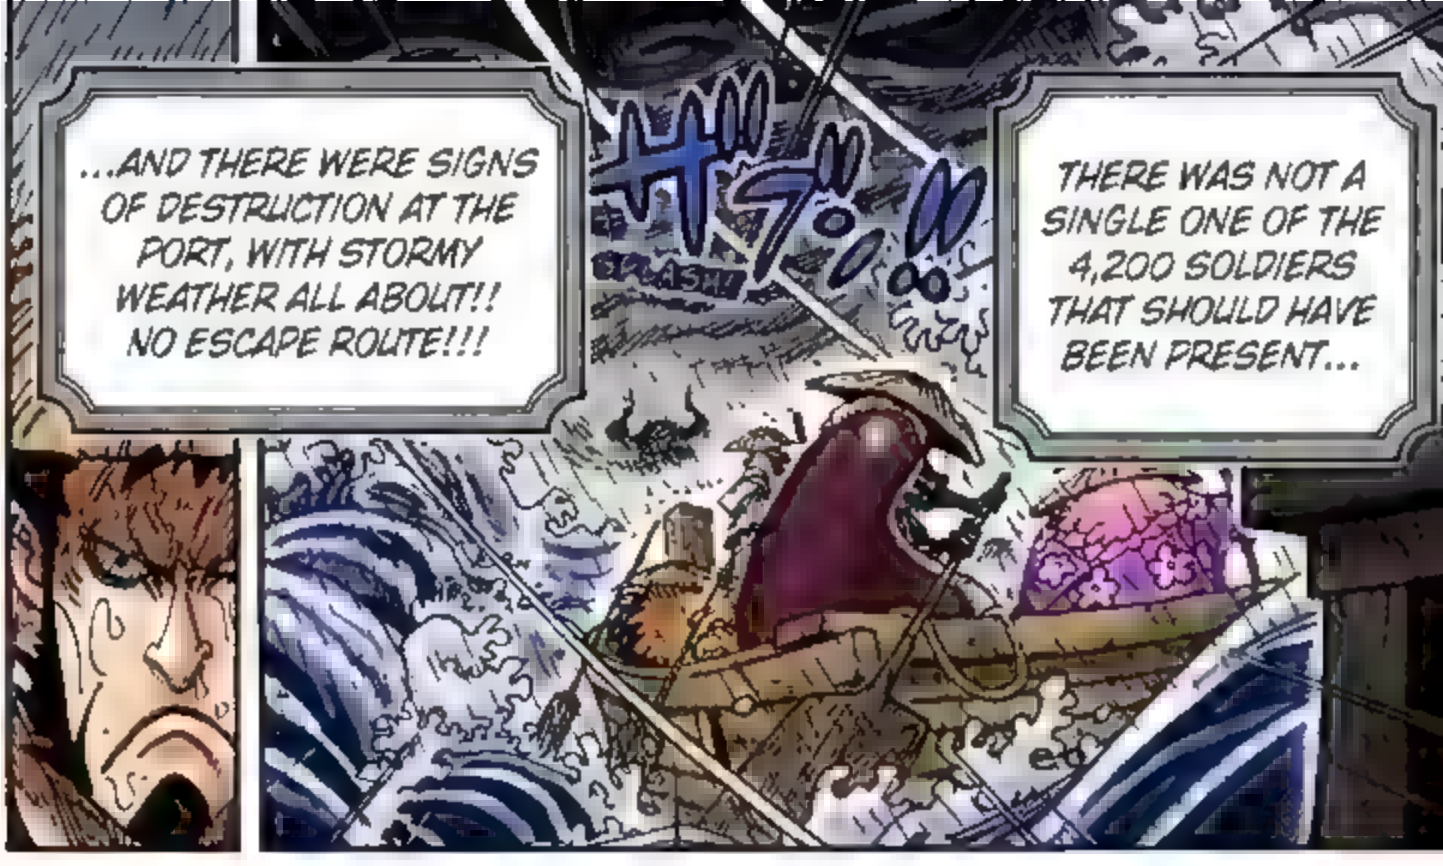
ベベン
BE-BENG!!
AND NOW...
PRESENT DAY, FLOWER CAPITAL
...IT HAS BEEN 20 LONG YEARS...

IT IS A STORY OF THE DEEP GRUDGE BETWEEN THE KOZUKI CLAN...
...AND THE KUROZUMI CLAN, WORKING WITH THE PIRATE KAIDO!!
...SINCE THE TRAGIC DEATH OF THE LEGENDARY SAMURAI, KOZUKI ODEN!!

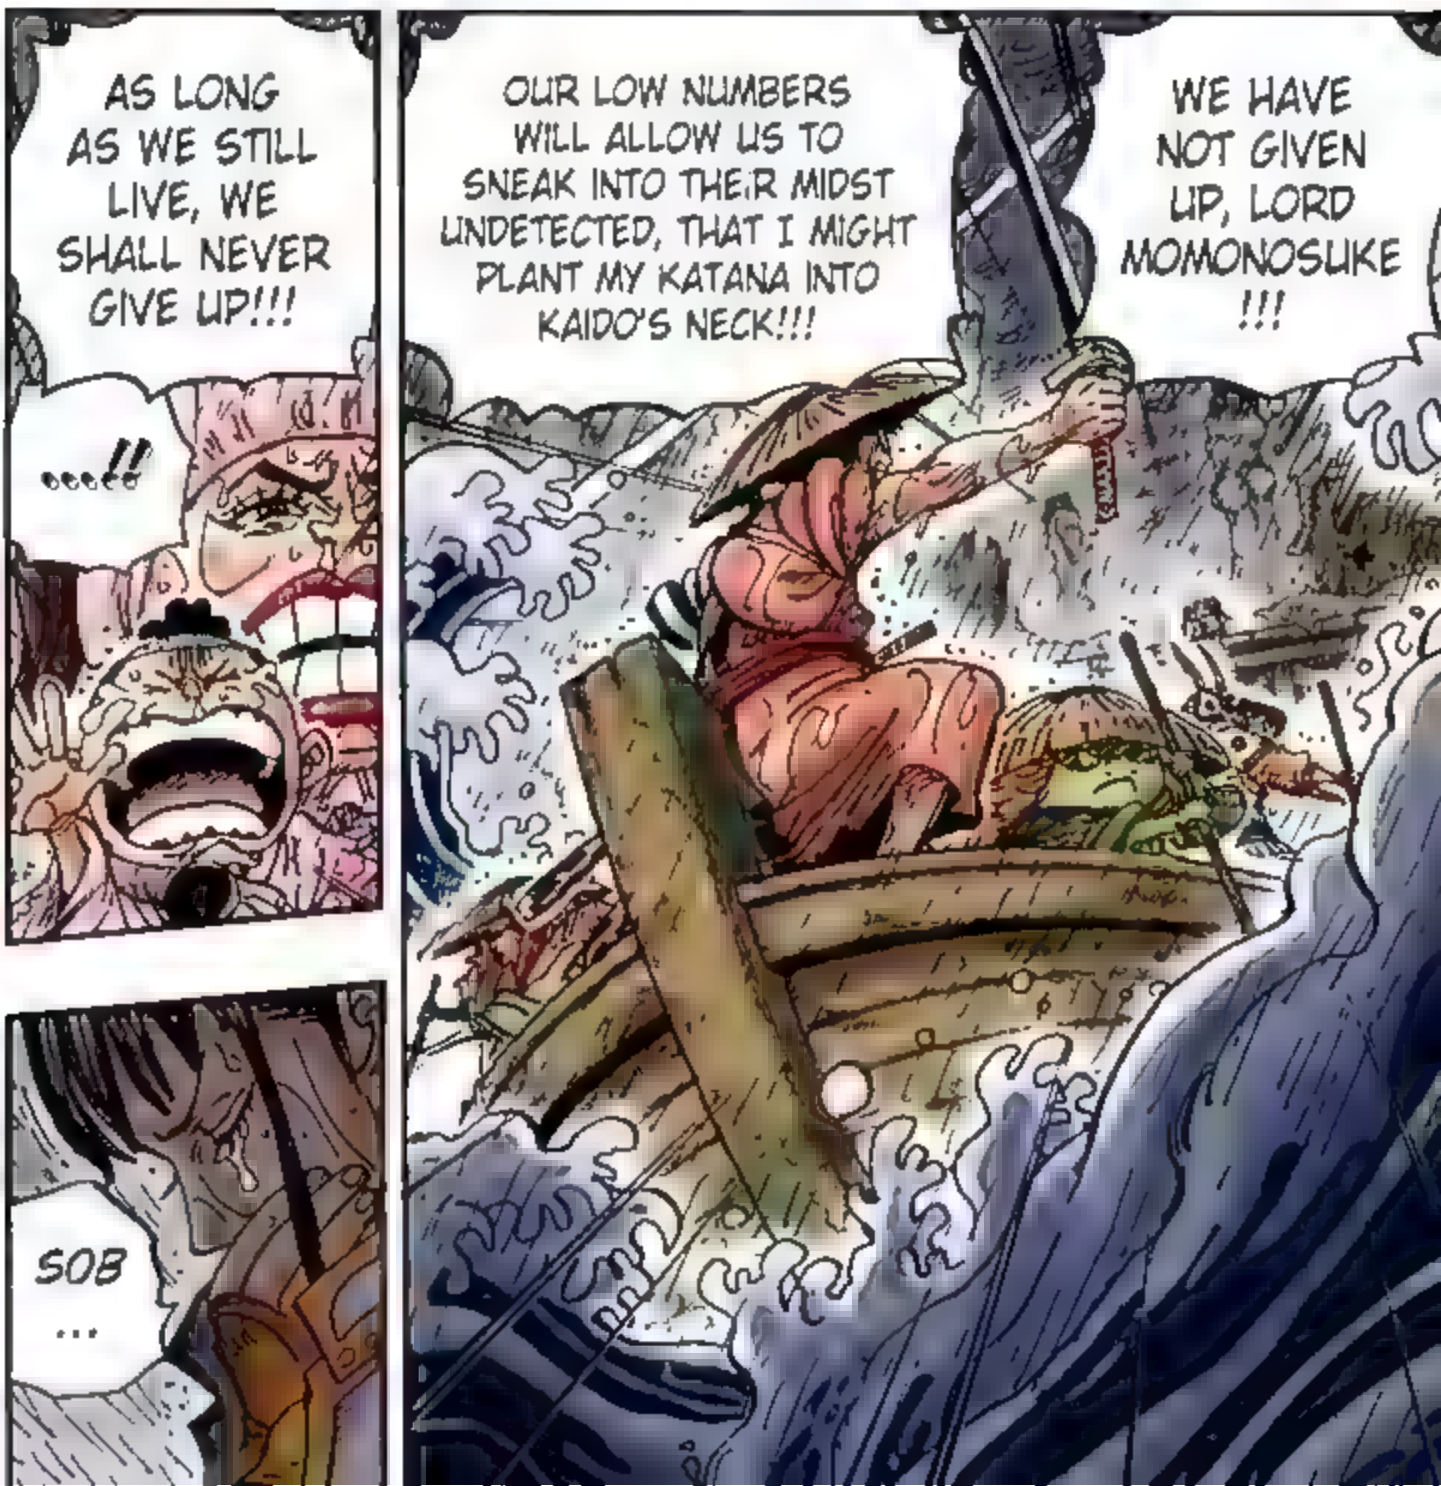
AND AFTER SEVERAL MONTHS OF RISKING LIFE AND LIMB, THEY FOUND LIKE-MINDED ALLIES TO THE CAUSE!!
SAD
IN ORDER TO FULFILL KOZUKI ODEN'S WISH OF OPENING THE COUNTRY...
...THE SAMURAI LEAPT 20 YEARS INTO THE FUTURE!!

IF ALL GOES WELL, THE SOLDIERS FOR THE RAID WILL GATHER ON THE EVENING OF THE FIRE FESTIVAL!!
AT TOKAGE PORT!! ONWARD TO ONIGASHIMA!!
ウオオオオ
RAAAHH!!
THEIR FERVENT HOPES WERE NOT IN VAIN! ALL IN ALL, THEY AMASSED AN ARMY...
...OF 4,200 WARRIORS!! WITH WEAPONS AND SHIPS!!

ドドド
SE-SEND!
IF ONLY ALL HAD GONE WELL...
ワっ!!
DO NOT HOLD ME BACK, LORD MOMONOSUKE!!
...!!
NO!! STOP!!
KIN'EMON!! KANJURO!! RAIZO!! KIKU!! KAWAMATSU!! DOGSTORM!! ASHURA!!! STOP WHERE YOU ARE!!
THIS IS SUICIDE!!



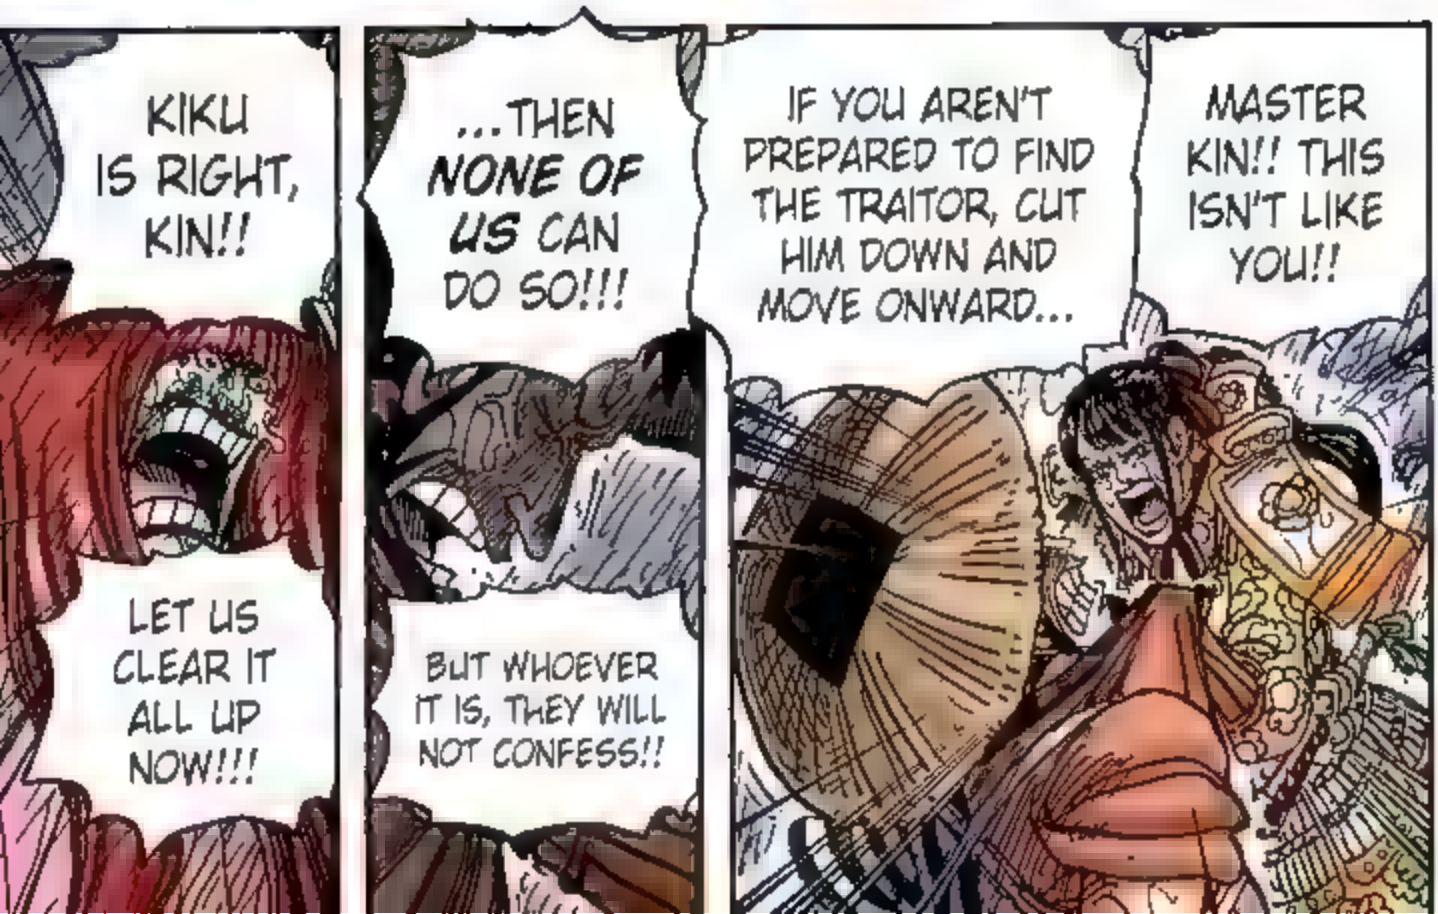
...AND THERE WERE SIGNS OF DESTRUCTION AT THE PORT, WITH STORMY WEATHER ALL ABOUT!! NO ESCAPE ROUTE!!!
SPLASH!!
THERE WAS NOT A SINGLE ONE OF THE 4,200 SOLDIERS THAT SHOULD HAVE BEEN PRESENT...



AS LONG AS WE STILL LIVE, WE SHALL NEVER GIVE UP!!!
...!!
OUR LOW NUMBERS WILL ALLOW US TO SNEAK INTO THEIR MIDST UNDETECTED, THAT I MIGHT PLANT MY KATANA INTO KAIDO'S NECK!!!
WE HAVE NOT GIVEN UP, LORD MOMONOSUKE !!!
SOB ...

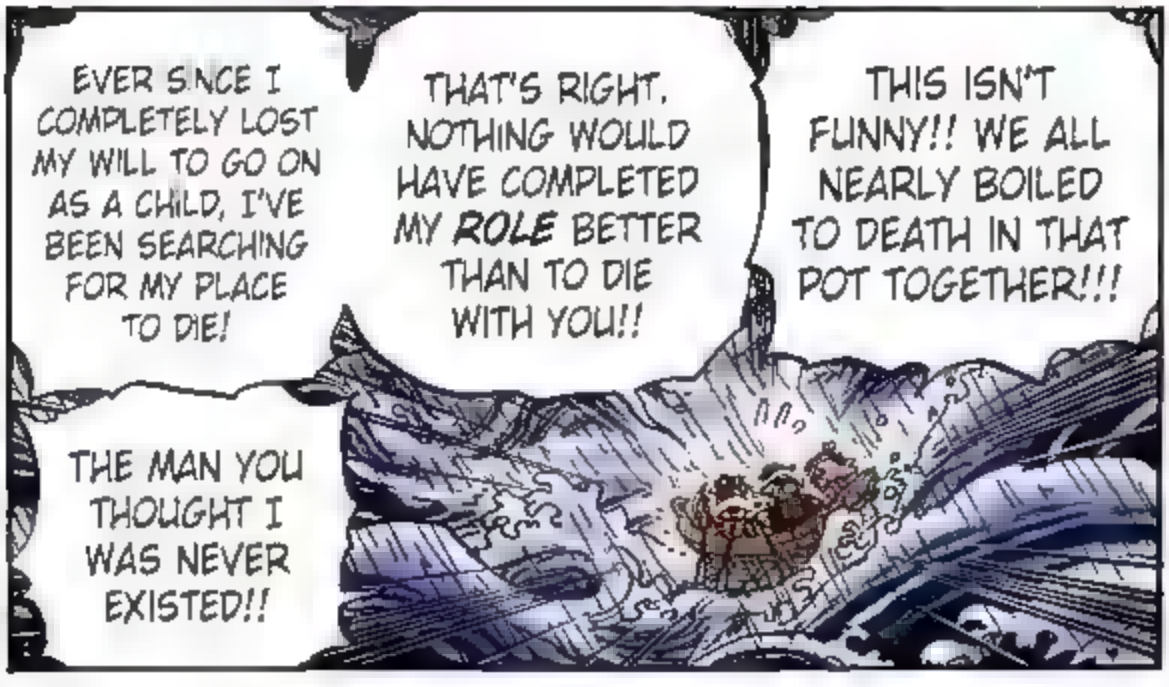
I THOUGHT THE SAME THING... IN FACT, I SUSPECT WE ALL DID!!
DOESN'T THIS MEAN THAT OUR PLAN WAS LEAKED?! AGAIN?!
!!
BUT... IT JUST DOESN'T MAKE SENSE!!
...!!
!

!!
BUT AT THIS POINT, I DO NOT EVEN WANT TO KNOW!!
...BUT IT MIGHT BE THAT ONE OF US...
...IS IN LEAGUE WITH THE ENEMY!!!
I DID NOT WANT TO CONSIDER THIS POSSIBILITY...
ドゥ
SENGO!



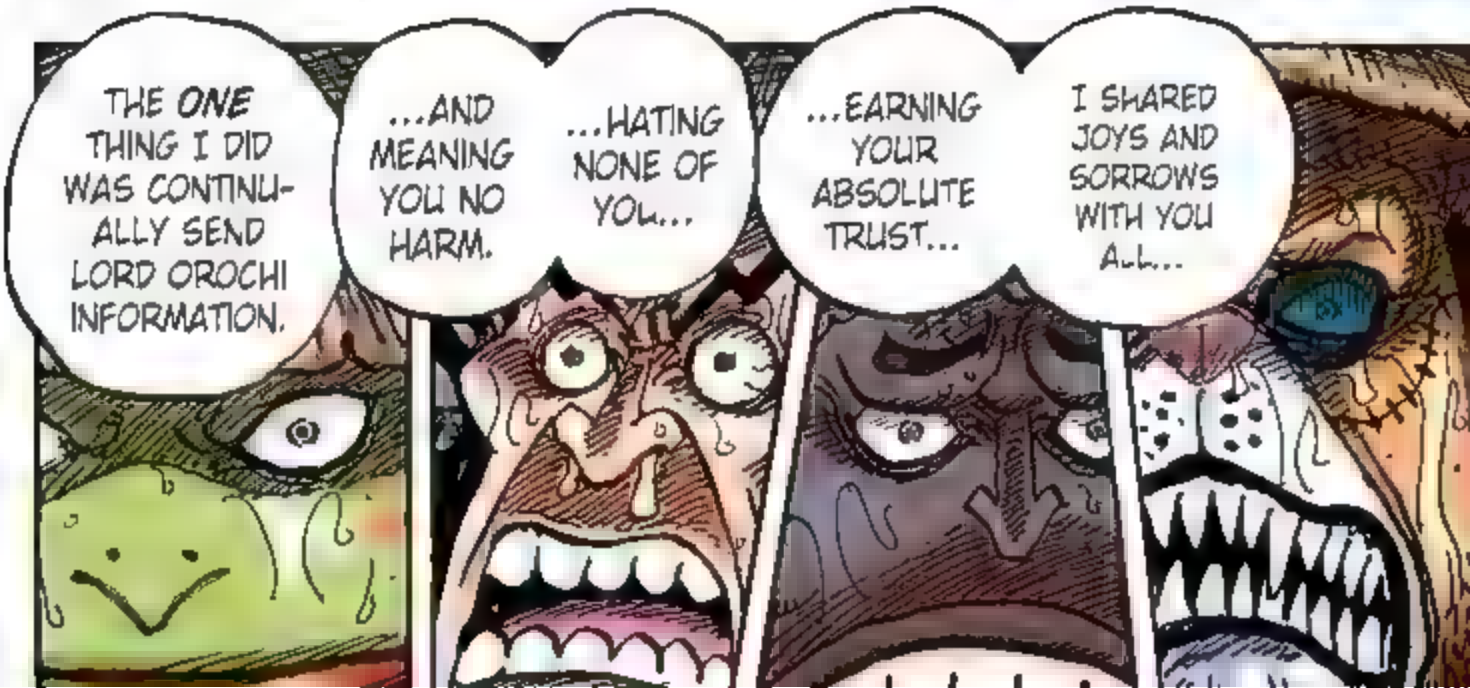
KIKU IS RIGHT, KIN!!
LET US CLEAR IT ALL UP NOW!!!
...THEN NONE OF US CAN DO SO!!!
BUT WHOEVER IT IS, THEY WILL NOT CONFESS!!
IF YOU AREN'T PREPARED TO FIND THE TRAITOR, CUT HIM DOWN AND MOVE ONWARD...
MASTER KIN!! THIS ISN'T LIKE YOU!!

...THAT IT WAS ME!!!
BY ACKNOWL-EDGING...
?!!!
ドロ
ドロ



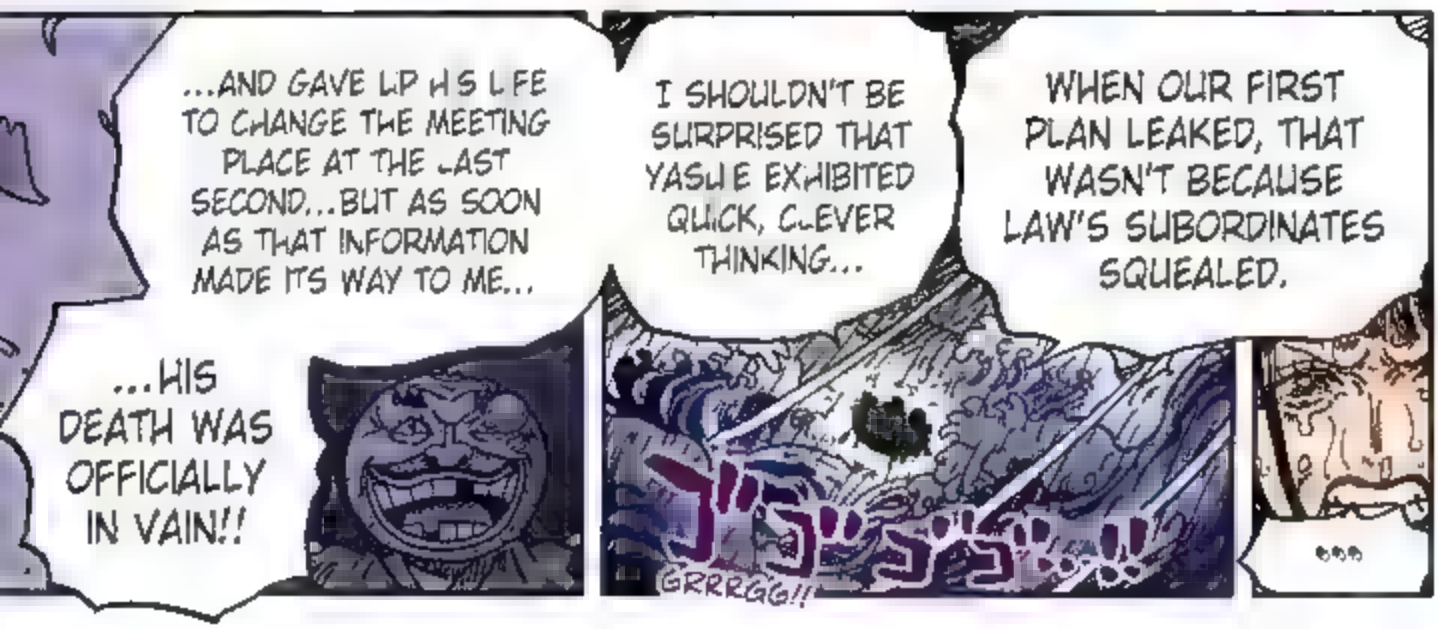
EVER SINCE I COMPLETELY LOST MY WILL TO GO ON AS A CHILD, I'VE BEEN SEARCHING FOR MY PLACE TO DIE!
THAT'S RIGHT. NOTHING WOULD HAVE COMPLETED MY ROLE BETTER THAN TO DIE WITH YOU!!
THIS ISN'T FUNNY!! WE ALL NEARLY BOILED TO DEATH IN THAT POT TOGETHER!!!
THE MAN YOU THOUGHT I WAS NEVER EXISTED!!

KANJURO ?!!

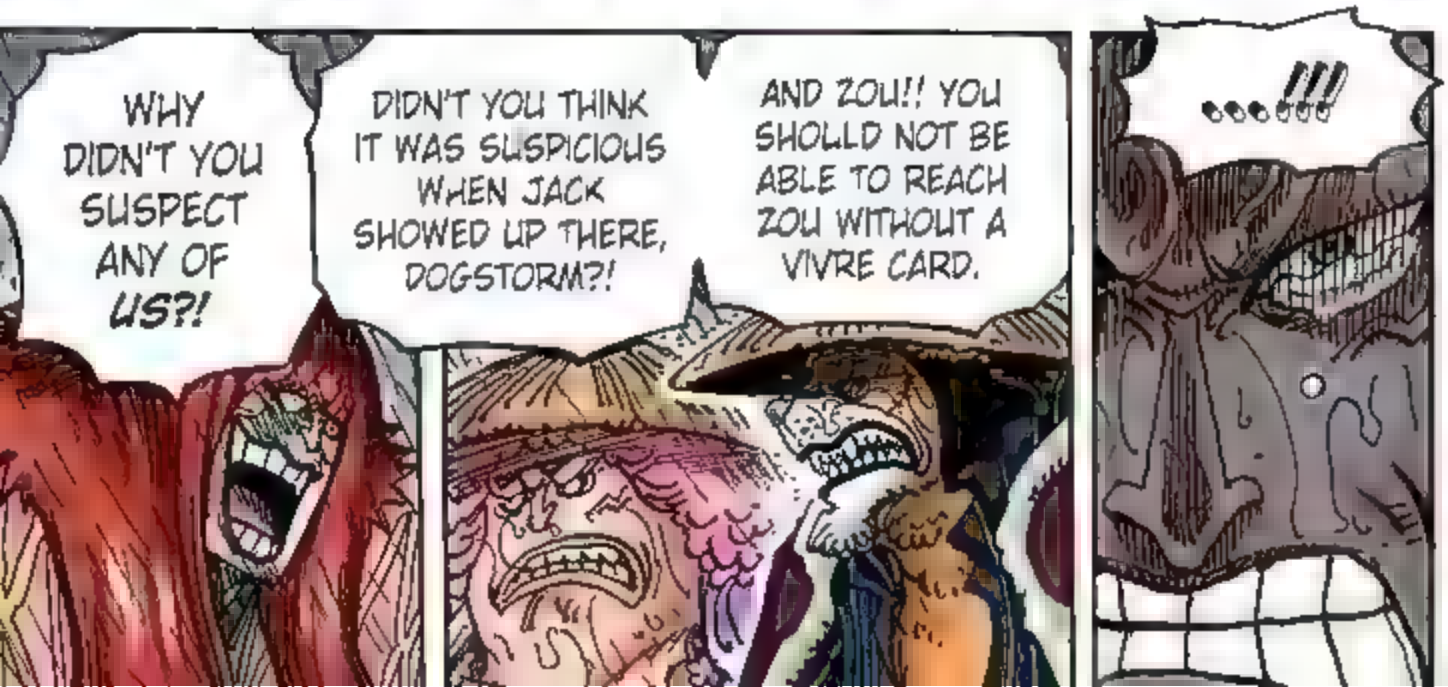


THE ONE THING I DID WAS CONTINU-ALLY SEND LORD OROCHI INFORMATION.
...AND MEANING YOU NO HARM.
...HATING NONE OF YOU...
...EARNING YOUR ABSOLUTE TRUST...
I SHARED JOYS AND SORROWS WITH YOU ALL...

...IS KUROZUMI KANJURO!!
!!!
NEED I SAY MORE?
MY NAME...
WHY WOULD YOU DO SUCH A THING?!



...AND GAVE UP HIS LIFE TO CHANGE THE MEETING PLACE AT THE LAST SECOND...BUT AS SOON AS THAT INFORMATION MADE ITS WAY TO ME...
...HIS DEATH WAS OFFICIALLY IN VAIN!!
I SHOULDN'T BE SURPRISED THAT YASUE EXHIBITED QUICK, CLEVER THINKING...
WHEN OUR FIRST PLAN LEAKED, THAT WASN'T BECAUSE LAW'S SUBORDINATES SQUEALED.
GRRRGG!!
...



WHY DIDN'T YOU SUSPECT ANY OF US?!
DIDN'T YOU THINK IT WAS SUSPICIOUS WHEN JACK SHOWED UP THERE, DOGSTORM?!
AND ZOU!! YOU SHOULD NOT BE ABLE TO REACH ZOU WITHOUT A VIVRE CARD.
...!!!

KANJU-ROOO !!!

!!!

ザン!!

...AND SUNK TO THE BOTTOM OF THE SEA WITH YOU, TRUE TO MY ROLE TO THE VERY END!!

KA KA KA!! I COULD HAVE KEPT MY SECRET...

BUT LORD OROCHI STOPPED ME. HE SAID, "WELL DONE, THE FINAL ACT IS FINISHED."

?!!

ゴト!!

CLUNK!!

WHAT?!! LORD MOMONOSUKE!!

WHY IS KANJURO BACK AT THE PORT?!!

KIN'EMON !!!

ONCE I BRING MOMONOSUKE TO ONIGASHIMA, THAT IS!!

ばぃw

!!

IT SHOULDN'T HAVE MADE SENSE TO YOU!! NONE OF IT, THIS ENTIRE TIME!!

HEY, IT'S TRUE, JUST LIKE LORD OROCHI SAID!! THERE'S A LITTLE BOAT HEADING FOR ONIGASHIMA!!

WA HA HA!! LOOK AT THESE IDIOTS!!

...!!!

トノオロ

?!!

WHY DIDN'T YOU SUSPECT YOUR OWN UNTIL IT CAME TO THIS?!!

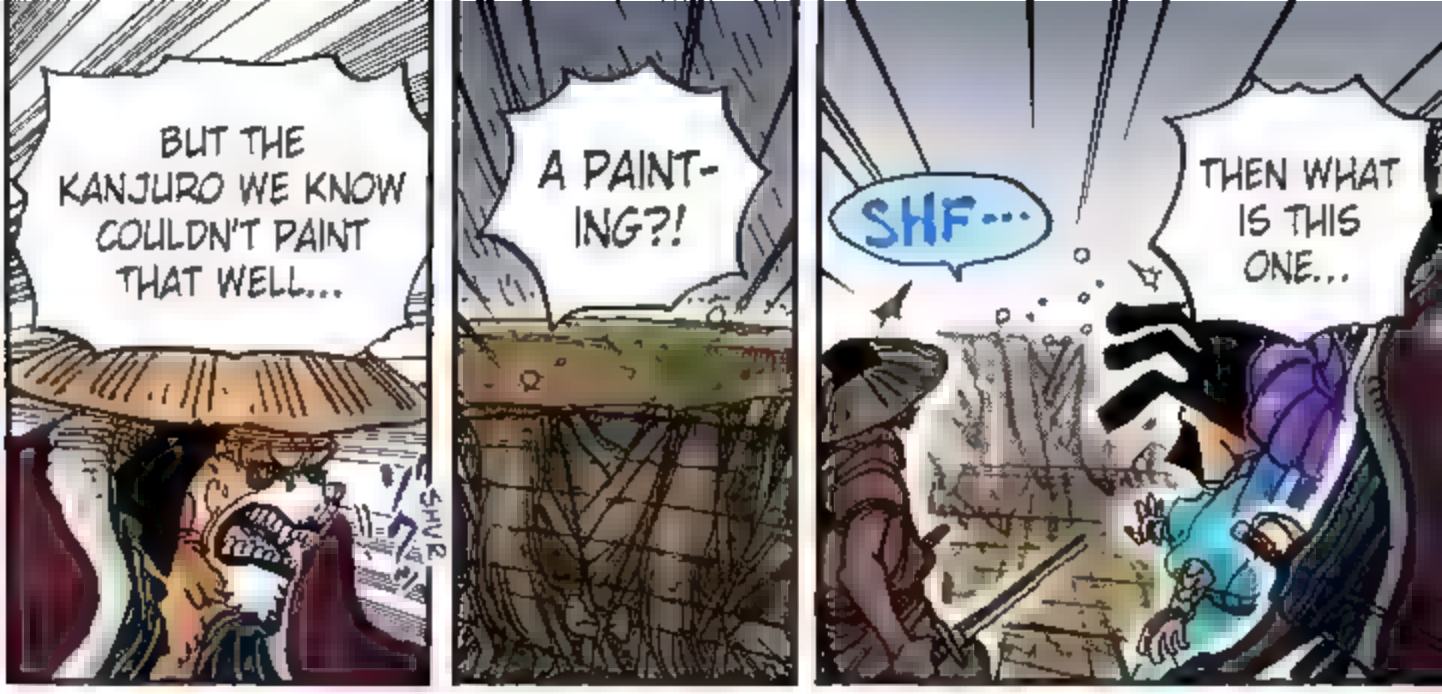
ウオオオ白オオオオオ!!

RAAAAAHH!!

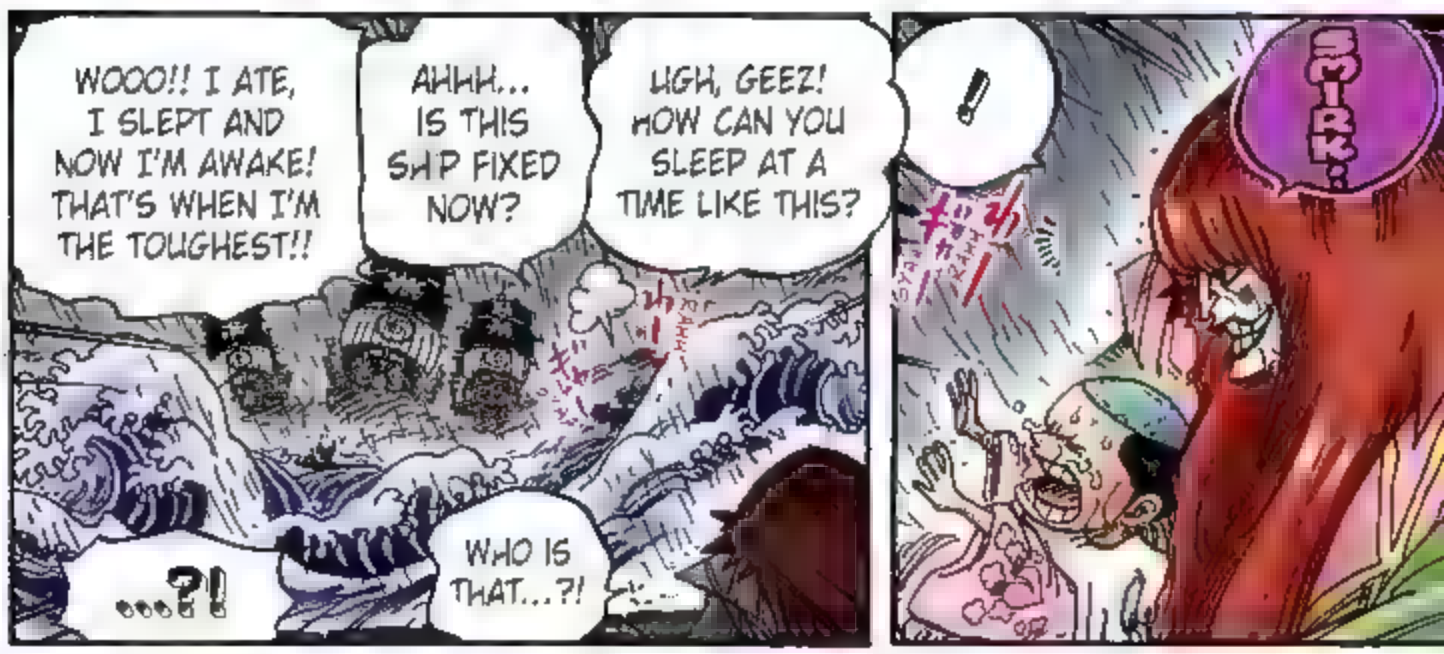
INDEED.

AND OUR SPY IS AMONG THEM!! IS THAT YOU?!!

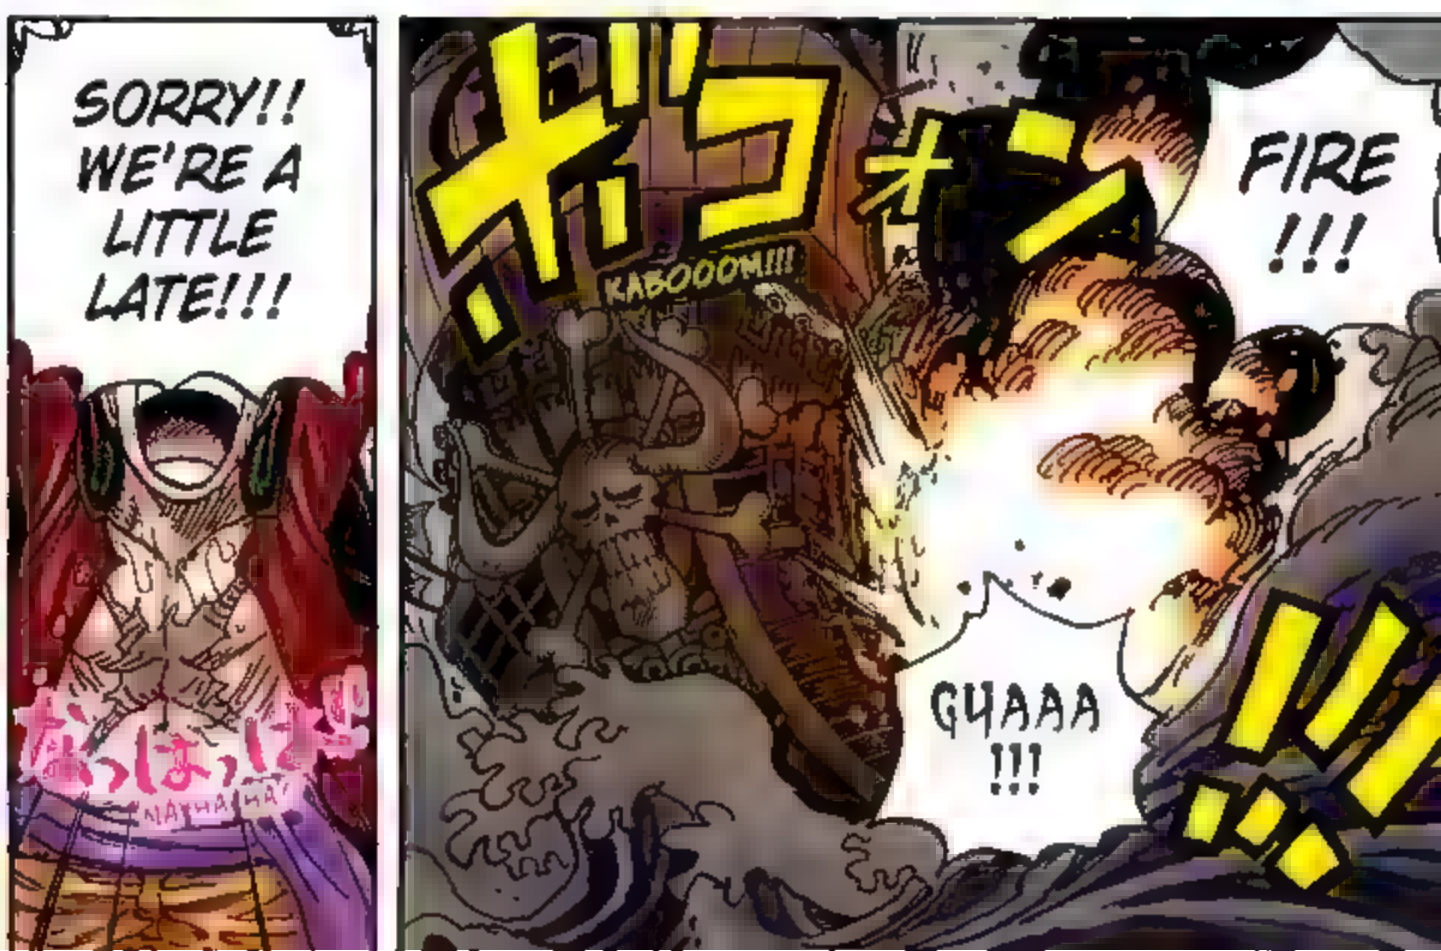
I CAN'T BELIEVE IT!! IT REALLY IS ALL THOSE RED-SCABBARDS SAMURAI!!!



BUT THE KANJURO WE KNOW COULDN'T PAINT THAT WELL...
SHVR
A PAINT-ING?!
SHF...
THEN WHAT IS THIS ONE...



WOOO!! I ATE, I SLEPT AND NOW I'M AWAKE! THAT'S WHEN I'M THE TOUGHEST!!
AHHH... IS THIS SHIP FIXED NOW?
UGH, GEEZ! HOW CAN YOU SLEEP AT A TIME LIKE THIS?
...?!
WHO IS THAT...?!
!
SMIRK



SORRY!! WE'RE A LITTLE LATE!!!
NAHAHA
KABOOOM!!!
FIRE !!!
GHAAA !!!

THERE'S SOMETHING DOWN ON THE SEAFLOOR!!!
GRRRGG
I THOUGHT WE SANK ALL THE ENEMY SHIPS!!
LOOK AT THESE WAVES!
WHO IS THAT?!
DON'T TAKE THE SEA FOR GRANTED, SAMURAI!!
HUH? IS THAT...
SPLAASH!!
WHOA!!
WHO TAKES A ROWBOAT OUT TO SEA IN THE MIDDLE OF A STORM?!
ARE YOU CRAZY?!
WHAT ARE THEY DOING?! I NEARLY SANK THEM ALL TO GET THEM OUT OF MY WAY!!!
I SAW ALL THOSE SHIPS AND SAMURAI HANGING OUT AT THE OTHER PORT LIKE IDIOTS!
AH...! THAT LOOKS LIKE...
KADOOM!!
HEY!!
AAAH!! NOW WE'RE TAKING FIRE FROM THE OTHER DIRECTION!!
BOOM

HEY, YOU!!

DON'T PICK ON SAMURAI IN A ROW-BOAT!!

BUT THESE GUYS ARE PIRATES!!

THE WORST GENERATION!! I THOUGHT THEY WERE LOCKED UP!!!

THIS DOESN'T MAKE SENSE. THEY SAID WE JUST HAD TO SINK A FEW SAMURAI IN A ROWBOAT!!

LUFFYYY !!!

??

WHY DIDN'T I HEAR ABOUT THIS?!

LIKE I'D LET YOU HAVE THE GLORY FOR TAKING DOWN KAIDO!!

SO YOU SHOWED UP AFTER ALL, JAGGY?!

WHAT IN THE WORLD IS HAPPENING...?

SIR LUFFY!!!

IS EVERY-ONE ALL RIGHT?!

...YOU FIGHT AGAINST PIRATES!!

WHEN YOU'RE AT SEA...

My eyesight is getting worse these days, and it's harder and harder to make out fine details, so if I don't put on my glasses before bed, I can't see what's happening in my dreams. Just kidding!! Hope you enjoy volume 97!!

-Eiichiro Oda, 2020

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Story ・あらすじ・

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!!

Luffy and crew disembark on Wano for the purpose of defeating Kaido, one of the Four Emperors. They begin to recruit allies for a raid in two weeks' time. But Kaido's side finds out, and the plan is in peril. With great effort, the alliance rebounds and gathers members to await the day of the raid. But on the big day, the Straw Hats are a no-show because of Orochi's schemes.

Twenty years ago, Orochi and Kaido set a trap that cost Kozuki Oden his life. In order to avenge his death, the Red-Scabbards rush into battle rather than waiting for the Straw Hats to arrive. But they were shocked by what they learned next!! Kanjuro, whom they believed was their companion, was actually a spy for Orochi!! The rest of the samurai are stunned, but then Luffy appears at last

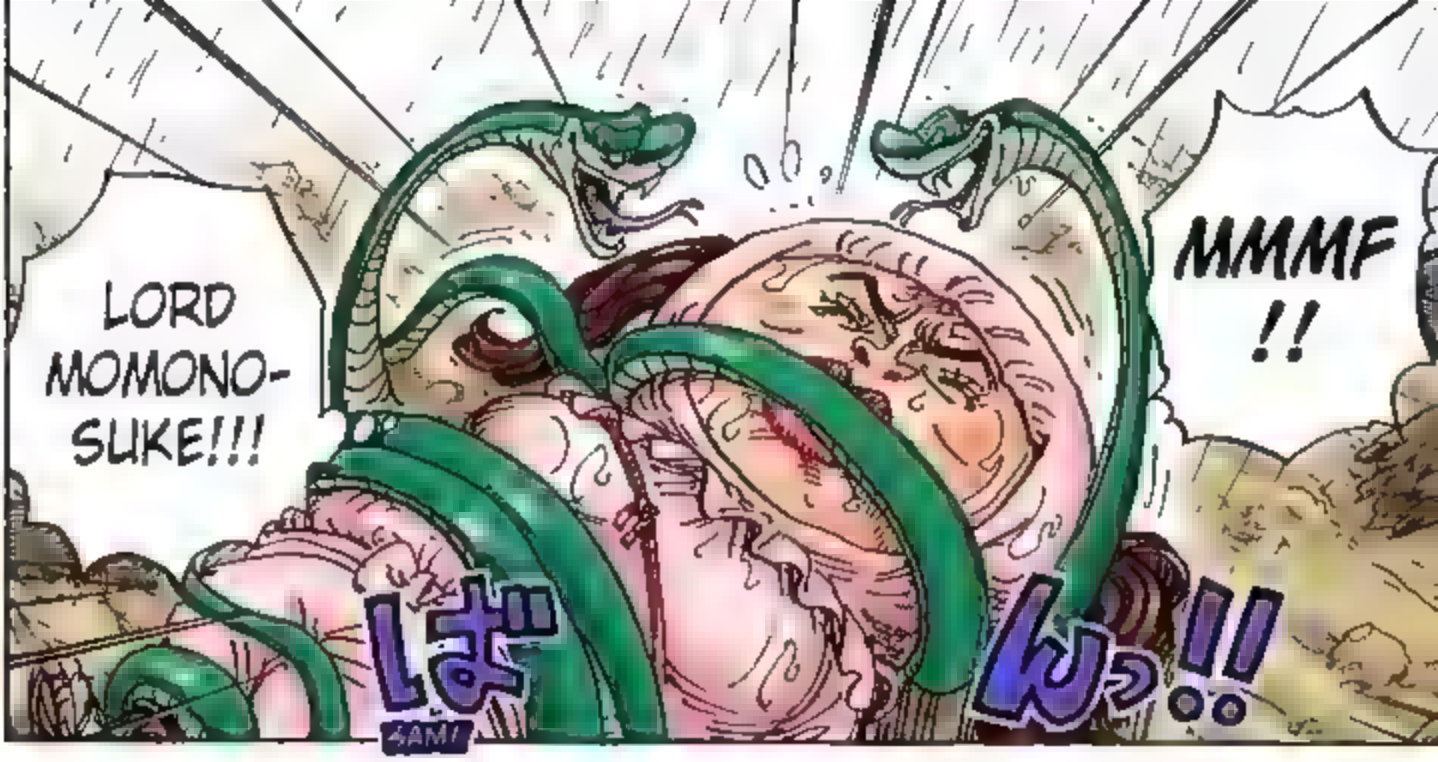
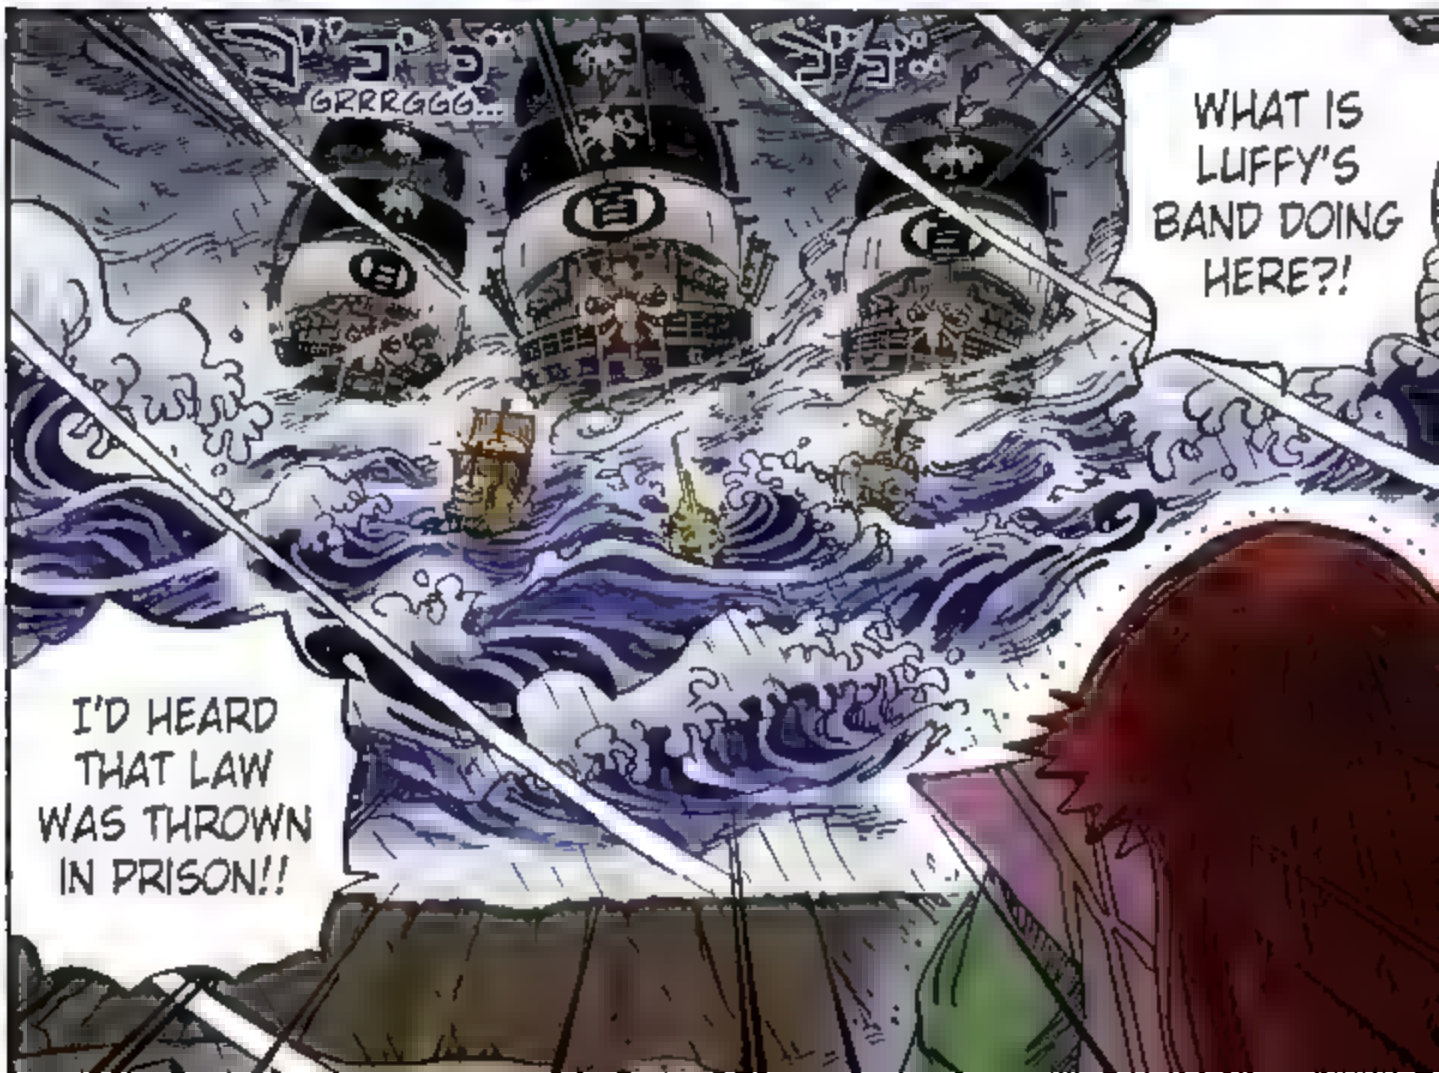
Chapter 975:
KIN'EMON'S CLEVER TRICK



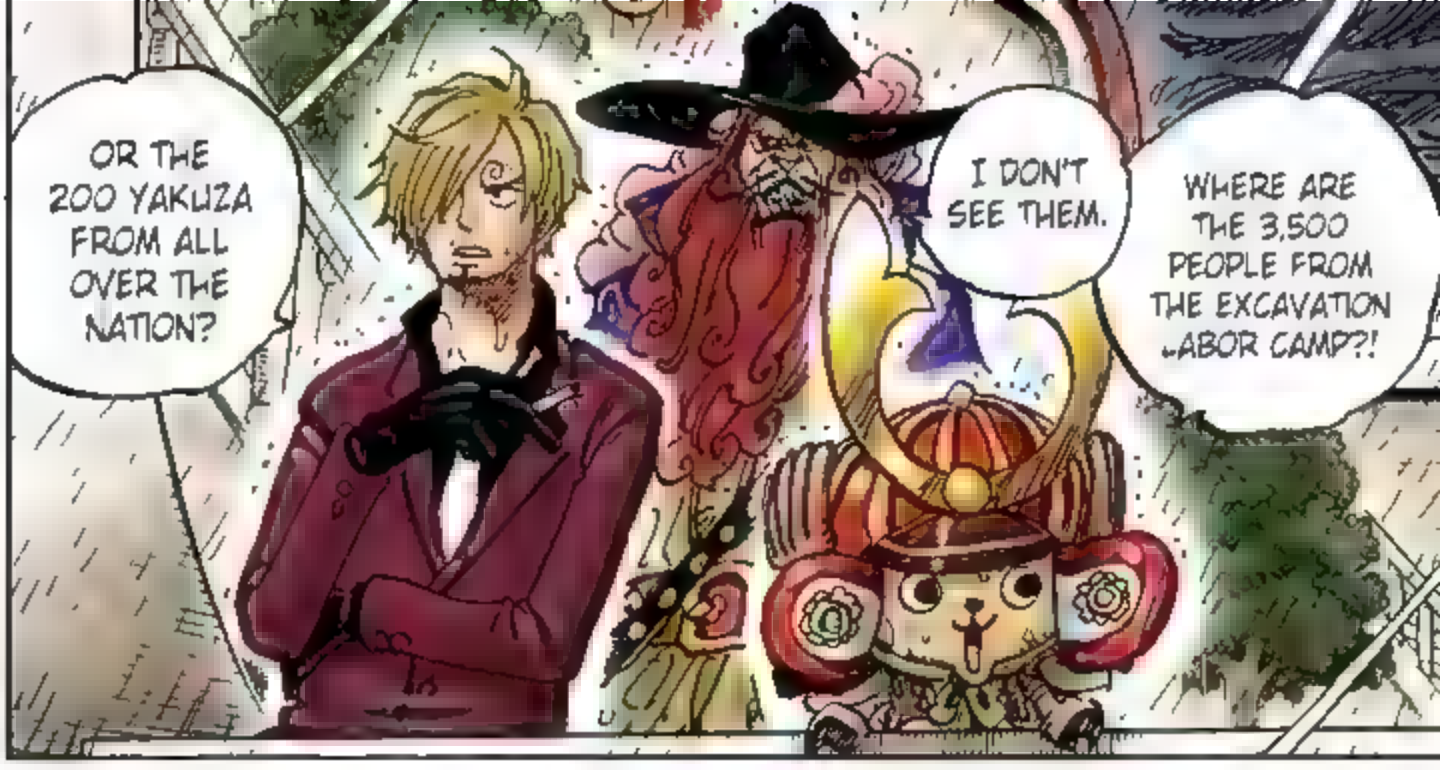
LORD MOMONOSUKE!!!
MMMF!!
しば
SAM!
ﾚﾊﾞっ!!

WHAT DOES THIS MEAN? DID LORD OROCHI DO NOTHING TO TAKE ADVANTAGE OF MY REPORT?!
ARRGH!! WHAT'S GOTTEN INTO YOU, KANJURO?!
LORD MOMONOSUKE!!

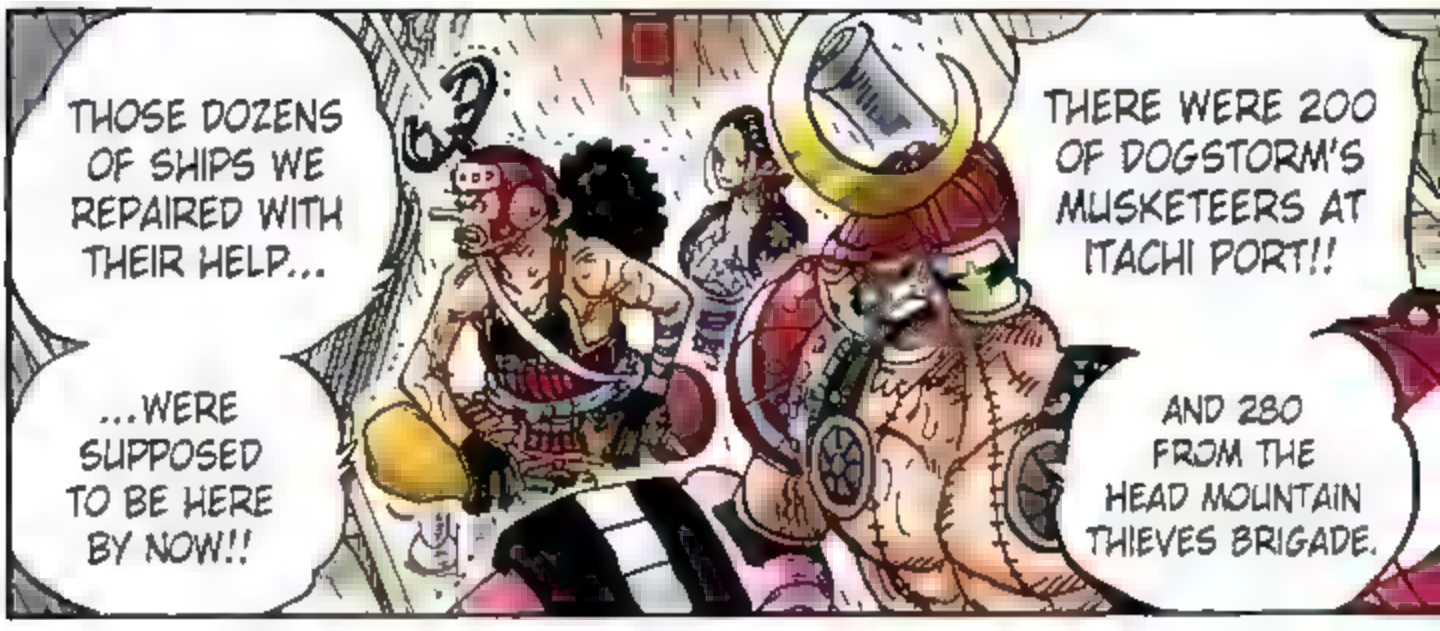


GRRRGGG...
WHAT IS LUFFY'S BAND DOING HERE?!
I'D HEARD THAT LAW WAS THROWN IN PRISON!!

THIS IS THE SHIP THAT'LL CROSS A THOUSAND SEAS! IT'S MADE OF WOOD FROM ADAM, THE JEWEL TREE!!
BWAM!!
I DON'T KNOW WHO IT WAS THAT TRIED TO BOMB THE SUNNY...
...BUT THEY WERE IDIOTS FOR THINKIN' ANY OLD EXPLOSIVE WOULD DO THE TRICK!!!
IT TOOK A WHILE TO FIX THE SAIL!! SORRY ABOUT THAT, KIN'EMON!!
IT DIDN'T WORK?!
KIN!! IT'S NOT QUITE THE SITUATION WE HEARD ABOUT...
KIN'EMON! EVERYBODY! HERE WE ARE!!
...BUT WE CAN SMASH UP THOSE BATTLE-SHIPS ANYWAY, RIGHT?!
BUT I SEE NONE OF THE ALLIES THAT WERE SUPPOSED TO BE HERE!!
DOOM!!

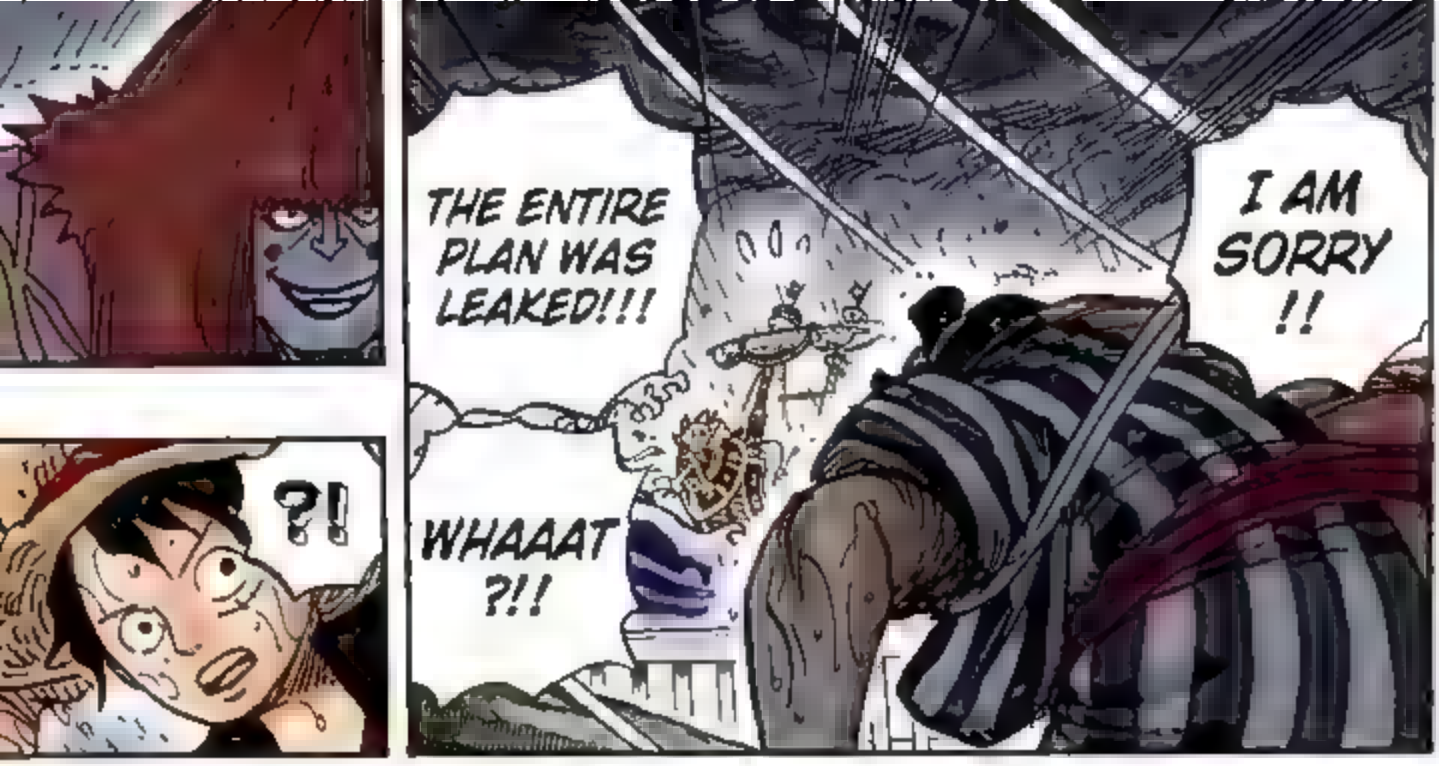


OR THE 200 YAKUZA FROM ALL OVER THE NATION?
I DON'T SEE THEM.
WHERE ARE THE 3,500 PEOPLE FROM THE EXCAVATION LABOR CAMP?!

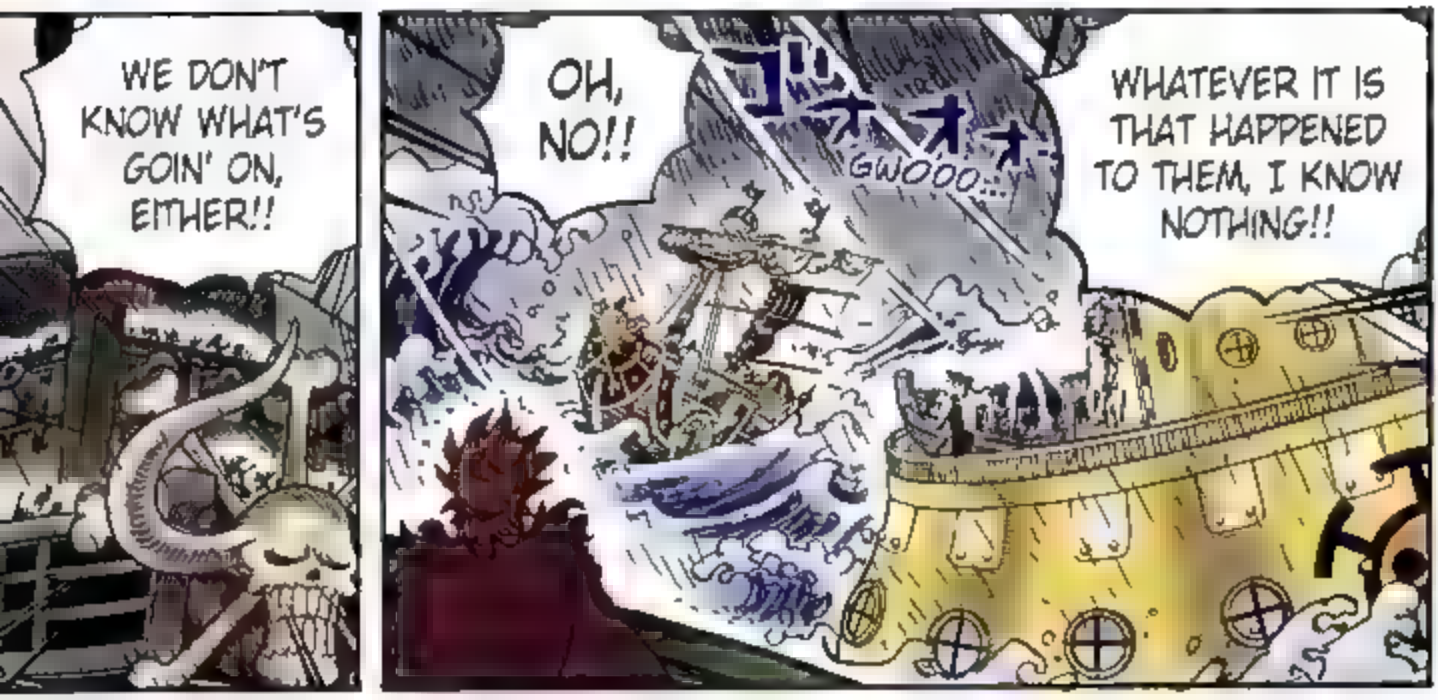


THOSE DOZENS OF SHIPS WE REPAIRED WITH THEIR HELP...
...WERE SUPPOSED TO BE HERE BY NOW!!
THERE WERE 200 OF DOGSTORM'S MUSKETEERS AT ITACHI PORT!!
AND 280 FROM THE HEAD MOUNTAIN THIEVES BRIGADE.

DID YOU RUN INTO TROUBLE SOMEHOW?!
PLUS ENOUGH WEAPONS FOR EVERY LAST ONE OF THEM...
...DELIVERED FROM THE REGION OF RINGO!!

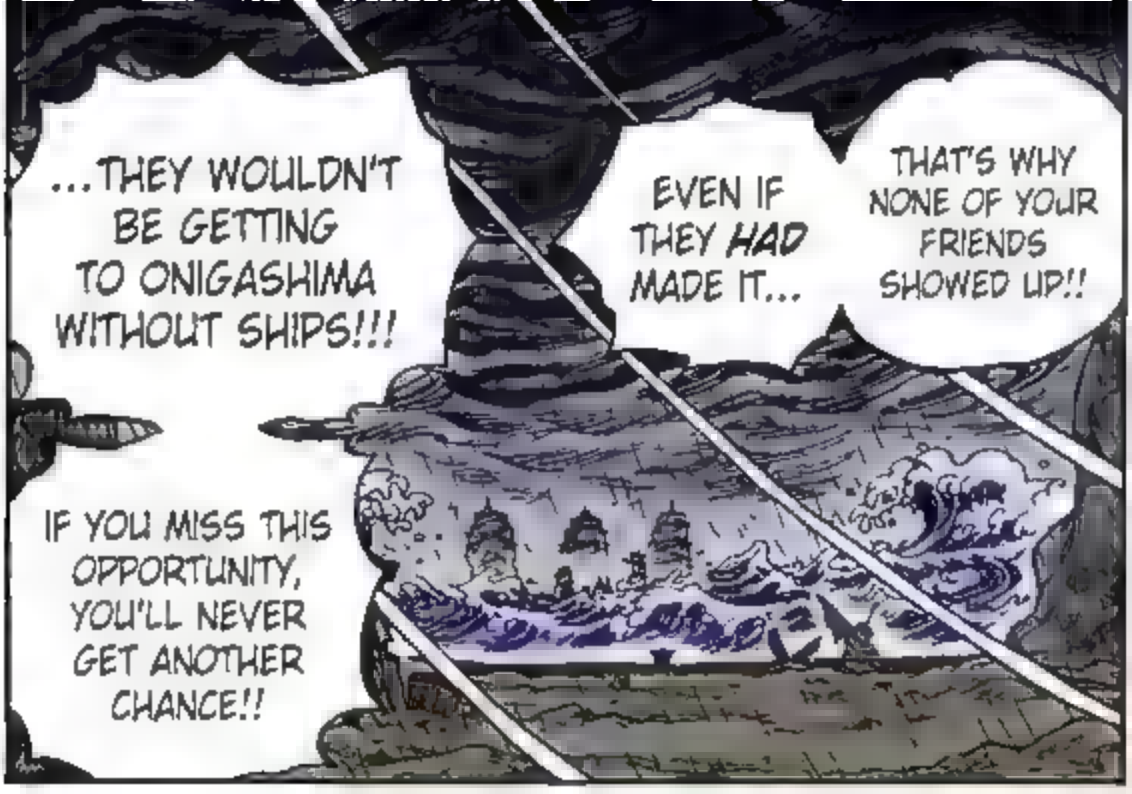


?!
THE ENTIRE PLAN WAS LEAKED!!!
WHAAAT ?!!
I AM SORRY !!



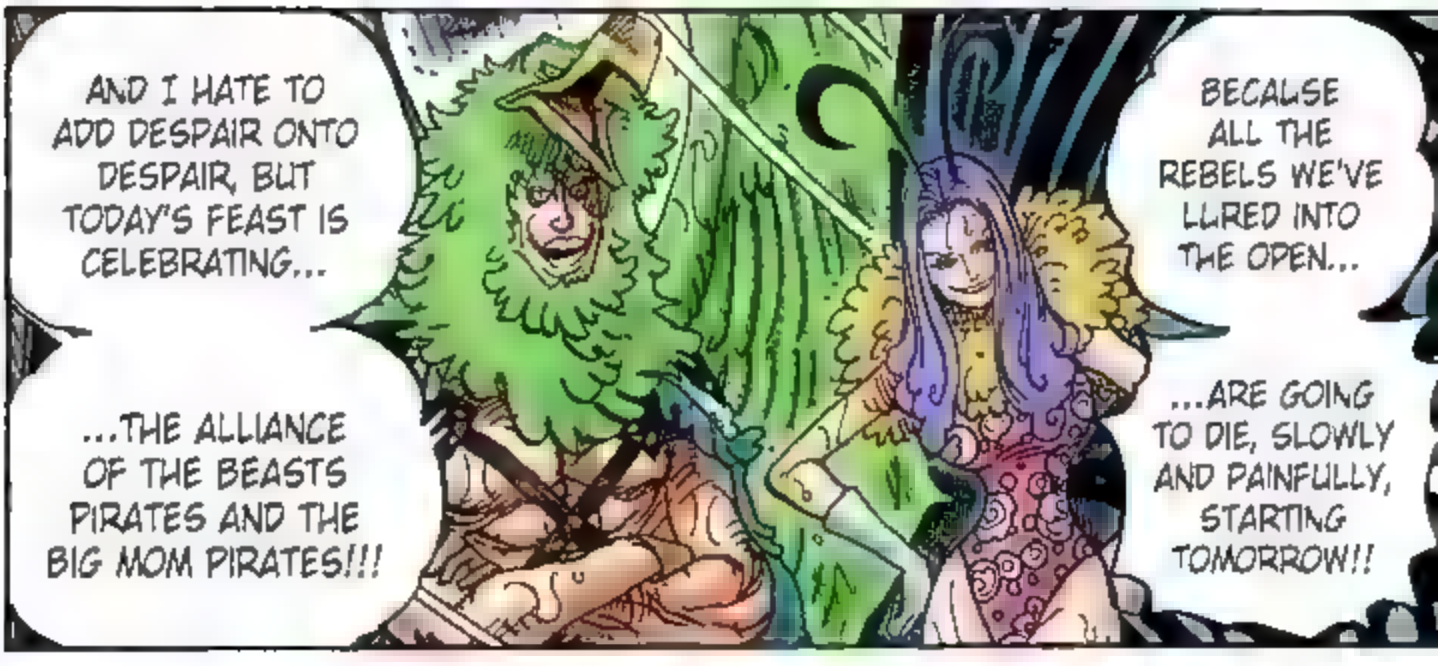
WE DON'T KNOW WHAT'S GOIN' ON, EITHER!!
OH, NO!!
ゴゴオオオ
GWOOO...
WHATEVER IT IS THAT HAPPENED TO THEM, I KNOW NOTHING!!

AND ON SHOGUN OROCHI'S ORDERS...
...WE TOOK DOWN EVERY GREAT BRIDGE THAT CONNECTS THE REGIONS!!
WE MIGHT'VE FAILED TO DESTROY THAT LION SHIP...
...BUT WE MADE SURE TO SINK EVERY BOAT LINED UP AT ITACHI PORT LAST NIGHT!!

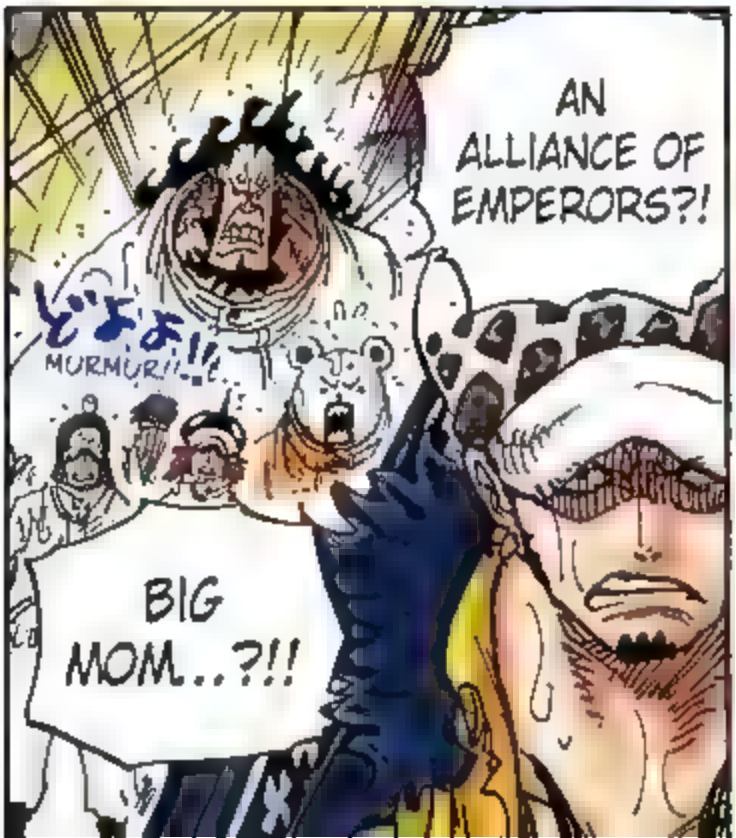


...THEY WOULDN'T BE GETTING TO ONIGASHIMA WITHOUT SHIPS!!!
EVEN IF THEY HAD MADE IT...
THAT'S WHY NONE OF YOUR FRIENDS SHOWED UP!!
IF YOU MISS THIS OPPORTUNITY, YOU'LL NEVER GET ANOTHER CHANCE!!

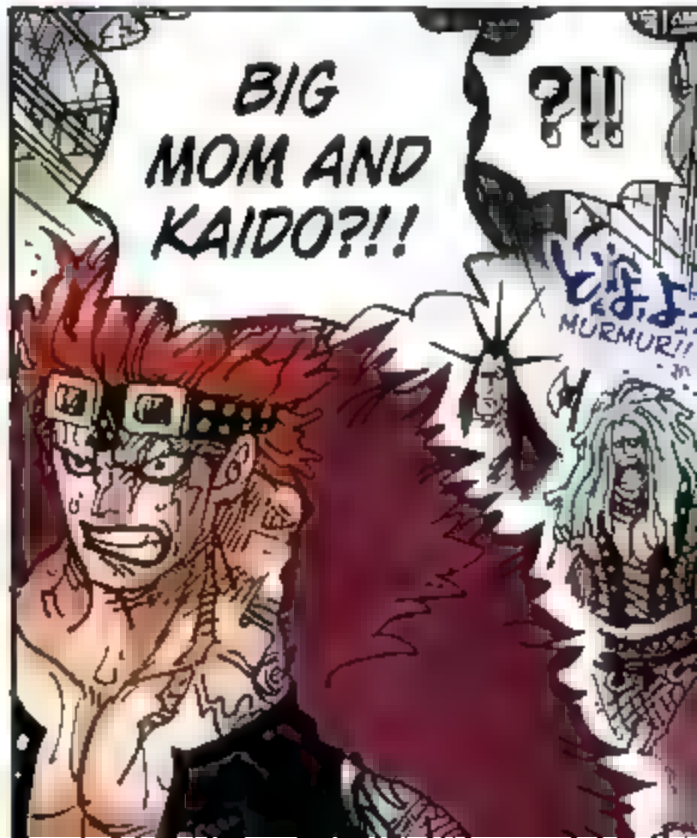
!!



AND I HATE TO ADD DESPAIR ONTO DESPAIR, BUT TODAY'S FEAST IS CELEBRATING...
...THE ALLIANCE OF THE BEASTS PIRATES AND THE BIG MOM PIRATES!!!
BECAUSE ALL THE REBELS WE'VE LURED INTO THE OPEN...
...ARE GOING TO DIE, SLOWLY AND PAINFULLY, STARTING TOMORROW!!

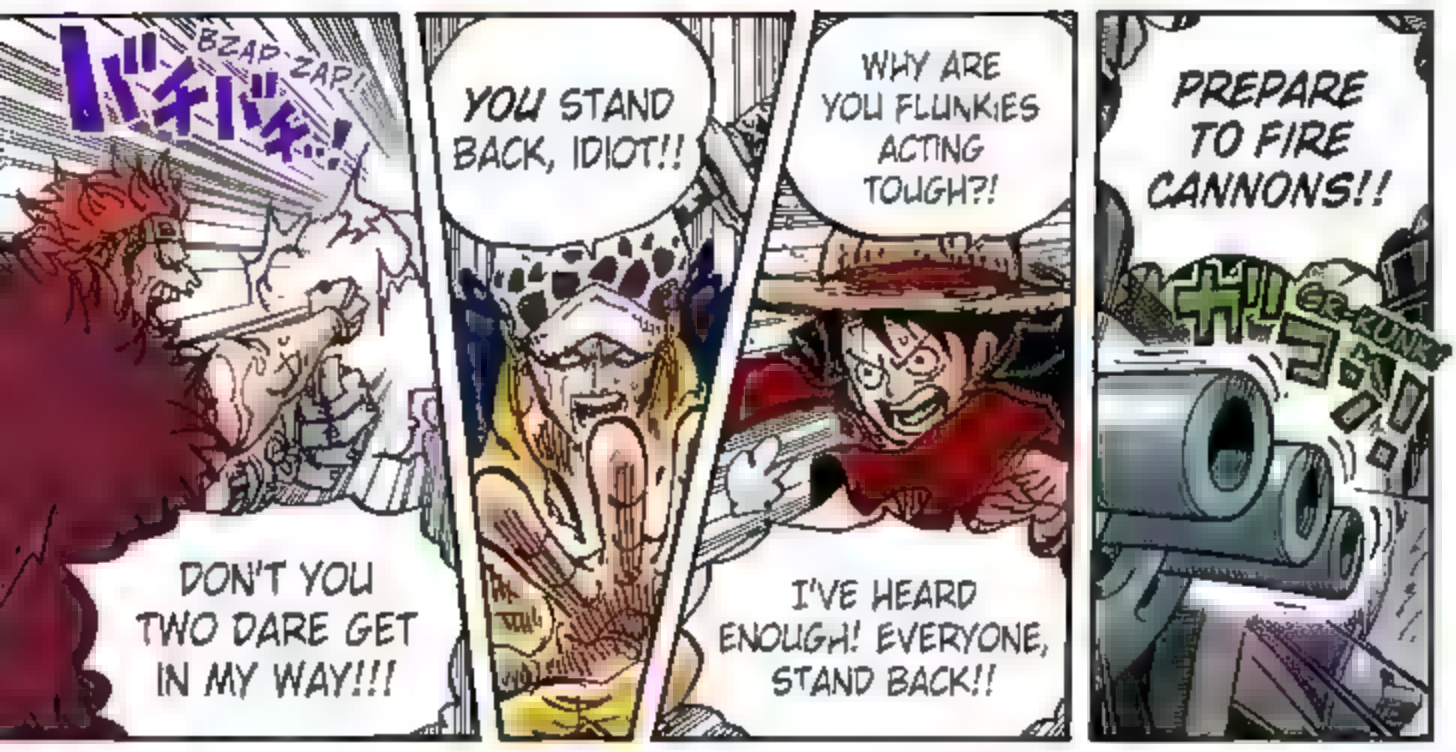


AN ALLIANCE OF EMPERORS?!
どよよ
MURMUR!!
BIG MOM...?!!

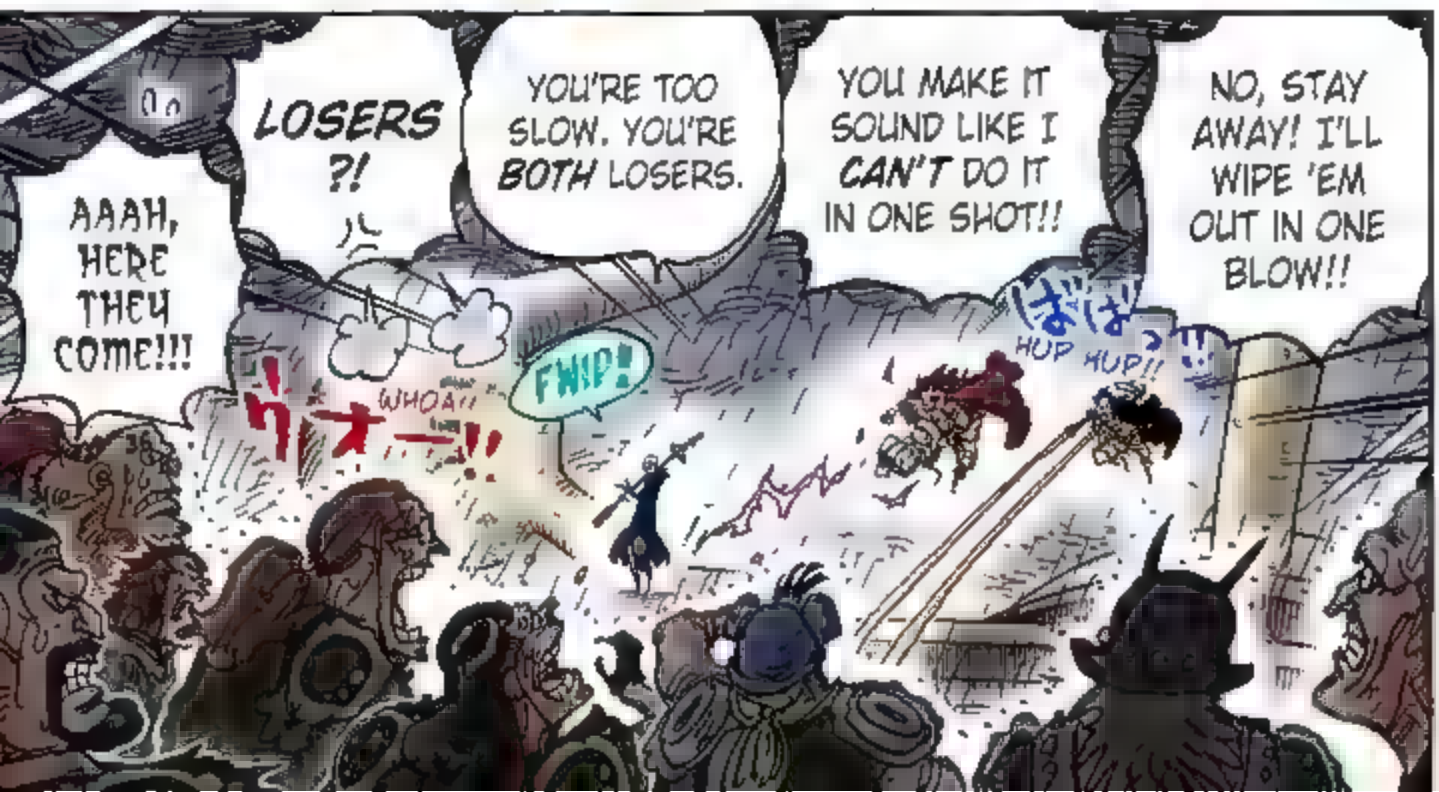


BIG MOM AND KAIDO?!!
?!!
どよよ
MURMUR!!

YOU'RE ALL SMALL-TIMERS THAT HAVE ALREADY BEEN CAPTURED IN WANO ONCE BEFORE!!
IN THE NAME OF KAIDO, EMPEROR OF THE SEA, YOU'LL ALL BE SUNK BENEATH THE WAVES!!!
SO WHAT IF THREE TINY PIRATE SHIPS...
...HAVE COME TO SAVE THEIR SAMURAI FRIENDS?!
KA-CHING..!!

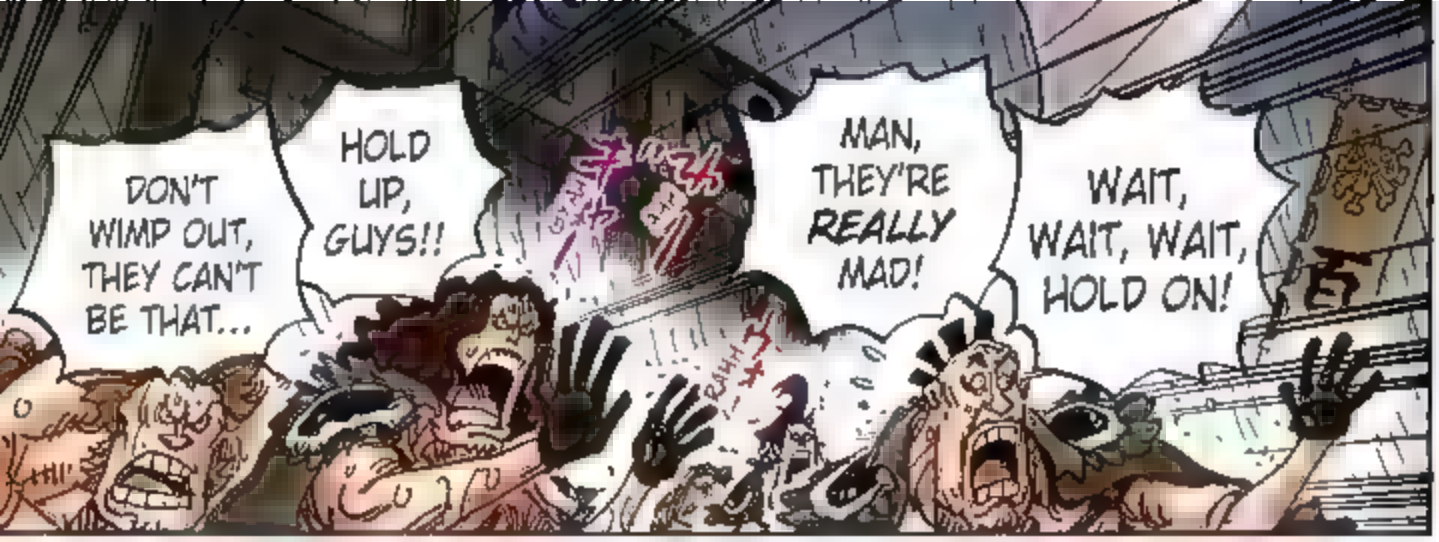


BZAP-ZAP!
バチバチ!
DON'T YOU TWO DARE GET IN MY WAY!!!
YOU STAND BACK, IDIOT!!
WHY ARE YOU FLUNKIES ACTING TOUGH?!
I'VE HEARD ENOUGH! EVERYONE, STAND BACK!!
PREPARE TO FIRE CANNONS!!
GO-RUNK
ゴゴゴ



AAAH, HERE THEY COME!!!
LOSERS?!
YOU'RE TOO SLOW. YOU'RE BOTH LOSERS.
YOU MAKE IT SOUND LIKE I CAN'T DO IT IN ONE SHOT!!
NO, STAY AWAY! I'LL WIPE 'EM OUT IN ONE BLOW!!
WHOA!!
ワオー!!
FWIP!
HUP HUP!!

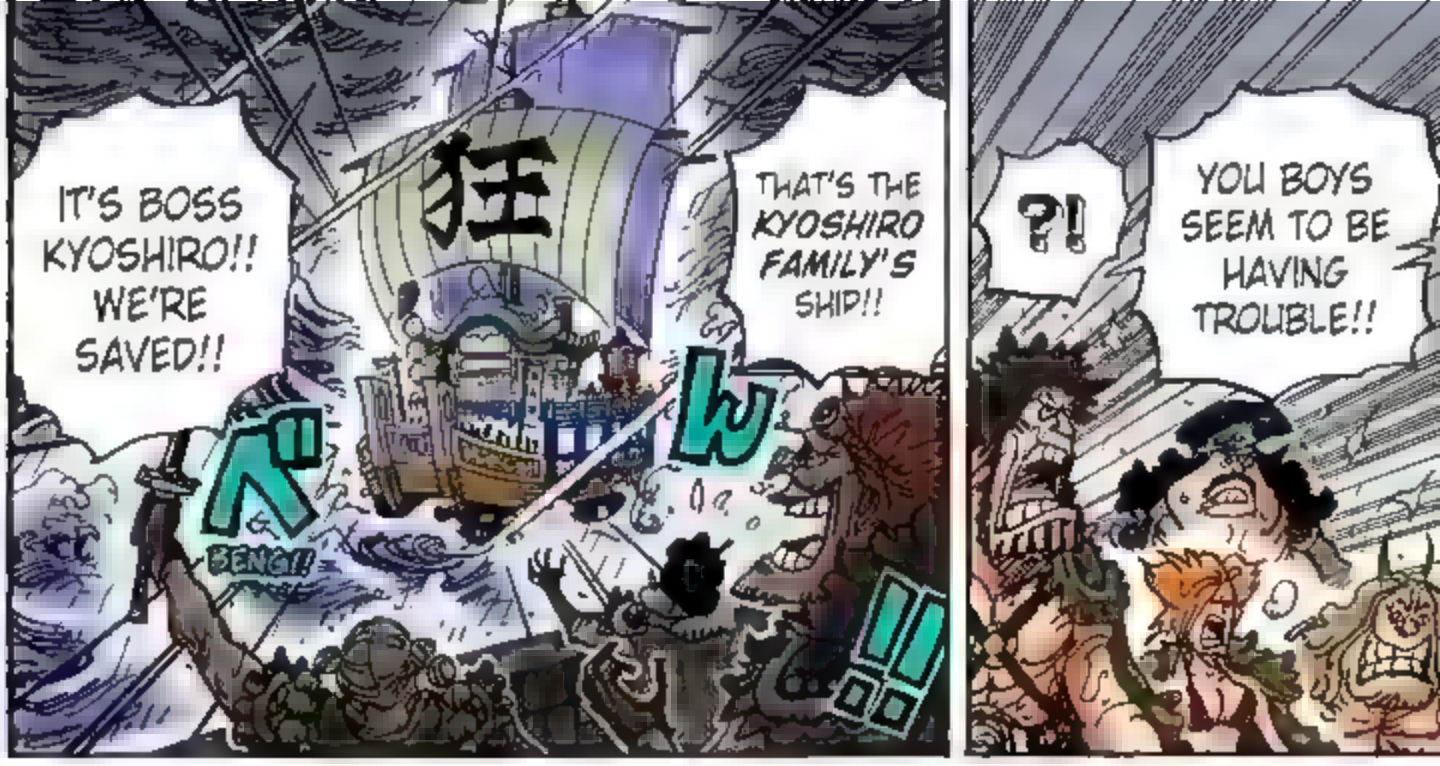
ボキボキ
ボキボキ
PUNK ROTTEN !!!
BOUNCE-MAN!!!
ドゴ!!!
ROOM !!!



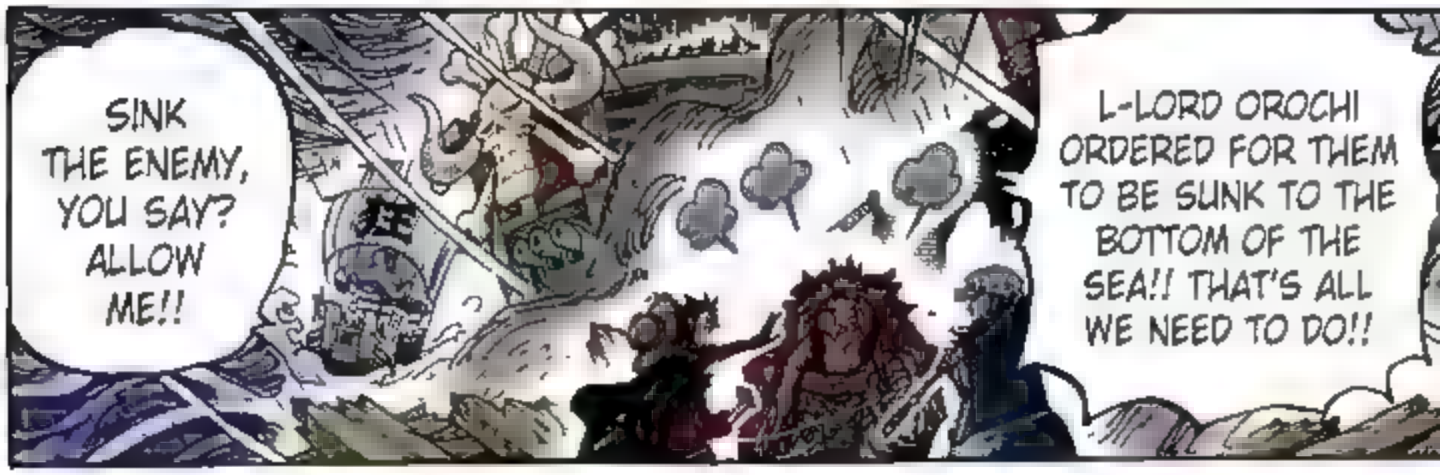
DON'T WIMP OUT, THEY CAN'T BE THAT...
HOLD UP, GUYS!!
MAN, THEY'RE REALLY MAD!
WAIT, WAIT, WAIT, HOLD ON!

DOOM!!
!!!
AAAAAH !!!

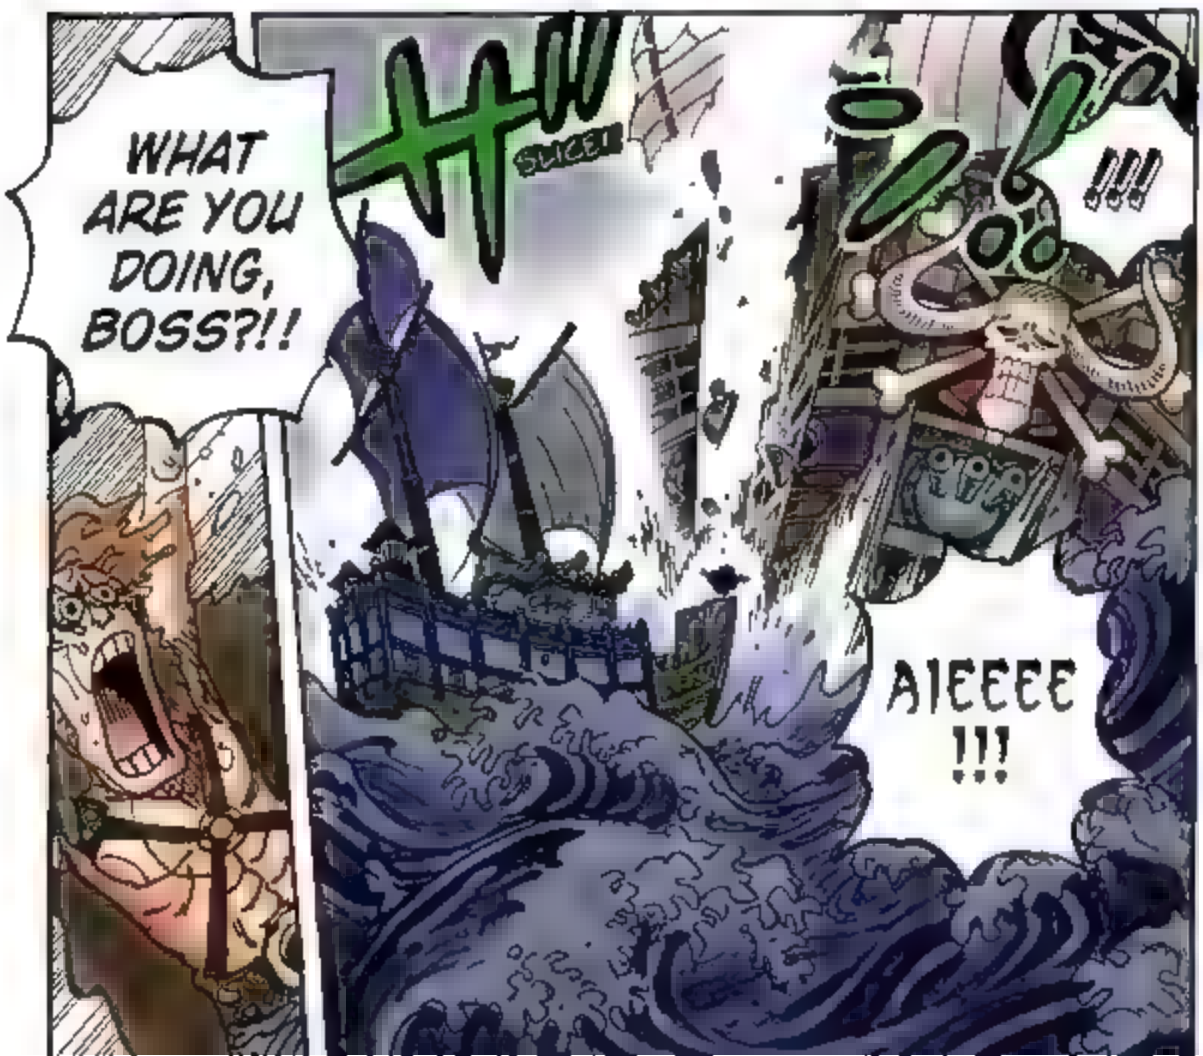
SHOOT 'EM DEAD!!!
THOSE CAPTAINS ARE CRAZY!!
DO SOME-THING!!



IT'S BOSS KYOSHIRO!! WE'RE SAVED!!
狂
THAT'S THE KYOSHIRO FAMILY'S SHIP!!
BENG!!
?!
YOU BOYS SEEM TO BE HAVING TROUBLE!!

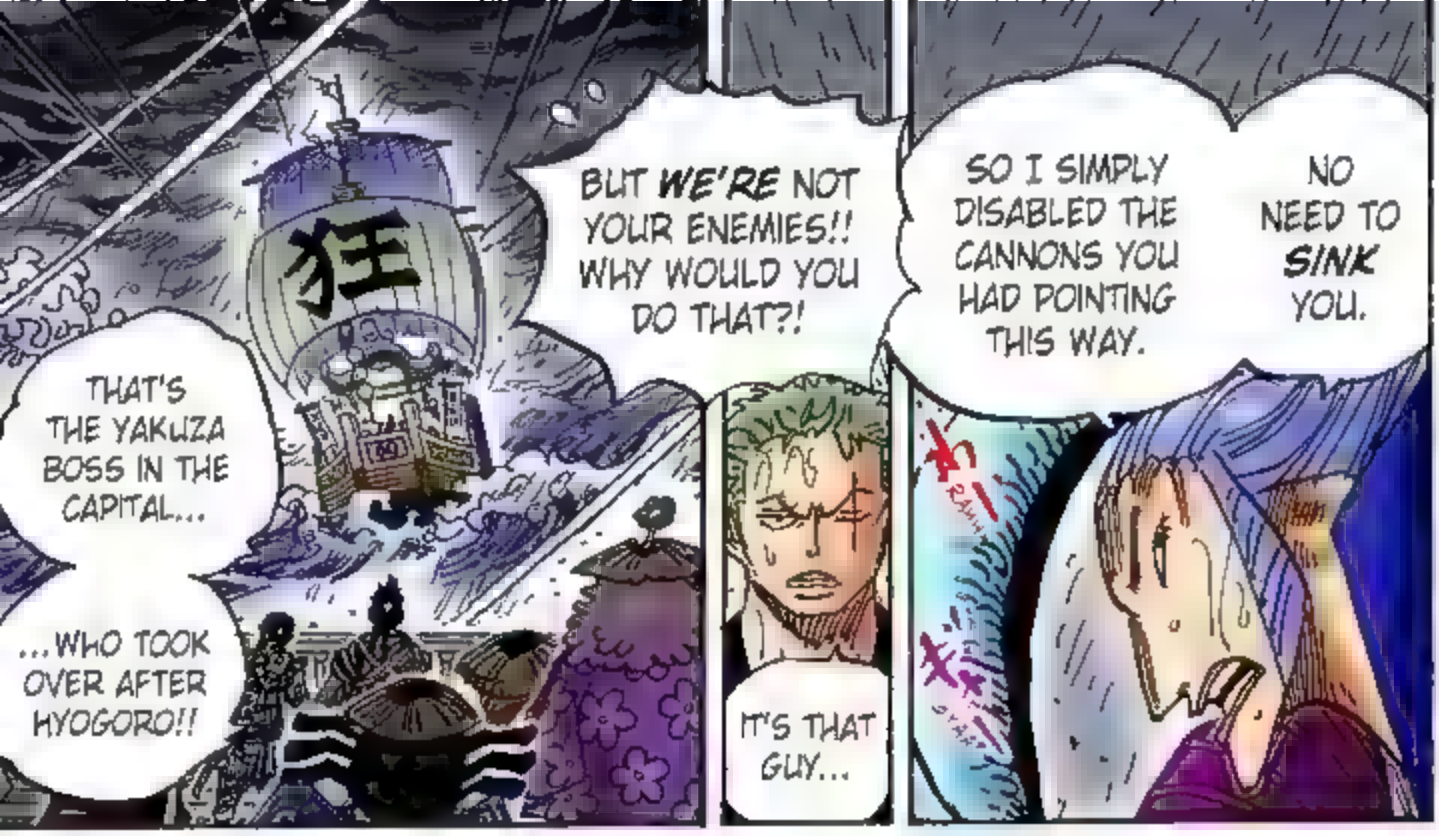


SINK THE ENEMY, YOU SAY? ALLOW ME!!
狂
L-LORD OROCHI ORDERED FOR THEM TO BE SUNK TO THE BOTTOM OF THE SEA!! THAT'S ALL WE NEED TO DO!!



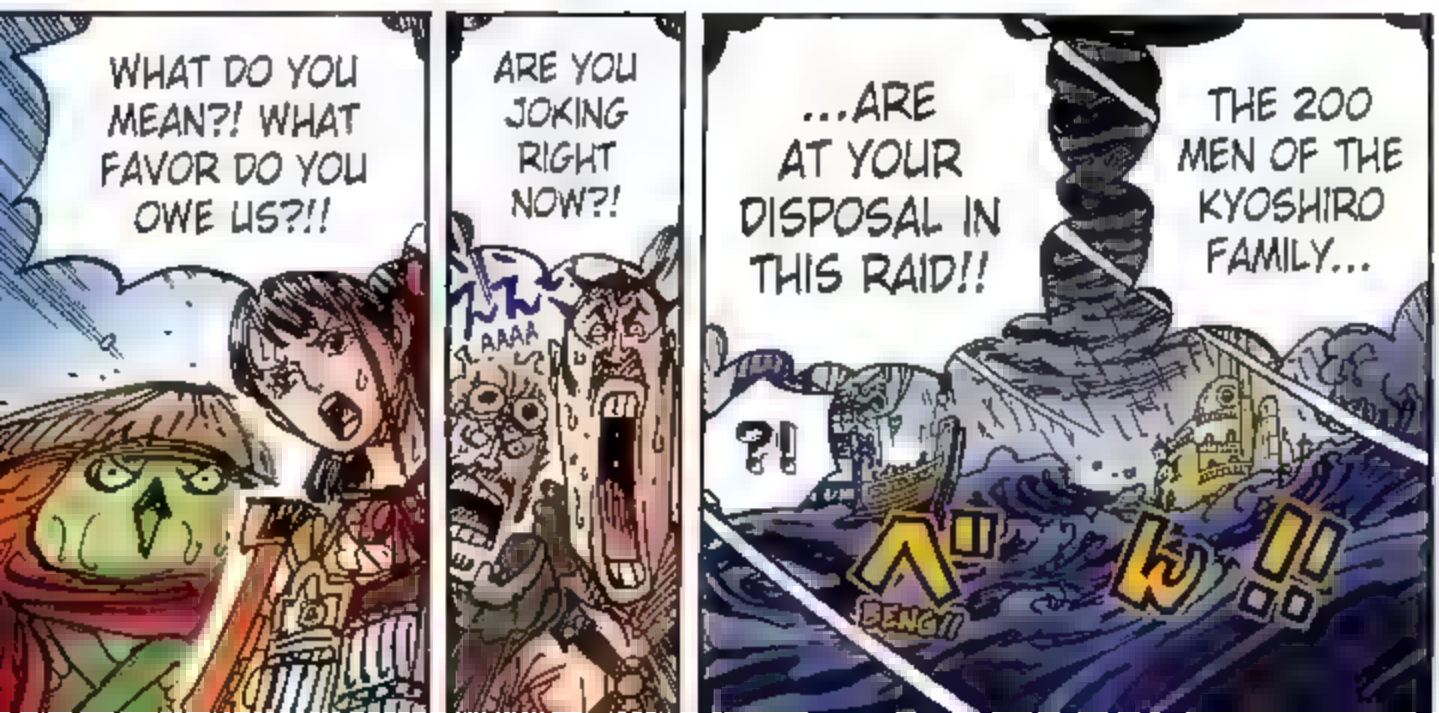
WHAT ARE YOU DOING, BOSS?!!
SLICE!!
!!!
AIEEEE !!!

CHK!!

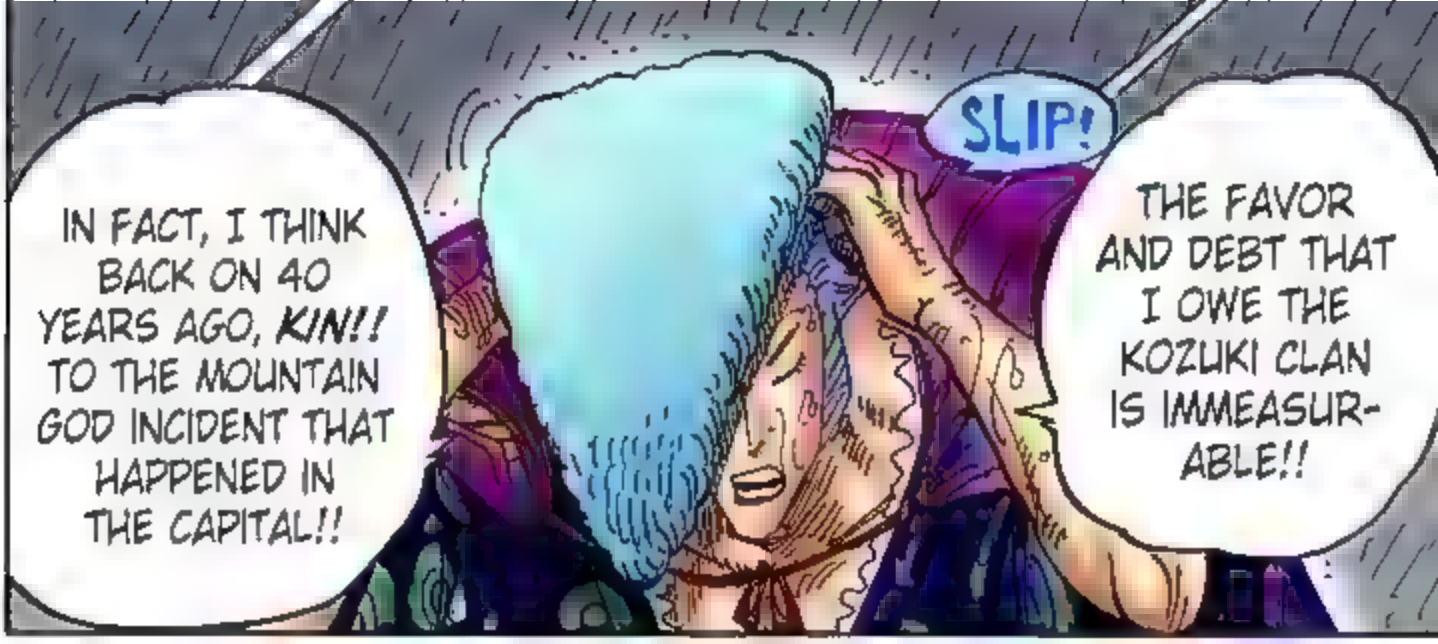


狂
THAT'S THE YAKUZA BOSS IN THE CAPITAL...
...WHO TOOK OVER AFTER HYOGORO!!
BUT WE'RE NOT YOUR ENEMIES!! WHY WOULD YOU DO THAT?!
IT'S THAT GUY...
SO I SIMPLY DISABLED THE CANNONS YOU HAD POINTING THIS WAY.
NO NEED TO SINK YOU.

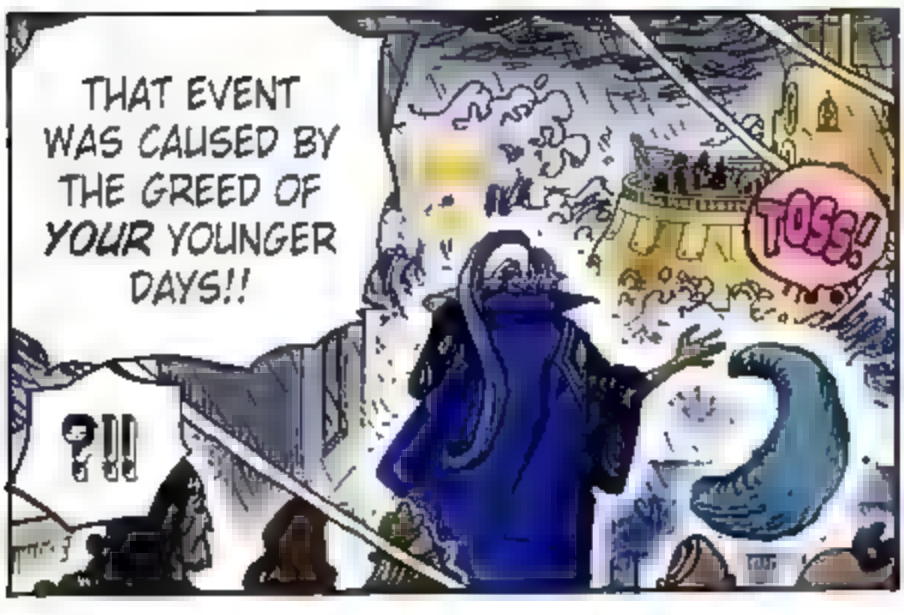
HE'S A DEMON WITH THE BLADE!!!
BE CAREFUL O' THIS ONE!
THE PEOPLE THERE CALL ME NAPPING KYOSHIRO!!!
I AM A YAKUZA OF THE FLOWER CAPITAL!!
YOU THERE!! RED-SCABBARDS SAMURAI!!!



WHAT DO YOU MEAN?! WHAT FAVOR DO YOU OWE US?!!
ARE YOU JOKING RIGHT NOW?!
AAAA
...ARE AT YOUR DISPOSAL IN THIS RAID!!
THE 200 MEN OF THE KYOSHIRO FAMILY...
?!
BENG!!



IN FACT, I THINK BACK ON 40 YEARS AGO, KIN!! TO THE MOUNTAIN GOD INCIDENT THAT HAPPENED IN THE CAPITAL!!
SLIP!
THE FAVOR AND DEBT THAT I OWE THE KOZUKI CLAN IS IMMEASUR-ABLE!!



THAT EVENT WAS CAUSED BY THE GREED OF YOUR YOUNGER DAYS!!
TOSS!
?!!

...BUT THEY WERE WRONG!!
THE PEOPLE BELIEVED IT TO BE CAUSED BY LORD ODEN'S RAMPAGING...
"KIN" ?

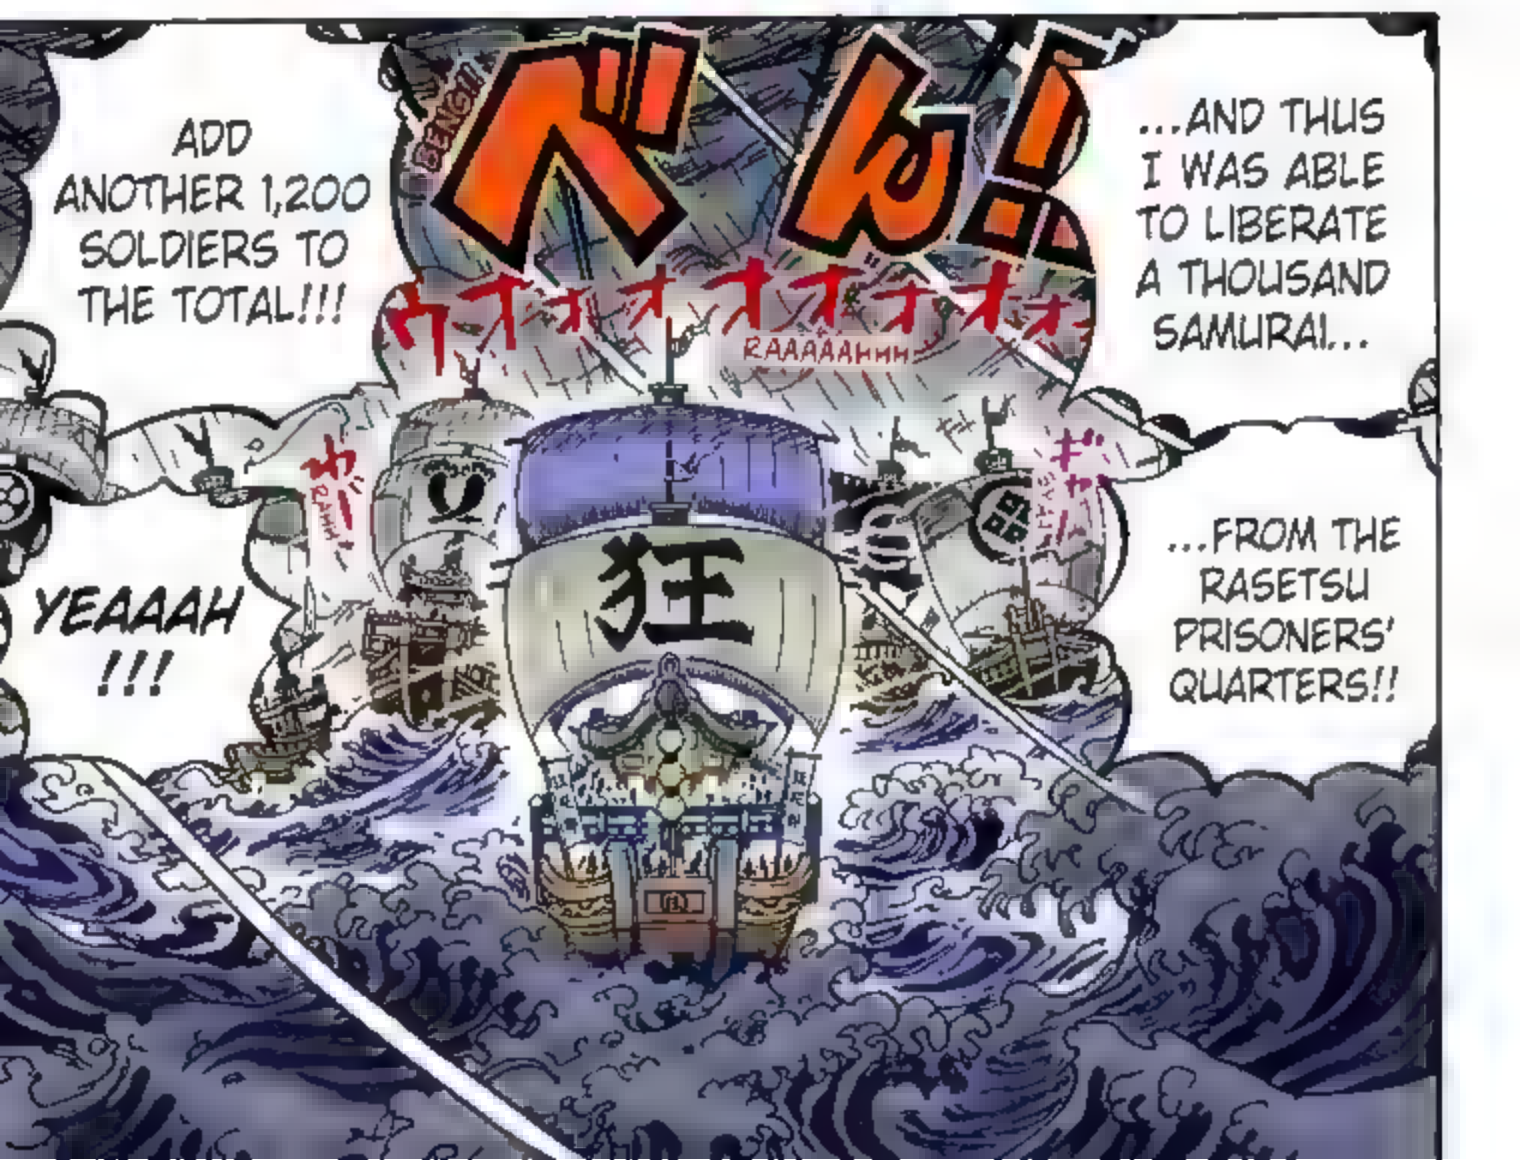
... DENJIRO ?!!
IS THAT YOU...
WHAT ?!!

DID I JUST ACCIDEN-TALLY DOOM THE CAPITAL?!!

WHAT ...?
BUT...ONLY ONE MAN COULD KNOW THAT...

AND SURE ENOUGH, IF I HAD NAMED MYSELF...
DENJIRO?!
I WOULD HAVE REVEALED MYSELF TO YOU AT ONCE...
...BUT I CHOSE TO STAY YOUR ENEMY, JUST IN CASE!!
INDEED IT IS!!
I SUPPOSE YOU DO NOT RECOGNIZE ME...
ベシ!!
BENG!!

INSTEAD, I RETAINED OROCHI'S TRUST TO THE VERY END...
...AND ENSURED THAT OROCHI HAD ME KILLED!!
DENJIRO !!
...!!
..THE BETRAYER IN YOUR MIDST WOULD HAVE PASSED IT ON...



ADD ANOTHER 1,200 SOLDIERS TO THE TOTAL!!!
ベシ!!
BENG!!
オオオオオオオオ
RAAAAAHHH
...AND THUS I WAS ABLE TO LIBERATE A THOUSAND SAMURAI...
YEAAAH !!!
狂
...FROM THE RASETSU PRISONERS' QUARTERS!!

...IS ONE OF THE NINE RED SCABBARDS ?!!

BOSS KYOSHIRO ...

WARN ONIGASHIMA AT ONCE!!

AT LAST, THE DAY HAS COME WHEN WE CAN *FIGHT!!!*

LORD YASUIE'S RIDDLE IMAGE FEATURED TWO LINES OVER THE STOMACH OF THE *HABU* PIT VIPER, WHICH SYMBOLIZES ***HABU PORT!!***

THOSE TWO LINES OVER THE STOMACH, OF COURSE, ARE A SIGN TO "REMOVE THE MIDSECTION" OF THE WORD.

BUT KIN, I KNEW THAT YOU WERE SHARP!!

?!

BENG!

...YOU CLEVERLY MISREAD THE ANSWER AS ***TOKAGE PORT*** IN THE PRESENCE OF YOUR GROUP!!

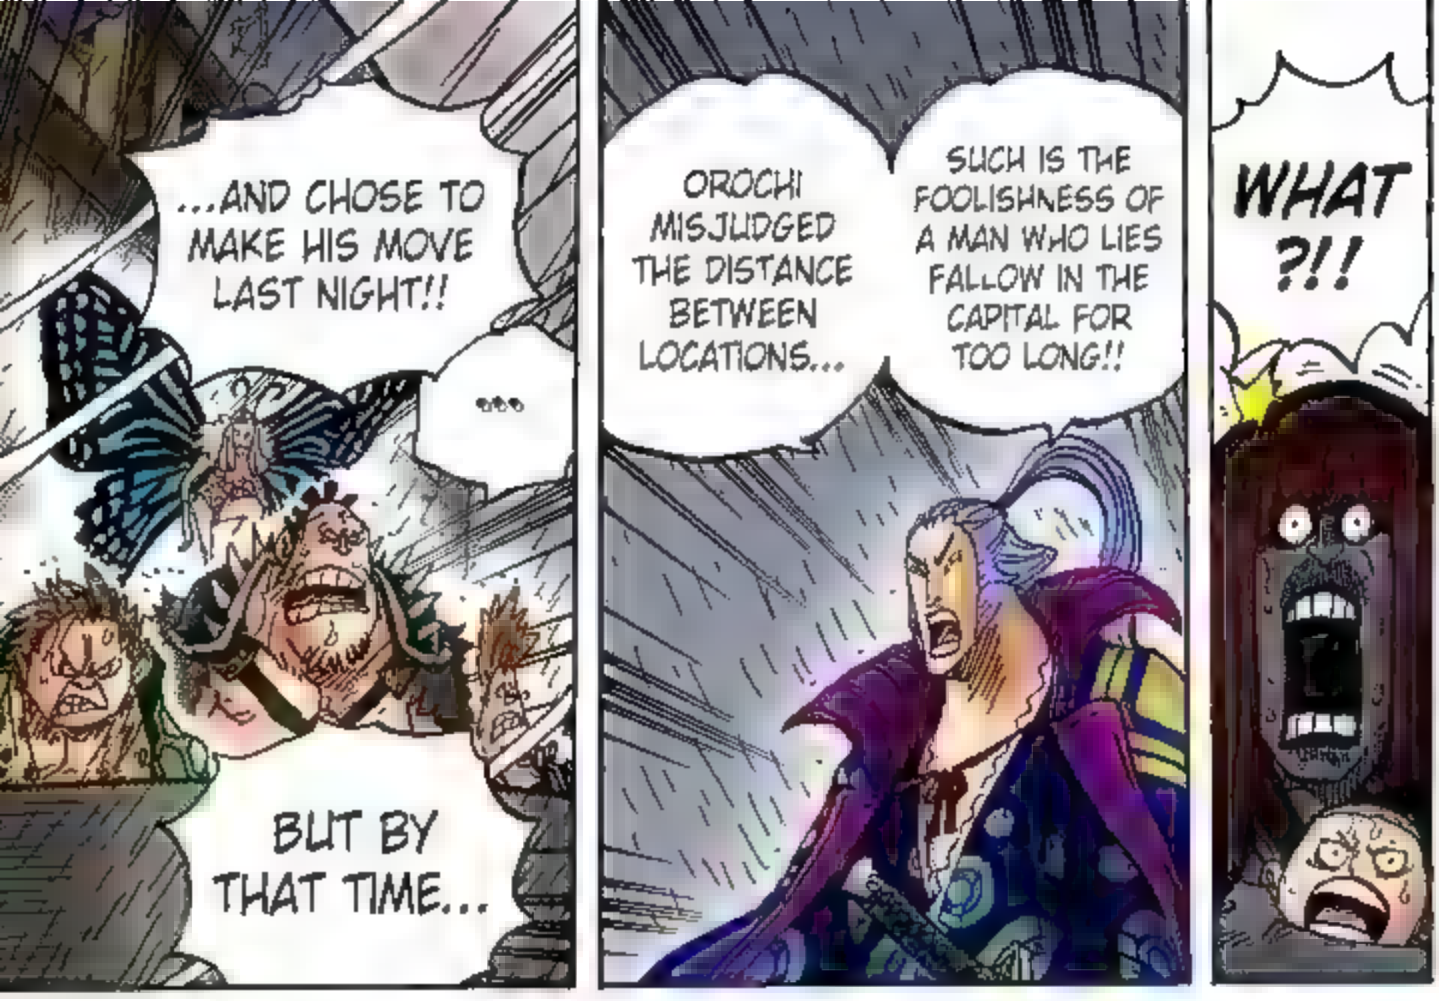
AND THE UNWITTING SPY PASSED THE ANSWER OF TOKAGE STRAIGHT TO OROCHI!!

...

...YOU RELAYED ONLY THE MESSAGE OF ***TWO LINES*** TO THE OTHERS.

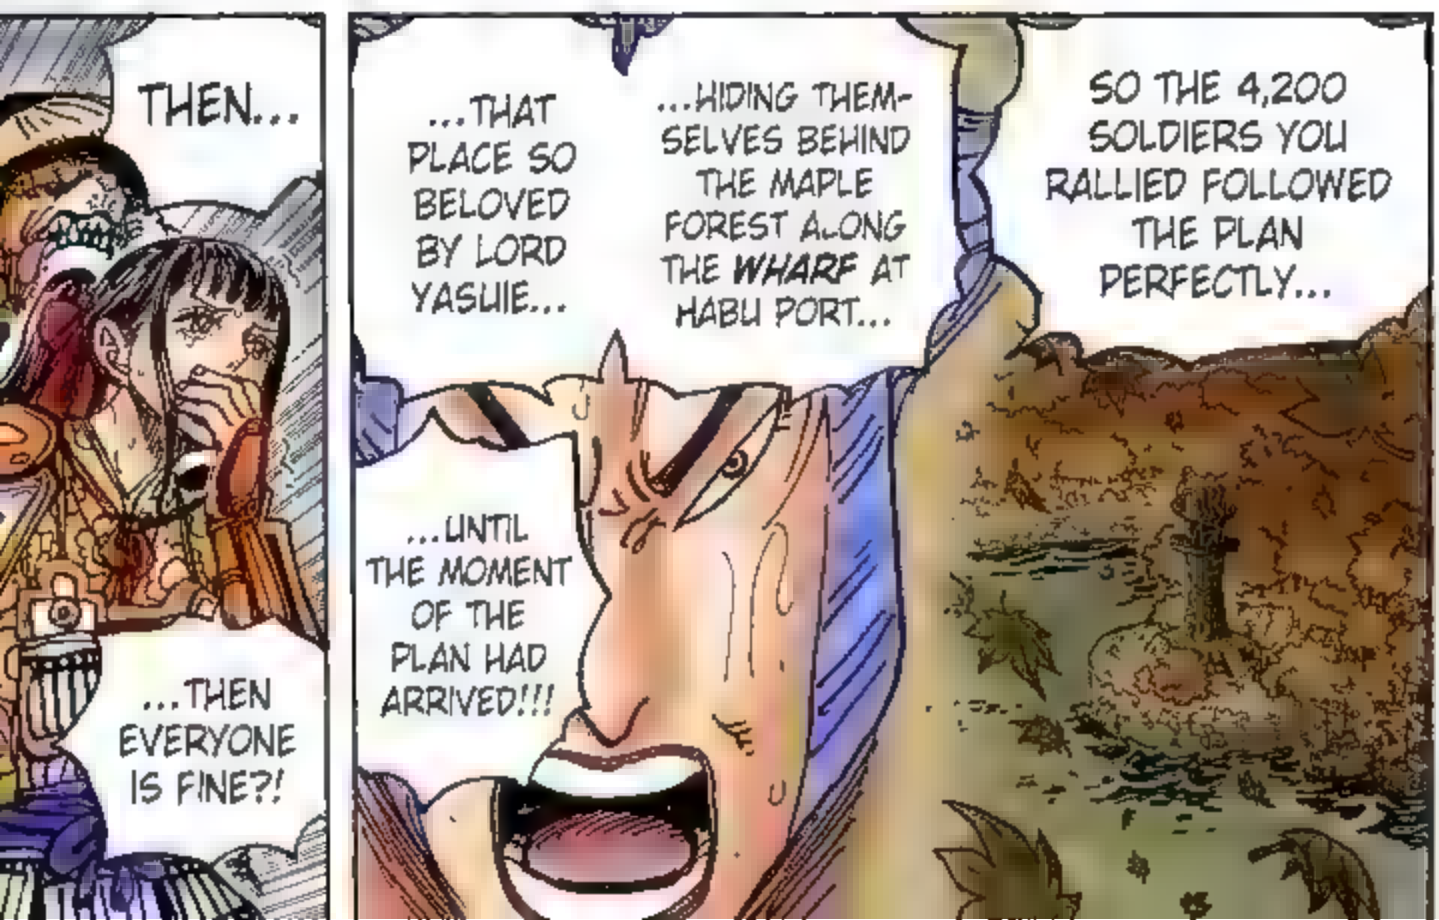
BECAUSE IT WOULD BE OBVIOUS TO ALL THAT TAKING THE MIDDLE OUT OF *HABUMINATO* LEAVES BEHIND *HA-TO*, OR "WHARF"...

BUT BECAUSE YOU SENSED THAT OROCHI HAD A SPY IN YOUR MIDST...



...AND CHOSE TO MAKE HIS MOVE LAST NIGHT!!
...
BUT BY THAT TIME...
OROCHI MISJUDGED THE DISTANCE BETWEEN LOCATIONS...
SUCH IS THE FOOLISHNESS OF A MAN WHO LIES FALLOW IN THE CAPITAL FOR TOO LONG!!
WHAT ?!!

...AND ALL THE SHIPS YOU NEEDED HAD LEFT THE PORT!! THE ONES THEY SANK WERE THOSE LEFT BEHIND!!
GRRGG...
...ALL OF YOUR ALLIED FORCES WERE DONE CROSSING THE BRIDGES...



THEN...
...THEN EVERYONE IS FINE?!
...THAT PLACE SO BELOVED BY LORD YASUIE...
...HIDING THEMSELVES BEHIND THE MAPLE FOREST ALONG THE WHARF AT HABU PORT...
SO THE 4,200 SOLDIERS YOU RALLIED FOLLOWED THE PLAN PERFECTLY...
...UNTIL THE MOMENT OF THE PLAN HAD ARRIVED!!!

AND WITH OUR 1,200 TO ADD, THE TOTAL NOW STANDS AT 5,400 SOLDIERS!!!

CONTINUE FORTH!! ONWARD TO ONIGASHIMA!!!

...HASN'T LOST A SINGLE STEP!!!

ベベベ!!

おおおおおおおおおお!!

THE RAID ON ONIGA-SHIMA...

IT MIGHT BE 20 YEARS LATER, BUT WE'LL NEVER FORGET LORD ODEN'S LEGENDARY DEATH!!

WE'VE ALWAYS BELIEVED THE KOZUKI CLAN WOULD RETURN TO POWER!!

LET'S WORK TOGETHER, RED-SCABBARDS!! WE'RE READY TO FIGHT!!

SBS Question Corner

(Hayato Asami, Kanagawa)

A: ⬆ What?! ⬇ Hang on!! You started the SBS without me! You don't have to do this anymore!! That's not even from this manga!! You just drew "Usopp Nakatsugawa" from the *One Piece* spin-off manga *One Piece in Love!!*! I mean, look, I love checking it out every week too, but the spin-off can't take over the original series!! Get lost!!

Q: Greetings!! I've been a longtime reader, and as a big fan of kappas, I was delighted when Kawamatsu was introduced into the story! I'm writing this letter in the hopes that you'll make Kawamatsu's birthday June 14, which is International Cucumber Day!

--ala

A: Okay, listen... Kawamatsu's cool and all, and I totally get where you're coming from... so if you want to decide the character's birthday for me, **that's cool!!**

Q: Can my birthday be October 11?

--Himawariya

A: **That's cool!!**

Q: The show's staff took responsibility for the shrimp tempura on Kyoshiro's head and ate every last bite.

--Takataka

A: Whew... I'm glad to hear it didn't go to waste!

Q: You know that guy in chapter 972 who says, "Man, we look so stupid now"? That's my grandpa. *Shu ho ho ho!*

--The Man Who Loved Fried Rice

A: Oh, he is? Well, it's important to be able to admit when you're wrong.

Q: This just in: *One Piece* is as hot as a pot of oden. Back to you in the studio.

--Miito

A: You heard it here, folks. Watch out for burns while in Wano! You know, since it's so *wano!* (Not actually making a pun)

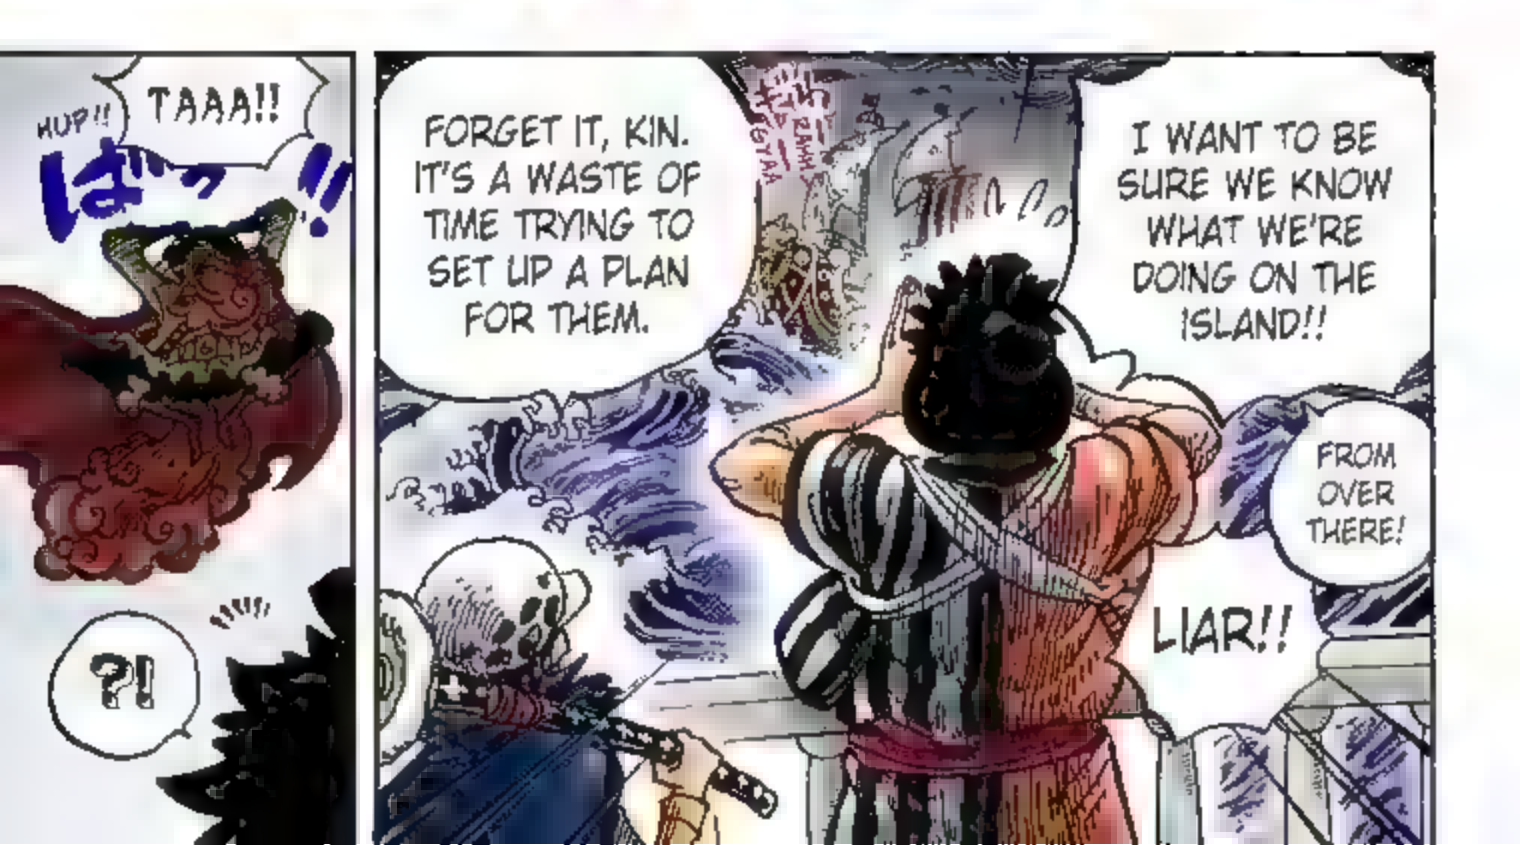
Chapter 977:
THE PARTY'S OFF!!!

SPLAAASH!!
JINBEEEE !!!

WE GOT BUSY TENDING TO THE SUN PIRATES' WOUNDED AND HAVING A BIG SEND-OFF ..
SORRY ABOUT THAT!
RAAAH..
WE WERE SO WORRIED ABOUT YOU, MAN!!
WHAT A MORALE BOOST!!!
I CAN'T BELIEVE WE GET A FORMER WARLORD OF THE SEA ON OUR CREW!!

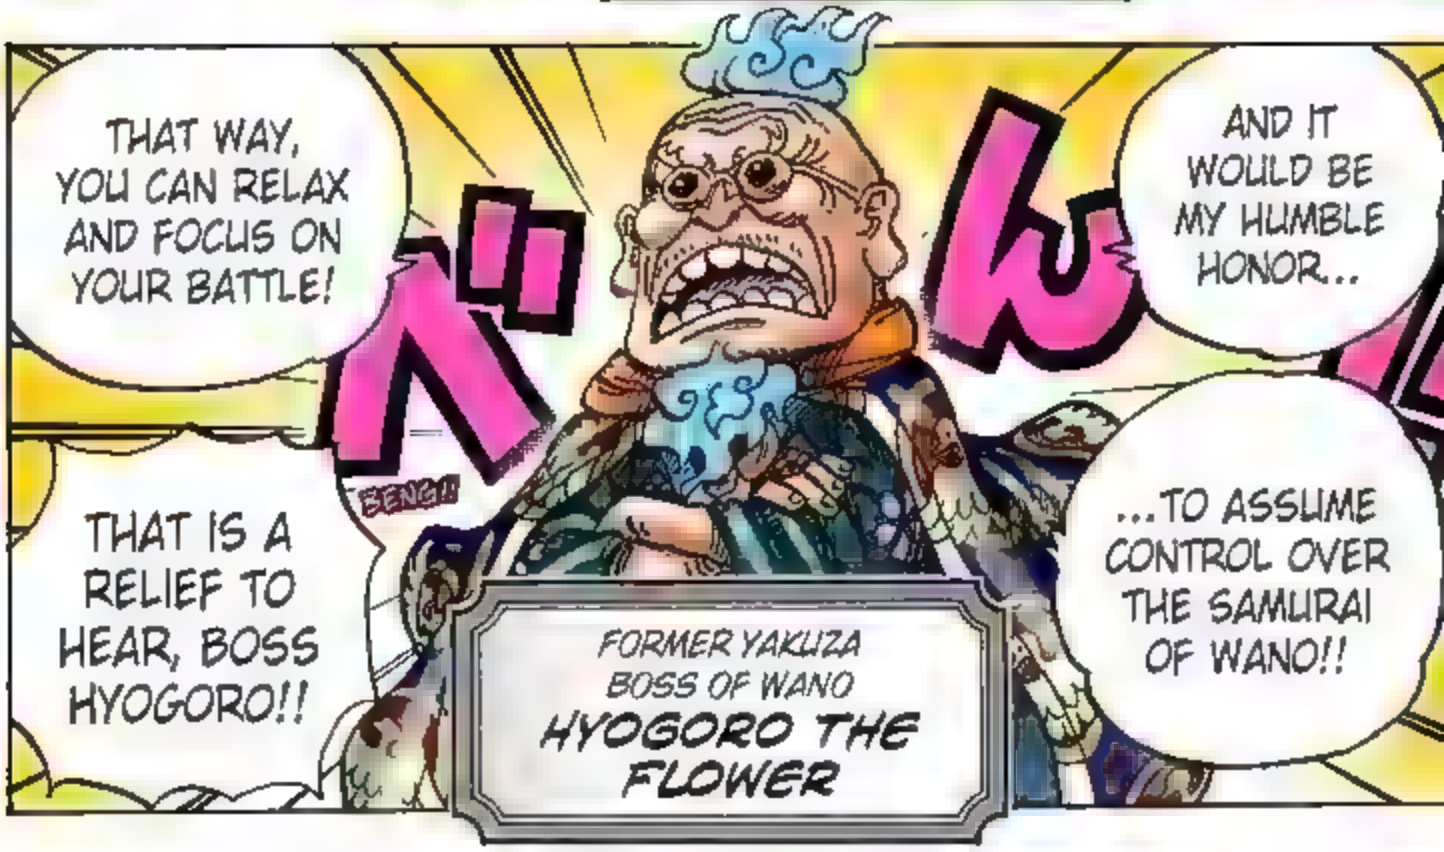
IT'S GOOD TO BE HERE WITH YOU!!!
ベル!!
BENG!!
SO WE FINALLY GOT A GUY WHO CAN MAKE FULL USE OF THE SHIP OF DREAMS, HUH?
YOU WON'T BELIEVE JINBE'S STEERING SKILLS, FRANKY!!
HE WAS SURFING ON THE WAVES WITH THE SUNNY!!

HEY! SIR LUFFY!!
FROM WHERE ?!
ACTUALLY... I SMELL BOOZE.
WE DON'T HAVE ANY ALCOHOL ON BOARD!
LET'S DO IT!!
SHALL WE MAKE A TOAST?!

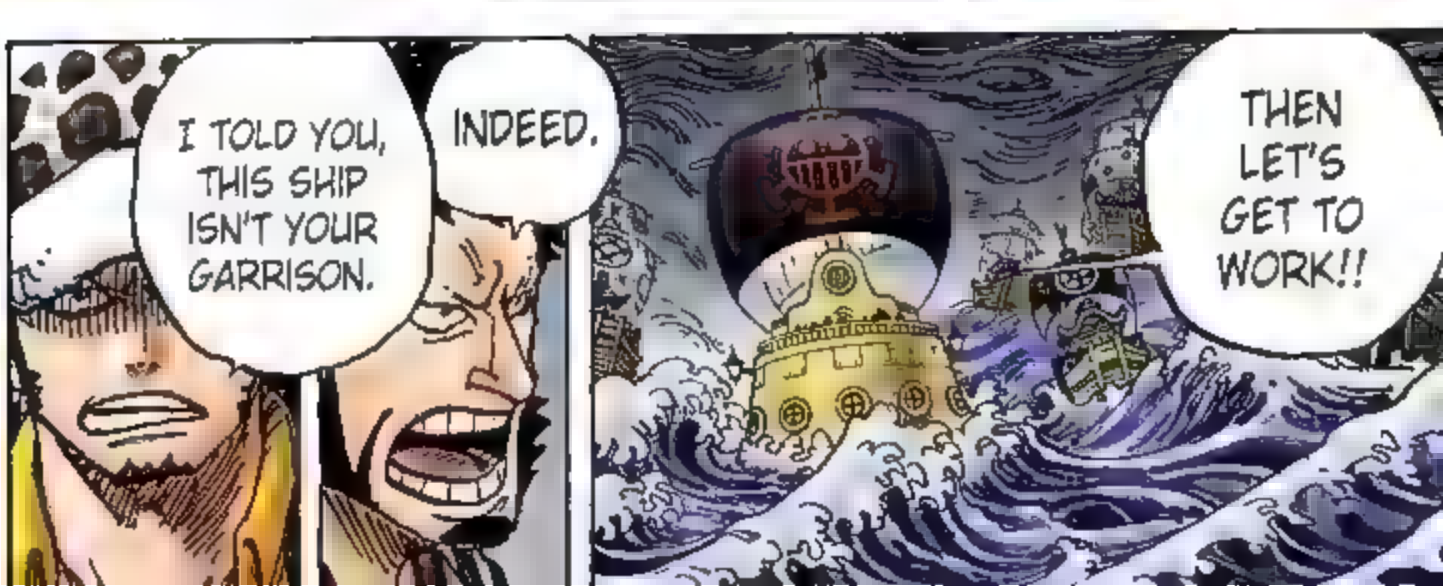


HUP!!
TAAA!!
ばっ!!
?!
FORGET IT, KIN. IT'S A WASTE OF TIME TRYING TO SET UP A PLAN FOR THEM.
I WANT TO BE SURE WE KNOW WHAT WE'RE DOING ON THE ISLAND!!
FROM OVER THERE!
LIAR!!

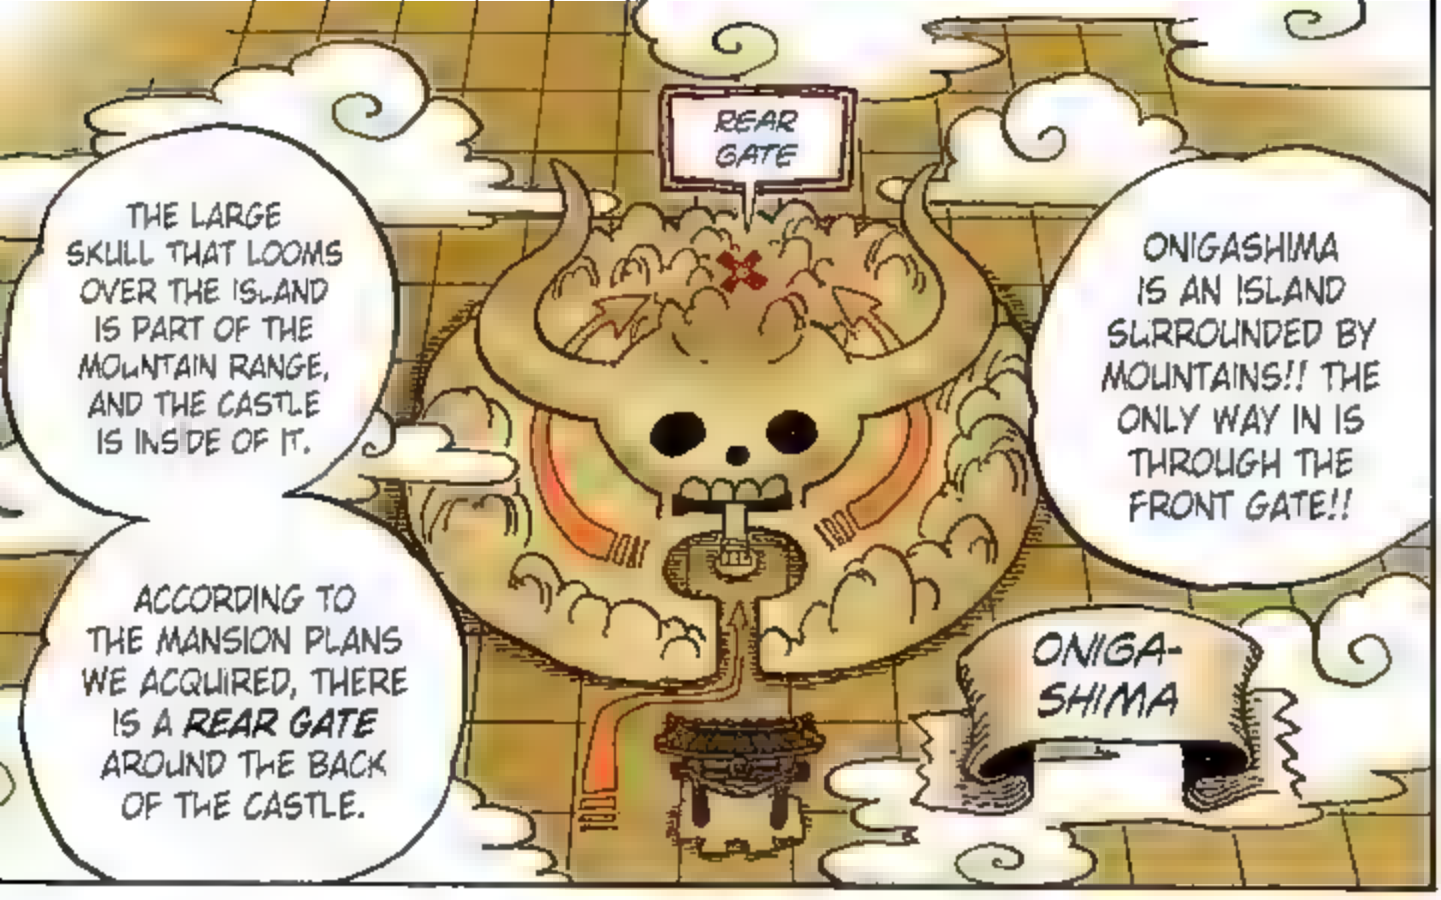
SHISHILIAN !!
YES, I NEED YOUR HELP!!
IN THIS BATTLE, YOU ARE ONE OF THE VASSALS OF KOZUKI ODEN, YOUR GRACE!!
LEAVE THE COMMAND OF THE MINKS UNDER MY CARE!!
DOOM!!
EXPLAIN THE PLAN!!
I WOULD LIKE TO HEAR IT TOO!!
CAPTAIN OF THE DOGSTORM MUSKETEERS
FULL-POWER SHISHILIAN



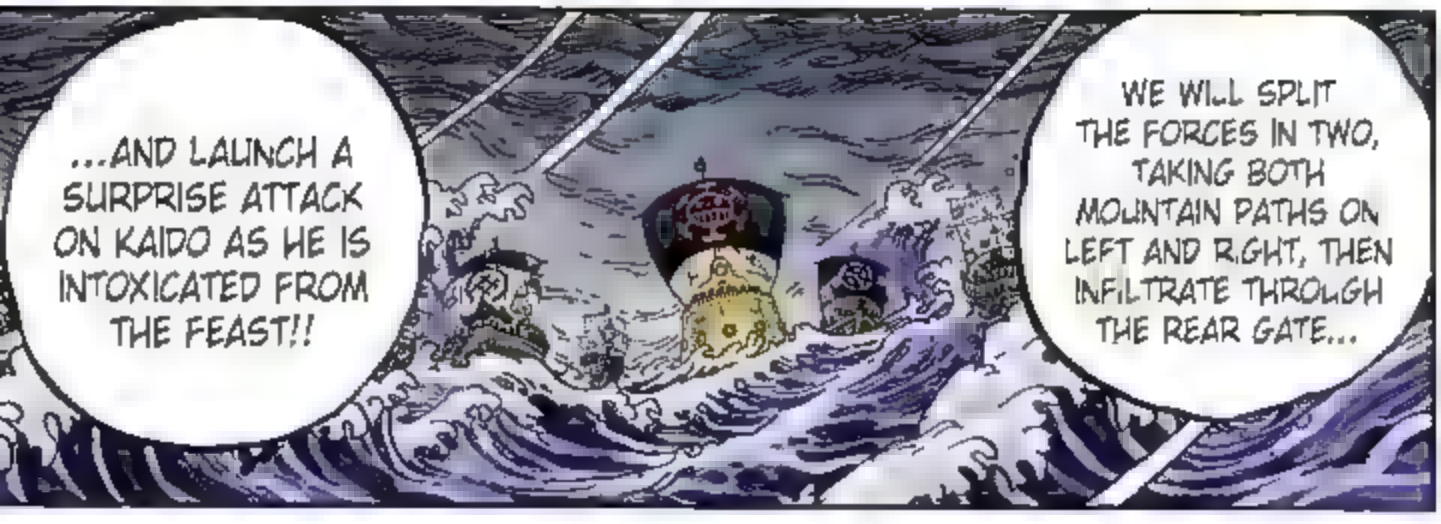
THAT WAY, YOU CAN RELAX AND FOCUS ON YOUR BATTLE!
THAT IS A RELIEF TO HEAR, BOSS HYOGORO!!
BENG!!
AND IT WOULD BE MY HUMBLE HONOR...
...TO ASSUME CONTROL OVER THE SAMURAI OF WANO!!
FORMER YAKUZA BOSS OF WANO
HYOGORO THE FLOWER



I TOLD YOU, THIS SHIP ISN'T YOUR GARRISON.
INDEED.
THEN LET'S GET TO WORK!!

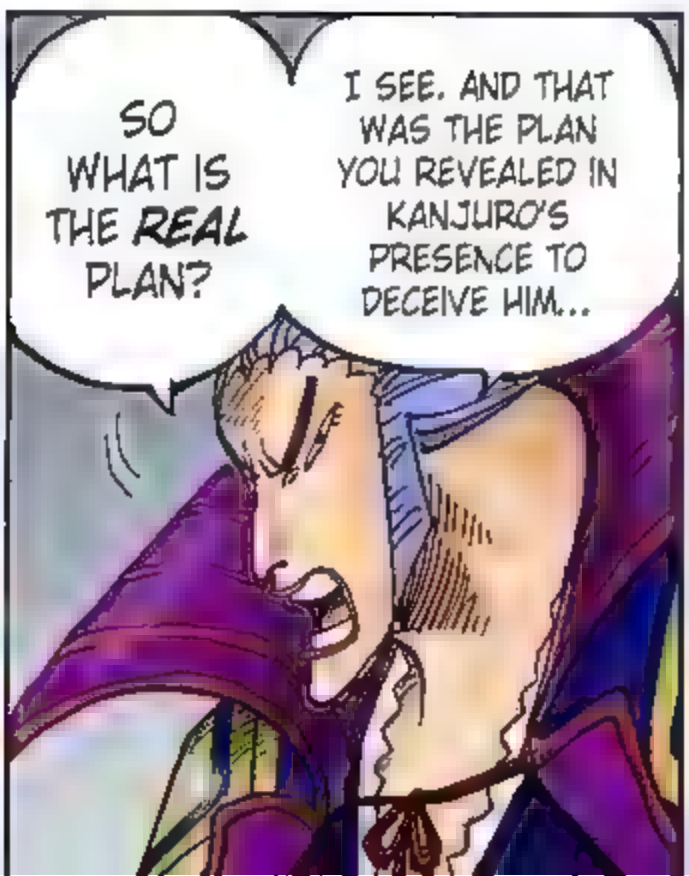


REAR GATE
THE LARGE SKULL THAT LOOMS OVER THE ISLAND IS PART OF THE MOUNTAIN RANGE, AND THE CASTLE IS INSIDE OF IT.
ONIGASHIMA IS AN ISLAND SURROUNDED BY MOUNTAINS!! THE ONLY WAY IN IS THROUGH THE FRONT GATE!!
ACCORDING TO THE MANSION PLANS WE ACQUIRED, THERE IS A REAR GATE AROUND THE BACK OF THE CASTLE.
ONIGA-SHIMA

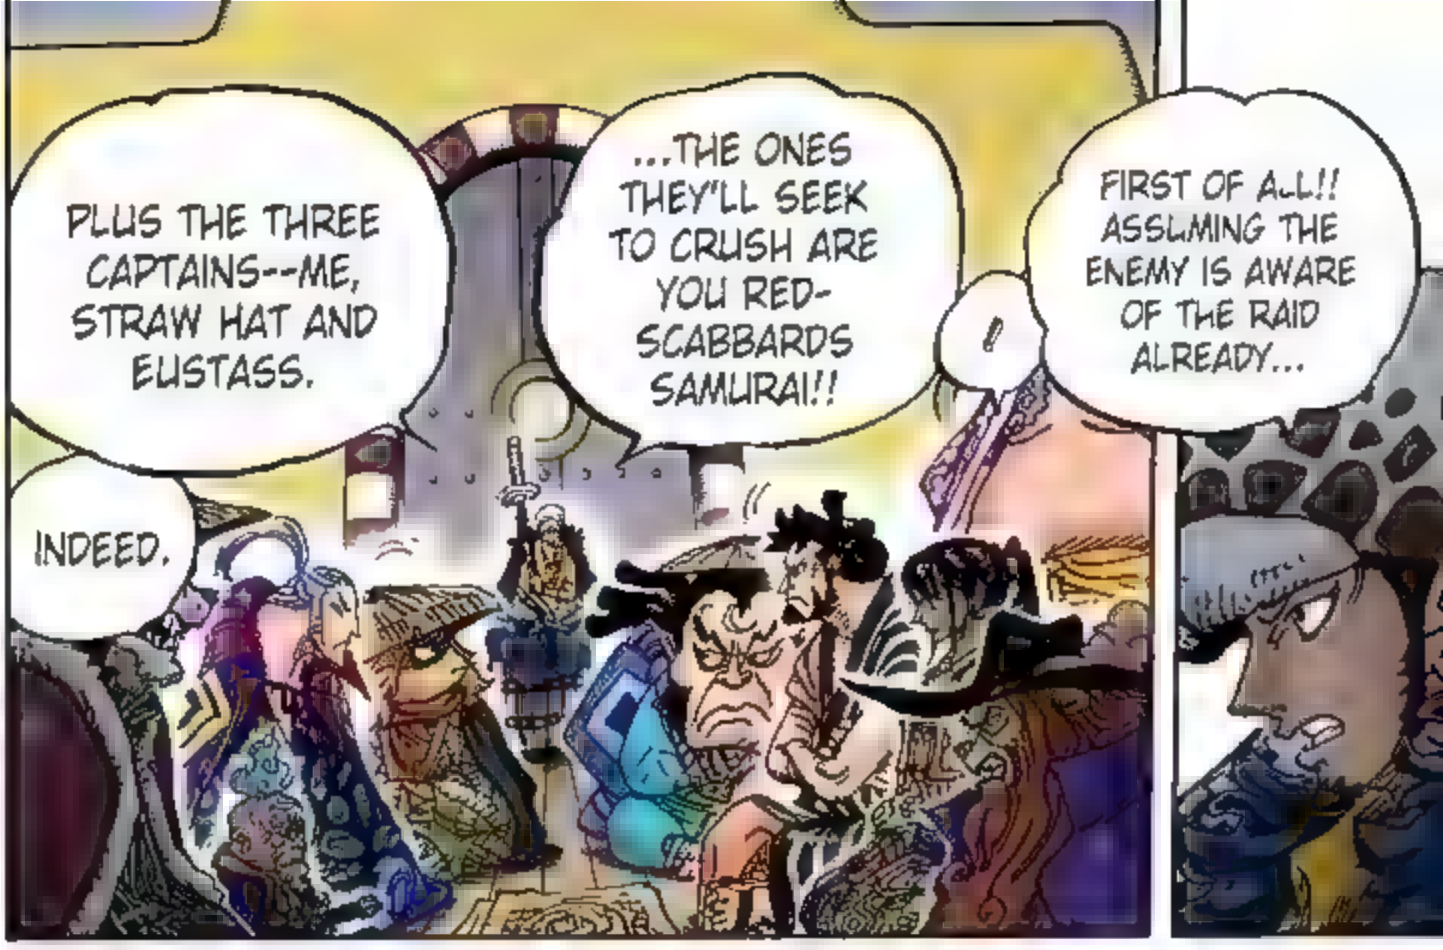


...AND LAUNCH A SURPRISE ATTACK ON KAIDO AS HE IS INTOXICATED FROM THE FEAST!!
WE WILL SPLIT THE FORCES IN TWO, TAKING BOTH MOUNTAIN PATHS ON LEFT AND RIGHT, THEN INFILTRATE THROUGH THE REAR GATE...

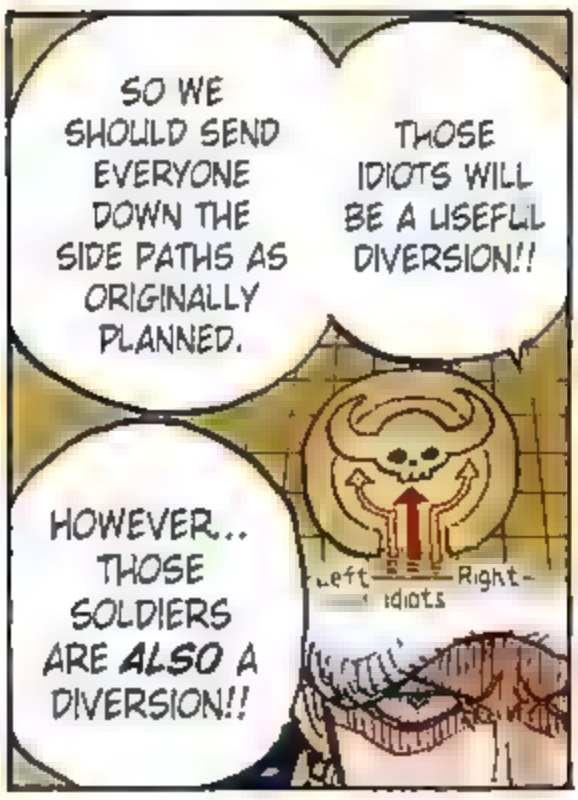
ガーン!!
GONG!
HE'S OVER-ESTIMATED YOU AGAIN!!
UH!



SO WHAT IS THE REAL PLAN?
I SEE. AND THAT WAS THE PLAN YOU REVEALED IN KANJURO'S PRESENCE TO DECEIVE HIM...

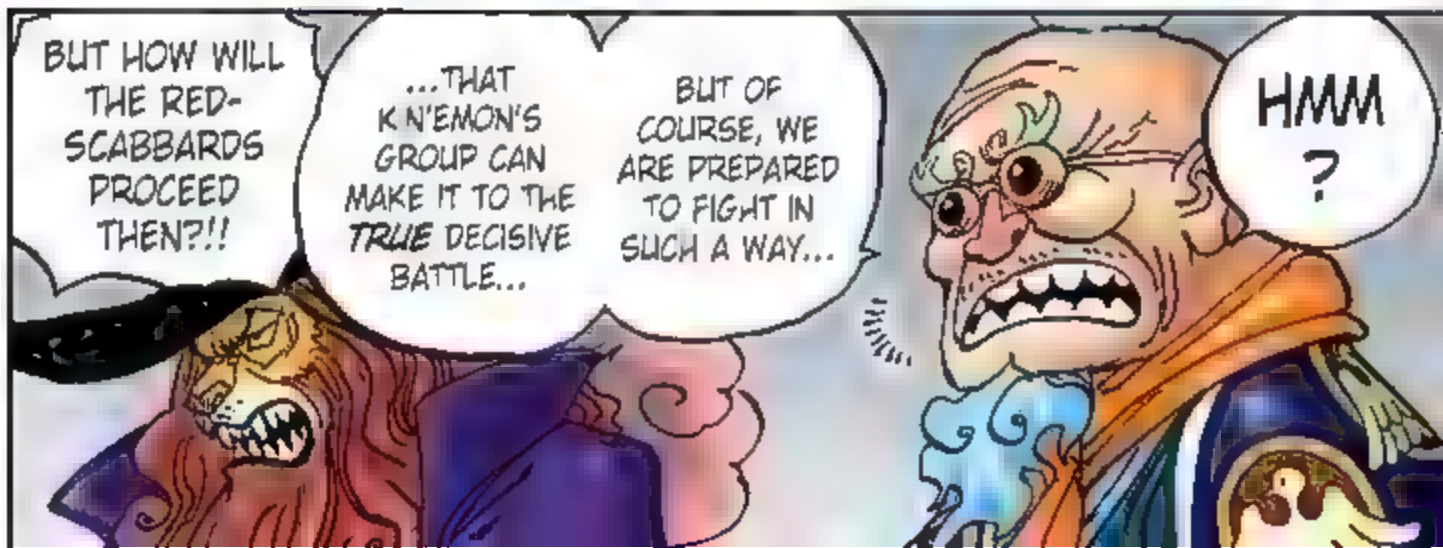


PLUS THE THREE CAPTAINS--ME, STRAW HAT AND EUSTASS.
INDEED.
...THE ONES THEY'LL SEEK TO CRUSH ARE YOU RED-SCABBARDS SAMURAI!!
!
FIRST OF ALL!! ASSUMING THE ENEMY IS AWARE OF THE RAID ALREADY...

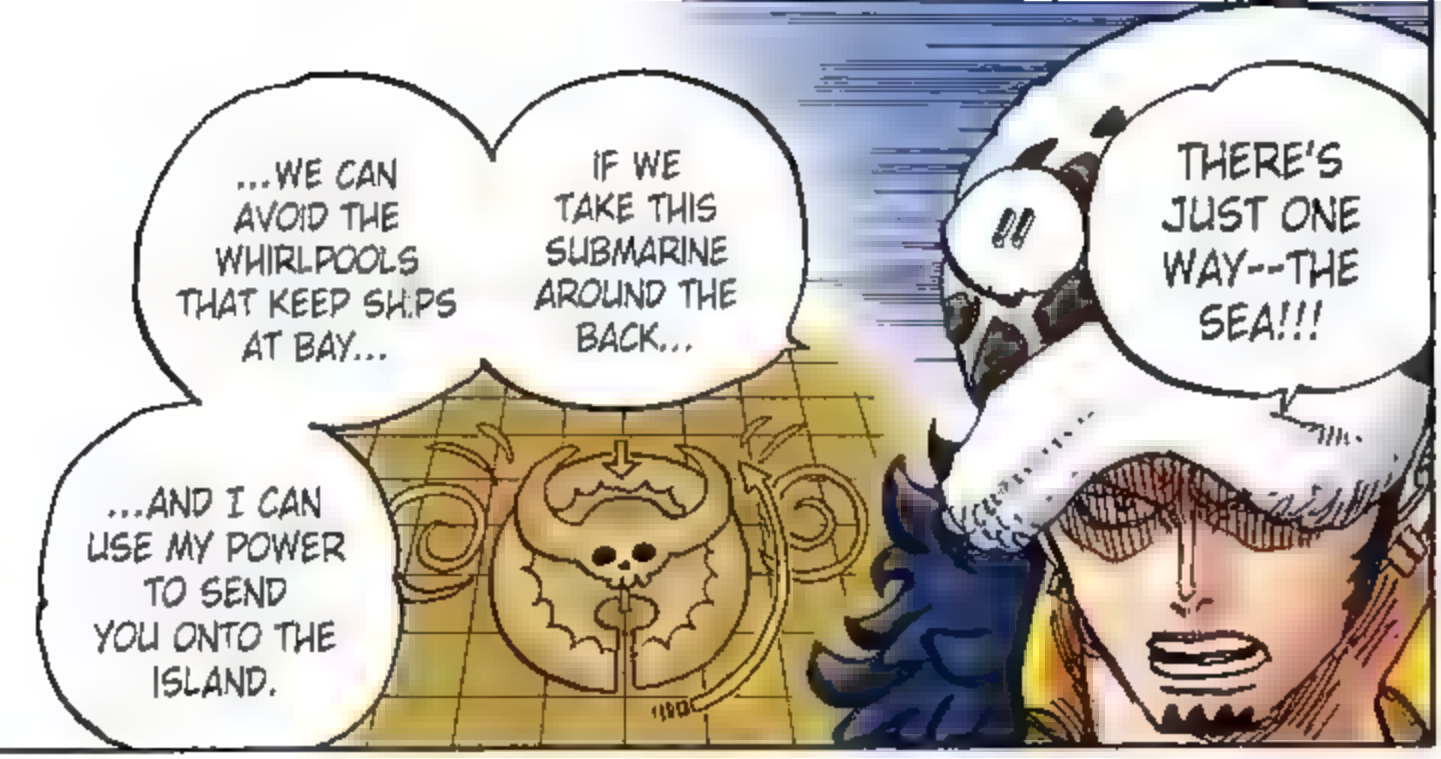


SO WE SHOULD SEND EVERYONE DOWN THE SIDE PATHS AS ORIGINALLY PLANNED.
THOSE IDIOTS WILL BE A USEFUL DIVERSION!!
HOWEVER... THOSE SOLDIERS ARE ALSO A DIVERSION!!
Left
Right
Idiots

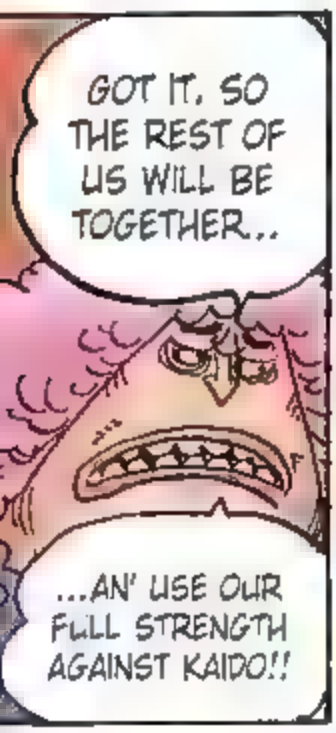
...WHO WILL CHARGE STRAIGHT IN REGARDLESS!!
...I CAN THINK OF APPROXIMATELY TWO IDIOTS...
NO MATTER WHAT KIND OF PLAN YOU PUT TOGETHER...
?!
"IDIOTS" ?



BUT HOW WILL THE RED-SCABBARDS PROCEED THEN?!!
...THAT K N'EMON'S GROUP CAN MAKE IT TO THE TRUE DECISIVE BATTLE...
BUT OF COURSE, WE ARE PREPARED TO FIGHT IN SUCH A WAY...
HMM ?



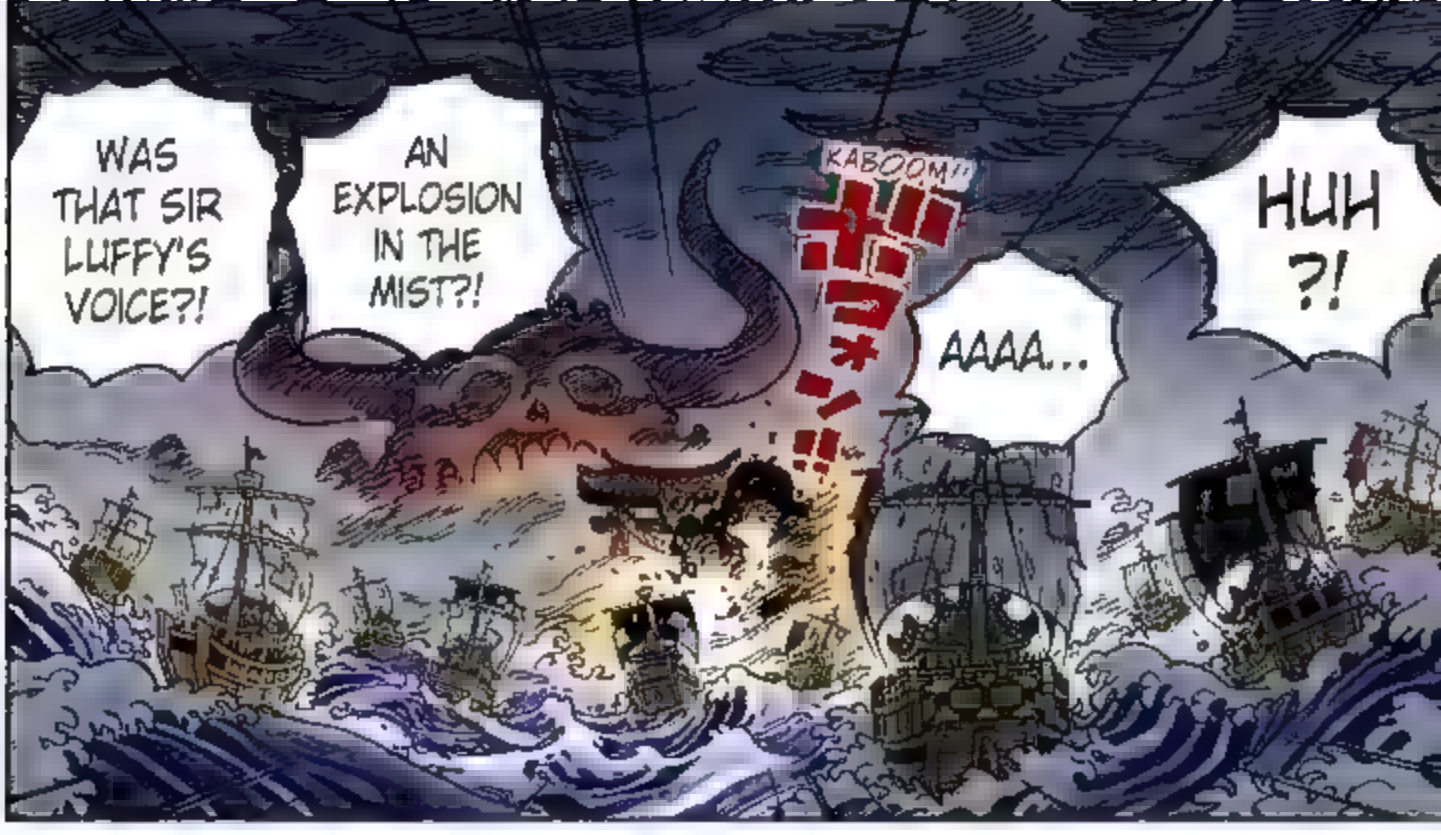
...WE CAN AVOID THE WHIRLPOOLS THAT KEEP SHIPS AT BAY...
IF WE TAKE THIS SUBMARINE AROUND THE BACK...
...AND I CAN USE MY POWER TO SEND YOU ONTO THE ISLAND.
!!
THERE'S JUST ONE WAY--THE SEA!!!



GOT IT. SO THE REST OF US WILL BE TOGETHER...
...AN' USE OUR FULL STRENGTH AGAINST KAIDO!!

I WILL TAKE THE OTHER SIDE OF THE MOUNTAINS! YOU SEND THE REST OF THEM IN!!
THAT IS A GOOD POINT! THEN WE SHOULD HAVE ONE OF US FOR EACH PATH!
...BUT AT THE VERY LEAST, I MUST BE THERE TO LEAD THE TROOPS.
AHH. THAT WOULD BE MOST APPRECIATED, SIR LAW...

?!
WAIT, I DON'T SEE THE STRAW HATS' SHIP!!
WELL DONE, KIN! YOU'RE SO THOROUGH AND THOUGHTFUL!!
PERFECT!! JUST AS I PLANNED IT!! WE'LL GO WITH THIS STRATEGY!!



WAS THAT SIR LUFFY'S VOICE?!

KABOOM!!

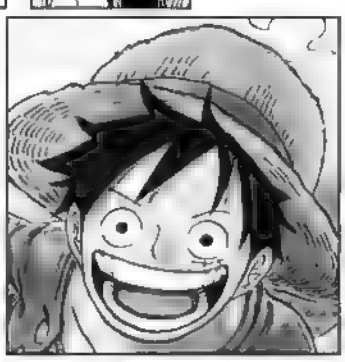
Q: Odacchi!! I have a question. Who has a longer head, Fukurokuju or Vice Admiral Strawberry? I can't get any sleep at night until I learn the answer.

--Kaikai

A: I think you can tell by comparing them. The answer is Strawberry. They say his head grows with every sadness he's experienced.

Q: You've been drawing personifications of swords lately, but I'd like to see a human version of Luffy's straw hat now! Thanks for obliging!

--Akimasa



A: Ahh, that's a new wrinkle. But as you know, I'm very good at capturing their spirit. Look, this one even has the scars left by Buggy! ➡

Q: Oda Sensei!! My question is, why is the Kozuki Clan despised in modern Wano? I would have thought that Shinobu cleared his reputation with the public…

--Y.U.

A: Everyone who believes in and follows the Kozuki Clan was purged by Orochi and Kaido. They brainwashed the next generation of children such that everyone in the capital follows Orochi. Basically, it comes down to pressure and brainwashing. These are big things that cause problems in the real world, even today. Scary!

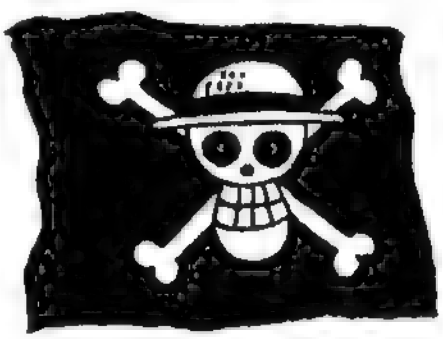
Q: Dear Odacchi!! Is it true that you'll quit drawing *One Piece* in five years? If true, it really hurts the fans to have that knowledge made public!! Lots of my fellow fans were crying at the sudden news! What's the big idea?! But most of all, I really want you to get your rest and relax!

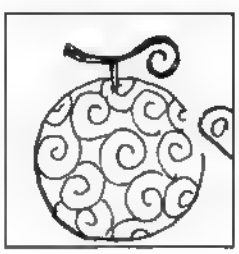
--pari_bentham



A: Okay. It's not so much that I'm "quitting" as that the series will end when I've finished drawing the most exciting part of Luffy's adventures, which is the big story of what the *One Piece* is. But right now we're in a really exciting story in the land of Wano, but if Luffy manages to survive and sail away, I'll be drawing major international developments, the "biggest battle in *One Piece* history," which will be a thrilling and wild story the likes of which no one's read before. It'll be great!! So I put out a statement indicating that this very long story is actually moving toward an ending, so that you readers can mentally prepare yourselves. But for now, we're in Wano and it's really heating up, so sit back and enjoy it. I'll draw with all of my strength!!

Q: Hello, Oda Sensei!! I recently ate the Itch-Itch Fruit, Model Crotch. Now I'm itchy.

--Emu Fantasy



A: Got it. Next question.

Q: Here's that baked iron you ordered, sir.

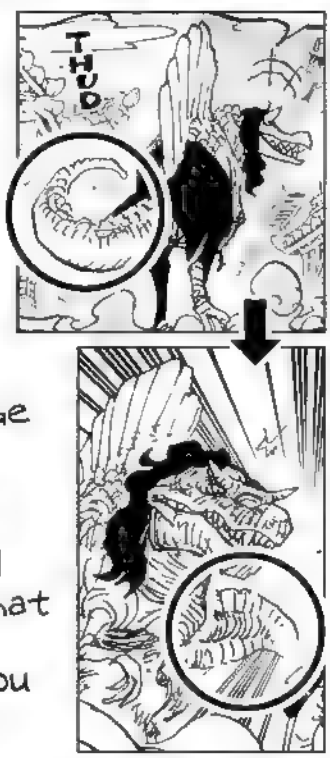
Q: Oda Sensei!! In May of 2020, they discovered that Spinosaurus actually swam in the ocean!! Since you're so busy, I just thought I'd drop you a line to let you know. ♡
Hey, wait!!!! You already fixed his tail in chapter 983!!!! Geez, man! When do you find the time to watch the news?!!

--Yuchabin



A: Oh, you noticed? That's right, between Page One's first and second appearance, they discovered a fossil of the Spinosaurus that filled in what had only been a guess before. Now it has a different skeletal structure!! I freaked out at first, but then I thought that if I changed it real smooth and sneaky-like, nobody would notice. I should have figured you would, LOL. Paleontology evolves by the day.

Q: As a matter of fact, the next person to join the Straw Hat Crew will be me.

--Momo Daifuku

A: Really?!! Wow, such confidence!! But you're only twelve...

Q: As content restrictions get tighter around the world these days, it makes me so happy that we've got a segment here that is completely free of any of that. Speaking of which, can I smell Onami's used bath towel? I'm worried that her kunoichi outfit might be cut a little too short.

--Sanadacchi

A: Sanada!!! Hey! Security! Why did you let this guy in here?! I told you to send him away, didn't I?! We have proper restrictions here!! And perverted statements are against the rules!! I want a squeaky-clean image for this segment!! Get lost, Sanada!!

Q: Are all of the Gifters able to transform between animal form and human form freely? Or does it depend on the fruit?

--Kenkichi

A: It depends on the fruit. Smile fruits are grown artificially, so they're unstable in every way. They will get animal strength, but the fact that you see them fighting with the lion on their stomach or eaten constantly by their hippo should serve as evidence that they can't completely control the animal part. Many of them are very strong, but in short, Smile fruits are a big gamble.

Q: Huh? Does nobody want to see what Sanji would look like at age 40 and age 60? Then I guess I'll ask! Can you draw what Chopper will look like in the future?! Please!!

EIICHIRO ODA

There's an insect called a "spiky beetle" in Japanese. They found a spiky beetle without spikes, so they called that a "spikeless spiky beetle," and then there was a member of that subfamily that did have spikes, making it a "spiky spikeless spiky beetle." I'm thinking that there are probably some of them that can't fly, and a few of those are particularly quick to move on to other situations, making them "flighty flightless spiky spikeless spiky beetles." Meanwhile, here's "Wano's getting mighty breathless in volume 98!"

Let's go!!!

-Eiichiro Oda, 2021

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Story ・あらすじ・

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!!

Luffy and crew disembark on Wano for the purpose of defeating Kaido, one of the Four Emperors. They begin to recruit allies for a raid in two weeks' time. But Kaido's side finds out, and the plan is in peril. With great effort, the alliance rebounds and gathers members to await the day of the raid. But on the big day, the Straw Hats are a no-show because of Orochi's schemes.

Despite this, the Red-Scabbards samurai head to Onigashima undaunted to avenge their slain liege. But Kanjuro is revealed to be a traitor!! Then Luffy's crew arrives to help the crestfallen Red-Scabbards, providing a ray of hope. Kanjuro kidnaps Momonosuke and takes him away to Orochi. The alliance pursues in order to carry out their sneak attack on Onigashima, with powerful new companions among the vanguard!! The fighting on the island is difficult due to the Emperors' followers, but then Luffy meets a surprising individual: Kaido's daughter, Yamato!

I ALWAYS HAD THIS NAGGING DOUBT IN MY MIND.

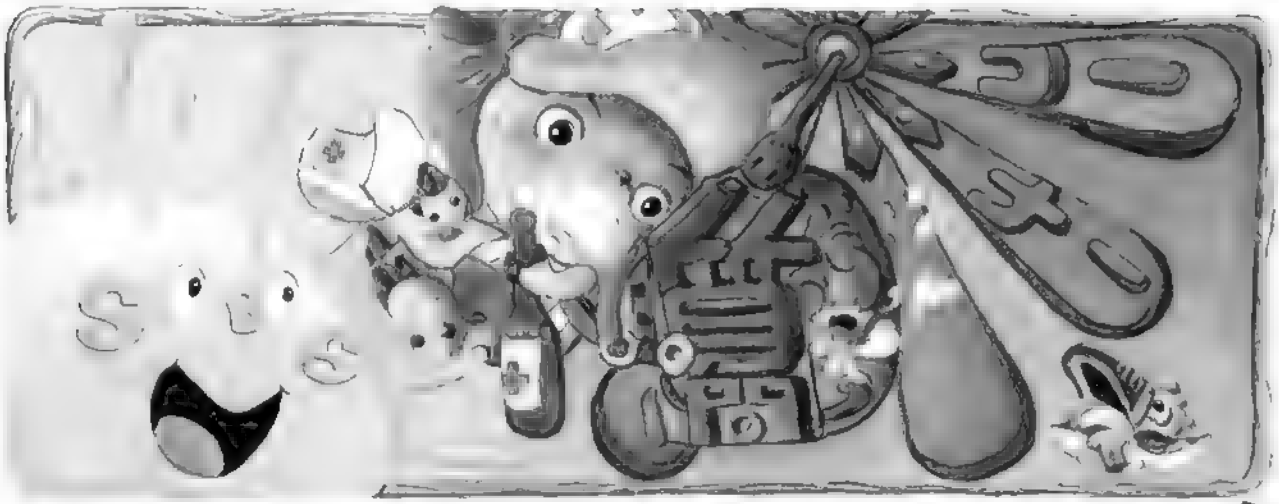
SBS Question Corner



(Takahisa Fujimoto, Nara)

Q: Hi, Oda Sensei!! Earlier I used Haki of the Supreme King on my one-year-old sister, and she laughed. Why?

--Yucchi

A: Because your sister is the one who has the true disposition of a king.

Q: Odacchiii!! In chapter 977, after Nami gives Jinbe that big hug, I spotted Sanji in the corner biting his handkerchief out of sheer frustration!!

--A purehearted middle schooler who wanted to meet Odacchi on Tanabata

A: Wow, that's incredible. How did you spot that? It's cut off on the side of the panel, so you really have to use your imagination to figure it out. Yes, Sanji is doing this in the background. Good job!

Q: ルフィのギア4があるなら ギア5もありますか!?

--Aoi Y.

*If Luffy has Gear 4 will there be Gear 5?!

A: I liked the power in your writing, so I printed it directly in the book. Hmm, I wonder if there will be Gear Five! I mean, the enemy Luffy has to beat now is supposedly the strongest in the world. And if you look around in the world today, there's 4G and 5G everywhere. I assume G stands for "Gear," right?

Q: In chapter 978, Ulti is talking like an "ever so fancy" lady, and Page One says, "Is this another one of your weird trends?" So what was her trend before that?!

--EtoYotsuya

A: Ah, yes. Before that, she talked even more old-fashioned. She would say, "Pay-Pay, pity thy poor wretched sister!" But currently she seems to have settled on talking like a fancy lady.

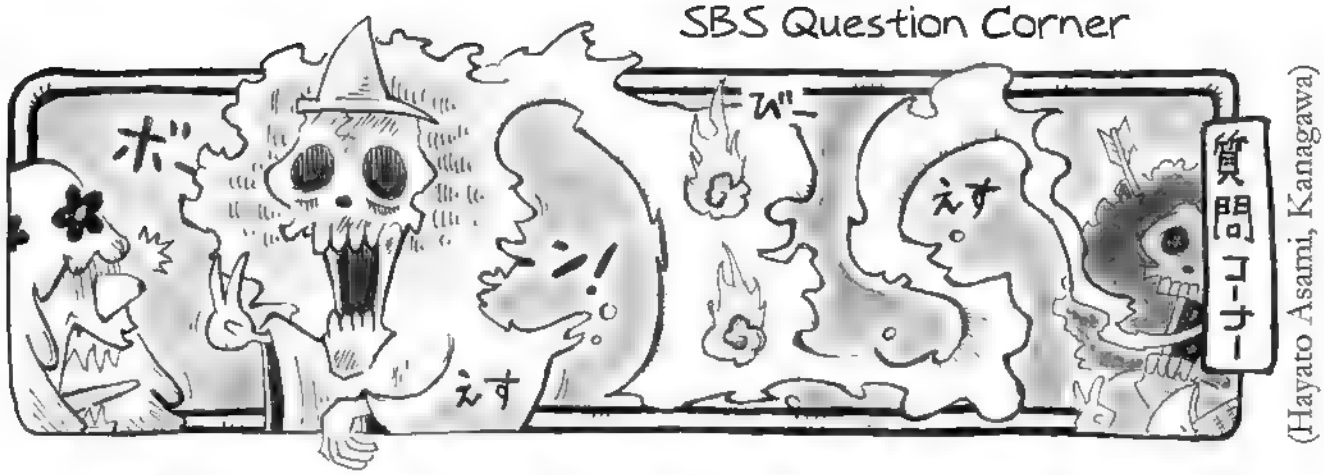
SBS Question Corner

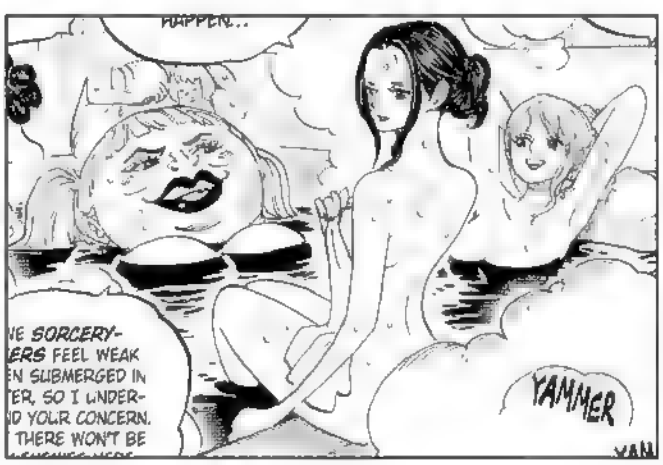


(Hayato Asami, Kanagawa)

A: Okay, I have an apology to make! I had a postcard (or letter?) from a reader that I've lost somehow. But don't worry, because I remember the content. It was from a person whose pen name was "Eeyan," and they wanted me to check out their YouTube page. And it was full of videos of homemade figure construction! Huh? Strange, that figure looks familiar, I thought...and it turns out it was from the very person whose figure photos they'd sent in for the fan art section! It's so fascinating to see readers of mine become famous YouTubers! Go to YouTube and search for "EEYAN." Good luck with your figures! Oh, he said he also has a collab video with Sanadacchi, but you don't need to look at that one!

Q: I was doing some research on the culture of mixed bathing. Apparently, even in the past, when a young woman would come to the bath, perverts like Odacchi would flock to her, so the older women and grannies would keep her safe. Ugh, the nerve of those perverts! Anyway, I've decided to live out of a bathhouse.

--Sanadacchi



A: Uh, excuse me, ma'am! You're kind of in the way! Could you please scooch over a little? I can't see what I came here to see! I oppose this culture of yours!! Ouch!! Hey, stop trying to crush my balls!! Ow!! Stop...ow! Stop!! The SBS... is...

A sacred place! Sanadaaaa!!

I can't believe you showed up again!! Ladies, go and crush his balls now!! Ow!! No, not mine!! Sanadaaaa...

Okay, enough of that. All of you who heard about mixed bathing and got dirty thoughts in your heads, just because it was long in the past doesn't mean people didn't have shame. So now you've learned something about how the culture of Japan protected the virtue of young ladies!

Q: The officers of Kaido's pirate crew are all named after cards and card games, aren't they?

--Akibe

A: That's right. The three Lead Performers are pretty obvious, but in addition to them, the Tobi Roppo, Numbers, and Headliners are all named for card games, or the cards themselves. The exceptions are Drake, Apoo and Hawkins, since they came from outside the organization.

It would fill the entire page if I listed them all. I'm sure for most of these, you're thinking, "I've never heard of that!" Well, it turns out there are tons and tons of card games played all over the world. Incidentally, you may remember that Doflamingo's code name was "Joker" back in Dressrosa. That's because in my initial plans, he was going to show up in Wano as one of Kaido's powerful allies. Good thing he was beaten in Dressrosa first!!

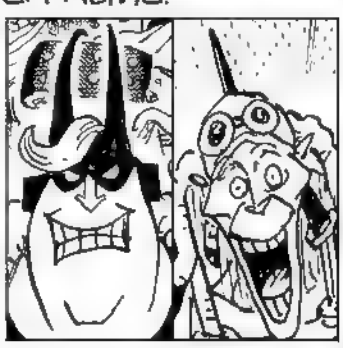
Q: I'm a member of the SBS Board of Morals and Ethics. I think that Sanadacchi has gone too far this time. But putting that aside, I really want to eat your millet dumplings, Odacchi!!

--Sanadacchi Fan

A: Uhh, the kind that pop off of my cheeks? I don't think you want to eat them. They're covered in gross, unshaved stubble. Also, change your pen name.

Q: Question for you, Oda Sensei. The people who've eaten Smile fruits grow horns, right? Why do the Pleasures have only one horn, and the Gifters have two?

--Hadock 10



A: Well spotted. That's just fashion, actually! It's not enforced, but the rule is that Pleasures can wear one horn, and Gifters and up can wear two horns, if they want.

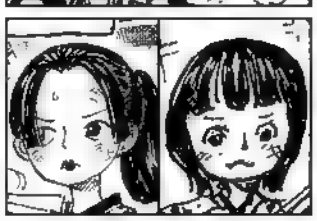
Q: Please draw the future versions of the pervy cook…I mean, Sanji at age 40 and age 60.
--Rubber-Flame Fruit

A: Okay. I got lots of requests for this one. Here you go!

Q: Odacchi!! Question for you!! In chapter 962, "Daimyo and Vassals," young Izo is shown with a katana, and young Kiku with a gun. That's the opposite from what they use now! Was there a meaning behind this?
--Yuu-kun



A: In that panel, Kiku's just holding her brother's gun for him. That's a real small detail for you to pick out! Anyway, after their father was tried as a criminal, these two siblings had to work as entertainers and suffer the abuse and manipulation of cruel adults. They could only survive by relying on each other. One of their skills was sharpshooting, and Izo was a master at it. But he was never confident with the katana. Later, when they were on Whitebeard's ship, Izo was hitting targets to entertain the crew, when Vista the Flower Sword said to him, "Use your best skill to protect your master!!" If a samurai is sworn to protect his master, why fixate on the sword if you're not good at it? "Samurai" is meant to be a way of life. So Izo put down the sword and picked up the gun instead.

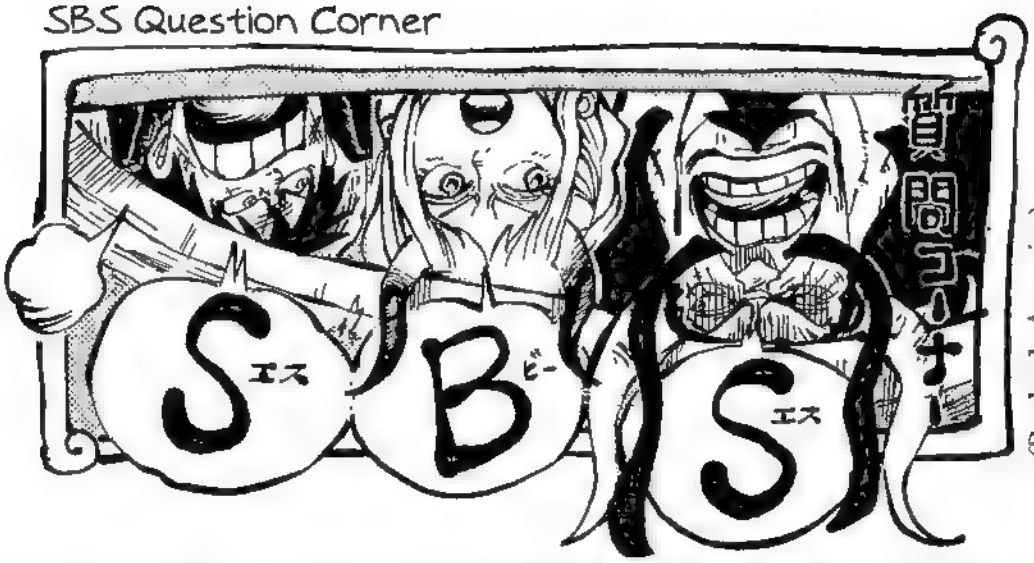
SBS Question Corner

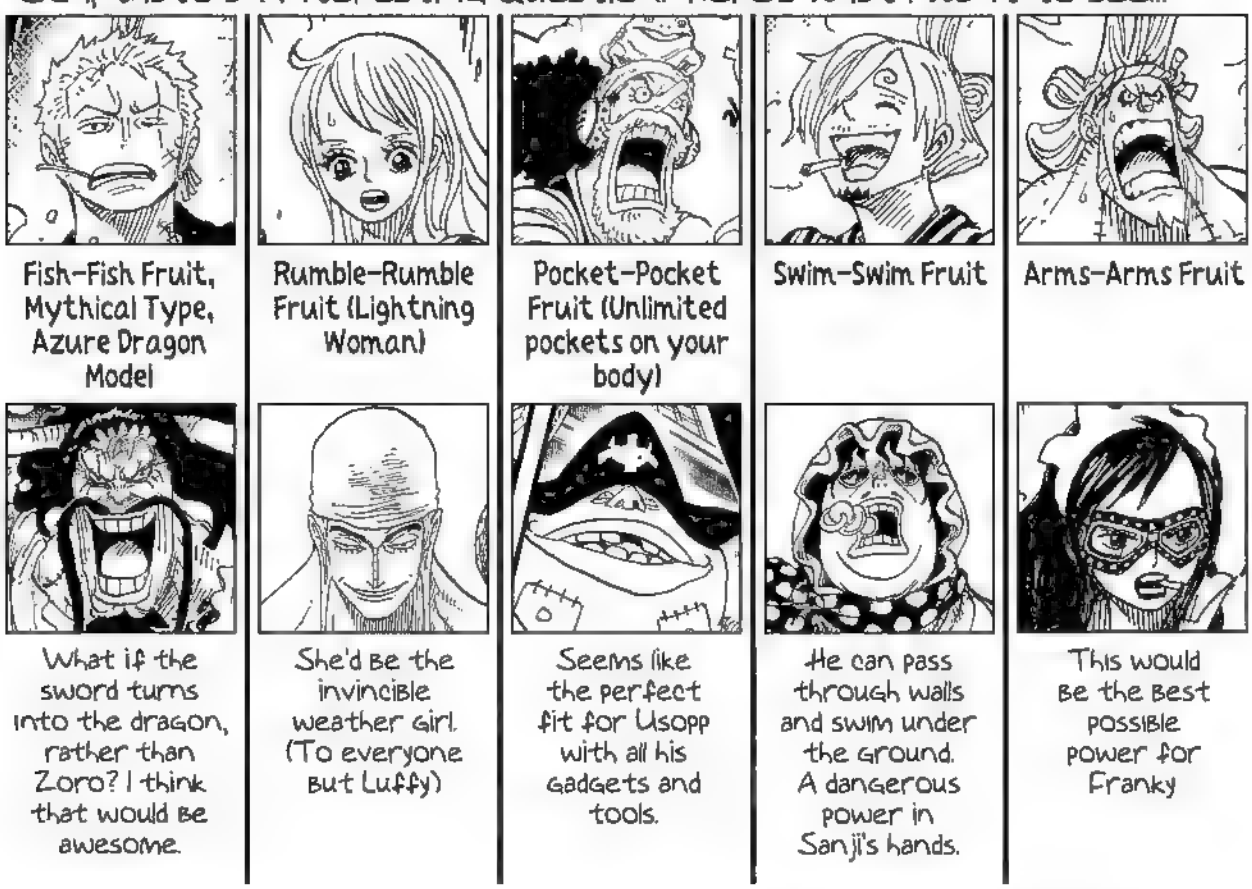


(Rashad, America)

Q: If Zoro, Nami, Usopp, Sanji and Franky had Devil Fruit Powers, which fruit would each of them eat?

--420 Land

A: Ooh, that's an interesting question. Here's what I want to see...



Q: Is the vassal tasting Momonosuke's food for poison in chapter 971 the same person who was reporting on Oden's controversial deeds to Sukiyaki in chapter 960? Then he's been serving the Kozuki Clan for generations... I actually cried a little when I realized this.

--Higuma

A: Yes, that's right. His name is Banzaburo. He was taken in by Sukiyaki at a young age, and feels a lifelong debt to his master.

Q: Here's what I want to ask: **"LEAVE OR LIFE?"**
--Negibozu

A: Hey, that's terrifying!! What?! No, you can't have my life! I choose leave! I'm leaving!! That's the end of the SBS! See you next volume!! Zoooom!!

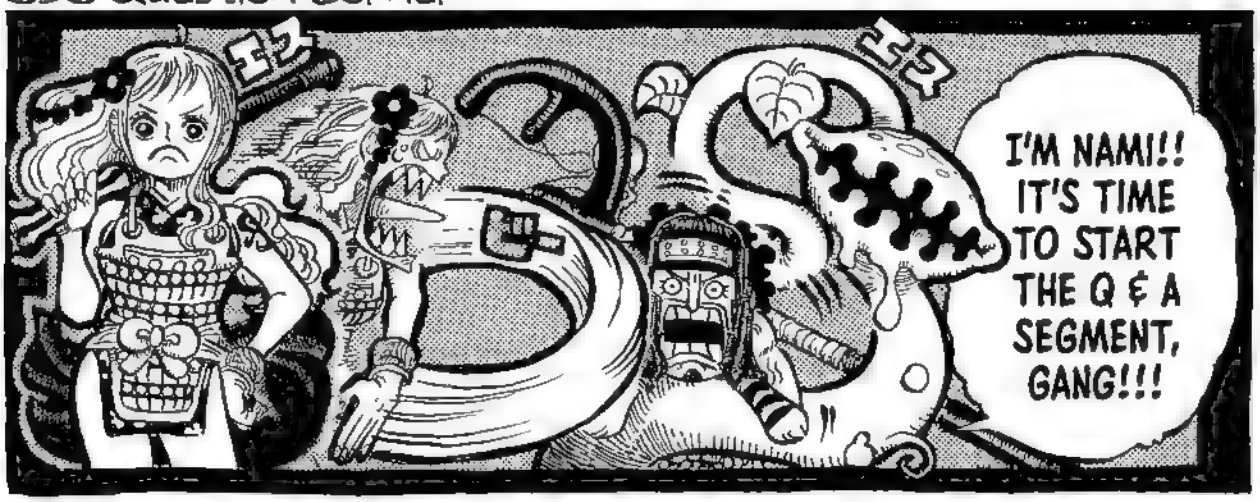
SBS Question Corner



(Hamane, Kanagawa)

Q: Sensei, congratulations on reaching 1,000 chapters of *One Piece*. For volume 99, which I assume contains chapter 1,000, I have this message.

Start the SBS!

--Goemon

A: Gosh, thanks so much. A thousand chapters is such a milestone, so this volume is very special to... Hey, you started the segment!!

Q: Odacchi, check out this symbol: π. Do you know how to read that? It's pronounced "pi." Now please read the following statement.

Nami's ππ are the best! (("Pai-pai" means boobs.)

--Sanadacchi

A: Sanada!! Get outta here!!! Listen, this is a very special volume, it's got chapter 1,000 in it!! Talk about a rocket start into depravity!! Talk about rocket ππ!! Shut up!!! Man, I wish the PTA liked me.

Q: You casually revealed the name of Kaido's Devil Fruit in volume 98, so now you get to casually reveal the name of Kid's Devil Fruit!

--Takumiso

A: It's the Magnet-Magnet Fruit. Huh? Did I not say that before? He can control iron at will using magnet powers. I suppose I should be saying these things in the manga. I'll make sure to bring it up somewhere.

Q: I'd be grateful for life if you allowed Stelly to sit on the Empty Throne.

--Seito

A: No way.

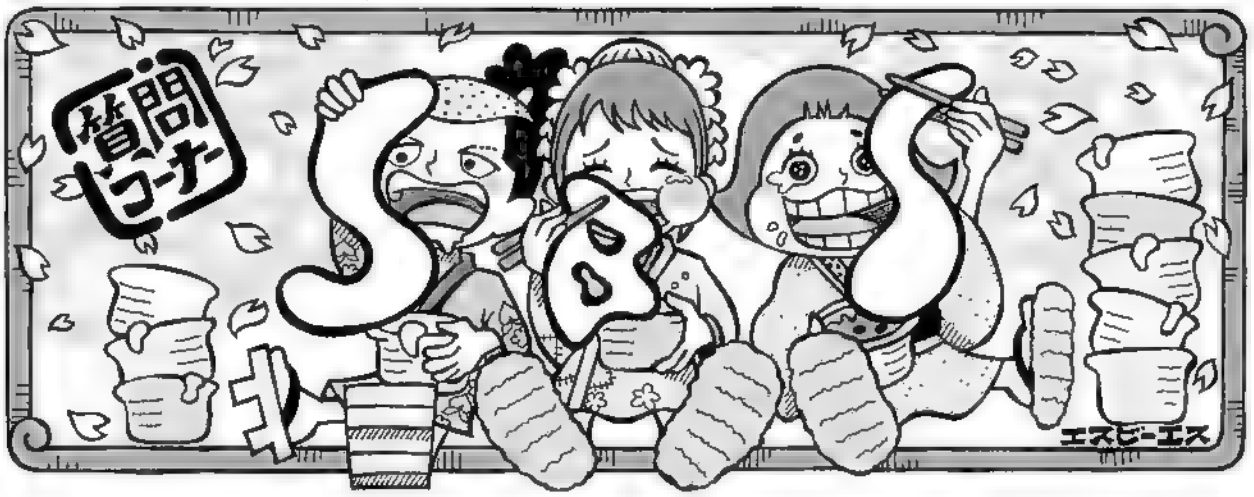
SBS Question Corner

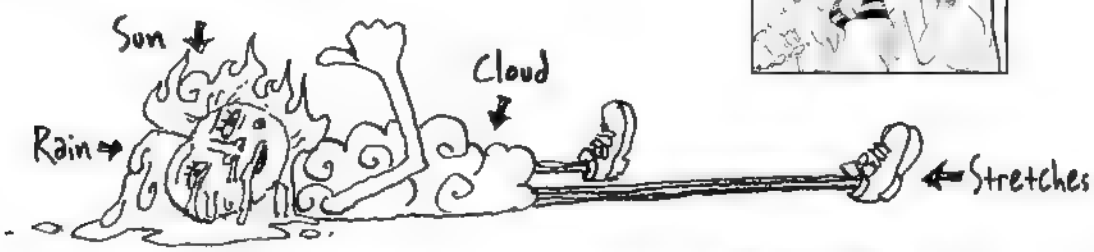


(Eri Kazama, Saitama)

Q: Odacchi! Heso! Please draw an anthropomorphic version of Nami's clima-tact! Speaking for all Nami fans.

--Tsubocchi

A: Okay. I'm good at this!



Q: When Komachiyo and Otama saved Usopp, he said, "Abd blab bladabapphabgalabak!" (in chapter 996). Is it possible that he's saying "Who do you think I am?!" Anyway, I'm glad that Nami's all right!!

--Yana

A: Wow!! You figured it out!! Correct!! LOL.

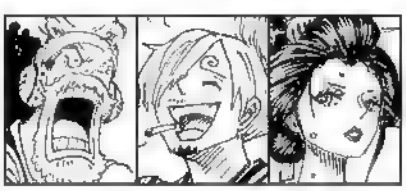
Q: When Kaido eats fish, does he eat the skin too?

--Ebi

A: Actually, he loves the skin. This is how the conversation goes at the table.
"Hey...is the skin safe to eat on this fish?"
"Yes! We scraped the scales off!"
"Wororororo ro."

Q: Good evening, Odacchi. When the Straw Hats' hair grows out, who cuts it?

--Pumpkin



These three ⬆

A: There are three people on the crew who are good at cutting hair. So when someone wants a cut, they just ask.

Q: What kind of person is Otoko's mother, meaning Yasuie's wife? Is she still alive?

--Goemon

A: Yasuie was married long ago. They had no children, and he's been alone ever since his wife died. After he survived Kaido's takeover of the country, he found an orphan baby in Ebisu Town. That was Otoko. But Otoko doesn't know they aren't related by blood.

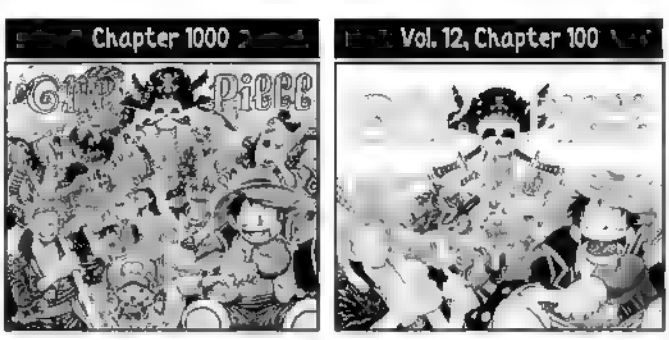
Q: Please draw a personification of everyone's favorite, Yamato's side-boob!! --Yashirai

A: Okay, I'm good at this... Hey, I can't do that!! What is the personification of a side-boob?! (Well, I tried anyway.) Honestly, the number of postcards and letters I got about side-boob this, side-boob that! Next volume is volume 100, you guys! I'm not taking any of your dirty questions and prompts! We're going fully wholesome next time!!

Q: Odacchi! Please tell us Yamato's age, height, and favorite food! --Pumpkin

A: Now this is a proper question. I would love to answer questions like these. Yamato is 28 (born same year as Momonosuke), 9'8" tall (that's 2 Luffys) and loves to eat oden, of course. And also salmon (raw, whole).

Q: Hello, Oda Sensei. Congratulations on reaching the milestone of chapter 1,000!! I was wondering, did you make the layout of the chapter 1,000 cover illustration the same as chapter 100's on purpose?! I got goosebumps when I noticed that!! --Kinosan



A: That's right! Longtime readers might have noticed that, but people who are newer to the series probably haven't seen that one before. They were both such big milestones, I felt inspired to go back to it!

Q: In chapter 966, Roger and Rayleigh are holding Momonosuke and Hiyori and saying, "I haven't spent time with a baby in ages" and "Reminds me of the old days." Whose baby were they holding in the past?! I didn't see many women on Roger's ship…

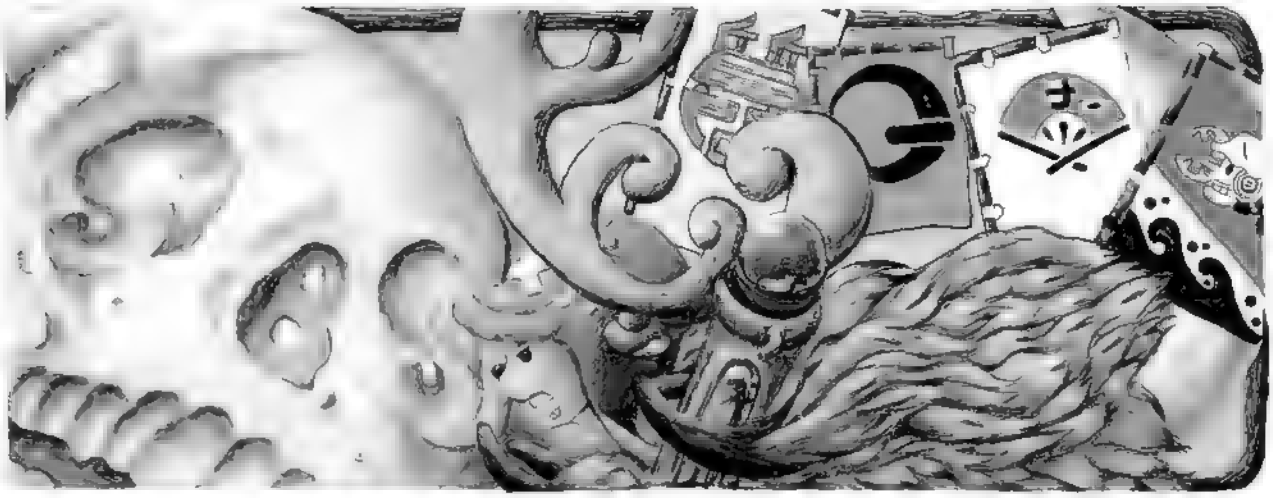
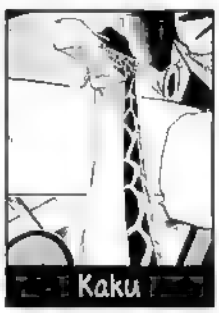
SBS Question Corner

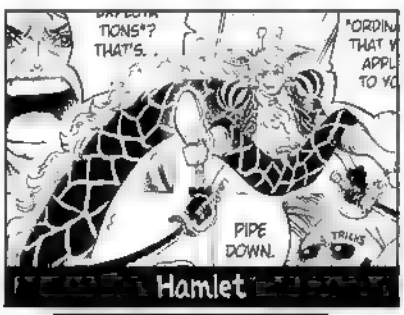


(Takahisa Fujiwara, Nara)

Q: Odacchi, I noticed that when everyone's getting funky on the performance floor in chapter 978, there's a giraffe-based Gifter who's different from Kaku or the Headliner named Hamlet. Does that mean Smile fruits are able to create many of the same powers over and over? Does it not matter if there's already a user of that power from a natural Devil Fruit?

--Taro in the Dark





A: All right. Smile fruits are artificial Devil Fruits, so they're not at all like the real thing. Let's go through the process.

★ SAD on Punk Hazard
Liquid containing various animal Bloodline elements.

★ Smile Factory on Dressrosa
Feeding SAD to plants causes them to grow strange fruit.

★ On Wano
The imported fruit has a 10% chance of giving animal powers.

In other words, they have nothing to do with real Devil Fruits. That's why there are multiple Gifters of the same animal. Bloodline Elements can only be extracted from a living biological specimen, which is why Smile fruits don't create Mythical, Logia, or Paramythia types. That's the limit of Caesar's scientific powers. But perhaps the super-genius Vegapunk has been conducting research that goes beyond this... Or perhaps not...

Q: Odacchi! What's the difference between the Spider-Spider Fruit and the Bug-Bug Fruit?

--Shun Ootsuki

A: The Bug-Bug Fruit gives insect powers. Spiders are arachnids, not insects. That's why it's the Spider-Spider Fruit.

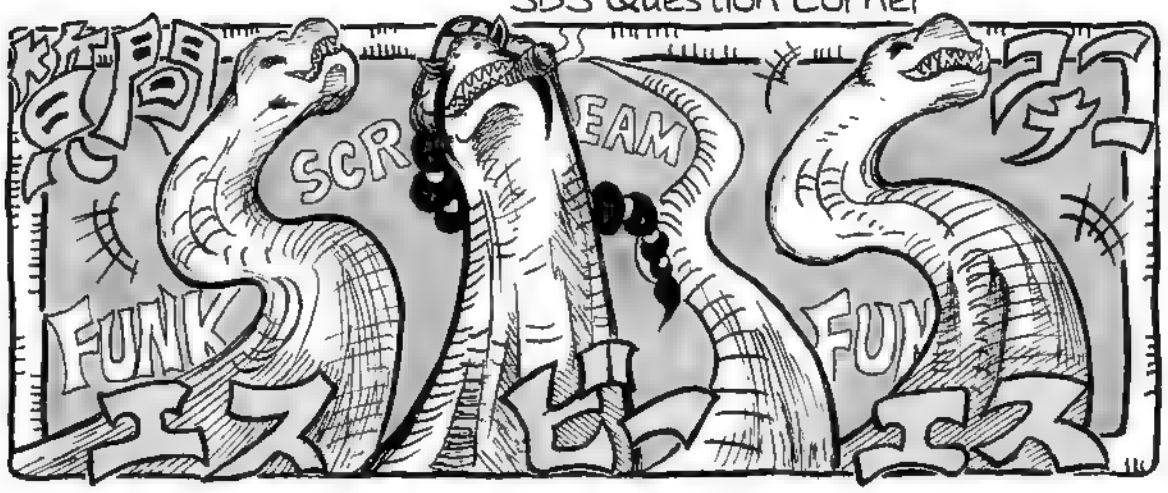
SBS Question Corner



(Mr. Anonymous, Tokyo)

Q: Question for Oda Sensei! What are your three favorite Smile user designs?

--Taro

A: Ah, I see. Man, those Smile Fruit users are funny, huh? Are they bozos or what?! Wow, this is a hard question to answer! Well, I'll start with #3 and that's **Speed**, a.k.a. Horselina! When you hear the word "centaur," you think of a big burly horse man, but I wanted to make her a sexy lady. Since simple horse legs wouldn't really fit the bill, I tried to emphasize her thighs to look more human, and yet she has that wacky horse face when she smiles. It's the unexpected difference between the two sides that makes her lovable.

Next up, #2! The signature member of the "Why are you growing that way?" series, **Hamlet**!! The poor giraffe neck is trembling from supporting his weight. It's an absolute failure of biology, and yet his speech is very positive and princely. You gotta love this guy.

Lastly, #1!! The man with the lion on his tummy, **Holdem**! You might say that the entire reason I invented the Smile Fruits was to draw this man. A long time ago, there was a robot anime called *Future Robot Daltanious*. It had a lion robot and a human robot that fused together into a bigger robot with the lion's face on its chest!! When I was a kid, it was the coolest thing. I wanted the Chogokin figure so bad! And that desire led me to create this character here in my own story!! LOL. Oh, that reminds me that I also loved a centaur robot toy called DaiBajin. Maybe that's why I like Horselina so much? Basically, all Smile users are combining robots!! They're awesome!!

Q: What style of topknot is Kozuki Oden sporting? What's the name of it? Is it the "Perfect Fit for Wano Pillows" knot?

--Taro in the Dark

A: Perfect fit for Wano pillows? It's the other way around! Japanese culture can be such a funny thing. Do you know what pillows were like back in the days when people tied up their hair like that? Since the hair was tied on top, the pillows looked like this. In fact, I remember my grandma using one of them.

← Now, Oden originally looked like this in my planning sketches. The parts from top to bottom are a chewy konnyaku cake, hard-boiled egg, and ganmodoki tofu fritter, all ingredients in an oden hot-pot. Only the ganmodoki survived! In other words, this would be a "tremendously tasteful tofu topknot."

Q: A question for Odacchi… Or more accurately, a suggestion!! A while ago, you did an "SBS with the Voice Actors" series, where you took questions for the voice actors of the Straw Hats! Well, how about we bring that back for the newest member of the crew, Jinbe's actor Katsuhisa Hoki?

--Pitera

A: Ooh, that's good. That was a long time ago, LOL. It started with Luffy's Mayumi Tanaka in volume 52, and ended in volume 64, with the nine members of the crew at the time. So we're going to take questions for Jinbe's voice actor, **Katsuhisa Hoki!!** He's a classy, dandy gentleman, just like Jinbe! Ask him anything! And that's it for this volume's SBS! Next up, volume 100!!

Story

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!!

Luffy and crew join with Momonosuke's faction in order to defeat Kaido, one of the Four Emperors. With all the allies in place, the raid on Onigashima begins! As battles break out across the island, Kaido's daughter Yamato shows up and swears to fight on Luffy's side. The Akazaya samurai face off against Kaido on the roof of the castle but are broken by his overwhelming power. Big Mom joins with Kaido, and then Luffy's group reaches the roof, setting the stage. Luffy helps the Akazaya escape, then challenges Kaido and Big Mom! The good guys unleash combination attacks that seem to do damage, but the two emperors are enjoying the fight... Is it even possible to beat this ultimate alliance of pirates?!

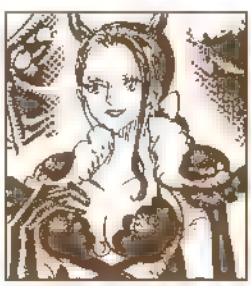
Q: Oda Sensei! There's a hot, stacked babe riding a UFO over there! Okay, now that he's gone, let's kick off the 100-volume milestone and start the SBS!!

--One Hundred

A: Aaaaah!!! ミ It started already!!!
Excuse me! You can't do this! I mean, you gotta let me have this one...right?! It's volume 100, you know?! Weez, weez . Also.. there was no hot stacked babe!!

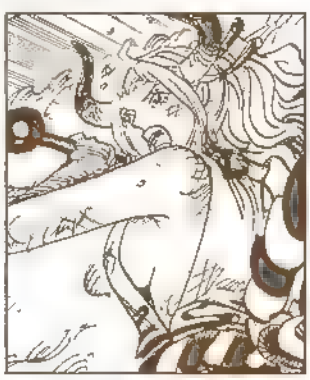
Q: You mentioned that you wanted the PTA to like you in volume 99. This obviously will never happen and it would be pointless to even try, so I think you should draw a personification of Robin's ππ please.



--Doctor Heart Starer

A: I will never!!! ミ And don't talk about BOOBS in volume 100!! Geez! Okay, all you folks who thought, "Maybe for volume 100, I'll try reading this SBS thing for the very first time"? Please believe me, it's not always like this. Next one is a serious comment!

Q: I was having sleepless nights wondering what the title of chapter 1000 would be. Initially I thought it would be an homage to chapter 100, but it turned out to be chapter 2. "Straw Hat Luffy." It gave me chills! That's a much better title than my idea, "Yamato's Side-boob."



--Wetty

A: I would never!! ミ Oh!! Sorry, I got a little out of sorts!! ミ Hmm, maybe I spoke too early about this comment. Wait a second, I think this next person is going to help fix up this segment!

Q: I'm very worried about the direction this segment is going. So let me straighten things out!

I would like to engage in close contact with Nami!

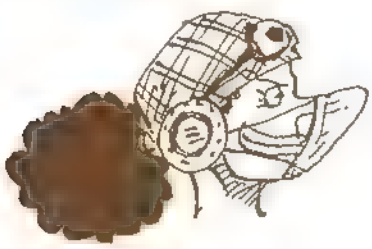
Q: If Usopp wore a mask that covered his nose too, what would it look like?

--Heraclesun



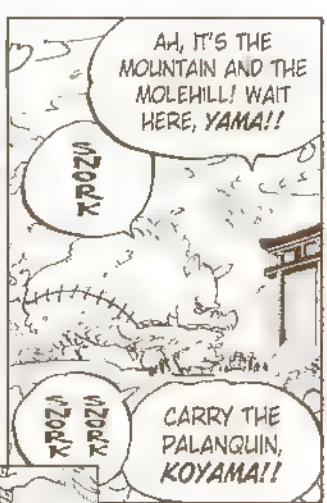
A: Here. Thanks for the postcard. He looks like this.

Q: Heya, Odacchi. Boss Jimbei's entrance to the crew was so awesome. I have a question about chapter 976, "Begging Your Pardon!!!" I was listening to a Best-of CD of period piece theme songs, and I heard the same phrase in the theme of an old '60s show called *Tenamonya Sandogasa.* Is that where you got it from?!

--Pay-Pay

A: Well, you didn't write your age on this letter, but you've got old school taste! Just like me when I was young, LOL Actually, there are a bunch of scenes in samurai movies and old-fashioned yakuza movies that begin with that phrase, "Begging your pardon!!" It's basically just a traditional yakuza greeting It's kind of like introducing yourself and saying, "I'm so-and-so, and I was born in so-and-so town." This is called upholding *jingi*, the code of the yakuza

Q: Hi, Odacchi! On page 173 of volume 95, the one they're calling "Yama" is the giant boar that was the god of the mountain, right? I thought Oden sliced it in two, but it seems fine here. I was really happy to see it alive. Does Wano have some kind of miraculous medical technology?



--Zigzag Shopkeep Who Loves Sanji

A: That's right. The boar is just fine. Haven't you ever heard about arms being severed so cleanly that you can just stitch them back together and they reattach? That's basically it. Oden cut the mountain god so cleanly that it attached back together!! Nice job!! And Koyama was the name of that little piglet, the one they kidnapped earlier.

SBS Question Corner

(Marimocchi, Kanagawa)

Q: Are Ulti and Page One actual siblings? I know that sometimes, fellow apprentices will call one another "Sister" or "Brother" out of respect, and they don't look that alike, so I was curious! I love the Ulti-Paypay siblings!♡♡

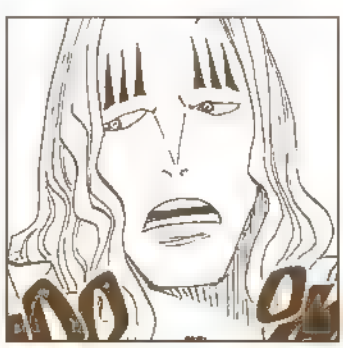
--Don (20s)

A: Yes, they are actual brother and sister. Their father was a pirate, and after he died, his rival Kaido took them in, or so they've heard. Ulti has always been clever, and she stole two of Kaido's Devil Fruits, which is how she and Page One got their powers. That gave them the strength to thrive in this "survival of the fittest" pirate crew, and helped them claw their way up to the rank of Tobi Roppo.

Q: Question, Odacchi!! Which of the following explains what's going on with Basil Hawkins' eyebrows?!

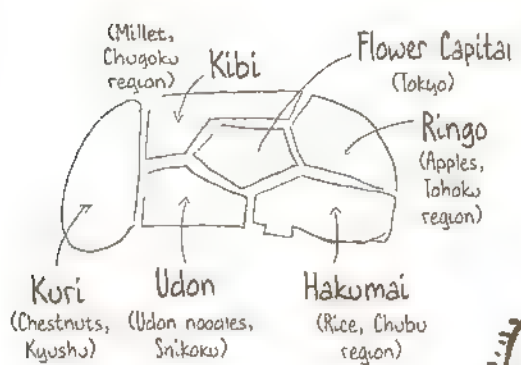
1. He was born like that
2. He drew them on
3. They're super thick and he shaved them
4. He lost a bet

I love Hawkins' eyebrows!!



--Yashirai

A: Um, it's actually 5. Each triangle is one eyebrow hair. That means Hawkins has six eyebrow hairs.



Q: Mr. Oda!! Did you base the regions of Wano on these concepts of food and where they come from in Japan?

-Captain Shunya

A: Yes, that's right! The names are homophones of types of food, and the regions are based on different areas of the islands of Japan. Originally my arrangement was like this. Onigashima was going to represent Hokkaido, but for story reasons, I moved it to where it is now.

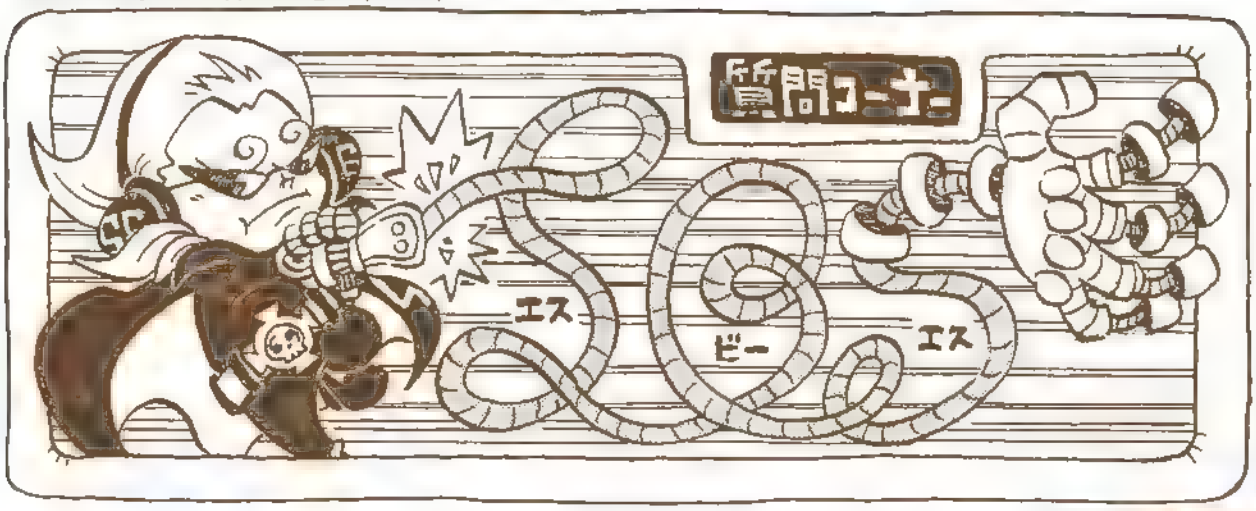
SBS Question Corner



(I ♡ OP, Ishikawa)

Q: Question for Oda Sensei! On page 33 of volume 95 of *One Piece*, is that person in Rasetsu Town…actually Shinobu without her makeup on?

--Yamatoro

A: Wow, good catch! And hey, that's really rude to Shinobu! That's actually her older brother. His name is Shinosuke. After Shinobu left the Oniwabanshu, she became a "nuke-nin," meaning her life was danger from her former colleagues. As a caring brother, he became a nuke-nin too, and serves as a Kozuki samurai, protecting Shinobu from the shadows.

Q: When he comes across those "I'm not a robot" captcha tests, does Franky click on the box?

--Takataka

A: Well, he's a cyborg, not a robot, so..... huh?⬆

Q: Oda Sensei! Can you please explain the strength and importance of the different Cipher Pols?! I think the strongest is CP0 and then it goes CP9, CP8, CP7, and so on… Is that right? Also, this guy sucks, but can you put him in CP0 please? ➡

--Boy Who Thinks Wapol Is Hilarious

A: First off, I'm going to ignore Six King Pistol there.
Cipher Pol is a spy agency. They do dirty government work in the shadows. The public only knows about CP1 through CP8. The higher the number gets, the more important the duties. The legendary CP9, which officially does not exist, is a group of assassins given the right to eliminate those the government finds inconvenient. CP0 (Cipher Pol "Aigis" Zero) is on a different level entirely. They offer personal protection to Celestial Dragons and act on their orders, so they are the strongest of all. That means Mr. Six King Pistol cannot join. Please get out of here.

Q. In kindergarten we like to pretend fight with Paradise Waterfall and Divine Departure. Will I get stronger this way?

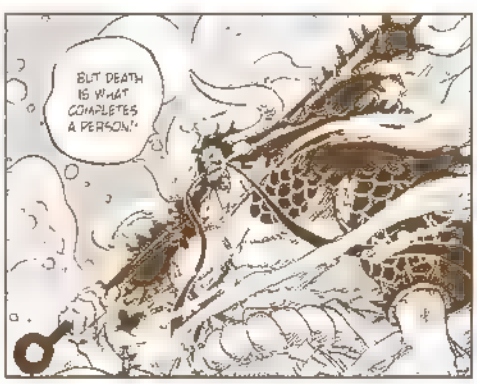
Hey! Take it easy with that Supreme King Haki!

Q: Heso, Odacchi! Here's a question! Does Kaido's club have a name?! And if it were personified in human form, how cool would it be?!
--Takase



A: Here we go. It's that thing I'm really good at! You wanna see it, huh? First of all, the club's name is Hassaikai. It refers to the Eight Precepts of Buddhism. The club doesn't have any special rank as a weapon, but if it ever passes out of Kaido's hands, it'll be considered a legend, I'm sure. Now, check out its personification! It makes Kaido even scarier, doesn't it?!

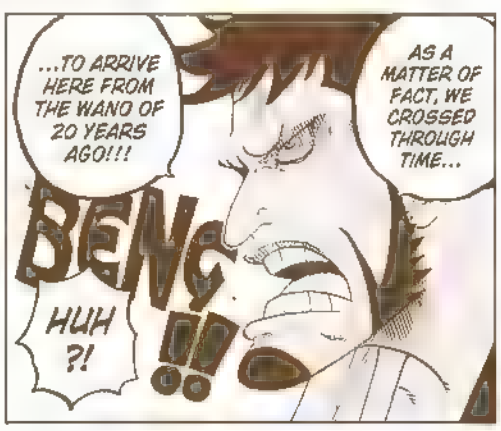
Q: Hello! I love history, and I've found fascinating things to get obsessed about in not just the Edo period, but also the Heian and Taisho eras. If I could travel in time, I would love to visit those periods. What about you, Sensei? What time period would you go to?

--Momoka Amegiri



A: Meaning, if I could go to the past? So like, I could see samurai? And oiran?! I love samurai stories too, of course. On the other hand, if you get a cavity, they don't have anesthetic. That trip to the dentist is gonna hurt bad. So if I could actually time travel, I would choose... the future! (LOL)

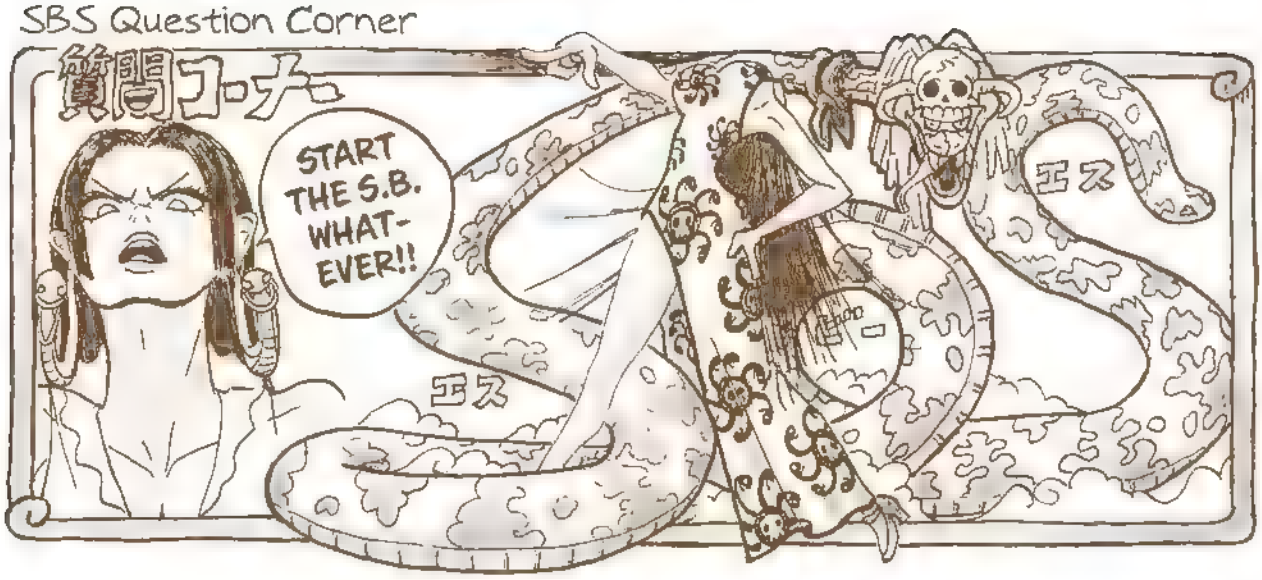
SBS Question Corner



(Igarashi, Oda)

Q: So, I've been reading since the very first volume, and I'm just wondering, when are we going to get to the part about Odacchi's weiner?

--Interdimensional Pork Ribs

A: Never!! ミ

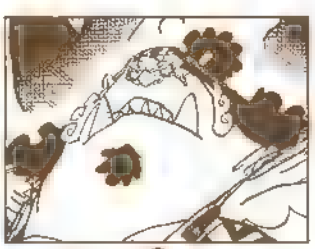
Q: Is it just me, or does Black Maria's transformation kind of look like Smile fruit powers?

--Ebi

A: I get what you mean! Yes, the man-beast form of previous zoans haven't had two heads, and her arms should be all spidery too. But the thing is, there's no definitive style to them. People have some level of control over their transformations, like Chopper and his many forms. I'm sure Miss Black Maria just couldn't stand the thought of looking like a freaky spider-woman like this and used some drugs or something to tweak her point of transformation. ⬅

Q: I have been waiting ten years for Jimbei to join the Straw Hat Crew. I drew this mark because I have always admired him. Please make this Jimbei's mark!

--Joshua H.



A: Oooh! That's really cool!! Man, I wish I could just use that as it is!! But there are certain rules for how the individual crewmates' Jolly Rogers look, so do you mind if I rearrange it to look like this? ⬆

Let's make your idea official, Joshua!!

And now, that's the end of the SBS for volume 100! We're still taking questions for Jimbei's voice actor, Katsuhisa Hoki! See you next volume!!

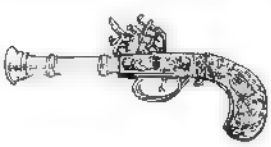
-Eiichiro Oda, 2021



Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Chapter 1000!!

Let me tell ya, too many things have happened over the past 23 years. Half of my life spent doing a weekly series. Hah! Luffy and the crew have sailed to a number of islands and had a number of adventures. I don't even know how many people they've met by now! Behind the scenes, I've met many people too. I've been kept afloat by so many different people, but especially by my family. I'm so eternally grateful to so many. All the readers have their own busy lives, of course, and there's a theory in long-term entertainment that your audience changes out every five years. So that's why I try not to call my readers "fans." I told myself, all of these people are going to leave someday. Don't be arrogant. But you folks believe in Luffy so much, it almost makes me ashamed to have thought that way. And I've believed in you, and simply drawn the manga I want to make. At this point in the adventure, we've got one foot in the final act of the story. We've come to Chapter 1000. But there are some incredible stories that can only be told because you've been going for 1,000 chapters! It's true!! So here's a message to all of you *One Piece* fans around the world who've been with me over the years! It's been a very long story, but please stick with us just a bit longer, to see where Luffy and crew's adventure is going to take them!!

Story

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!

Luffy and crew join with Momonosuke's faction in order to defeat Kaido, one of the Four Emperors. With all the allies in place, the raid on Onigashima begins! As battles break out across the island, Kaido's daughter Yamato shows up and swears to fight on Luffy's side. On the roof of the castle, Luffy squares off with Kaido!! But the wall of the Emperor's strength is too high to scale, and Luffy falls in battle. His friends and companions hear of his defeat, but fight on, faithful that he will be back. With Momonosuke's help, he sends a message of hope! As morale soars, Yamato and Kaido face off to settle a family score...

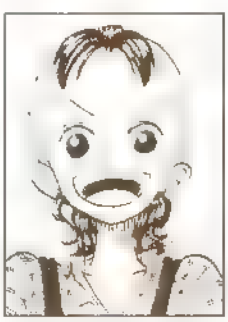
"Hahhhhohheffeeeheff!"

--Kei

A: Hmm? What an interesting idea for a game. I have no idea what the answer is, though. Oh! It's written on the back... Apparently, the answer is "Start the SBS." Ahh, very clever.
Hey, you just started it without me!!!

Q: Hello, Mr. Oda. I'm sure that many fans of *One Piece* are on the younger side, but there are also plenty of housewives who read your work when they're not wondering what to cook for dinner tonight. Do you think it would be all right to create a housewife fan club for the series?

--Hitonatsu



A Please, go right ahead! Here, have a cushion to sit on. Just relax and make yourself at home. Believe me when I say that One Piece is extremely welcoming to all women, especially those on the PTA.♡

Q Hello, Odacchi!! It's my lifelong dream to get "Clutched" by Robin. Do you think there's any way you could ask her to use Clutch on me??

--Girl Who Loves Robin

A. Whoa, whoa, whoa! Hold your horses, girl! Can you tone it down just a bit?! All the housewives-hay are here today! Be cool!

Q Hi, Odacchi! The SBS has been really off the rails lately, so I'd like to suggest a different name for the books' bonus materials. We'll call it the

S (Sensually) E (Erotic) S (Sexytime) segment!

--Kanikama

A: Sounds good!! No it doesn't!!

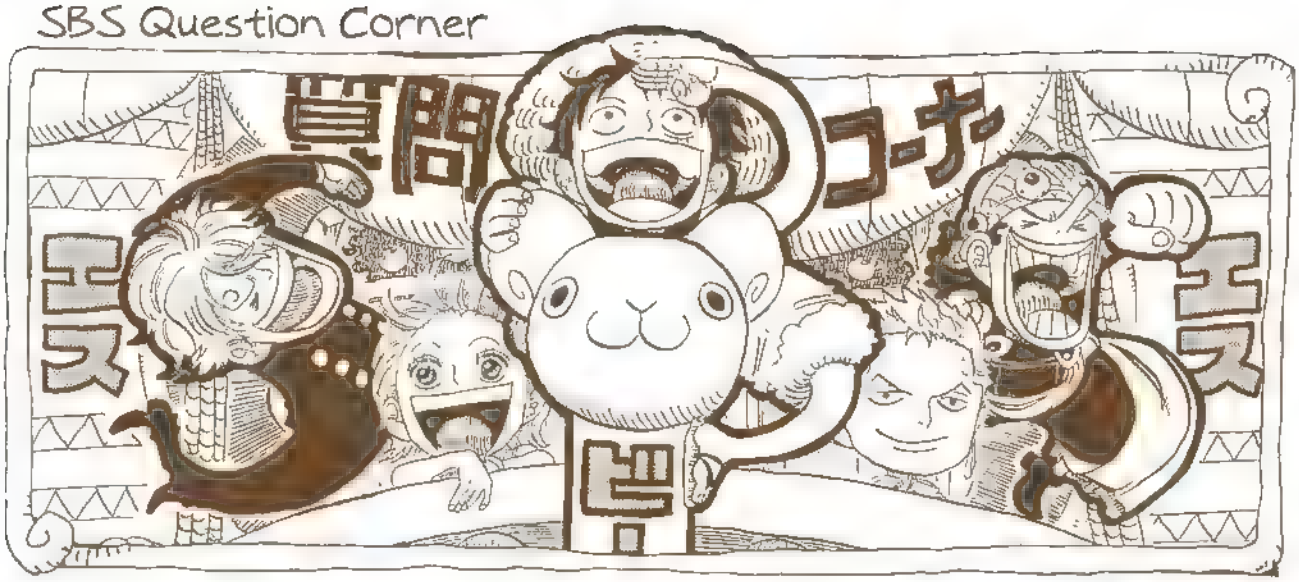
SBS Question Corner



(Hamane, Kanagawa)

Q: Odacchi! I want to ask for Three-man's hand in marriage!
--Ryokuchako

A: You have my blessing!

Q: If I were Akainu, this is what I would say.
Do not tolerate perversion!! Destroy Sanada!!!
--Captain Nobuo

A: Yes! Right on, man! That's right, you tell that pervert! Don't worry, we're safe this time! I'm not putting his comments in the SBS. I've locked the doors to the SBS hall and placed 500 security guards around the building. Enjoy your peaceful, wholesome SBS, everyone!!

Q: Hello, Mr. Oda. I'm new to *One Piece,* having started watching it when it was airing on YouTube, and now I look forward to it every week. When visiting Tsujimura Sensei's puppet-making instructional class, I got to see his *One Piece* collaboration work. Now I make my own dolls and puppets, dreaming of a chance to make an Akazaya Nine puppet play, just like his *Shin Hakkenden* and *Sanada Juyushi* shows.
--Tsuki-san

A: Wow, so you got to attend Jusaburo Tsujimura's puppet-making class? No wonder your puppets are just my type! You're speaking, of course, of the legendary puppet maker whom I spoke with in the second *Color Walk Compendium.* I designed the samurai of Wano to look like Tsujimura Sensei's puppets, so this is like a wonderful reverse importation of that inspiration. You can see Tsuki-san's puppets on YouTube by searching for "Make a ONEPIECE figure" (exactly like that, in quotes). That's so cool. I love them! Good luck!

Q: Hi, Odacchi! I know there are lots of theorycrafting YouTubers for *One Piece* out there. Do you ever check out their channels? No true *One Piece* fan is a bad person!! (LOL)

--Massun

A: I know they exist, and I've seen various videos. It always amazes me how much people know. I don't watch the theory videos, because they'll accurately predict the future story, ha ha. It's dangerous for me to consider those people my primary readership, because there are tons of folks out there who are light, casual readers only. I have to draw a One Piece that appeals to everyone, so when I see people who understand every subtle detail about the story, it'll make me lazy and think, "Oh, I don't need to spend time explaining this, everyone already gets it." My point is, I won't be watching and judging all your videos, so go ahead and have fun with them. Oh, and we've got an official (Japanese) YouTube channel now with some theory videos, so check them out if you want.

Q: Hello, Odacchi!! Since you showed us Kaido's club personified and gave us its name, how about Yamato's club next?!!

--Kota

A: I'm good at this! The club's name is Takeru.

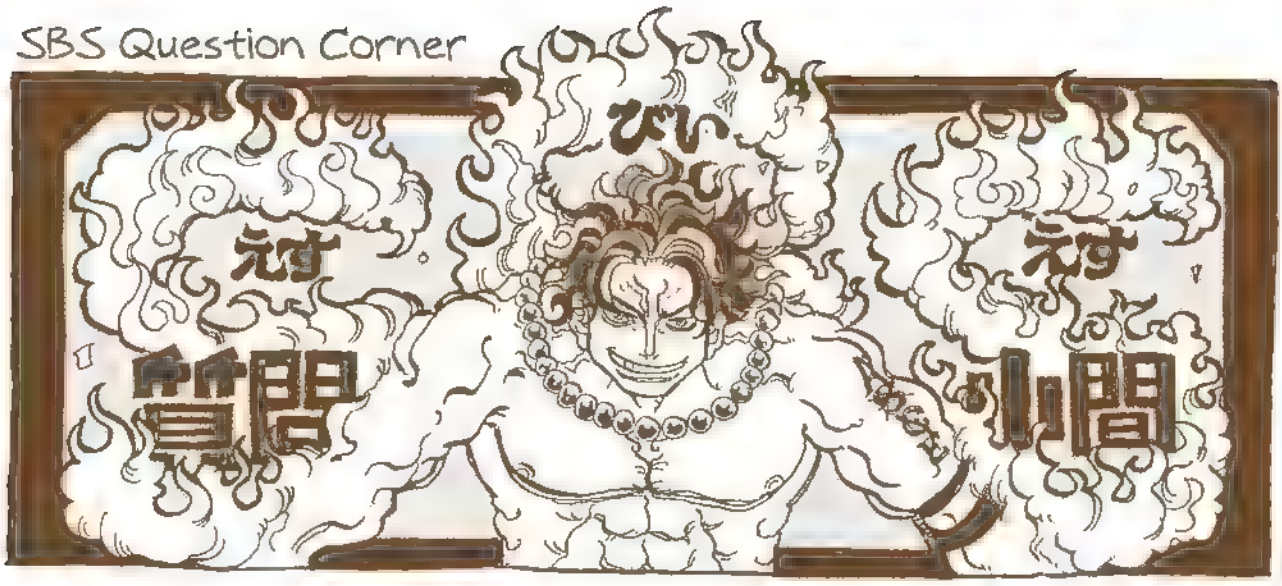
SBS Question Corner



(Hamane, Kanagawa)

Q: Hi, Oda Sensei. Here's my question: what are the names of the Red Haired Pirates aside from Lucky Roux, Benn Beckman, Yasopp, and Rockstar?

--Loves Rabbits

A: The Red-Haired Pirates are quite a big team once you include all the allied crews under their wing. The folks who showed up at the Paramount War are the main officers of the crew. They're the ones who know Luffy

Shanks | Benn Beckman | Lucky Roux | Yasopp

Lime Juice | Bonk Punch | Monster | Building Snake | Hongo | Howling Gabu | Rockstar

Rockstar is a very capable member of the crew, but he's not an officer.

Q. Fwafwafwah!!! Odacchi, I like Killer as a guy who laughs a lot, but if the fruit hadn't failed, what kind of Smile powers would he have received?

--420 Land

A: Oh, that's a fun question. Lots of those Smile Fruit users, it's hard to tell whether the power was an improvement or a drawback! Let's give this a shot! What would happen if Killer won Smile Fruit powers?! It looks liiike... I dunno...!!

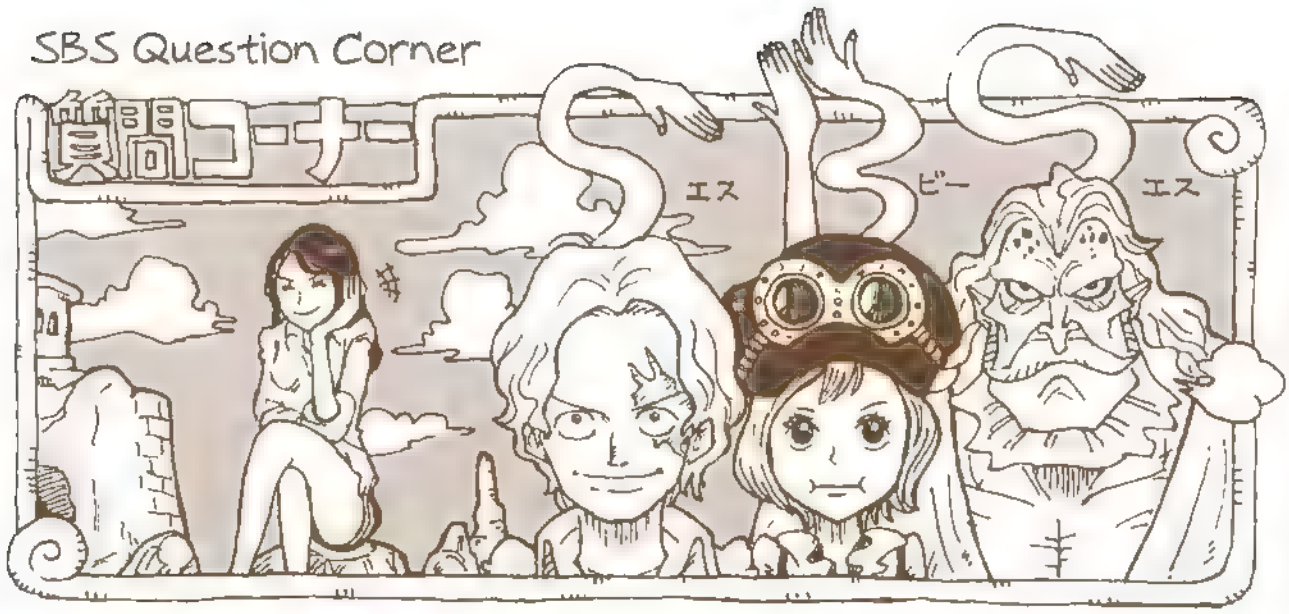
SBS Question Corner



(Buchonosuke, Tochigi)

Q: Tell us what Page One considers to be Ulti's least objectionable vocal tic, and her number-one worst!!

--Runa

A: Well, they've been together for a long time, and from the sound of it, she's gone through many different phases, constantly trying out different accents, dialects and catchphrases. Just a small sampling: "prithee," "you betcha," "matcha," "potato," "believe it," "pachycephalo," "ti," "roppo," "desu"... There's no end to them. According to Page One, the worst was when she ended every sentence in "dragon." There is no best, they're all bad.

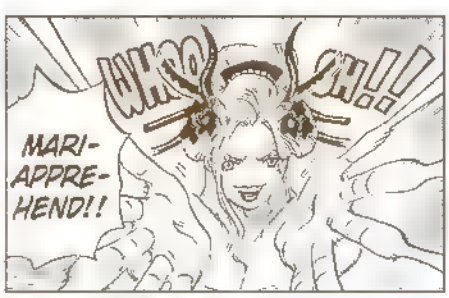
Q: Hello, Oda Sensei. Why does the *One Piece* logo have an X through the O? I get that it's supposed to be a Jolly Roger, but I was just curious why the insistence on that.

--Old Man's Personification

A: It's for fun!! Anyway, who cares about this question, I wanna know more about this weird thing in the corner of your postcard! It says "Doflapple"! "By Big Sis"! Hey, your big sister doodled on your letter! LOL, Doflapple rules!

Q: Hi, Odacchi!! I am both Mari-honored and Mari-appreciative to be featured in the fabled SBS segment!! By the way, may I ask why all of Black Maria's attack names are so exquisitely cheesy?

--Yofshof



A: Are you not a fan? Did you wish she'd fight and remain just as cool as ever? But remember what I said before: isn't her corny weak point the part you love about her the most? LOL.

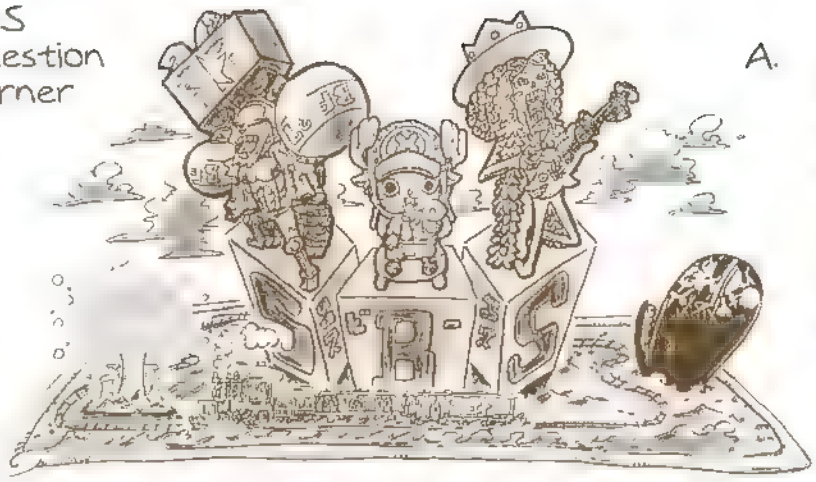
SBS Question Corner

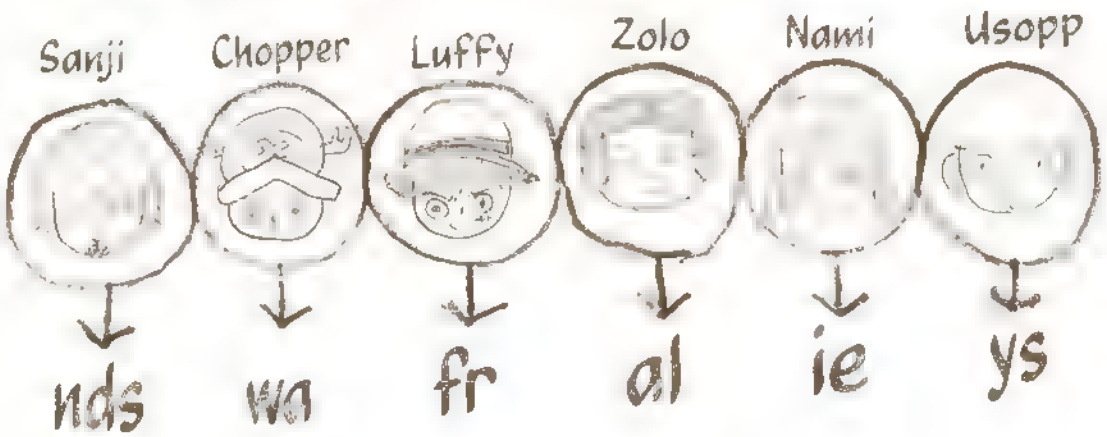
(420 Land, Hong Kong)



A. Hi! Here's a puzzle from Mii!! I couldn't figure it out myself, so I'll give you a hint. You should be able to get it by thinking of a very famous scene. The answer's at the bottom!!

Reveal the message! Straw Hat Anagram

Huh? The Straw Hats are standing in a line with big signs. But it's only some of them. And because they're out of order, it's hard to tell what the message is! Luffy says, "If you put us in order, you can see a message meant for someone specific." Let's rearrange them to reveal the message!



Hint 1... Where were these six people adventuring together?

Hint 2... The message will be clear if you put them in an order they appear in the scene in question.

Bepo

Mii

Sorry for my bad art

Answer: "Always friends." The order they stand in the climactic scene of Volume 23 (Viv's Adventure) is Zolo, Chopper, Usopp, Luffy, Nami, Sanji, from left to right.

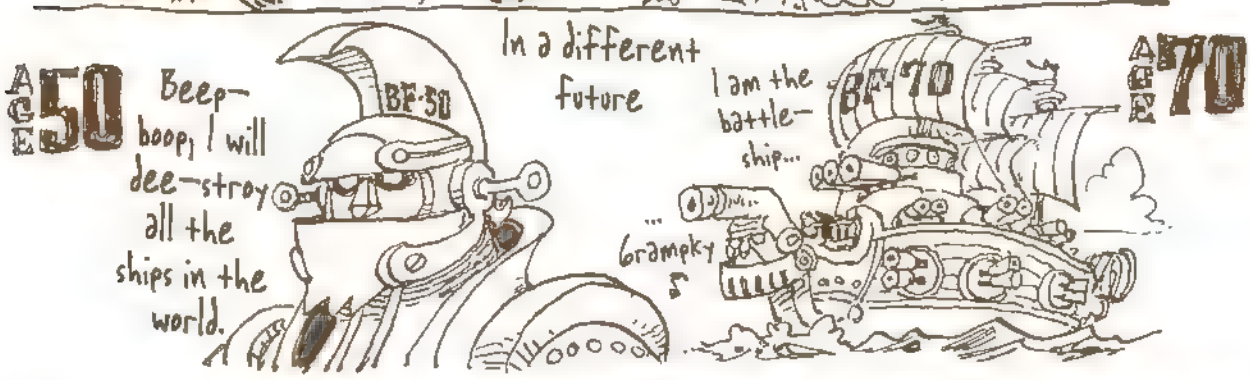
Q: Mr. Oda, please show us what happens to Franky at age 40 and 60, and his alternate universe counterparts. --Love Nami

A: Well, Franky's already 36, so I'll do 50 and 70 instead.



Q: When Robin does her Gigante Fleur technique, what are those weird patterns on her chest? I was looking forward to that… It's only the second time in my life I've been so outraged. You're in trouble, mister.

--Nikuchiki

A: W-wow, he's so mad!! I guess the first time was when Black Maria put the wrap around her torso, huh... Anyway, I received many angry letters about this. First of all, let me preface this by explaining that Black Maria's top was spider silk. As for Robin... Clothes aren't part of Robin's body, so she can't replicate them too, and I kind of figured, at that size, she's probably not going to expend extra energy on fashioning some kind of fake clothing. On the other hand, this is still a shonen manga for kids, and that would be crossing the line. So me and Robin put our heads together and came up with that pattern as a solution! What is it, anyway? I look forward to your answers through the SBS! What is that stuff?!

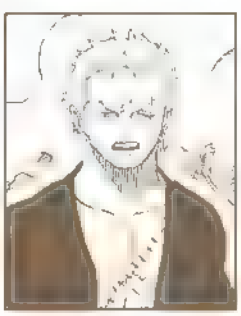
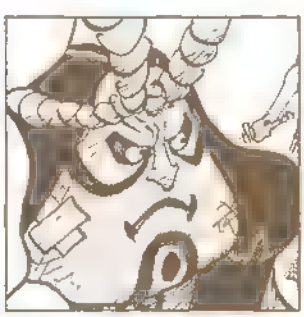
Q: Mr. Eiichiro Oda, I have perused chapter 1024 with great interest. Is it possible that the samurai who styles himself "So-and-So" is none other than Sir Zolo's father?

--Roromiki



A: I had many questions about Mr. "So-and-So." While I hate to reveal his name after he chose to hide it, many people guessed the answer right, so I'll tell you now. These three are actually the daimyo of the provinces that fell to Kaido

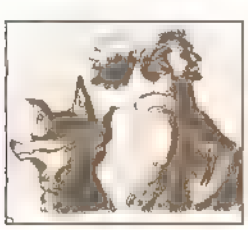
Daimyo of Ringo, Shimotsuki Ushimaru



Daimyo of Kibi, Fugetsu Omusubi

Daimyo of Udon, Uzuki Tempura

After Oden's death, they marshalled their forces to strike down Orochi, but were defeated by the Animal Kingdom Pirates. Shimotsuki Ushimaru made a great duo with the fox Onimaru. When Onimaru was stealing Shusui away from Zolo, I had a scene where he was shocked at how much Zolo looked like a young Ushimaru, but I ended up cutting the scene because it was too complicated I might not reveal it in the main story, anyway So to answer your question, Ushimaru is not Zolo's father. I didn't put their names into the manga so I'm listing them here, but I'm still debating whether or not to say more about Ushimaru's bloodline, so I'll hold off on any further comment. They do look alike, don't they?



Q: I was calculating the size of Shirahoshi's boobies based on my figurines, and found that they are roughly the size of a small car. Now when I'm driving around, all I see are Shirahoshi's boobies! Please help me.

--Sanadacchi

A: Sanadaaaa!!! I'm ending this SBS!! That question didn't happen!! Look what you made me do!! We're done here!! Enjoy the rest of the volume!!

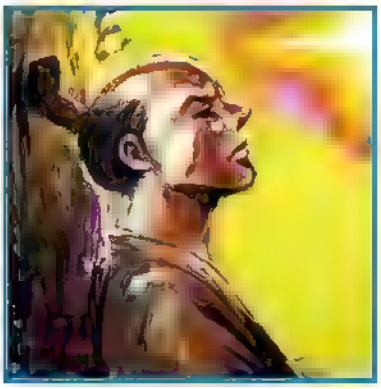
TO BE CONTINUED IN ONE PIECE VOL 102



尾田栄一郎

I'd like to talk about one of my favorite little stories from the classic piece of Japanese literature, *Tsurezure-gusa*. Long ago, there was a master tree climber. He would silently watch his apprentice climb, and only when the younger man was one step away from the ground again would he say, "Be careful." What a deep story!! People get themselves hurt when they take their safety for granted. As an adult, you'll see this play out often. But the one thing I've never seen in all my life is **a master tree climber.**
Okay! Let's not take volume 101 for granted!!
Here it comes!!!

-Eiichiro Oda, 2021

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Volume 100!!

It's been 100 volumes, everyone. The bookshelf is packed with 100 volumes of One Piece!! Sorry, folks. It's taking up too much space from all of you who are kind enough to keep around every volume! Even though you've got other books to store too! I get it!! But from my perspective, that's the entirety of my life, right there. And that's it?! A grown man, spending every single day drawing for hours on end, for 24 years! And that's all it amounts to?!

However. The real size of the story is determined by the imagination of the reader. What do you think? Is it huge? Is it tiny? This is a world created by our wild fantasies, yours and mine! The story's in its final stage. And I will use all of my strength to guide you through this world until we reach the final day. One hundred volumes to serve as the entrance into the world of a select group of pirates. If you would be so kind, please keep these around in your room. The adventure will only get hotter from here! And I hope you enjoy the volume 100 Party that people are putting together to celebrate this milestone!!

Story

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!!

Luffy and crew join with Momonosuke's faction in order to defeat Kaido, one of the Four Emperors. With all the allies in place, the raid on Onigashima begins!! As battles break out across the island, Kaido's daughter Yamato shows up and swears to fight on Luffy's side. On the roof of the castle, Luffy squares off with Kaido!! But the wall of the Emperor's strength is too high to scale, and Luffy falls in battle. His friends and companions, believing in his return, fight and defeat the Toki Roppo! Luffy reappears at last, along with Momonosuke in dragon form, and heads for the roof to fight Kaido again. Kaido and Yamato are in the midst of a family duel and just as Yamato is being overpowered, Luffy arrives!!

SBS Question Corner

(Takahisa Fujimoto, Nara)

Q: C'mon, guys! We have to let Odacchi say "Start the SBS" every now and then! Go on, Odacchi!

(0.1 seconds later) Well, you heard him! The SBS has started already!!

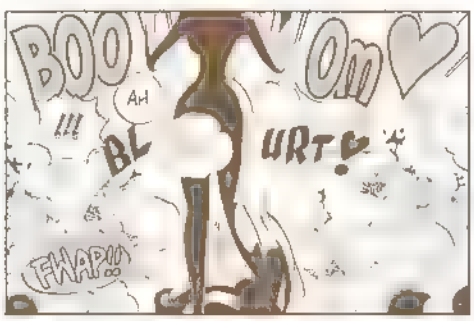
--SumitaroYato

A: S...!! It's already started!! I can't do this in just 0.1 seconds!!

Q: I want a Happiness Punch figure.

--Captain Nobuo

A: You shut up!! What kind of leadoff question is this?! That one's off-limits, because you can turn figures around 360 degrees!!



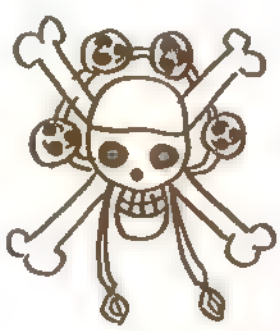
Q: 
(If Luffy and Kid and Law played rock-paper-scissors who would win? Would Luffy win because he can see the future?)

--Taisei (Age 6, the oldest)

A: Wow. This is a great question! Yes, Luffy might win, because he can see the future! But Luffy doesn't like cheating, so I don't think he'll look into the future. And those three are always arguing, so whoever wins, they're going to fight about it!

Q: Oda Sensei, heso! If Eneru became a pirate down on the Blue Sea, what sort of Jolly Roger would he fly? I'm so curious. Like this? ➡

--Shiba



A: Oh, sure. Let's go with that.

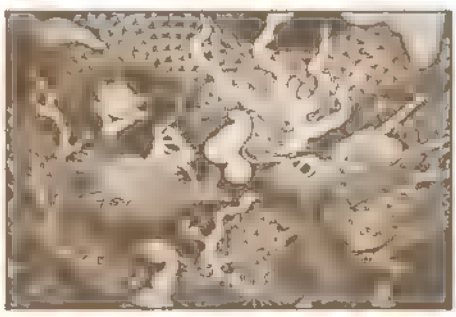
(Kentaro Ito, Gifu)

Q: The scene where Dragon Momo faces off against Dragon Kaido was so stunning and exhilarating!!! Was it based on the painting of twin dragons featured at Kennin-ji Temple, which you mentioned visiting for reference before?

--Tsubocchi

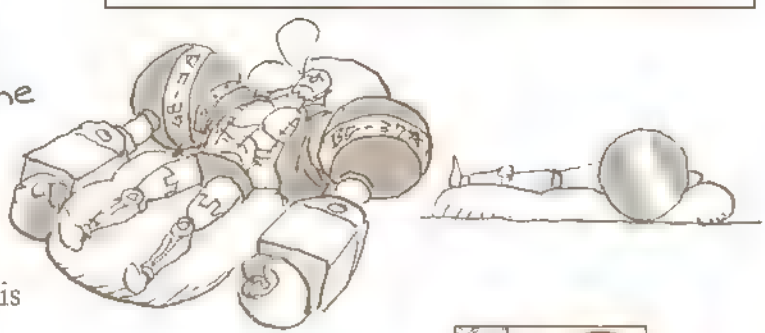


A: That's right. I went to Kyoto before we started the Wano story. I got to see this painting in person. It's a huge thing right on the ceiling, with two gigantic dragons. It totally blew me away. I knew right then and there that I had to draw it!

Q: How does Franky sleep?

--Born on New Year's

A: Thank you for the diagram, LOL. No, Franky's just fine. He deploys a cushion called the "Franky Air Bag" from the back of his head and waist, so he can sleep in comfort wherever he wants.



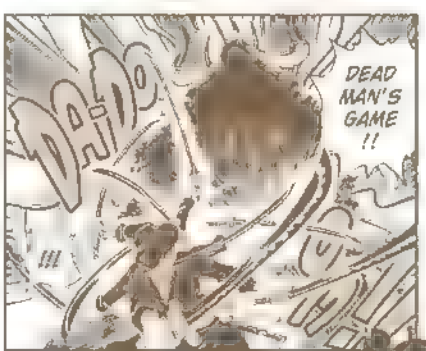
Q: Are those lines on Franky's arms his arm hair?

--Takataka

A: It's arm hair.

Q: In chapter 1010, Zolo uses the technique "Nine-Sword Style, Asura Blades Drawn, Dead Man's Game." Did that come from the Rakugo story called "Eight Views of Hell, Dead Man's Game"?

--Keima



A: That's right! It's another Rakugo reference. Yeah, I know you guys don't usually listen to them! But the title is cool, right?! This story is a famous specialty of Master Beicho Katsura, and it's about going on a sightseeing tourist trip in Hell. It's quite funny

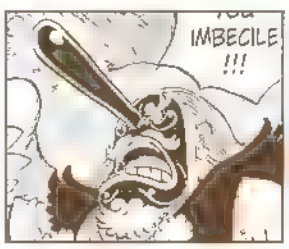
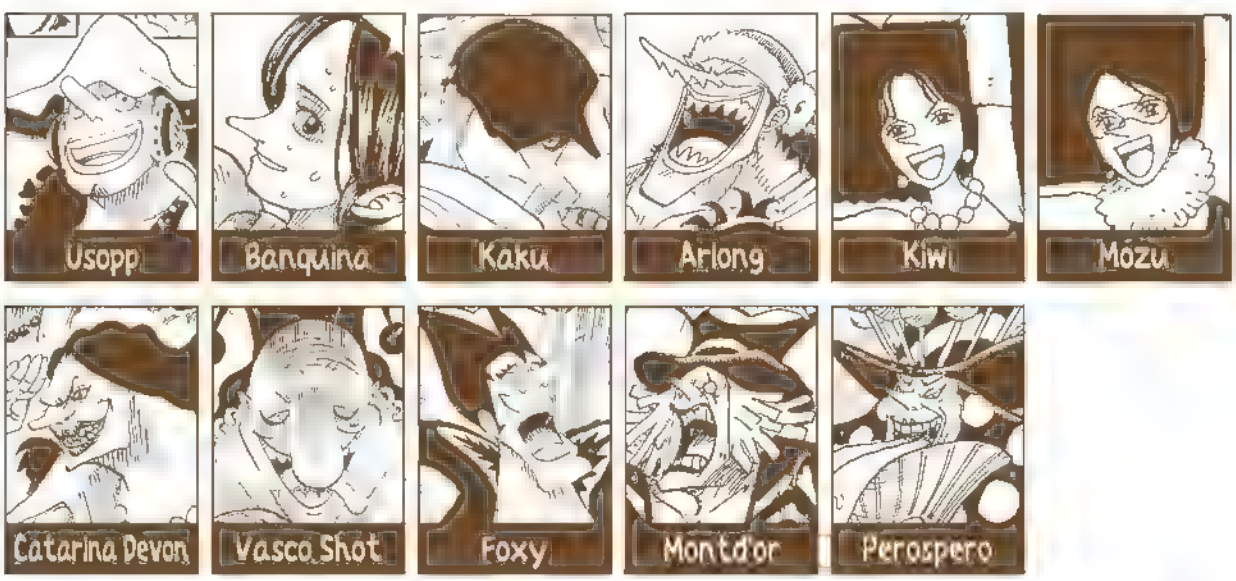
Q: Heso, Oda Sensei! My nose has grown every time I tell a lie for years, but I still haven't gotten it as long as Usopp's! With that said, please tell us the Top Five Longest Noses and Usopp's nose length too!!

--Toy Bakery



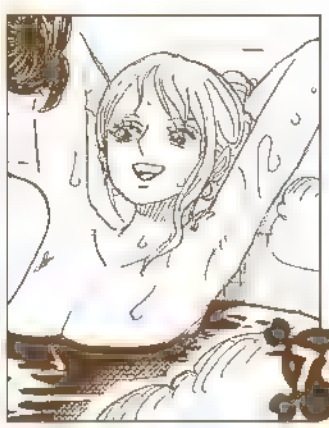
A: Interesting. You gave me a list of long-nosed characters from the series, but I'm going to exclude Tenguyama Hitetsu and the giants.



Starting from number five! It's Kaku! Next in fourth, Usopp!! Hmm, too bad. He just can't make up for the gap in height and facial size with some of these others! And since you asked, Usopp's nose is 51 inches! In third, Catarina Devon! Number Two is Arlong! And our long-nose champion is... Vasco Shot!! The world is a vast place. I wonder if we'll meet someone who will set a new record!!

Q: I would like to be Onami's follower. So may I have those two large millet dumplings hanging from Onami's chest?

--Sanadacchi



A: Oh, it's you, Sanada. What's that? You want millet dumplings? From Onami's... chest... Get out of here!!!ミ

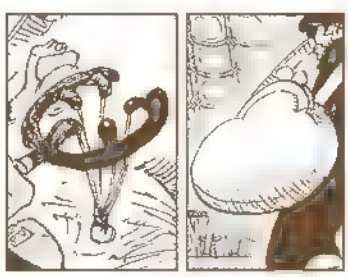
(Hoya, Tokyo)

Q: Please draw the personified versions of Usopp's Black Kabuto and his wide mouth *(gamaguchi)* bag.

New Sniper King



A: Okay, sure.

Q: Hello, Odacchi! I want to ask something I've always been curious about. Where did Luffy first hear about the King of the Pirates?

--Masazo

A: He heard that term from Shanks. Of course, Shanks didn't tell Luffy that he was actually on the King of the Pirates' ship. Before meeting Shanks, Garp told Luffy to grow up and join the Navy, but Luffy always wanted to be free and go on adventures, so he felt some resistance to that idea

Q: Hi, Odacchi! Based on the cover for chapter 1031, should I assume that the No. 2 of the Heart Pirates is Bepo?! This is a surprise to me, because I always assumed it was Penguin, Shachi, and Bepo all together! Is it because Bepo (as Sulong) is the strongest of the three?

--Pudding-ya

A: That illustration isn't a depiction of the "first mates" of their crews or anything like that (even Zolo). I just decided to pick out some of the No. 2s in the series. Normally Shachi and Penguin would be more reliable leaders, but they've seen Bepo in his Sulong form, and they know they can't beat him.

SBS Question Corner (Kaiden, Miyagi)

Q: Kid and Killer are so awesome! You've drawn other members of the Kid Pirates here and there too. Can you give us their names?

--Kotaro

A: Sure. These are just my original rough sketches, and it's not even all of them. There are 31 members of the Kid Pirates. You don't have to memorize these!

THE BLACKSMITH SHIMOTSUKI KOZABURO.
...WERE BOTH CRAFTED BY THE SAME MAN!!

HE BROKE THE LAWS AND LEFT THIS LAND OVER 50 YEARS AGO.
THE BLACKSMITH SHIMOTSUKI KOZABURO.
IT WASN'T UNTIL THE DAY HE DIED THAT I LEARNED HE WAS KUINA'S GRANDPA.

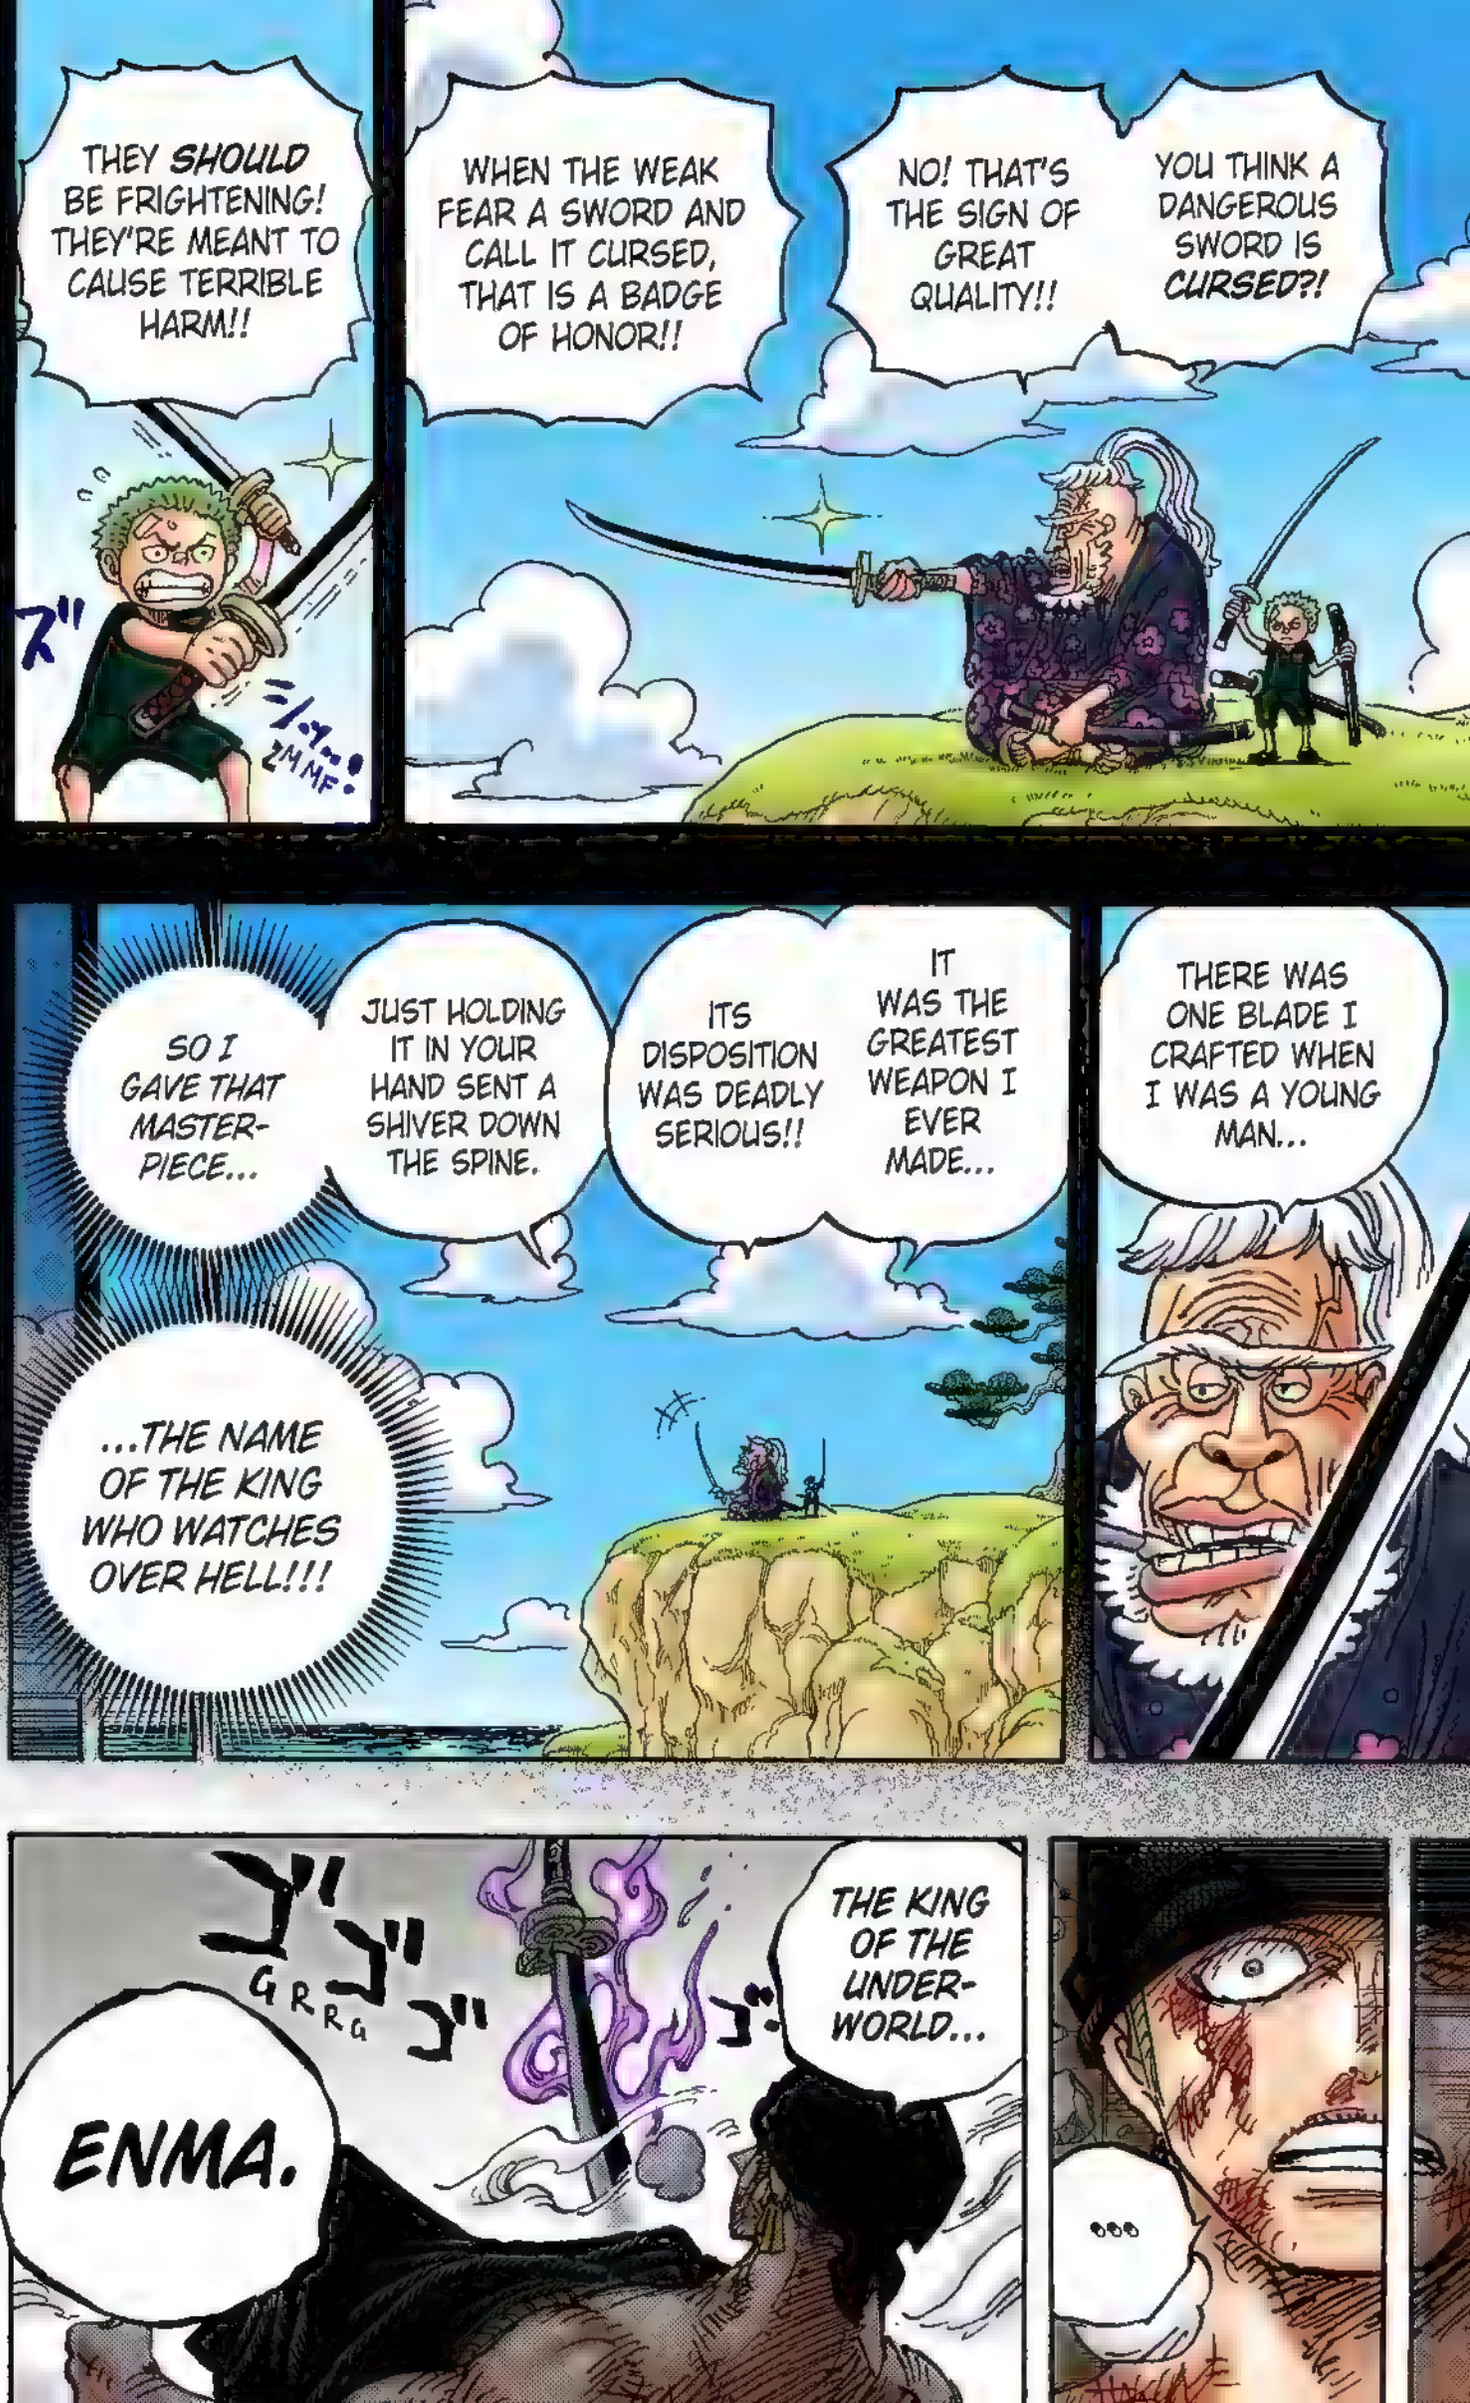
IS THE DOJO BORING TO YOU?
YIKES...!!
AND A BLACK-SMITH HONES HIS CRAFT SO THAT HIS WEAPONS ARE BETTER AT KILLING THAN ANY OTHER!!
LISTEN CLOSELY. A SWORD'S LIKE A KITCHEN KNIFE, BUT FOR MURDER!! THEY'RE CREATED TO KILL PEOPLE!!
IT'S THE ONLY THING I SEEM TO BE ABLE TO FORGE ANYMORE...
USE 'EM FOR PRACTICE IF YOU WANT...
A SWORDSMAN MUST MASTER IT, AND BEND IT TO HIS WILL!!
A SWORD HAS ITS OWN PERSONAL-ITY...



THEY SHOULD BE FRIGHTENING! THEY'RE MEANT TO CAUSE TERRIBLE HARM!!
WHEN THE WEAK FEAR A SWORD AND CALL IT CURSED, THAT IS A BADGE OF HONOR!!
NO! THAT'S THE SIGN OF GREAT QUALITY!!
YOU THINK A DANGEROUS SWORD IS CURSED?!
SO I GAVE THAT MASTER-PIECE...
JUST HOLDING IT IN YOUR HAND SENT A SHIVER DOWN THE SPINE.
ITS DISPOSITION WAS DEADLY SERIOUS!!
IT WAS THE GREATEST WEAPON I EVER MADE...
THERE WAS ONE BLADE I CRAFTED WHEN I WAS A YOUNG MAN...

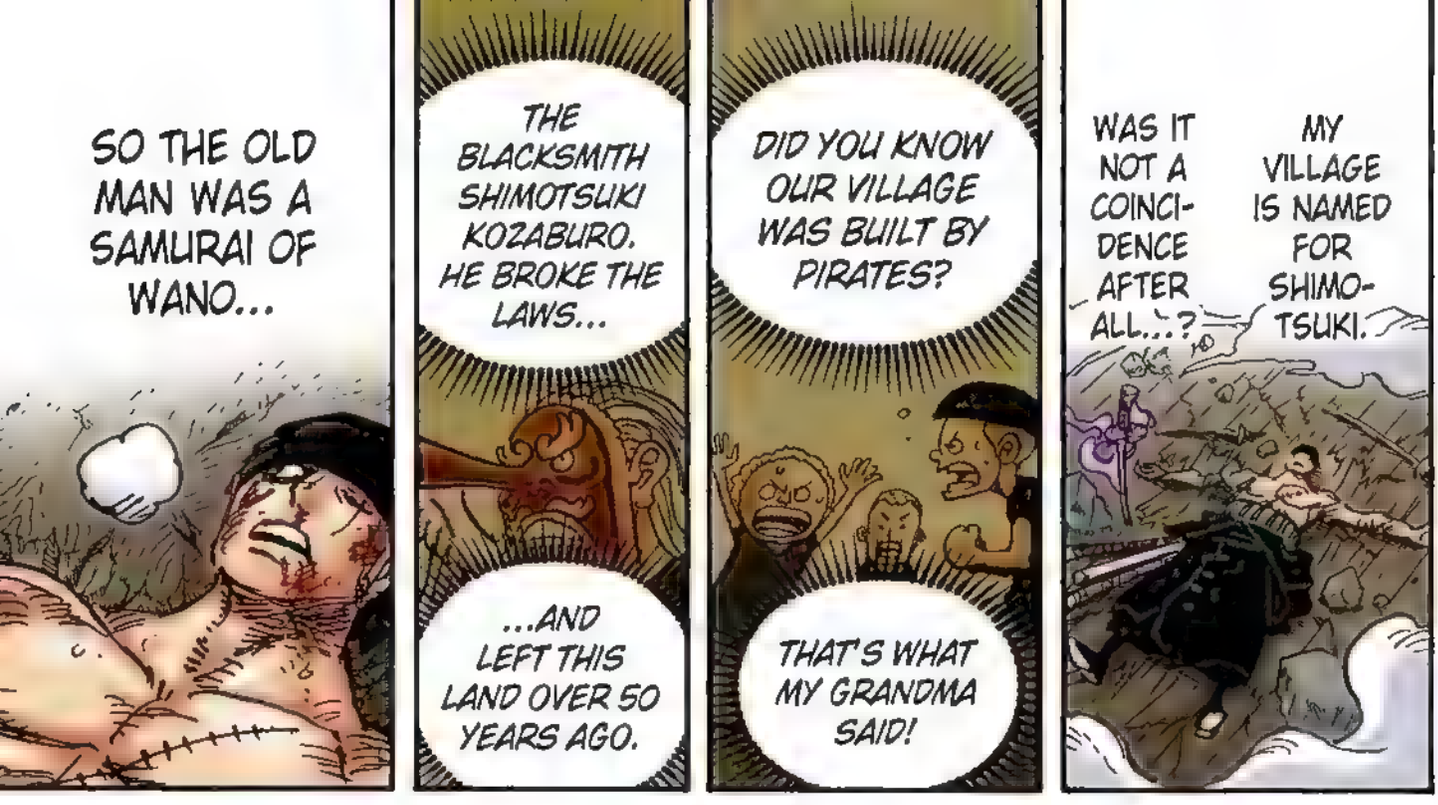
THE KING OF THE UNDER-WORLD...



SO THE OLD MAN WAS A SAMURAI OF WANO...

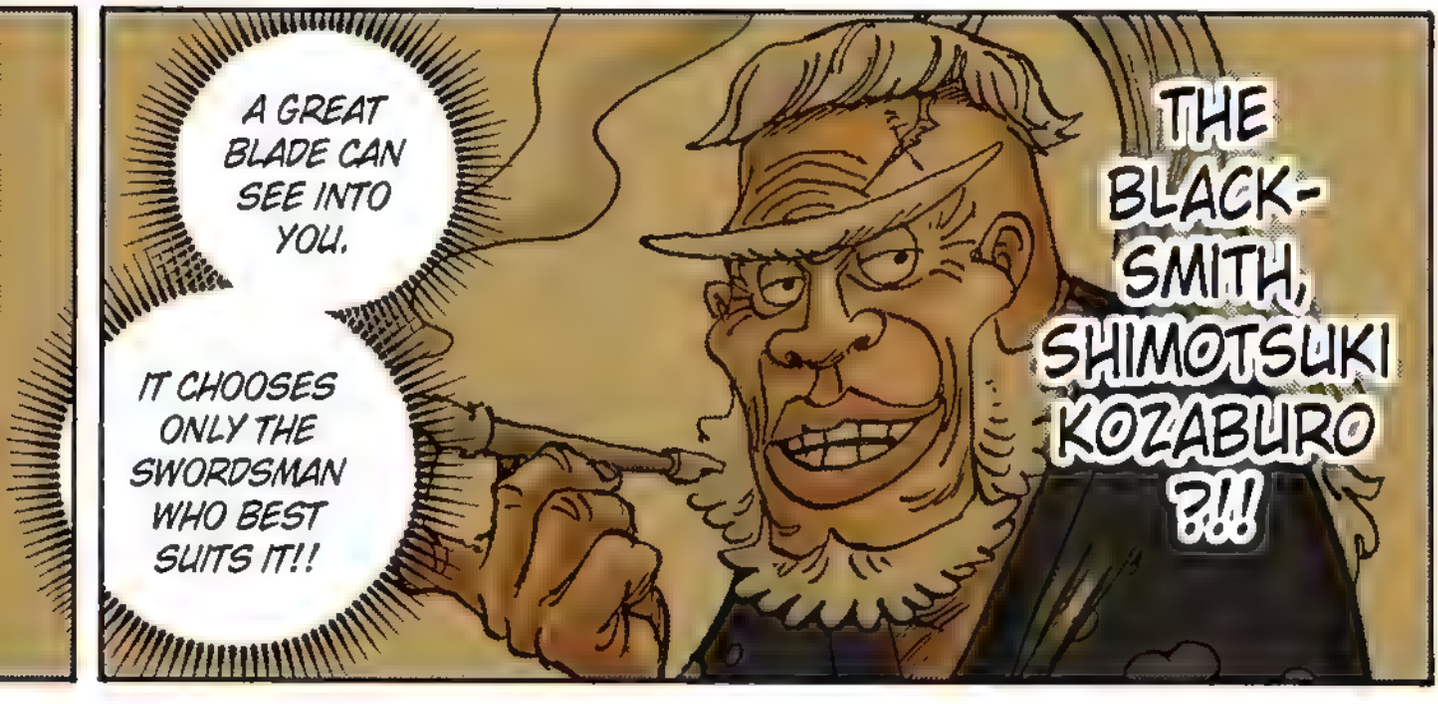
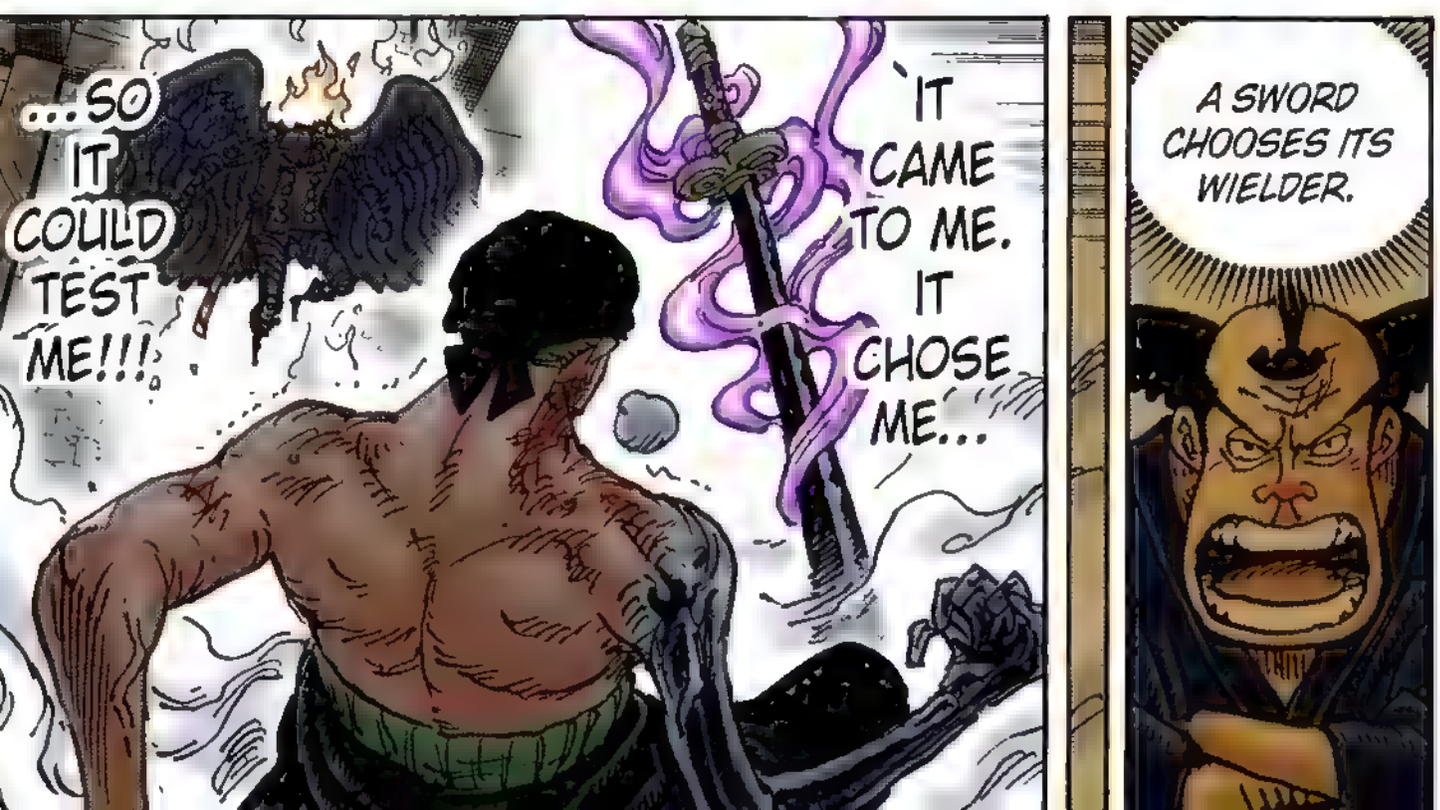
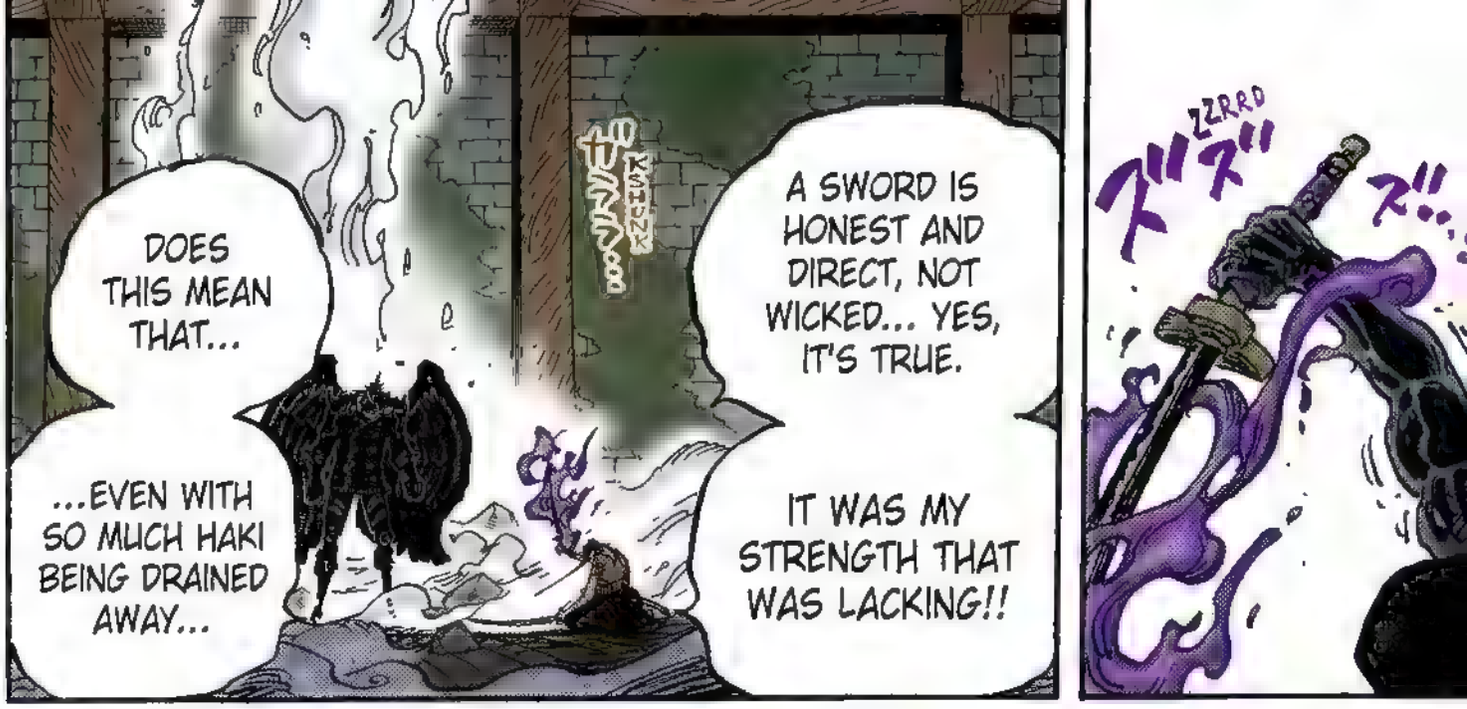
DID YOU KNOW OUR VILLAGE WAS BUILT BY PIRATES?
THAT'S WHAT MY GRANDMA SAID!
WAS IT NOT A COINCI-DENCE AFTER ALL...?
MY VILLAGE IS NAMED FOR SHIMO-TSUKI.



A GREAT BLADE CAN SEE INTO YOU.
IT CHOOSES ONLY THE SWORDSMAN WHO BEST SUITS IT!!
THE BLACK-SMITH, SHIMOTSUKI KOZABURO ?!!



...SO IT COULD TEST ME!!!
IT CAME TO ME. IT CHOSE ME...
A SWORD CHOOSES ITS WIELDER.



DOES THIS MEAN THAT...
...EVEN WITH SO MUCH HAKI BEING DRAINED AWAY...
A SWORD IS HONEST AND DIRECT, NOT WICKED... YES, IT'S TRUE.
IT WAS MY STRENGTH THAT WAS LACKING!!

A: Okay! Previously, I asked all of you to explain what those lines were on Robin's chest when she was in Gigante Fleur form. You sent in many answers, so here's a selection!!

Q: Are those the lone scars that Robin ever suffered, from the time that she whooped my butt?

--Leo from the Cleave

Q: They must be **vaccine** lines, to protect against **obscene** thoughts!!

--Tamaemon

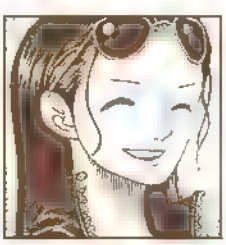
Q: Oh, those are Demonio Lines. You know how people get that pulsing blue vein when they're angry? This is a warning sign that if you make her any angrier, she'll go Demonio Fleur!!

--Daichi Kuriki

Q: What if those aren't her boobs at all? What if they're just onions?

--Eeyan

A: Very interesting!! Thank you for these fascinating comments, as well as the many others we don't have room for! So, which one will be selected as the official answer? *Drrrrururururum!!*
Take it away, Robin!!



Robin: ***They're onions.♡ Hee hee hee!***

A: They were onions!!! They weren't her chest at all!!

Q: Hello, Odacchi!! What's with the endless parade of boob questions in the SBS Segment these days? Do guys think about anything other than boobs?! It made me so sad when an entire page of volume 100 was nothing but a boob festival. It's like, are we all supposed to be perverts or something?!
So, Odacchi, were you aware that what we ladies want to know is…

Zolo's bust size!!! Tell us now!!!

--Rororniki

A: We got a girl pervert here!!! It's over! This segment is all over! Dammit! How should I know Zolo's bust size?! About 110 cm (433 in) or something? This SBS is over! But we still have another SBS section coming up with Jimbei's voice actor, Mr. Hoki! (See pg. 168)

SBS Question Corner

It's our helmsman, Katsuhisa Hoki's...

(Buchonosuke, Tochigi)

Q: Hello, Mr. Hoki. My question is, do the big teeth in your lower jaw make it hard to speak?

--Yuupeko

H (Hoki): I went to a fish-man dentist to ask them about it, and they said, "You shouldn't take them out." *(laughs)*

Q: Do you have webbing on your hands too?

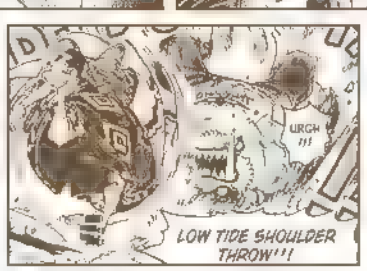
--Roromiki

H: Of course! (Just the vestigial remains.) Doesn't everyone?

Q: Which one is your type--Nami or Robin?

--Roromiki

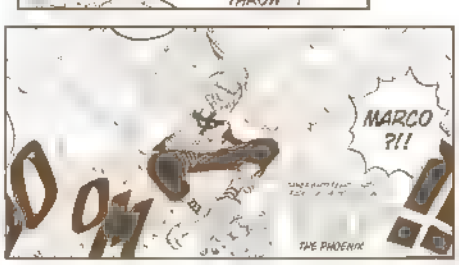
H: Robin. She seems like she knows a lot about fish-men.



Q: Have you ever practiced any kind of martial art?

--Ramen-maru

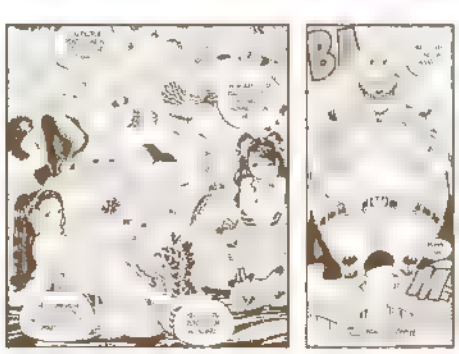
H: I've done judo since I was in the 3rd grade. I'm a black belt!



Q: Mr. Hoki, if Jimbei ate a Devil Fruit, which fruit would it be?

--420 Land

H: Because a fish-man can live on land or in the water, I think he should get the Bird-Bird Fruit! But it would hurt too much not to be able to swim!



Q: Do you love mermaids too, Mr. Hoki?

--Match and Takeshi

H: I like pretty mermaids. *(laughs)*

Q: What's your favorite kind of fish?

--Match and Takeshi

H: I like blackthroat seaperch! It's delicious!

Q: Jimbei or Moria: which character is harder to act?

--Ryota Ehara

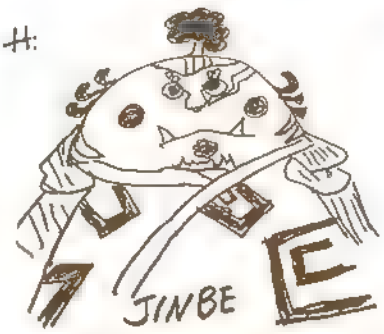
(*Note: Hoki also plays the role of Gecko Moria.)

H: **Jimbei! He's had a life of many twists and turns, ups and downs.**

Q: Draw a picture of Jimbei without looking at the paper.

--Yuupeko

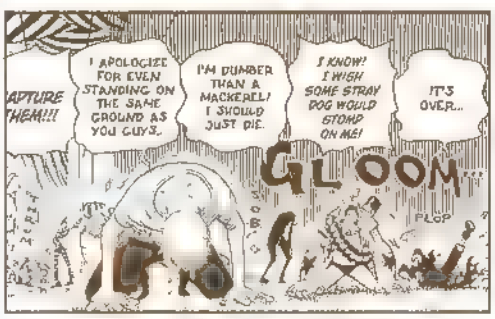
H:



Q: If you could describe Jimbei with a *yojijukugo* (four-kanji poetic phrase) which would it be?

--Ikeda

H: **Gashinshotan! (Undergoing extreme hardship to achieve your goal.)**



Q: I can't even pick up my pen, because I don't know if I'm worthy of asking Mr. Hoki a question… Take this! Negative Hollow!!

--Occhi

H: **Oooh… I'm sorry for playing a fish-man, even though I almost drowned when I was in kindergarten.**

Q: What's your favorite Jimbei line and scene?!

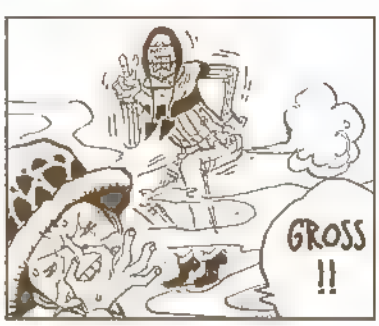
--Occhi

H: **It's the scene where Jimbei returns the ritual cup of sake! "A man who would be crewmate of the future King of Pirates cannot afford to tremble in the presence of a mere Emperor!!!"**

Q: In the volume 99 SBS, it was revealed that Jimbei's best dish is "seared bonito tuna"! Do you have a specialty you like to make?

--Shiba

H: **Stir-fried vegetables, vegetable ramen. I made these a lot when I was young!**



Q: What powers do you have, Mr. Hoki? Tell us!!

--Yo D

H **I've got the Toot-Toot Fruit! They call me Tootankhamun because my farts turn people into mummies…**

O (Oda): Okay! Thank you for that, Mr. Hoki. Our time is up! Toot-Toot Fruit, I mean, really… Everybody knows you can't knock someone unconscious with a fa… urk!! That smells… flop!!

H: **Oh! Odacchi!! Uh-oh, there's no pulse. Well, uh… everybody split! So long!!**

O: Don't leave me here!!

In the Edo period, "it" was sold as fertilizer for crops. And the "it" from people who ate fine food was sold at a premium, while the "it" from the poor or criminals was cheap. Even "it" has ranks of quality.
The age-old question is "Which would you rather eat it-flavored curry, or curry-flavored it?"
But the question you should ask in response is, "Whose 'it' are we talking about?"
Anyway... Man, I wish the PTA liked me!!!
Here's volume 102. Enjoy!!!

Story

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!!

Luffy and crew join with Momonosuke's faction in order to defeat Kaido, one of the Four Emperors. With all the allies in place, the raid on Onigashima begins!! Despite the difference in numbers, the group's sneak attack goes well, and they fight hard. But disaster strikes when Big Mom allies with Kaido! With Kaido's daughter Yamato on Luffy's side, however, the alliance defeats enemy officers one by one, overturning their deficit. Despite his earlier defeat, Luffy charges back into battle with Kaido one last time!! Elsewhere, Kid and Law face off against Big Mom in pitched battle! Sanji and Zoro challenge the Lead Performers Queen and King and emerge victorious, despite great injury..

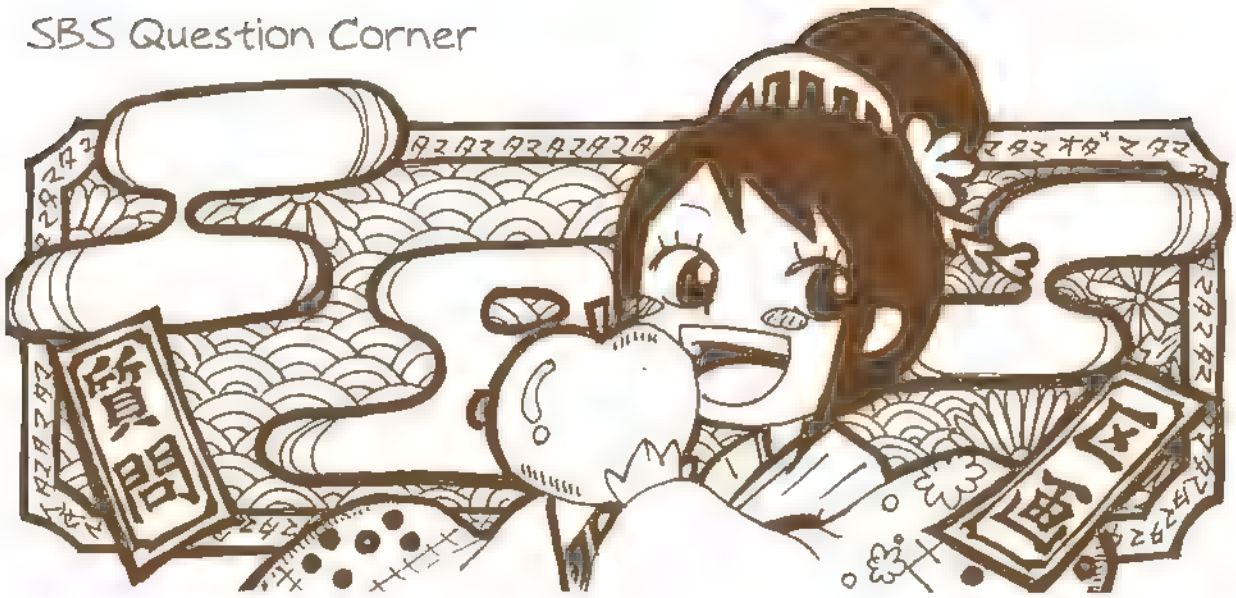
SBS Question Corner



(Mamapippi, Kanagawa)

Q: Shame the SBS!!!!

–Hebo

A. Oh noooooo!! We've been shaaaaamed!! But you're right to!! Hey, no you're not!! (cries)

Q: Odacchi, I couldn't help but notice that Osome's pet rat Chuji looks just like the rat Sanji cooked for as a little boy! Are they related?

–Fraland

A: I'm surprised you remembered that. I think that the way rats flock to him is a sign of the kindness at the core of Sanji's being. While they do look very similar, Chuji and the rat from Sanji's childhood are not relatives. I'm relieved that Sanji didn't get absorbed into Germa, aren't you? On the other hand, the scientific powers that manifested in his body have made Sanji undeniably stronger. He's also gained the power to "vanish," but don't worry. It's simply an effect of great speed, and not something he can use inside the bath. *(laughs)*

Q: I would like to start a relationship with Nami. Could you ask her for her phone number, Odacchi?! And make sure Sanji doesn't find out.

–Ramen-maru

A: Sure thing. It's 7373-737373. But you have to call her on the big transponder snail, not your smartphone! Also, I can't guarantee your call won't get traced, leading to a furious Sanji racing your way.

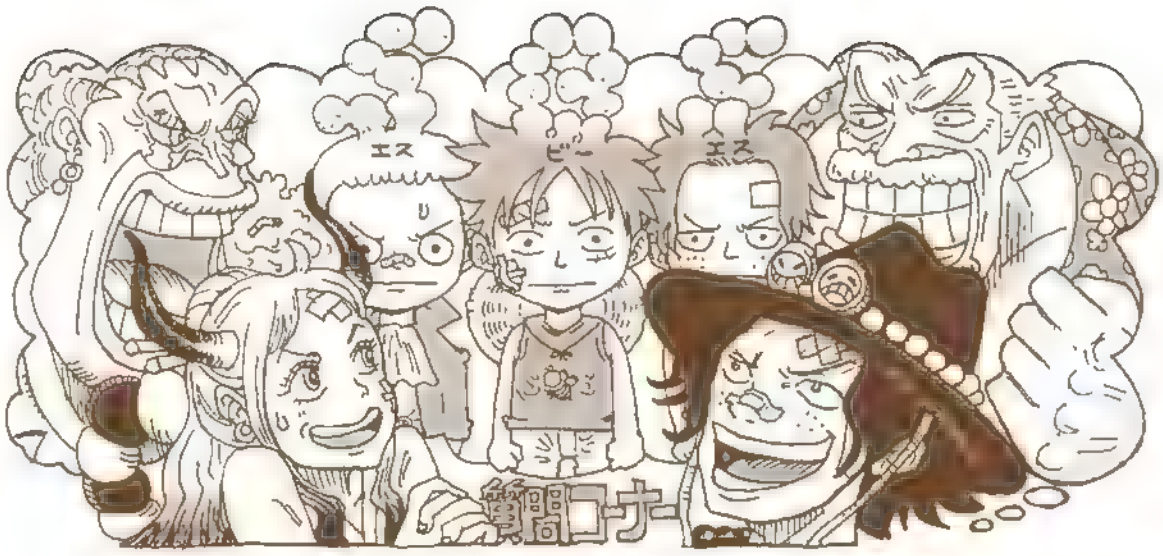
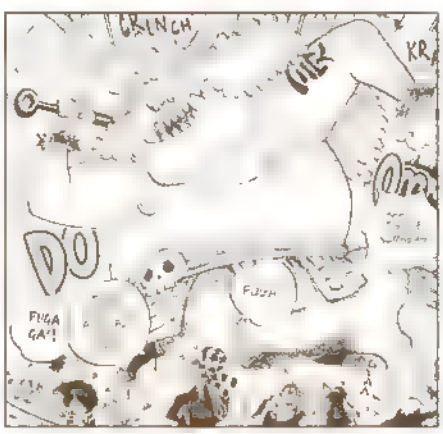
SBS Question Corner



(Buchonosuke, Tochu!)

Q: Hi, Oda Sensei!! I noticed that Yamato was having a very friendly chat with Fuga in chapter 1032. How long have they been pals like that?

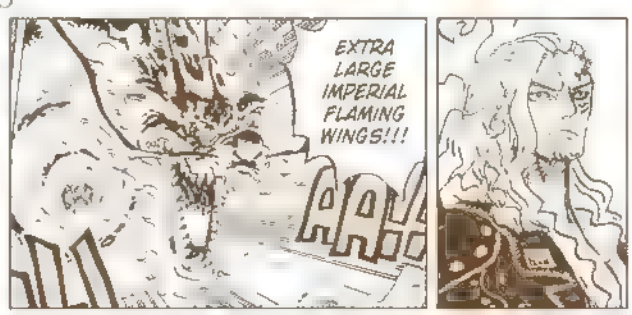
--Ryunosuke



A: I tried to slip this into the manga many times, but there were just so many battle scenes that it never fit in. As you can see from looking at him, Fuga has horse fruit powers. It happened when he was hungry and stole a Smile fruit from Kaido's chamber. LOL! Kaido was furious and locked Fuga in a cage, the other Numbers mocked him for having weird legs, and poor Fuga was left to cry all alone Yamato found him and told him, "No way, those legs are cool!!" Ever since, Fuga and Yamato have been good friends

Q: Is "Imperial Flaming Wings" supposed to mean hot wings? Is King a wing guy?

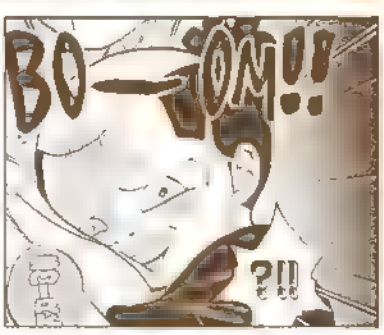
--Inucchi



A: Ah, yes. Flaming wings. His favorite food is actually flying fish sashimi, but hot wings are really good too!

Q: Hello, Oda Sensei! How come Momonosuke is such a pervert at age eight? Were you like that too?

--Yuu



A: The question is, when do boys get so pervy? Well, I'm not going to reveal their secret! After all, if I publicize that information, they won't be able to use their special privileges anymore! Don't worry, boys! Your secret is safe with me!!

Q: I'm so sorry!! To have kept you waiting!!! For 23 long years!!! Huh…? Waiting for what? Oh, come on, surely you haven't forgotten that you said you wanted to drink a cola in the volume 9 SBS… I bought it for you at the time, I just forgot to give it to you. Well, here you go!!

--Kokoro Fukada

A: Whaaaat?!! Ƹ̵̡Ӝ̵̨̄Ʒ You're right. Uh... Thank you. But from what I can see on the internet, it seems that cola expires in like, half a year...But...I should drink it!! Here goes!! *Pshk! Glug glugglug... Blargh! Flop...*

Q. Nobunaga: If the cuckoo won't sing, kill it.
Hideyoshi: If the cuckoo won't sing, make it sing.
Ieyasu: If the cuckoo won't sing, wait until it does.
These haiku capture the philoshophies of three men who wanted to rule Japan. What would yours be?

A: Oda: If the cuckoo won't sing, Buy me a cola
Meaning: "I want a cola right now."
(And not a diet cola)

Q: I was reading a book of English vocabulary words and saw "snatch" in there, as in, "to snatch victory from defeat." I couldn't help but wonder about a possible connection to the word "sunacchi" that the samurai say. Am I onto something?

--Yashirai

A: Well, I suppose there are some surface-level similarities to English. But this is based on a style of swordsmanship called Jigen-ryu from the old Satsuma domain, where they would cry "chest!" as they swung. There are a number of theories as to why, but I liked the explanation that they had shortened the phrase *chie wo sutero* ("abandon your wits") into *chesuto*. In short, it means to empty your mind as you launch yourself at the opponent. Since it wouldn't make sense to use a real-world phrase in the manga, I came up with *sunacchi*, "surrender your name and be as a child," as an analogue.

SBS Question Corner

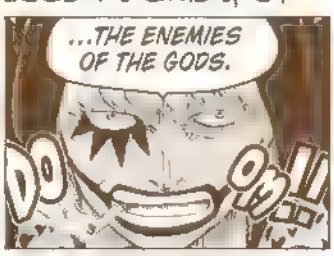
(Hamane, Kanagawa)

Q: Mr. Oda, please tell us your favorite and least favorite kinds of PTA.

--Eeyan

A My favorite PTA is the kind of PTA that enjoys One Piece along with the children!! My least favorite kind of PTA. doesn't exist, of course! You silly! Smile, smile



Q: Law said that he would accept his destiny as one of the people of the D, and be an enemy of the gods. Likewise, I think that you should accept the fact that you are the "enemy of the PTA."

--Nekokiyo Inugami

A: Nooooo!!
I want the PTA to love me!!
But I also want to draw the dreams of all the growing young boys!! Aw, dammit...!!

Q: Hello, Mr. Oda! Do you poop?

--Kotaro

A: I poop so hard, I once had a bird's-eye view of Tokyo!! Aw, dammit !!

Q: Nin nin. Raizo and Fukurokuju appear to be rivals. I would like to know what happened between these two ninjas to cause this rivalry.

--Kotaro

A: Well, this is something that wasn't really worth talking about, so I totally skipped it (LOL). I'll make it short. Raizo, the genius ninja with Scroll-Scroll Jutsu powers and great reflexes, was in love with Fukumi, the younger sister of Fukurokuju, leader of the ninjas One day, Raizo rescued Fukumi during a mission. She was so smitten with his gallantry that she went in for a kiss, but naive, innocent Raizo pushed her away and accidentally injured her. Ashamed of his actions, he fled. Fukumi repeated his name on her sickbed until her dying day. Fukurokuju mistook her obsession with loathing, and his rage caused his head and earlobes to stretch longer and longer. He swore to never forgive Raizo for his sins. And Raizo never made excuses to explain his actions.

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Story

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World.!

Luffy and crew join with Momonosuke's faction in order to defeat Kaido, one of the Four Emperors. With all the allies in place, the raid on Onigashima begins!! Despite the difference in numbers, the group's sneak attack goes well, and they fight hard. But disaster strikes when Big Mom allies with Kaido! With Kaido's daughter Yamato on Luffy's side, however the alliance defeats enemy officers one by one, overturning their deficit. Kid and Law face off against Big Mom, while Sanji and Zoro challenge Queen and King, each emerging victorious. All that's left is Luffy's battle with Kaido, where the extreme level of combat causes the Gum-Gum Fruit to awaken, activating Gear Five!! The epic war on Onigashima is finally about to reach its conclusion!

Q: In *rakugo*, there is a story called "Yudachi (Evening Shower) Kangoro." Was that the inspiration for Evening Shower Kanjuro? Is there any other inspiration for Kanjuro?
--3

A: It's a story in rakugo, and in the storytelling tradition of *kodan* too. In Kanjuro's case, the "Evening Shower" moniker is a scary one, because it's a shower of blood. There is, in fact, a model for Kanjuro's background, a rakugo story about a sculptor named Hidari Jingoro, whose sculptures made with his left hand were so incredible that they took on a life of their own and moved. In Kanjuro's case, it's the opposite, of course. Little details like this don't really matter, but the truth is that all of Kanjuro's sucky drawings are done with his left hand. After his betrayal is revealed, he's right-handed. Isn't he just the worst?!

Q: I've heard that personifications of people's belongings are popular on the SBS these days, so I'd like to request Zolo's haramaki (stomach band) and earrings! They must be such beautiful women that Sanji would be jealous!!!

Q: Does Yamato wear…underpants? Or a *fundoshi* loincloth?
--Tomon

A: Fundoshi. Yamato is a samurai, after all!

Q: It feels like there are fewer members of the Red Haired Pirates than we saw in the first chapter. Is that just because they split into divisions, and don't all appear at once?
--Negizile

A: Well, I'm not sure which scenes you're using to compare, but Shanks actually has a very large crew. All the members introduced in volume 101 are the "senior officers," and they also have a number of separate pirate crews affiliated with their operation. They might seem small at certain times because there are too many to all be in the same place at the same time, but trust me, there are tons and tons of members. It's a bit like the Straw Hat Fleet. But Shanks isn't like, the cruel tyrant ruling over the others.

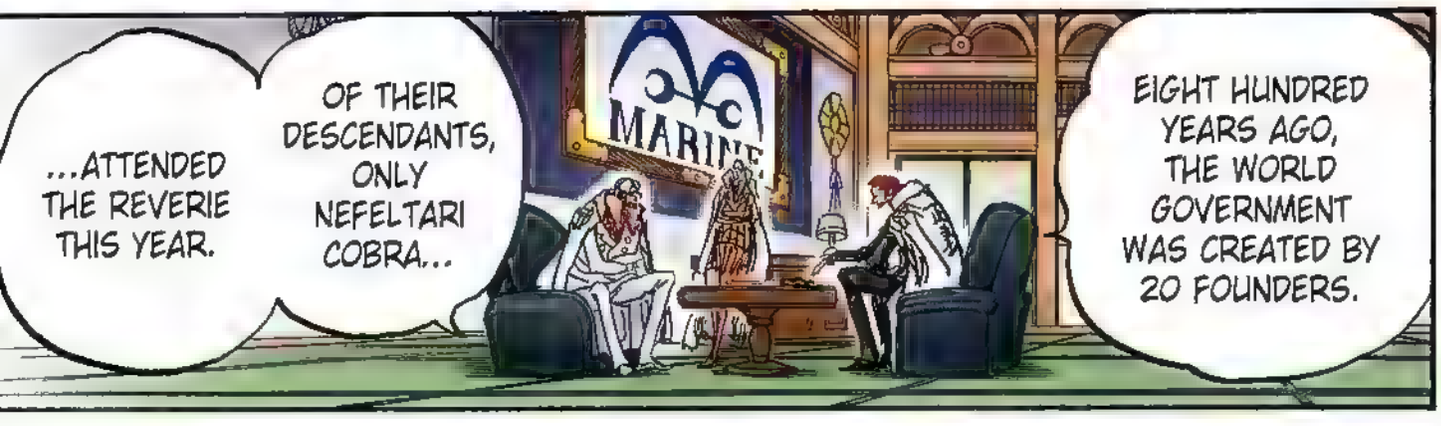
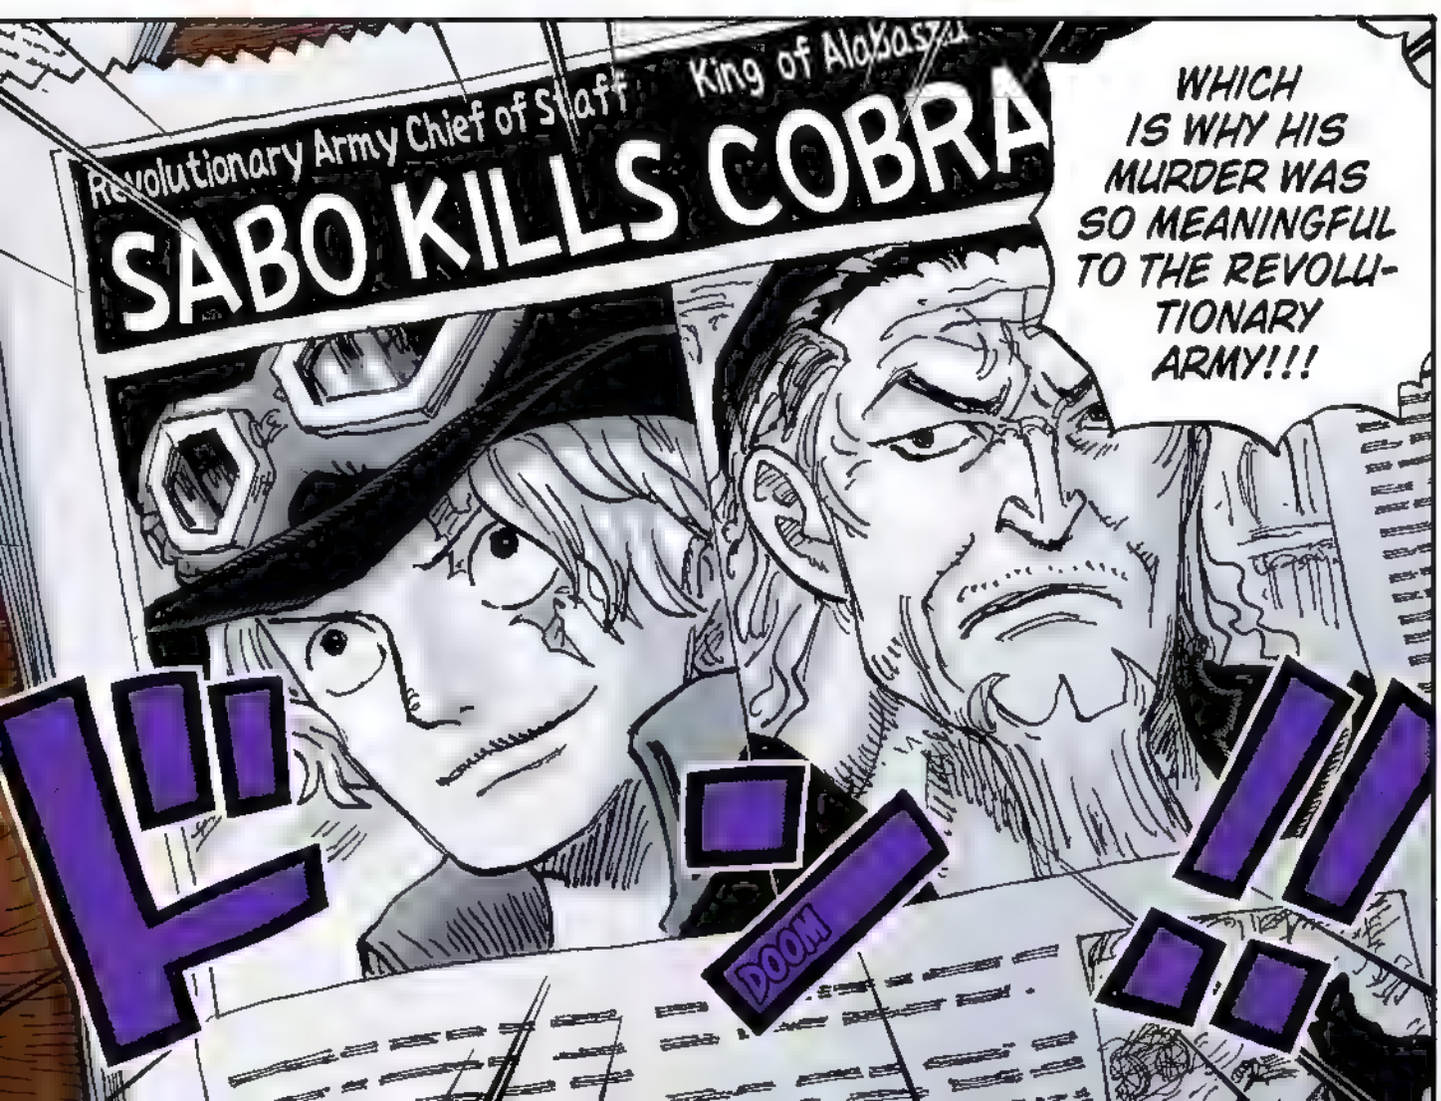
NAVY HQ, NEW WORLD
WE CAN'T LET THE REVOLUTIONARIES KEEP RUNNING UNCHECKED, AKAINU.
I KNOW THAT, BUT WE DON'T HAVE THE TROOPS TO SEND.
THEY'RE CALLING HIM FLAME EMPEROR SABO NOW.
HE'S THE HERO OF THE ENTIRE WORLD!!



EIGHT HUNDRED YEARS AGO, THE WORLD GOVERNMENT WAS CREATED BY 20 FOUNDERS.
OF THEIR DESCENDANTS, ONLY NEFELTARI COBRA...
...ATTENDED THE REVERIE THIS YEAR.



Revolutionary Army Chief of Staff
King of Alabasta
SABO KILLS COBRA

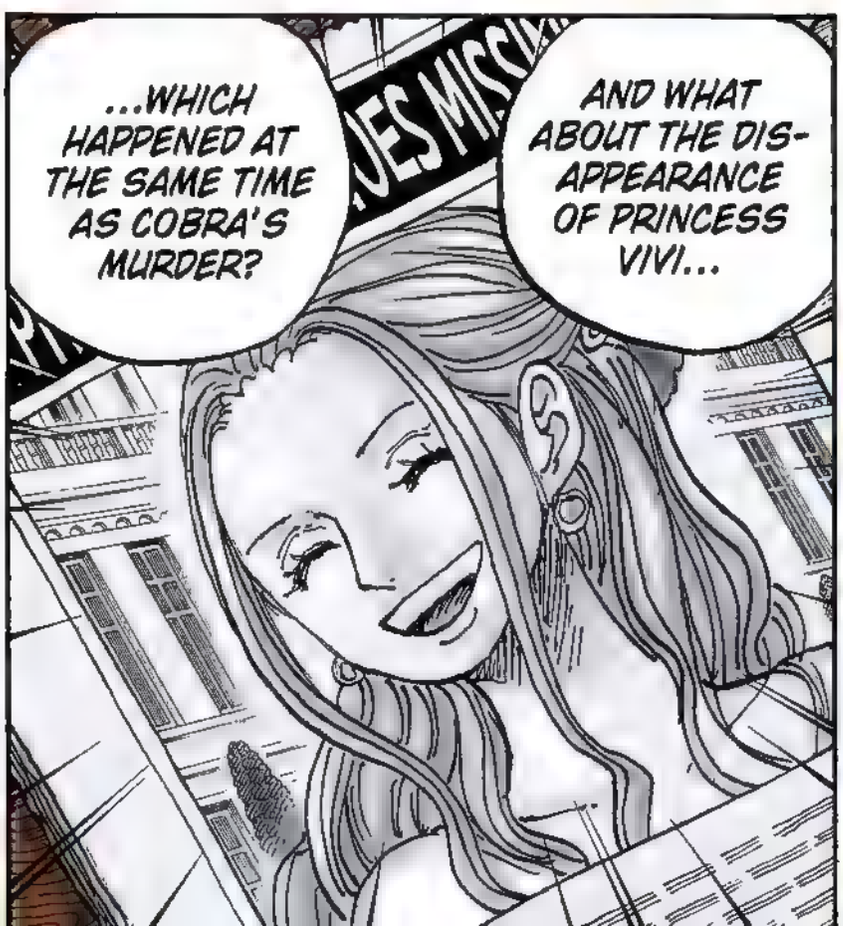
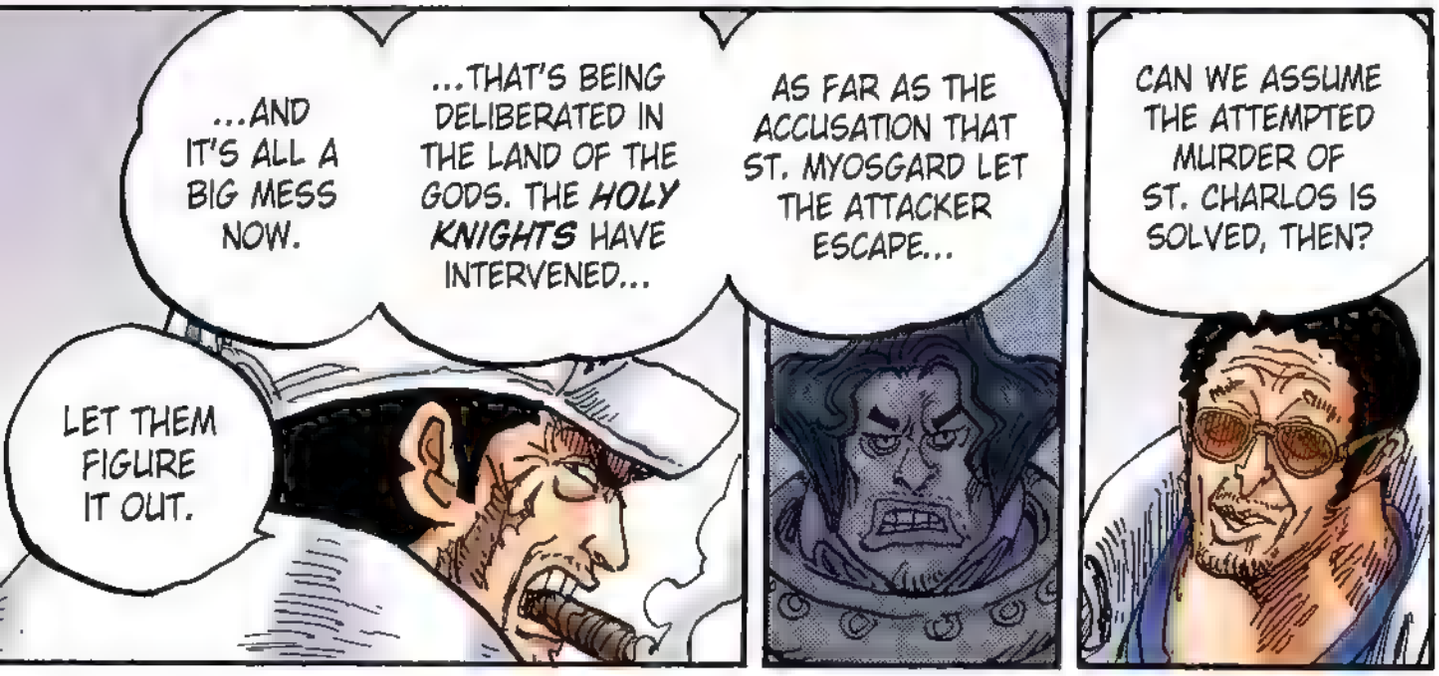
ADMIRALS RYOKUGYU AND FUJITORA LED THE NAVY INTO BATTLE...



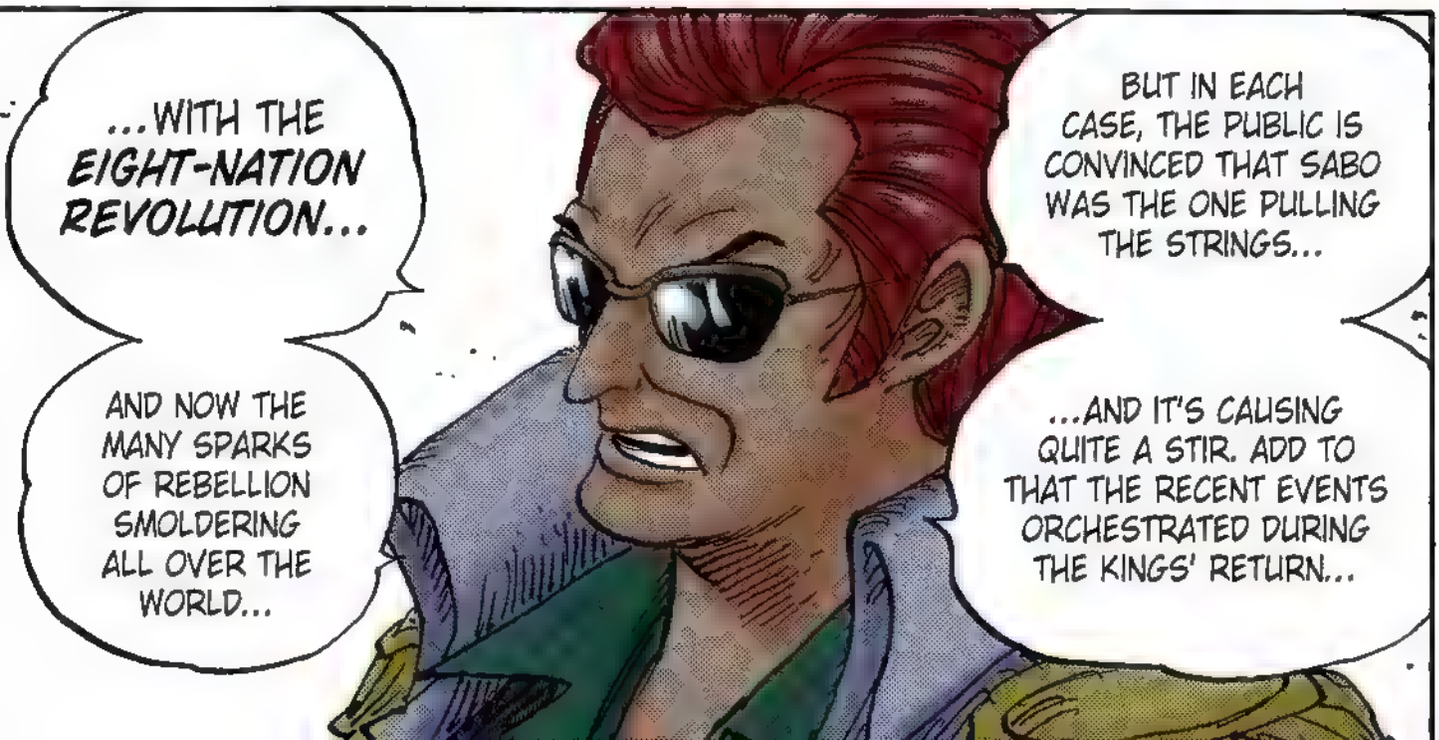
...WHICH HAPPENED AT THE SAME TIME AS COBRA'S MURDER?
AND WHAT ABOUT THE DISAPPEARANCE OF PRINCESS VIVI...

DON'T MAKE EXCUSES FOR THEM.
I'M CERTAIN THAT IT WAS DIFFICULT FOR THE ADMIRALS TO EXHIBIT THEIR FULL POWERS IN THE LAND OF THE GODS.

THEIR SHIP'S STILL AT THE RED PORT, IN FACT... THEY CAN'T SEND IT HOME WITH ALL THAT'S GOING ON...
IT'S A DOUBLE BLOW FOR ALABASTA.
MARINE
...AS WELL AS ANY POSSIBLE CONNECTIONS BETWEEN THE TWO.
WE'RE STILL INVESTIGATING THE MATTER...
DIRECTOR, NAVAL BUREAU OF INVESTIGATION
KUROUMA (TENSEI)



...AND IT'S ALL A BIG MESS NOW.
...THAT'S BEING DELIBERATED IN THE LAND OF THE GODS. THE HOLY KNIGHTS HAVE INTERVENED...
AS FAR AS THE ACCUSATION THAT ST. MYOSGARD LET THE ATTACKER ESCAPE...
CAN WE ASSUME THE ATTEMPTED MURDER OF ST. CHARLOS IS SOLVED, THEN?
LET THEM FIGURE IT OUT.



...WITH THE EIGHT-NATION REVOLUTION...
AND NOW THE MANY SPARKS OF REBELLION SMOLDERING ALL OVER THE WORLD...
BUT IN EACH CASE, THE PUBLIC IS CONVINCED THAT SABO WAS THE ONE PULLING THE STRINGS...
...AND IT'S CAUSING QUITE A STIR. ADD TO THAT THE RECENT EVENTS ORCHESTRATED DURING THE KINGS' RETURN...

...I HAD TO BE FLEET ADMIRAL IN!!

THIS IS ONE HELL OF AN AGE...

BUT NO MATTER WHO COMES AT US...

...I'LL DRIVE EACH AND EVERY ONE OF THEM BACK INTO THE DEPTHS OF THE SEA!!!

DOOM!

AT THIS POINT IN TIME, HE'S SO POPULAR THAT HE MIGHT HAVE MORE INFLUENCE...

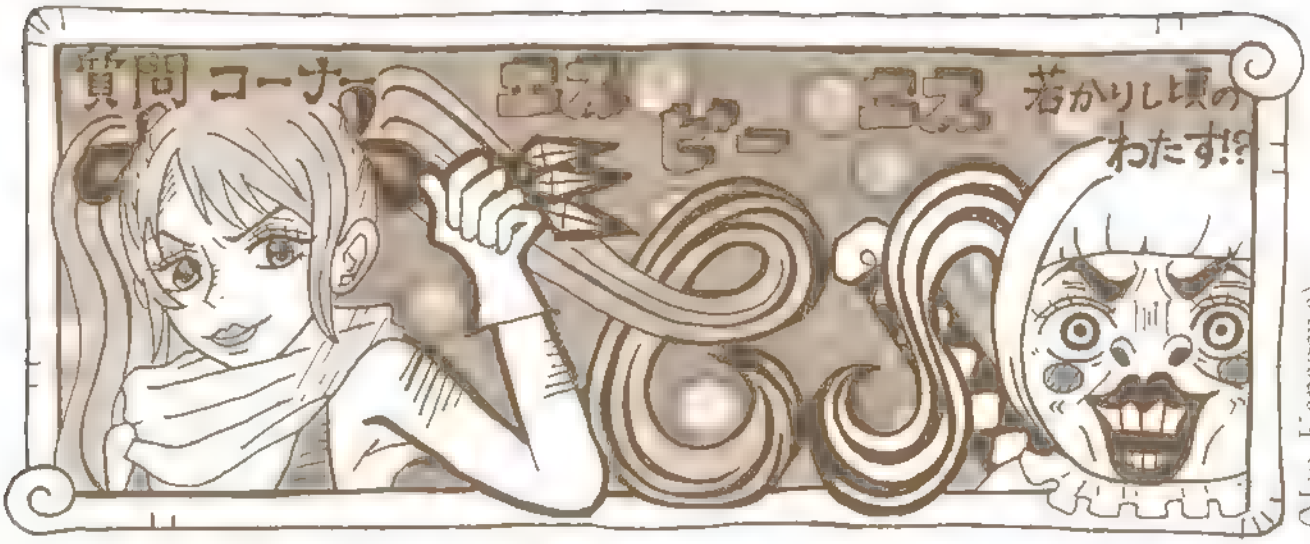
IN THE WORLD OF PIRATES, THE FLAME EMPEROR'S BROTHER...

AND NOW HIS BROTHER, STRAW HAT LUFFY...

...IS AN EMPEROR OF THE SEA.

SBS Question Corner



(Mao, Kanagawa)

Q: What's the name of the waiter who was preparing the *honzen-ryori* feast at the castle?

--Tomon

A: That wasn't a waiter, that was the head chef! He's the greatest chef in Wano, and a master of the tea ceremony to boot. His name is Sen-no-Rikyuru!

Q: Ahh, the beauties of the SBS.♡ Nami and Robin are both so gorgeous. Do they wear makeup? Please tell me more about their beauty regimen.

--27-year-old Who Admires Shakky

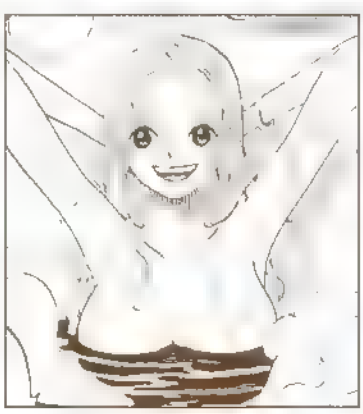
A: Shall I ask? They'll probably just say something like, "No, I don't use anything..."

Nami: *Yes, I do!!⚡ I always put on a layer of makeup, because skin care is a big deal at sea! Zeus makes perfect saunas for me, and Robin's massages are wonderful! Sanji manages my diet for me, and Chopper makes me lotions, foundations, creams and skin packs. Brook knows a lot about hair care too. And I make sure to keep up with my fitness!*

A. Well, there you have it. She does put the effort into it--with a lot of help from her friends!!

Q: May I please touch Nami's extra-large millet dumplings?!

--Sanadacchi



A: Huh? Hmm? (Looks twice) Wait...

What is happening...?! Do you have split personalities?!
Resign! Resign from the PTA!!

Story

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World.!

Luffy and crew join with Momonosuke's faction in order to defeat Kaido, one of the Four Emperors. With all the allies in place, the raid on Onigashima begins!! Despite the disaster of Big Mom arriving with Kaido, the alliance defeats the enemy officers, and takes down Big Mom! All that's left is Luffy's battle with Kaido, where the extreme level of combat causes the Gum-Gum Fruit to awaken, activating Gear Fifth and helping Luffy win!!

Momonosuke announces his intent to lead Wano. While peace has arrived in the country at last, the world picture is greatly unbalanced by the shocking defeat of two Emperors. And with his bounty jumping ever higher Luffy's era as an Emperor of the Sea begins

Q: Oda Sensei, why does fire come out of Sanji's feet?

--T. Ura

A: Because it's way cooler than if farts came out of his feet. Thanks, Byeeee. Write again pleeeease.

Q: My question is about Sanji's eyebrow. In volume 102, chapter 1031, it reversed itself, but in volume 103, chapter 1044, it's back to normal. Why did it go back?

--Roof

A: Well spotted! Yes, his eyebrow does change. Going back to the Whole Cake Island arc, all of Sanji's siblings were born with superhuman capabilities and hardy skin called an "exoskeleton," due to the bloodline element manipulation performed on them. But because of Sanji's mother's resistance, he was born as a regular human. Let's look at his siblings' eyebrows

← Each of them has the "double-six" eyebrows, like Yonji. It's the opposite of Sanji's. So, in his case, the raid suit caused the power of science to manifest in him. Sanji already had an abnormal resistance to flame to begin with. That was a strange little event, wasn't it? Let's see where this takes him.

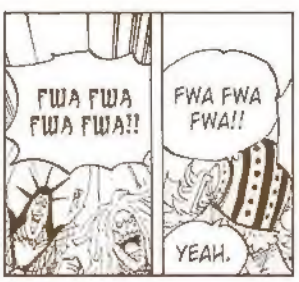
Q: Hello. I love *One Piece*. I heard the Wano arc is over. It's really sad that the people who ate the failed Devil Fruits can only laugh now, so I was hoping Chopper would make a medicine that cures them before the Straw Hats sail away. It's too sad for Killer that all he does is laugh. Please take care of this, Master Oda.

--Hiromi M.

A: Thank you for this very considerate letter. It's really horrible to be unable to mourn, or do anything but laugh, just after your parent has died. But I don't think Chopper has the ability to make that medicine yet. Some things in life you just can't stop, and this is one of them. But honestly, I laughed when the Kid Pirates stuck together and said, "We'll be a cheerful pirate crew" after the sad news about Killer. It's great to be able to look on the bright side of life when things are depressing. I believe in the strength of the people of Wano!!



Q: Is Ryokugyu based on the real-life actor Yoshio Harada? He was so cool, my nose started bleeding.

--Match & Takeshi

A: That's right. He's famous for his role in a movie called *Ronin-gai*. He's already passed away, sadly, but he's a legendary actor.

Q: Is there an actor who serves as a model for Director Kurouma (Tensei) of the Marine Bureau of Investigation, who was introduced in chapter 1054?

--Jinbe

A: Tensei is modeled after an actor named Akira Kobayashi. Incidentally, I realized that by putting all of my favorite legendary actors in the upper echelon of the Marines, I was creating a problem--everyone's going to end up with black hair! So that's why I didn't fill in his hair. I'm not making Ryokugyu's hair black either. If you're familiar with my personal film bible, *Battles without Honor and Humanity*, the scene of Akainu and Kurouma speaking to one another as equals is super exciting! They're awesome!!
